

## The Yun Family's Ninth Child is an Imp! Chapter 1735

You Chi and the others looked at Yun Chujiu's back and looked at each other. "Do you think what she said is true?"

"It's most likely true. Lin Chuchu wouldn't lie about something as big as Yi Mama's death.". "Moreover, Yi Mama's spiritual power isn't low. If they were to fight, it wouldn't end so quickly. However, we didn't hear any news at all. This means that she died very quickly. Maybe the Netherworld Spirit really did it."

"Now that you mention it, it does make sense. Could it be that the netherworld spirit really doesn't like what Vice Palace Master Liu has done?"

"It's not impossible. Not only did vice palace master Liu take over the SAINTESS, but he has also repeatedly invaded the Tianyuan continent over the years. That's why the Netherworld Spirit was angered." Sheng NV said

"Then what should we do? If the Netherworld Spirit thinks that we are vice palace master Liu's accomplices, it would be terrible if he punishes us!"

The more the five of them discussed, the more they felt that what Yun Chujiu said was true. In the end, they decided to find someone else to discuss it with. At most, they would not mention that it was Lin Chujiu who said it.

..

On the other side, Xiao Heiniaoy was conducting another routine interview. "Master, can they believe what you said? What you said is too ridiculous!"

"Tch!"! You Don't understand, do you? ! Although what I said was a little ridiculous, those guards who worked for Vice Palace Master Liu had always felt a little guilty. Moreover, they were dissatisfied with Vice Palace Master Liu, so they would subconsciously believe what I said. If they don't believe me, we will just wait and see,"Yun Chujiu said slyly.

"Master, then what's your purpose in doing this? Is it to make them afraid?"Xiao Heiniaoy still didn't understand.

"Silly Bird!"! This is called creating momentum. I deliberately let them only tell the people they trust, but this person can't control his own mouth. Moreover, every time they spread the word, they would add some of their own ideas. Very soon, many guards would panic. When the time comes, I'll think of a way to appease master. TSK TSK, Xiao Hei, tell me, why is your master so Smart? I almost admire myself!"Yun Chujiu said rather smugly.

Although Xiao Heiniaoy was scolded as a silly bird, he had to admire his own black-hearted master. He played like a fish in water under the eyes of Vice Palace Master Liu. What was this called again? Yes, spy within spy, trap within trap!

Yun chujiu was a little excited when she thought that she would be able to recognize her family the next day. It took her a long time to fall asleep.

Early in the morning the next day, Yun chujiu hopped into the main hall.

Needless to say, the SAINTESS really came. After she went back yesterday, she discussed with Yun Zhangqing for a long time. She wasn't sure whether Yun Chujiu belonged to vice palace master Liu or not. So this morning, she was ready to hear what Yun Chujiu had to say.

"Sheng NV, I'm here! It's like three years since we last saw each other. Did you miss me?" Yun Chujiu jumped into the main hall and said cheerfully.

Sheng NV was full of worries, but seeing Yun Chujiu's cheerful look, she couldn't help but feel relaxed. She smiled and said, "Have you had breakfast?"

"I haven't eaten. Only when I see you can I eat well. Hehe." Yun chujiu shamelessly sat next to Sheng nv with a small stool and acted cute.

Sheng NV is really can not stand the appearance of Yun chujiu acting cute, quickly told the maid to Yun Chujiu prepared breakfast.

Soon, breakfast on the table, Yun chujiu giggled to those maids said: “You all go down, someone watching me, I can not eat.”

Those handmaidens’ eye corners fiercely Twitch A, the beginning beginning young lady, you say this words do not have a guilty conscience? Every day we serve you here and you wish you could lick the plate. Is this called not eating?
