

The Yun Family's Ninth Child is an Imp! Chapter 2187

"Damn it! Who Dares to Plot Against Me? Come out!"

"If you come out obediently and let me go, I'll spare you. Otherwise, I'll let you die without a complete corpse!"

"If you have the ability to come out and fight me one-on-one, what kind of Hero are you hiding? !"

"Are you breathing or not? If you don't come out now, I won't be polite!"

"If you don't come out now, I will really not be polite. I will bite my tongue and commit suicide! I will let you go for nothing!"

..

Xue Wuji was so angry that he started cursing. Unfortunately, his mouth was dry and he did not see anyone else appear. He was so angry that he gritted his teeth. F * ck, if he found out who did it, he would definitely cut him into a thousand pieces!

Just as Xue Wuji was fuming with anger, the door creaked open and a woman walked in.

When Xue Wuji saw the woman's face, his heart immediately pounded wildly. It was her!

"You, you, it's actually you, this shameless woman! How dare you show up? !" Xue Wuji's face flushed red. It was unknown whether he was angry or embarrassed.

The woman walked to the bed and looked down at Xue Wuji. She said coldly, "Shameless? You know clearly what happened last time. How dare you criticize me?"

Xue Wuji tried to defend himself with a guilty conscience, "I, even if I was in the wrong at the beginning, but, but later, later, you, you..."

Xue Wuji remembered what happened last time, and his face turned even redder. He was usually eloquent, so he couldn't even speak clearly. You, you, you didn't say anything for a long time.

The woman sneered, "You are so interesting. No matter what happens later, I'm still a victim. Where do you get the face to question me? Huh?"

Xue Wuji's ears and neck turned red instantly. He was like a boiled shrimp as he roared angrily out of embarrassment,

“Let’s not talk about what happened last time. Why did you tie me up here? ! Let Me Go Now! Otherwise, I’ll teach you a lesson!”

The woman used her hand to support the edge of the bed. A few strands of long hair brushed against Xue Wuji’s face, and Xue Wuji’s face turned even redder.

The woman’s clear and cold eyes were filled with ridicule. “I think you’re quite good-looking.”

Xue Wuji felt that he had never been so embarrassed in his life. He had actually been molested by a woman several times. He really could not face anyone!

Xue Wuji finally managed to squeeze out a sentence with much difficulty. “You... you brought me back. What exactly are you doing?”

The woman raised her eyebrows, “Why? To borrow something from you, of course. Although you are a little stupid, you look pretty good.”

Xue Wuji thought of something and immediately felt embarrassed and angry. He was still looking forward to it shamelessly, but he scolded,

“Shameless! I Won’t listen to You! Even if you get my heart, you can’t Get My Heart!”

The woman was stunned for a moment, then she laughed. Even the coldness in her eyes faded a little.
“What do I Want Your Heart for? I’m only interested in your appearance.”

Xue Wuji was stunned, then his heart was filled with anger. This anger was even stronger than when he had been teased by the woman. His eyes were red as he said,

“What do you take me for? ! Give up on this idea. I’ll bite my tongue and commit suicide right now!”

Xue Wuji was not just saying that. He had been looking forward to it, but now he felt a little sad.

Was she only interested in his looks and treated him as a tool for reproduction?

Why was her heart so ruthless? !

Just as Xue Wuji was about to bite his tongue and kill himself, the woman smiled at him. She looked less cold and more enchanting.

Xue Wuji's mind went blank. He was not thinking about committing suicide..
