"Shizi joked. If she does, I ... will mourn for her for one year."

The expression on Mo Huating's face was deep and affectionate, which made Wei Yuewu look ridiculous but only felt ridiculous!

Mo Huating has a good abacus!

He killed his fiancée, reaching his invisibility, and by the way won a good name for himself.

Huh, but how could I make you do what you want!

"I do n't know if Jingyuan Hou has checked it. Who is it?" He did not answer the words of Mo Huating's pretending affection, the young man turned around and asked leisurely.

"Check! According to the nearby villagers, there were gangsters there during this time. It is speculated that a few gangsters happened to pass by and saw Miss Wei's carriage worries. Although Miss Wei had a lot of staff, she faced this This kind of desperate person still has no advantage. When I arrived, Miss Wei ... had already died in the sedan ...

Not only did he chase away the man in black, he also scratched his face ...

For that, let me escape the day of birth!

Qin Ruo ... Qin Ruo ...!

Wei Yuewu wiped away the tears on her face, pressured the grief and anger: Qin Ruo, rest assured! I will pay you back for this! I want to make Mo Huating, blood! debt! blood! Pay!

As the tables and chairs rang out, and Mo Yueting looked out, Mo Huating was leaving with his followers.

And the slim guard behind Mo Huating drew Wei Yuewu more glances ...

When the person got away, a small cricket came over and removed the screen in front of Wei Yuewu. After the screen, the girl who did not seem to have grown up, sat quietly, raised a pair of deep eyes, quietly Looking at teenager.

Waiting to speak, suddenly saw a guard hurried in and whispered in the young man's ear.

Because she stood relatively close, Wei Yuewu still heard a few words clearly:
"Huayang Houfu ... Miss two ... Jingyuan Hou ..."

Yan Huaiyi smiled slightly and waved at the guard, who stepped back silently.

"Miss Wei, Mo Huating may not believe you are dead. Now you are still tracking your whereabouts. There are two ways now. One is to follow Mo Huating to Beijing and the other is to follow me back to Beijing. I do n't know if Miss Wei is now Which way did you choose? "
