

The Yun Family's Ninth Child is an Imp! Chapter 1968

When the surrounding crowd saw Luo Yan release her spirit beast, they quickly dispersed. If they were accidentally injured, it would not be worth the loss.

“Miss Fangcao is only at the second level of the spirit paragon realm, while Luo Yan is at the fifth level of the Spirit Paragon realm. I reckon Miss Fangcao will suffer!”

“Miss Fangcao’s movement technique is quite fast, but with such a huge difference in spirit energy, she will most likely suffer!”

“TSK tsk, I reckon that Miss Fangcao has been beaten up. That Luo Shi Won’t help her vent her anger. She might even punish her!”

..

Just as everyone was discussing, they heard Yun Chujiu shout, “Hei Shi, fangqin, what are you all standing around for? Are you all going to watch me get beaten up? Come over here! Let’s gang up on this little B * Tch!”

The onlookers were dumbfounded and at a loss!

Damn it, the only one who could say that she was bullying the little B * tch so righteously was probably this miss fangcao!

Mo Fangqin was still better. After being stunned for a moment, she came over to help.

Hei Shi, on the other hand, was stunned!

Miss, you want me to help you beat up the Luo family's miss? Do you think this is a good idea?

"Hei Shi, what are you still standing there for? Hurry up! If you don't come over now, your miss will be bullied to death!" Yun chujie shouted loudly.

The corner of Hei Shi's eyes twitched violently. That Luo Yan was about to lose her life, Alright? !

Although Hei Shi was complaining in his heart, he did not dare to disobey and stepped forward to join the battle.

Every time Luo Yan came out, she would bring a maid with her. However, she did not bring anyone with her today. This time, she was really unlucky!

In the blink of an eye, she was pressed to the ground by Yun Chujiu. Yun chujiu stretched out her hand and slapped her several times. "Luo Yan? I will turn you into a dead fish right now!"

The manager and the staff of the Rouge shop initially thought that Luo Yan would win for sure, so they did not come over to help. When they saw that the situation was not right, Luo Yan was already pinned to the ground.

"Stop! Let Go of our young miss quickly!"The manager of the Rouge shop rushed over with two staff.

"Hei Shi, can you beat these three down by yourself?"Yun Chujiu said as she beat up Luo Yan.

Hei Shi was about to cry!

Although it was not a problem for him to beat up these three small figures, but dear ancestor, what are you trying to do? Are you trying to pierce through the heavens?

"What are you standing there for? Beat him up! Her aunt usually bullied me, and now she and the servants of the Luo family are also bullying me. This is simply too much! Beat him up! Anyway, I have these righteous and kind people to testify for me!"Yun Chujiu said as she cupped her hands towards the onlookers.

The onlookers originally thought that they could only watch a literary show, but now it turned into a full-on martial arts show. Naturally, they were happy that the more lively the show, the better. One after another, they shouted, "Miss Fangcao is right! The Luo family is too much of a bully! beat him up!"

Hei Shi had no choice but to go up and beat up the three little dregs. Hei Shi felt that his future as a bodyguard would be "Colorful". With such a master, he would not be able to stop!

The manager of the Rouge shop and the two waiters did not have high spiritual power. Not long after, they were beaten down by Hei Shi.

On the other side, Luo Yan's face was swollen like a pig's head. She was screaming so loudly that it was not human!

"Mo Fangcao! B * Tch! I will not forgive you! Just you wait, I will kill you!"

Yun chujiu immediately took out a large kitchen knife and rubbed it against Luo Yan's face. "Little Bastard, if you continue to talk nonsense, I will draw a little bastard on your face!"

"You, you dare? If you hurt me, our Luo family will not forgive you!" Luo Yan's voice trembled as she said.
