

Zongwu 2111

Chapter 2111

At this moment, in the small valley,

Deng Ai heard a report from a tiger and leopard soldier. He looked at Emperor Liu Xie and others who came to the small valley with a surprised look on his face.

Deng Ai did not expect that Emperor Liu Xie actually escaped from Xudu City, but why did Anlehou's general Gan Ning let the young emperor leave? Could it be that Gan Ning was persuaded by the young emperor Liu Xie? Or was Gan Ning also loyal to the Han emperor?

Deng Ai thought for a while and ordered loudly, "Come here and guard the valley strictly. No one can pass without my order."

"Yes, General!"

Deng Ai looked at Emperor Liu Xie and the old men.

He was going to ask Gan Ning. If Gan Ning didn't give him a reason, Deng Ai would not let Emperor Liu Xie leave. The emperor's affairs were of great importance, and Deng Ai was Don't dare to take it lightly. In

Wujun and Wuhou Mansion, Sun Quan looked at Zhou Tai with an ugly expression. Wujun city was besieged, and Jiangdong's army suffered heavy casualties. Maybe tomorrow, maybe tonight, Wujun will be defeated. In just seven or eight In the sky, Chibi Xiakou was conquered, Jiangdong navy was completely annihilated, Lujiang County was occupied by Anlehou's army, Wu County was left with the isolated city of Wujuncheng, Jiangdong was over, Jiangdong six counties, Chaisang County was given to Mrs. Wu After Anlehou, Yuzhang County was captured by the Baiyue people, Lujiang County was occupied three days ago, and Danyang County and Huizhu County were probably not safe. Sun suddenly thought of Cheng Pu who went to support Huang Gai ten days ago. Pu still has less than 40,000 troops in his hands. This may be the last hope to save Wujuncheng.

"Zhou Tai, where is Cheng Pu? What about the more than 30,000 troops under his command? Zhou

Tai lowered his head and replied,

"My lord, Cheng Pu is missing. When Chibi Xiakou was captured, Cheng Pu had not yet arrived at Xiakou. Cheng Pu may have discovered that Xiakou was occupied, so he hid with his army."

"Zhou Tai sent all his scouts to look for Cheng Pu. Whether Wu Juncheng can be saved depends on the troops in Cheng Pu's hands."

"Yes, my lord!"

Sun Quan saw Zhou Tai leaving.

He looked at the empty hall.

The gentry officials from Jiangdong had not arrived in the past few days. He understood that the gentry officials had different intentions and might even be preparing to surrender to Anle Hou Su Chen.

"Damn you idiots, you should have killed all those noble officials in the first place."

In the evening, at Wulin Camp,

Su Chen was resting on Mrs. Wu's legs with his eyes closed.

The war was no longer suspense. Jiangdong would soon be completely occupied. After Sun Quan's death, Liu Bei would also be killed soon. , Su Chen was ready to return after a month's rest.

Cao Cao, Liu Bei, and Sun Quan, the three pillars of the Three Kingdoms would not appear in the future.

Cao Cao was killed by him,

Sun Quan would also be killed by Zhang Shao, a Jiangdong nobleman, and

Gan Ning took the five Thousands of tiger and leopard cavalry chased Liu Bei.

With Gan Ning's improved strength, generals like Guan Yu and Zhao Yun would not be Gan Ning's opponents in a single fight, and the five thousand tiger and leopard cavalry were not for show.

"Husband, Mrs. Ding wants to see you outside. She has been waiting for almost half an hour. Don't you still want to see her?"

Su Chen opened his eyes when he heard Mrs. Wu's words and said,

"Don't worry about that woman, she will leave as soon as she can't stand the cold anymore. Mrs. Wu massaged Su Chen's head and said with a smile, "Husband, you'd better meet Mrs. Ding. The three of them want to see you every day these days. They may have something important to do.""

"Madam, they are.....Let me tell you, Mrs. Ding, why did you come in?"

Su Chen was about to explain to Mrs. Wu the reason why Mrs. Ding's three daughters wanted to see him. He did not expect that Mrs. Ding actually came into the tent. This made Su Chen sit up in surprise.

Su Chen had explained to the guards,

Without his order, Mrs. Ding and her three daughters were not allowed to enter the big tent. Why would Mrs. Ding come to the big tent this time?

"I've seen Anlehou and his wife!" After Mrs. Ding arrived, she saluted Su Chen and Mrs. Wu.

Su Chen looked at Mrs. Ding and asked doubtfully,

"Mrs. Ding, how did you get in the big tent?"

Mrs. Ding hurriedly replied, "It was Mrs. Mi who ordered the guards to let me in."

Mrs. Ding did not expect that Mrs. Mi would help her.

Mrs. Ding had been waiting outside the tent for almost half an hour. Su Chen never agreed to see her. But then Mrs. Mi arrived unexpectedly and even asked Su Wei to step aside to let her enter the big tent.

Mrs. Ding didn't know why Mrs. Mi did this, but she was still very grateful to Mrs. Mi.

Su Chen was speechless when he heard Mrs. Ding's words,

Mrs. Mi?

How could Mi Zhen help Mrs. Ding?

Could it be? When Mrs. Mi and Mrs. Gan were captured by Cao Cao and brought back to Xudu a few years ago, did Mrs. Ding help Mrs. Mi and Mrs. Gan?

Mrs. Wu stood up and said to Su Chen with a smile, "Husband, I'm going to find Master Bu, Ding." Now that Madam is here, please talk to Madam Ding."

"All right!"

Mrs. Ding thanked Mrs. Wu after hearing what she said,

"Thank you Mrs. Wu! Mrs. Wu shook her head and said,

"No, Mrs. Ding, if you have anything to do, just talk to my husband. I'll leave first."

Su Chen saw Mrs. Wu leaving.

He looked at Mrs. Ding's purple mouth from the cold and shook his head.

Su Chen guessed that Mrs. Ding's three daughters must have been uneasy these days, and even spent these days uneasily.

Su Chen never dealt with Mrs. Ding's three daughters, nor did he want to massacre the women and children of the Cao family. Mrs. Ding's three daughters must have spent the past few days worried and scared.

He waved to Mrs. Ding and said,

"Mrs. Ding, come and sit."

Mrs. Ding sat by the charcoal fire and said with a complicated expression,

"Anlehou, as long as you let Mrs. Bian and Cao Jie go, as well as the women and children of the Cao family, I will.....I....I agreed."

Su Chen was stunned when he heard Mrs. Ding's words.

Agree?

Agree to what?

Have you made any request to Mrs. Ding?

Su Chen thought about what he said to Mrs. Ding eight days ago. He remembered that he had not mentioned anything at all. Request.

What does Mrs. Ding mean?

Su Chen looked at Mrs. Ding and felt very confused.

Seeing that Su Chen kept staring at her,

Mrs. Ding was very ashamed and angry, but she had already made a decision.

Mrs. Ding Secondly, after saving Mrs. Bian, Cao Jie, and the women and children of the Cao family, she would commit suicide. If Mrs. Ding was insulted by Su Chen, she would have no face to live on.

Su Chen rubbed his forehead and asked road,

"Mrs. Ding, what do you agree to?"

"you....., Anlehou, you are such a shameless bastard, I have agreed, do you still want to humiliate me like this?"

Chapter 2112

【I have been taking care of patients in the hospital recently, so the updates are a bit slow. I hope everyone can understand me!

Mrs. Ding was very ashamed and angry. She had put down her pride and even agreed to be humiliated by this shameless bastard. This bastard still pretended to be confused and even asked herself what she agreed to ? Is Anlehou going to humiliate her continuously? After Su Chen heard what Mrs. Ding said, he saw Mrs. Ding's shameful and angry look. Su Chen understood a little. He guessed that Mrs. Ding thought he had fallen in love with her, right? Madam Ding wanted to devote herself to saving Madam Bian and Cao Jie, as well as the women and children of the Cao family. Su Chen shook his head and said,

"Mrs. Ding, please go back. I will put this matter in the past. If you want to go back to Xudu, you can go back to Xudu. This matter ends here, and I have no intention of messing with you."

"Are you telling the truth?"

"real!"

"I do not believe!"

Mrs. Ding stared at Su Chen with a look of disbelief.

She was worried that she would trust Su Chen and leave. If this shameless pervert goes back on his words, even if Mrs. Ding wants to see Su Chen again in the future, she may not be able to see him so easily. Shameless bastard.

Su Chen didn't expect that Mrs. Ding didn't believe him, which made him very speechless.

Although Mrs. Ding was very beautiful, Su Chen also wanted to have close contact with her two mountains, but this small world He was about to leave, and Su Chen didn't want to find any more beauties from the Three Kingdoms.

If Mrs. Ding were Cai Wenji, or even Diao Chan,

Su Chen would still be interested, but Mrs. Ding was not them, and

Su Chen also had some in Wulin Camp There are a few stunning beauties. There are so many beauties in the world, but Su Chen can't get them all.

"Mrs. Ding, if I am interested in you, do you think I will let you go? You are just a helpless woman. I want you now. Can you resist?"

"Don't threaten me with suicide. I have many ways to prevent you from committing suicide. Go back. I always stick to my word and will not go back on my words."

Mrs. Ding was silent when she heard Su Chen's words.

She didn't expect Su Chen to say that.

Mrs. Ding felt that she had misunderstood Su Chen. This shameless pervert might really have no interest in her.

"Are you really planning not to pursue our faults?"

"yes!"

"The women and children of the Cao family will not be slaughtered?"

"yes!"

"Anlehou, please write me a non-pursuance warrant, so that I can leave immediately."

Damn it,

Mrs. Ding is really cautious.

Su Chen shook his head and said,

"Mrs. Ding, I will never go back on my promise. You don't need to be so cautious."

Mrs. Ding stared at Su Chen and said seriously,

"Can I be careless? We have brought the little emperor out of Xudu City. If you are made very angry by the little emperor in the future, I am worried that you will go back on your word. As long as you write a warrant to let us go, this will give us complete peace of mind."

"Well, I'll write you a warrant!"

Su Chen decided to write a warrant to Mrs. Ding after hearing what she said.

There is nothing wrong with Mrs. Ding being cautious. This woman is quite smart. Other women might not have thought of this. Mrs. Ding is indeed Cao Cao's first wife..

When Mrs. Ding saw Su Chen starting to write the order, her heart settled down.

However, when Mrs. Ding thought of what she had said just now, she was ready to risk her life to let Su Chen humiliate her even when she came this time.

Mrs. Ding's face turned pale. Very crimson.

After Su Chen handed the written warrant to Mrs. Ding, he said, "Here you go, you can leave!"

"Did you catch the little emperor?"

Mrs. Ding took the warrant, looked at it and put it away.

Mrs. Ding did not leave immediately. She wanted to know if the little emperor Liu Xie had been caught. Su Chen would let them go easily. She guessed that the little emperor might have been caught. Stopped.

Su Chen shook his head and replied,

"No!"

"No? Then why would you let us go?"

"how? Wouldn't it be better if I let you go? Do you want me to kill you all?"

"No, I'm just curious!"

Su Chen was speechless for this beautiful woman.

He had already agreed to let Mrs. Ding and the three daughters go without even holding them accountable for their faults. Why is this beautiful woman so unstoppable? Do I have to take her in myself?

Su Chen said casually He just said nonsense,

"Mrs. Ding, just think that I am doing it for you. I am attracted to you, but I don't want to force you, so I let you go this time because of you. Do you understand?"

"you.....you....."

When Mrs. Ding heard Su Chen's words, she hurriedly took a few steps back. She pointed at Su Chen and was speechless with shame and anger.

"Okay, that's it for today, Mrs. Ding, you can leave with Mrs. Bian and Cao Jie. The city guards in Xudu City will continue to escort you back to Xudu City."

Mrs. Ding glared at Su Chen and left in a hurry.

She didn't dare to stay any longer.

Su Chen's words changed from time to time. One time, he said he was not interested in her, and the next time he said he was attracted to her. Mrs. Ding didn't Knowing whether it was true or not, she felt it was better to leave this place of right and wrong as soon as possible.

When Su Chen saw Mrs. Ding leaving in a hurry, she whispered,

"This is really fucked, forget it, let's continue to rest, this life is about to end."

Half a month later,

Jiangdong was completely occupied.

Sun Quan was killed by his servants in his dream.

Mrs. Wu took Bu Lianshi to Wu County to bury Sun Quan.

Liu Bei was not captured yet.

Guan Yu was beheaded by Gan Ning. Huang Zhong was captured, and Zhao Yun fled into the mountains with Liu Bei. However, Yandang Mountain was surrounded by troops, and Liu Bei and Zhao Yun would be killed or captured sooner or later.

In Wu Lin Camp,

Su Chen executed Huang Gai today , several Jiangdong prisoners from Zhou Tai, as well as Cao Hong and Xun Yu who were captured by Xu Zhu's army, all of them were sentenced to death.

Although Su Chen was kind to his generals, this did not mean that he would not be ruthless. Su Chen will not let those generals and officials who dare to betray others live.

In the big tent,

Mrs. Mi and Xiao Qiao sat across from Su Chen.

They saw Su Chen execute more than ten captured generals today. , as well as Cao Hong and Xun Yu who were captured from Xudu, but only Liu Bei's general Huang Zhong was not executed.

This made them very puzzled.

After Mrs. Mi poured a cup of tea for Su Chen, she He asked doubtfully,

"Husband, why didn't you execute Huang Zhong?"

Su Chen took a sip of tea and explained,

"Huang Zhong is a loyal man, and such a person should not be killed. Let's see if we can recruit Huang Zhong to surrender in the future. If Huang Zhong refuses to die, then we can only kill him."

Xiao Qiao asked with a smile while sitting in Su Chen's arms,

"Husband, what is Mrs. Ding's relationship with you? Didn't you let Mrs. Ding leave? Both Mrs. Bian and Cao Jie left, but why did Mrs. Ding stay in Wulin Camp?"

Chapter 2113

When Su Chen heard Xiao Qiao's words, he shook his head in silence.

He didn't know why Mrs. Ding didn't leave. She even came here every day to eat and drink. Su Chen didn't do anything to Mrs. Ding. This beautiful woman, Mrs. Ding, stayed. Just stay.

Mrs. Wu,

Mrs. Cai, and

Mrs. Ding, these three beautiful women standing together are very pleasing to the eye. The mountains of the three women are bigger than the last. With such beautiful scenery, Su Chen will naturally not miss the opportunity to appreciate it.

Su Chen touched Xiao Qiao's hair and said with a smile,

"Xiao Qiao, I have nothing to do with Mrs. Ding. I don't know why she didn't leave. Your sisters Da Qiao and Zhen Mi have always been with Mrs. Ding. I have never done anything to Mrs. Ding."

Xiao Qiao smiled and continued,

"Haha, I just asked casually, what about Queen Fushou? How do you plan to settle her in the future?"

Xiao Qiao didn't believe that Su Chen was not interested in Mrs. Ding.

Every time she ate, this shameless pervert would stare at Mrs. Ding. She guessed that Su Chen would never let go of the beautiful Mrs. Ding.

And Queen Fushou,

The little beauty Su Chen also met several times. Although Xiao Qiao didn't know what happened to Su Chen and Queen Fu Shou, she felt that things were not simple when Queen Fu Shou ate with them.

"Let's talk about it later!"

Su Chen shook his head when he thought of Queen Fushou.

He did not expect that Gan Ning would kidnap Queen Fushou.

The young emperor Liu Xie was really a ruthless person.

In order to escape,

Queen Fushou gave up when she said so. This It was still a ruthless imperial family.

However,

Su Chen had no interest in Queen Fu Shou.

After talking to Queen Fu Shou several times, he found out that Queen Fu Shou was a person with death intentions, and Su Chen did not want to be so angry with a lifeless person. The woman has ideas.

Queen Fushou's identity is more attractive, but she has no attraction to him. Queen Fushou will raise her first from now on, and Su Chen has not thought of how to arrange Queen Fushou.

Mrs. Mi and Xiao Qiao shook her head when she heard Su Chen's words.

They didn't want to care about these things. The girls were living very happily now. Even if Su Chen accepted Mrs. Ding and Queen Fushou, they wouldn't object.

"By the way, where are Xia Hou Qingyi and Huang Yueying? Why haven't I seen them since morning?"

Su Chen suddenly discovered that Xia Hou Qingyi and Huang Yueying, who had been noisy all the time, had not shown up today. Su Chen was not used to it without those two beauties.

Xiao Qiao rolled her eyes at Su Chen and said, "Qingyi I went to Xiangyang with Yueying, didn't they tell me yesterday?"

"Well! I forgot."

Su Chen really forgot.

He was just enjoying last night. He didn't remember a word of what Xia Hou Qingyi and Huang Yueying said. In

Yandang Mountain,

Liu Bei and Zhao Yun were hiding here like savages.

The foot of Yandang Mountain has been occupied. Surrounded by 30,000 troops, they could not escape no matter what.

It had been almost ten days.

Liu Bei and Zhao Yun had been hiding here for almost ten days. They ate some wild vegetables and fruits every day.

But it was too cold on the mountain.

If they were like this In a few days, Liu Bei and Zhao Yun will either starve to death or freeze to death.

In a tree hole,

Liu Bei, unshaven and with dull eyes, asked, "Zhao Yun, is my son Liu Chan really dead?"

Zhao Yun is also in a very embarrassed state at the moment. He is in tatters and even several wounds are infected.

Military advisor Zhuge Liang is weak.

He froze to death five days ago. Zhao Yun has been taking care of Liu Bei these days..

Zhao Yun was very helpless when he heard Liu Bei's words.

He felt that Liu Bei was going crazy.

In the past ten days,

Liu Bei had asked Liu Chan several times a day.

Zhao Yun said to Liu Bei with a pale face, "My lord, more than ten days ago, little The young master was thrown from his horse and died."

Liu Bei said crazily when he heard Zhao Yun's words,

"Dead, my only son died like this. I am the uncle of the Han Dynasty, how could my son die? How could my Zener die?"

"Alas, cough cough cough!"

Zhao Yun looked at Liu Bei and leaned against the tree.

He was dying.

Zhao Yun had been having a fever these days due to wound infection, but for Liu Bei's sake, he often went out to find food.

Today,

Zhao Yun felt weak all over, even He was drowsy and wanted to fall asleep, but

Zhao Yun didn't dare to sleep.

He was afraid that once he fell asleep, he would never wake up again. After more than ten days, Zhao Yun couldn't hold on anymore.

"Lord, you have to rely on yourself from now on." Zhao Yun said to Liu Bei and then closed his eyes and fell asleep.

Three days later, a group of soldiers discovered the tree hole. When these soldiers entered, they found that Liu Bei and Zhao Yun were dead. They immediately passed the news to the people at the foot of the mountain. Gan Ning.

A month later,

Su Chen returned to Xudu with his army.

He was ready to leave this small world. He had stayed in this small world for more than three months. Cao Cao, Sun Quan, Liu Bei, etc. All three of them were dead. Su Chen had

also made arrangements for Zhang Liao and other generals. Each general had his own defense area. Su Chen told the public that he had taken the elixir and was in seclusion for three months. He believed that none of these generals dared to rebel.. Three months is just a blink of an eye. Besides, women like Mrs. Wu and Mrs. Mi have eaten spiritual fruits, and their strength is even stronger than those generals. If they didn't know martial arts, generals like Xiahou Dun and Zhang Liao None of them could be the opponents of Mrs. Wu and the other girls. In the palace hall, Su Chen sat on the throne and looked at the civil and military ministers below. On either side of him sat Mrs. Wu and Mrs. Ding. Mrs. Ding was finally beaten by Su Chen He took it down. This beautiful woman was around him every day. Su Chen couldn't stand the temptation of Mrs. Ding, so he sneaked into Mrs. Ding's room on a windy and dark night. Su Chen stood up and Make final arrangements,

"Everyone, you have all heard that I am going to be in seclusion for three months. During these three months, the government affairs will still be in charge of Chen Qun, the minister."

"I have also divided the army. Zhang Liao's army is responsible for the Huns in the north, Xiahou Dun's army is responsible for Ma Teng in Guanzhong Chang'an and Xiliang, Lu Xun's army is responsible for Liu Zhang in Yizhou and Shu, and Lejin's army is responsible for Gongsun Kang and Goryeo in the northeast. people"

"Yes, my lord!"

"Cai Mao, Ling Tong, Lu Meng, your navy can go out to sea and attack the islands on the sea at will. You must plunder gold, spices, slaves, and everything of value. Those natives who dare to resist will be killed."

"Yes, my lord!"

Su Chen picked up Mrs. Wu and Mrs. Ding and said,

"During these three months, Mrs. Wu and Mrs. Ding will be in charge of the overall situation. Any matters that cannot be decided can be reported to Mrs. Wu and Mrs. Ding. My two ladies will give you orders."

"Yes, my lord!"

Chapter 2114

In the palace hall,

Mrs. Wu and Mrs. Ding were both surprised when they heard Su Chen's words.

Today,

Su Chen wanted them to go to the palace together. Although they were a little confused, the two girls came to the palace hall dressed up. ,

Mrs. Wu and Mrs. Ding are both Su Chen's women.

Su Chen can let them appear in the hall with him. This is recognition of their wives' status, and it also lets the civil and military ministers know that they are Su Chen's wives..

Now,

Mrs. Wu and Mrs. Ding looked at Su Chen in a panic.

Su Chen's decision was unacceptable to them. Women cannot participate in government affairs. This is a rule set since ancient times. They all wanted Su Chen to take back this order. ,

"Husband, we....."

When Su Chen saw what Mrs. Ding was about to say, he interrupted Mrs. Ding and said,

"Madam, no need to say more"

"You are all smart and smart women. During the three months I am in seclusion, I need someone to handle some difficult things. You can do it with confidence and boldness. I will handle it for you if anything happens."

"Yes, husband!"

After Mrs. Ding and Mrs. Wu heard what Su Chen said, they both nodded in agreement.

They were also worried that if something happened that was difficult for the Minister of Civil and Military Affairs to solve during the three months of Su Chen's retreat, there might be trouble.

Wu Although Mrs. Ding and Mrs. Ding do not understand government affairs, they only need to be able to judge the pros and cons of what happened.

After Su Chen announced some orders to the civil and military ministers, he asked all the civil and military ministers to leave. Within half an hour, Su Chen This ended the court meeting.

In the harem of the palace,

Su Chen took Mrs. Wu and Mrs. Ding back to the harem.

After the young emperor Liu Xie escaped,

Cao Ren cleaned up the palace.

All the former maids and eunuchs in the palace were cleared out. , except for the guards of Commander Gan Ning and Xu Zhu, all the maids in the palace were responsible for daily life, and the eunuch Su Chen did not set up any more

"Mrs. Wu, Mrs. Ding, I have left you a large amount of money, fine wine and some elixirs in the treasure house. You can reward officials who have made meritorious services."

"Spiritual fruits, spiritual wine, spiritual tea, you sisters can decide on your own. You will all have a life span of thousands of years in the future, so don't care about some common things. Mrs. Wu nodded and replied,

"Husband, we know! Mrs. Ding looked at Su Chen and asked doubtfully,"Husband, after three months of seclusion, will you become an immortal?""

Su Chen hugged Mrs. Ding and Mrs. Wu Ji's waist and said with a smile,

"You will know this later, and you sisters will definitely be shocked in three months."

Mrs. Wu and Mrs. Ding smiled when they heard Su Chen's words.

They both knew that Su Chen was very powerful. All the generals put together were no match for Su Chen.

Su Chen could also move instantly, and he could also teleport. He can conjure items and instantly take away the items in the room. Su Chen can be said to be a god in this world.

"Husband, when did you take her in?" Su Chen was a little speechless when he heard Mrs. Ding talking about Cao Jie. Cao Jie and Xia Houying are now living in the palace, and they are even familiar with women like Zhen Mi, Huang Yueying, and Xiao Qiao. Cao Jie Although it was a deal between him and Cao Ren, when Su Chen took over Mrs. Ding, Cao Ren and the generals of the Cao family didn't care at all whether Su Chen married Cao Jie or not. Mrs. Ding made Cao Ren and the others even more jealous than Cao Jie. Don't worry. Su Chen thought for a while and said to Mrs. Ding, "Let's talk about it after I leave seclusion in three months."

"

"fair enough!"

Mrs. Ding nodded and agreed.

In fact, she was not urging Su Chen. Cao Jie and Xia Houying had both moved into the palace. They were already Su Chen's women. Mrs. Ding did not want Su Chen to marry Cao Jie and Xia Houying. They forgot about it.

After one night,

Su Chen looked at Mrs. Ding and Mrs. Wu who were sleeping.

He turned and left the room.

He was going to return today.

The secret room where Su Chen retreated was behind Mrs. Wu's palace. He didn't He asked Mrs. Mi and the girls to take him into the secret room for seclusion today. Su Chen didn't want to see the women reluctant to leave.

When Gan Ning saw Su Chen arriving, he immediately took Su Wei to salute.

"Lord!"

Su Chen nodded and ordered, "Open the secret room, Gan Ning. No one is allowed to come here from now on."

"Yes, my lord."

Su Chen said after entering the secret room,

"The Holy Soul of the Ladder is back!"

"Trialist, are you sure?" Su Chen said sarcastically when he heard the Holy Soul of the Ladder speak in an old man's tone again ,

"The old woman still wants to deceive me. Hurry up, the Emperor of Heaven is coming back."

Whoosh!

After a ray of white light,

Su Chen disappeared into this secret room.

On the 10,000th floor of the ladder,

Su Chen looked around when he appeared here. He felt that the holy soul of the ladder was going to be detrimental to him.

Boom boom boom.....

I'll do it!

Damn it, the Holy Spirit of the Ladder really wants to take revenge on him.

Su Chen quickly avoided the lightning strike.

However, he could only use the space-time gene now, and the micro wormhole could not avoid the lightning strike that struck instantly.

Although the lightning strike was not fatal and would not hurt him, the numbness all over his body made him feel uncomfortable.

After being hit several times, Su Chen threatened the Holy Soul of the Ladder,

"Old woman, if you dare to strike me with lightning again, I will never climb the 10,000-story ladder again."

"Trialist, you will end badly if you offend me. If you don't help me, in a million years, I will escape from the ladder to heaven. When the time comes, do you think I will let you go?"

Holy crap!

Can the Heavenly Ladder Holy Soul automatically escape from the Heavenly Ladder? Is there still a time limit for the Heavenly Ladder Holy Soul to be sealed in the Heavenly Ladder?

Damn it, the Heavenly Ladder Holy Soul should be an existence beyond the saint realm. If the Heavenly Ladder Holy Soul comes out of the Heavenly Ladder, there is no god or demon in the whole chaos who is the opponent of the Holy Soul of the Ladder

"Ahem, Miss Holy Soul, I was joking just now, don't take it seriously, I will definitely rescue you from the ladder as soon as possible."

The Saint Soul of the Ladder said contemptuously in a clear and melodious voice,

"Trialist, you are so shameless!" Su Chen smiled when he heard the voice of the Holy Soul woman on the ladder to heaven, and said,

"Your woman's voice is still beautiful, soft and whispering, and her voice is like the cry of an oriole. Holy soul of the ladder to heaven, you can use your woman's voice to talk to me from now on."

"Trialist, the last trial is here, do you want to start?"

"Don't worry, we haven't introduced each other yet. My name is Su Chen. I am a handsome guy who is loved by everyone. I am also the Emperor of Heaven in Xuantian Realm. Miss Holy Soul, what is your name?"

Chapter 2115

Su Chen wanted to know who the Holy Soul of the Ladder was and what the most powerful realm was in the Hongmeng world.

This will be very crucial for him in the future.

After all, as Su Chen's strength improves, he will one day meet the strong men in the Hongmeng world.

"Trialist, you are asking too much. I am not interested in talking nonsense with you. Do you want to start the trial mission?"

Su Chen smiled and said,

"Holy Soul of the Ladder, we are all old friends, can't you even let me know your name?"

"Trialist, when your strength is recognized by me, I will tell you my name."

Damn it!

It seems that if you can't get the Holy Soul of the Ladder, this girl is really difficult to deal with.

Su Chen shook his head depressedly and ignored the Holy Soul of the Ladder for now.

The next trial mission has not been chosen yet. The Battle of Jialing Pass and In the face of war, there are only two choices left.

"Holy Soul of the Ladder, start choosing the trial mission. I won't read it. Let me know when you have made your choice."

"Can!"

Su Chen looked at the ladder and sat down.

The trial of the ten thousand-level ladder was full of twists and turns.

The plot of Journey to the West could have been easily completed, but there were too many changes. The trial was successful in the end, but what about him? The reward will be deducted in half, and Su Chen will have to do a few more trial tasks.

"Trialist, the last trial mission is the Battle of Jialingguan. Your camp is the Tiandou Empire."

Holy crap!

Tiandou Empire?

It's his fault.

If it's Tiandou Empire, then doesn't he want to be in the same camp as Tang San, that dirty man?

Damn it,

Su Chen still hopes to be in the same camp as the beautiful Pope Bi Dong'er. He didn't want to be in the same camp as Tang San, that dirty man.

What does this mean now?

Are you going to compete with the beautiful Pope by killing him?

"Holy Soul of the Ladder, I want to change my camp, you must have a way to help me"

"This is impossible!"

"you can!"

"impossible!"

"You can definitely do it!"

"Triallist, either you go and participate in the trial mission now, or you give up the trial mission. I have no time to deal with you, shameless bastard."

Who am I?

Is it true that Holy Soul Girl can't do it?

It's difficult to handle now.

Should I give up this trial? Or should I kill Bi Dou'er and Qian Xue'er?

Su Chen thought about it and decided to give it a try , if it really doesn't work, he can only join the camp of the dirty man Tang San.

"Holy Soul of the Ladder, I can promise you a cause and effect to help me change my alignment."

"You're just a little scumbag and you still want to owe me karma? You'd better take a shower and go to bed"

"Damn it, holy soul girl, I am a little scumbag now, but will I still be a little scumbag in the future? I have advanced to the peak of Golden Immortal in a few years. What strength do you think I will be in a hundred years?"

"Three causes and effects!"

"Let me guess, you are taking the opportunity to blackmail me."

"It's up to you whether you agree or not!"

Su Chen was also speechless.

Holy Soul Girl can really change the camp, but now he is blackmailing him

"By the way, holy soul girl, is the Battle of Jialingguan also a small world?"

"Of course, Tang San in the Divine Fall Continent was killed by your blue grass. Do you think the Battle of Jialing Pass will still happen in the Divine Fall Continent?"

I'll go!

It's his fault.

Su Chen forgot that Tang San was killed in the Shenyun Continent.

If he went to the small world of the Jialing Pass War, Su Chen would only know the time and space gene. Wouldn't he be delivering food?

"Holy soul girl, I can agree to the three causes and effects, but you must lift my seal. There are more than thirty titled Douluo in the Jialing Pass battle. If I lose my strength, I will die. If I am still sealed and cultivated, Then I might as well give up on this trial mission."

"No, your cultivation realm is too strong. If your seal is lifted, you can directly sweep through the small world of Jialing Pass. Is such a trial still a trial?"

"Okay, that's it. Release my cultivation level below the fairyland. In addition, I have to bring my army and some of my subordinates with me. For the army, I can bring the troops from the Shenyun Continent. For my subordinates, I only bring the basket grass and the female ghosts. That's always okay"

"Can!"

"Ahem, Holy Soul of the Ladder, I have one more condition, which is very easy for you to say."

"explain!"

"I want Bi Dong'er and Qian Xue'er in the small world of Jialing Pass to have my memories, the memories between me and them in Shenyun Dali, so that I can quickly complete the trial mission."

"Shameless pervert! Start the trial mission!"

"Holy shit!"

A white light suddenly enveloped Su Chen, and Su Chen disappeared on the ladder in an instant. Su Chen instantly appeared in the small world of Jialing Pass, and also appeared in Jialing Pass. After Su Chen looked at this luxurious room, he closed his eyes and thought about his status now. I go, the general of the 200,000-strong army at Jialing Pass of the Wuhun Empire, and these troops are also his own black- armored legions and cavalry. , heavy armored cavalry, infantry, heavy armored infantry, all types of military services are available. Su Chen felt his cultivation realm, the strength at the peak of the Tribulation Realm. Such strength should also sweep the entire Jialing Pass small world. Su Chen He rubbed his forehead and whispered,

"Alas, I wonder if Holy Soul Girl gave Bi Dong'er and Qian Xue'er memories. Damn Holy Soul Girl, before he agreed to start the trial, that little girl actually sent him to this small world."

Su Chen looked at the room and then opened the door to go to Jialing Pass. He wanted to get familiar with everything here first. At this moment, in the Wuhun Empire Palace,

Queen Bi Dou'er, who was practicing, suddenly opened her eyes, and she suddenly She stood up and looked around.

After she found nothing unusual, Bi Dong'er checked the extra memories in her mind.

She was very surprised when she checked the extra memories.

"The vast Godfall Continent? Suchen? The emperor of the Xuantian Empire? Is he still Su Chen's confidante? Is he stronger than becoming a god in the Godfall Continent?"

The more Bi Dong'er looked at the extra memories, the more shocked she became.

Bi Dong'er and Su Chen met accidentally, that bastard Su Chen peeped at her for the first time, and Qian Xue'er even turned her daughter into her when she went there. That bastard regarded her as her adulterer.

The huge and powerful Xuantian Empire, with tens of millions of powerful black armored legions, she was even called the imperial concubine by the Xuantian Empire officials.

Bi Dong'er rubbed his forehead and kept whispering,

"Immortal cultivator? Is he an immortal cultivator in the Shenyu Continent? What is a cultivator? Tang San turned out to be a man who took his body and was reborn. In the Godfall Continent, Tang San was actually killed on Poseidon Island."

Chapter 2116

After Queen Bi Dong'er checked all the extra memories, her eyes also lit up.

The Immortal Cultivation Technique, Su Nu Heart Sutra, she became excited when she saw this Immortal Cultivation Technique. This technique can become an immortal, even better than hers. Being a Rakshasa God is much more powerful.

Suchen?

The guard general at Jialing Pass seems to be named Su Chen. Is this Su Chen the same person as the Su Chen in Shenyun Continent?

The Black Armor Legion, the army at Jialing Pass is also the Black Armor Legion.

Bi Donger's eyes flashed and he planned to check on Su Chen at Jialing Pass.

This was such a coincidence.

Su Chen, the Black Armor Legion,

Su Chen from Jialing Pass was coming. The world of martial arts? Are the memories she got today related to Su Chen in Jialing Pass?

Jialing Pass, after Su Chen got to know the situation around Jialing Pass, he got some information.

The battle of Jialing Pass had not started yet. Ju Douluo took the soul master to burn the grain and grass of the Tiandou Empire three days ago. Queen Bi Dong'er has not yet arrived with her army, and he is now the highest commander at Jialing Pass.

Su Chen stood at Jialing Pass and looked outside and said to himself,

"Ju Douluo and his soul master set out three days ago. It seems that Ju Douluo is going to suffer a tragedy. Tangshan has already guessed that the Spirit Empire is going to burn food and grass. Do you want to go and have a look?"

Su Chen thought for a while and decided to go take a look.

Although Ju Douluo's combat power was not very good, he didn't want Tang San to pretend to kill Ju Douluo.

Moreover, the seven monsters seemed to be spreading out to attack this time. If Tang Shan, who was able to capture Ning Rongrong's strongest support and was killed by Bi Dong'er for the first time, could he still be resurrected?

Su Chen looked at the commander of the black armored army next to him and said, "Su Wu, Jialing Pass You're in charge of guarding, and I'll go check on the situation."

"Yes, Your Majesty!"

"Don't call me Your Majesty. Please call me Your Majesty from now on. This is a small world. Tell all the black-armored soldiers that in this small world, I use my previous title, Lord Wu Xiang."

"Yes, Your Majesty!"

Whoosh!

After Su Chen finished explaining, he disappeared in Jialing Pass.

In a huge military camp a hundred miles outside Jialing Pass, in the commander's camp, the emperors of Tangshan and the Tiandou Empire, and some generals of the Tiandou Empire were discussing in front of the map. The army was deployed.

Su Chen appeared here instantly.

He looked around and smiled.

Tang Shan had not left to stop Ju Douluo. As long as he followed Tang Shan and the others out of the military camp, Ning Rongrong would be captured by him. If captured, Tangshan would be better off leaving Bi Donger to kill him.

"who are you?"

At this moment, a woman with a proud figure suddenly shouted from behind Su Chen,

"Liu Erlong?"

Su Chen turned around and saw an older beauty.

He also knew this beauty,

Liu Erlong from the Golden Iron Triangle, a Contra-level soul master. Liu Erlong's strength is a bit weak now.

Liu Erlong When Su Chen called his name, she asked in surprise, "Do you know me?"
Who are you? Why haven't I seen you?"

Su Chen looked at the beautiful imperial sister Liu Erlong and said with a smile, "Of course I know you. You are Xiao Wu's godmother and the wife of the teacher in Tangshan. No, you are the future wife of the master."

"who are you?"

"Suchen!"

"Suchen? Suchen? Why do I seem to have heard of this name somewhere?"

"Liu Erlong, of course you have heard of my name. I am the guard of Jialing Pass!"

"you....."

Liu Erlong was very shocked when she heard Su Chen's words. She immediately activated her spirit ring to kill this enemy. Liu Erlong did not expect that the guards of Jialing Pass would appear in the Tiandou Empire's camp. bump!

Su Chen saw that Liu Erlong was about to launch a soul ring to attack him, so he hurriedly sealed Liu Erlong's soul power. With a small Soul Douluo, it was not difficult for Su Chen to subdue her.

"Beauty, you are not friendly. I told you my name with good intentions, but you actually want to kill me?"

Liu Erlong didn't expect that Su Chen would control her instantly. She couldn't even use her soul power now. This made Liu Erlong very surprised.

"you.....Are you a titled Douluo? How can this be? How can you be a titled Douluo at such a young age?"

Su Chen mocked when he heard Liu Erlong's words,

"young? Tangshan should be a god, right? Isn't he younger and more powerful than me? Liu Erlong, you said that Tangshan could become the God of the Sea at such a young age, aren't you surprised at all?"

Su Chen was quite speechless about the wall-hanging guy in Tangshan.

From the very beginning, Tangshan was an unkillable little strongman, but this hanging-hanging guy was even stronger than him.

Su Chen was just a little scumbag in the beginning.

Although his strength improved, It is very fast, but it cannot be compared with Tangshan, the son of fate.

In the Shenyu Continent, if Su Chen had not killed Tangshan who had not yet grown up, Tangshan's strength might really surpass him in the future.

"Su Chen, what do you mean?"

Liu Erlong was very confused when he heard Su Chen's words.

Tangshan's soul power advanced too quickly. He was able to become a sea god in his twenties. This has never happened in mainland China.

Su Chen looked at Liu Erlong looked puzzled, then he smiled and continued,

"Liu Erlong, in the Wuhun Continent, is there anyone who can become a god at such a young age who is not only dozens of years old?"

"Not only did Tangshan become a titled Douluo at a young age, but he even became a Poseidon not long ago. Are you really not surprised at all?"

"I....."

Liu Erlong had nothing to say.

At that time, she was just happy that Tangshan could become a god. She never thought about why Tangshan could advance to become a god at such a young age.

Liu Erlong still feels strange when he thinks about it now.

Tangshan's stable character is nothing like that of a young man.

There are also those powerful and terrifying hidden weapons. How could Tangshan know how to make those powerful hidden weapons? She had never heard of a teacher in Tangshan who could make concealed weapons.

"Liu Erlong, do you want to know the true origin of Tangshan?"

"What is the origin of Tangshan?"

"Haha, Liu Erlong, why should I tell you? Why should I tell you if there is no benefit?"

Liu Erlong snorted coldly when he heard Su Chen's words, "You...., hum, you definitely don't know either."

Su Chen crossed his shoulders and shook his head.

"Liu Erlong, don't use aggressive methods on me. It's of no use to me. It's very simple to know the true origin of Tangshan. Just kiss me and I will tell you the true origin of Tangshan."

Liu Erlong didn't expect that Su Chen was so shameless. She was already dozens of years old, and this little bastard dared to take advantage of her.

Liu Erlong couldn't wait to crush this shameless little bastard.

"Bah, you're looking for death. I won't kiss you even if I die. It doesn't matter who Tangshan is. I just need to know that Tangshan is a kind-hearted child."

"Yeah? What if Tangshan is planning to destroy the entire Wuhun Continent? Is such a person still kind-hearted?"

Chapter 2117

Su Chen also wanted to cause some trouble for Tangshan.

If all Tangshan's friends knew that he was a time traveler, would this cause conflicts between them?

Will Ning Rongrong and those six people reject Tangshan? After all, Tangshan is a man of several decades, but he still pretends to be young, and even wants to keep the little rabbit away from the old cow.

Liu Erlong couldn't calm down for a long time after hearing Su Chen's words.

Tangshan was going to destroy Wuhun Continent?

How can this be?

It is impossible for Tangshan's character to destroy Wuhun Continent. This little bastard is probably talking nonsense.

Liu Erlong stared at Su Chen and said coldly,

"Little bastard, I don't believe what you say. Since you have caught me, you can kill or cut me into pieces. But if you dare to insult me, I won't let you succeed even if I commit suicide."

Su Chen shook his head when he heard Liu Erlong's words and said,

"Then it's up to you, Liu Erlong. In fact, you shouldn't like that master. He is really not a person who is entrusted with life. Do you know what happened between the master and Bi Dong'er?"

"Of course I know, I know exactly who Xiaogang is, and you shouldn't sow discord here."

Su Chen said to Liu Erlong with a serious face,

"Sow discord? No, you are wrong, I will personally twist off that master's head"

"Bi Dong'er was insulted by the previous pope and even threatened to kill the master so that Bi Dong'er could stay with him."

"Bi Dong'er stayed in Wuhun Hall for Yu Xiaogang. Do you know how painful Bi Dong'er's decision was? Later, Bi Dong'er was so powerful that he killed the previous pope, but Yu Xiaogang also abandoned Bi Dong'er."

"You said that if a woman is severely hurt twice, will Bi Dong'er's temperament change drastically?"

"And even though Bi Dong'er's temperament changed drastically, she never took action against Yu Xiaogang. Do you know the pain in her heart?"

When Su Chen was watching the plot, he looked down on Yu Xiaogang, a master of theory.

If Bi Dong'er hadn't protected Yu Xiaogang, he would have been killed many times.

Yu Xiaogang even tried to save Tangshan, he also shamelessly plotted against Bi Dong'er.

If Yu Xiaogang hadn't taken advantage of Bi Dong'er, would Tangshan be able to survive till now? Such a ruthless person is even more hateful than a scumbag.

Liu Erlong heard what Su Chen said She fell silent.

She could guess Bi Dong'er's pain.

She had also had such an experience.

Liu Erlong didn't know how to evaluate Bi Dong'er, but Yu Xiaogang did something wrong.

Yu Xiaogang could accept Bi Dong'er at that time. Dong'er,

Bi Dong'er will definitely fly away with Yu Xiaogang, and there won't be so many wars in the mainland.

Su Chen looked at the silent Liu Erlong and continued,

"Liu Erlong, I am not saying this to sow discord. If you like Yu Xiaogang, do you know that Yu Xiaogang likes you? Or do you sympathize with you for waiting all these years?"

"Although Yu Xiaogang accepts you, does he like you? Or do I accept you only because I sympathize with you? I think you should understand in your heart"

"I...."

Liu Erlong opened her mouth and didn't know what to say.

She knew in her heart that Yu Xiaogang didn't really like her. In the past, it was because they were from the same family. Later, Liu Erlong knew that she was adopted by the family, and Yu Xiaogang also didn't like her after he found out. Not with her.

Liu Erlong also understood that Yu Xiaogang didn't like her. Did Yu Xiaogang really sympathize with him when he accepted him?

Su Chen saw Liu Erlong meditating, and he had the mental strength to continue checking Tangshan. He didn't want all the people in Tangshan to leave in a blink of an eye.

Huh?

Why did Zhu Zhuqing come here?

Su Chen suddenly found that Zhu Zhuqing was very speechless.

If only Ning Rongrong had arrived,

Su Chen could catch Ning Rongrong without any effort. However, Ning Rongrong was not found in the military camp. He guessed that Ning Rongrong should I don't know what to do with that sausage man

"Su Chen, who is Tangshan? Tell me!"

Damn it, has Liu Erlong forgotten that she is a prisoner now?

Why is this beautiful woman still speaking so irritably to him?

Su Chen glanced at Liu Erlong.

He didn't want to deal with this hot-tempered woman.

Zhu Zhuqing was coming soon.

Su Chen thought about whether to capture Zhu Zhuqing, who was growing rapidly.

Zhu Zhuqing played a small role in the war.

Among the seven, Ning Rongrong was the key presence. Strong and helpful support was crucial in the war.

"Little bastard, you didn't listen.....Woohoo!"Liu Erlong was asking Su Chen angrily, but before she finished asking, Su Chen suddenly hugged Liu Erlong and kissed him. Liu Erlong struggled hard.

But after losing his soul power,

Liu Erlong was An ordinary woman, she simply couldn't struggle out of Su Chen's arms

"Sorry to bother you."

At this time,

Zhu Zhuqing had just entered the room. She suddenly saw Liu Erlong and a strange man making out.

Zhu Zhuqing blushed and hurriedly backed out. Who was that young man?

Why was Liu Erlong in the room with a young man? Are they making out in the room? Could it be that Liu Erlong and the master are having a falling out again? But isn't their relationship good these days?

Zhu Zhuqing was confused when she stood outside the room.

She didn't understand why Liu Erlong was making out with a young man. , Liu Erlong betrayed Tangshan's teacher.

What should we do about this matter?

Should we tell the master?

Should we tell the other six people?

Zhu Zhuqing patted his forehead and didn't know what to do.

Zhu Zhuqing felt helpless after thinking about it. After leaving, she had to think about how to deal with this matter. It was really difficult for her to handle Liu Erlong's change of heart, and she didn't dare to tell anyone.

"Shameless bastard, I'm going to kill you!"

After Liu Erlong was let go by Su Chen, she yelled in shame and hit Su Chen, but Liu Erlong forgot that her soul power was sealed, and she beat Su Chen a few times, but it was innocuous, even if it hurt Su Chen. A morning massage is almost the same.

Su Chen hugged the plump Liu Erlong and said, "Tangshan is not from this world, he is a person who has taken over his body and been reborn.""

"What? Tangshan is not from Wuhun Continent? This Tangshan actually usurped Tangshan in Wuhun Continent?"

Liu Erlong also forgot to look at the struggle after hearing Su Chen's words.

He is not from this world?

He is reborn by taking his body?

Isn't this true?

Are there other worlds outside the Wuhun Continent?

Su Chen nodded and continued. ,

"Yes, Tangshan comes from a martial arts world"

"He is an outer disciple of the Tang Sect in the martial arts world. After he was discovered for stealing the sect's most treasured skills, Tang Shan also inadvertently traveled to the Wuhun Continent and even took away Tang Shan's body as a baby."

"Tang Sect is a powerful sect in making hidden weapons. Now you understand why Tangshan is able to make hidden weapons without any teacher."

Liu Erlong was very shocked when he heard Su Chen's words,

Tang Clan?

No wonder Tangshan would establish the Tang Clan. It turned out that Tangshan was a traitor to the Tang Clan in the martial arts world. He actually stole the sect's treasure and shamelessly used it in the martial arts world. Establishment of Tangmen in Mainland China

"It turns out that's the case. No wonder Tangshan knows so much. He is actually a person who has been reborn. Doesn't that mean that Tangshan is older than himself? Damn it, Xiao Wu, my daughter Xiao Wu cannot be deceived by Tangshan."

Chapter 2118

Su Chen smiled when he heard Liu Erlong's words.

Liu Erlong seemed to believe what he said.

However,

Tangshan had such achievements at a young age. Anyone who knew Tangshan would be suspicious.

Tangshan is as calm as his age and has an endless supply of hidden weapons, which will attract other attention and suspicion.

Su Chen is not sure why Zhu Zhuqing and the others did not suspect Tangshan, but even Tangshan's father did not suspect Tangshan, which is a bit unreasonable. Tangshan's father should be the person who knows Tangshan best. How come he has never doubted it?

"Little bastard, let me go!"

Suddenly,

Liu Erlong found that Su Chen was still hugging her, which made her look ugly and cursed,

"Well! forgotten!"

Su Chen reluctantly let go of Liu Erlong.

This beauty's figure was so good and so soft that Su Chen didn't want to let go.

Liu Erlong glared at Su Chen and said, "Untie my seal. , I am going to test Tangshan. If what you say is true, I will not let Xiao Wu continue to be deceived by Tangshan."

"Can!

Su Chen unlocked her seal after hearing Liu Erlong's words.

He was not worried about Liu Erlong telling Tangshan that he was here. If Liu Erlong exposed himself, he would leave instantly.

It was very easy for Su Chen to kill all the people in Tangshan, but if he killed all these people, what would happen to the Jialing Pass War? Without the Battle of Jialing Pass, how could he complete the trial mission?

Liu Erlong looked at Su Chen in surprise and asked, "You actually lifted my seal?"

After Liu Erlong was lifted from the seal by Su Chen, she gathered her soul power and prepared to activate her soul ring to kill this little bastard. She had just been insulted by this little bastard.

Yu Xiaogang had never touched her, but Liu Erlong was forcibly kissed by this little bastard. If she didn't kill this shameless little bastard, she would never be happy in her life.

Su Chen also discovered that Liu Erlong was going to take action against him.

He shook his head and warned,

"Liu Erlong, with your Contra-level strength, it would only take me an instant to control you. You'd better not attack me again, otherwise, I will still kiss you. Liu

Erlong cursed angrily at Su Chen,

"Shameless!"

Liu Erlong had no choice but to release the gathered soul power.

This little bastard was too powerful.

She was no match for this little bastard. Liu Erlong didn't want to be forcibly humiliated by Su Chen anymore.

Liu Erlong glared at Su Chen He said,"Little bastard, you wait here, I'm going to test Tangshan now."

Su Chen shook his head and said,

"No need, Tangshan just left"

"You know that?"

"I have been observing Tangshan. He just left with some people. Tangshan should have gone to rob and kill Ju Douluo."

Liu Erlong was speechless when he heard Su Chen's words.

This little bastard actually knew everything. Can the war between Tiandou Empire and Wuhun Empire really be won?

Su Chen checked where Tangshan was going, and he asked Liu Erlong Erlong said,

"Liu Erlong, do you want to see how Tangshan robbed and killed Ju Douluo's soul masters? Liu

Erlong mocked when he heard Su Chen's words,

"Are you going to kill Tangshan? Little bastard, stop dreaming. Tangshan is already a god, and he also has a god of the sea. With your title Douluo strength, you are looking for death."

Su Chen glanced at Liu Erlong and said,"I didn't say that I wanted to rob and kill Tangshan. Tangshan's life belongs to Queen Bi Dong'er. I just wanted to destroy Tangshan and rob and kill Ju Douluo."

"snort!"

"Humph, just say yes if you want to go. If you don't want to go, I will go by myself."

Liu Erlong said angrily with anger,

"Little bastard, one day I'm going to crush you, and I'll go with you."

Su Chen hugged Liu Erlong and suddenly disappeared into the room.

He was too lazy to chat with Liu Erlong anymore. Su Chen would have plenty of time to train this hot-tempered beauty in the future.

Three days later,

Wu The army of the Soul Empire was dispatched to Jialing Pass.

Hundreds of thousands of troops and soul masters were like a long dragon, rushing towards Jialing Pass.

In a luxurious carriage,

Queen Bi Dong'er and Qian Xue'er were sitting in this carriage. ,

Qian Xue'er kept looking at Bi Dong'er.

The memory Qian Xue'er got three days ago shocked her very much. She didn't know whether it was true or false at first.

But after she practiced the Plain Girl Heart Sutra, Qian Xue'er clearly felt Her soul power has increased significantly, and her angelic godhead has even become more powerful.

In the past three days, her soul power and strength have increased by at least 10%, which makes Qian Xueer have to believe that the extra memories are true.

The vast Shenyun Continent, the huge Xuantian Empire, the powerful Black Armor Legion, and even the Emperor Su Chen of the Xuantian Empire, Qian Xueer no longer doubts that these are fake.

There is also the mysterious ladder to heaven.

Qian Xueer didn't expect that herself in Shenyun Dali would actually experience the magical ladder with that concubine.

Even that concubine actually climbed to the ten thousandth floor. The other self could not hold on after climbing more than a thousand floors.

That concubine How powerful is it?

Is Su Chen from Jialing Pass that concubine?

Qian Xueer looked at her mother and asked teasingly, "Queen, your concubine is in Jialing Pass?"

Bi Dong'er had an indifferent expression and was thinking about Su Chen in Jialing Pass. How would she face that Su Chen when she arrived at Jialing Pass, and even whether that Su Chen would be the Su Chen in Shenyun Continent.

But she heard After hearing Qian Xueer's words,

Bi Dong'er asked hurriedly with a surprised look on his face,

"Um? Xue'er, you also got the memory of another you in the Shenyun Continent?"

"Queen, did you also get those memories?"

Qian Xue'er didn't expect that her mother also got that memory. What on earth is going on? Is it because her mother in the other world is the princess of Su Chen?

Bi Dong'er nodded and said coldly,

"Yes, I got some memories three days ago. I didn't expect that you also got another memory of you."

"Is Su Chen from Jialingguan your concubine?"

Bi Dong'er said sternly with an indifferent look on his face,

"Qian Xue'er, don't talk nonsense, what kind of concubine? I don't know Su Chen at all.
Qian

Xue'er smiled and said, "Haha, the other one is Su Chen's imperial concubine. I think you have also practiced the Su Nu Heart Sutra. That powerful technique is very powerful.""

Bi Dong'er frowned and whispered,

"Su Chen, Black Armor Legion, Su Chen from Jialing Pass couldn't really have come from the Divine Meteor Continent, right? Qian

Xue'er nodded and explained,

"Queen, this is very possible"

"In my memory, I have Su Chen's experience of climbing the ladder. The mysterious ladder can allow trialists to reach any world trial. I guess that Su Chen should be on the ladder trial mission, so he appeared in Jialing Pass normally.."

Chapter 2119

Bi Dong'er heard Qian Xue'er talking about the ladder to heaven, and she also had the impression in her memory that climbing the ladder to the sky could quickly improve her strength.

The other person in Shenyun Continent, since she climbed the ladder to the sky, her strength has almost become an immortal.

Overcome the tribulation realm!

This is three realms higher than her Rakshasa God.

The first level of the Soul God should be her current strength.

There are the second level of the Soul God, the third level of the Soul God, and finally the Tribulation Realm of cultivating immortals. As long as she can cross the sky. If you can become an immortal in just a few tribulations, what realm does an immortal exist in?

Bi Dong'er is also very yearning for the Gods and Buddhas Continent. The four continents, the four cultivation systems, and the power of the immortal cultivators all make Bi Dong'er want to take a look at the Gods and Buddhas Continent.

In the Tiandou Empire, there is a small town.

This empty town has no civilians. The Tiandou Empire's army moved the residents of the town to another place. This is now the transit station for the Tiandou Empire's grain and grass.

Su Chen and Liu Erlong arrived here today.

They had followed Tangshan all the way here in the past three days. Su Chen also met Ning Rongrong as he wished. This little beauty had just arrived from the Star Luo Empire with Oscar.

Liu Erlong and Su Chen stood on a tower.

They looked at the mountains of grain and grass piled up in the town square. There were tens of thousands of troops around them protecting the grain and grass here, and Tang San and Xiao Wu were also on guard in the square. Liu Erlong was very puzzled when she

saw that Su Chen did not burn the food and grass. Su Chen was the guard general of Jialing Pass. This shameless pervert was indifferent even when he saw the soul masters of the Wuhun Empire being killed. This time, there were hundreds of thousands of troops gathered in the small town for half a month, but Su Chen didn't even bother to burn the food and grass here. Liu Erlong asked Su Chen puzzledly,

"Su Chen, why haven't you helped the spirit masters of the Spirit Empire in the past three days? Are you just going to watch those soul masters being killed? And why don't you burn the food and grass here?"

Su Chen shook his head and said,

"This is not what I should do, Liu Erlong, the Tiandou Empire and the Wuhun Empire are fighting at Jialing Pass. The Tiandou Empire is destined to not win. It doesn't matter if we have this food or not. Liu

Erlong looked at Su Chen and said disdainfully, "Hmph, the Tiandou Empire will not lose!"

"Ha ha...., "

Su Chen laughed and said to Liu Erlong,

"Liu Erlong, why don't we make a bet? If the Tiandou Empire wins this war, I will let you do it. If the Wuhun Empire wins, you will be my woman."

"Don't even think about it!"

"how? Are you scared?"

"Will I be afraid?"

"Then why don't you dare to bet with me? Liu

Erlong said to Su Chen with a fierce look on his face,

"Just bet, little bastard, if I win, you will wait until I crush you."

Damn it, why did Liu Erlong's words make him feel cold between his legs? Doesn't this Liu Erlong want to crush his little brother?

Su Chen shook his head speechlessly,

Liu Erlong... The big beautiful girl is really a hot girl, she dares to say such tough things

"Liu Erlong, don't regret it!"

"I will never regret it at all, little bastard, what if you regret it?"

"Don't worry, if the Spirit Empire is defeated, what do you think will happen to me? Killed? Or captured?"

"You are dead!"

After Liu Erlong glared at Su Chen, she looked at the town square with blank eyes.

In the past three days,

Liu Erlong discovered that Su Chen was not a bad person.

In addition to being a pretty boy, this little bastard even had some Lustful, Liu Erlong has been getting along well with this little bastard in the past three days. At least this powerful little bastard has not forced and abused her anymore.

"Maybe!"

Su Chen shook his head and continued to look around.

Ju Douluo should arrive in the evening.

There is still less than half a day before the evening.

Su Chen decided to catch Ning Rongrong. After the battle here, he went directly Take Ning Rongrong back to Jialing Pass.

Of course, you have to take this beautiful girl with you too.

"Liu Erlong, I have to do something. I should be back in an hour. You can wait here for me to come back."

Liu Erlong looked at Su Chen and asked doubtfully,

"Little bastard, aren't you worried about me escaping?"

Su Chen smiled and reminded,

"It's up to you, Liu Erlong. If you escape, I'll catch you again at worst. It won't be a problem for me."

"However, if I catch you again, I will kiss you again. I am really looking forward to your sexy little mouth."

When Liu Erlong heard Su Chen's words, he cursed in shame and anger,

"Get out of here right away."

Liu Erlong is also helpless with this little bastard.

She has no intention of escaping at all, and this little bastard's elusive teleportation is too terrifying.

Liu Erlong still doesn't know what Su Chen's martial spirit is. This little bastard The bastard can move instantly without using martial arts. She is very frightened by Su Chen's ability.

"Goodbye beauty, see you soon!"

Su Chen quickly hugged Liu Erlong, touched her, and quickly disappeared next to Liu Erlong.

"asshole!"

Liu Erlong was suddenly hugged by Su Chen, and even had his sensitive parts touched by this little bastard.

She wanted to tear that shameless pervert apart, but Su Chen suddenly disappeared in an instant, and Liu Erlong touched her They were very embarrassed and angry afterwards.

On a mountain,

Ning Rongrong and Oscar had just killed a group of spirit masters from the Spirit Empire.

They had completed their blocking mission.

The grain and grass transportation team of the Tiandou Empire had not been destroyed either. Ning Rongrong and After Oscar looked at the transport team, they were also preparing to return to the Tiandou Empire's camp to meet up with the others.

Oscar looked around and said to Ning Rongrong,

"Rongrong, let's leave, there are no soul masters from the Spirit Empire around here!"

Ning Rongrong smiled and nodded, "Okay, Xiao Ao, let's go back!"

Whoosh!

Suddenly,

Su Chen appeared next to Ning Rongrong. He quickly hugged Ning Rongrong and sealed her soul power.

"who?"

A stranger suddenly appeared and even hugged his girlfriend Ning Rongrong.

Oscar shouted angrily,

"Bastard, let Rongrong go!"

Su Chen didn't pay attention to Oscar, and he didn't want to kill Oscar.

The Battle of Jialing Pass still requires the arrival of these people. Without the other six monsters, the Battle of Jialing Pass would be much worse.

Su Chen reached out and touched Ning Rongrong's hand. The little face smiled and asked, "Little beauty, are you scared?"

Chapter 2120

Ning Rongrong was very scared.

Ning Rongrong did not expect that a powerful person would suddenly appear and seal her soul power instantly. This powerful person even hugged her and touched her face.

After Ning Rongrong heard Su Chen's words, she reacted and struggled hurriedly in shame and anger.

"Let me go!"

Su Chen smelled Ning Rongrong's hair and said with a smile, "Let you go? Little beauty, do you think it's possible?"

"you wanna die!"

Oscar couldn't help it anymore.

He opened the soul ring and was about to save Ning Rongrong. Oscar couldn't watch Ning Rongrong being insulted by Su Chen.

Whoosh!

Touch!

Su Chen appeared next to Oscar in an instant holding Ning Rongrong.

He Before Oscar could react, Su Chen kicked Oscar away. If Oscar hadn't activated his soul ring defense, Su Chen's kick would have seriously injured Oscar.

"Xiao Ao!"

Ning Rongrong saw Oscar vomiting blood after being kicked, and she screamed in worry.

Ning Rongrong felt that Su Chen should be a peerless Douluo. She and Oscar were not even afraid of ordinary titled Douluo, but they faced Su Chen didn't even have the ability to resist at all.

Seeing Oscar being kicked and vomiting blood, Su Chen was very disdainful. He was a scumbag Contra. He didn't use all his strength just now, otherwise Oscar would be kicked to death by him.

"Boy, you had a great time killing the soul masters from the Wuhun Empire just now. Do you want to feel what it feels like to be killed?"

"who are you?"

Oscar looked at Su Chen in surprise.

This person is not a Titled Douluo.

Titled Douluo is not very powerful at all.

Moreover, Oscar discovered that this person did not use a soul ring at all. A person who did not use a soul ring could kill him instantly. He was seriously injured after being kicked. Could this mysterious man be a peerless Douluo?

Su Chen hugged Ning Rongrong's soft waist and said,

"Oscar, you will know who I am in the future. I will spare your life this time. However, your future wife belongs to me. If you want to save Ning Rongrong, then come to Jialing Pass."

Oscar asked in surprise,

"Are you from the Wuhun Empire?"

Su Chen nodded and said,

"It can be said that, boy, you have to come to Jialing Pass as soon as possible, otherwise Ning Rongrong and I may have children as time passes. I will wait for you and your friends to arrive at Jialing Pass."

Su Chen said and took Ning Rongrong and disappeared in an instant.

He didn't want to waste time here.

Ning Rongrong has already obtained it.

Su Chen's purpose of coming out this time has been half completed.

If the town destroys Tangshan and robs Ju Douluo again, ,

Su Chen's purpose of coming out this time was accomplished, and he could also go back to Jialing Pass and wait for the arrival of the beautiful Queen Bi Donger. When

Oscar saw Su Chen disappearing instantly with Ning Rongrong, he cursed angrily,

"Bastard, if you dare to raise a hair against Rongrong, I, Oscar, will definitely kill you."

Oscar was very nervous. The mysterious man looked like a pervert. Ning Rongrong was taken away by the mysterious man. He was really afraid that Ning Rongrong would be humiliated by the mysterious man.

"No, go back and inform Tangshan quickly. Ning Rongrong cannot be captured by that mysterious man."

Oscar covered his chest and used his soul skills to create a big sausage.

He hurriedly ate it to recover from his injuries.

Oscar had to rush to notify those people in Tangshan to save Ning Rongrong. Ning Rongrong must not be insulted by that mysterious man.

In the small town,

Liu Erlong was waiting boredly for Su Chen's arrival.

She looked at Tangshan and Xiao Wu in the square and shook her head. Liu Erlong was less than a thousand meters away from Tangshan and Xiao Wu, but it was so close. Due to the distance, not only did the army in the square fail to notice her, but even the ninety-three-level Tangshan did not notice her.

Tangshan was a ninety-three-level titled Douluo. He also inherited the Poseidon divine personality and possessed the artifact Poseidon Trident. But Tangshan didn't notice himself, who was nearby.

Spatial shielding?

Su Chen's spatial shielding couldn't even detect the quasi-god Tangshan. How powerful is that little bastard?

Boom boom boom.....

At this time, the square was suddenly attacked.

Hundreds of soul masters suddenly appeared from a distance. They launched their soul skills to quickly attack the army in the square. Hundreds of the troops in the square were killed by these soul masters in an instant.

Liu Erlong looked towards the square and whispered in surprise,

"The soul masters of the Wuhun Empire, didn't that little bastard say that these soul masters can only come at night? Why has it arrived now? Is the Titled Douluo Ju Douluo also here?"

A general from the Tiandou Empire hurriedly ordered loudly,

"Defense, these are the soul masters of the Wuhun Empire, protect the food. The food must not be burned by the soul masters of the Wuhun Empire."

"kill!"

A Soul Douluo from the Wuhun Empire waved his hand and ordered, this is the grain and grass transfer station of the Tiandou Empire. As long as the grain and grass here are burned, the Tiandou Empire will lose one-third of the grain and grass. This pair of Wuhun Empire The empire's war is of vital importance.

In the square,

Xiao Wu watched the army fight with the soul masters of the Wuhun Empire, but the ordinary army was no match for the soul masters. She looked at the troops who were constantly being killed, and she wanted to rush up and kill those soul masters.

But Tang Shan never spoke, and

Xiao Wu didn't know why.

"Brother, why don't we take action?"

Tangshan looked outside the square and shook his head and replied,

"No, there is a titled Douluo next to me. I have to wait for him to appear. The Tiandou Empire's army can resist for a while. Xiao Wu, don't worry.

Xiao Wu was surprised when she heard Tang Shan's words and asked, "Title Douluo? who is it?"

"Ju Douluo!"

"What? Ju Douluo? Brother, if we kill Ju Douluo later, we will avenge Da Ming and Er Ming."

When Xiao Wu heard that it was Ju Douluo, she became very angry. Both Da Ming and Er Ming were killed by Ju Douluo's people. Xiao Wu wants to avenge Da Ming and Er Ming. Ju Douluo will definitely do this this time. I'm going to die here.

Tang Shan patted Xiao Wu on the shoulder and said,

"Don't worry, as long as Ju Douluo dares to appear, I will definitely kill him to avenge Da Ming and Er Ming."

"Um!"

"The sixth soul skill, Golden Rui Flowing Clouds!"

At this time, a person suddenly appeared in the air.

He activated his soul skill and transformed into a huge Babel chrysanthemum. Countless petals accompanied by powerful soul power were shot out. The petals quickly attacked the surrounding troops like meteors.

"The fourth soul skill, Lanyin Prison!"

Tangshan saw the person appearing in the air, and he quickly activated his soul ring and soul skills to protect the army in the square.

In the square, countless basket vines formed a huge prison cage. This sparkling basket cage covered Throughout the square, the flower petals shot from the air were blocked by Lan Yin's prison.

"Tangshan, you deserve to die, I want to avenge the old ghost!"
