

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 17

Mrs. Wang and Wang Yuyan also stayed at Su Chen's house. In the evening, Su Chen also found out that Su Yan had arrested Duan Yu and the others, which made Su Chen speechless.

However, Su Chen was also interested in Duan Yu's Lingbo Weibu and Beiming Divine Skills, as well as Dali's Yi Yang Finger and Six Meridians Divine Sword. Su Chen thought about it and wanted to get it.

Su Chen did not go to attack the Frightened Salamander at night that night. Now that the Frightened Salamander is the Grand Master, Su Chen felt that the Frightened Salamander would definitely not reject him this time, but Su Chen still had to do business first.

"Your Majesty, the Prince of Dali is detained here."

Su Chen, led by Gu Changfeng, went to a military camp where Duan Yu was detained.

"open cell"

""Yes, Your Majesty."

Su Chen asked, looking at the pretty boy tied to a pillar.

"You are Duan Yu, the prince of Dali, you turned out to be a pretty boy."

Su Chen looked at Duan Yu and wanted to kill him. Neither Duan Yu nor his fake father Duan Zhengchun was a good person. They were all heartless and

unjust people. Su Chen knew some things after Tian Long Ba Bu. , Su Chen also searched the Internet specifically. When

Duan Yu heard the general next to him calling this young man Wu Xiangjun, he thought that Wu Xiangjun was here to let him go this time.

"Mr. Wu Xiang, are you here to let me go? I didn't offend your daughter."

Su Chen looked at Duan Yu and said with a cold face,

"Not offended? How did I hear that you asked the guards to arrest my daughter to teach her a lesson?"

"I was just joking, Mr. Wu Xiang, I really didn't want to hurt the little princess."

"Come on, let's search him."

"Wu Xiangjun, what are you doing? Su

Chen saw that Duan Yu was nervous and said mockingly,

"do what? Duan Yu, you took something you shouldn't have taken, don't you remember? You've seen my cousin Wang Yuyan, so you should know what I'm talking about? Those martial arts secrets are not yours to get."

Duan Yu looked at Wu Xiangjun in surprise. He didn't expect that Wang Yuyan was Wu Xiangjun's cousin. Wu Xiangjun also knew about the martial arts secrets he had obtained in Wuliang Mountain.

"How did you know that I had obtained those martial arts secrets?"

Su Chen looked at the surprised Duan Yu and said coldly,

"I will naturally know what I want to know. Duan Yu, since you have practiced Lingbo Weibu and Beiming Shengong, cherish the last few moments. These martial arts secrets belong to Xiaoyao Sect."

"I believe you old monks in Tianlong Temple in Dali know the Xiaoyao Sect. I can tell you that the Xiaoyao Sect has at least four great masters, and there is

also one person who is in the realm of heaven and man. If you privately practice the martial arts of the Xiaoyao Sect, do you think you will die? deal?"

Duan Yu said in horror when he heard Su Chen's words,

"It's impossible. I just found these martial arts secrets in a cave. There was no one there at the time, and I didn't know that these were Xiaoyao sect's martial arts."

Su Chen watched Duan Yu continue to attack and said,

"Hey, are you still interested in a beautiful statue? Duan Yu, that beautiful statue is Wang Yuyan's grandmother. Her grandmother is a great master. Those martial arts secrets are not prepared for you. Do you think you are dead?. Gu Changfeng handed Su Chen the martial arts secrets found on Duan Yu,"

Your Majesty, these are the items found.""

Su Chen took it, looked at it, put it away and said,"Well, Lingbo Weibu and Beiming Shengong, Duan Yu, hand over the Six Meridians Divine Sword and Yiyang Zhi, I can let you go, otherwise I will Execute you."

Su Chen also saw the nude portrait in Beiming Shengong. He just looked at it and lost interest.

Although Li Qiu Shui looked exactly the same as Wang Yuyan and Li Qingluo, Su Chen knew that Li Qiu Shui's style was very chaotic. , he would not have any thoughts about this incompetent Li Qiushui.

Duan Yu immediately shook his head and said after hearing that Wu Xiangjun asked for the Duan family's secret book,

"Impossible. The One Yang Finger and the Six Meridians Divine Sword are the secret skills of our Dali Duan clan. There is no way I can hand them over to you."

Su Chen looked at Duan Yu and ordered coldly, "That's not up to you, Gu Changfeng. From now on, if the Prince of Dali doesn't write those martial arts secrets, he will kill one of the other four people every hour. one person"

"Yes, Your Majesty"

"Mr. Wu Xiang, you can't do this, it will cause a war."

Su Chen continued to threaten Duan Yu and said,

"It doesn't matter, Duan Yu, you have started to keep track of time now, and you'd better not write those martial arts secrets randomly. Since I know the martial arts of your Dali Duan family, I can also find someone to verify it."

"It seems that Duan Yanqing of the Four Evil Men is also from the royal family of your Dali Duan family. If you dare to write randomly, I will send people to the Taoist temple to arrest your mother first. I know where your mother is."

"No, you can't arrest my mother."

Su Chen continued to threaten Duan Yu when he thought of Dao Baifeng,

"Then write it down for me as soon as possible, otherwise don't blame me for being rude. I heard that your mother is very beautiful. Duan Yu, if you don't want your mother to be insulted, write down those martial arts secrets as soon as possible."

Su Chen feels like a villain now, but Su Chen doesn't care about what he is doing now. In this martial arts world where people kill people at every turn, Su Chen will not be a bad person, not to mention that here is a In Zong Wu's world, Su Chen doesn't care about good or bad people. Su Chen will find a way to get rid of anyone who threatens him.

"I write, I write."

After a while, Duan Yu wrote down the martial arts secrets of Yiyang Finger and Six Meridians Divine Sword.

Su Chen took these martial arts secrets and asked the system,"System, these martial arts secrets are true."

Su Chen didn't know if the system would answer him, but he just wanted to try it now to see if the system had such a function.

"Ding, host, these two martial arts secrets are true."

"System, what other functions do you have?"

"System, why don't you reply?"

"system? system? In my opinion, this subsystem is so awesome. It seems that I will slowly discover other functions of this system in the future."

"Mr. Wu Xiang, I have done everything you asked, can you let me go now?"

Su Chen now said to Duan Yu with some embarrassment,

"Duan Yu, I actually want to let you go now, but you were captured by my daughter. I don't dare to let you go privately now. You have to know that I am also a little afraid of my daughter. You just wait here for my daughter to deal with you. Bar."

Su Chen didn't expect that he would just threaten Duan Yu once and he would comply with everything. It's just that Duan Yu was captured by Su Yan. If he let this useless Duan Yu go now, I'm afraid

Su Yan would look for him often. She wants to compete in martial arts with herself, but she doesn't know any martial arts at all. Every time Su Yan asks her to compete in martial arts, it's because she offends her. Su Chen doesn't want to be defeated and embarrassed by Su Yan again.
