

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 14

Qiao Feng smiled and agreed. This time he would definitely win. Qiao Feng could drink several jars of wine at a time. He didn't care if he drank just one jar of wine now.

"Gang leader Qiao Feng, you can't use your inner strength to force yourself to drink this time. It would be cheating if you did that."

Su Yan suddenly thought that Qiao Feng was a martial arts master. If he used his internal strength to force him to drink, he would definitely lose. Su Yan quickly said to Qiao Feng,

"Don't worry, I, Qiao, will not do that villain's behavior. Su

Yan exclaimed with a wicked smile after hearing this, "Okay, waiter, now bring over a jar of your 52-proof Wuliangye wine.""

"Okay, miss, I'll bring it to you in a moment. Qiao Feng was a little confused when he heard Su Yan's words and asked, "Little girl, what is 52-degree Wuliangye wine?""

Su Yan looked at Qiao Feng and said with a smile, "It's just a name, you don't have to worry about it."

"That's it. By the way, little girl, I don't know your name yet?"

"My name is Su Yan"

"Su Yan, if you come out on your own, won't your family worry about you?"

"It's okay. I have guards to protect me. Besides, as long as I don't leave the city, my family won't care about me."

"Haha, you little girl is quite interesting."

"Gang Leader Qiao Feng, where will your Beggar Clan Conference be held? I also want to take a look at that time"

"You're still young, so don't go. Things in the martial arts world are not something you, a rich girl, can play in. You'd better stay at home."

While Su Yan and Qiao Feng were talking, Duan Yu was either walking or sitting. It was obvious that Su Yan and Qiao Feng didn't want to talk to him. Duan Yu was a little embarrassed now and didn't know what to do.

Duan Yu looked at Wang Yuyan, only to find that Wang Yuyan had already left, which made him very disappointed. He liked Wang Yuyan very much. Now that Wang Yuyan has left Duan Yu, he doesn't know where to go to find her.

"The wine is here. Sir, please use it slowly."

A waiter came over with a wine jar weighing ten kilograms and placed it on the table.

Su Yan looked at the big jar and said funny,

"Gang Leader Qiao Feng, you can drink it now."

Qiao Feng said without caring at all,

"Okay, I can drink this wine in one sitting."

Su Yan curled her lips and laughed after hearing Qiao Feng's words,

"Haha, then I'll see how you drink it all in one go."

Cough cough cough cough

"Hiss, what a strong wine. Why is this wine so strong? But this wine is really good, Miss Su, I lose, I really can't finish this wine."

Qiao Feng didn't expect the wine to be so strong. He felt his throat was burning after just a few sips. Qiao Feng knew that he couldn't drink the wine anymore, so he gave up to Su Yan.

Su Yan heard Qiao Feng admit defeat. He laughed happily, "Haha, how is it? I knew you wouldn't be able to finish the wine. Qiao

Feng asked Su Yan a little depressed, "Miss Su, this wine is really good. I will definitely drink this wine every day from now on. What does Miss Su want us to do for you?"

"It's okay if I haven't thought about it. I'll send someone to let you know when I think about it."

"Okay, but you can't let us beggars do those evil things."

"No, how could I do such evil things at such a young age?"

At this moment, four martial arts people entered Songhe Tower and saw Duan Yu. They hurriedly came over to salute and said

"Young Master, we have finally found you.

Duan Yu was very happy to see his father's four guards and said, "Get up." Zhu Wanli, come up with some money"

"Yes,

Young Master." Zhu Wanli didn't know why Duan Yu wanted money, but since the prince wanted it, he quickly took out some money and handed it to Duan Yu.

Duan Yu took the money and put it heavily on the table and said, "Little girl, Now I have money. Su

Yan glared at Duan Yu and said, "What's so great about having money? Now if you have money, go and eat your food at another table. Don't disturb us here.""

Qiao Feng also frowned and looked at Duan Yu, who was now a little proud. Now Qiao Feng also saw that this Duan Yu must be the heir apparent of Dali.

The four people who came in just now are obviously martial arts people, although their cultivation level is not He is tall, but he can be considered a good player.

Duan Yu said threateningly with a blue face now,

"Little girl, you still dare to chase me away from here. Now my guards are here. Aren't you afraid that I will let the guards arrest you?"

Su Yan drank tea and said without even looking at Duan Yu,

"Do you dare to catch me? Duan

Yu looked at Qiao Feng and said angrily,

"Little girl, are you relying on Gang Leader Qiao Feng to protect you?"

Su Yan stood up and said to Duan Yu with a smile,

"Haha, I don't need Uncle Qiao's help. No one dares to catch me in Gusu City, except of course my parents. Prince Xiaoli, then do you dare to catch me here?"

Qiao Feng also wants to help this little girl Su Yan. Duan Yu's guards are all at the seventh or eighth level of cultivation, and little Su Yan's maids are at the third or fourth level. They can They were no match for Duan Yu's guard.

Just looking at the expressionless little Su Yan, Qiao Feng thought that this little Su Yan might still have guards here. Qiao Feng looked at the other people in the restaurant and found no martial arts. People exist.

Now Qiao Feng wants to see what other trump cards little Su Yan has so that she doesn't worry about her own comfort.

Duan Yu really can't stand this little girl's ridicule now.

"Zhu Wanli, go and catch this little girl. This time I will teach her a lesson for her family."

""Presumptuous"

A'Zhu and A Bi immediately pulled out their weapons to protect Su Yan. A'Zhu and A Bi didn't want Su Yan to get hurt at all.

The two of them relied on Su Yan in Wu Xiangjun's Mansion. If something happens to Su Yan, I'm afraid that bastard Wu Xiangjun will be angry with them. When

Su Yan saw Yu's four guards coming to arrest her with weapons drawn, he said angrily, "Duan Yu, I didn't expect you to dare Have your guards attack me, A'Zhu, give the signal"

"Yes, Princess."

A'Zhu immediately took out a signal bomb from his arms and fired it towards the window.

Chirped....There was a crash and a loud noise appeared in the sky.

Dong Dong Dong Dong Dong

Before Duan Yu's guards had time to catch Su Yan, A'Zhu A Bi and the others, there was a sound of footsteps suddenly coming from downstairs of the restaurant.

After just a moment, a group of soldiers suddenly came up from downstairs. When these soldiers came up, they immediately protected Su Yan in the middle, and their crossbows were all pointed at Duan Yu's four guards.

"Gu Changfeng, the commander of the Xuanwu Legion, met the princess." A captain in armor came to Su Yan and saluted.

Su Yan looked at Gu Changfeng and ordered, "Captain Gu, catch all these people. Anyone who resists will be killed."

"Yes, Princess."

After receiving Su Yan's order, Captain Gu Changfeng looked at Duan Yu, Zhu Wanli and the others and ordered,

"The crossbows are ready. The four of you put down your weapons and capture them without mercy. Otherwise, we will kill you on the spot."

"Princess? Are you really the princess?"
