

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 16

Wang Yuyan stood in front of Wu Xiangjun's mansion for a while and then walked forward. She had no choice now. She ran away from home this time to meet her brother, whom she had never met before. Now she is here. , Wang Yuyan doesn't want to give up halfway.

The guard commander who was guarding the front of Wu Xiangjun's house saw a very beautiful woman coming to Wu Xiangjun's house and stepped forward and asked,

"Miss, this is Wu Xiangjun's mansion. Who are you looking for?"

"I'm here to see Wu Xiangjun. I'm her cousin Wang Yuyan. Can you go and inform me?"

"Miss, wait a moment, I will go and report now."

"Thank you."

At this time, Su Chen and Mrs. Wang were still talking. Now Su Chen couldn't leave even if he wanted to. He didn't expect that Mrs. Wang would be so verbose, and now she was telling Su Chen everything about his predecessor's childhood. This made Su Chen very speechless.

Su Chen also understood now that this Mrs. Wang was asking him to restore his memory. She could restore his damn memory. They were not the same person at all. If Su Chen could remember those things about his predecessor, That's what the hell happened.

Mrs. Wang took a sip of tea and asked expectantly, "Su Chen, do you remember anything?"

"Um, no, I don't remember it at all." Su Chen shook his head speechlessly and said.

Now Su Chen wants to leave here quickly. Su Chen is a little impulsive when facing this beautiful Mrs. Wang. He doesn't want to stay here anymore, otherwise something will happen soon. That's troublesome.

Su Chen knew that Mrs. Wang's mother was the Princess of Xixia and the actual person in power of Xixia, and she was probably a master of the Grand Master. If the Princess of Xixia knew what she had done to Mrs. Wang, she would probably Buried alive.

Mrs. Wang touched Su Chen's head and said comfortingly, "Forget it, maybe you will slowly remember it in the future."

Su Chen smelled the fragrance of Mrs. Wang's body and couldn't help but want to hug this beautiful Mrs. Wang.

The commander of the guards reported to Su Chen outside the door,

"I would like to report to your Majesty that there is a woman outside who claims to be your cousin, and is looking for you."

Su Chen said with some doubts,

"My cousin? I don't have a cousin. Do you know her name?"

"Your Majesty, that woman's name is Wang Yuyan."

When Mrs. Wang heard that it was her daughter, she immediately stood up and said,

"What? Yuyan is here. This girl actually escaped just to see you. I'm going to teach her a lesson this time."

Su Chen grabbed Mrs. Wang who was about to go out and said comfortingly, "Um, Aunt Li, don't be anxious now. Wait until Yuyan comes. Li De, go and let my cousin in."

"Yes, Your Majesty,"

Mrs. Wang said angrily when Su Chen pulled her to sit down.

"This girl, if she told me that she wanted to come to your place, how could I not allow it? Now she even secretly escaped from the house. Oh, I'm so angry."

"Aunt Li, anyway, Yuyan is here safely and nothing happened on the way, so there is no need to be angry."

"Alas, it's good that nothing happened to Yuyan. If Yuyan sees me here now, let's see if that girl is scared."

"Well, I think Yu Yan will be very surprised."

At this moment, Wang Yuyan came over under the leadership of the guards. But as soon as she came in, she saw a handsome young man and a woman who could only see her back. But when Wang Yuyan looked at this woman, she felt very They looked familiar.

Su Chen was also very surprised when he saw Wang Yuyan coming in. Although Su Chen knew that Wang Yuyan and Mrs. Wang looked very similar, he didn't expect that their mother and daughter looked so similar.

Now they look like sisters. , they are all very beautiful, I thought. If Mrs. Wang were younger, I am afraid they would be a pair of twin sisters. Su Chen was a little stunned when he looked at the plump and mature Mrs. Wang and the young and beautiful Wang Yuyan.

"Mom, why are you here?"

Wang Yuyan asked in surprise when she saw the woman turning around.

Mrs. Wang looked at the surprised Wang Yuyan and said with a straight face, "Why can't I be here? If it weren't for looking for you, you would be so bold now that you would dare to run away from home secretly. Wang

Yuyan lowered her head and whispered, "Mom, I also want to come to see my cousin. I'm afraid you won't agree to my coming to see my cousin if I tell you.""

Mrs. Wang came to Wang Yuyan and took her hand and said,

"How do you know I won't let you come if you don't tell me? Do you think your cousin Su Chen is that bastard Murong Fu? I don't let you have anything to do with Murong Fu. That's because Murong Fu has evil intentions. If you want to come to see your cousin Su Chen, how can I stop you from coming?"

Wang Yuyan said regretfully after hearing this, "Mom, I was wrong, please forgive me this time."

Su Chen saw that it was Wang Yuyan who was very beautiful and said to Mrs. Wang,

"Aunt Li, since cousin Yuyan is here safely, don't blame her. You all sit down and talk. Yuyan, you also sit down and drink some tea first."

Su Chen didn't expect that Wang Yuyan would also come to find him. Now he has become her cousin. When Su Chen thought of this cousin's name, he thought of Murong Fu. Now he doesn't know where Murong Fu is hiding. Yes. He will no longer be hiding in Xixia like in the TV series. Now Wang Yuyan has become his cousin. Although they are actually unrelated cousins, his predecessor was taken care of by Mrs. Wang after all. Su Chen may not recognize him now even if he doesn't want to.

"Thank you cousin."

Wang Yuyan said to Su Chen a little shyly when she saw Su Chen speaking for her.

Mrs. Wang asked Wang Yuyan seriously, "Yuyan, weren't you with that Duan Yu this time? Where is Duan Yu and others?"

"Mom, I was separated from Young Master Duan in the restaurant." Wang Yuyan said hurriedly when she saw her mother being so serious.

Wang Yuyan wanted to get rid of Duan Yu ever since she knew what he was thinking. This time when Duan Yu went to see the big man in the restaurant, Wang Yuyan left secretly. She didn't want that Duan Yu to get rid of him. Yu kept pestering her.

After hearing this, Mrs. Wang breathed a sigh of relief and said in warning,

"Huh, it's best to separate. Don't have any contact with anyone named Duan again. No one named Duan is a good person. Wang

Yuyan smiled and hugged her mother and said, "I know, mother, I just saw that Duan Yu had thoughts about me, so I left without saying goodbye.""

Su Chen was a little speechless when he looked at Mrs. Wang now. Now Su Chen couldn't figure out whether Mrs. Wang still had feelings for Duan Yu's fake father.

But it didn't care about his own affairs. Now Su Chen just wanted to take care of himself first. After he can practice martial arts, he will explore the world. Su Chen also wants to see the beauties in the world and some martial arts masters that he is interested in.
