

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 12

Duan Yu is very happy now. Although he was caught in the face by Jiumozhi this time and went to the Song Dynasty, he just didn't expect that he would meet such a beautiful woman in the Song Dynasty, and she was very similar to the beautiful stone statue he met. Like Shi, this made Duan Yu very excited.

Wang Yuyan is also very helpless now. She can tell at a glance that Duan has thoughts about her. But she doesn't really like Duan Yu.

This time she wanted to find the brother she had never met before. She didn't want to be trapped in Mandala Villa all the time. Now she didn't know if her mother would send someone to capture her and take her back.

At this time, there was everything in Songhe Tower, but there were a lot of people discussing the martial arts ranking list.

"Have you heard this? Bai Xiaosheng's martial arts list is about to be released. I don't know what list will appear this time."

"Needless to say, it must be the Wulin Supreme List, the Wulin Sect List, the Wulin Talent List, the Wulin Beauty List, and the Wulin Young Master List. I don't know if there are any other lists this time?"

"That's right. I'm looking forward to the martial arts beauty list now. You know, the martial arts beauty list is full of beautiful beauties. I don't know what beauties can be included in the list this time."

"In our Song Dynasty, Huang Rong, the daughter of Dongxie, Xiao Longnu from the Ancient Tomb Sect, and Wang Yuyan from Mandala Villa will definitely be on the list."

"Yes, there are many beauties in the Ming Dynasty next to our Song Dynasty, such as Qingqing from the Four Famous Shops, Lin Shiyin, cousin of Xiao Li Feidao and Li Xunhuan, Zhou Zhiruo from the Emei Sect, etc. These are all the beauties of the new generation of martial arts."

"It's useless to say anything now. Let's wait a few days and see the list. Nan Murong won't be on the Wulin Tianjiao list this time, right?"

"Huh, there's no telling whether Murong Fu, that Xianbei dog, will be able to survive this time."

"That's right. I didn't expect that Murong Fu turned out to be a Xianbei dog. No wonder he wanted to capture Gusu City before."

"Haha, but this time all his forces were destroyed by Wu Xiangjun, and now he is alone and on the run."

"Well, Mr. Wu Xiang is really good. Now the people don't have to pay so many exorbitant taxes and miscellaneous taxes. The people of Gusu City are happy. Now Gusu City is much more prosperous than before, and it will definitely be more prosperous in the future."

"Yes, now our whole family has moved to Gusu City, and we will settle here in the future."

Wang Yuyan was very happy when she heard what these people in the restaurant said. She knew that a brother of hers whom she had never met was now the lord of Gusu City. This time she came to seek refuge with his brother.

Wang Yuyan listened to her. Her mother often talked about his brother. She had also read Su Chen's letters when she was a child, but later she lost contact for some reason. The last time her mother came out was for her brother, whom she had never met, and Wang Yuyan also ran away secretly this time. He came out to meet this brother he had never met before.

When Duan Yu heard these words, he said to Wang Yuyan, "Miss Wang, is the Lord Wu Xiang these people are talking about the city lord here?"

"Well, yes."

Wang Yuyan replied happily. She never thought that Su Chen would be loved by the people in the city. It seems that her brother is also a kind-hearted person.

Duan Yu said thoughtfully, "Oh, this Lord Wu Xiang is not simple. The armies we met when we entered the city were very powerful. I don't know how Lord Wu Xiang was trained. It seems that this Lord Wu Xiang is a veteran who is good at fighting. ah."

When Duan Yu entered the city, he felt that the soldiers guarding the city were very elite, even much stronger than the most elite army in Dali. This made Duan Yu a little curious about this Lord Wu Xiang.

"Maybe,"

Wang Yuyan glanced at

Duan Yu and said. Wang Yuyan didn't tell Duan Yu that the lord of Gusu City was only a twenty-year-old young man. After all, she was not familiar with Duan Yu who she met on the road, and he still had plans for her. At this moment, a burly man came into the restaurant and shouted,

"Waiter, bring me a jar of the best wine."

A waiter came to this big man and said in surprise,

"Sir, do you want a jar of the best wine? The best wine in our city in Suzhou is Wuliangye wine, but that wine is very strong. Are you sure you want a jar? The big man said without hesitation,"Haha, go ahead, I've never drank any wine, and a jar of wine is not enough for me.""

A little girl suddenly came in and said to the big man,

"Uncle, you are not afraid of flashing your tongue when you talk big. If you can drink a jar of Wuliangye wine, I will pay for your meal."

Su Yan brought A'Zhu and A Bi into Songhelou Winery to hear what this big man said. She knew about this kind of wine brewed by her father.

This kind of wine is much stronger than ordinary wine. Her father said Most people will fall asleep after drinking one or two bowls.

The big man looked at the little girl in gorgeous clothes and said,"Little girl, this is what you said, don't regret it. Su

Yan patted her chest and said,"Don't worry, I always keep my word. I can still afford a meal.""

Wang Yuyan looked back when she heard the bets around her, but she didn't expect that A'Zhu and A Bi were here. They seemed to be the little girl's maids now. This made Wang Yuyan a little happy. She thought those troops were also here. Kill them both.

Duan Yu saw Wang Yuyan looking at the little girl and asked,"Miss Wang, do you know those people?" Wang

Yuyan immediately shook her head and said,"I don't know her. I just think that little girl is a little cute.""

Wang Yuyan doesn't want to recognize A'Zhu and A Bi now. She doesn't know if they are still with Murong Fu. Wang Yuyan knows that her brother,

whom she has never met, is an enemy of Murong Fu. She doesn't want Murong Fu to be with her. Duan Yu found himself again.

Duan Yu looked at the big man and stood up and said, "I'll go over and take a look. This big man looks quite heroic. I want to get to know him."

"Then go ahead and I'll drink some tea here."

Wang Yuyan now wishes Duan Yu to leave her. This Duan Yu has been annoying her all the way. Now Wang Yuyan wants to leave this annoying guy. Duan Yu walked past and said to the big man, "This eldest brother, my younger brother Duan Yu, Seeing how cool the elder brother is, I want to get acquainted with him."

The big man looked at Duan Yu and laughed and said, "Haha, little brother, come and sit down. I also like to make friends. ~"

After Duan Yu sat down, he asked the big man, "Thank you, brother. I wonder what your name is?"

"I'm Qiao Feng."

The big man looked at Duan Yu and said with a smile.

Duan Yu stood up in surprise and asked, "Qiao Feng?" Are you Qiao Feng, the leader of the Northern Beggars Clan?"

"Yes, Brother Duan also knew it without thinking about it."
