

The Yun Family's Ninth Child is an Imp! Chapter 1349

Yun chujiu shouted at the top of her voice, "Is anyone there? Why are you locking me up? If you are breathing, hurry up and come out. Otherwise, I will say something unpleasant! If I scold someone, even the old B * Stard Tian Dao will be afraid..."

"B * TCH, shut up! How dare you insult Tian Dao? You are really audacious!"

Yun Chujiu looked at the thing that came in and laughed so hard that tears were about to come out. "Please, I want to ask, are you a white steamed bun that has become a spirit?"

That "White steamed bun" was so angry that he could not contain his anger. "Stupid girl! I think you don't want to live anymore! Which Eye of yours sees me as a white steamed bun? You are the white steamed bun! Your whole family is a white steamed bun!"

Yun Chujiu held back her laughter and said, "You still don't want to admit it? Look at you. You are round and full of white hair. You are a living white steamed bun that has turned into a spirit!"

The white steamed bun was so angry that it almost turned into a red steamed bun. It was the first time it had encountered such an arrogant captive. Could you be a little more aware of being a captive?

"Stupid girl! Do you know who I am? How dare you offend me. Aren't you afraid that I will kill you?" The white steamed bun said fiercely, however, its appearance was too comical, so no matter how one looked at it, it was not scary.

“How would I know who you are? I only know that if you don’t let me go immediately, I will turn you into a white pancake!”Yun Chujiu said with her mouth curled.

Bai Mantou said through gritted teeth, “You still dare to threaten me? You are now my prisoner. It is easy for me to kill you!”

“Then just kill me. Why Waste Your Breath?”? “Come on, kill me. I think it’s good to die here.”. “This palace looks pretty good too. If I die here, I can be considered to have a gorgeous tomb. If there’s nothing else, my ghost can still come out and play hide-and-seek with you. How good would that be!”Yun Chujiu said indifferently.

“You! You! HMPH! You must be pretending to be calm. Darn Girl, where did you put the poison in the river? Hurry up and hand it over, or I’ll kill you.”Bai Mantou somehow got a treasured sword from somewhere and gestured at Yun Chujiu.

“Poison? Did you put the poison in the river?”

Bai Mantou pointed at Yun chujiu with his sword and said angrily, “That was the weak water that I got with great difficulty, but it was all destroyed by you! And you even f * cking built a Little Jiuhe? Are You Shameless?”

Yun Chujiu was also furious. “You Shameless Bai Mantou! You still pointed your sword at me? You really are a slut who uses a sword! You poisoned it, and you still have reason? I helped that river regain its vitality and vitality, so what if I named it after me? What has it got to do with you?”

“You! You! You are simply infuriating me to death! Don’t you know that my palace is right under that river? If it wasn’t protected by the weak water, my palace would have been attacked by aquatic demon beasts. What would I do then?” Bai Mantou said angrily.

Yun chujiu curled her lips. “If my guess is correct, you are the Qi Ling of this Great Wilderness Mystic Realm, right?”

Bai mantou snorted arrogantly. “That’s right, so you have to hand over the weak water obediently!”

“Bai Mantou, it’s not that I want to criticize you, but as a Qi ling, you actually used sinister methods to protect your palace. You Are Really Shameless! “Just because of your selfishness, you turned the entire river into poison. You’re really wicked!” “No wonder you look like this. It’s retribution!”

Bai mantou choked with anger and actually fainted on the ground.

Yun chujiu touched her nose. She fainted just like that? Wasn’t her mental endurance too weak?
