Chapter 1851

Su Chen looked at Taishang Laojun and gave him the final message.

The war against the human race was about to end.

The prehistoric saints could not reach the prehistoric fairyland, and Su Chen would not be polite to these saint sects.

But now is not the time to start a war with the Saint Sect.

If there is no information revealed by Tiandao, Su Chen will also deal with the Saint Sect this time.

But the information revealed by Tiandao is a bit big.

The quasi-sage powers in the prehistoric fairy world are not yet able to kill each other. It is no problem to kill one or two. If the quasi-sage powers in the prehistoric fairy world are consumed too much, it will be very detrimental to the prehistoric fairy world..

Realm war?

What kind of realm war is this?

In addition to the Wild World and the Western God Realm,

Su Chen received a warning from Heavenly Dao that the demonic world from outside the realm would invade the Immortal Realm.

The Starry Sky must step up its military defense. Those demonic realms from outside the realm may invade the Immortal Realm at any time.

Taishang Laojun's face was very ugly when he heard Su Chen's words.

He did not dare to underestimate the Emperor Su Chen now.

Su Chen was decisive in his killing!

Suof daring!

Su Chen is fearless and domineering?

Through this war, all the monks and immortals of the human race were slaughtered, the human emperors were killed, and the disciples of the saint sect were arrested.

Even the Emperor Su Chen did not even look down on the Taoist ancestors. The emperor Su Chen was so powerful in the prehistoric fairy world. , has reached an unprecedented height in the prehistoric fairyland. The former Heavenly Emperor Haotian and the Heavenly Emperor Dijun are not as good as the Heavenly Emperor Su Chen.

I am afraid no one in the prehistoric fairyland dares to oppose the order of the Heavenly Emperor Su Chen.

Taishang Laojun thought that the human race's most precious treasure, the Kongtong Seal, was now in the hands of Nuwa.

The third ancestor of the human race is of little use to the Human Religion. Even if the third ancestor of the human race continues to be imprisoned, the luck of the Human Race may not increase.

Besides, all the saint sects in the prehistoric fairy world also know that the human religion has imprisoned the three ancestors of the human race.

The human religion has lost face in the prehistoric fairy world this time, and other saints may also be wary of the human religion.

Even alienate people from religion.

Thinking of this, Taishang Laojun communicated with the original body, the saint Laozi, that this matter must be decided by the original body.

Su Chen looked at the good corpse of the original saint and said coldly,

"The original saint, if Guangchengzi doesn't want him to die here, hand over the Immortal Killing Sword, the Immortal Absolute Sword, and the Immortal Trapping Sword of the Four Swords of Zhuxian, otherwise the acting headmaster of Chanjiao will be killed."

Su Chen thought of the first sword formation in the prehistoric world, the Zhuxian Sword Formation.

The formation map was obtained from Duobao Tathagata.

He had also obtained the Zhuxian Sword a long time ago.

The remaining three swords of Zhuxian were still in the hands of the Human Cult and the Chan Cult. Here, Su Chen planned to exchange Guangchengzi. A useless Guangchengzi could exchange for the other three swords of the Zhuxian Sword Formation.

This was a very good deal.

The good corpse of the original saint said expressionlessly,

"The Immortal Killing Sword is no longer teaching!"

"That's a matter for you to explain. I only want the other three swords of the Four Swords of Zhu Xian. Do you want to exchange them?"

"Change!"

"Original Saint, you only have half an hour. After half an hour I don't see the other three swords, Guangchengzi will be executed."

"Can!"

The good corpse of the original saint nodded and agreed. Su Chen was a little surprised to hear that the original saint agreed without hesitation. However, Su Chen thought that the original saint had always been very partial to Guangchengzi. The original saint could
Such a happy agreement. This is also being cleaned up. Su Chen looked at the two Buddhist saints and said indifferently,

"The Second Sage of Buddhism, this time Buddhism has disrespected the emperor and must be punished. I will not take action against the Tathagata Many Treasures again, but the Long-eared Dingguang Immortal and the twelve Dinghai Divine Pearls must be handed over."

When Zhunti and the good corpses who were escorted heard Su Chen's words, they all showed ugly expressions. They did not expect that Su Chen would punish the Buddhists. Isn't this a slap in the face of the Buddhists?

Zhunti said with a serious face, "Amitabha, Emperor of Heaven, have you passed this punishment? Buddhism has not offended Heaven. Did Heaven do this to hurt Buddhism?"

"pass? I don't think that this emperor's coming to quell the rebels against the human race has anything to do with you Buddhists? If Buddhism does not want to be trapped in Xiniu Hezhou in the future, or even be annihilated by the heavenly army, Saint Zhunti, you should think carefully before answering."

Jie Yin grabbed Zhunti and said to Su Chen,

"Amitabha, Buddhism agrees, the Long-eared Dingguang Immortal and the twelve Dinghai Divine Pearls will be sent immediately"

"I am waiting!"

The Ancient Burning Buddha next to him had a livid face.

He did not expect that the Second Saint of Buddhism would agree to Su Chen's request. Didn't this mean that he would give away the twelve Dinghai Divine Pearls? The

Ancient Burning Buddha looked at Su Chen , and then looked at the two Buddhist saints. He couldn't afford to offend any of these people. He couldn't keep the twelve Dinghai Divine Pearls no matter what.

Su Chen didn't pay attention to the unlucky guy of the Randen Ancient Buddha.

He looked at the Tongtian Cult Master. Su Chen was very speechless. He originally wanted to blackmail Tongtian Cult Leader once more, but

Tongtian Cult Leader was even more miserable than Huang Long, the Sanwu Daoist from Chan Cult. Huanglong was famous for having no spiritual treasures, no disciples, and no victories. Tongtian and Sanwu Daoist Huang Long is basically the same now.

After a while, the third ancestor of the human race was sent over.

Su Chen did not talk to the third ancestor of the human race. The good corpse of Nuwa Empress left directly with the third ancestor of the human race.

Su Chen also let Xuandu go. Great Master, if you don't kill Xuandu today, it doesn't mean you won't kill him in the future. Xuandu and Duobao are both destined to die.

Later,

Chanjiao taught the other three swords of the Four Swords of Zhuxian, and the Buddhist sect also escorted Long-eared Dingguangxian. Come over, the Ancient Buddha of Ran Deng also handed over the twelve Dinghai Divine Pearls with a sad face.

"People teach and explain the teaching. From now on, Heaven will be my emperor's heaven. I don't want to see disciples of the Teaching and Explaining in the Heaven anymore. If I find out that you have hidden disciples in the Heaven, I will destroy East Kunlun and Shouyang. The same is true for mountains and Buddhism"

"snort!"

The faces of the good corpses of Taishang Laojun and other saints are very ugly, but the situation is stronger than the people.

Their saint sect really cannot afford to offend Su Chen.

There are no saints in the prehistoric fairy world. Even if they unite, they will not be able to do anything." There are too many quasi-sages in heaven's opponents.

When Su Chen saw that people from the Human Sect, Chan Sect, and Buddhism had all left, he looked at the long-eared Dingguang Immortal who was caught by the Wudang Virgin and shook his head. The Long-eared Dingguang Immortal was specially begged by

Su Chen for the Wudang Virgin, the Golden Spirit Virgin, and the Yunxiao Fairy. They hated this traitor to the core. Su Chen was also an adult beauty this time.

"Listen to the human race in the prehistoric immortal world, this emperor is the emperor of the heaven in the prehistoric immortal world, and also the human emperor of the human race."

"It doesn't matter if you don't recognize me as the Human Emperor. I never wanted you to recognize me."

"but!"

"The Human Emperor Fuxi and several other Human Emperors led the 50 million troops of the human race to rebel against heaven. Although this emperor executed all the human races who rebelled against heaven, the human race had to punish them."

"From today on, for a hundred years, the human race will no longer be protected by the ancient heaven, and the immortals in the prehistoric fairyland will no longer protect the human race."

Chapter 1852

Su Chen's announcement to the human race in the prehistoric immortal world made the entire human race very panic.

If the human race is no longer protected by heaven and the prehistoric immortals, it will be very difficult for the human race in the future.

Natural and man-made disasters!

Monsters and monsters!

The human race will have to face these in the future. Without the protection of heaven and immortals, can the human race face these alone?

Su Chen also wanted to punish the Human Race.

He understood the Human Race better than others.

The Human Race was too thoughtful, the Human Race was insidious, the Human Race had endless desires, and the Human Race was capricious.

Su Chen knew all these clearly.

Su Chen From now on, we will not tolerate the human race.

If the human race dares to rebel, we will destroy them.

Su Chen looked at the quasi-sages on the battlefield and ordered,

"All the quasi-sages will follow me to the Lingxiao Palace in Heaven, and the Great Desolate United Army will return to Heaven to stand by."

"Yes, Emperor of Heaven!"

At this moment,

Tongtian Cult Leader's Good Corpse looked at Su Chen leading everyone away, and he stood in the air in confusion.

Tongtian Cult Leader's Good Corpse did not expect that Su Chen ignored him. Was he being ignored by Su Chen? ?

A saint was ignored like this?

At this time,

Our Lady of Wudang appeared next to Tongtian holding the Long-eared Dingguang Immortal.

She looked at Tongtian and saluted, "Teacher, this is the Long-eared Dingguang Immortal. I will leave it to the teacher." Disposal."

Tongtian Cult Master looked at the Long-eared Dingguang Immortal who was slumped on the ground.

He looked at the Wudang Holy Mother and asked with a complicated expression,

"No mistake, did the teacher make a mistake before?"

"teacher....."

"Tell the truth and I won't blame you."

After Our Lady of Wudang bowed to Tongtian, she told the leader of Tongtian Cult,

"Teacher, you should not have allowed Jie Jiao disciples to leave Heavenly Court before, and you should not have allowed Jie Jiao disciples to betray Su Chen."

"Teacher, do you know that although Su Chen didn't say anything about helping to rebuild Jie Jiao, I can tell that Su Chen will help me, Senior Sister Jin Ling, and Junior Sister Yunxiao to rebuild Jie Jiao."

"Even the Jie Jiao disciples who are controlled by the Conferred God List, Su Chen will lift this restriction. The Jie Jiao disciples in the heaven no longer need to rely on incense to practice. The Jie Jiao disciples can start practicing again with spiritual energy in the future."

"The Jie Jiao disciples are willing to be loyal to Su Chen not because they want to betray their teacher. This is what the Jie Jiao disciples owe to Su Chen. Except for those disciples who rebelled, the remaining Jie Jiao disciples are very respectful and loyal to their teacher. I hope Teachers should not resent their disciples."

Tongtian Cult Master had an expression of regret on his face when he heard the words of Holy Mother Wudang.

If he had asked the disciples like Holy Mother Wudang first, such a thing would not have happened today. It was all his fault, Jie Jiao The disciples did nothing wrong

"I understand, Wudang, the teacher was wrong before, told other disciples, the teacher will not resent them, alas! You can take care of yourself from now on."

Tongtian Cult Master sighed, and he disappeared in front of Our Lady of Wudang with the Long-eared Dingguang Immortal.

When Wudang Reverend Mother saw Master Tongtian disappear, she saluted in the air and disappeared.

In the Lingxiao Palace of Heaven,

Su Chen sat with many quasi-sages, the Queen Mother, the Golden Spirit Mother, the Yunxiao Fairy, the West Queen, the Chang'e Fairy, the Guanyin Bodhisattva, the Wudang Mother, the Great Witch Jiufeng.

Zhen Yuanzi, the Minghe Patriarch, Zhulong, and the Fengdu Emperor, Tianfeng, the three great witches of the Wu clan, the four demon saints of the demon clan, and Su Chen's sister, the ruthless empress, and even Chang Xi and Hou Tu were sitting here.

Su Chen looked at Xu Chen who was sitting there. After many quasi-sages became powerful, he said with a serious face,

"Everyone, today's war is over, but the war in the future will also begin."

"I believe you have also heard of the Realm War. On the battlefield of Fire Cloud Cave, Tiandao informed me that there have been changes in the Realm War this time. The Great Desolate Immortal Realm will not only face the invasion of the Western God Realm, but also the demonic world from outside the region. invasion"

"The prehistoric fairy world will face the invasion of two realms in about five hundred years. The Western God Realm is not a concern, but the outer demon world may not be easy to deal with. We also don't understand the outer demon world at all."

"Tiandao has established a forward fortress in the ancient starry sky. Heavenly Court's troops must be deployed in the fortress as soon as possible. On the one hand, they must become familiar with the starry sky fortress as soon as possible, and on the other hand, they must prevent strong men from the outside world from coming to the ancient world to explore the way."

The quasi-sages here were very surprised when they heard Su Chen's words.

They all know about the realm war.

Some of the people sitting here have even participated in the realm war, but this time there are actually two realms trying to invade. They had never expected this in the ancient immortal world.

Zhen Yuanzi stood up and saluted Su Chen,

"Emperor of Heaven, the Prehistoric Immortal Realm always faced invasions from the Western God Realm in the past. At that time, the Prehistoric Immortal Realm was not

unified. Each race and force fought alone. The Prehistoric Immortal Realm also did not have the ability to attack the Western God Realm."

"Now the prehistoric immortal world is under the control of the Emperor of Heaven, and all races and forces surrender to the Emperor of Heaven. This realm war in the Western God Realm is indeed nothing to worry about. We can even invade the Western God Realm as long as we send a large army."

"We are not familiar with the Extraterrestrial Demon Realm, and we don't know whether it is powerful or not. We must treat the Extraterrestrial Demon Realm with caution this time."

The other quasi-sages nodded when they heard Zhen Yuanzi's words.

Zhen Yuanzi said it right. They know more about the Western God Realm, but they really know nothing about the extraterrestrial demon world. They also need to be careful about the extraterrestrial demon world..Su

Chen stood up, thought about it and said to everyone,

"Everyone, this is a two-front battle in the Great Desolate Immortal Realm. I will send two armies respectively."

"A large army will respond to the invasion of the Western God Realm. If the fortress of Xiniu Hezhou is not allowed to come out, I will ask Heaven to build a fortress between Xiniu Hezhou and Dongsheng Shenzhou."

"This fortress consists of the Witch Clan, the Dragon Clan, the Qilin Clan, and some other races and forces to form a Western combat legion. The legion has an army of 20 million immortals and above. Empress Houtu and Zhen Yuanzi fight for the West. The commander-in-chief and deputy commander of the legion,"

Empress Houtu and Zhen Yuanzi, the Witch Clan, and the Dragon Clan all saluted Su Chen after hearing Su Chen's arrangement,

"I'll obey!"

Su Chen nodded and continued,

"The prehistoric star sky fortress consists of the demon clan, the Rakshasa clan of the Blood Sea, the Earth Immortal Mansion, and the Phoenix clan to form an Eastern combat legion. The legion will recruit 50 million troops of heavenly or above. The demon clan's Bai Ze and Styx The ancestor serves as the commander-in-chief and deputy commander-in-chief"

"I'll obey!"

Bai Ze, Ancestor Minghe and others also saluted Su Chen.

Su Chen said loudly to everyone with a serious face,

"Everyone, we have five hundred years of preparation time. I hope you will speed up the integration of your respective combat legions during these five hundred years. All resources in the prehistoric fairyland will be provided to the two combat legions first."

Chapter 1853

Su Chen is also very helpless now.

The troubles in this ladder trial are one after another.

He almost has no time to participate in the plot of Journey to the West. Su Chen doesn't know if he can complete the ladder trial this time.

The boundary war was very important this time, otherwise Tiandao would not have specifically informed him.

Su Chen had never fought in a boundary war, but Houtu of the Wu Clan and Bai Ze of the Demon Clan were both war masters, and they would be commanded by them respectively. The army in the prehistoric fairy world.

Su Chen was also very relieved.

The Holy Mother of the Golden Spirit looked at Su Chen and asked doubtfully, "Emperor of Heaven, how will we arrange it for the quasi-sages?"

Su Chen shook his head and replied,

"I will make arrangements for these when the war is about to begin. We don't have any news about the Western God Realm and the Extraterrestrial Demon Realm yet, so you don't have to worry."

"Emperor of Heaven, why was my female fairy from West Kunlun not arranged?"

The Queen Mother of the West looked at Su Chen and asked with a smile.

After the Queen Mother of the West heard about Su Chen's arrangements, her female fairy Su Chen of West Kunlun did not mention it.

This made the Queen Mother of the West a little confused.

She didn't understand that Su Chen had forgotten it. Are there hundreds of thousands of female fairies in West Kunlun, or does Su Chen dislike the female fairies in West Kunlun who are all women?

The Queen Mother looked at Su Chen and asked in confusion,

"There are also no arrangements for the heavenly soldiers and generals in heaven. Su Chen, don't you have any other plans?"

Quasi-sages such as Zhen Yuanzi and Wudang Virgin also looked at Su Chen.

They also wanted to know if Su Chen had any other plans. They had seen

Su Chen's intelligence during the war in Huoyun Cave. Zhen Yuanzi and the others did not arrange for the West Kunlun Fairy or the heavenly soldiers and generals in the heaven for Su Chen. They also wanted to know what other plans Su Chen had. After Su Chen

heard the words of the Queen Mother of the West and the Queen Mother, he nodded and said ,

"Everyone, our prehistoric world is adjacent to the Western God Realm and the Wilderness Realm."

"The Western God Realm launches a war against the Great Desolate Immortal Realm every thousand years or so. The Wild Realm and the Great Desolate Immortal Realm come from the same lineage, but the only neighboring ones to the Great Desolate Immortal Realm are the Western God Realm and the Wild Realm?"

"The wild world is also constantly being invaded by the Heaven Realm. I am worried that there are other realms around the wild fairy world that have not been discovered. The heavenly soldiers and generals in the heaven and the fairies in West Kunlun have to deal with emergencies."

"I can't send all the troops out, and then the ancient world will be suddenly attacked by other realms."

"That would be too passive"

"If there is no attack from other realms, then the heavenly army and the female fairies of West Kunlun can serve as the reserve army. If something unexpected happens to the two armies, the heavenly army and the female fairies of West Kunlun can provide support at any time."

Su Chen also knew that the Western God Realm is the Western God in mythology.

This made Su Chen a little worried.

Since the gods of Westerners have appeared, what about the East?

What about the gods of the Japanese pirates?

As for the dirty gods of the Japanese pirates ,

Su Chen had to be careful.

If the armies from the Great Desolate Immortal Realm were deployed in the two major fortresses, and the Japanese army from the Divine Realm took the opportunity to attack the Great Desolate Immortal Realm, no immortal army in the Prehistoric Immortal Realm could stop it.

Su Chen was just taking this as a precaution. 1.

Mother Wudang and Zhen Yuanzi were silent when they heard Su Chen's words.

They didn't expect Su Chen to think so carefully.

Su Chen was right.

They used to think that the enemy of the prehistoric fairy world was the Western God Realm. , the emergence of the extraterrestrial demon world this time, let them all know that there may be many realms in the chaos.

But they have not met yet.

If after the war between the two lines breaks out, and other realms appear, then the empty prehistoric fairy world I'm afraid it's really going to be occupied.

"The Emperor of Heaven is still thoughtful!"

"Yes, we have already encountered two realms in the Primordial Immortal Realm. I have to be careful that there are other realms that have discovered the Primordial Immortal Realm."

"It is to leave a reserve army in case other realms raid the Great Desolate Immortal Realm. At that time, the Great Desolate Immortal Realm may be occupied by other realms."

"It's good to be prepared. There's a saying in the human race that says, "Be careful and you'll sail a thousand-year ship." We also have to be prepared to face sudden accidents."

"The Emperor of Heaven is here in the prehistoric immortal world, and we in the prehistoric immortal world can sit back and relax."

"Yes, if Haotian is still the Emperor of Heaven, facing the war between the two major realms this time, the Great Desolate Immortal World will definitely still be in disarray, and maybe it will be invaded by the two great realms this time."

The quasi-sages sitting here looked at Su Chen with great admiration.

They were all very glad that Su Chen became the Emperor of Heaven, and they were also glad that Su Chen completely ruled the Great Desolate Immortal Realm.

Otherwise, this realm war would have destroyed the Great Desolate Immortal Realm.
Might be a total failure

"Everyone, go get ready. The two armies must be integrated as soon as possible. We don't have much time left."

"Yes, Emperor of Heaven!"

After Su Chen saw Zhen Yuanzi and those quasi-sage capitals leaving, he looked at the Queen Mother and said,

"Queen Mother, you and the Holy Mother Wudang, the Holy Mother Jinling, and the Queen Mother Xi are going to Kunpeng in Beihai. The 365 star flags are to be taken back. If Kunpeng refuses to hand over, he will be destroyed."

"Okay, let's go now"

"Brother, what should I do?"

The ruthless empress looked at Su Chen and asked coldly.

Su Chen smiled at the ruthless empress and said,

"Nannan, you must practice as soon as possible. You are now at the peak of the Immortal King. The spiritual energy in the Peach Garden is rich. You must be promoted to the realm of the Immortal Emperor (quasi-sage) within five hundred years."

"All right! Brother, I will return the Chaos Clock to you."

The ruthless empress nodded when she heard Su Chen's words.

Her strength can't help Su Chen now. She can only help Su Chen after she is promoted to the Immortal Emperor.

The ruthless empress took out the Chaos Bell and handed it to Su Chen. Chen, the Chaos Bell recognizes Su Chen as its master after all, and the Ruthless Empress doesn't want to use this Chaos Spirit Treasure all the time.

After Su Chen took the Chaos Bell, he touched the Ruthless Empress' hair and said with a smile,

"I want to use the Chaos Bell to suppress the fate of heaven. Nanny, I will repair the Xuanhuang Exquisite Tower of Heaven and Earth and give it to you to use. This is a treasure of acquired merit, and the defense is not inferior to the Chaos Bell."

"Thank you brother!"

The ruthless empress laughed when she heard Su Chen's words.

She had also seen the Xuanhuang Exquisite Tower of Heaven and Earth.

The three ancestral witches of the Wu Clan attacked for a long time before breaking through the defense of the Xuanhuang Exquisite Tower of Heaven and Earth. The tower is more powerful than all her imperial weapons and immortal weapons.

Su Chen looked at Chang'e and Chang Xi, took out the Hetu Luoshu and said,

"Chang Xi, Chang'e, you find all the 365 Taiyi Golden Immortals in Heaven and West Kunlun. When the 365 star flags are brought back, I will also give you the Hetu Luoshu. You must set up the Tianxingchen Formation as soon as possible, and you must be able to use it quickly and skillfully. Chang

Xi nodded and said coldly, "Don't worry, I am very familiar with the Zhoutian Star Array. As long as the Star Flags and Taiyi Golden Immortal arrive, I will be able to quickly arrange it."

"Okay, everything is ready. Five hundred years later, let those in the realm see the power of the prehistoric immortal world."

Chapter 1854

After Su Chen arranged these things, he also relaxed.

Today was really thrilling, but he finally got through it without any danger.

The human race wanted to resist the heaven with force and was annihilated. After the tens of millions of human armies were wiped out in the prehistoric fairyland, no one in the prehistoric fairyland would dare to resist the heaven again. Su Chen also controlled the entire prehistoric fairyland.

Sage sect?

This is still a trouble, but now is really not the time to destroy the Saint Sect.

The boundary war has disrupted some of Su Chen's previous decisions, but there is nothing that can be done about it.

After Su Chen saw that all the girls had left, he took a rest and said helplessly to himself, "It's time to continue participating in the Journey to the West. This is really fucked up. I am a majestic Emperor of the Ancients, but I still have to accompany him." Tang Sanzang went to obtain scriptures?"

Su Chen thought that he had completely offended Buddhism this time, and he wanted to go to the Western Heaven with Tang Sanzang. He didn't know if the Buddhists would directly destroy him after arriving in the Western Heaven.

But he had to complete the trial of the ladder.

Su Chen shook his head speechlessly when he thought of this.

A month later, peace returned to the prehistoric fairy world, but the influence of the human race's force against the sky has not dissipated at all.

The creatures in the primitive world are full of fear and worship of the new Emperor of Heaven.

Su Chen's domineering power,

Su Chen's decisive killing, and

Su Chen's heroic words all made the creatures in the prehistoric immortal world see a different prehistoric emperor.

A Heavenly Emperor who is different from the previous Heavenly Emperor Haotian. The current Heavenly Court fills the creatures in the Great Desolate Immortal World with fear. Such a Heavenly Court is the true Heavenly Court that rules the Prehistoric Immortal World.

Boom boom.....

Suddenly, the prehistoric fairy world suddenly shook, and a towering fortress suddenly appeared between Xiniu Hezhou and Dongsheng Shenzhou.

This makes all the creatures in the ancient world very confused. Why did a fortress appear in the ancient world for no reason? And it also appears between Xiniu Hezhou and Dongsheng Shenzhou. clang clang clang clang.....

In the ancient heaven, a loud bell suddenly sounded, and the immortals in the ancient immortal world hurriedly looked in the direction of the heaven. boom!

After the Nantian Gate in the Heavenly Court was opened, countless armies appeared from the Heavenly Court in the clouds and mist. After appearing, a large number of armies rushed towards the newly emerged fortress.

One hundred thousand!

Half a million! one million! five million!

Eight million!

The creatures in the prehistoric world saw as many as eight million immortal armies coming out of the heaven.

These creatures became worried.

With so many immortal armies appearing and even heading towards Xiniu Hezhou, the creatures in the prehistoric immortal world were worried about the heaven. To launch a war against Buddhism.

At this time,

Taibai Jinxing appeared at Nantianmen.

Holding the imperial edict in his hand, he opened it and read loudly,

"The ancient heaven, the decree of the Emperor of Heaven!"

"Five hundred years later, the Realm War begins. In order for the prehistoric immortal world to win the Realm War, immortals who have reached the realm of immortals or above can join the two major immortal combat legions in heaven."

"The headquarters of the Western Immortal Combat Legion in Heaven, the Prehistoric Xiling Fortress"

"The headquarters of the Heavenly Oriental Immortal Combat Legion, the Prehistoric Starry Sky Fortress"

"Realm wars are related to the survival of the Great Desolate Immortal World. The immortals in the Great Desolate Immortal World should all contribute to the Great Desolate Immortal World. Heaven will use all its resources to cultivate all the combat legions of Heaven."

"The Emperor's decree!"

"Heaven's Western Immortal Combat Legion, commanded by Empress Houtu, recruits an army of 12 million immortals"

"The Heavenly Oriental Immortal Combat Legion, commanded by Demon Saint Bai Ze, recruits an army of 40 million Immortals."

After the creatures in the prehistoric fairyland heard Su Chen's decree, the entire prehistoric fairyland began to boil.

"Is the Realm War about to start again? Why are there two fortresses this time?"

"Yes, what is the use of the Prehistoric Starry Sky Fortress? Didn't the Western God Realm begin to attack our prehistoric fairyland from Xiniu Hezhou?"

"Yes, I can't think clearly either!"

"Broken, something big is going to happen this time. The Prehistoric Xiling Fortress will definitely have to face the Western God Realm, and the Prehistoric Starry Sky Fortress will probably have to face another realm. The Emperor of Heaven will definitely get the news that other realms will also attack the Prehistoric Immortal Realm."

"No wonder, no wonder the Emperor of Heaven wants to recruit so many immortal armies. It turns out that there are two realms that are going to attack the prehistoric immortal realm."

"What are you waiting for? Let's all join the army of immortals in heaven. Otherwise, the prehistoric fortress will be breached and our prehistoric immortal world will probably be destroyed."

"Yes, I want to join the heavenly army"

"Let's go together! Let's go together!"

—

_ Chen was slapped in the face, how could Jie Yin and Zhunti hand over a special fortress.

However, neither Zhunti nor Jie Yin expected that

Tiandao would actually build another Xiling Fortress between Xiniu Hezhou and Dongsheng Shenzhou.

They thought that if the heavenly army or the immortals in the prehistoric fairy world did not come to support the Buddhist-controlled Xiniu Hezhou fortress after the war started five hundred years later, the

Buddhists would probably have to pay a huge price to defend the Xiniu Hezhou fortress.

There is even a possibility that the fortress will be breached by the army of the Western God Realm.

The good corpse who was brought in said with a livid face,

"We underestimate the Emperor of Heaven."

Zhunti's face was also very ugly.

He did not expect that Emperor Su Chen would do this. Is Emperor Su Chen really the illegitimate son of Tiandao? How could Tiandao agree to build another Xiling Fortress?

"Brother, what should we do now?"

Jie Yin shook his head but there was nothing he could do.

The Xiling Fortress has been established, and the army of heaven has begun to station. Now even if he lowers his face and goes to see the Emperor Su Chen, he may not be able to convince the Emperor Su Chen. Jie

Yin smiled bitterly. After a while he said,

"Let's wait and see. There are still five hundred years before the war in the realm. Let's contact other saint sects first, hoping that the human sect and the Chan sect will help us protect the fortress of Xiniu Hezhou."

"Alas, that's all it can do."

In the Heavenly Court,

Su Chen originally thought that he could continue to go to obtain scriptures with Tang Sanzang, but troubles in the Heavenly Court came one after another.

The equipment of the immortal army in the Heavenly Court, the materials and training resources of each combat legion, all of which needed Su Chen to distribute.

This is still With the help of the Queen Mother and the other girls, Su Chen would have been even more dizzy with work otherwise.

"His, reform, the immortal positions in heaven must be reformed, are all those immortal officials free of charge? Why can't I do anything well? This is not as efficient as my own Xuantian Empire."

Chapter 1855

Su Chen was really speechless about the immortal officials in the heaven. These immortal officials only knew how to practice and knew nothing about management. Su Chen wished to revoke all their immortal positions. The Queen Mother looked at Su Chen's depressed look and said with a smile.

"Su Chen, don't blame those immortal officials. There have never been so many troops in heaven."

"In the past, Heavenly Court only dispatched at most a hundred thousand heavenly soldiers and generals, but this time it dispatched millions or even tens of millions of troops. It is understandable that the immortal officials were in a hurry."

Su Chen took a sip of tea and shook his head and said, "Oh, forget it, I am the immortal official in the reform heaven now, and I don't know how to reform it. Let's talk about it later."

When Su Chen heard what the Queen Mother said, he thought it was right.

If the officials of the Xuantian Empire had to prepare supplies and equipment for millions of troops at once, the officials of the Xuantian Empire would probably make mistakes in their busy schedule.

Su Chen also We can only wait until the women like Concubine Yan arrive in the fairy world before making plans.

Managing the empire!

Women like Concubine Yan and Changsun Wuchu are more experienced.

The Queen Mother poured some more tea for Su Chen and asked,

"Troops have been stationed in the Prehistoric Xiling Fortress and the Prehistoric Starry Sky Fortress. What are your next plans?"

"I will continue to study for scriptures with Tang Sanzang. I still don't want to give up on the trial of the ladder to heaven."

"Well, the reward for the 10,000th level of the ladder is probably very generous. If you give up, it will indeed be a loss. However, if you want to go to the territory of Buddhism, will Buddhism still allow you to join the team of Buddhist scriptures?"

Su Chen shook his head and said with a smile,

"Buddhism won't refuse, and they don't dare to refuse either."

"Xiling Fortress has already stationed an army of eight million immortals. I am afraid that it will take less than a year to reach an army of twenty million immortals. If Buddhism does not want to be annihilated by the heavenly army, Buddhism will pretend that I do not exist."

"That's right!"

In the prehistoric fairy world,

Tang Sanzang's master and apprentice went west after three months, and now they have arrived at the Xiliang Daughter Kingdom.

Zhu Bajie looked at the towering fortress behind him, he shook his head and said,

"Brother Monkey, Su Chen has made a big noise again. Alas, Su Chen will probably not come with us to seek Buddhist scriptures again."

Sun Wukong patted Zhu Bajie and yelled,

"Idiot, Su Chen has already fallen out with Buddhism and even killed a clone of Buddha Tathagata. Is it possible that Su Chen will go with us to obtain scriptures?"

"That's right!"

When Tang Sanzang heard the conversation between Sun Wukong and Zhu Bajie, he called him a Buddha and said, "Wukong, Emperor Su Chen is too murderous. Fifty million human beings will kill at will. Emperor Su Chen is a cruel and ruthless person."

When Monk Sha heard about Tang Sanzang's departure, he hurriedly explained,

"Master, the human race must resist the sky with strength"

"If the Emperor of Heaven did not massacre those human races, where would the majesty of Heaven be? Where is the face of the Emperor of Heaven?"

"If the Emperor of Heaven does not execute those human races, all races in the prehistoric fairy world will come to resist the Heaven with their strength."

"The Emperor of Heaven will be disgraced when he arrives."

Tang Sanzang shook his head when he heard Monk Sha's words.

He felt that killing was wrong, not to mention that the Emperor of Heaven also killed a large number of living beings, even several human emperors.

Sun Wukong and Zhu Bajie looked at each other and continued on their way. , they didn't want to explain to Tang Sanzang.

Tang Sanzang was just a pedantic monk. He was verbose about killing a monster.

Su Chen had slaughtered tens of millions of human troops this time. Tang Sanzang probably hated Su Chen extremely..Whoosh!

"who?"

Sun Wukong suddenly felt someone coming.

He hurriedly looked around and shouted.

Su Chen came out from the side and said with a smile,

"Sun Wukong, long time no see, I didn't expect you to come back to Tang Sanzang again." Sun Wukong was very surprised when he saw that Su Chen had arrived. Su Chen had broken with Buddhism. How could this Emperor of Heaven come back? Does Su Chen still want to go with them to obtain scriptures? Sun Wukong looked at Su Chen and asked doubtfully,

"Suchen? Oh no, Emperor of Heaven, why are you here again? Does the Emperor of Heaven still want to go with us to obtain scriptures?"

Zhu Bajie and Monk Sha saw Su Chen arriving, and they hurriedly came to Su Chen. They also wanted to know what Su Chen was going to do when he arrived this time.

Tang Sanzang looked at Su Chen and turned around.

He said to Su Chen The impression was very bad. Tang Sanzang did not want to have anything to do with this murderous devil.

Su Chen looked at a few people and said with a smile,"Of course, I have a beginning and an end to everything I do."

"I don't believe it!"

"I don't believe it either"

"I don't believe it either!"

Sun Wukong and the others looked at Su Chen and shook their heads.

It was very unusual for a Heavenly Emperor to go with them to obtain scriptures. Moreover, this Heavenly Emperor had just fallen out with Buddhism. They all did not believe that this visit would have no purpose.

Su Chen shook his head. He shook his head and walked forward and said, "Hurry up and hurry up. If you don't believe it, I will go with you to get scriptures.""

Sun Wukong and the other three looked at it and followed them one after another. Su Chen wanted to go with them to get scriptures.

What can they do?

Drive Su Chen away?

Is this possible?

Su Chen was very speechless as he walked forward.

Tang The three of Sanzang all arrived at the Daughter's Kingdom of Western Liang. During this time, Su Chen missed a lot of plots. Su Chen was worried that the missed plots would make him fail in the ladder trial?

The Daughter's Kingdom of Xiliang, the Daughter's Kingdom Queen?

Scorpion spirit?

Su Chen smiled as he thought about the plot of the Daughter Kingdom.

This time there is no Pleiades star official in heaven. How will people like Sun Wukong deal with the scorpion spirit?

All the immortals in heaven know that after Buddhism They will be the enemies of heaven.

From now on, no gods in heaven will help Tang Sanzang and his disciples.

In the future plot,

Tang Sanzang and his disciples may suffer.

Half a day later,

Tang Sanzang and his disciples came to a river.

Zhu Bajie saw When he reached the river in front of him, he said loudly, "Master, there is a river in front of me. I will go and get some water for Master." Tang

Sanzang looked at Xiaohe and said with a smile, "Amitabha, Bajie, go get some water quickly. Master is already a little thirsty.""

"Okay, master, wait a moment, I'm going to get water now."

Su Chen had a very strange expression when he saw the Xian Xiao River in front of him.

He thought that this could be the Zimu River of the Daughter's Kingdom, right?

In the plot, Tang Sanzang and Zhu Bajie drank the water of the Zimu River. This time Tang Sanzang and Zhu Bajie drank the water of the Zimu River. If they drink the water from the Zimu River again, they don't know if they will have children.

Sun Wukong looked at Su Chen and asked,

"Su Chen, don't you drink water?"

I agree!

Can anyone drink this river water?

"Ahem, I'm not thirsty, you can drink!"

Chapter 1856

Su Chen looked at Tang Sanzang and Zhu Bajie drinking river water and shook it. Tang Sanzang and Zhu Bajie were happy now, but they would feel uncomfortable soon.

I go!

Why did Sun Wukong and Monk Sha start drinking too?

What a mess! What a mess!

All four of Tang Sanzang's masters and disciples were attacked, so who would get them the spring water from which they were born?

When Su Chen saw Sun Wukong and Monk Sha starting to drink, he stood aside in confusion and didn't know whether to stop them.

Forget it,

Sun Wukong and Monk Sha have already drank the spring water of Zimu River, and Su Chen has no time to stop them now.

It was almost evening,

Tang Sanzang's master and his disciples and Su Chen arrived at the Xiliang Daughter Kingdom.

"The West Liang Girl Country, Brother Monkey, this is actually a country where all women are"

"My grandson saw it!"

"Haha, I like the daughter country of Xiliang"

"Idiot, don't embarrass yourself here!"

At this moment, the women of the Xiliang Daughter Kingdom saw men arriving. The women of the Xiliang Daughter Kingdom were shocked. They all ran to the street to watch the men arriving.

"Wow, are these men? Why are there some ugly men in there? They're so ugly."

"Yes, there is a pig head, a monkey, and one that looks like a evil star. This is really ugly."

"There are two other nice men. The man on the horse is good-looking. The man behind is even more handsome. I like the man behind."

"I also like to look at the man in the back. That man has a very special temperament."

"Well, well, I was attracted to the man at the back as soon as I saw him. He is handsome and has a noble temperament. There is such a nice man in the world." Su Chen 's face turned dark when he heard the comments from the women of the Daughter Kingdom around him. What the hell, Su Chen felt like he had become an animal in a zoo. The women around him were pointing at him like tourists. No, I can't go with Tang Sanzang to see the Queen of the Daughter Kingdom for a while, otherwise the queen may not like Tang Sanzang that monk again. Su Chen is worried that this time he will steal the role of Tang Sanzang. Zhu Bajie listens After hearing what the women around him said, he looked at Su Chen and said in amusement,

"Su Chen looks like a pretty boy. Look, all the women here want to eat Su Chen!"

"Idiot, you look like a pig. It's a good thing that the women here don't regard you as a monster."

Sun Wukong smiled and patted Zhu Bajie's pig head and said mockingly.

However,

Sun Wukong felt that Su Chen had stolen Tang Sanzang's limelight.

In the past, whenever they met a woman,

Tang Sanzang would be surrounded by women.

Now that Su Chen has arrived, people are watching Tang Sanzang. All the women were watching Su Chen, and Su Chen seemed to be the protagonist among them.

Tang Sanzang looked back and saw that Su Chen didn't say anything.

He was also happy to see this, otherwise those women were watching him,

Tang Sanzang It's not a matter of whether Sanzang rushes or not.

In front of the daughter king's palace,

Su Chen did not go in with Tang Sanzang

's master and apprentice. Su Chen was really afraid that the queen of the daughter kingdom would fall in love with him, a mortal queen of the kingdom.

Su Chen I don't want to provoke him.

Besides, he is a Heavenly Emperor now, and he doesn't want to have anything to do with a human woman in the ancient immortal world.

"Young Master, why didn't you enter the palace?"

At this time, a beautiful palace maid came over and said to Su Chen.

Su Chen leaned on the pillar and shook his head and said, "There are too many rules in the palace. I prefer freedom."

"Young Master is right. There are many rules in the palace. Young Master, how about I take you to the side hall to rest?"

"All right!"

Su Chen looked around and agreed.

The maids around him were all looking at him secretly. Su Chen didn't want to stay here any longer.

In a side hall, a pretty woman poured a cup of tea for Su Chen and said with a smile. ,

"Sir, please have tea!"

"Thank you!"

The pretty woman looked at Su Chen drinking tea and smiled.

When she first saw Tang Sanzang, she thought that the monk was very good-looking, but the young man outside the palace was even more handsome.

This The palace maid is not a palace maid from the Daughter Kingdom. This pretty woman is a scorpion spirit from the scorpion cave a thousand miles away from the Daughter Kingdom.

She came to the Daughter Kingdom because the new queen has just ascended the throne, and she wants to see what the queen of the Daughter Kingdom looks like.

But I didn't expect to meet Tang Sanzang's master and disciple, and also meet such a good-looking man as Su Chen.

Scorpion Spirit took out a pipa from the side and said to Su Chen, "Sir, let me play a pipa for you!"

"Can you also play the pipa?"

"The little girl knows something"

"Okay, then you play it....."

I'll do it! lute?

Damn it, isn't this the scorpion spirit?

Japan and Europe!

Shouldn't the Scorpion Spirit be secretly observing Tang Sanzang?

How could she find him?

Su Chen looked at this pretty woman and started to check it out.

He just thought that this palace maid was an ordinary woman. Su Chen didn't have Sun Wukong's piercing eyes. Even with his low level, he couldn't tell whether this palace maid was a monster.

When the Scorpion Spirit saw Su Chen staring at her, she asked doubtfully,

"Sir, what's wrong? Why do you keep looking at me?"

"Ahem, just play it!"

After Su Chen checked the scorpion spirit, he found that there were mana fluctuations on the scorpion spirit, but he did not find out the hidden realm of the scorpion spirit.

Su Chen did not want to expose the scorpion spirit.

He was only at the level of a golden immortal, and the scorpion spirit was not Even Sun Wukong can't deal with it.

Su Chen doesn't want to conflict with the scorpion spirit, and he doesn't want to be stung by the scorpion's tail sting spirit.

This is going to be troublesome.

If he had known better, he wouldn't have allowed the system to hide his cultivation level, so the scorpion spirit wouldn't dare to tempt myself

"Mr. Su, it's not good. Your friends drank water from the Zimu River and are now screaming in pain. They all ask you to come over quickly."

At this time, a palace maid hurried over and shouted to Su Chen,

"Oh, okay, I'll go there right away!"

Su Chen left in a hurry after hearing what the palace maid said.

This was an opportunity.

He didn't want to face the female monster Scorpion.

"Hum, you, a little monk, can't escape my grasp!"

When the scorpion spirit saw Su Chen leaving, she stood up with her pipa and snorted coldly.

Then, the scorpion spirit returned to her original appearance with a wave of her hand. She looked around and disappeared instantly.

"Su Chen, please save us, we are all going to have a baby."

"Su Chen, my grandson has never asked you for anything. You must help me this time."

"sky....., Su Chen, Lao Sha, please save Lao Sha."

Chapter 1857

Su Chen had just entered the room.

Zhu Bajie and the others were all asking him for help.

Su Chen found it very funny when he saw the uncomfortable expressions of Zhu Bajie and the others.

However, if all four of Tang Sanzang's masters and disciples gave birth to children, then it will be lively to go to the West to learn Buddhist scriptures

"Zhu Bajie, is this what you are doing? You're not really going to have a baby, are you?"

In the room, when the grand master of the daughter kingdom saw Su Chen arriving, her eyes lit up.

The grand master of the daughter kingdom did not expect that there would be such a handsome man. He might be more handsome than the monk Tang Sanzang.

Zhu Bajie stared. He closed his eyes and shouted to Su Chen,

"Su Chen, do you know that the river is the Zimu River? Why do we all drink the river water, why don't you have a river? Su

Chen laughed and cursed when he heard Zhu Bajie's words, "I know what the heck, I have peaches to eat, do you think I will be thirsty?"

Sun Wukong shouted hurriedly, holding his stomach.

"Bajie, don't talk nonsense. Su Chen, the Grand Master of the Daughter Kingdom said that there is a fetal birth spring in Jiayang Mountain near the Daughter Kingdom. Please get us some quickly."

Sun Wukong felt that Su Chen knew that the river was the mother-child river, but now is not the time to talk about this at all.

Sun Wukong did not want to give birth to a little Sun Wukong.

If so, he would probably be laughed to death by the immortals in the ancient world.

Tang Sanzang sweating profusely, he said to Su Chen, "Donor Su, please save us, we don't want to have children."

"I understand, I will go get you the water from the spring of miscarriage."

Su Chen shook his head and agreed.

Su Chen thought that he had joined Tang Sanzang's apprentice team and had been doing nothing but doing nothing.

He had already been absent from several plots.

If he were to follow Master Tang Sanzang again, If you go to learn scriptures as a disciple, you may really fail the test of the ladder to heaven.

"Thank you, thank you. My old Sun is finally saved. Su Chen, go and come back quickly."

"I, old pig, would like to thank you too."

"Thank you Mr. Su Chen!"

"Amitabha, thank you, donor Su."

Su Chen nodded and left the room.

He thought that there was a monster in Jie Yang Mountain, and he was also the sworn brother of the Bull Demon King.

Huh?

That's not right!

Did Sun Wukong and the others meet the Red Boy?

That Red Boy is the Bull Demon King and the Bull Demon King. Whose child?

There is no way that Red Boy is the child of Princess Iron Fan.

Princess Iron Fan has been waiting for him in the Flame Mountain, and she can no longer be related to the Bull Demon King.

Su Chen was confused when he thought of this.

This plot is confusing He was confused.

If Red Boy appeared, then who took the Red Boy? Guanyin Bodhisattva had been following him during this period, and it was impossible for Guanyin Bodhisattva to take the Red Boy away. At this moment, on Jie Yang Mountain,

Scorpion Jing was confronting True Immortal Ruyi.

Immortal Ruyi was very miserable now.

He did not expect that the scorpion spirit from Pipa Cave would come to him and even ask him to give up the birth spring.

True Immortal Ruyi was just a small Xuan Jing. Immortal, he is no match for the Scorpion Spirit at all. Even his eldest brother, the Bull Demon King, reminded him not to offend the Scorpion Spirit.

However, the Scorpion Spirit wanted to steal his lifeblood, the Fountain of Rebirth, and True Immortal Ruyi really didn't want to give up his Fountain of Rebirth.

"Scorpion spirit, we have always kept the water from the well and water from the river, why are you trying to steal the spring water from me? This is the lifeblood of my cultivation. Aren't you afraid of my big brother, the Bull Demon King?"

The Scorpion Spirit looked at True Immortal Ruyi and said indifferently,

"True Immortal Ruyi, I'm just borrowing my time for one day, and I won't touch your fetal spring."

Scorpion Spirit guessed that Su Chen might arrive soon.

She doesn't have time to chat with True Immortal Ruyi here.

If True Immortal Ruyi doesn't use this birth spring, she doesn't mind killing this little monster. The Bull Demon King's Although she is very powerful, she is not afraid of the Bull Demon King either.

"Why?"

"There is no reason, Ruyi Zhenxian, it's only for one day. Can you borrow it? If not, don't blame me for being rude."

"Borrow it, I'll borrow it, Scorpion Spirit, but you have to promise not to damage my birth spring."

"Don't worry, your miscarriage fountain is of no use to me. If I hadn't been waiting for someone here, do you think I would have come to a place like yours where nothing matters?"

Ruyi Zhenxian's face turned dark when he heard what Scorpion Jing said.

His Jieyang Mountain has beautiful scenery. Why is this a place where birds don't poop?

Isn't Jieyang Mountain still as green as Scorpion Jing's Pipa Cave?

Then ,

True Immortal Ruyi reluctantly left Xie Yangshan.

He could not defeat the Scorpion Spirit, and now Xie Yangshan could only be given to the Scorpion Spirit for one day. True Immortal Ruyi thought that the Fountain of Rebirth was indeed useless to the Scorpion Spirit, so he could only believe that the scorpion spirit will not touch his birthplace

"Haha, this time I am waiting for Mr. Su to arrive."

When the Scorpion Fairy saw the Immortal Ruyi being scared away, she stretched her perfect figure and laughed.

The Scorpion Fairy also thought about taking Su Chen away directly, but she felt that she couldn't be tough on humans like Su Chen. She wanted to get rid of this human being bit by bit.

At this moment, in the ancient fairyland, on a ruins, a petite figure appeared here. She looked at the ruins here and stood here silently.

"Is Xuanyuan Tomb already so dilapidated? Of the three demons of Xuanyuan Tomb, I am the only one left, the nine-headed chicken spirit, and the jade pipa spirit. I am back, I, Su Daji, am back."

This petite figure is the little fox Su Daji.

After she helped Ji Ruxi and eliminated several powerful enemies in the Shenyu Continent, the little fox overcame the catastrophe and became an immortal and came to the ancient fairyland.

The little fox did not go to Su Chen first.

She This time I went back to my hometown to see where she was born and where she lived with her sisters.

Jiang Ziya!

Prince Lu Ya of the Demon Clan!

Empress Nuwa!

I, Su Daji, have returned to the prehistoric fairyland. , when it's time to take revenge,

I will definitely take it!

The little fox looked at this and then disappeared with an ugly expression.

Lu Ya is not something she can deal with now, and

Empress Nuwa is even more impossible for her to deal with, little fox The only thing to do now is to kill Jiang Ziya first.

On Jie Yang Mountain,

Su Chen also arrived here, but he saw a beautiful woman appearing next to the fetus spring, which made Su Chen confused.

Is this the real immortal Ruyi?

Ruyi Isn't the True Immortal an old man?

How could a beautiful woman appear here?

The Scorpion Spirit saw that Su Chen had arrived, which made her very happy.

This time she wanted to play with Su Chen first. Young Master.

The scorpion spirit smiled and said to Su Chen,

"Mr. Su, don't you recognize me?"

"Have we seen this girl?"

Chapter 1858

Su Chen was very shocked when he saw this beautiful woman. He guessed that this woman was the scorpion spirit from Pipa Cave, but why did the scorpion spirit appear here?

Where is the True Immortal Ruyi?

The scorpion spirit won't kill the Immortal Ruyi, right?

However,

Scorpion is really beautiful with a long waist, a delicate face, bright and attractive big eyes, and a perfect figure with a curved front and back.

Scorpion Spirit walked towards Su Chen and said with a smile,

"Mr. Su, we have met in the Daughter's Kingdom. How come we just parted ways and Mr. Su doesn't recognize me?"

"Are you the palace maid from the Daughter Kingdom?" Su Chen pretended to suddenly realize and shouted,

"Yes, Mr. Su, I knew you were coming to retrieve the fetus spring, but I arrived first and even drove away the ugly Immortal Ruyi. Mr. Su, how can you thank me?"

"Are you a monster?"

"Yes, I am a monster, but what about you, Master? You are a little monk who is about to become an immortal. We are all creatures, monsters, and humans in the ancient immortal world. This makes no difference to us at all. Are you right, Mr. Su?"

"what do you want to do?"

Scorpion Spirit held Su Chen's arm and said shyly,

"You and I might as well get married. I have been practicing for tens of thousands of years. Being alone is very lonely. Aren't humans all in pairs? I also want to find a man to marry who looks past me."

Su Chen was very speechless when he heard what the scorpion spirit said.

Could it be that the scorpion spirit is looking for a man because he is lonely? Can monsters be lonely?

Ugh!

It seems that they can be lonely.

Monsters are not monks who abandon their emotions and desires.

No wonder the scorpion spirit in the plot The scorpion spirit kidnapped Tang Sanzang.

The scorpion spirit took Tang Sanzang abducted not to eat him, nor did it even embarrass Tang Sanzang. The scorpion spirit was just yearning for love.

There were no men for thousands of miles in the daughter country. The arrival of Tang Sanzang made the scorpion spirit feel the love for love. Moved.

The Scorpion Fairy also died a bit unjustly.

A monster who had never harmed anyone was killed just because she was lonely and wanted to find a man.

The Scorpion Fairy also had no background, otherwise, she would only be taken away, not Kill.

Su Chen slowly pulled out his arm and said with an embarrassed smile, "Haha, you have found the wrong person. I have a wife, and I am very fierce with my wife. You should find someone else."

"Um? Do you have a wife? Then I will kill your wife, and you will be my Pipa man from now on."

"lute?"

Scorpion Spirit stopped pretending, and threatened Su Chen with a cold look on her face,

"Mr. Su, let me tell you, I am the scorpion spirit from the Pipa Cave near the Daughter Kingdom. I didn't want to kidnap you, but you actually have a wife, so I will use force on you."

Scorpion Jing had no choice.

She didn't expect that Su Chen actually had a wife. Scorpion Jing couldn't let Su Chen leave. She finally fell in love with a man, and he was the man she was attracted to.

Su Chen just didn't want to, and

Scorpion Jing couldn't. Su Chen must be taken away by force.

Otherwise, it would be impossible for Su Chen to live as a couple with her.

"goodbye!"

Su Chen disappeared instantly after hearing the scorpion spirit's words.

He did not dare to fight with the scorpion spirit. Although the scorpion spirit would not kill him, the scorpion spirit's tail sting was very poisonous. Neither

Duobao Tathagata nor Sun Wukong could stand it.

Su Chen doesn't want to try it

"Damn it, Mr. Su actually managed to hide his cultivation level?"

When the Scorpion Spirit saw Su Chen disappear suddenly, she hurriedly used her soul to search for Su Chen, but she couldn't find any trace of Su Chen's breath at all. The

Scorpion Spirit burst out with mana when she thought of Su Chen's sudden disappearance. This is not a person at all. What a monk should have.

Su Chen must have become an immortal.

The scorpion spirit looked around and shouted angrily,

"Hum, a monk who can escape cannot escape from the temple. The four masters and disciples of Tang Sanzang are all in the daughter country, so I don't believe you won't save them."

The scorpion spirit checked her surroundings again and then disappeared instantly.

She wanted to catch the four masters and disciples of Tang Sanzang first.

By then,

Su Chen would throw himself into a trap to find her.

"I went and finally left. I quickly took the fetal spring back, otherwise Tang Sanzang and Sun Wukong would be in danger."

Su Chen hurriedly got the fetus spring after he came out of the space prison.

He was worried that if he went back too late,

Tang Sanzang's master and apprentice would not have time to have the fetus, and the scorpion spirit would catch them all.

If so,

Tang Sanzang The four masters and disciples may really have a baby. In the Queen's Palace in the Daughter Kingdom , the Grand Master and the Queen were talking. Especially when the Queen heard that there was a man who was more handsome than Tang Sanzang, the Queen was also interested, but , the queen thought of the handsome Tang Sanzang, and she shook her head again, the queen thought that women cannot act arbitrarily, and she already has a good impression of Tang Sanzang, so she cannot fall in love with other men.

"Grand Master, I already have a good impression of Tang Sanzang, so forget about Mr. Su."

The Grand Master was surprised when he heard the Queen's words and asked, "Queen, don't you think about it anymore? Mr. Su is much more handsome than Tang Sanzang, and his temperament is also very outstanding."

"No!"

The queen smiled and waved her hand.

She thought that no matter how handsome and elegant Mr. Su was, she would never leave Tang Sanzang. She had already decided that Tang Sanzang would not like other men.

"Queen, Tang Sanzang was a monk. You have to understand this."

"I understand, I will convince Tang Sanzang to stay in the daughter country"

"Oh well!"

At this moment,

Su Chen appeared next to Sun Wukong in an instant.

He hurriedly distributed the spring of fetal death to them. Sun Wukong and others also immediately drank from the spring of fetal fall.

"Sun Wukong, there is a monster that has been chasing me. I will leave first. You all should be careful."

Sun Wukong recovered after drinking the Fetus Fountain, and his stomach no longer hurt.

He waved his hands and said indifferently after hearing Su Chen's words.

"monster? Don't worry, I'll leave that monster to my old grandson. Conquering demons and exterminating them is my special skill."

"And us, Su Chen, you fetch the fetal spring for us, and leave the monster to us."

"Yes, that monster will be left to our senior brothers."

Zhu Bajie and Monk Sha also hurriedly assured Su Chen that they all knew that Su Chen was not very strong. This time Su Chen might have offended some monster by taking the fetal spring for them. Zhu Bajie and the others thought that even Su Chen Without fetching the fetal spring for them, they would not have been able to watch Su Chen being killed by monsters. After all, Su Chen was the Emperor of Heaven in Heaven. If Su Chen died here, none of them would be able to survive. Zhu Bajie and the others would not be able to survive. Su Chen, the ancestor, was more concerned about protecting Tang Sanzang. Su Chen was very speechless when he heard the words of Sun Wukong and the others. These three people were too arrogant. However, this did not care about him. Su Chen should remind them He reminded me, if they are in extreme pain later, I won't blame him.

"I'll hide first, be careful, that monster is not simple!"

Chapter 1859

Su Chen warned Sun Wukong and others and then disappeared.

He didn't want to be blocked by the scorpion spirit for a while, and Sun Wukong and the others would pay the price for their arrogance.

When Sun Wukong and the other two saw Su Chen hiding, they were all ready to destroy the monster that was coming.

Sun Wukong looked at Tang Sanzang and reminded,"Master, you go to other rooms to hide for a while. After we kill the incoming monsters, you can come out again.""

"Amitabha, you should also be careful!"

"understand!" boom!

"Want to hide? None of you can leave!"

At this time, the scorpion spirit smashed the room where Sun Wukong was with one palm. The scorpion spirit appeared in front of Sun Wukong and others with a livid face. Sun Wukong took out the sky stick and shouted, "Monster, you are so arrogant, I am old Sun Lai will meet you."

玃円!

A pipa sound suddenly sounded. Sun Wukong and Zhu Bajie suddenly had headaches.

Scorpion looked at Sun Wukong and the others with disdain.

She played the Lingbao pipa in her arms and played the pipa with melodious sounds. The sound, like the sound wave skill, attacks Sun Wukong and the others.

"Hurry, Brother Monkey, stop this monster from playing the pipa. The master will not be able to bear it anymore."

"Senior brother, kill this monster quickly"

"Eat a stick from my old grandson!"

Sun Wukong endured the headache, so he raised the sky stick and hit the scorpion spirit.

Boom!

After a loud noise, the scorpion spirit was forced to retreat and stopped playing the pipa.

She looked at Sun Wukong and hit him instantly. She didn't have to Pipa can also defeat the Monkey King.

Su Chen hid aside and watched the heated scene and murmured to himself,

"Gosh, Scorpion Spirit is really fierce. She can fight Sun Wukong for several rounds without using her stinger."

Su Chen also didn't expect that the scorpion spirit would be able to fight Sun Wukong fiercely without using its poisonous sting. It seems that the scorpion spirit should also be at the level of a golden immortal. No wonder in the plot,

Sun Wukong has nothing to do with the scorpion spirit. If it weren't for the arrival of the Pleiades Star Official from Heaven, the Scorpion Spirit might not have been killed. The Pleiades Star Official is a chicken.

If Taisheng hadn't been in conflict with him, the Pleiades Star Official might not have been able to kill the Scorpion Spirit.

"Brother Monkey, Old Pig is here to help you!"

"Senior brother, I'm here to help you too."

After Zhu Bajie and Monk Sha arranged Tang Sanzang aside, they also rushed forward with weapons.

After Zhu Bajie and Monk Sha joined the battle,

Scorpion was beaten back steadily, but Scorpion did not panic.

She still If the ultimate move is not activated, as long as the scorpion spirit launches her tail stinger attack, these people will be poisoned by her stinger.

"Quick, save the Holy Monk of the Tang Dynasty!"

At this time, the palace army of the daughter kingdom arrived. The grand master looked at Tang Sanzang next to him and hurriedly ordered,"Boom, boom, boom.....

Before the palace troops of the Daughter Kingdom could rush forward, hundreds of female soldiers were knocked back by a wave of air.

"You are seeking death!"

Scorpion Spirit was also a little impatient.

Some red mist suddenly appeared from her body, and the area was instantly enveloped by red mist.

"Bajie, Junior Brother Sha, be careful!"

Sun Wukong saw a lot of red mist appearing, and he alertly reminded Zhu Bajie and Monk Sha,

"Brother Monkey, I'm an old pig.....Ah, it hurts me so much, it hurts me so much"

"Bajie, what's wrong with you?"

"Second Senior Brother, what's wrong with you?"

Before Zhu Bajie finished speaking to Sun Wukong, he was stabbed hard on the back. Zhu Bajie rolled on the ground in pain and screamed.

Sun Wukong and Monk Sha heard Zhu Bajie's screams, and they had to hurry up. They found Zhu Bajie there and were very worried if Zhu Bajie was injured.

Su Chen was speechless when he heard Zhu Bajie's scream,

"Holy shit, does it really hurt that much? Zhu Bajie's screams are so terrifying"

"ah! It hurts so much, it hurts me so much!"

"Junior Brother Sha?"

Sun Wukong heard Monk Sha's scream again.

He was completely confused.

Monk Sha was also attacked?

The red mist blocked his sight.

Sun Wukong couldn't detect where the Scorpion Spirit was in the red mist. , he is also very anxious now.

Su Chen took a flat peach and ate it and said to himself,

"The only one left is Sun Wukong. Scorpion spirit, please be more powerful and let Sun Wukong taste your sting."

At this moment,

Sun Wukong carefully looked around. The attacks of Zhu Bajie and Monk Sha forced him to be careful. The monster was much stronger than he thought.

At this time, a woman appeared in an attic where Su Chen was hiding.

Here,

Su Chen didn't pay attention to the woman who came. He now wanted to see how Sun Wukong was stabbed by the scorpion spirit. Su Chen was looking forward to seeing Sun Wukong dying from pain. The queen of the daughter country did not expect that a man was also in this attic. , the queen looked at the back of this man, and she thought that this man should be the Master Su mentioned by the grand master.

She had seen all three ugly disciples of Tang Sanzang.

The queen looked at Su Chen and guessed,

"Are you that Mr. Su?"

Su Chen looked back at this gorgeously dressed woman and said,

"Yes, you are the queen of the daughter country?"

"good!"

The queen's heart trembled when she saw Su Chen's appearance.

The queen did not expect that Su Chen was really very handsome. This Mr. Su was more handsome than Tang Sanzang, and he looked more like a man. She looked at Su Chen for a moment. His heart was moved.

Su Chen pointed to Tang Sanzang's position and reminded,

"Tang Sanzang is down there, but I advise you not to go looking for him. It's very dangerous down there now."

Su Chen just glanced at the queen of the daughter country.

Although this queen was very beautiful, Su Chen had no intention of provoking her. There are no beauties around Su Chen. There are many fairies and witches in the heaven. Yes, and each one is more beautiful than the other.

The queen looked at Su Chen and said with a smile,

"The grand master and the palace troops have already gone to rescue Tang Sanzang. I came here just to see who broke into the palace."

"Then you see, bye!"

Su Chen noticed that the Queen of the Daughter Kingdom looked at him wrong, so he waved his hand and left in a hurry.

Su Chen didn't want the Queen of the Daughter Kingdom to get involved with him.

Although this queen was beautiful, he didn't want to provoke her.

The Daughter Kingdom The queen did not expect that Su Chen left, which made her a little unhappy.

However, the queen still looked at Tang Sanzang from the window. She wanted to know who came to assassinate Tang Sanzang.

"Ah, it hurts so much. This monster is so alive. It hurts An Lao Sun to death."

Chapter 1860

Su Chen appeared on the other side just now, and he heard Sun Wukong's shouting.

Su Chen was happy when he looked over.

Zhu Bajie, Monk Sha, and Sun Wukong, the three of them were rolling and shouting on the ground.

The venomous sting of the scorpion spirit is really terrifying.

No wonder even that old bastard Duobao Tathagata can't stand it. The scorpion spirit should be a golden immortal now. If the scorpion spirit's strength increases, her sting may be even more terrifying.

After the scorpion spirit appeared, he mocked Sun Wukong and said,

"Sun Wukong, tell Mr. Su to come to Pipa Cave to find me in three days. If Mr. Su doesn't come within three days, Tang Sanzang will die."

The Scorpion Spirit didn't care about the pain of Sun Wukong and the others. She grabbed Tang Sanzang next to her and disappeared into the palace instantly.

"Damn it, Su Chen offended this monster after doing it for a long time!"

"Su Chen, what's going on with this monster?"

"Mr. Su, we are all in pain. Come and detoxify us."

After Zhu Bajie and the other three heard what the scorpion spirit said, they all guessed that the scorpion spirit must have come to find Su Chen. It was even possible that Su Chen had offended the monster.

Otherwise, the scorpion spirit would probably take the opportunity to kill the three of them.

"What you are talking about is all nonsense. If I don't get you the birthplace, will I offend this monster?"

Zhu Bajie shouted angrily when he heard Su Chen's words,

"Is this a matter of taking the spring of miscarriage?"

"The female monster never mentioned the birthplace of the fetus from the beginning to the end. This must be because you peeped at the beautiful female monster taking a bath. Otherwise, how could the monster mention you alone?"

"Zhu Bajie, are you itchy? Am I the one who peeped at the female monster taking a bath?
Sun

Wukong looked at Su Chen and shouted, "Su Chen, please detoxify me quickly, it will hurt my grandson to death."

Monk Sha also shouted to Su Chen in pain,

"Yes, Mr. Su, please detoxify us first. This is really painful."

Su Chen said helplessly after hearing Sun Wukong's words,

"Detoxification is bullshit, I don't know how to detoxify it, so you should just endure it."

Su Chen will have the antidote, and the Pleiades star official in heaven has the antidote, but why does he want to detoxify these people?

People from the Buddhist sect have been paying attention here. Wouldn't the Buddhist sect come to detoxify Sun Wukong?

Look, Sun Wukong Xiang Su Chen asked doubtfully,

"You really don't?"

"Do you think I can detoxify you?"

"What to do?"

"Idiot, call for support!"

Su Chen was also speechless.

Didn't Sun Wukong ask the immortals for help when he encountered difficulties in the past?

Why was he confused this time?

Zhu Bajie hurriedly shouted after hearing Su Chen's words,

"That's right, Brother Monkey, please call those people from Buddhism to come out and detoxify us. It hurts me to death."

Sun Wukong looked into his mouth and shouted,

"Five directions reveal the truth, six Ding and six armors, four levels of merit, eighteen Dharma protectors, Jialan, come out and see me, Sun."

"The five directions revealed the truth, and the eighteen Dharma protectors Jialan met Sun Dasheng."

At this time, more than 20 Buddhist people appeared next to Sun Wukong.

Sun Wukong saw that only the five directions and the eighteen protectors appeared, which made him confused.

Gong Cao, why didn't you show up at this time?

"Where are the Six Ding Liujia and the Fourth Level Gongcao?"

The golden-headed Jiedi looked at Su Chen beside him and coughed and said,

"Ahem, the Great Sage, Liu Ding Liu Jia and the Fourth Level Gong Cao are the immortals of Heaven, and they have been recalled to Heaven."

Sun Wukong was very speechless when he heard the golden head's words.

He was also dizzy after being stung by the poisonous sting. Six Dingliujia and the fourth-level Gongcao are the gods of heaven. The relationship between Su Chen and Buddhism broke down. Heaven and Buddhism are now But it was a hostile force.

Zhu Bajie looked at Wufang Jiedi and these people and shouted, "Stop talking nonsense, please detoxify us quickly, I, the old pig, will be hurt to death.""

The one with a silver head who was in trouble said to Zhu Bajie,

"Marshal Tianpeng, we people don't know how to detoxify. This monster is a scorpion spirit. Even Buddha Tathagata was stung by this scorpion spirit and screamed in pain. We little Buddhas have no way to detoxify."

"What? You can't detoxify?"

"cannot?"

"So who can detoxify it? You should hurry up and invite me."

"this....."

After Wufang Jiedi and the eighteen protectors Jialan looked at each other, they were all very embarrassed.

The only person who could detoxify the scorpion poison was the Pleiades star official in heaven.

Now Buddhism and heaven are hostile forces, and the Pleiades in heaven are It is impossible for Xingguan to help Buddhist people

"Damn it, come on, are there any gods that I can't invite?"

"Great Sage, yes.....He is the Pleiades Star Officer of the East Gate in Heaven. Only the Pleiades Star Officer can detoxify the scorpion poison."

"Su Chen, please get Pleiades Star Officer over quickly, we are all going to be in pain."

Su Chen shook his head when he heard Sun Wukong's words and refused,"Sun Wukong, Buddhism has other ways to help you detoxify. It is impossible for heaven to help Buddhism. You should understand this."

Sun Wukong sighed after hearing Su Chen's words.

"this.....Alas, the Five Directions reveal the truth. Let's quickly find a way to get Buddhist people to come over and detoxify us. Otherwise, Tang Sanzang will be killed and eaten by monsters."

"Yes, Great Sage, we will inform the Buddha in Buddhism right away."

Wufang Jiedi and the eighteen protectors Jialan hurriedly responded.

They had no choice. The Emperor in Heaven said it was impossible, so they could only report back to the Buddha.

Zhu Bajie groaned and looked at it with resentment. Xiang Su Chen, although he knew that Heavenly Court and Buddhism were now hostile forces, they were old friends with Su Chen. This Heavenly Emperor Su Chen just wanted to see them suffer.

At this moment, the Queen of the Daughter Kingdom looked at the five people who appeared. When Fang Jiedi saw the Buddhas, she was very surprised.

The queen also understood that

Tang Sanzang's origin might not be simple.

She could not keep Tang Sanzang at all.

As for Su Chen, she saw the way those Buddhas were afraid of Su Chen.

She It is even more difficult to guess Su Chen's identity. Su Chen is probably more noble than Tang Sanzang.

The Queen of the Daughter Kingdom shook her head with a look of sadness on her face, and she was about to leave.

The Grand Master of the Daughter Kingdom came to the Queen's side , she saw the half-eaten peach in the queen's hand, and the grand master asked the queen in confusion,"Queen, why are you holding a half-eaten peach?"

"this....."

The Queen of the Daughter Kingdom was very speechless when she looked at the peach in her hand.

She found this half-eaten peach in the attic. She originally wanted to take it out and throw it away, but she also forgot about it after the Five Directions Revealed Buddhas appeared.

"Master, these are the remaining peaches I have eaten. I feel it is a pity to throw them away. I will eat the remaining half of the peaches in a while."
