

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 18

Wu Xiangjun's Mansion

Su Yan and Wang Yuyan are talking in the garden now. Now that Su Yan has Wang Yuyan who knows everything, she has been pestering Wang Yuyan to explain the martial arts to her every day these days.

Su Yan asked doubtfully while sitting on the chair,

"Aunt Yuyan, you know so many martial arts secrets and also know how to practice, why don't you practice martial arts?"

"I don't like practicing martial arts, so I don't practice martial arts." Wang Yuyan said to Su Yan with a smile while making tea.

Wang Yuyan did not expect that the little girl she met in the restaurant was actually her cousin's daughter. This made Wang Yuyan very happy.

She liked this pretty and cute girl very much in the restaurant. The little girl, and her friends A'Zhu and A Bi are not in trouble now, and they are still Su Yan's maids, which makes Wang Yuyan very happy.

Wang Yuyan also likes Su Chen's daughter very much now, Su Yan is not only well-behaved She is cute and likes to talk to her very much.

It's just that her mother is too cold. Although Su Yan's mother is very beautiful, she doesn't like to communicate with other people. She talks to Jingyu every time. There was nothing left to say, which made Wang Yuyan feel a little embarrassed every time she saw Jing Salamander.

Su Yan hurriedly said after hearing Wang Yuyan's words,

"Aunt, this is not possible. My father's meridians are blocked and he cannot practice martial arts. Although I have started practicing martial arts now, I am too young. My mother won't let me practice martial arts now. Now I can only lay the foundation. If you can practice martial arts, can't you protect me? My dad?

Wang Yuyan asked in surprise, "Huh?" Is your father's meridians blocked? I do not know how? Why didn't my mother tell me?"

Wang Yuyan did not expect that Su Chen's meridians were blocked and he could not practice martial arts. You must know that Su Chen is Wu Xiangjun. He will lead troops to fight in the future. If he does not know martial arts, then Su Chen's situation will be very dangerous.

Su Yan's eyes After turning around, he smiled at Wang Yuyan and said morning,

"Maybe I don't want you to worry, aunt, why don't you just practice martial arts. My father has captured the Murong family's martial arts Dou Zhuan Xing Shift and Mixed Finger. These are first-level martial arts."

Su Yan thought that Wang Yuyan knew all kinds of martial arts very well. If she could practice martial arts, then Wang Yuyan would definitely be a martial arts master in the future. In this way, there would be one more person to protect her father, Su Chen.

Wang Yuyan smiled and said to Su Yan said,

"Haha, Su Yan, my Langhuan Paradise also has many martial arts secrets. When my mother brings the Langhuan Paradise martial arts secrets from Mandala Villa, you will know that there are many martial arts secrets."

"Then aunt, do you want to learn martial arts?"

"My cousin doesn't know martial arts, so I will learn martial arts to protect him."

Su Yan happily hugged Wang Yuyan and shouted,

"Haha, great, aunt, my father has a kind of red fruit. If you eat it, you can gain thirty years of martial arts power. In this way, you may become a martial arts master very quickly.

Wang Yuyan was surprised after hearing Su Yan's words and said, "Cousin, does he still have Zhu Guo like this?" Then I have to ask my cousin for it"

"Yuyan, what do you want for your brother?"

When Mrs. Wang came to the garden, she heard that her daughter wanted something for Su Chen. She was curious and asked,

"Mother, you are here"

"Aunt Li, you are here, come and sit down."

Mrs. Wang felt helpless when she heard the little girl Su Yan call her that. She corrected Su Yan several times, but this naughty little girl just couldn't change it. Now Mrs. Wang is too lazy to care about this little girl.

Wang Madam hugged Su Yan, sat down and said with a smile, "Yan'er, how many times have I told you that you want to call me aunt."

Su Yan lay in Mrs. Wang's arms and smiled and said,

"Haha, Aunt Li, how could I call you aunt when you are so young and beautiful? If Aunt Yuyan hadn't been here, I would have called you Aunt."

Mrs. Wang was very happy and nodded Su Yan's forehead and said,

"You little girl is just sweet-talking, much better than your mother. Your mother knows how to practice all day long and doesn't care about you. Look how

crazy you are now. Now everyone in Gusu City knows that you are a little girl. Witch."

Mrs. Wang also likes her current life very much now. She feels the warmth of the past here. Now she has no intention of returning to Mandala Villa. Anyway, the two people she cares about now, Yu Yan and Su Chen, are here. There is nothing she can't let go of.

Now she is in charge of Wu Xiangjun's mansion. Su Chen doesn't have a housekeeper here. The maids here are pretty good, but there is some chaos in the mansion. Mrs. Wang can't stand it. Taking the initiative to manage.

Su Yan clenched his fist and said angrily, "Aunt Li, I didn't cause trouble everywhere, I just dealt with those evil people who bullied men and dominated women."

Mrs. Wang touched Su Yan's head and said with a smile,

"I know that you are still too young. You should not go out often in the future. Now the Beggar Clan is going to hold a Beggar Clan meeting in Xingzilin, twenty miles outside Gusu City. There are many martial arts people coming to Gusu City these days. You Just stay in the house from now on."

Su Yan asked Mrs. Wang with some doubts.

"Aunt Li, why did the Northern Beggar Clan come to the Southern Beggar Clan to hold a Beggar Clan meeting? Are the northern and southern beggar gangs going to merge?"

Mrs. Wang also said with some doubts,

"I don't know. Anyway, the leaders of the North and South Beggar Clan are coming this time. Qiao Feng from the North Beggar Clan and Hong Qigong from the South Beggar Clan may have something to discuss this time, but this

matter has nothing to do with our Wu Xiangjun Mansion. There is no need for us to get involved."

Wang Yuyan asked anxiously when she saw that it was so late and she had not seen Su Chen.

"Mom, where is my cousin? It's so late, why haven't I seen anyone yet? Mrs. Wang looked at Wang Yuyan's worried look and said,"He went to the military camp and won't be back today. You and Yan'er don't have to wait for him.""

When Wang Yuyan heard that Su Chen was not coming back, she said to A'Zhu and A Bi next to her,

"That's it, let's take a rest. It's already very late now. A'Zhu, you and A Bi take Yan'er to have a rest."

"Yes, cousin."

A'Zhu and A Bi smiled at Wang Yuyan and took Su Yan back. A'Zhu and A Bi did not expect that Wang Yuyan was Wu Xiangjun's cousin. Now that Wang Yuyan is here, A'Zhu and A Bi Bi was not worried that they would be threatened by that hateful Lord Wu Xiang. When

Mrs. Wang saw Su Yan being taken away, she looked at Wang Yuyan and said,"Yuyan, do you like that boy Su Chen?""

"Mother, me....."

Wang Yuyan is blushing now and doesn't know how to answer her mother. She kind of likes Su Chen. Wang Yuyan has always wanted to meet this cousin she has never met since she wrote letters to Su Chen when she was a child.

Now she is very satisfied to see Su Chen. Su Chen is as handsome and talented as she imagined.

Mrs. Wang smiled, took Wang Yuyan's hand and said softly,

"If you like it, you like it. There's nothing wrong with that. Although Su Chen has a wife, you also know that his current wife is just a woman who only knows how to practice."

"Now I still help her manage the house. Mom will not object to your liking Su Chen, but you have to think carefully and don't regret it later."

"Mom, I know"
