

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 2

Su Chen now also knew how to tell Wang Hu about these troops. He could only pretend to be mysterious, which would only make Wang Hu think that these troops were recruited by him before.

Wang Hu looked at Su Chen and nodded and said, "Your Majesty, I will let these soldiers go back now."

Su Chen thought about it and said to Wang Hu, "Well, give them some money. After all, they are also guards. Join us all the way."

Now Su Chen is very rich. There are one hundred thousand taels of gold in the system, and his predecessor was also very rich. Now Su Chen has about two hundred thousand taels of gold, which is a huge amount. wealth

"Yes, Your Majesty."

After Wang Hu dismissed these soldiers, Su Chen looked at the remaining more than a hundred guards. These were all left by the predecessor's father, and these guards were all loyal to him.

When the carriage arrived at the tea shop, Su Chen got out of the carriage under the protection of the guards.

"Waiter, please bring our young master a pot of good tea. "Wang Hu shouted loudly to the waiter of this tea shop,

"Hello, Master, please sit down. The tea will be here in a minute."

Su Chen looked at the tea shop and sat up. Although this tea shop is not very good, Su Chen is not so particular now that he is out. He also wants to see if the tea in ancient times still tastes good.

Wang Hu He and these guards were all on guard. Now there were vendettas everywhere in the world, and Wang Hu was also very worried about Su Chen's safety.

When the tea was served, Su Chen saw Wang Hu holding a silver needle before he started drinking it. Try the teapot to see if it is poisonous.

Su Chen felt a little helpless after seeing it. Now he has to be careful even if he drinks tea. It seems that the world is very uneven. When

Su Chen saw Wang Hu nodded to himself, Su Chen also He started drinking the tea. Su Chen felt good after drinking the tea. Su Chen told Wang Hu,

"Wang Hu, let the guards drink some tea in batches. There are not many people here, so don't worry too much."

"Yes, Your Majesty." After

Su Chen drank tea for a while, he saw an ordinary woman in commoner clothes and a little girl of five or six years old coming to the tea shop. Maybe they were going to Gusu City too..

The little girl looked at Su Chen drinking tea and said with sweet lips,

"Mom, I'm thirsty"

"Yan'er, be good, let's drink water when we get to Gusu City."The woman touched the little girl's head and said.

Su Chen looked at the beautiful little girl and said with a smile,

"Little girl, come here and drink some tea. Madam, when your daughter is thirsty, you should let her drink some tea. She is still so young, and it is still

almost half a day's journey from Gusu City. How can your daughter possibly
Can bear it

"Thank you, uncle."

The little girl looked at her mother. When her mother nodded, she happily
came to Su Chen and said.

Su Chen was speechless when he heard the little girl call him uncle.

"Ahem, little girl, you are not good. How can I call you uncle at such a young
age? You should call me brother."

The little girl looked at Su Chen and said innocently,

"But you are as old as my mother"

"Well, forget it."

Su Chen looked at the little girl's mother and shook her head.

The little girl's mother observed Su Chen. She looked at Su Chen and found
that this man had no internal strength, so she knew that he didn't know how to
do martial arts. He The guard strength is not very good, and he seems to be a
kid from a rich family.

Su Chen looked at this little girl and asked with a smile,

"Little girl, what's your name?"

"My name is Yan"

"Word? What's your last name?"

"I don't have a last name"

"No last name?"

"Yes, uncle, what is your name?"

"My name is Su Chen."

Yan looked at Su Chen expectantly and said,

"Uncle Su, can I also give my mother a bowl of tea?"

Su Chen touched Yan's head and said,

"Of course, you can ask your mother to come here and take a rest."

"Thank you, uncle. I will go and let my mother take a rest." Yan ran out happily.

Yan didn't expect to meet a kind-hearted person here. She and her mother had been fleeing for a long time, and now they had no money. This time they met a kind-hearted person like Su Chen. Yan was still very happy.

After a while, Su Chen saw Yan coming over with an ordinary-looking woman. Su Chen also asked the waiter at the tea shop to serve another pot of tea.

"Thank you, Master Su."

Su Chen was a little surprised when he heard this woman's voice. He didn't expect that this ordinary-looking woman's voice was so nice. Su Chen looked at it and stopped paying attention.

Just as Su Chen and Yan and their mother and daughter were drinking tea. While resting, a group of men in black riding horses suddenly came from the road.

When Yan's mother saw these men in black, she stood up immediately. She did not expect that these people would chase them here.

"Frightened Salamander, you can't escape this time even if you put on your wings. It's impossible for people who are caught to be killed to escape."

Jing Salamander looked at these people and said expressionlessly,

"I didn't expect that you would still find me here after escaping from the Eastern Continent to the Southern Continent."

Su Chen was a little confused now. This ordinary woman turned out to be Jing Salamander? Then this little girl is the future Jing Salamander Tian Yan. Isn't this a character in Qin Shi?

Isn't this the same character in Da Qin? Qin Shi's plot, Su Chen is looking at Jing Salamander in surprise.

Su Chen has just come to this world, and he hasn't figured out the specific things yet, but now that he sees Jing Salamander, Su Chen is still a little shocked.

Wang Hu When he saw these men in black coming, he led his guards with crossbows in their hands to be on guard.

Wang Hu looked at the arrested people and whispered to Su Chen,

"Your Majesty, these people are all good players. Should we leave here first?"

Su Chen looked at the Frightened Salamander and said to Wang Hu,

"Can you and the guards deal with these people?"

Yan was surprised when he heard what Su Chen and his guards said next to Su Chen. Yan didn't expect that this handsome uncle was actually a king. This is the highest title under the king. Now this uncle actually wants to Helping them made Yan a little happy.

Seeing Su Chen say this, Wang Hu reminded Su and said,

"Your Majesty, we can kill these Jianghu people instantly now. After all, we have military crossbows, but we don't need to provoke these Jianghu people."

"Then kill these men in black"

"Yes, Your Majesty"

"Get your crossbow ready, let it go!" Swish

, swish, swish, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, these dozens of black-clothed captured people are dead, half of them are dead, and the remaining black-clothed men want to rush over quickly, but they haven't rushed over yet." When they came over, they were killed by a hail of arrows.

At this time, Frightened Salamander also took out her Frightening Salamander Sword and stared blankly at these captured assassins being shot by military crossbows round after round. She didn't understand this. Why does Su Chen want to help their mother and daughter?
