Chapter 1781

In the hall of the villa, Tang Sanzang and Sun Wukong were silent as Su Chen was taken away by the women Wudang Virgin. Although it was impossible for these human women to treat Su Chen like this, they all felt strange. Su Chen disappeared at first, but then he was brought back by the maid for no reason. If Sun Wukong had not checked that these women were not monsters or powerful gods, he might have thought that these women were waiting for them here. At this time, Zhu Bajie came to Tang Sanzang and said coquettishly,

"Master, this place is really nice, how about.....Otherwise we can stay."

Zhu Bajie originally just looked at the woman here lustfully, but when she saw the little daughter of this family, Lian Lian,

Zhu Bajie was attracted, especially the little daughter of this family, Lian Lian, who had a cold temperament.

He felt like Fairy Chang'e They are very familiar with each other. Although they have different looks, their cold temperaments are very similar.

Zhu Bajie still misses Fairy Chang'e.

The last time he stopped Fairy Chang'e in the heaven was for Su Chen, and he was demoted to the lower world because of Chang'e..Although this was the decision of the Human Religion and he could not object,

Zhu Bajie became more and more fond of Fairy Chang'e.

"What a nonsense, Amitabha!"

Tang Sanzang hurriedly scolded Zhu Bajie after hearing what he said.

Sun Wukong patted Zhu Bajie and said with a smile,

"Idiot, if you want to be the son-in-law of this family, you can stay. We will leave after tonight."

Sun Wukong felt that it was impossible for this family to recruit a pig-headed son-in-law.

Sun Wukong had previously thought that this woman had taken a fancy to his master Tang Sanzang and intended to keep Tang Sanzang as his son-in-law.

But after Su Chen arrived,

Sun Wukong discovered that the family's The mother and daughter were all interested in Su Chen, which made him feel a little funny.

However,

Su Chen's pretty face was longer and more handsome than Tang Sanzang.

As for Zhu Bajie, he was just being passionate, and

Zhu Bajie didn't even take a pee or look at him. Like a pig, a pig demon wants to be a home-based son-in-law. Zhu Bajie is crazy about women.

When Zhu Bajie heard Sun Wukong's words, he retorted in embarrassment,

"Brother Monkey, what are you talking about? If the master doesn't stay, how can I stay? I also want to protect the master as he goes to the West to learn Buddhist scriptures. Tang

Sanzang nodded when he heard Zhu Bajie's words and said, "Bajie, we are monks, how can we covet worldly things?" Don't say these words again"

"Yes, master!"

Zhu Bajie lowered his head and replied hurriedly.

Zhu Bajie was also very helpless.

He knew his mission, but he didn't want to protect Tang Sanzang when he went to the West to obtain scriptures.

Besides, after the human religion used him this time,

Zhu Bajie will be a Buddhist from now on.

The Human Sect will give up on him if he gets some merits from Heaven. Zhu Bajie has no hope in the Human Sect.

He can't go back to Heaven either. Zhu Bajie originally planned to go to the West to learn scriptures with Tang Sanzang, but they met here. For a woman with the same temperament as Chang'e, Zhu Bajie's turbulent heart had other thoughts.

Sun Wukong looked at Zhu Bajie and smiled.

He felt that Zhu Bajie definitely had no intention of giving up. This idiot would definitely go to the wife of this family to propose marriage.

Sha The monk shook his head and persuaded Zhu Bajie, "Second senior brother, we are under the guidance of Guanyin Bodhisattva to protect the master when he goes to the West to obtain scriptures. Don't think about other things."

"I understand. You can drink tea here. I'll feed the horse. The little white horse hasn't eaten all day."

Zhu Bajie stood up and walked outside.

He still wanted to try to see if he could be the son-in-law of this family. Zhu Bajie also missed his little daughter very much.

Sun Wukong looked at Zhu Bajie leaving and smiled strangely.

Tang Sanzang and Monk Sha thought that Zhu Bajie was embarrassed to stay, so he was looking for an excuse to let the horses go. Tang Sanzang and Monk Sha didn't care that Zhu Bajie left. At this moment, in the room in the backyard,

Su Chen heard that Wudang Virgin was still. When he was asked to issue an order, he shook his head helplessly.

He didn't know why Our Lady of Wudang insisted on letting him issue an order. Even if he issued an order, no one would obey it. Wasn't it a waste of efforts for Our Lady of Wudang?

Guanyin Bodhisattva and Chang'e, the three girls of Jiufeng, after they heard the conversation between Su Chen and Our Lady of Wudang.

They looked at Su Chen one by one and were very speechless.

Su Chen probably didn't know his power in heaven.

In heaven,

Su Chen was only a head shorter than the Heavenly Emperor Haotian, and this was because the Heavenly Emperor Haotian controlled the list of gods.

If the Emperor Haotian did not have the list of gods,

Su Chen in the heaven would probably be the emperor secretly. The mother of Wudang looked ugly when she saw that Su Chen had not spoken for a long time.

So he asked Su Chen,

"Su Chen, I just asked you to issue an order. Don't you want to help me with this small favor?"

Su Chen helplessly replied hastily,

"Help, I'll help, but I can't go to heaven now. How can I issue orders?"

Su Chen was also afraid that Our Lady of Wudang would be so angry that she would beat him. Besides, Our Lady of Wudang was pretty good to him, and this time he was not trying to save the disciples of Jie Jiao.

Su Chen was just giving a useless order, which would be detrimental to him. It doesn't matter. As for whether the gods in heaven will listen to his orders? That's not his business.

When Our Lady of Wudang heard that Su Chen agreed, she felt a little happy.

This bastard is not that good. It's unreasonable.

Mother Wudang originally wanted to torture this bastard for a few more days.

Now that this bastard has agreed, she doesn't have to stay with this bastard anymore.

"Haha, the Seven Fairies are outside. You can ask the Seven Fairies to go back and talk to the Queen Mother in a while. The Queen Mother can do the rest for you."

"Seven fairies? No wonder I feel familiar when I see people in red and green. You powerful people are so awesome that you didn't even notice that people in red and others have practiced before."

Guanyin Bodhisattva looked at Su Chen and said proudly.

"That is, our ability to change cannot be detected even by Sun Wukong's piercing eyes."

Su Chen shook his head and stopped thinking about this.

These women are all powerful quasi-sages, and Sun Wukong is also in the realm of golden immortal cultivation.

He couldn't see that.

Su Chen looked at the Wudang Virgin and reminded,

"Mother Wudang, I agree, I will tell the seven fairies to tell them to the Queen Mother"

"But we have to say well, I only ordered the Holy Mother of Jinling and Fairy Yunxiao to allow them to go down to the realm. The matter of intercepting the teachings has nothing to do with me. As for whether my order will work? I can't guarantee this either."

Our Lady of Wudang rolled her eyes at Su Chen and said with a smile, "No problem, as long as I have your order."

Who dares to disobey the order issued by this bastard in heaven?

From now on, with the orders issued by Su Chen, the Holy Mother of Jin Ling and Yun Xiao will have no reason why the Emperor Haotian wants to stop the Holy Mother of Jin Ling and Yun Xiao, not even the Emperor Haotian. Reason to use the God List to stop the Holy Mother of the Golden Spirit and the Lower Realm of Yunxiao

"Yaochi Divine General, Queen Pingxin asked me to give you a mount, I hope you can accept it later."

Chapter 1782

At this time,

Jiufeng saw that Su Chen only hesitated before agreeing to Wudang Madonna, and she also hurriedly told Su Chen about coming here.

Empress Pingxin told her that she wanted to be on good terms with Su Chen. Su Chen's attitude was crucial to whether the Wu Clan could reappear in the ancient fairyland in the future. Jiu Feng saw that Su Chen easily agreed to Wudang Madonna's request, and she felt that Su Chen should be an easy person to talk to.

"Mount? Jiufeng Great Witch, I don't need any mounts, why don't you take them with you?"

Su Chen's face turned dark when he heard Jiufeng's arrogant words.

Will Empress Pingxin give him a mount?

Is this 100% conspiratorial?

He doesn't want to have too much contact with Empress Pingxin, that crazy woman, and he doesn't want to have too much contact with the people of the Wu clan. Contact, those madmen who only know how to fight are not good birds.

When Jiufeng heard that Su Chen didn't want Empress Pingxin's mount, she glared at Su Chen angrily and shouted,

"Do you dare to disobey your mother's kindness?"

I guess!

It's his fault!

The sin of disobedience has been used?

Su Chen looked at Jiufeng and wished he could shut this beauty's mouth.

How could Jiufeng use disobedience to talk about him?

Is he a subordinate of Empress Pingxin?

Is he from the Wu Clan? Does

Jiufeng, a novice, know how to use words?

"Jiufeng, be careful what you say, this is not the Six Paths of Reincarnation."

"Jiufeng, if you dare to be rude again, I can only ask you to leave."

Guanyin Bodhisattva and Wudang Holy Mother heard Jiufeng's angry shouts, and their faces were very ugly.

Su Chen was theirs.

Jiufeng actually yelled at Su Chen in front of them, Guanyin Bodhisattva He Wudang's Holy Mother now wanted to drive away the great witch Jiufeng immediately.

Chang'e looked at Jiufeng and shook her head.

The witch clan is still so mindless.

The witch clan and the demon clan have declined, and the demon clan is still living in Luzhou, Beiju. Not daring to step out, the remnants of the Wu Clan are still living in the Six Paths of Reincarnation. Without the protection of Empress Pingxin, the Wu Clan may have died.

Human beings in the prehistoric fairy world are the protagonists of heaven and earth, and heaven and various saint sects control the Qi of the human race. It is impossible for the demon clan and the witch clan to reappear in the prehistoric fairy world.

Su Chen is a human race and an important figure in the heaven.

Behind Su Chen, there are five or six powerful quasi-sages protecting him.

Saints cannot appear in the prehistoric world..Su

Chen is the most powerful force in the ancient world of immortality.

If Jiufeng dares to speak to Su Chen like this, it is even more impossible for the Wu clan to reappear in the ancient world of immortality. When

Jiufeng heard the words of Guanyin Bodhisattva and Wudang Virgin, she suddenly thought The purpose of her arrival this time.

She wanted to make friends with Su Chen.

If she offended Su Chen at this moment,

Jiufeng would not only be unable to complete the mission of Empress Pingxin, but I am afraid that the Witch Clan would never reappear in the ancient world.

Jiufeng was embarrassed He looked at the women and said,"Don't get me wrong, I'm just angry that Su Chen didn't accept Empress Pingxin's kindness. I was the one who offended her just now."

Guanyin Bodhisattva said to Jiufeng expressionlessly,

"Jiufeng, Su Chen had no friendship with Empress Pingxin. Su Chen accepted Empress Pingxin's kindness, so forget about the mount. Su Chen now wants to go west to learn the scriptures, and he doesn't need a powerful mount."

Our Lady of Wudang warned with a cold face,

"Jiufeng, I also warn you, you Wu Clan can do whatever you want, but if you dare to catch Su Chen's attention, then don't blame us for being rude to you Wu Clan."

When Guanyin Bodhisattva and Wudang Holy Mother restored their appearance in Jiufeng, they discovered that Su Chen didn't know Jiufeng, the great witch at all.

This made them all relieved, but the arrival of the witch clan also made them very vigilant. , especially since the Wu Clan wanted to give Su Chen a mount.

This was the mount of the ancestor witch Houtu. They were all worried that the Wu Clan would plot against Su Chen.

"you....."

"Jiufeng Great Witch, I have said it before, I can't bear the mount of Queen Pingxin. If you come as a guest and make friends, we can sit down and talk calmly. If you come here with evil intentions, then please go back and forth from there. go."

When Jiu Feng was about to refute Guanyin Bodhisattva and Wudang Virgin, Su Chen interrupted Jiu Feng.

Although Su Chen was afraid of the crazy woman Ping Xin

, this is the fairy world. So what if Ping Xin is powerful?

She is Do you dare to go out to the six realms of reincarnation?

Ahem!

Damn, that crazy woman Pingxin seems to be able to go out to the six realms of reincarnation.

Otherwise, how could he have met that crazy woman Pingxin in the Shenyun Continent last time.

Jiufeng heard After Su Chen's words, she clenched her fists and felt very angry.

Damn humans, are you planning something evil?

She was planning something stupid.

If it weren't for Empress Pingxin's instructions, how could she come here to see this bastard? This bastard has no qualifications to be a Holy Mother. She agreed directly, and she came to give this bastard a mount. This bastard didn't even appreciate it, and was even worried about some conspiracy. Jiu Feng wished he could kill this weak human being with one punch.

However,

Jiu Feng thought of the words of Empress Ping Xin,

Su Chen can be said to be the only chance for the Wu Clan to return to the ancient world. If the Wu Clan wants to return to the ancient world, this bastard has a big say in it.

If he really offends Su Chen, the Wu Clan may not have any chance. opportunity to return to the ancient fairy world.

Jiu Feng took a deep breath and explained,

"Su Chen, I really have no hostility when I come this time. I am from the Wu Clan, and I will not mince words. Empress Pingxin just wants to give you a transportation mount. There are no other conditions attached at all, and she has no intention of plotting against you.."

I believe you!

There is no conspiracy?

How is this possible? I'm afraid that crazy woman Ping Xin hasn't given up on resurrecting other ancestral witches.

Su Chen doesn't believe that the witch clan doesn't have any conspiracy.

I'm afraid that crazy woman is going to do something else. , Su Chen doesn't want to be with that crazy woman anymore.

Although Empress Pingxin is very beautiful and elegant, that crazy woman is too dangerous.

Su Chen will not lose his life just for beauty.

"Jiufeng, do you believe what you say? Jiufeng nodded hurriedly and replied, "I believe that what I said is not wrong at all and there are no flaws.""

I guess!

Is this silly woman Jiufeng letting it slip? Is there any flaw?

That means some of what Jiufeng said is false?

Su Chen looked at the heroic Jiufeng and shook his head.

Jiufeng is a witch. The witch clan has only one soul, but the great witch Jiu Feng still inherited the Wu clan's lack of brains.

After Guanyin Bodhisattva, Wudang Holy Mother, and Chang'e heard Jiu Feng's words, they all rolled their eyes at Jiu Feng.

The great witch Jiu Feng looked like this. With their mellow and honest appearance, they were also a little bit dumbfounded.

Guanyin Bodhisattva thought about it and said to Jiufeng,

"Jiufeng, Su Chen doesn't need the mount now. How about this? The mount given to Su Chen by Empress Pingxin is sent back to Heaven by Su Chen's men. How about making plans after Su Chen comes back from studying in the west?"

Chapter 1783

Guanyin Bodhisattva didn't want to have a bad relationship with Jiufeng, and Jiufeng's honest and honest look made her not want to blame Jiufeng.

Although Guanyin Bodhisattva didn't know what the Witch Clan had planned for Su Chen,

Empress Pingxin couldn't escape the Six Paths of Reincarnation, and the rest of the Witch Clan wasn't afraid of her at all.

With so many quasi-sage powers protecting Su Chen, would the Wu clan dare to take action against Su Chen?

"Can!"

Jiu Feng thought for a moment and agreed.

She had no choice now.

If Su Chen really didn't accept Empress Ping Xin's mount, she couldn't force Su Chen to accept it.

This bastard is simply a punishment for not being a holy mother and for herself. If two people, damn bastard,

Jiu Feng thought that he would give this bastard a good beating if he had a chance in the future.

Su Chen looked at Guanyin Bodhisattva and shook his head.

He was going to object, but after thinking about it, he didn't come here. He refuted Guanyin Bodhisattva's face.

Besides,

Guanyin Bodhisattva didn't know what the crazy woman Pingxin did.

Su Chen promised Pingxin that she would forget what happened in Shenyin Continent. He didn't dare to tell Guanyin Bodhisattva these women. , if they angered that crazy woman Ping Xin, they would all be in trouble.

Su Chen helplessly said to Jiu Feng, "Jiu Feng, you can teach the mount to Hong Yi and the others later."

"Can!"

Jiu Feng rolled her eyes and Su Chen agreed.

At this time, everyone else looked at Chang'e. Chang'e was the only one here who didn't explain why she came to see Su Chen. They all wanted to know what Chang'e wanted to do with Su Chen. What?

Su Chen also looked at the cold Chang'e.

Why did this beautiful fairy Chang'e come to him? Is she trying to persuade him not to reveal what happened to Chang Xi?

When Chang'e saw the three girls of Guanyin Bodhisattva, they all looked at her. She, this made her feel very bad.

The information Chang'e said was of great importance. There was also Jiufeng from the Wu clan here. If Jiufeng knew that Chang Xi was not dead, then Ping Ping in the Six Paths of Reincarnation would Empress Xin would also know.

She frowned and said coldly to the three daughters of Guanyin Bodhisattva,

"Can you guys go out for a while? I have something to talk to Su Chen alone."

Guanyin Bodhisattva glanced at Chang'e and said coldly and arrogantly,

"Do you think that's possible?"

"I won't go out."

The great witch Jiufeng expressed her attitude more directly.

She was worried that Su Chen would be deceived by this demon clan.

This Chang'e was the great witch Houyi who had deceived their witch clan. If Su Chen was deceived by Chang'e again, they would Isn't it true that the Wu Clan can never live without the Six Paths of Reincarnation?

Our Lady of Wudang looked at Chang'e and mocked,

"Chang'e, we didn't go behind anyone else's back when we were talking to Su Chen just now. If you want to talk to Su Chen, you have to drive us away. Do you think the three of us will leave?"

Su Chen sat down and looked at the women, smiled and drank tea.

He didn't care about this.

These women are not fuel-efficient lamps.

If he accidentally said the wrong thing, he would definitely offend some of them. For the sake of his own life, it is impossible for Su Chen to express his opinions at this time.

"Senior, Zhu Bajie has always said he wants to see you."

At this time,

Ziyi came into the room and saluted Su Chen and Our Lady of Wudang one after another.

Guanyin Bodhisattva understood after hearing Ziyi's words that

Zhu Bajie really did not change his lust.

"Hum, that stupid pig has an impure mind. This time he must teach Zhu Bajie an unforgettable lesson."

Su Chen heard that Zhu Bajie wanted to see Wudang Virgin.

He looked at Chang'e and coughed and asked,

"Ahem, Zhu Bajie seems to have fallen in love with the daughter played by Fairy Chang'e. Fairy Chang'e, Marshal Tianpeng was demoted to the lower world. Does this have anything to do with you?"

Chang'e admitted directly with a cold face.

"good!"

"what is the reason?"

"Su Chen, you're asking too much."

"I'm curious, I'm just curious, is Zhu Bajie teasing the fairy again?"

"It's none of your business."

I guess!

This Chang'e is really too cold.

Even if such a woman is married and brought home, she will probably die of cold one day.

Su Chen is not going to ask anymore.

Since Zhu Bajie's demotion has something to do with Fairy Chang'e, this is probably the case. What kind of deal did the Human Cult make with Chang'e

? Otherwise, given Fairy Chang'e's quasi-sage cultivation level, if Zhu Bajie dared to tease Fairy Chang'e again, he would probably be slapped to death by the angry Chang'e.

Our Lady of Wudang smiled and told Ziyi, "Zi Yi, tell Zhu Bajie that I will go see him later."

"yes!"

After Ziyi left,

Fairy Chang'e looked at the other women who didn't intend to leave. She was also very embarrassed.

Chang'e looked at the other women and asked Su Chen coldly, "Su Chen, can I ask you for help? Take something?"

Su Chen took a sip of tea, shook his head and said with a smile,

"Can't!"

"Why?"

"You're asking too much"

"I'm just asking for something for you, why don't you agree?"

"Fairy Chang'e, it seems like it doesn't concern you whether I agree or not?"

Fairy Chang'e became ashamed and angry when she heard Su Chen's words.

This bastard was taking revenge on her.

These words of rejection were obviously what she just said. Su Chen must be because she didn't tell Zhu Bajie why she was demoted to the lower world. This bastard is naked. They were taking revenge on themselves.

Guanyin Bodhisattva, Wudang Holy Mother, and Jiufeng all heard that what Fairy Chang'e rejected just now was said again by Su Chen this time, which made them look a little funny.

"Su Chen, as long as you promise to give me ten drops of the Three Light Divine Water, I, the Taiyin Star, will owe you a cause and effect."

Su Chen was very surprised when he heard Chang'e's words.

How did Chang'e know that he had the Three Lights Divine Water?

Only Guanyin Bodhisattva and the other girls knew that he had the Three Lights Divine Water, and it was impossible for them to leak the fact that they had the Three Lights Divine Water. Go out, how did Chang'e know that he had the Three Lights Divine Water?

"Ten drops of Three Light Divine Water? I have some shitty three-light magic water. Fairy Chang'e, you've got the wrong person."

"I know you do, you don't have to pretend anymore."

When Fairy Chang'e saw that Su Chen wanted to admit it, she looked at Guanyin Bodhisattva and continued to talk to Su Chen.

Guanyin Bodhisattva saw Fairy Chang'e looking at her, which confused her.

She didn't tell anyone about Su Chen at all. There is the Three Light Divine Water, what does Fairy Chang'e mean when she looks at her? Our Lady of Wudang also looked at Guanyin Bodhisattva with doubts.

She also knew that Su Chen had the Three Light Divine Water, but it was impossible for Guanyin Bodhisattva to reveal that Su Chen had the Three Light Divine Water. , then why did Chang'e look at Guanyin Bodhisattva?

The great shaman Jiufeng looked at Chang'e and guessed doubtfully, why does Chang'e need the three-light divine water?

The three-light divine water is a healing medicine, especially it has a great effect on repairing the soul,

Chang'e She wasn't injured, so why did she need the Three Lights Divine Water?

"I don't!"

Su Chen also wondered why Chang'e looked at Guanyin Bodhisattva.

Su Chen believed that Guanyin Bodhisattva would not tell anyone that he had the Three Light Divine Water. Could it be that Fairy Chang'e was playing tricks on her?

"The twelfth-grade pure white lotus! Su Chen, don't you still admit that you possess the Three Light Divine Water?!"

Chapter 1784

After Fairy Chang'e told her about the twelfth-grade pure white lotus, the best innate spiritual treasure, she looked at Su Chen's surprised look, and

Chang'e showed a smile she had never seen before.

Will this bastard still quibble?

The white lotus of Guanyin Bodhisattva can evolve into the twelfth-grade pure world white lotus. This can only be done by the Three Light Divine Water. Although the breath soil of the Nuwa Empress also has this effect, will the Nuwa Empress help the Buddhist Guanyin Bodhisattva?

Fairy Chang'e sat leisurely drinking tea.

She didn't believe that at this time, the bastard still refused to admit it.

Su Chen and Guanyin Bodhisattva, Wudang Holy Mother, were stunned after hearing Fairy Chang'e's words.

Guanyin Bodhisattva's twelfth-grade Pure World White Lotus?

They have all forgotten this loophole.

Guanyin Bodhisattva's white lotus was previously an eighth-grade white lotus, but it will evolve into a top-notch innate spiritual treasure, a twelfth-grade pure world white lotus.

This must use the Three Light Divine Water.

They all guessed that Chang'e had the twelfth-grade Pure World White Lotus, and Chang'e knew that Su Chen had the Three Lights Divine Water.

Jiufeng looked at everyone in confusion, what happened to the twelfth-grade Pure World White Lotus?

It's just a top-quality innate spiritual treasure.

What does this have to do with the Three Light Divine Water?

Jiufeng looked at a few people and couldn't figure out why.

Su Chen looked at Chang'e, coughed and said,

"Hey, Chang'e, even if I have the Three Lights Divine Water, why should I give it to you?"

Chang'e hurriedly promised Su Chen, "I, the Taiyin Star, can promise you a cause and effect."

"Sorry, I don't need it, and the Sanguang Divine Water has been used up."

Su Chen shook his head and refused.

He was joking.

A Taiyin Star Karma wants to get ten drops of Three Light Divine Water.

How can it be such a good thing?

Three Light Divine Water is rarer than the best innate spiritual treasures. The Taiyin Star Karma is so valuable. ?

"you..... You are talking nonsense!"

"Um?"

"You must still have the Three Light Divine Water, Su Chen, I only want ten drops, I only want ten drops of the Three Light Divine Water"

"there is none left!"

"Bastard, how on earth are you going to give me ten drops of Three Light Divine Water?"

"If I said no, there would be no more."

Chang'e's chest was heaving because of Su Chen's anger.

She wants to strangle this bastard now, doesn't she?

This bastard is telling lies with his eyes open.

She doesn't believe that this bastard doesn't have the Sanguang Divine Water.

"You guys talk, I'll teach that Zhu Bajie a lesson!"

Our Lady of Wudang felt that there was nothing to see.

If Chang'e came to ask for the Three Light Divine Water, she would not worry that Su Chen would be deceived by Fairy Chang'e.

Guanyin Bodhisattva looked at Su Chen and smiled, and she did not intend to care about it. It's a matter of fact.

I'm afraid it's impossible for Su Chen to give Fairy Chang'e the Three Lights Divine Water. The Three Lights Divine Water is a divine object. Fairy Chang'e has nothing to do with Su Chen. It's impossible for Su Chen to give the Three Lights Divine Water to an unrelated person.

Guanyin Bodhisattva He hurriedly said to Our Lady of Wudang,

"Wudang, I'll go with you. Zhu Bajie is not determined to learn from the scriptures. This time, he must teach that pig a lesson."

"good!"

Jiu Feng saw that Guanyin Bodhisattva and Wudang Virgin were leaving, and she didn't want to stay.

Now that Jiu Feng knew what Chang'e was going to do, she didn't have to continue staring at Fairy Chang'e.

Jiu Feng hurriedly shouted, "I'll go too, I'll go too, Zhu Bajie can let me beat him, I just want to vent now."

After a while, the three girls of Guanyin Bodhisattva left the room.

Su Chen watched the three girls of Guanyin Bodhisattva leave.

He originally wanted to leave with him, but Fairy Chang'e stood in front of him in an instant. Su Chen couldn't leave even if he wanted to.

Su Chen looked at the beautiful and cold Fairy Chang'e in front of her and said with a smile,

"Fairy Chang'e, even if you stop me, I still don't have the Three Lights Divine Water. Chang'e stared at Su Chen and said in disbelief, "I don't believe it, Su Chen, how can you give me ten drops of the Three Light Divine Water?" You can mention whatever conditions you have"

"Really?"

Su Chen touched his chin and looked at Chang'e.

Fairy Chang'e is very beautiful, with long shawl hair, a curvy figure, and a delicate and beautiful cold face. The Moon Palace Fairy is indeed the Moon Palace Fairy.

Fairy Chang'e saw Su Chen looking at her shamelessly, and she beat and scolded Su Chen in shame and anger ,

"Shameless and obscene!"

"Ahem, I'm just looking at Fairy Moon Palace. Fairy Chang'e, please don't get me wrong."

"Shameless pervert, do you think I will believe you?"

Su Chen waved his hand and said to Chang'e,

"Fairy Chang'e, we don't need to be too pretentious. Do you want ten drops of the Three Lights Divine Water for Fairy Chang Xi?"

Su Chen also guessed that Chang'e might not want to use the Three Lights Divine Water.

The Three Lights Divine Water is a holy medicine for healing.

He also thought of Fairy Chang Xi.

Fairy Chang Xi did not die in the Lich War, so Fairy Chang Xi's situation should be the same. No. Otherwise

, it is impossible that Chang Xi has not appeared in the past hundreds of thousands of years.

Chang'e was shocked when she heard Su Chen's words. She did not expect that Su Chen would guess that Chang Xi wanted to use the Three Lights Divine Water.

Chang'e felt uneasy. Then he said to Su Chen,

"you.....Yes, Sister Chang Xi has not recovered from the injuries she sustained during the Lich War. In the past hundreds of thousands of years, I have not found the holy medicine for healing, so I want to ask for ten drops of the Three Lights Divine Water to save Sister Chang Xi.

Su Chen thought for a while and said to Chang'e, "Since it's Fairy Chang Xi who needs the Three Lights Divine Water for healing, I will give you ten drops of the Three Lights Divine Water.""

"real?"

"certainly"

"What are your requirements?"

"Request? If you can't do it, let Fairy Chang Xi come and talk to me from now on."

It is impossible to give Chang'e what Su Chen wants. Even Fairy Chang Xi may not be able to do it. What

Su Chen wants is the innate treasure Chaos Bell.

After the Lich War, the innate treasure Chaos Bell was also missing. Su Chen I just want to see if Fairy Chang Xi knows the whereabouts of the Chaos Clock.

"you.....snort!"

Chang'e was very angry when she heard Su Chen's words.

She was worried that this bastard Su Chen would catch Chang Xi's attention.

This bastard was a shameless pervert.

Chang Xi was even more beautiful than her. If Su Chen saw Chang Xi, Xi, I'm afraid this bastard has other intentions.

Su Chen poured out ten drops of the Three Light Divine Water from the jade bottle, and handed it to Chang'e and said,

"Here you go, these are ten drops of the Three Light Divine Water. Don't tell anyone about this, and don't go around saying that I have the Three Light Divine Water."

Chang'e took the three-light divine water and smiled.

She didn't expect that Su Chen would have so much three-light divine water. There must be at least dozens of drops of three-light divine water in the jade bottle.

Chang'e rolled her eyes when she heard Su Chen's words. He said slyly, "Give me another five drops of the Three Light Divine Water, and I will forget all about today's events."

Pa!

Su Chen slapped Chang'e.

He shouted angrily,

"You want to eat farts!"

Chang'e was stunned.

Su Chen dared to hit her?

Does this bastard want to die?

Chang'e suddenly burst out with a powerful aura and enveloped Su Chen.

"Su Chen, you are seeking death!"

"Holy shit! Misunderstanding, misunderstanding, I didn't mean it, it's me, Chang'e, don't mess around!"

Chapter 1785

Su Chen was confused after beating Chang'e.

He just acted subconsciously.

Besides, Fairy Chang'e looked so confident just now, which also made Su Chen very angry.

Su Chen gave Fairy Chang'e ten drops of Three Lights Divine Water, but Fairy Chang'e actually wanted five drops of Three Lights Divine Water before she would keep it a secret. This made Su Chen beat Chang'e without even thinking.

Su Chen saw Chang'e's angry outburst of powerful aura.

He was instantly controlled by Chang'e's aura.

Su Chen was worried that Chang'e would kill him in anger. Guanyin Bodhisattva and Wudang Virgin were not here, and this room was also isolated. Now it's impossible for Su Chen to ask for help.

At this time,

Su Chen saw Fairy Chang'e slowly raising a hand. Su Chen's expression changed instantly.

"Holy shit! Misunderstanding, misunderstanding, I didn't mean it, it's me, Chang'e, don't mess around!"

"Go to hell!"

Chang'e looked at Su Chen indifferently.

She was about to kill this shameless pervert with her palm.

This bold bastard actually dared to tease her?

Even! He even dared to hit her.

Chang'e thought that before the lich war,

She went to deceive Hou Yi without letting him touch her body.

This bastard did not want to regret his death.

Even if Chang'e killed this bastard now, it would not be enough to vent her anger.

Su Chen said hurriedly with a dark face,

"Wait, Fairy Chang'e, I am willing to give you three more drops of Sanguang Divine Water to apologize. I really did not do it unintentionally just now."

Su Chen has no choice now.

It's his fault this time.

Fairy Chang'e is so angry that she's about to lose her mind.

If he doesn't get rid of Fairy Chang'e quickly, I'm afraid his life will really be lost here.

Chang'e listen Su Chen hesitated for a moment.

After she regained some clarity, her face became very cold.

This bastard couldn't be killed.

Otherwise, the powerful quasi-sages like Guanyin Bodhisattva and Wudang Virgin would definitely avenge Su Chen. It would be better for her to die. It doesn't matter, but if she harms Chang Xi,

Chang'e will not forgive herself even if she dies.

"Five drops!"

"Okay, okay, five drops, five drops, let me go."

After Su Chen heard Fairy Chang'e bargaining, he breathed a sigh of relief.

As long as Fairy Chang'e doesn't kill him now, Su Chen also wants to save his life first.

"Adding the previous five drops to the five drops this time, there are a total of ten drops of Three Light Divine Water."

I'll join in!

Damn woman, this is obviously an attempt to take advantage of the situation.

Did he agree to the five drops of three-light divine water that Fairy Chang'e asked for just now?

Women are more shameless than men.

Fairy Chang'e is taking this opportunity to blackmail herself.

So is Su Chen. Helpless, he had to bow his head when he was under the eaves. Otherwise, Fairy Chang'e would not easily forgive him even if she didn't kill him.

"Um? Don't you agree?"

Chang'e looked at Su Chen without answering for a long time, and her expression became ugly. She raised a hand and threatened Su Chen.

Su Chen's face turned dark and he hurriedly replied, "I agree, agree, isn't it ten? Drop the Sanguang Shen Shui? I give, I give you."

What the hell!

Fairy Chang'e, a cold woman, can also threaten people, which Su Chen didn't expect.

Su Chen thought that Fairy Chang'e was just a stone girl.

She had no friends, no relatives, no emotions. Fairy Chang'e was just like a piece of stone. Cold stone.

Then, after

Su Chen gave Fairy Chang'e ten more drops of the Three Lights Divine Water,

Fairy Chang'e looked at Su Chen and said coldly,

"Also, you and I don't owe each other anything, and Chang Xi doesn't owe you anything either."

"Oh, got it!"

Su Chen nodded helplessly and agreed.

He was also speechless.

This was all due to his weak hands.

However, the feeling just now was really good, silky and smooth, and the sensuality was very exciting. , I don't think I'm at a disadvantage, right?

"Humph, you are not allowed to go to Taiyin Star in the future, otherwise you should understand the consequences."

"clear!"

"Here, here are the laurel tea and laurel cakes from Taiyin Star, as compensation for the Sanguang Divine Water you gave me."

"Thank you very much!"

Su Chen was very confused when he took the storage bag from Chang'e.

Chang'e actually gave him the laurel cake and laurel tea from the Taiyin Star. What happened to Chang'e? Could it be that Chang'e felt that she owed herself? Twenty drops Did the Three Light Divine Water make Fairy Chang'e feel embarrassed?

"snort!"

Chang'e looked at Su Chen's confused look and snorted coldly. She planned to exchange laurel tea and laurel cake with Su Chen for the Three Light Divine Water, but it's useless

now, but she didn't want to take advantage of Su Chen. Although this bastard teased her, he might use this bastard again in the future. Even for Sister Chang Xi, Chang'e didn't want to estrange the relationship with this bastard. Su Chen looked at Chang'e who snorted speechlessly. He hurriedly left the room. He didn't want to stay anymore. These powerful women were all crazy. Su Chen decided to practice hard in the future. He must become an immortal when he encounters the next disaster. Being too weak made him feel It's very bad. Su Chen also doesn't want to rely on the protection of those women anymore. Only his own strength is really powerful.

"Shameless pervert!"

When Fairy Chang'e saw Su Chen leaving quickly, she touched her butt and cursed angrily.

One night passed, the villa suddenly disappeared, and the Guanyin Bodhisattva and the Wudang Virgin were all there in the middle of the night. When it was time to leave,

Su Chen also received the best fairy wine, fairy fruit, and fairy tea brought by the seven fairies. The blue bird did not stay, so

Su Chen asked the seven fairies to take the blue bird away. There were three life-saving jade stones given by Guanyin Bodhisattva,

Su Chen As long as Chen didn't mess with the powerful quasi-sage along the way, his life would not be in any danger.

In the morning,

Su Chen was resting against a tree.

He looked at Tang Sanzang and the others who were at a loss and smiled. ,

Zhu Bajie was probably taught a hard lesson by the great wizard Jiufeng last night.

Now Zhu Bajie has not appeared,

Zhu Bajie may still be hanging somewhere.

"Amitabha, where is the villa? Wukong, why did the villa suddenly disappear?"

"Senior brother, did we encounter a monster last night?"

Tang Sanzang and Monk Sha woke up and found that they were resting on the grass. This made them very surprised.

They had obviously rested in the same room last night.

How come one night passed, the villa disappeared, and they all appeared in the wilderness. In the wild.

Sun Wukong looked around and said doubtfully, "I don't know either. The women in the villa are obviously ordinary human beings. I don't know why they disappeared along with the villa."

Tang Sanzang shook his head when he heard Sun Wukong's words.

He thought that as long as they didn't take action against them, whether they were gods or gods, those women probably had no hostility towards the four masters, disciples, and Su Chen.

"Where is Bajie? Why is Bajie missing?"

Chapter 1786

Tang Sanzang suddenly discovered that Zhu Bajie was not here, which made him very confused.

Sun Wukong, Monk Sha, and even Su Chen were here. Why was Zhu Bajie missing?

No, it seems that Zhu Bajie didn't come back to rest last night.

Where did Zhu Bajie go?

Sun Wukong and Monk Sha looked around one after another. They were also worried that something might happen to Zhu Bajie.

Although Sun Wukong knew that Zhu Bajie did not give up on the women in the villa and did not come back last night, the villa and the women disappeared. Zhu Bajie's absence also prevented him from guessing.

"Junior Brother Sha, let's look for him separately."

"Yes, senior brother!"

Su Chen raised his head and looked at Tang Sanzang and the others but didn't say anything.

He was still thinking about the Holy Mother Wudang, the Great Witch Jiufeng, and Fairy Chang'e. They all arrived at the same time.

The Seven Fairies came to give him fairy fruits and fairy wine. It made sense, after all, the relationship between the Queen Mother and him was extraordinary.

The arrival of the blue bird made him very confused.

The Queen Mother of the West kicked him away, so why did she let the blue bird protect her? This made him confused.

Still Yes, why did Our Lady of Wudang ask him to give orders?

Will there be immortals in heaven who obey his orders?

If so, it is because those immortals are doing it for the sake of the Queen Mother, but Holy Mother of Gold Spirit and Yunxiao want to go to the lower world, in this Buddhist gate. At the critical moment of traveling to the west to learn scriptures, Emperor Haotian would definitely not allow it, and Su Chen's order would probably have no effect at all.

The great witch Jiufeng and the Chang'e fairy Su Chen directly filtered them, one from the witch clan, and the other from the good corpse of Chang Xi. Their arrival is not a big deal. As long as Su Chen doesn't have too much contact with them in the future, he shouldn't get into trouble.

"Senior brother, come and save me!"

At this time,

Zhu Bajie's shout suddenly came from the distance.

Sun Wukong and Monk Sha hurried over. Tang Sanzang looked at Su Chen and walked over quickly.

"Go and see how miserable Zhu Bajie is.

Su Chen stood up and was about to take a look at Zhu Bajie.

He guessed that the great witch Jiu Feng should have beaten Zhu Bajie very badly. Jiu Feng left feeling refreshed last night. The ferocious witch clan was a body cultivator.

Jiu Feng might have If you punch him, you will blow yourself up. Even if Jiufeng shows mercy to Zhu Bajie, Zhu Bajie will probably not have an easy time.

"Brother Monkey, save me quickly."

At this time,

Zhu Bajie yelled hurriedly when he saw Sun Wukong arriving.

Sun Wukong looked at Zhu Bajie's miserable state and laughed and said, "Hahaha, Bajie, why are you hanging on the tree? He also looked bruised and swollen."

Zhu Bajie said miserably to Sun Wukong,

"Stop talking, Brother Monkey, those women last night were not ordinary people at all. They were the Guanyin Bodhisattva, the Wudang Holy Mother who intercepted the religion, the Jiu Feng from the Wu Clan, and the Fairy Chang'e from the Taiyin Star. I almost got beaten up last night, old pig, die."

At this moment,

Monk Sha arrived with support from Tang Sanzang.

He was very surprised when he heard Zhu Bajie's words. He did not expect that those women last night had Guanyin Bodhisattva. After hearing Zhu Bajie's words, Sun Wukong asked doubtfully, "I am Guanyin Bodhisattva. Lao Sun knows, who are Bajie, Wudang Madonna, Wu Clan Jiufeng, and Chang'e from Taiyin Star?"

"Brother Monkey, put me down first. All the bones in my body are broken. Put me down quickly."

"Wukong, put Bajie down first." Tang Sanzang looked at Zhu Bajie's miserable appearance and hurriedly said to Sun Wukong,

"OK, master!"

Su Chen was very funny when he saw that Zhu Bajie was not healthy anywhere, and even his nose was bruised and his face was swollen.

Zhu Bajie now looks like a roast suckling pig, oh no!

It's a big fat pig.

After Zhu Bajie was put down by Sun Wukong, he He looked at Su Chen and shouted,

"Su Chen, did you offend the great wizard Jiufeng last night? That crazy woman beat me and yelled at you, "Old pig, I've been implicated by you.""

Su Chen glanced at Zhu Bajie and mocked,

"Stupid pig, that was caused by your lustful mind. Guanyin Bodhisattva wants to test the Buddha's heart of the four of you, master and disciple. It's because you are not firm-willed, and you even want to stay and be your son-in-law. This is something you found yourself. Don't do it. Lazy on me. Tang

Sanzang scolded Zhu Bajie with an expressionless face, "Amitabha, Bajie, you must remember the lesson this time, or Guanyin Bodhisattva will punish you severely next time.""

"Yes, master, I, the old pig, have remembered it."

"Let's hit the road!"

"Yes, master!"

Tang Sanzang rode on the white dragon horse and headed forward under the leadership of Zhu Bajie. Monk Sha picked up the burden and hurriedly followed.

Sun Wukong and Su Chen followed slowly.

Sun Wukong scratched his head and looked at Su Chen doubtfully. Asked, "Su Chen, did you discover those people of Guanyin Bodhisattva yesterday?""

"good!"

"Then why didn't you tell me, Lao Sun?"

Su Chen said to Sun Wukong in a funny way,

"Don't you have piercing eyes? Haven't you seen the transformed body of Guanyin Bodhisattva?"

Sun Wukong was very embarrassed when he heard Su Chen's words.

He didn't notice the transformation of Guanyin Bodhisattva and those women last night.

If Zhu Bajie hadn't mentioned it just now, he would still have been kept in the dark.

"No, I, Lao Sun, checked yesterday and I didn't find any transformations of Guanyin Bodhisattva and others. Are Su Chen, Jie Jiao and the Wu Clan very powerful? What else is there in the lunar star?"

Su Chen patted Sun Wukong on the shoulder and said in a deep voice,

"Sun Wukong, the Great Immortal Realm is very big. You should slowly discover these things later. It would be boring if I told you about them. You will slowly understand the horrors of the Great Immortal Realm."

Su Chen walked forward as he spoke.

There was no way he could tell Jie Jiao and the Wu Clan what happened.

This monkey was still a pawn of Buddhism.

If Sun Wukong knew that there were countless beings stronger than him in the immortal world, this monkey would guess that he was bigger. Making trouble in the sky is a joke, and it is even possible to leave Tang Sanzang.

In this way,

Su Chen will be in big trouble.

Sun Wukong looked at Su Chen doubtfully and hurriedly followed.

He felt that what Su Chen said was the same as what he didn't say.

Sun Wukong didn't think so much anymore. What Su Chen said was right. Some things were interesting when he discovered them by himself.

More than a month later,

Tang Sanzang and his party arrived at the boundary of Wanshou Mountain.

Sun Wukong, who was exploring the way ahead, flew over quickly.

When he arrived, he said to Tang Sanzang, "Master, there is a Taoist temple ahead, and it is also a very big Taoist temple."

"Amitabha, this is a blessed land. Wukong, if there is a Taoist temple, let's go and stay there for a night."

"Yes, master!"

Su Chen looked at this familiar place and shook his head.

Zhen Yuanzi's ginseng fruit tree was going to suffer this time.

Su Chen couldn't understand why Zhen Yuanzi agreed to allow Buddhism to let Sun Wukong knock down his ginseng fruit tree?

Ginseng fruit The tree should be the object for Zhen Yuanzi to achieve enlightenment.

If the foundation of the ginseng fruit tree is destroyed, Zhen Yuanzi may not be able to attain enlightenment and become a saint in his lifetime.

"Wuguanzhuang? A house of immortal immortals, a Taoist house with the same longevity as heaven. What a domineering couplet."

Chapter 1787

In front of Wuzhuang Temple, the four masters and disciples of Tang Sanzang were very puzzled when they looked at the huge Taoist temple. When they saw the couplets in front of Wuzhuang Temple, they all felt that the master of Wuzhuang Temple was too loud.

Squeak!

At that time, the gate of Wuzhuang Temple opened, and two little Taoist boys walked out of Wuzhuang Temple.

When Tang Sanzang's masters and disciples saw the little Taoist boy coming out, they were ready to come forward to talk and want to stay overnight.

However, the two little Taoist boys did not look at Tang Sanzang and his disciples at all. They passed by Tang Sanzang and his disciples and walked toward Su Chen.

Qingfeng and Mingyue walked to Su Chen and saluted hurriedly, "Qingfeng and Mingyue, I have met the Yaochi Divine General."

Su Chen waved his hand and said with a smile,

"Qingfeng and Mingyue, long time no see. Where is your master? Why didn't you come out to greet me?"

"Divine General, I went to Yuanshi Tianzun to discuss Taoism and asked the Divine General to atone for his sins."

"It's okay. Since your master is not here, forget it. I will stay in your temple for one night today."

"God will invite!"

Su Chen didn't expect Zhen Yuanzi to be called by Yuanshi Tianzun.

So Zhen Yuanzi's ginseng fruit tree was pushed down, which was also the plan of Yuanshi Tianzun.

Yuanshi Tianzun had not asked Zhen Yuanzi to discuss Taoism, but Tang Sanzang. When the master and apprentice arrived, he called over. There was no conspiracy here and even Su Chen didn't believe it.

I'm afraid Zhen Yuanzi knew that the ginseng fruit tree was knocked down, and he was also very helpless.

Two saints from the West.

Yuanshi Tianzun who explained the religion.

These Zhen Yuanzi It is impossible to offend Zhen Yuanzi. I am afraid that Zhen Yuanzi can only knock out his front teeth and swallow it in his stomach.

At this moment,

Tang Sanzang's masters and disciples saw the little Taoist boy being so polite to Su Chen, and they were all very speechless.

Along the way,

Su It was like Chen was traveling around the mountains and rivers, and was captured by a monster.

The monster did not dare to offend Su Chen, and even served him delicious food.

Qingfeng passed by Tang Sanzang and asked, "The eminent monk came from Dongtu University." Tang is here?"

Tang Sanzang hurriedly called the Buddha's name and replied, "Amitabha, this poor monk came from the Eastern Tang Dynasty."

"Eminent monk, my master has told me that when the eminent monk comes, he can stay in the temple for one night."

"Thank you so much for being the viewer."

Subsequently,

Qingfeng Mingyue brought Tang Sanzang's master and apprentice and Su Chen into Wuzhuang Temple.

Tang Sanzang saw that Wuzhuang Temple only worshiped heaven and earth, and did not worship the gods at all.

Tang Sanzang was very confused.

Tang Sanzang saw Sanzang was confused and asked Qingfeng and Mingyue,

"You two Taoists, why are the Taoist temples not dedicated to the Three Pure and Four Emperors and the gods of Luotian, but only to heaven and earth?"

When Mingyue heard Tang Sanzang's words, she said arrogantly, "Eminent monk, the Three Pure Ones and the Four Emperors are my master's friends, and Jiuyao Xingjun is my master's junior, so I can't worship him."

"Ha ha....."

Sun Wukong laughed when he heard Mingyue's words.

He felt that the Taoist boy was bragging. Why were the three pure and four emperors friends of their master? Lord Jiuyaoxing is their master's junior? Sun Wukong has never been heard of.

When Zhu Bajie heard Sun Wukong's laughter, he asked in confusion,

"Brother Monkey, what are you laughing at?"

"Bajie, I thought I, Lao Sun, would only make trouble, but it turns out these two Taoist boys are even better at telling lies."

"Wukong, don't be rude!"

"Yes, master!"

Tang Sanzang felt that Sun Wukong was too ignorant.

They only came to Wuzhuang Temple to stay overnight. If

Sun Wukong yelled like this, if he angered these two Taoist boys, they would not let them stay here. , the four of them, the master and the apprentice, may have to sleep in the open again.

Su Chen curled his lips and ignored these things.

Sun Wukong will be taught a lesson for his arrogance in the future. Su Chen is now thinking about saving the ginseng fruit tree in Zhen Yuanzi?

What if ? If he saves the ginseng fruit tree by himself, then Buddhism and Yuanshi Tianzun will probably notice him as a little person. This is very uneconomical for Su Chen. Su Chen thinks it is better to keep a low profile before he grows up.

Su Chen said to Qingfeng next to him Mingyue then ordered, "Qingfeng Mingyue, find me a room. I want to retreat and break through.""

"General, please come with me!"

After Qingfeng Mingyue heard what Su Chen said, Qingfeng next to her hurriedly said to Su Chen.

Su Chen looked at Tang Sanzang and Sun Wukong and said, "Monk, Sun Wukong, I want to retreat to achieve breakthrough, you don't have to worry about me."

"Amitabha, then I wish God will make a breakthrough naturally"

"Understand, understand, just go into retreat."

Tang Sanzang and Sun Wukong didn't say much about Su Chen's retreat. Su Chen was a cultivator, so it was not surprising for them to break through in retreat.

In a room in Wuzhuang Temple,

Su Chen was planning to break through and achieve success. It has been more than a month since he was an immortal.

Su Chen has been practicing while traveling. He has now reached the critical point. To break through and become an immortal, he has to survive a catastrophe.

Su Chen sat down and smiled and said, "The time is just right, Sun Wukong." Pushing down the ginseng fruit tree, he was in the process of seclusion and breakthrough. If he came to Zhen Yuanzi, he wouldn't blame himself for not stopping Sun Wukong."

Su Chen immediately closed his eyes and prepared to break through. After the breakthrough, he flew into the air and began to cross the heavenly tribulation.

At night, in Wuzhuang Temple, the plot happened as it should have happened. Sun Wukong not only stole the ginseng fruit, but also connected the ginseng fruit tree. It was also pushed down.

Qingfeng Mingyue looked at Tang Sanzang and his disciples angrily and locked the door.

They did not expect that Tang Sanzang and his disciples would secretly eat the ginseng fruit. They even pushed down the ginseng fruit tree after being scolded a few times. The ginseng fruit tree was their master. The object of enlightenment.

Now that the ginseng fruit tree has been pushed down by Sun Wukong, their master may not be able to attain enlightenment in his lifetime.

Qingfeng angrily shouted through the door,

"Let me tell you, if it weren't for the face of Yaochi Divine General, your master would not be qualified to eat ginseng fruit."

"And you not only ate the ginseng fruit, but also pushed the ginseng fruit tree down. You don't have to leave. When our master comes back, you will be ready to wait for punishment."

Tang Sanzang looked at Sun Wukong and asked anxiously,

"Wukong, what should we do?"

Tang Sanzang also complained very much to Sun Wukong.

Sun Wukong not only stole ginseng fruits, but even knocked down other people's ginseng fruit trees. Tang Sanzang also had nothing to say to Sun Wukong and his three disciples.

Sun Wukong smiled and said,

"Master, don't worry, this door can't trap us. I will take the master away in a moment. Zhu

Bajie looked at the lock that locked the door and asked, "Brother Monkey, this lock is a magic weapon. Can you open it?"

"A small lock, this is not a problem for my grandson." Sun Wukong looked at it and said nonchalantly.

Tang Sanzang thought of Su Chen and hurriedly said to Sun Wukong, "Wukong, what should I do with the Yaochi general?"

"Master, nothing will happen to that boy Su Chen. The little Taoist boy here is very respectful to Su Chen. Nothing will happen to Su Chen. He will follow us after Su Chen breaks through."

"Amitabha, this is good, this is good."

Chapter 1788

In Wuzhuang Temple,

Su Chen knew nothing about the outside world.

However, although Su Chen knew these things,

Su Chen still guessed some things wrong.

This time, Zhen Yuanzi had no intention of hiding the ginseng fruit for Tang San.

Zhen Yuanzi He also knew that Su Chen was also in the scripture-seeking team, and

Zhen Yuanzi also asked the boy to give Tang Sanzang a ginseng fruit for Su Chen's sake.
boom!

At this time,

Su Chen's body suddenly erupted with a powerful aura, which was a hundred times more powerful than Su Chen's previous aura. The immortal cultivator and the real immortal were indeed in the same heaven and on the earth.

Su Chen opened his eyes and said with a smile,

"I finally made a breakthrough, and the next step is to overcome the heavenly tribulation. As long as I survive the heavenly tribulation, I will be a true immortal."

Whoosh!

Su Chen appeared directly in the sky hundreds of miles away from Wuzhuang Temple.

At this moment, the sky had begun to change.

Huge lightnings pierced the night sky, and a huge momentum enveloped Su Chen.

Boom boom boom.....

In the sky, there was a deafening roar, and black thunder and lightning continued to gather in the dark night sky.

The Queen Mother of Heaven,

Fairy Chang'e of Taiyin Star,

Queen Pingxin of the Six Paths of Reincarnation and the Great Witch Jiufeng,

Queen Mother of the West in West Kunlun,

Guanyin Bodhisattva in the Purple Bamboo Forest of the East China Sea,

Our Lady of Wudang in Lishan Mountain, and the Holy Mother of the Golden Spirit and the Great Witch in the prehistoric fairyland. Fairy Yunxiao, these powerful women who were related to Su Chen, they immediately sensed that Su Chen was going to survive the catastrophe and become an immortal.

In the fairyland of Yaochi, the Queen Mother smiled when she looked at Su Chen's image.

Su Chen was finally going to become an immortal.

As long as Su Chen became an immortal,

Su Chen would be able to use the cultivation resources in Yaochi in the future. The best innate spiritual fruit, the flat peach, was also available to Su Chen. It can be used for practice.

By then,

Su Chen will become stronger and stronger.

The seven fairies were also very happy to see that Su Chen was going to become an immortal.

However, the catastrophe that Su Chen crossed seemed to be very powerful. They didn't know whether Su Chen could survive the tribulation.

Cheng Yi looked at Su Chen in the image and asked a worried question, "Empress, can the divine general survive the catastrophe?"

The Queen Mother nodded and said affirmatively,

"Don't worry, that bastard has a lot of treasures on him, and he will definitely be able to survive the catastrophe."

The Queen Mother looked at Su Chen in the image.

She took out the best innate spiritual treasure, the Western Plain Cloud Flag, and patted it gently. The Western Plain Cloud Flag disappeared in an instant.

Lunar Star,

Chang'e looked at the Lingbao The image in her eyes widened, and she suddenly discovered that the heavenly tribulation that Su Chen crossed was actually the Nine-Nine Heavenly Tribulation, which is the most powerful heavenly tribulation.

If Su Chen can survive the heavenly tribulation, then Su Chen not only has great potential, Even the strength will be greatly improved.

At this time, a cold voice came to Chang'e's ears, "Chang'e, this Su Chen is not simple."

Chang'e heard Chang Xi's words, she looked at the video and said coldly, "Sister Chang Xi, Su Chen is a shameless pervert."

"Chang'e, you are wrong. If Su Chen was a pervert, do you think the Queen Mother, Guanyin Bodhisattva, Wudang Virgin, Queen Mother of the West and other powerful powers would be friends with Su Chen?"

"Sister, are you saying that Su Chen is pretending in front of me? He doesn't want to be involved with our Lunar Star?"

"I don't know, but to be able to have powerful women like the Queen Mother and Guanyin Bodhisattva surround Su Chen, I'm afraid Su Chen is not simple at all. You have to pay attention to these."

"I understand, sister!"

"Well, I'm going to retreat to heal."

After Chang'e heard Chang Xi's words, her face became very ugly.

Chang'e felt that she had been deceived by that bastard.

Su Chen definitely didn't want to get too entangled with Taiyin Xing, so that bastard kept pretending to be a bastard in front of her. Stupid.

Even when that bastard spanked her last time,

Chang'e guessed that Su Chen probably provoked her deliberately to keep herself away from this bastard. After thinking about it, Chang'e took out the best innate spiritual treasure, the Moon Jing Chakra.

"Su Chen, you owe me one more time, Yue Jing Lun, for helping that bastard survive the catastrophe."

West Kunlun, the Queen Mother of the West smiled when she looked at Su Chen in the Kunlun realm,

Nine-Nine Heavenly Tribulation!

Su Chen's potential is really huge, that little pervert seems to be starting to grow.

"Kunlun Realm, go and help Su Chen."

In the Purple Bamboo Forest in the South China Sea,

Guanyin Bodhisattva patted the twelfth-grade pure world white lotus in her hand, and the twelfth-grade pure world white lotus disappeared from her side.

Ninety-nine heavenly tribulations!

She did not expect that Su Chendu's heavenly tribulation turned out to be ninety-nine. Heavenly Tribulation,

Crossing Heavenly Tribulation cannot help, Guanyin Bodhisattva can only let Su Chen use the spirit treasure to resist the attack of Heavenly Tribulation.

Lishan, Wudang

Holy Mother looked at Su Chen and sighed,

Nine-Nine Heavenly Tribulation ,

I am afraid that Su Chen will become more and more powerful in the future.

Is this good or bad for Jiejiao?

Our Lady of Wudang took out her Qingping Sword given by the Master of Tongtian and said,

"Su Chen hopes that he will not be an enemy in the future, and Qingping Jian will help that bastard once."

On a large mountain in the prehistoric fairy world,

Our Lady of Jinling and Yunxiao watched Su Chen going through the ninety-nine tribulations.

They looked at each other and each took out their magic weapons.

It was very dangerous for Su Chen to go through the ninety-nine tribulations. Jin Ling Sheng Sheng and Yun Xiao didn't want anything to happen to Su Chen.

The Four Elephant Tower and Hunyuan Jindou disappeared in front of them in an instant.

Six Paths of Reincarnation,

Ping Xin and Jiu Feng were also very surprised when they saw that Su Chen was going to survive the ninety-nine tribulations. A human being can survive ninety-nine heavenly tribulations. This is greater than the potential of innate creatures.

"Help that bastard for once!" Pingxin looked at Su Chen and took out a ruler and threw it towards Su Chen.

Jiufeng was surprised when he saw the Xuanhuang Sky Measurement Ruler and said,

"The Xuanhuang Heavenly Ruler, empress, you are not going to give the acquired treasure, the Xuanhuang Heavenly Ruler, to that bastard, are you?"

"It depends on whether Su Chen dares to ask for it." Empress Pingxin smiled and said to Jiufeng,

Empress Pingxin hopes that Su Chen can accept the Xuanhuang Heavenly Measurement Ruler, but that bastard is very cunning. I am afraid that

Su Chen will not want the Xuanhuang Heavenly Measurement Ruler, which is the acquired treasure, no,

That bastard didn't dare to ask for it.

Su Chen was very wary of her. Empress Pingxin guessed that Su Chen would not accept her kindness.

In the sea of blood, after Ming He found out that Su Chen was about to undergo a catastrophe, he felt very sad. He was so surprised, ninety-nine tribulations?

This is the most powerful tribulation.

How could Su Chen's potential be so great?

After thinking about it, Ming He took out a bloody lotus platform.

He thought that no matter what, Su Chen was his daughter's lover. , and may even be his son-in-law in the future, Ming He cannot watch Su Chen go through such a dangerous catastrophe.

Ming He took the bloody lotus platform and threw it out and said, "Twelve-grade Karma Fire Red Lotus, go help that boy."

In the prehistoric fairyland, all the quasi-saints and powerful men have discovered the heavenly tribulation that Su Chen is about to overcome.

These quasi-saints did not expect that Su Chen would overcome the ninety-nine heavenly tribulations.

This is the most dangerous tribulation among the heavenly tribulations.

Some The quasi-sage is preparing to see how Su Chen is wiped out by the Nine-Nine Heavenly Tribulation

"What the hell is this? Why do you look so powerful? Can I survive it safely?"

Chapter 1789

Su Chen looked at the terrifying thunder that was still gathering in the sky.

This frightened Su Chen.

Could he survive such a powerful thunderstorm? I'm afraid that any lightning strike could kill him.

Damn it, are you trying to kill yourself?

Damn it, how could I survive such a devastating thunderstorm?

Others who have become immortals have never heard that thunder tribulation can be so terrifying. Isn't this Heaven's law specifically targeting you?

Boom boom boom boom.....

At this time, thunder tribulation began to strike down

"I'll do it! Sky-swallowing magic jar, stop me!"

Su Chen hurriedly took out the Tiantian Milling Jar from the system space.

He didn't know if the Tiantian Milling Jar could block it, but now he can only act like a dead horse.

Boom boom boom.....

After the first lightning tribulation struck down, the sky-swallowing mill jar above Su Chen's head resisted the thunder tribulation's attack.

Su Chen looked at the thunder tribulations in the air and didn't know how many there were. He quickly took out the ghost face mask and put it on his face. He also held the Sea Ding Needle in his hand.

Boom boom boom.....

Then, thunder tribulations struck down one after another.

Su Chen felt that these thunder tribulations were more powerful than the last.

If the thunder tribulations continued to increase in power, he might really die from these terrifying thunder tribulations.

Five hundred miles away, the four masters and disciples of Tang Sanzang were also frightened by the thunder tribulation in the sky, especially Sun Wukong.

When he found out that it was Su Chen who had overcome the tribulation, his monkey face immediately turned red. Three-nine heavenly tribulations, but what Su Chen experienced was ninety-nine heavenly tribulations. He did not expect that Su Chen had so much greater potential than him.

Tang Sanzang asked in horror at the terrifying thunder calamity in the sky,

"Wukong, what's going on? Why is God angry?"

Sun Wukong said with a complicated expression,

"Master, this is Su Chen overcoming the heavenly tribulation. As long as Su Chen survives the heavenly tribulation, he will become an immortal."

"Heavenly catastrophe? How could the catastrophe be so terrifying? Will God be able to survive such a horrific catastrophe?"

"I have no idea! Zhu

Bajie looked at the sky and yelled, "Good boy, Su Chen is about to go against the will of heaven. However, I'm afraid Su Chen is going to be doomed. It will not be easy to survive the Nine-Nine Heavenly Tribulation."

Monk Sha shook his head when he heard Zhu Bajie's words and said,

"Second Brother, it is impossible for anything to happen to the Yaochi God General. Don't forget the powerful quasi-sages Guanyin Bodhisattva and the Queen Mother behind the Yaochi God General. They cannot watch Su Chen fall here."

Zhu Bajie was very speechless when he heard Monk Sha's words.

He had just forgotten the powerful women behind Su Chen. Those powerful women had the best innate spiritual treasures in their hands. It was impossible for those women to watch Su Chen being raped. Thunder Tribulation is extinguished

"Damn, you are right. Guanyin Bodhisattva, the Queen Mother in the Heavenly Court, the Queen Mother of West Kunlun, and the Wudang Holy Mother of Jiejiao. It is indeed impossible for those women to watch something happen to Su Chen. Junior Brother Sha, I'm afraid we will have to see the best innate spirits in a while. Treasure"

"Um!"

Heavenly Court,

Lingxiao Palace,

Heavenly Emperor Haotian stared at Su Chen who had gone through the heavenly tribulation. His face now is very ugly. In the short five hundred years since Su Chen came to Heavenly Court, his status in Heavenly Court has already He was about to be replaced by Su Chen. With Su

Chen's previous order,

Holy Mother Jin Ling and Fairy Yun Xiao were able to go to the lower realm unimpeded. No immortal in the entire heaven had ever blocked Holy Mother Jin Ling and Yun Xiao.

Emperor Haotian received the news at that time. His face turned dark.

He originally wanted to use the Conferred Gods List to recall Holy Mother Jin Ling and Yun Xiao, but he had no reason to recall her.

Holy Mother Jin Ling and Yun Xiao were ordered to go to the lower world, and Emperor Haotian had no reason to punish Holy Mother Jin Ling and Yun Xiao.

One Little scumbag,

I hope this thunder tribulation kills that bastard.

Emperor Haotian looked at Taibai Jinxing next to him and asked, "Taibai, do you think the Yaochi God General can survive the catastrophe?" Taibai

Jinxing hurriedly bowed to Emperor Haotian and said, "Emperor of Heaven, without the powerful help of God General Yaochi, it would be absolutely impossible for God General Yaochi to survive the ninety-nine tribulations of heaven.""

"Mighty? Will the powerful Guanyin Bodhisattva and the Queen Mother help the Yaochi general?"

"Emperor of Heaven, this is very possible. Avalokitesvara Bodhisattva and the Queen Mother are closely related to the divine generals. They will not watch the divine generals be struck to death by lightning."

Taibai Jinxing looked at Heavenly Emperor Haotian and shook his head.

Heavenly Emperor Haotian has no power in Heavenly Court. Since Su Chen came to Heavenly Court, Heavenly Emperor allowed Sun Wukong to cause trouble in the sky, and all the immortals in Heavenly Court basically fell to his side. Yaochi Immortal Palace.

In the Heavenly Court, the orders in the Yaochi Immortal Palace are more effective than the orders of the Heavenly Emperor in the Lingxiao Palace. If the Heavenly Emperor Haotian didn't have the God List and the Divine Whip, he would even be the Heavenly Emperor canonized by the Tao Ancestor.

Maybe Su Chen is in the Heavenly Court now. The new Emperor of Heaven.

If Su Chen can survive the Nine-Nine Heavenly Tribulation this time, then no one can shake Su Chen's power in Heaven.

Emperor Haotian shouted with a gloomy face,

"Guanyin Bodhisattva, Queen Mother, Our Lady of Wudang, Our Lady of Golden Spirit, Fairy Yunxiao, and even Queen Mother of the West, why do they care so much about a little scumbag?"

"As the Emperor of Heaven, I don't even have a quasi-sage master in my hands. The strong men of various saint sects in Heaven are even more disobedient. As an Emperor of Heaven, am I no better than a little scumbag?"

Taibai Jinxing hurriedly saluted the Emperor Haotian and said,

"The Emperor of Heaven calms down!"

The Heavenly Emperor Haotian stood up and shouted angrily,

"Calm down? How do I calm down? Could it be that one day Yaochi God General Su Chen came and forced him to abdicate?"

"Emperor of Heaven, you are the Emperor of Heaven who was personally canonized by Taozu. No one dares to force the Emperor of Heaven to abdicate."

"Ridiculous, if Su Chen controls the heaven, I will be a puppet emperor. What is the difference between this and abdicating the throne?"

Taibai Jinxing lowered his head and didn't know how to answer the Emperor of Heaven.

However,

Taibai Jinxing also admired Su Chen very much.

A little scumbag who was not yet an immortal actually controlled the entire heaven in just five hundred years.

In the Heavenly Court, whether they were disciples of Jie Jiao or disciples of Chan Jiao, they never dared to disobey Su Chen's orders.

Several quasi-sage strongmen of Jie Jiao had a close relationship with Su Chen, and none of Jie Jiao's disciples would dare to disobey Su Chen 100% of the time. Chen's order.

And the Antarctic Immortal Emperor of the Chan Sect also has a friendship with Su Chen, and it is impossible for the disciples of the Chan Sect to disobey Su Chen's orders. The remaining casual cultivators in the heaven are even more afraid to disobey Su Chen's orders. ,

Taibaijinxing felt that if Su Chen became the Emperor of Heaven, he would probably be much more powerful than Emperor Haotian, and Heavenly Court would be the true ruler of the entire three realms.

Emperor Haotian looked at Taibaijinxing with his head lowered and shook his head.

He gritted his teeth when he looked at Su Chen who was going through the Heavenly Tribulation. Emperor Hao really hoped that this little scumbag would be struck to death by the Thunder Tribulation.

"Damn it, is this over yet? Aren't there thirty-six ways of heavenly tribulation? This guy is already forty years old. Isn't it true that Heaven will not stop until he kills him?"

Chapter 1790

Su Chen's face turned dark when he saw the thunder tribulations in the sky that had not dispersed.

He heard that there were only thirty-six transitional tribulations, but he had already passed through forty thunder tribulations, but not only did the thunder tribulations in the sky not dissipate, , and the power of terror is getting stronger and stronger.

This is his!

Could it be that Tiandao saw that he was a stowaway and was preparing to destroy him?

Damn, if you die, you will die, but God will not make things easier for you!

Su Chen looked into the air and cursed loudly.

"Tiandao, what the hell, are you willing to kill me before you kill me? These are his forty thunder tribulations, and the promised thirty-six thunder tribulations, are you displeased with me?"

Boom boom boom.....

As soon as Su Chen cursed, a thick thunderbolt struck Su Chen hard in the air.

Holy shit!

This guy really pissed off Tiandao.

Su Chen's whole body was covered in black by the thunder tribulation.

Although the Tiantian Mill Can blocked most of the attacks, the thunder tribulation still hit his body.

If Su Chen hadn't been wearing a grimace mask and holding a sea-fixing needle, I'm afraid Su Chen would have been beaten to pieces.

When the women who were paying attention to Su Chen heard Su Chen yelling at Heaven, their faces turned black.

They didn't expect that Su Chen didn't know about the Heavenly Tribulation, the Three-Ninth Heavenly Tribulation, and the Sixty-Ninth Heavenly Tribulation. , Ninety-Nine Heavenly Tribulations, these should be common sense among immortal cultivators.

How did this bastard Su Chen become an immortal?

This bastard doesn't even know the basic common sense of cultivating immortals. Will this bastard be laughed to death by the powerful people in the ancient immortal world?

In the heavenly court, the Seventh Fairy in red asked the Queen Mother with a confused look on her face, "Your Majesty, the general doesn't know the common sense of cultivating immortals?"

"That bastard, how does he practice?"

The Queen Mother was also very angry. She didn't expect that Su Chen didn't even know about the Nine-Nine Heavenly Tribulation. This bastard even more idiotically cursed Heaven. This bastard is really tired of living.

"Madam, what should we do now?"

"Alas, don't worry, Guanyin Bodhisattva and I and the powerful spiritual treasures are by Su Chen's side. If Su Chen can't hold on, those spiritual treasures will help Su Chen resist the thunder disaster."

In the lunar star,

Chang'e just took a sip of tea and spit it out.

She looked at Su Chen in surprise and was stunned.

What was Su Chen doing?

Dare you scold Heaven?

Is he tired of living?

Jiujiu There are eighty-one heavenly tribulations, and that bastard has only passed forty.

How can he say he wants to go through thirty-six heavenly tribulations? Does that bastard Su Chen not know that he is going through ninety-nine heavenly tribulations?

Six paths of reincarnation Here,

Empress Pingxin burst out laughing after hearing Su Chen yelling at Heaven.

"Haha, is that bastard going to laugh me to death? Jiufeng, have you seen that bastard Su Chen doesn't even know about the Nine-Nine Heavenly Tribulation? I'm afraid that bastard doesn't understand the basics of cultivating immortals at all."

Jiufeng's face turned dark and he shook his head and said, "Mother, I'm afraid this is true. Su Chen must not understand the common sense of cultivating immortals.'"

"This time Su Chen is going to make Tiandao angry, and soon that bastard will suffer."

"Madam, will something happen to Su Chen?"

"No, Su Chen has seven or eight top-quality innate spiritual treasures around him, and those women will not let Su Chen be hacked to death."

Lishan, the Holy Mother of Wudang stood up angrily with a cold face.

Su Chen's ignorance made her really angry. She didn't even know for ninety-nine tribulations. Could it be that that bastard only knows those things when he hangs out among women every day? Is this a disgusting thing?

In the prehistoric fairyland, the Golden Spirit Mother and Yun Xiao were also dumbfounded by Su Chen.

They also did not expect that Su Chen would seek death like this.

He would actually think that there were only thirty-six ways of the Nine-Nine Heavenly Tribulation, and even resist. When he reached the 40th level, he even cursed Tiandao. Holy Mother Jinling and Yunxiao were also very speechless towards Su Chen.

In the sea of blood,

Ancestor Minghe heard Su Chen's curse words about Tiandao.

His face was so black that he wanted to slap Su Chen to death. ,

"Ignorant boy, this is really an ignorant boy."

Heaven, in the Lingxiao Palace,

"Haha, good scolding!"

The Emperor Haotian heard Su Chen yelling at Tiandao, which made him very happy.

The Emperor Haotian thought that if Su Chen pissed off Tiandao,

Su Chen would be dead this time.

The Emperor Haotian also didn't think of Su Chen. Being so ignorant, he didn't know about the ninety-nine heavenly tribulations, and

Su Chen actually thought that there were only thirty-six heavenly tribulations. It seemed that Su Chen was no longer worthy of his attention in the future.

At this moment,

Sun Wukong and others heard Su Chen's curse words. Everyone was stunned.

Su Chen actually cursed Tian Dao?

And because Tian Dao chopped him too many times?

Thirty-six thunder tribulations?

Who told Su Chen that there were only thirty-six thunder tribulations? Ninety-nine heavenly tribulations. There are eighty-one thunder tribulations.

Zhu Bajie patted his confused pig head and asked Sun Wukong,

"monkey.....Brother Monkey, is Su Chen dead this time?"

"possible!"

Sun Wukong was also very confused.

He didn't expect Su Chen to be so ignorant.

Sun Wukong thought he was just a daring monkey, but he didn't dare to scold Tiandao.

Su Chen was still awesome.

That idiot even scolded Tiandao now. Su Chen might be killed by Heaven in a short while.

Zhu Bajie looked at Su Chen and shouted,

"Oh my god, this is the person I have seen who was stupidly killed by me to survive the heavenly tribulation. Su Chen didn't know about the ninety-nine heavenly tribulations? Didn't those powerful people tell Su Chen this common sense?"

Monk Sha shook his head and said,

"Second Senior Brother, do you still need to tell me this? Those cultivators who don't know that heavenly tribulations are divided into three-nine heavenly tribulations, sixty-nine heavenly tribulations, and ninety-nine heavenly tribulations."

"Hey, Su Chen doesn't know!"

"Forehead! When I didn't say it."

Monk Sha was speechless for a moment.

Su Chen really didn't know about the Heavenly Tribulation.

The Nine-Nine Heavenly Tribulation Association thought that there were only thirty-six thunder tribulations. This was also the first ignorant cultivator he met.

At this time ,

Su Chen felt that Tian Tian Mo Guan could no longer hold on.

He had now survived forty-eight thunder tribulations.

Su Chen didn't know how many more thunder tribulations there were to come, but the thunder tribulations in the air were becoming more and more powerful and terrifying. , if the Tiantian Milling Can persists, I am afraid that the Tiantian Milling Can will be broken into pieces.

Damn!

What should we do now?

I don't know how many heavenly tribulations there are.

Su Chen is also helpless.

The way of heaven must be split. Are you willing to die yourself?

Boom boom boom.....

In the air, a thick black thunder struck down again.

Su Chen looked at the Tiantian Mill Jar in his hand and hurriedly put it away. The Heaven Swallowing Mill Jar could no longer withstand the thunder calamity.

Whoosh!

The twelfth-grade Pure World White Lotus suddenly appeared on Su Chen's head.

Su Chen held the Dinghai Divine Needle and prepared to resist the thunder calamity. When he saw the twelfth-grade Pure World White Lotus, he laughed.

"Ha ha....., Tiandao, if you continue to chop, I am not afraid of you now."
