

# ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

## Chapter 10

Outside Wu Xiangjun's mansion, a beautiful woman looked a little confused when she saw Wu Xiangjun's mansion. She didn't expect that Su Chen would come to Gusu City to be the city lord.

She remembered that Su Chen was still a child when she met her, but she just thought that more than ten years later, Su Chen didn't know whether she still remembered him.

She also knew what happened a month ago. At that time, she prepared some martial arts masters. If Su Chen was in danger, she was ready to save Su Chen.

What she didn't expect was that Su Chen actually had a powerful army. The guards at Murong's house were massacred by Su Chen's army as soon as they met, which surprised her very much.

It's just that the experts she prepared didn't come in handy, which made her somewhat depressed. However, one month later, Su Chen didn't come to her Mandala Villa to find her, which also made her feel... Very bad

"Madam, our Lord invites you to come in."

"Lead the way."

Su Chen sat on a chair in the living room and waited for Mrs. Wang to come over. He didn't understand now. What will Mrs. Wang do when she comes this time?

Murong Fu's lair has been wiped out by his army. Murong Fu is now a bereaved dog. Those martial arts people who want to get Murong Fu's treasure are still looking for him everywhere.

If Murong Fu dared to show up, he would probably be immediately besieged by those martial arts people. Could it be that this Mrs. Wang is here to intercede for Murong Fu?

"Your Majesty, Mrs. Wang is here"

"Ask her to come in"

"Yes, Your Majesty."

When Mrs. Wang entered, she saw a handsome young man standing in the living room looking at her. Mrs. Wang smiled and came to Su Chen and looked him up and down without saying anything.

Su Chen looked at him Looking at this beautiful woman, I knew that she was Mrs. Wang, but this Mrs. Wang was too beautiful. Her beautiful face had not left any traces due to time, and the dark hair was scattered on her shoulders, and the white dress took advantage of it. Her plump body made Su Chen couldn't help but look at her a few more times.

Su Chen was also a little puzzled. Mrs. Wang came in and looked at her with a smile, as if she knew her. This made Su Chen a little confused. clear

"Su Chen, it seems that you have forgotten me."

Mrs. Wang looked at Su Chen for a while but did not find that Su Chen recognized her, which made Mrs. Wang a little sad.

Su Chen looked at Mrs. Wang who had lost her residence and asked doubtfully He said, "Mrs. Wang, should I know you?"

Mrs. Wang looked at Su Chen and said sadly,

"Of course you should know me. I took care of you for several years when you were a child. I didn't expect that you would forget me after more than ten years."

Su Chen was a little speechless. He didn't expect that his predecessor actually knew Mrs. Wang. "Well, I don't remember. Maybe it was because I fell off a horse and forgot some things a few years ago."

Su Chen could only lie to Mrs. Wang. After all, he didn't have any memory of Mrs. Wang. Besides, no one would know that he was lying now.

Mrs. Wang hurriedly grabbed Su Chen's arm and asked with concern, "Did you fall off your horse and lose your memory? No wonder you don't recognize me anymore, and you didn't come to see me at Mandala Villa. You don't have any sequelae now. Su

Chen smelled the fragrance of Mrs. Wang's body and asked, "Mrs. Wang, I'm fine, but what's the relationship between you and me?"

Mrs. Wang thought for a while and said to Su Chen,

"I was rescued by your mother when I was taking refuge. I lived in your house for several years. I took care of you during those years. We still exchanged letters after I left."

"That is, when your parents passed away, you didn't contact me anymore. I thought you were angry with me because you complained that I didn't go to bury your parents? Su

Chen now said with some embarrassment, "I don't remember any of this, Mrs. Wang, I hope you understand."

Now Mrs. Wang's body is close to her, which makes Su Chen feel a little unnatural. Now Su Chen feels the changes in his body. If Mrs. Wang continues like this, I'm afraid he will turn into a beast.

"Mrs. Wang, please sit down."

Su Chen took a step back unnaturally and said.

Mrs. Wang patted Su Chen on the shoulder and said unhappily,

"Do you still call me Mrs. Wang? You should call me Aunt Li."

Su Chen said to Mrs. Wang helplessly,

"Um, Aunt Li, please sit down."

Mrs. Wang smiled and sat down and said,

"This is more or less the same. When you first came to Gusu City, I summoned many martial arts masters. I was afraid that you would be killed by Murong Fu, but I didn't expect that you would come with an army. This made the martial arts masters I prepared Not used either."

Su Chen said in surprise after hearing Mrs. Wang's words,

"Are those martial arts masters in Gusu City prepared by Aunt Li? I asked why the Murong family was wiped out, but they didn't take any action. Thank you Aunt Li."

Su Chen had heard what Wang Meng, commander of the Xuanwu Army, said about the martial arts masters, but those martial arts masters did not cause trouble. After being dealt with by Murong's family, those martial arts masters also left Gusu City.

Su Chen did not mention this matter. He took it to heart, but he didn't think about those people who were prepared by Mrs. Wang to save him. This made Su Chen feel a little grateful to Mrs. Wang.

Mrs. Wang smiled and said to Su Chen,"Thank you for nothing, I can Not helpful"

"Then I have to thank Aunt Li for her concern."

Mrs. Wang said to Su Chen sadly,

"Su Chen, I came here to ask for your help this time. My daughter Wang Yuyan ran away from home. She was left with a man named Duan Yu."

"I sent people to search for her for a long time but couldn't find her. Yuyan mentioned that she is several years younger than you, so she can be considered your sister. You have to help find her this time."

Su Chen was a little surprised now. She didn't expect that the plot of Tian Long Ba Bu had already begun, which meant that Duan Yu had obtained the Lingbo Weibu and Beiming Magic Techniques. This made Su Chen's plan to find these secrets come to nothing.

"Wang Yuyan? She left with a man named Duan Yu? Mrs. Wang looked at Su Chen and felt that he seemed to know that Duan Yu,"Yes, you know that Duan Yu."""

Su Chen looked at Mrs. Wang's confused look and said,

"Well, that Duan Yu is the son of Duan Zhengchun, the king of Dali Zhennan."

Su Chen knows the relationship between Mrs. Wang and Duan Zhengchun. Will Mrs. Wang still miss Duan Zhengchun this time?

If she still misses Duan Zhengchun, Su Chen will not care about Mrs. Wang in the future. After all, Su Chen, a woman who was dazzled by love, was not willing to take care of her.

When Mrs. Wang heard that Duan Yu was Duan Zhengchun's son, she exclaimed,

"Duan Yu is Duan Zhengchun's son? how so?"
