

## The Yun Family's Ninth Child is an Imp! Chapter 3113

Yun chujiu stole a glance at di beiming in surprise. Seeing that he did not look angry, she told him what had happened.

Hei Xinjiu looked at di beiming nervously and said weakly, "Prince Charming, aren't you angry?"

Di beiming's lips curled up slightly, and he looked at her with deep eyes. "Why? Do you want me to be angry?"

Hei Xinjiu quickly shook her head like a rattle-drum. "Of course I don't want you to be angry. Everything I said to Ao Ji was a lie. I was just trying to survive."

Di beiming nodded indiscernibly and did not say anything.

Although di beiming was as usual, hei xinjiu somehow felt a little guilty and quickly changed the topic. "Prince Charming, I said that I was going into closed-door cultivation. Why Did You Come Here Anyway?"

Di beiming glanced at her indifferently. "With your personality, how could you go into closed-door cultivation? I thought something must have happened, so I came to take a look."

Hei xinjiu laughed dryly. "Prince Charming is wise. Nothing can be hidden from you."

In the next few days, di beiming raised Hei xinjiu like a daughter. Because he felt sorry for her small arms and legs, he took care of all the big and small matters. Hei xinjiu only cared about eating, drinking, and having fun. She was so beautiful.

Di beiming originally wanted to stay for a few more days, but he did not expect that after receiving a voice transmission talisman from Xue Wuji., his face immediately darkened. "Little Jiu, I have to go.

Your current situation is special. Stay in the Yuan killing sect obediently. Don't go anywhere, do you hear me?"

Yun chujiu knew something was wrong when she saw di Beiming's expression. She nodded obediently. "Prince Charming, don't worry. I will cultivate well. I won't cause any trouble."

Di beiming glanced at the Meng Yanshou in the flowers. The Meng Yanshou quickly expressed its loyalty and said, "My lord, don't worry. I will protect the little fairy."

Di beiming reminded Yun chujiu a few more words before he left in a hurry.

Yun chujiu frowned. What exactly happened? However, since di beiming did not tell her, she knew better and did not ask. She could not help anyway. It would be good if she did not cause any trouble.

Yun Chujiu was stunned for a moment, then she turned her gaze towards Meng Yanshou, who was trying to reduce its presence.

"Curly hair, come, little sister will change your shell. Do you want the shell of a toad or a big spider?"

Meng Yanshou slipped into the hole. What a joke, what she said was even worse than this wind-blade rabbit! At least this shell could dig holes, peeking and bathing was the most convenient!

Yun chujiu did not really want to punish Meng Yanshou, so she cursed a few times and left it alone.

This fellow felt that the most important thing now was to develop the antidote. She did not want to be a little girl all the time. She still wanted to give birth to a monkey for the Pretty Boy!

Guai Cao still had not come up with a solution. Hei Xinjiu felt that practice would yield true knowledge, so she decided to refine pills according to Guai Cao's ideas.

This guy was afraid that refining pills would cause too much commotion, so he jumped to the Earth Peak and asked the Earth Tower to bring her to the desolate place from last time.

The tool spirit of the Earth Tower could not wait for Yun Chujiu to quickly develop the antidote, so without saying a word, it disappeared with Hei Xinjiu. Qi Ling and Hei Xinjiu disappeared from where they were.

The disciple of the Earth Peak quickly reported the news to the peak master of the earth peak, Lian, "Peak master, it's bad! Yun chujiu kidnapped the Earth Tower Again!"

Peak Master Lian wanted to cry, but he had no tears. He thought that Hei Xinjiu had been quite peaceful these few days, so he did not arrange for people to set up checkpoints on the Earth Peak. Who would have thought that this fellow had kidnapped the Earth Pagoda Again!

Peak Master Lian comforted himself. That bad thing would always come back. If she came back, the Earth Pagoda would also come back. It was really nothing, really.
