

Zongwu 1581

Chapter 1581

Su Chen thought about it when he took out these treasures.

The ladder to heaven is not a secret in the ancient world.

The powerful people here should know it even if they have never climbed it. The explanation of the treasures will naturally not make these people doubt too much.

"Ladder to heaven? You actually climbed the ladder to heaven?"The Queen Mother asked in surprise when she heard Su Chen's words.

The Ladder to Heaven is very mysterious.

Not many people have climbed the Ladder to Heaven in the ancient world.

The Queen Mother also climbed the Ladder to Heaven when she was a virgin. She only climbed to the upper 10,000 floors. The ladder failed after more than 300 floors.

When Zhen Yuanzi heard Su Chen's words, he understood that it was a treasure obtained from the ladder, but he had no chance to climb the ladder. He had also heard about what the ladder was like.

The three sisters of Jinling Holy Mother also looked at Su Chen in surprise. Their teacher said that although they were very curious about Tianti, they had no chance to see Tianti.

Queen Mother Xi looked at Su Chen with bright eyes,

Tianti she Having climbed to more than 700 floors,

Su Chen was able to obtain so many treasures, so if Su Chen climbed to the top of the next 10,000 floors,

Su Chen looked at the Queen Mother and said with a smile,

"Big beauty, I climbed to the 10,000th floor, eh! It will be the 10,000th floor soon. Now it is the 9,999th floor. It is just a little short of the 10,000th floor."

"You shameless pervert, do you want to die?"The Queen Mother was very ashamed and angry when she heard Su Chen call her"big beauty".

There are many people here.

If she didn't have many questions to ask this bastard, she would have wanted to slap this shameless bastard down with one slap.

Su Chen He hurriedly backed away.

He had been so complacent just now. He hoped that the Queen Mother would not attack him.

The other people looked at Su Chen and shook their heads.

This bastard is a pervert.

Now he even dares to tease the Queen Mother. The Queen Mother does not I've already decided to kill him immediately.

"Su Chen, can I ask you something?"

Our Lady of Wudang heard that Su Chen was about to climb to the 10,000th floor.

She thought that according to the legend, those who climbed to the 10,000th floor could make a wish.

Our Lady of Wudang thought that Su Chen was about to climb to the 10,000th floor. , she wanted Su Chen to help the Jinling Virgin Mary and the girls get rid of the constraints of the Gods List.

"Can't!"

Su Chen refused without thinking. He didn't want to get involved in

Jie Jiao's many troublesome matters.

"you....."

When Mother Wudang heard Su Chen's unhesitating refusal, her chest heaved with anger, and if she breathed heavily, her bra might burst.

"It's unreasonable, don't say it."

The Holy Mother of Jin Ling grabbed the Holy Mother of Wudang and shook her head.

She knew what the Holy Mother of Wudang asked Su Chen, but it was not necessary at all.

Su Chen didn't owe them anything, and the wish of ten thousand layers might not be enough for Su Chen. It's also very important. Our Lady of Golden Spirit doesn't want Our Lady of Indignity to beg this bastard in a low voice.

"Neuropathy!"

Su Chen looked at the Holy Mother of Jin Ling and the Holy Mother of Wudang and was very speechless.

One asked him and the other blocked him.

But this is fine. As long as he doesn't get involved with these people from Jiejiao, he can also fall into the trap. At this time,

Zhen Yuanzi stood up and was about to leave.

There were female fairies here, and it was not convenient for him to stay here.

He was not a shameless pervert like Su Chen.

Zhen Yuanzi smiled at Su Chen's offer of a hand. said,

"General Su Chen, Pindao will take his leave now. If he has the opportunity to come to Pindao's Five Views Village later, he will take his leave."

"It's easy to say, Zhen Yuanzi, great immortal, have a good journey." Su Chen quickly stood up and offered his hand and said,

"Dear fairies, I will take my leave now."

"Zhen Yuanzi, the Great Immortal, has a good time."

After Zhen Yuanzi left, the women let go, and they all sat lazily on the futon.

Su Chen looked at the Queen Mother of the West and reminded, "The Queen Mother of the West, take out your Kunlun Mirror. Let's see how the monkey is doing now"

"Damn it, Suchen, I have to leave for a while, you bastard, stop causing trouble for me."

When Guanyin Bodhisattva heard Su Chen's words, she hurriedly stood up again.

She had been in charge of Sun Wukong's affairs, but she forgot about it for a moment.

This is all because of this bastard Su Chen,

"Got it, Bodhisattva!"

Su Chen was very speechless when he saw the disappearing Guanyin Bodhisattva.

He had also forgotten about Sun Wukong just now, and Guanyin Bodhisattva, the person in charge of Buddhism, actually forgot about it while chatting here. Fortunately, this time it was not about the journey to the west. Otherwise Tang Monk would have been eaten by monsters.

Queen Mother Xi smiled and took out her spiritual treasure Kunlun Mirror and waved it, and the Kunlun Mirror manifested the image on the Huaguo Mountain.

Su Chen looked at the Kunlun Mirror and showed great power. Sun Wukong, he shook his head and said, "Poor monkey, he is so majestic now, but he will be unlucky soon."

"Just a Buddhist chess piece." The Queen Mother looked at Sun Wukong in the Kunlun Mirror and said disdainfully,

"Madam, what benefits has Buddhism promised you?"

The Queen Mother took a sip of tea and said casually, "I gave it to the Emperor of Heaven because I didn't want a place to travel to the West to learn Buddhist scriptures. This will also add some merit and luck to the Heavenly Court."

Our Lady of Wudang looked at the Kunlun Mirror and said loudly, "Look, the Twenty-Eight Constellations have also been defeated. It seems that these immortals are all trash."

Su Chen smiled and said after eating a spiritual fruit,

"How about you go?"

"Why? I won't help Buddhism"

"Then why do you care so much?"

"none of your business!"

"You are such a mother...Cough cough cough!" Su Chen almost offended Our Lady of Wudang again, why couldn't he control what he said?

"What did you say?"

"Nothing, nothing, watch the fun, watch the fun."

The Holy Mother of Wudang clenched her fists and gestured, "Asshole, what you just said was definitely not a good thing, huh, it's best not to let me know, or you'll be doomed."

Su Chen shook his head and looked at the Kunlun Mirror.

The heavenly soldiers and generals in heaven have all failed.

Guanyin Bodhisattva is about to recommend Erlang God Yang Jian to the heavenly emperor.

This uncle,

I don't know if he will betray Sun Wukong this time. Based on Erlang Shen's level of cultivation, Sun Wukong is definitely no match for Erlang Shen Yang Jian

"Su Chen, where is my birthday gift?"

At this time, the Queen Mother kicked Su Chen and asked,

Damn it!

It's already this time, why is the Queen Mother still thinking about birthday gifts?

Su Chen looked at the Queen Mother and fell silent, give it?

He doesn't have a suitable treasure.

No. ?

The Queen Mother is definitely going to issue bids again.

This beauty is really hard to serve.

"Su Chen, don't say you didn't prepare a gift for me? The consequences are very serious. You'd better think it through for me."

"cough! Queen Mother, how old is your birthday?"

Chapter 1582

Su Chen crossed his arms and looked at the Queen Mother with a smile.

Now he wanted to know how old the Queen Mother was, how many hundred million years old?

Or billions of years old?

The Queen Mother is a character who appeared during the Lich Period. How many years has passed since the Lich Period? Su Chen didn't know either, but it must have been a long, long time ago.

When the Queen Mother heard Su Chen's words, she immediately turned cold and threatened, "Shut up, why are you asking so many questions? Take out the birthday gifts quickly, or you will bear the consequences." The

Queen Mother did not expect that this bastard would inquire about her age, so shamelessly Embryon, can a woman's age be freely told to other people?

This bastard is getting bolder and bolder.

The ladies of Jinling Virgin looked at Su Chen speechlessly.

A man actually inquired about a woman's age.

What was this bastard going to do?

Does this bastard have any thoughts about the Queen Mother?

Queen Mother Xi looked at the Queen Mother in surprise. She now suspected that Su Chen and the Queen Mother had an ulterior secret. No wonder the Queen Mother had been protecting this little monk.

Su Chen thought for a moment and put some of the Three Lights Divine Water in a jade bottle. He could only use some of the Three Lights Divine Water to kill the Queen Mother, otherwise this beautiful woman would never give up.

He smiled and handed the jade bottle to the Queen Mother and said,

"Here, empress, here are a hundred drops of the Three Lights Divine Water. These should be more than enough for your birthday gift, right?"

"Three Light Divine Water? I didn't expect you bastard to have Sanguang Shenshui. These are enough for my birthday gift." The Queen Mother took the jade bottle and smiled and said,

Three Lights Divine Water!

This is a very rare treasure.

There should be no existence of Three Lights Divine Water in the prehistoric times.

With these Three Lights Divine Water, her peach garden can shine again. Vitality, even the aura in the peach garden, can become innate aura again

"Su Chen, give me some Sanguang Divine Water too."

The Queen Mother of the West couldn't sit still.

The Three Lights Divine Water is the water of all things.

The Queen Mother of the West also needs the Three Lights Divine Water to water the Huangzhongli, the best spiritual root of the heaven.

With the Three Lights Divine Water, her Huangzhongli spiritual roots can be shortened. During the fruiting period, it can even cause Huangzhongli's spiritual roots to metamorphose again.

"there is none left!"

Su Chen looked at Queen Mother Xi and spread his hands and said, these women all want to treat him as a hero, right?

He gave Queen Mother the Three Lights Divine Water because he needed the Queen Mother's help, and even wanted the Queen Mother to be his backer.

The Queen Mother of the West is Like Zhen Yuanzi, he is a homeboy and a homegirl.

They don't want to get involved in unnecessary troubles.

Such people can also do little to help him. He doesn't want to give a divine thing like Sanguang Divine Water to the Queen Mother of the West.

"you....."

Queen Mother Xi was very angry when she heard that Su Chen refused without hesitation.

She had miscalculated before and asked for ginseng fruit.

If she knew that Su Chen had the Sanguang Divine Water, it would be much more precious than the ginseng fruit.

The Virgin Mother of Jinling and the other girls looked at Queen Mother Xi and shook their heads.

They couldn't control these things.

They didn't know if Su Chen still had the Three Lights Divine Water, but this bastard did have the Three Lights Divine Water. If Queen Mother Xi didn't pay some price, she might be afraid. Is it necessary to produce the Three Light Divine Water?

"Sister, let me share some of the Three Lights Divine Water with you."The Queen Mother grabbed the angry Queen Mother Xi and said hurriedly,

The Queen Mother was also afraid that Queen Mother Xi would attack Su Chen angrily. Su Chen gave her a hundred drops of Sanguang Divine Water, and she gave some to Queen Mother Xi, and the rest was enough for her..

Even if she doesn't have the Sanguang Divine Water in the future, the Queen Mother can still ask this bastard Su Chen for some.

"Thank you sister Yaochi."

The Queen Mother of the West looked better after hearing the Queen Mother's words. She glared at Su Chen fiercely and turned her head. Su

Chen looked at the Queen Mother in surprise and shook his head.

He did not expect that the Queen Mother would be so polite to the Queen Mother of the West.

Even the elder sister was called.

The Queen Mother of the West was previously named the first of the female immortals by Hongjun, and the Queen Mother is now the first of the female immortals.

The relationship between them should not be confrontational, right?

At this moment, on the Flower and Fruit Mountain,

Sun Wukong After repelling the heavenly soldiers and generals, he became very arrogant. He felt that the heavenly soldiers and generals were not his opponents at all, and some rabble were not worthy of being heavenly soldiers and generals.

Sun Wukong stood under the banner of the Monkey King, and he looked at his The monkey grandson shouted arrogantly, "Children, the heavenly soldiers and generals have been beaten by us. I am now the real Monkey King, and even heaven can't do anything to me.""

"Monkey King!"

"Monkey King!"

"Monkey King!"

The monkeys and monkeys in Huaguo Mountain shouted with weapons one by one.

The monkey demon here was also very happy. One hundred thousand heavenly soldiers and generals were defeated by them. Even the powerful immortals were defeated by their king. Huaguo Mountain Guoshan is famous all over the world.

Boom!

At this moment, a man wearing armor and holding a three-pointed two-edged halberd appeared in Huaguo Mountain. The commotion caused by his arrival made the monkey monsters in Huaguo Mountain unable to stand. Steady.

The arriving person looked at the big characters on the flag and said disdainfully, "Monkey King? You monster monkey has such a good tone."

"Who is coming?" Sun Wukong looked at the uninvited guest and asked loudly.

Sun Wukong was also very wary of this coming person.

This man in armor gave him a very threatening feeling. This person must be a powerful immortal in heaven.

"Erlang Xianshengzhenjun, Yang Jian!"

"oh? Yang Jian? I've never heard of it. Boy, leave this great sage's Huaguo Mountain as soon as possible, otherwise don't blame Lao Sun for being rude to you."

"Monster monkey, just let your horse come over."

Bang!

Boom!"

"court death!"

Sun Wukong didn't say much. He raised the sky stick and quickly swung it towards Yang Jian.

Erlang Shen also waved the three-pointed two-edged sword to fight against Sun Wukong.

After Sun Wukong and Yang Jian fought, the Huaguo Mountain shook. , the monkey demons in the Flower and Fruit Mountain were also affected by the battle between Sun Wukong and Yang Jian, causing countless casualties.

Although Sun Wukong used his magic to protect his monkeys,

Yang Jian was much more powerful than the previous immortals, and he could not protect all the monkeys. sun

"Yang Jian, if you have the guts, chase after him!"

Sun Wukong was very angry when he saw the countless dead and injured monkeys and monkeys.

He looked at Yang Jian and shouted,

Sun Wukong also felt that he could no longer fight on the Flower and Fruit Mountain, otherwise all his monkeys and monkeys would be affected and die. Sun Wukong It turned into a flash of light and quickly disappeared on the Huaguo Mountain.

Yang Jian looked at the Huaguo Mountain, smiled, then quickly disappeared and chased after him. He did not take action against the little demon on the Huaguo Mountain. He was not the same as the little demon here. Just didn't care

"Erlang Shen is out, let's go to Huaguo Mountain to watch the fun."

Chapter 1583

In the Peach Garden,

Su Chen saw the Erlang God Yang Jian and Sun Wukong fighting, and he was ready to watch the fun.

Although the battle scene can also be seen in Queen Mother Xi's Kunlun Mirror, Su Chen still feels that watching it live is more atmospheric.

When the Queen Mother heard what Su Chen said, she reminded,"Su Chen, you won't see the excitement when you go to Huaguo Mountain. Didn't you see Sun Wukong and Erlang Shen flying out of Huaguo Mountain?"

I guess!

Su Chen also forgot that

Sun Wukong and Erlang Shen were flying around and fighting, and they didn't stay on Huaguo Mountain to fight at all.

"ignorance! Queen Mother Xi glanced at Su Chen and said rudely.

The Jin Ling Virgin Mother and her daughters looked at Su Chen and smiled. They also wanted to see this bastard deflated.

Su Chen looked at Queen Mother Wang Xi and sat down again. , he did not quarrel with the Queen Mother of the West.

Su Chen thought of this big drama in the sky.

The plot he participated in should be good, including the Dinghai Shenzhen in the Dragon Palace of the East China Sea, the Peach Garden in the Heavenly Court, the first war in the Huaguo Mountain, and the stealing of pills in the Tushita Palace. Medicine, he has done a good job in these. If he does not follow Sun Wukong this time, it should not affect the trial.

However, is this hell difficulty trial too easy?

Su Chen did not take action even once. He was watching Sun Wukong's actions like a spectator.

Su Chen smiled as he thought about it.

He took action?

If he dared to take action, he would probably be killed by the monkey demon on Huaguo Mountain or by the heavenly soldiers and generals.

He's just a little monk. I

'm afraid he won't be able to defeat any of the heavenly soldiers here. If Su Chen hadn't met Guanyin Bodhisattva in the drama "Havoc in the Sky", I'm afraid he would have failed this trial long ago.

"why are you laughing?"

Our Lady of Wudang saw Su Chen laughing, which made her very confused. Queen Mother Xi had just criticized this bastard. Why was this bastard still laughing?

Su Chen looked at Our Lady of Wudang and said, "I'm happy. Just laugh, it's none of your business"

"Bastard, I'm too lazy to talk to you."

Our Lady of Wudang glared at Su Chen and didn't want to talk to this bastard.

This bastard didn't dare to anger the Queen Mother of the West, but he was not polite to her at all.

Our Lady of Wudang thought that when this bastard returned to the Shenyu Continent, she would definitely let this bastard regret it.

Su Chen looked at Yun Xiao next to him who had been silent.

This cold beauty had been silent since her arrival. He was also very curious about Yun Xiao, this cold beauty.

In the Conferred God,

Yun Xiao's body was sealed in

He didn't know whether it was true or not when explaining the Qilin Cliff in East Kunlun.

Su Chen asked Yun Xiao, "Fairy Yun Xiao, don't you have two younger sisters?"

"good!"

Yun Xiao looked at Su Chen coldly and nodded in reply.

Su Chen continued to ask, "Is your body sealed in Qilin Cliff by Chan Jiao?"

"How did you know?"

Yun Xiao was very surprised when she looked at Su Chen.

Su Chen surprised her as soon as she started talking to her. Su Chen also knew where her body was, which shocked her even more.

Only a few people knew about her body. , after all, it was her body that was sealed by Yuanshi Tianzun. Even some powerful powers didn't know about it. How did this bastard know?

Su Chen looked at the surprised Yun Xiao and continued,

"I heard from other people, does your brother Zhao Gongming really only have twelve Dinghai Divine Pearls?"

"Why should I tell you?"

Yun Xiao lowered her head and didn't want to talk to Su Chen.

She felt that Su Chen might have an ulterior motive. First she asked her if she had a sister, and now she mentioned her brother Zhao Gongming. Moreover, she was very curious about the Dinghai Divine Pearl..

Yun Xiao felt that Su Chen might be trying to get the attention of the Sea God Pearl, but the Ding Sea God Pearl had been taken away by Ran Deng, and this bastard was destined to be disappointed.

I guess!

Isn't this Yun Xiao too cold?

Isn't Yun Xiao here anymore ? Is Sanxiao very gentle and kind? Why does she look so cold now? Could it be that Yunxiao's personality has changed since she was killed in Fengshen? After hearing

Su Chen's words, the Queen Mother hurriedly reminded,"Su Chen, you What does Dinghai Shenzhu do? The Dinghai Divine Pearl is now in the hands of the ancient Buddha of Lantern in Buddhism. Please don't mess around."

"Madam, I am just very curious about the Dinghai Shenzhu. I have never thought about paying attention to the Dinghai Shenzhu now."

"The Dinghai Divine Pearl is only a top-grade innate spiritual treasure. What are you curious about the Dinghai Divine Pearl? Su

Chen shook his head and explained,"Mother, you are wrong. The Dinghai Divine Pearl is not a top-grade innate spiritual treasure, and there are not only twelve Dinghai Divine Pearls.""

Su Chen thinks that the Dinghai Divine Pearl may be the innate supreme treasure, the Chaos Pearl, or even the Chaos Pearl may be a Chaos Spiritual Treasure.

Some novels mention that there are thirty-six Dinghai Divine Pearls, and Su Chen also thinks that there should be three Dinghai Divine Pearls. Sixteen.

The twelve Dinghai Divine Pearls are top-grade innate spiritual treasures.

What about the thirty-six Dinghai Divine Pearls?

Some novels about the other Dinghai Divine Pearls mention that they are in the Three Immortals Island overseas, and some say they are in the Three Immortals Island overseas. Hongjun's hand.

Su Chen guessed that Hongjun had no other Dinghai Divine Pearl in his hand. Otherwise, would Hongjun be willing to part with an innate treasure or a chaotic spiritual treasure and give it to Tongtian? The

Queen Mother was confused when she heard Su Chen's words. Asked, "Isn't it twelve? There were twelve Dinghai Divine Pearls in Zhao Gongming's hands before, so why aren't they twelve anymore?"

The Queen Mother of the West and the Holy Mother of the Golden Spirit also looked at Su Chen. They all knew the Dinghai Divine Pearl in Zhao Gongming's hand. How could Su Chen say that there were not twelve Dinghai Divine Pearls?

Su Chen drank a bottle of fairy wine and said nothing about these. The women said, "There should be thirty-six Dinghai Divine Pearls, and the Dinghai Divine Pearls also have a name, Chaos Pearls!"

The Queen Mother stood up in shock and said,

"What? Chaos beads? The Chaos Pearl is a Chaos Spiritual Treasure. Even if it is damaged, the Chaos Pearl should still be an innate treasure. How could the Dinghai Divine Pearl be a Chaos Pearl?"

"This is impossible!"

The Holy Mother of Jin Ling shook her head and said in disbelief.

The Holy Mother of Wudang looked at Su Chen and laughed, "You bastard is just talking nonsense. How can the Dinghai Divine Pearl be the Chaos Pearl."

The Queen Mother of the West looked at Su Chen and said nothing.

She was absolutely sure that Su Chen would not say such nonsense, but it was too ridiculous to say that the Dinghai Divine Pearl was a Chaos Pearl. The Chaos Pearl, the Kaitian Divine Axe, and the Jade Disc of Creation were both Chaos Spiritual Treasures. She Thinking that the Dinghai Divine Bead should not be the Chaos Bead.

At this time,

Yunxiao stood up and looked at Su Chen complicatedly, and then said to the Golden Spirit Virgin Mary and the other girls,

"No, senior sister, seniors, what Su Chen said may be true."

"My brother Zhao Gongming has been studying the Dinghai Pearl since he got it. He told me that the Dinghai Pearl might not be complete. I didn't ask much at the time. I'm afraid the Dinghai Pearl is really what Su Chen said. Su

Chen looked at Yun Xiao and thought for a moment before asking, "Fairy Yunxiao, the reason why your brother keeps hitting people with Dinghai Divine Pearls during battles is because he is looking for other Dinghai Divine Pearls?"

"Probably so. I'm not very clear about this either."

Chapter 1584

Su Chen shook his head when he thought of the fool Zhao Gongming.

Zhao Gongming was not weak, but compared with Sanxiao,

Zhao Gongming might not be as good as Fairy Yunxiao.

Moreover, Zhao Gongming's upright character eventually led to the death of his three sisters. Zhao Gongming did get the status of a God of Wealth, but Sanxiao was much miserable.

Su Chen smiled when he heard Yun Xiao's words.

Can that idiot Zhao Gongming discover the secret of the Dinghai Divine Pearl?

This is simply impossible.

Even the ancient Buddha Ran Deng couldn't possibly know that.

Zhao Gongming didn't even know that the twelve Dinghai Divine Pearls could be transformed into twelve heavens. Zhao Gongming is a scammer.

"Forget it, this is just my guess, don't take it seriously or talk nonsense."

The Queen Mother and her daughters were very speechless when they heard Su Chen's words.

They also wanted to know whether the Dinghai Divine Pearl was really the Chaos Pearl, but this bastard stopped talking. Now they wanted to know but there was nothing they could do.

Yun Xiao bent over to Su Chen He bowed and begged,

"Divine General Su Chen, you just mentioned my body, can you help me get my body back?"

Yun Xiao thought that Su Chen knew where her body was.

If Su Chen could get her body back, her strength would return to that of a quasi-sage.

Although she was still bound by the list of gods, her strength would no longer be as weak as before.

"cannot!"

You're kidding!

Qilin Cliff is the territory of the Chan Sect and the headquarters of the East Kunlun of the Chan Sect.

Su Chen doesn't want to go to the Chan Sect to seek death.

The Queen Mother frowned and reminded Yunxiao,"Yunxiao, Su Chen is just a little Monk, there is no way he can go to Chanjiao to retrieve your body."

"I said too much."Yunxiao said in a low voice after hearing the Queen Mother's words.

Our Lady of Jinling took Yunxiao and comforted her,"Junior sister, don't worry, we will help you get the body back in the future."

At this time,

Su Chen glanced at the Kunlun Mirror and shouted,"Holy shit, I didn't look at it for a while, and Sun Wukong was caught. Red clothes, hurry up, let's go to the Lingxiao Palace."

"Yes, God General!"

Su Chen and the Seven Fairies left the Peach Garden quickly.

The Queen Mother shook her head when she saw Su Chen's furious expression.

She couldn't understand why Su Chen was so concerned about a chess piece. Does Su Chen have any secrets?

The Queen Mother of the West and The ladies of the Golden Spirit Mother looked at it without moving.

They all looked at Su Chen in the Kunlun Mirror as he quickly went to the Lingxiao Palace. They also wanted to know what Su Chen was doing when he went to see the monster monkey this time.

In the Lingxiao Palace,

"I am not convinced, you Heavenly Court is despicable and shameless, and you even used spiritual treasures to sneak attack, otherwise the three eyes would not be able to catch me."

Sun Wukong was tied up by Wuhua Da and brought to the hall, but he kept shouting that he was not convinced.

Although Sun Wukong knew that he was not Yang Jian's opponent, he was attacked by a spirit treasure, which made Sun Wukong very angry.

In the Lingxiao Palace, there were many The immortal official looked at the struggling Sun Wukong, but they all looked at it expressionlessly.

Sun Wukong had disgraced all the immortals this time, and they all wanted to execute Sun Wukong immediately.

The Emperor of Heaven sat on the throne and looked at Sun Wukong. He shouted, "Monkey, you caused a peach feast and stole the golden elixir from Tushita Palace. Your crime is unforgivable. Monkey must be executed.""

"Yes, Emperor of Heaven!"

Some heavenly soldiers and generals immediately pressed Sun Wukong to the demon killing platform.

At this time,

Su Chen and the seven fairies also arrived near the killing platform.

Su Chen saw that Sun Wukong was about to be executed.

He shook his head and left. In the past,

Su Chen knew that these things would not kill Sun Wukong at all. The Emperor of Heaven would still do it according to the plot. Sun Wukong might still be locked up and burned in the Bagua furnace by Taishang Laojun.

"Sun Wukong, you are a little embarrassed!" Su Chen smiled and said to Sun Wukong when he arrived at the Demon Slaying Platform.

The immortal soldiers on the Demon Slaying Platform saluted one after another when they saw Su Chen's arrival. The entire heaven knew about Su Chen's power, the Queen Mother, and the Queen Mother of the West in the Yaochi Wonderland. , the powerful ones such as Our Lady of Wudang are all Su Chen's backers, and even the Guanyin Bodhisattva in the Lingxiao Palace is Su Chen's biggest backer.

These immortal soldiers simply don't dare to offend Su Chen

"Su Chen, you are such a bastard." Sun Wukong shouted unexpectedly when he saw Su Chen.

When Hong Yi heard Sun Wukong's rude words, he scolded him, "You are so impudent, monster monkey. If you dare to speak rudely again, I will kill you immediately."

The other seven fairies also burst out with some dangerous auras.

As long as they wait for Su Chen's order, they will kill Sun Wukong without hesitation.

Su Chen took Hong Yi and waved his hand and said, "Hong Yi, don't worry, this monkey is unruly. Untamed, you don't have to worry about this monster monkey"

"Yes, God General!"

Sun Wukong is really speechless about this bastard Su Chen.

How could a little monk let these powerful fairies protect him? Even the heavenly soldiers in heaven respect this bastard very much. Who is the backer behind this bastard?

"Su Chen, what are you doing here? Are you here to see my joke?"

"No, I'm just here to give you a ride. After all, we have known each other for a while. I'm afraid no one in heaven will give you a ride."

"Damn it, there is no way my grandson will die"

"But you are going to be killed now! Sun

Wukong looked at Su Chen angrily and threatened, "Su Chen, don't forget, you are also responsible for stealing the elixir. Aren't you afraid that I will tell you?"

Su Chen smiled, spread his hands and said with a smile,

"Sun Wukong, do you think anyone will believe you? You are just a demon monkey, I am the divine general of heaven, and the immortals in heaven will not believe your words."

Sun Wukong was speechless when he heard Su Chen's words.

He also knew about Su Chen's power when he was in heaven.

Although this bastard is a little monk, there is a Queen Mother behind him. He even heard about the Buddhist Guanyin. The Bodhisattva and the Wudang Virgin are also the backers of this bastard.

Sun Wukong was unconvinced and snorted to Su Chen,

"you.....Humph, you are just a little monk and general, I can crush you to death with one hand."

Su Chen took out a pot and said to Sun Wukong, "Okay, come and drink some wine, I can only make this for you."

"You boy is quite loyal."

Su Chen retreated after waiting for Sun Wukong to drink the immortal wine. He could not delay the execution of the heavenly soldiers, otherwise the gods in the Lingxiao Palace would pay attention to this place. Under the demon-slaying stage,

Su Chen looked at the heavenly soldiers. The execution was about to begin.

Immortal swords, lightning strikes, and even some low-level acquired spiritual treasures failed to kill Sun Wukong.

Su Chen was very speechless when he saw it. I am afraid that these could not even kill some powerful monsters. The Emperor of Heaven did this It's also too fake

"Take Sun Wukong to Tushita Palace and throw him into the Bagua furnace."

At this time, an immortal general arrived and ordered.

Su Chen was about to leave when he suddenly remembered that Sun Wukong had never eaten the golden elixir of the Supreme Laojun.

Su Chen patted his forehead and said,

"Holy shit, it's broken. Sun Wukong has never taken the golden elixir. Can Sun Wukong still be able to resist the Samadhi True Fire in the Bagua Furnace?"

Chapter 1585

Su Chen looked at Sun Wukong being taken away and shook his head.

He couldn't control these things.

Taishang Laojun is very powerful. If something happens to Sun Wukong, Taishang Laojun will definitely find out. After all, Taishang Laojun is Lao Tzu's good corpse

"God will stay!"

Just when Su Chen was about to leave, an old man's voice stopped him.

I came closer, the old birthday boy.

Su Chen saw an old man with a white beard walking over.

This old man had a big head and a protruding forehead. He had a playful face and a childish look in his hand. He was holding a crutch with an Immortality Peach tied to it, and he knew who it was.

Why did this old birthday boy stop him?

Um? No!

It should be the Antarctic Immortality Emperor.

He is one of the Four Emperors under the Emperor of Heaven, and also Explain the teachings of Nanji Xianweng, a disciple of Yuanshi Tianzun

"Emperor Changsheng, is there something wrong with you?"

The Antarctic Immortal smiled and said,"General Su Chen, I have something to discuss with you. General, can you come and sit in my palace?"

"sure."

Su Chen looked at the Antarctic Immortal and nodded.

He turned around and told the Seven Fairies next to him,"Hong Yi, you go back to Pantaoyuan first and tell the empress that I am going to the Antarctic Immortal Emperor."

"Yes, God General!"

After a while, under the leadership of the Antarctic Immortal, Su Chen and the Antarctic Immortal came to the Hall of Eternal Life together.

In the hall,

Su Chen and the Antarctic Immortal sat down.

After a boy served some immortal tea and left, the Antarctic Immortal He said to Su Chen,"General, do you know about the spread of Buddhism to the East five hundred years from now?"

"Know something!"

Su Chen nodded and replied.

He now wants to know what the Antarctic Immortal wants to do with him.

The Antarctic Immortal has a very high status in the heaven, and he is also the person in charge of the teaching in the heaven. He Just a little monk, how could the Antarctic Immortal find him?

The Antarctic Immortal touched his beard and said directly,

"Divine General, please don't tell secrets. The Heavenly Emperor in the Heavenly Court got two places, the Human Religion got one quota, and we, the Chanjiao, did not get a quota. The Divine General is familiar with Guanyin, can you ask for a place on our behalf, the Chanjiao?"

Su Chen understood after hearing the words of the Antarctic Immortal.

Chanjiao also wanted to gain merit and luck in the journey to the west. Monk Sha and Xiaobailong should be the people arranged by the Emperor Haotian, Zhu Bajie is the person arranged by the Human Sect, and Sun Wukong is People from the Buddhist sect.

Now I also want to add people to the scripture-gathering team, but the Antarctic Immortal has no use for him.

Su Chen shook his head and asked doubtfully, "Great Emperor, can you tell Guanyin Bodhisattva about these things?" Okay?"

The Antarctic Immortal said with a somewhat embarrassed expression.

"God, you don't know something. Guanyin used to be a disciple of our Chan Cult, but after her judgment, we had no contact. We had no friendship at all. Whether we talked or not, there would be no good results."

Su Chen was very speechless when he looked at the Antarctic Immortal.

It turned out that the person who explained the teaching had no face to go to Guanyin Bodhisattva.

Presumably,

Guanyin Bodhisattva was a traitor to the teaching. The person who explained the teaching must have scolded Guanyin Bodhisattva before, but now If we ask them to seek help from Guanyin Bodhisattva again, those who explain the teachings will probably not be able to lose face.

"Great Emperor, I only know Guanyin Bodhisattva. Even if I say it to Guanyin Bodhisattva, it is impossible for Guanyin Bodhisattva to agree. I, a little monk, may not be able to help."

The Antarctic Immortal smiled and promised Su Chen,

"Haha, the god general is joking. Guanyin cares about the god general very much. As long as the god general agrees to help, even if it is unsuccessful, our teaching will reward the god general heavily."

The Antarctic Immortal has no choice.

None of the brothers who explain the teachings are willing to go to the traitor Guanyin.

Buddhism's journey to the west is about to begin in five hundred years.

If Guanyin Bodhisattva is not persuaded, the teachings will be prosperous in Buddhism this time. But there is no benefit at all.

If both the Heavenly Court and the Human Sect have gained some merit and luck, only their Chan Sect has not.

This will make the Chan Sect lose face in the ancient world.

Su Chen took a sip of tea and said,

"Great Emperor, I'm afraid it's not possible to increase the number of people who want to learn Buddhist scriptures. The number of people who want to learn Buddhist scriptures is already fixed, and I can't persuade Guanyin Bodhisattva to change the candidates. You should know this."

"Already fixed?"

The Antarctic Immortal was confused when he heard Su Chen's words.

The people to learn the scriptures have been fixed, so don't they have no role in explaining the teachings?

Su Chen lowered his head and touched his chin and thought, can he learn from it this time? Get some benefits from Chanjiao.

Chanjiao has a lot of money, spiritual treasures, spiritual roots, and even many of Jiejiao's treasures have been divided up by Chanjiao.

If Chanjiao can pay some price,

Su Chen doesn't mind giving some to Chanjiao. Pay attention.

Su Chen rolled his eyes and continued to deceive, "Great Emperor, this time the Tianding Buddhism is booming, Buddhism spreads eastward and conquers China's Tang Dynasty. The number of people who can learn Buddhist scriptures can only be under five. What the Great Emperor said is very late." Got it"

"this.....General, is there really no other way?"

"Great Emperor, you are a powerful person. You can know these things just by calculating them. There is really no other way."

When the Antarctic Immortal heard Su Chen's words, he hurriedly calculated.

After a while, the Antarctic Immortal shook his head with an ugly face and said,

"well! It seems that there is really no other way. We, Chanjiao, really have to stay out of the matter this time, and we, Chanjiao, cannot separate themselves from the merits and fortune of Buddhism."

Su Chen smiled and said casually,

"That's not necessarily the case!"

"Oh, what other way would God have it?" When the Antarctic Immortal heard Su Chen's words, he hurriedly asked,

"Yes, but?"

"Don't worry, General God. As long as the method God General says is feasible, we will not treat God General badly by teaching us."

Su Chen said with a sly smile,

"Great Emperor, we don't need to talk anymore. I want the Immortal Killing Sword of Tongtian Cult Master, the best spiritual root enlightenment tea, and Yunxiao's corpse. As long as the emperor can give me these, Chan Jiao can share the merits and luck of Buddhism."

Su Chen also thought about it for a while before asking for these treasures. During the Conferred

God Period, all the four swords of Zhuxian were obtained by Chanjiao.

It is probably impossible for him to want four swords, but as long as he wants one sword of Zhuxian, Chanjiao will probably consider it..

As for the top-quality spiritual root enlightenment tea,

Su Chen was not sure whether it was with Chanjiao, but it was said in the novel that Chanjiao had the enlightenment tea, so he could only give it a try.

As for Yunxiao's corpse,

Su Chen just wanted to add to it. , if he wanted to explain some spiritual treasures and treasures to Chanjiao again, I am afraid that Chanjiao would not agree anymore, and might even threaten him. He did not want to offend Chanjiao too much. When the

Antarctic Immortal heard Su Chen's words, his face changed drastically, and the Zhuxian Sword was in In Guangchengzi's hands, given Guangchengzi's character, he would definitely not be willing to hand it over.

The top-quality spiritual root enlightenment tea belongs to their master, and they have no right to give it away.

Yunxiao's body can be said to be one that is bound by the list of gods. Jiao Yunxiao, even if she got the body, it would be of no use.

The Antarctic Immortal thought for a while and shook his head and said,"General God, your appetite is too big. It is impossible for us to teach you to agree to this.""

"Great Emperor, I am risking my life to offend Guanyin Bodhisattva, and even offend heaven and human religion. Do you still think I have a big appetite?"

Chapter 1586

The Antarctic Immortal nodded when he heard Su Chen's words.

If Su Chen really had a way to let Chanjiao take away the merits and luck of Buddhism, then Su Chen would indeed offend Buddhism, and even the Heavenly Court and the Human Sect would also treat Su Chen dissatisfied. He just couldn't make the final decision on the Immortal-killing Sword and the Enlightenment Tea. Guangchengzi was now in charge of the Chanjiao, so he had to discuss these with Guangchengzi. The Antarctic Immortal thought for a while and said to Su Chen,

"General, give me three days. I want to discuss it with my brothers and sisters in Chanjiao. After all, this matter is of great importance and I cannot make the decision alone."

"Okay, Great Emperor, then I will go back first. If you brothers decide to come with the items I want, I will also inform the Great Emperor of those methods."

"Okay, I'll go to East Kunlun now."The Antarctic Immortal nodded and disappeared in a blink of an eye.

Su Chen smiled when he saw the turbulent Antarctic Immortal. He turned around and left the palace of the Antarctic Immortal Emperor.

In the Peach Garden, the Queen Mother, the Queen Mother of the West, and the Holy Mother of the Golden Spirit They have been observing Su Chen, and even the conversation between Su Chen and the Antarctic Immortal, these women also heard clearly.

These Su Chen and the Antarctic Immortal were not noticed, which shows how powerful the Queen Mother of the West is.

The Queen Mother has a look on her face. He said seriously,"What on earth is this bastard going to do? He doesn't really want to help explain Buddhism and share the merits and luck of Buddhism, right?"

Queen Mother Xi smiled and said to the Queen Mother,"Is this still false?" That bastard even dared to steal Taishang Laojun's golden elixir. That bastard could do such a thing."

The Queen Mother of the West is becoming more and more interested in Su Chen.

Su Chen actually knows everything about the great prosperity of Buddhism, and even all the sects inside. Did Guanyin Bodhisattva tell Su Chen this?

Or was it Su Chen ? Did he get the information himself?

The Jin Ling Holy Mother and the other girls smiled when they heard the words of the Queen Mother of the West.

They also heard the conversation between Su Chen and Sun Wukong.

They did not expect that Su Chen would go with Sun Wukong to steal Taishang Laojun's Golden elixir, no wonder that bastard gave Yang Chan so many sixth-level golden elixirs to the Third Holy Mother Yang Chan as soon as he made a move.

Yun Xiao was also a little happy now.

She didn't expect that Su Chen had just been stubborn and didn't agree to get her body back, but turned around and went to the Antarctic Immortal Old Man. She brought it up, she really wrongly blamed Su Chen just now.

The Queen Mother said angrily

"Huh, that bastard who doesn't know how to live or die, if he really helped Chan Jiao, Guanyin would probably not let that bastard go if he could bear it in the future.

The Queen Mother really has nothing to do with Su Chen.

Su Chen is a lawless bastard.

She has never been able to find peace in her Yaochi Wonderland since the arrival of this bastard.

Moreover, great powers kept coming one after another, including Guanyin Bodhisattva, Our Lady of Wudang, Our Lady of Golden Spirit, Queen Mother of the West, Yunxiao, and even Zhen Yuanzi, and this bastard also brought disaster to the Three Holy Mothers, the niece of the Emperor of Heaven.

Now she wants to get involved in the spread of Buddhism to the East. The Queen Mother may not be able to take care of that bastard now.

"Hey, look, is Su Chen lost?"

At this time,

Yun Xiao looked at Su Chen in the Kunlun Mirror, looking around and even scratching his head in confusion. This made her funny and said to other women.

The Queen Mother looked at it and scolded with a black face,"This Fool! As a divine general in heaven, he actually got lost in heaven."

Queen Mother Xi looked at Su Chen's confused look and said with a smile,

"Haha, sister Yaochi, why don't you send someone to pick up that bastard? If he goes to the north, that is the territory of the Arctic Ziwei Emperor. If he goes to the south, there is the Moon Palace."

"Hongyi, hurry up and pick up Su Chen"

"Yes, empress!"

The Queen Mother has nothing to do.

If that bastard Su Chen goes to the Emperor Ziwei, he will probably get into trouble again.

She has heard that Su Chen despises Boyikao, the Emperor Ziwei in the Arctic.

If that bastard goes to the Moon Palace, the Queen Mother will also be worried. Su Chen would like to see Fairy Chang'e in the Moon Palace. The Three Holy Mothers Yang Chan is enough to annoy her. She doesn't want Su Chen to bring trouble to Chang'e in the Moon Palace again.

But at this moment,

Su Chen is really confused.

He's here. It was the Antarctic Immortal who brought him here, but the vast starry sky has grown so big. Now he has forgotten how many heavens he has walked through. There are thirty-six heavens in the heaven. Su Chen is not sure now that he has arrived. That heavy sky

"Stop, are you all heavenly soldiers and generals?"

Su Chen suddenly saw a group of heavenly soldiers and generals appearing in front. He hurriedly shouted.

A god general looked at Su Chen and was very surprised.

He did not expect that a young monk from the human race would appear here. There were twenty people here. How did a little monk from the human race come here under the jurisdiction of Emperor Ziwei in the North Pole of the Fourth Heaven?

He looked at Su Chen and asked coldly and arrogantly, "Eh? How did a little monk appear in the twenty-fourth heaven? Boy, how did you appear in the twenty-fourth heaven?"

Twenty-fourth Heaven?

Where is the Great Arctic Ziwei Emperor?

Damn it, why did he go to Boyi Test, the middle sky of the Sangmen Star?

Su Chen looked around and was very speechless.

Boyi Test is about strength. Without strength, if you want to be powerful, there is no prestige.

Boyikao can become the Arctic Ziwei Emperor. This is all the decision of Chanjiao or Jiang Ziya.

With the rise of the Great Zhou Dynasty,

Boyikao can be regarded as the leader of the boat.

Su Chen took out He threw a token at the god-general and cursed,"See clearly, your grandfather and I are a heaven-level god-general. Are you, a low-level god-general, going to rebel?"

The patrolling God General was about to break out in cold sweat when he saw Su Chen's token,

Yaochi God General!

This is a man of great influence in heaven.

The backers behind Yaochi God General are Guanyin Bodhisattva, the Queen Mother, and even several members of the Jie Jiao. Da Neng also had a close relationship with Su Chen.

This was something that a little god like him could not offend. Even the Arctic Ziwei Emperor did not dare to offend him. The patrolling god immediately knelt down in front of Su Chen to plead guilty and said,"See Yaochi God General , I have offended you a lot just now, please forgive me, God General."

"See Yaochi God General!"The hundreds of heavenly soldiers nearby also hurriedly knelt down and saluted Su Chen, saying,

"Get up, everyone!"

"Thank you Yaochi God General!"

"How to get to Daluotian?"

"Divine General, we can escort the Divine General to Daluotian."The patrol god general saluted Su Chen in a hurry and said,

"Then let's go, I want to rush back to Daluotian as soon as possible"

"Yes, it will be!"

Su Chen, escorted by these heavenly soldiers and generals, rushed towards Daluotian in Yaochi Fairyland.

On a sea of flowers fairy platform, a beautiful fairy in white was stopped by a burly armored fairy.

The beautiful fairy in white was indifferent. He looked at the immortal general and said, "Marshal Tianpeng, don't go too far, get out of the way quickly."

When Marshal Tianpeng heard what the fairy said, he bit his finger and said lustfully, "Fairy, Fairy Chang'e, I just want to talk to you. Don't be so unkind."

"Don't come over, Marshal Tianpeng. If you come over again, don't blame me for being rude."

"Fairy, what do you want to do to be rude?"

When Su Chen and the Heavenly Soldiers and Heavenly Generals passed by a fairy platform, he heard the sound and walked over.

Especially when he heard the names of Marshal Tianpeng and Fairy Chang'e, Su Chen sped up and rushed over.

Chapter 1587

Tushita Palace, after Sun Wukong was brought here,

Taishang Laojun has been frowning.

The Buddhist deal was to let him improve Sun Wukong's strength, but Sun Wukong did not take the golden elixir, but wanted to help Sun Wukong refine the indestructible diamond. If Sun Wukong, who has not taken the golden elixir, is thrown into the alchemy furnace, he will probably be turned into ashes. well!

How difficult it is!

And Guanyin Bodhisattva didn't even care that Su Chen stole the golden elixir, and even the transaction with Buddhism continued normally.

What is the origin of that Su Chen?

Taishang Laojun was very confused when he thought about the conversation with Guanyin just now.

Moreover, he couldn't see through Su Chen, and couldn't even check the sea of consciousness.

This was the first time he had encountered this situation in so many years.

"Old Taoist, what do you want to do with my old grandson? Just let him go."

At this time,

Sun Wukong saw the old Taoist priest who had been staring at him and shouted,

"You're such a bully, you're going to suffer a lot."

Sun Wukong sneered at Taishang Laojun with disdain, "Hi! I, Sun, am the Great Sage. If you can't kill me on the demon-slaying platform, will I be afraid of you, a seasoned person?"

Tai Shang Laojun looked at Sun Wukong and shook his head and said,

"Yeah? Old Taoist, I will throw you into this alchemy furnace in a moment. There is the true fire of Samadhi in this alchemy furnace. After seven, seven, forty-nine days, you will be turned into ashes."

"Oh, Samadhi is really hot? What kind of fire is that?"

"The fire that will kill you!"

Whoosh!"

Taishang Laojun took out an eighth-turn golden elixir in distress.

He quickly stuffed it into Sun Wukong's mouth, and even hit Sun Wukong on the chest to help Sun Wukong absorb the eighth-turn golden elixir.

Sun Wukong was Taishang Laojun's chest was so hot that he glared at Taishang Laojun and shouted, "Ah, Taoist, what did you give me to eat?" Damn it, you old man, if I hadn't been tied up, I would have killed you with one blow.

Taishang Laojun waved his hands expressionlessly and said, "Children, put Sun Wukong into the alchemy furnace and burn it for seventy-seven forty-nine days.""

"Yes, sir!"

After Sun Wukong was thrown into the alchemy furnace, the two boys of Taishang Laojun kept fanning the fire, and the Samadhi True Fire began to burn continuously in the alchemy furnace, and even some Samadhi True Fire also rushed into the alchemy furnace.

"It's so hot, it's so hot, old man, let me out quickly, it's so hot for me, old grandson."

Tai Shang Laojun observed Sun Wukong and nodded.

Sun Wukong is unlikely to have an accident this time, and the indestructible Vajra body can also be made.

He spent a lot of money this time, and his eighth-level gold was wasted. This is the only nine-turn golden elixir. It is very difficult to refine, and it also requires a lot of precious and top-quality innate materials.

At this moment,

Su Chen stood on the edge of the Flower Sea Immortal Platform, and he watched Marshal Tianpeng teasing Chang'e. The fairy was very speechless.

Why did Zhu Bajie start teasing Chang'e now?

Is the plot too ahead of schedule?

Also, isn't Zhu Bajie teasing Chang'e an excuse?

How come Zhu Bajie is just a pervert?

Marshal Tianpeng laughed when he stopped Chang'e. She said softly, "Fairy Chang'e, I just want to have a chat with you, please don't be so unhuman. Chang'e hugged the Jade Rabbit and retreated, then shouted coldly, "Marshal Tianpeng, please respect yourself, otherwise I will sue Lingxiao Palace.""

"Haha, I just want to chat with you, is it useful for you to sue me like this?"

"How come you, a dignified Marshal of Tianhe, are so shameless?"

When Marshal Tianpeng heard Chang'e's words, he said arrogantly, "Shameless? I, Tianpeng, have always been like this. I am the Marshal Tianpeng in charge of 80,000 Tianhe naval forces. Who dares to say that I am shameless?"

"snort!"

Chang'e suddenly saw the heavenly soldiers and generals arriving next to her, but these were just a low-level godly general and some ordinary heavenly soldiers and generals. It was impossible for these heavenly soldiers and generals to dare to care about Marshal Tianpeng's affairs.

"Where are you the heavenly soldiers from? Get out of here quickly."

Marshal Tianpeng also noticed the arriving heavenly soldiers and generals. He looked at these heavenly soldiers and generals with disdain and cursed,

"What if we don't leave?"

Su Chen crossed his arms and said with a smile.

He didn't expect Marshal Tianpeng to be so arrogant in the heaven.

No wonder he was pushed out by Taishang Laojun to become a Buddhist monk. I'm afraid Taishang Laojun also wanted to train Marshal Tianpeng. After hearing what Su Chen said, Marshal Tianpeng discovered that Su Chen was not even an immortal. Could this be the Divine General of Yaochi?

Marshal Tianpeng looked at Su Chen and asked doubtfully, "You are a little Why do human monks appear in heaven?"

"Marshal Tianpeng, don't you know me?"

Marshal Tianpeng shook his head and said sarcastically, "You are just a little monk. Why do I know you?" Su

Chen pretended to be surprised and said, "So you don't know me, Marshal Tianpeng. It seems that you only have eyes for beautiful fairies and you don't care about things in heaven at all!"

Su Chen didn't expect that Marshal Tianpeng didn't know who he was?

It stands to reason that he is now very famous in the heaven. Even the heavenly soldiers and generals in the heaven have heard of his name.

Zhu Ganghei shouldn't have heard it. I said it before.

Is this Zhu Ganghe pretending not to know him?

Or does he really not know who he is?

Su Chen is not very sure now, but

Zhu Ganghe is not simple at all, otherwise, he would not be able to do it Marshal Tianpeng in the heaven.

Marshal Tianpeng took out his nine-tooth rake and threatened Su Chen, "Boy, I don't care who you are, get out of here quickly, otherwise don't blame your Grandpa Tianpeng for being rude to you."

At this moment,

Fairy Chang'e was very surprised when she looked at Su Chen.

She did not expect that the legendary Yaochi God General would appear here.

Yaochi God General is very famous in heaven, including the

Buddhist Guanyin Bodhisattva, the Queen Mother, and the Jie Jiao. Wudang Holy Mother, these great powers care very much about this Yaochi God General, and can even be said to be the backers of this Yaochi Fairyland.

Su Chen walked up to the Sea of Flowers Immortal Platform and asked Marshal Tianpeng, "Zhu Gangxi, how dare you Take action against me?"

Bang!

Marshal Tianpeng slammed the nine-tooth nail rake on the ground.

He looked at Su Chen and said disdainfully,

"Boy, my majestic Tianpeng Marshal, don't you dare to attack a little human monk like you?"

Su Chen smiled and teased Marshal Tianpeng,

"Of course you can, but you will be cursed if you take action against me. If you dare to take action against me, Zhu Ganghye, you may really turn into a pig in the future."

"you wanna die!"

Marshal Tianpeng swung his nine-toothed rake and hit Su Chen.

Boom!

Su Chen teleported behind Chang'e when Marshal Tianpeng took action.

He was no match for Marshal Tianpeng, and he didn't think of pigs either. Ganghye really knows how to take action.

It's just that Zhu Ganghye doesn't seem to be using his full strength, otherwise!

It's impossible for him to escape Zhu Ganghye's attack.

"Boy, come out here. You dare to hide behind Fairy Chang'e. Do you want to die?"

"Zhu Ganghye, come here, are you waiting for me here?"

Chapter 1588

Su Chen instantly appeared behind Fairy Chang'e.

He waved his hand to the heavenly soldiers and generals who were about to come over. These heavenly soldiers and generals also came to kill people.

Su Chen didn't want to implicate these heavenly soldiers and generals.

He looked at Fairy Chang'e who was dressed in white palace clothes. She had a cold and beautiful face, cold eyes, and a figure that was curved forward and backward. She was a cold and beautiful fairy.

Fairy Chang'e was indeed the most beautiful woman in heaven.

However,

Su Chen felt that the Queen Mother was no worse than Fairy Chang'e, and even slightly better.

Especially the Queen Mother's noble and elegant temperament and mature feminine charm, which was not cold and indifferent at all. Chang'e is comparable.

Su Chen took care of Fairy Chang'e and then looked at Marshal Tianpeng.

Su Chen was now very sure that Marshal Tianpeng came for him. From the action of Marshal Tianpeng just now, he felt something was wrong from the beginning.

Tianpeng Marshal Zhu Ganghe is a Golden Immortal.

It would be easy for a Golden Immortal to deal with him. It is even more impossible for Su Chen to escape from Zhu Ganghe.

Marshal Tianpeng laughed when he heard Su Chen's words. "Get up," Haha, God General Yaochi is still smart. This marshal is waiting for you. Fairy Chang'e, I just offended you."

"Marshal Tianpeng, were you acting just now?"

Fairy Chang'e was very surprised when she heard what Su Chen and Marshal Tianpeng said.

Marshal Tianpeng was waiting here for Su Chen?

And was Marshal Tianpeng teasing her on purpose just now? Why was Marshal Tianpeng waiting here for Su Chen? Su

Chen shook his head and said to Chang'e, "Fairy Chang'e, Zhu Ganghye is not acting, he is just a shameless pervert."

Marshal Tianpeng shouted hurriedly when he heard Su Chen's words,

"Yaochi Divine General, don't talk nonsense. I don't dare to have any inappropriate thoughts about Fairy Chang'e."

Su Chen looked at Marshal Tianpeng drooling, and even looked at Chang'e's desire.

He didn't believe what Marshal Tianpeng said.

"Tsk, your dirty eyes betrayed you, your saliva is about to flow, and you said you had no wrong intentions, do you think I will believe it?"

Chang'e looked at Marshal Tianpeng with great contempt.

Marshal Tianpeng's eyes just looked at her, but she was full of desire. She didn't believe what Marshal Tianpeng said.

Marshal Tianpeng saw Chang'e's contemptuous look and hurriedly changed the subject. He said, "General Su Chen, I am waiting for you here specifically to discuss something."

"Just tell me if you have anything to do"

"right here?"

"right here!"

Marshal Tianpeng looked at Fairy Chang'e and said helplessly,

"Okay, Fairy Chang'e is not an outsider. General Su Chen, I got news that the Buddhism to the East is about to begin. I wonder if there are any human beings involved in the Buddhism to the East?"

"Zhu Ganghye, what are you asking for?" Su Chen looked at Marshal Tianpeng in surprise and asked.

Marshal Tianpeng said to Su Chen with a serious face,

"Divine General Su Chen, people in the Ming Dynasty don't tell secrets. During this time, my master and even Taishang Laojun have come to me. I am worried about the Buddhism spreading to the east. The People's Church wants me to participate, so I want to find Divine General Su Chen. Ask around."

I guess!

This Zhu Bajie is indeed not simple. Zhu Bajie was able to guess this from his master and Taishang Laojun's unusual approach to him. It seems that Zhu Bajie, who has always been unproductive in Journey to the West, has been pretending to be stupid. full of surprise

"Marshal Tianpeng, it's useless for you to ask me. I don't know anything about this."

"The god general joked, everyone knows about your relationship with Guanyin Bodhisattva, how could you not know about it."

At this moment,

Fairy Chang'e opened her delicate little mouth and looked surprised.

She did not expect that the conversation between Marshal Tianpeng and Su Chen was actually talking about Buddhism.

She wanted to leave.

These things were not her at all. She could listen, and she didn't want to get involved in these big things, but she also wanted to know if Su Chen would tell Marshal Tianpeng these secrets.

Su Chen shook his head and said with a smile, "Marshal Tianpeng, I really don't. Yes, I just heard that Buddhism will flourish in five hundred years. I really don't know the rest."

It is impossible for Su Chen to tell Zhu Bajie that

Zhu Bajie is already one of the people who have been selected by the people to learn the scriptures.

Journey to the West cannot be without Zhu Bajie. Without the fun of Zhu Bajie, Journey to the West would probably be very dull and boring.

"real?"

"certainly! Marshal

Tianpeng looked at Su Chen and nodded, "I understand. It seems that I will ask the master again in the future. General, you can leave now.""

Su Chen was very speechless when he heard what Marshal Tianpeng said. Will Marshal Tianpeng continue to tease Fairy Chang'e?

Su Chen shook his head and refused,

"I don't want to leave now. Fairy Chang'e is very beautiful. I also want to talk to Fairy Chang'e."

Marshal Tianpeng heard that Su Chen was going to talk to Fairy Chang'e, which made him uneasy.

"No, boy, leave now or I'll be rude to you"

"Yeah? Do you really want to take action?"

Su Chen is not afraid of Zhu Bajie at all now.

The arrival of the seven women in red has given Su Chen confidence. Can seven golden immortals still be unable to defeat one golden immortal?

"General Su Chen, although your backers are very powerful, this marshal is not without backers."

"oh? It seems that you are very confident."

Su Chen looked at Marshal Tianpeng and smiled.

He waved to the seven fairies who arrived and said, "Hong Yi, you sisters greet Marshal Tianpeng and try out the results of your sisters' cultivation during this period."

"Yes, God General!"

"seven.....Seven golden immortals, General Su Chen, you.....Marshal Ben left first."

Marshal Tianpeng didn't expect that Su Chen would have seven beautiful fairies, and each of them was in the realm of a golden fairy.

This made Marshal Tianpeng flinch.

Although he was not afraid of these golden fairies, he was just bluffing. After all, Su Chen's backers are all powerful, and any one of them is as strong as his master. He really didn't dare to take action against Su Chen.

Su Chen looked at Marshal Tianpeng leaving and shouted,

"Marshal Tianpeng, do you still remember what I said? If you attack me, you will be cursed. You must be careful about turning into a pig in the future."

"You will become a pig, Su Chen, I will remember you. You'd better not have any bad thoughts about Fairy Chang'e, otherwise the marshal will not let you go."

"Hahaha....., Marshal Tianpeng, I am waiting for your revenge."

Su Chen looked at Marshal Tianpeng leaving and shook his head.

Marshal Tianpeng is indeed a very thoughtful person. He knows the current situation very well when he sees something is wrong.

However!

Such people can live for a very long time.

"Yaochi Divine General, I also have to say goodbye."

Fairy Chang'e saw Marshal Tianpeng leaving.

She looked at Su Chen and was about to leave. Although Chang'e was very curious about Su Chen, she didn't want to stay anymore. The way

Su Chen looked at her just now made her do the same. I am very unhappy. I am afraid that Su Chen and Marshal Tianpeng are the same thing.

"Wait, Fairy Chang'e, I have something to ask the fairy. Is it convenient?"

"The god general said!"

Chapter 1589

Su Chen called Fairy Chang'e because she wanted to know something.

Fairy Chang'e lived in Guanghan Palace, which was the palace where the Moon God Xihe and Chang Xi used to live. Moreover, it was said that Fairy Chang'e was one of the three corpses of the Moon God Chang Xi. , Su Chen also wanted to know if this was true.

Also, is there Wu Gang cutting down laurel trees in Guanghan Palace? Is Wu Gang even Hou Yi of the Wu clan?

"Fairy Chang'e, are you Chang Xi?"

"No.....no!"

Chang'e was shocked when she heard Su Chen's words.

She didn't expect that Su Chen would ask about the Lich Period.

Chang'e even thought that Su Chen might know some secrets. It seems that she should be more careful with Su Chen in the future.

Su Chen stared at Chang'e then continued to ask, "Is Wu Gang still cutting laurel trees outside Guanghan Palace?"

"yes!"

"Is Wu Gang Hou Yi?"

"yes"

"The laurel tree is the ultimate innate spiritual root?"

"yes!"

"Are you Chang Xi?"

"yes.....No, General Su Chen, I'm leaving."What Chang'e said unintentionally made her very angry. She looked at Su Chen and felt that this bastard must be tricking her.

Su Chen smiled and stopped Chang'e and said,"Chang Xi? You can't be Chang'e, you should be one of Chang Xi's three corpses, right?"

"General Su Chen, what do you want to know?"

Chang'e looked at Su Chen and asked coldly.

She knew now that she had been exposed, but there were many people who knew her identity. Even if

Su Chen knew, it wouldn't be a big deal. It was just this little monk, how could he know? There are so many secret things, and the lich period is already very far away.

What exactly does Su Chen want to know?

"Is Chang Xi still alive?"

"This is not what you should ask"

"So are you and Hou Yi of the Wu clan really a couple?"

"It's none of your business"

"Besides you, Yutu, and Wu Gang, is there anyone else in Guanghan Palace?"

"No!"

"Do you have the ultimate innate spiritual treasure, the Moon Essence Chakra, in your hands?"

"No!"

"Do you know Xihe?"

"do not know!"

"Do you know Wang Shu?"

"do not know!"

Su Chen smiled after asking these questions.

From Chang'e's answer just now,

Su Chen discovered a few things.

First of all, the Moon God Chang Xi is definitely not dead, and Chang Xi may even be hiding in Guanghan Palace.

Fairy Chang'e is one of the three corpses of Chang Xi. If she died, Chang'e would not be able to survive. Chang Xi would either be hiding in Guanghan Palace, or be sealed in Guanghan Palace by those saints.

And Wu Gang is Hou Yi. This matter was well known to everyone, but Su Chen didn't know whether Hou Yi had his intelligence wiped out. Su Chen didn't pay attention to other small things,

Xi He, Wang Shu, how could Chang'e not know about these people?

As a person now The Moon Goddess, would the former Moon Goddess Chang'e know?

This is simply impossible.

Su Chen suspected that Chang'e was hiding something, and even Chang'e's strength might be that of a quasi-sage.

And in Journey to the West, Chang'e released her Jade Rabbit to the Lower World, this is probably not the work of heaven.

Why does Chang'e want to share some of the merits and luck of Buddhism?

Chang'e felt very uneasy when she saw Su Chen's smile.

These questions Su Chen asked made Chang'e feel that Su Chen was interested in her. She seemed to know everything.

Although she didn't tell Su Chen anything, she felt that Su Chen already knew something from her answer. Did this bastard ask herself this on purpose?

In the Pantao Yuan, the Queen Mother and the Queen Mother of the West heard Su Chen. When asked about Chang'e, they looked at each other and were very surprised.

They didn't know how Su Chen knew about the Lich Period, and Su Chen seemed to have guessed something.

This made them even the powerful ones unable to think. Understand, Su Chen asked them what the purpose of these was, and they didn't know.

"Queen Mother of the West, is Fairy Chang Xi dead? Yun Xiao looked at Queen Mother Xi and asked doubtfully,

"Yunxiao, you should ask your master Tongtian Saint about this." The Queen Mother of the West shook her head and said to Yun Xiao,

Chang Xi's matter was of great importance, but she did not dare to say anything casually.

Although those saints could not appear in the ancient world now, she still felt that it was better to be careful.

"I see!"

Yunxiao nodded and continued to look at the Kunlun Mirror.

She was also very shocked now.

Although the Queen Mother of the West did not explain, this also told her that Chang Xi was probably suppressed by the saints, and might even be sealed in Guanghan Palace. Here.

The Queen Mother said with emotion,

"Liches are all going to be eliminated, and even if they don't die, it may not be easy. Just like the great witch Houyi of the witch clan, his intelligence was wiped out and he became Wu Gang. This life would be worse than death."

Yunxiao asked the Queen Mother in a low voice, "Empress, does the person in the underworld really not care about Hou Yi's life or death?"

The Queen Mother shook her head and sighed,

"Alas, it's not that we don't care, but that we are powerless. That person is also unable to protect himself, and may even fall completely in the future. These are the matters of those saints and are not ours to interfere with. Queen Mother Xi said with a lonely look in her eyes, "Yes, the soul is very fragile to begin with. After these long years, that soul may not be able to hold on for long.""

The Queen Mother of the West thought of the three thousand red guests in the Zixiao Palace. Now there are not many left. Even those who are alive are very cautious.

She has been hiding in West Kunlun and has not participated in what happened in the prehistoric world. Zhen Yuanzi , Styx in the Blood Sea, Kunpeng in the North Sea, these great powers do not care about what happened in the prehistoric world, which is why these great powers can survive until now.

Otherwise, the other three thousand Hongke will be their fate.

Wudang The Holy Mother did not care about these things.

She looked at Su Chen in the Kunlun Mirror and asked doubtfully, "What do you think Su Chen is asking Chang'e about? Is that bastard going to cause trouble again? Or is there any relationship between Su Chen and Chang Xi?"

The Queen Mother shook her head and said angrily,

"I don't know, that bastard has always been mysterious, and I can't guess what he is going to do."

The Holy Mother of the Golden Spirit looked at the Queen Mother and reminded with a smile,

"Madam, I think you should let Mr. Su Chen show up in the future. He just showed up for a while today."

"Look, I stole the elixir with the monkey, made a deal with the Antarctic Immortal, and now I have a conflict with Marshal Tianpeng of the Human Cult, and I even got together with Fairy Chang'e."

"It would be better for Su Chen to let him stay in Pantaoyuan from now on."

The Queen Mother of the West nodded when she heard the words of the Holy Mother of the Golden Spirit,

"Well said!"

The Queen Mother looked at the girls and said with a smile,

"Don't worry, that bastard will practice in seclusion from now on, and he won't easily come out to cause trouble in the future."

At this time,

Mother Wudang suddenly looked at the Kunlun Mirror and shouted, "Ah, look, why does that bastard Su Chen want to pull Fairy Chang'e? That bastard doesn't want to molest Fairy Chang'e, right?"

Chapter 1590

On the Flower Sea Immortal Platform,

Chang'e no longer wanted to stay here.

Su Chen's questions made her feel very uneasy.

Chang'e felt that she had no secrets in Su Chen's eyes. All her secrets seemed to be known by Su Chen. If she If you continue to stay, more secrets may be exposed.

When Su Chen saw Chang'e was about to leave, he hurriedly grabbed Chang'e who was about to leave.

Su Chen had one more important thing that he hadn't asked yet. He didn't want Chang'e to leave now.

"let me go!"

Chang'e yelled angrily when Su Chen held her hand.

She didn't expect that Su Chen would hold her hand.

Chang'e had never been pulled by the opposite sex, and even when she confused Hou Yi, she never had any physical contact with her.

This Su Chen Damn it!

If she didn't want to expose her strength,

Chang'e would have killed this bastard with one palm right now.

Su Chen coughed awkwardly and hurriedly explained, "Ahem, I'm sorry, I was reckless at the moment. Fairy Chang'e, I have one last one." Question, you can leave after I finish asking it"

"I won't answer. Let me go." Chang'e stared at Su Chen indifferently with her beautiful eyes and said,

"I won't let you go until you answer."

Su Chen held Chang'e's cold and soft little hand tightly and didn't let go.

He had no choice.

The question he wanted to ask was very important.

It was also something he had to figure out when he came to the ancient world again. matter

"Shameless!"

"Just one, this is the last question, I swear!"

"You ask!"

Chang'e has no choice.

This bastard is a shameless bastard. If she doesn't answer this time, I'm afraid this bastard will keep pestering her.

"Is Taoist Lu Ya the youngest son of Di Jun?" Su Chen looked at Chang'e and asked with a serious face.

Su Chen was very curious about Lu Ya during the Conferred God Period, especially the limerick that Lu Ya often said in his mouth.

【First there is Hongjun and then there is Tian, and Taoist Lu Ya is even more ahead! 】

This led Su Chen to guess that Lu Ya might be the Chaos Demon God, or that Lu Ya might have kidnapped the youngest son of the Demon Clan Emperor Jun.

The Golden Crow is a member of the royal family of the demon clan during the Lich period.

Lu Ya is also the only living son of Emperor Jun.

Even if the demon clan declines, it is impossible for Lu Ya to seek refuge with Buddhism. After all, it was Buddhism's plan that killed the other nine Little Golden Crows.

"you...."

Chang'e was very shocked.

She didn't expect Su Chen to ask this question. She knew everything about Lu Ya. After all, she was Lu Ya's aunt, but could she talk about this?

Su Chen saw the shocked Chang'e.

He didn't know whether it was because Chang'e didn't dare to say anything, or there was something hidden inside.

Su Chen didn't want to embarrass Fairy Chang'e.

After thinking about it, he changed the question and said, "Fairy Chang'e, you just need to nod or shake your head. Is the Golden Crow still the same as before?"

Chang'e looked at Su Chen coldly and shook her head.

"Thank you. I have finished asking. Fairy Chang'e can leave." Su Chen let go of Chang'e with a serious look on his face.

He also understood that

Lu Ya is no longer Jinwu Lu Ya.

It seems that he should be careful with Taoist Lu Ya in the future.

"What do these do, you ask?"

Chang'e did not leave after being released by Su Chen. She looked at Su Chen and wanted to know why Su Chen asked these questions.

"Nothing, just a little curious!" Su Chen shook his head and said to Chang'e.

Su Chen originally wanted to talk to Lu Ya, but it's impossible now.

The phoenix may be extinct.

Although the remaining peacocks and rocs have the blood of the phoenix, I'm afraid they are very rare.

The Qingying Nirvana is still recovering. Only he, Su Yan and Su Yue have the bloodline of the Black Bird. The Golden Crow is probably extinct now. Lu Ya may have been taken away by the spirit of Lihuo.

Chang'e saw Su Chen didn't want to say it, so she looked at this bastard and reminded him, "Lu Ya is in the middle stage of Conferred God and is a quasi-sage. You'd better not think about dying."

"And you?"

"none of your business!"

I guess!

Fairy Chang'e actually said dirty words?

Is this Fairy Chang'e, the most beautiful woman in heaven?

Isn't this cold and peerless fairy controlled by Chang Xi?

Su Chen shook his head and stopped thinking about this. , these are still too far away from him.

Su Chen is not an immortal yet. It is simply unrealistic to consider these. It is better to ascend to the ancient immortal world and explore slowly in the future.

"Goodbye, Fairy Chang'e, I will go to Guanghan Palace to find you when I have time in the future."

"Humph, Guanghan Palace doesn't welcome outsiders, you'd better not come."

"I'm different, I'm your friend!"

"Shameless!"

Fairy Chang'e glared at Su Chen fiercely and flew away.

Su Chen smiled when he saw Chang'e flying away.

He also said this deliberately just now. It is impossible for him to go to the moon. With his cultivation, Because the realm is to reach the moon, I am afraid that it will be wiped out by the evil energy of Taiyin in an instant.

"Hongyi, let's go back to Pantaoyuan!"

Su Chen threw three peaches at the heavenly soldiers and generals next to him. He waved to the seven fairies and said,

"Yes, God General!"

"Thank you Yaochi God General!" The patrolling general looked at the flat peach in his hand and excitedly thanked him for leaving.

"Divine General, you have made a fortune this time. You were actually given three 3,000-year-old flat peaches by Yaochi Divine General."

"Yes, in the future, the god generals will probably be promoted to senior god generals."

"Yaochi Divine General is really generous, and he doesn't look down on our heavenly soldiers and generals."

"Yes, Yaochi God General actually took out three flat peaches. It seems that Yaochi God General is more powerful than we imagined."

The heavenly soldiers and generals here looked at the flat peaches in the hands of their generals. They were all very envious. They even thought that they would be very lucky to be Su Chen's subordinates in the future.

"Don't be envious, I will give you a flat peach for you to share."

"Thank you, General!"

In the Pantao Yuan, the Queen Mother and the Queen Mother of the West looked at each other, but they didn't say anything.

From what they saw just now, they also understood that Lu Ya was probably not Jinwu Lu Ya, and Di Jun's final bloodline was probably really ruined.

"I'm leaving. We'll meet again when we have the chance."

The Queen Mother of the West shook her head and decided to leave.

The news she heard today was a bit big. Besides, she didn't want to get involved in these things at all. The Queen Mother of the West decided to go back to West Kunlun and continue to be her home girl.

"Sister, you can come to Yaochi Wonderland again when you have time."

The Queen Mother smiled when she heard what Queen Mother Xi said.

The Queen Mother wished that all these powerful people would leave, so that Su Chen could only stay in Yaochi Wonderland, and these powerful people could not abduct Su Chen.

The daughters of the Holy Mother of the Golden Spirit They looked at each other and then stood up.

Our Lady of Golden Spirit saluted the Queen Mother and said, "Queen Mother, our sisters and brothers are leaving too. I'm sorry for disturbing you this time."

"Haha, don't be so polite. Yaochi Wonderland welcomes you at any time in the future."

"Thank you, farewell!"

All the girls in the Pantao Garden left one by one, and the Pantao Garden became quiet for a while.

The Queen Mother did not leave. She was still thinking about how Su Chen knew so many secret things. Su Chen asked Fairy Chang'e this time. So many questions, what does that bastard want to do?
