

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 13

Su Yan was a little unhappy when she saw the sudden appearance of this man named Duan Yu. She was about to see how this big man got drunk, but she didn't expect that this impolite guy suddenly interfered with her good things.

But now Su Yan knew that this big man was actually the leader of Beigong Beggars Gang, which surprised Su Yan. She had heard of Beiqiao Feng, but she didn't expect that Beiqiao Feng would be such a rough and powerful man.

Su Yan was a little unhappy and said to Duan Yu,

"Hey, are you done meeting me? I left immediately after getting to know each other. Why should I make a bet with this uncle? Duan

Yu said without paying attention to the little girl,

"Little sister, you'd better go home, this is not where a little girl like you should come."

Now that Duan Yu knew that this big man was Qiao Feng, the leader of the Bei Beggars Clan, he really wanted to make friends with him. He knew Bei Qiao Feng's reputation.

Su Yan said angrily when he heard Duan Yu calling him little sister.

"Who told you to call me little sister? Do I know you? This is a restaurant, why can't I come? Now get out of here right away. You know it's very rude to interrupt other people's conversations."

Duan Yu said unhappy after hearing what the little girl said,

"Um, little girl, this big brother and I have something to discuss. You'd better go home and see your adults. Qiao

Feng looked at the angry little girl and said with a smile,

"Haha, little girl, if this little brother wants to stay, let him stay. We can continue to bet."

Su Yan said sarcastically without letting Duan Yu go.

"What a shameless person. Did you come here to eat and drink without money?"

Duan Yu is very embarrassed now. He really has no money. He was captured by Jiumozhi. How could he bring money with him? If Wang Yuyan hadn't brought some money, I'm afraid he would be begging on the street.

Su Yan looked at Duan Yu, who had a bright expression on his face, smiled and said,

"Haha, it seems that I was right. You are really a shameless person. Leave now. I feel uncomfortable just looking at you."

When Duan Yu saw Qiao Feng looking at him, he immediately revealed his identity and said,

"Little girl, I am Duan Yu, the crown prince of Dali. I just didn't bring any money with me this time."

Su Yan said to Duan Yu a little unkindly,

"Ha, you are the crown prince of Dali, and I am the princess of the Song Dynasty. Your small Dali is probably not as big as Gusu City."

Su Yan doesn't care if this freeloader is the Crown Prince of Dali. Even if he is the Crown Prince of Dali, she won't be afraid.

Su Yan is now the legitimate Princess of the Song Dynasty, and her father's army in Gusu City alone is greater than that of Dali. She was powerful, and her mother was a master, so Su Yan had nothing to be afraid of.

Duan Yu immediately stood up and said angrily, "Who said that? Our Dali is much bigger than Gusu City, but your Gusu City is not as good as Dali."

Su Yan sat down and said mockingly,

"Hey, do you think I believe it? Dali is also a Dali city, and other cities are under the control of those Bai people. Is your Dali city as prosperous as Gusu city? Are there many people in Gusu City?"

Su Yan didn't care when he saw Duan Yu's angry look. Su Yan knew everything about the situation of the countries around the Song Dynasty, and Su Chen told Su Yan many secrets about the countries.

Qiao Feng is now Looking at this little girl, he was very curious. He had not thought that this little girl was so familiar with Dali. Now Qiao Feng wanted to know which family this little girl was from. Qiao Feng also felt that this little girl's identity must not be simple..

A'Zhu and A Bi were a little bit amused when they saw the little princess talking about the Prince of Dali. They knew that the little princess was very smart.

And now the little princess began to manage some things in Wu Xiangjun's house. This was A'Zhu and A Bi were very shocked. After all, the little princess was only six years old.

"My mother is from the Bai ethnic group. There is no distinction between you and me in Dali and the Bai ethnic group."

"I almost believe what you said. Now that you have nothing to do here, Prince Dali can leave."

Duan Yu now feels that he has lost all face.

"Little girl, I am the crown prince of Dali. As long as I go to Lord Wu Xiang's house, I believe that Lord Wu Xiang will entertain me well. I can borrow the money for these meals from Lord Wu Xiang's house. Su

Yan looked at Duan Yu and said in a funny tone, "Hey, I don't believe you can borrow money from Lord Wu Xiang's house.""

Su Yan also didn't think that Duan Yu wanted to borrow money from his house in desperation. This made Su Yan want to laugh. As long as Su Yan said a word, Duan Yu might not be able to even enter the gate of Lord Wu Xiang's house. Go.

Duan Yu threatened, somewhat irrationally, "You.....Are you, a little girl, going to offend me, Prince Dali?"

Su Yan looked at Duan Yu and said nonchalantly, "Ha, how about offending you?" Do you dare to kill me now? Duan Yu shouted angrily, "Aren't you afraid that I will let Lord Wu Xiang send troops to arrest your family?" Do you know that you just drove me away to cause conflict between the two countries? Su Yan smiled and said, "Whatever you want, even a tiny place like Dali is called Dali. I think we might as well call it Xiaoli.""

Puff puff puff hahaha

"Well said, the little girl said it well, Dali is not as big as our Song Dynasty."

"Dali should be called Xiaoli"

"Yes, yes, Prince Dali should go back and change his name."

"What prince? How can a person who doesn't even have money to eat be the prince's son?"

"Yes, it seems that this pretty boy is a swindler.".....

Duan Yu's face turned red now as he looked at the people in the restaurant pointing fingers at him. He regretted coming here now. He didn't expect that this little girl was so sharp-tongued. Now Duan Yu was fucked by this little girl. I can't get up and down and I don't know what to do..

Wang Yuyan had paid attention to this little girl from the beginning, but it was funny when she and Duan Yu had an argument. She didn't expect that this little girl would make Duan Yu blush.

Moreover, Wang Yuyan did not think that Duan Yu was actually the crown prince of Dali. However, when Wang Yuyan found that this little girl was not afraid at all because of Duan Yu's identity, she thought that this little girl's identity must not be simple.

Su Yan said to Qiao Feng without paying any further attention to the dazed Prince Xiao Li,

"Uncle, we don't need to worry about this young prince. As long as you can finish a jar of wine, I will pay for your meal. What if you can't finish the drink?"

Qiao Feng said nonchalantly, "Haha, little girl, whatever you say is what it is. Anyway, I will definitely win this time."

Su Yan bit her finger and thought for a while before saying,

"Well, let's do this. You are the leader of the Beggar Gang. If you lose, your Beggar Gang will do something for me."

"OK, I agree"
