

Zongwu 2251

Chapter 2251

In the Angel Meeting Hall,

Su Chen and Angel Ruoning disappeared in an instant.

Queen Kesha of Merlot Heaven no longer welcomes his arrival, and the angels are no longer friendly to him. It is impossible for Su Chen to stay in Merlot Heaven with shamelessness.

A void world?

A monster without a smart mind?

And it's also a powerful monster?

Su Chen felt that the void world was not an ordinary void world. The void world should be a realm. Otherwise, it would be very abnormal for a small monster to have the realm of a mysterious immortal.

Su Chen planned to learn about the Void World first.

As for the Super God World,

Su Chen wanted to wait for a while and see. If that didn't work, he would dispatch a combat legion to conquer the Super God World.

In the main hall,

Queen Kesha and many angels saw Su Chen disappear, and even took away the angel Ruoning.

The hall fell silent for a moment.

The news just now shocked Queen Kesha and the angels.

The Xuantian Realm wanted to conquer their world as a subordinate world, and the Void World wanted to destroy their world.

Both worlds were It is much stronger than their world, and their world is simply unable to resist the invasion of any world.

Angel Yan saluted Queen Kesha, 24

"Queen, what should we do about the void world? Do you want to inform the whole universe?"

After Angel Leng heard what Angel Yan said, she thought that Su Chen had taken away Angel Ruoning. Angel Ruoning was her master and a traitor to Mero Heaven. Angel Leng was responsible for Su Chen taking away Angel Ruoning. Very dissatisfied,

Angel Leng stood up and loudly said to Angel Yan,"Angel Yan, not only the void world, but also the Xuantian realm, these two worlds are trying to invade our world."

Angel Yan said with a serious face,"Angel Leng, the Xuantian Realm only wants to conquer our world, and the Void World wants to destroy my world. These cannot be generalized."

Angel stared at Angel Yan coldly and snorted,

"Hum, Angel Yan, have you not forgotten your man? Your man will be our angel's enemy sooner or later, Angel Yan, I advise you not to think about that Su Chen anymore."

Angel Yan was silent when she heard Angel Leng's words,

Su Chen?

She has not forgotten that pervert, but she guessed that Su Chen might not be able to help himself, and Su Chen probably didn't want to invade their world.

It's just that in the Xuantian realm Emperor of Heaven, this is a saint who is so powerful that it makes people despair. Can Su Chen oppose the order of a powerful saint ? Su Chen is just a Taiyi Golden Immortal. Even if he wants to oppose the order of Emperor of Xuantian Realm, it is impossible. Kesha The queen waved her hands and said,

"Don't say anything anymore, Yan, immediately gather all the guard-level angels and high-level angels in Angel Nebula. In three years, maybe less than three years, the war will come. The spiritual swords and resources left by Su Chen will be allocated to the guards. Junior Angels and High Angels."

Angel Yan quickly saluted and replied,

"Yes, Queen!"

Queen Kesha looked at all the angels in the hall and ordered,

"War is coming. This is a war we have never encountered before. The enemy is very powerful, but we angels are not afraid of the enemy's power. Angels, are you ready for war?"

"Fight for the queen, fight for justice, and die without regret!"

"Fight for the queen, fight for justice, and die without regret!"

"Fight for the queen, fight for justice, and die without regret!"

Hundreds of angels in the hall raised their flaming swords and shouted.

The angels here know that the enemy is very powerful, but they are not afraid of death.

They are angels, the angels of Queen Kesa, and they protect the order of justice. Angels, for Queen Keisha, for the order of justice, angels are ready to die for Queen Kesha, for the order of justice. (To read Baoshuang novels, go to Feilu Novel Network!)

Queen Keisha looked at the beautiful angels below. They, she thought for a moment and then issued a war assembly order with a serious face.

Although the angels in Merlo Heaven are powerful, the monsters in the void world are even more powerful.

Queen Keisha wants to gather all the angels scattered in the universe..Three years!

During these three years,

Queen Kesha decided to spend all her resources to improve the strength of the angels.

"Angels, I am Queen Keisha, all retired old angels, all angels scattered throughout the universe, I issue a first-level war assembly order as the Angel Queen of Merlot Heaven, and all angels will return to Merlot Heaven immediately."

"Angels, I am Queen Keisha, all retired old angels, all angels scattered throughout the universe, I issue a first-level war assembly order as the Angel Queen of Merlot Heaven, and all angels will return to Merlot Heaven immediately."

"Angels, I am Queen Keisha, all retired old angels, all angels scattered throughout the universe, I issue a first-level war assembly order as the Angel Queen of Merlot Heaven, and all angels will return to Merlot Heaven immediately.."

In the entire Angel Nebula, and even in the entire universe, all the female angels have received Queen Kesha's orders in the dark communications. There are thousands of angels in the Angel Nebula, and they all have expressions of disbelief.

Level 1 War assembly order?

This is the war order with the highest combat readiness of Merlot Heaven. Will Merlot Heaven be invaded by a powerful enemy?

From all over the universe, beautiful angels fly out from different planets, and they quickly move towards the discovery of the Angel Nebula. Fly away.

These angels are all about 10,000 to 25,527 years old.

They are all retired old angels. However, under the recruitment of Queen Kesha, retired old angels have no hesitation to put on their armor again and serve the angels. The nebula gathered.

At this time

, Su Chen took Angel Ruoning and returned to the earth in an instant.

In a city filled with smoke, Su Chen took Angel Ruoning to an unspoiled villa.

Su Chen watched what happened in the city war, he whispered doubtfully,

"Why did Taotie and Lieyangxing get into a fight? Could it be that the Earth no longer has the help of angels and the Sun Star will help the Earth? Or are Lieyang Star and Taotie fighting for territory on Earth?"

Angel Ruoning was motionless next to Su Chen.

Everything she heard in the Merlot Heavenly Angel Meeting Hall made Angel Ruoning very frightened. The

Xuantian Realm, the Void World, the monsters of Xuancian, Taiyi The Golden Immortal Su Chen, a saint so powerful that people despair, Angel Ruoning still feels like he was dreaming just now.

Su Chen waved his hand and turned the villa spotless. He sat on the sofa and gave orders to Angel Ruoning. road,

"Angel Ruoning, you will be my slave from now on. Now go and find out why Lieyang Star and Taotie are at war. Don't think about escaping. You should know that you can't escape from my grasp."

"Yes, master!".

Chapter 2252

The cosmic vibration of the super god world shocked many big forces.

The Death Song Academy, the Fierce Sun Star, the Demons, the Triangle, and the planets of various races in the universe. These forces all sent people one after another to check why the universe It will vibrate.

In the sky of the earth, in Demon One,

Morgana was about to break through the fourth-generation divine body. She suddenly heard Kesha's first-level summons order.

This made Morgana very shocked.

Merlot Heavenly Court's first-level war summons order is the most advanced war summons order.

Since Kaisha's Bichi established Merlot Heavenly Court, the first-level war summons order is of no use. Pass.

After the cosmic shock,

Kaisha's Bitchi actually used the first-level war call order. What big thing happened?

Whoosh!

Morgana immediately appeared in the command room of the battleship.

She looked at the demon leader Atuo and ordered,

"Atuo, something big is going to happen in the universe. Gather all the demons immediately. We must deal with the coming crisis!"

A'tuo asked with a surprised look on his face, "Queen, what big thing happened?"

Morgana shook her head and replied,

"It's unclear, but the Merlot Heavenly Court has issued a first-level war call order. All the old angels, and even all the angels outside have been recalled to the Merlot Heavenly Court. Kesha's Bichi must have encountered a crisis."¹⁵³

"Queen, what does it have to do with us demons when angels are in crisis?"

"You idiot, haven't you felt the vibration of the universe? Angels have encountered a crisis, which means that the entire universe will encounter a crisis, and we demons must also prepare for the coming crisis."

"Yes, Queen!"

Morgana frowned and couldn't figure it out.

Angels are the most powerful existences in the universe. Kesha's Bichi also claimed to be the king of gods. What crisis made Kesha recall all the angels in the universe?

Su ? Where's Chen?

That bastard won't have an accident in the Angel Nebula, right?

Morgana shook her head thinking about this.

If Su Chen had an accident in the Merlot Heavenly Court, then she wouldn't be able to protect him even more. Kesha, that Bichi If she is not the opponent of the unknown enemy, it is even more impossible for her to be the opponent of the unknown enemy.

Forget it, the top priority is to advance to the fourth generation of sacred bodies first.

Earth,

Yuhang City

In a luxurious villa,

Su Chen was lying on the sofa and watching boredly Soap opera, although there is no electricity or Internet, these are not problems for Su Chen (ceba).

He also did not check the battle between Lieyang Star and Taotie.

Su Chen planned to take a good rest.

He would encounter them every time he went out. Some changes have occurred. This time there are still about three years left. Su Chen can take a rest and see which world will invade the super god world.

Is it the so-called void world?

Or is it a powerful realm?

Whoosh!

At this time, if the angel Ning returned to the villa in a state of embarrassment, with blood still flowing from her stomach.

"Owner!"

Su Chen looked at Angel Ruoning and asked,"Angel Ruoning, I just asked you to find out some information. Why are you so embarrassed?"

Angel Ruoning immediately replied respectfully,

"The master is Pan Zhen from Lieyang Star. I was discovered by Pan Zhen just after I arrived at the battlefield."

"Pan Zhen? laugh! A schemer looking rude."

Su Chen heard that Angel Ruoning was injured by Pan Zhen.

This makes sense. (To read Baoshuang novels, go to Feilu Novel Network!)

Pan Zhen should be a fast king-level main god. Angel Ruoning is impossible. He is Pan Zhen's opponent.

But Pan Zhen is not a good person either.

In the plot,

Pan Zhen forcibly gave Angel Yan the Tiandao Pill, and even wanted to support Angel Yan as the king.

Does Pan Zhen have such great ability? ?

Su Chen suspected that there was something wrong with the Tiandao Pill that Pan Zhen gave to Angel Yan, so the white-haired Hexi beauty tested Angel Yan. He Xi should have discovered that Angel Yan had a physical problem.

However, the plot seems to have Pan Zhen After being cleared, Pan Zhen might even have died on the Lieyang Star.

This is a bit fucked up.

Damn it, the screenwriter must be a lunatic. Maybe he will clear Karl up in the future.

Su Chen doesn't care about this, the Lieyang Star If you dare to attack him,

Lieyang Star must pay the price.

After thinking about it, Su Chen took out a scummy elixir and a green spiritual bow.

He handed it to the angel Ruoning and said,

"Angel Ruoning, this is the Heavenly Spirit Pill. After you eat it, you will be promoted to the fourth generation of the divine body. Your strength is too weak. I also give you this Wind Spirit Bow. Do good things for me in the future."

"many.....Thank you master!"

Angel Ruoning didn't expect that Su Chen would improve her strength, which made her very happy.

The fourth-generation sacred body is the same king-level as Queen Kesha. The fourth-generation sacred body is the main god in the universe. , Angel Ruoning never thought that one day she would become a main god.

"Hurry up and advance!"

"Yes, master!"

At this moment, in Yuhang City, the army of Lieyang Star defeated Taotie's army, but half of Yuhang City was destroyed. Although there are not many humans left in Yuhang City, the remaining earthlings in Yuhang City were killed or injured in this war. Nine times out of ten.

Pan Zhen stood on a battleship and watched the rest of the Taotie fleet retreat.

He waved his hand and ordered,

"Clean up this city immediately. From now on, this city will be the city of the people of Lieyang Star."

"yes! Pan Shuai!"

Pan Zhen frowned and whispered when he thought of the angel who just appeared,

"Angel? Angel with black wings? The angel just now should be the former left-wing guard of Queen Kesha, Ruoning, the Storm God of War who was expelled by Queen Kesha, but why is she on Earth?"

Pan Zhen was a little worried that angels would interfere with things on earth. If the angels used justice and order to prevent Lieyang Star from occupying the earth, then Lieyang Star might fail.

Half a month later,

Su Chen was playing a game in the villa.

This half Yue Suchen didn't do anything.

Su Chen finished all the movies and games in this world, and Su Chen completely relaxed.

Angel Ruoning walked into the villa and saluted Su Chen,

"Master, the people from Lieyang Star are coming to our area."

Angel Ruoning is now the fourth-generation divine body, and her appearance has also undergone tremendous changes. Her old face has regained its youth, and even her wings have turned white again.

Su Chen said to her while playing the game The angel Ruoning ordered,"Ruoning, go and warn the people from Lieyang Star that people from Lieyang Star are not allowed to approach this area. Anyone who violates this rule will be killed without mercy!"

"Yes, master!".

Chapter 2253

Su Chen smiled when he saw Angel Ruoning leaving.

Angel Ruoning is now the fourth generation of holy bodies. No one in Lieyang Star is Angel Ruoning's opponent.

However,

Angel Ruoning is really beautiful after she regains her youth. As expected, none of the angels are ugly. This is indeed true.

Queen Kesha is not dead, and

Angel Ruoning does not dare to be with the scumbags.

Otherwise,

Su Chen would not have left the disgusting Angel Ruoning in the plot.

Su Chen stood up and moved his body and whispered,

"It's been half a month since Morgana, the Demon Queen, went to visit her. The Immortal Queen hadn't arrived for such a long time, so she probably hadn't waited for the void monster to appear."

Suddenly,

Su Chen felt space fluctuations, whoosh!

An angel appeared in the villa. The angel looked at Su Chen and shouted angrily,

"Suchen!"

"Um"July 17"? Angel cold? How did you come to earth?"

Su Chen saw Angel Leng arriving, which made him a little confused.

The angels learned that the void world would invade this world within three years. Shouldn't Queen Kesha prepare for war? Why did Angel Leng, this arrogant angel, arrive? Earth?

Angel Leng looked arrogant and snorted, "Humph, is the earth your territory?"

Su Chen checked Angel Leng and said unexpectedly,

"Angel Leng, I didn't expect that you would also advance to the fourth generation of divine body. It seems that Queen Keisha also gave you one of the ten heavenly elixirs I left behind."

"good!"

"Arrogant angel, what do you want from me?"

"Where is my master? Where did you hide that traitor?"

Su Chen shook his head when he heard what Angel Leng said.

He had some understanding of Angel Ruoning.

The Angel Ruoning in this world didn't seem to betray Kesha or be with the scum of heaven.

Why would Angel Leng think that Angel Ruoning Is Ning betraying? Is it because Angel Ruoning has contacted Tianzha?

"Angel Leng, Angel Ruoning betrayed Kesha? Or betrayed Merlot Heavenly Court? The angel glared at Su Chen and said coldly, "This is our angel's matter, you have no right to interfere.""

Of course Angel Leng knows that Angel Ruoning has not betrayed Kesha, nor has he betrayed Merlot Heaven.

But Angel Ruoning has connections with Tianzha, and even after being expelled from Merlot Heaven by Queen Kesha, Angel Ruoning still does not repent. Contacting Tianzha is something that the angels in Merlo Heaven cannot tolerate, especially her.

Angel Ruoning is her master. Angel Ruoning's doing this will make her lose face in Merlo Heaven. Angel Leng must do it. Bring the angel Ruoning back to the Melo Heavenly Court for custody.

Su Chen shook his head and said,

"I'm sorry, Angel Ruoning is my slave now. You can't take her away, and you don't have the ability to take her away."

"Hum, if you don't take action, I will definitely be able to take her away"

"Yeah? I do not believe!"

"Su Chen, Angel Ruoning is only a third-generation guardian angel. I am now a fourth-generation angel. Do you think I can't take Angel Ruoning away?"

Su Chen looked at Angel Leng's convex figure, delicate and beautiful face, and proud expression. He admired Angel Leng very much.

When Angel Leng was killed in the plot,

Su Chen was very regret

"Angel Leng, how about we make a bet?"

Angel Leng frowned and asked after hearing Su Chen's words,

"What to bet on?"

Su Chen said with a smile.

"If I don't take action, you'll have a fight with Angel Ruoning. If you can defeat Angel Ruoning, I'll let you take her away. How about that?"

"What if I lose?"

Angel Leng felt a little funny when he heard Su Chen's words.

She is now the fourth-generation divine body, and

Angel Ruoning is just a third-generation guardian angel. She can defeat Angel Ruoning without even trying.

Su Chen looked up and down. Angel Leng said, "Angel Leng, I don't have a guardian angel yet. If you lose, you will swear to me to be my guardian angel."

"You are dreaming!" (To read Baoshuang novels, go to Feilu Novel Network!)

Angel Leng was very angry when he heard Su Chen's words,

Guardian Angel?

Why doesn't this shameless bastard die?

If this bastard wasn't very powerful, Angel Leng He just wanted to give this shameless bastard a good beating.

Su Chen sneered at the angel with disdain, "Tsk, leave if you're afraid, I won't force you."

Angel Leng shouted angrily,

"Am I afraid? It's a bet, but if I beat Angel Ruoning, I have to add one more condition"

"explain!"

"I'm going to beat you up, don't resist and let me beat you up"

"Okay, then our bet is established. Angel Leng, don't keep your word."

"I will admit defeat. You'd better not keep your word."

"Ha ha....., I will fulfill my bet....."

When Su Chen heard that Angel Leng agreed to the bet, he laughed.

Angel Ruoning and Angel Leng were both fourth-generation gods.

Angel Leng might have a spiritual sword, but Angel Ruoning had a wind spirit bow.

With Angel Ruoning With his combat experience and wormhole combat capabilities, Angel Leng cannot be Angel Ruoning's opponent.

A guardian angel is about to be obtained, and Su Chen is looking forward to Angel Leng's oath of guardianship to him.

Su Chen sneered at the angel and said,

"I'll take you to see Angel Ruoning. However, Angel Ruoning is helping me with my work. You wait until she finishes her work before dueling her."

"Can!"

Whoosh! As soon as Su Chen waved his hand, he disappeared into the villa with Angel Leng. In the sky above Yuhang City,

Angel Ruoning was facing thousands of Lieyang Star warriors, and even one of the four major Heavenly Guards of Lieyang Star. Xuantianji.

But everyone in these Lieyang Stars were too scared to move. Xuantianji of the four heavenly guards was defeated by the angel Ruoning in twos and twos. They and other miscellaneous soldiers only went up to deliver food.

Xuantianji looked at being Angel Ruoning shot an arrow through his body, and he shouted angrily with a cold face,

"Angel, we, the Lieyang Star, have no grudges against the angels. Why do you want to stop us, the Lieyang Star?"

Angel Ruoning pointed to the area behind him and said coldly,

"Xuantianji, you Lieyang Stars are not allowed to enter this area. Anyone who disobeys the order will be killed without mercy."

"you....."

"Do you want to object? 1.2 Xuan Tianji, if you dare to object, I don't mind killing all your Lieyang Star people in Yuhang City."

When Xuan Tianji heard Angel Ruoning's threat, he felt a little scared.

This angel was very powerful.

If the angel really went on a killing spree in Yuhang City, tens of thousands of people on Lieyang Star would be killed.

He was blamed for this crime. Can't afford it

"Angel, you will regret it"

"Maybe more, but at least not now."

Angel Ruoning doesn't care about the threat of Xuantianji at all.

She is now the fourth generation of the sacred body. She is not afraid even if Pan Zhen from Lieyang Star arrives. Angel Ruoning is still eager for Pan Zhen to arrive. Half a month She has not forgotten the grudge that Pan Zhen injured.

After Su Chen and Angel Leng appeared on a building, Angel Leng looked at Angel Ruoning in the air and said in surprise,

"Angel Ruoning? How did my master regain his youthful appearance?"

Chapter 2254

Angel Leng looked at Angel Ruoning in the sky and was very surprised.

After Angel Ruoning was expelled from Merlot Heaven, Queen Kesha also cut off the connection between the Sky Blade system and Angel Ruoning.

Angel Ruoning does not have the resources to replenish energy.

In order to maintain the combat power of the third-generation guard-level angel, Angel Ruoning simply does not have the extra energy to maintain her appearance.

Now that Angel Ruoning has restored her previous appearance, it must be Su Chen who helped Angel Ruoning.

Su Chen smiled and reminded Angel Leng,

"Angel Leng and Angel Ruoning have not only restored their appearance, but have even upgraded to the fourth generation of divine bodies. You and Angel Ruoning are both fourth generation divine bodies. It is very difficult for you to defeat your master."

Angel Leng clenched his fist angrily when he heard Su Chen's words.

Angel Ruoning was also upgraded to the fourth generation of holy body?

This hateful bastard,

Su Chen must have forgotten all this long ago.

"You shameless bastard!"

Su Chen deliberately mocked the angel,

"Come on, Angel Leng, if you are scared, I allow you to regret it once, and our bet can be voided."

When Angel Leng heard Su Chen's words of ridicule to her, she shouted angrily,

"Am I afraid? There's no way the bet can be broken. I'm going to give you a good beating, you shameless bastard."

"Well, let's continue the bet. I also like you very much, this beautiful angel."

"snort!"

Angel Leng glared at Su Chen, but she was also very worried.

Angel Leng's master, Angel Ruoning, is also a fourth-generation divine body, which is the same strength as hers, but Angel Ruoning is the God of Storm War, fighting Her experience and wormhole combat ability were both very powerful. Angel Leng regretted her arrogance just now. What if

, if she really couldn't defeat her master Angel Ruoning, would she really have to swear an oath of protection to this bastard? ?

After Su Chen saw the people from Lieyang Star retreating, he shouted to Ruoning, the flying angel in the sky,

"Angel Ruoning! "

"Owner!"

Angel Ruoning quickly appeared next to Su Chen and saluted.

She did not expect that Angel Leng would appear next to Su Chen. How did her disciple come to earth from Mero Heaven?

Su Chen pointed at the angel and sneered, "Your disciple I want to see you, no, I want to take you back to Merlot Heaven."

Angel Ruoning looked at Angel Leng and asked,

"Angel Leng, you want to arrest me?"

Ugh!

Angel Leng took out the flaming sword and said coldly,

"Master, you must return to the Merlot Heavenly Court with me. Your connection with Tianzha has made me lose face in the Merlot Heavenly Court. I can only catch you and lock you up in person, so that you cannot continue to make mistakes."

"Angel Leng, you can't take me away!"

"I must take you back."

Angel Ruoning is a little helpless towards her disciple.

If she had killed Angel Leng before, she would not have been imprisoned in the Merlot Heavenly Court. But now that she has a good home, Angel Ruoning can no longer be with Angel Leng has ordinary knowledge.

Su Chen sat down and ordered,

"Angel Ruoning, you and Angel Leng have a fight, remember, it's just a fight, life"

"Yes, master!"

After Angel Ruoning saluted Su Chen, she looked at the angel and sneered and said,

"Angel Leng, let Master see if your strength has improved over the past thousand years."

"Master, you will be surprised."

Boom!

Angel Leng and Angel Ruoning held flaming swords at the same time, and they quickly attacked each other.

In the air, two beautiful long-legged angels attacked quickly, so fast that ordinary people couldn't see clearly..

Su Chen looked to the right and said to himself, "It's really nice to see beautiful women fighting. Do you think it's Pan Zhen?" (To read exciting novels, go to Feilu Novel Network!)

"Are you Su Chen?"

A middle-aged man wearing ancient armor instantly appeared next to Su Chen.

He looked at Su Chen and was very confused.

Su Chen looked like the first generation super soldier. How could he know that he was coming?

Su Chen looked at it with disdain. Pan Zhen said,

"Don't you already know me?"

"Su Chen, what is your relationship with Angel?"

Su Chen mocked when he heard Pan Zhen's words,

"Pan Zhen, what's wrong? Are you worried that the angels will take action on the Sun Star? However, you Sun Stars don't seem to be afraid of angels, right?"

"Isn't Hongkun, the Sun God Emperor of Lieyang Star, not dead? Even if Kesha, the King of Gods, went to the Sun Star, she would return without success."

Pan Zhen looked at Su Chen with an indifferent expression.

He didn't expect that Su Chen knew that the Sun God was not dead. Even Reina didn't know about this matter.

Who is this Su Chen?

Pan Zhen can't let Su Chen live if he continues to live, otherwise, the news spreads that the Sun God Emperor Hongkun is not dead, and the entire universe will target Lieyang Star.

"Su Chen, it seems that you know a lot, but you should not appear on the earth again. The angel killed Husha and guarded Yuanli for you. I will definitely avenge this. You are dead this time."

Su Chen wanted to kill Pan Zhen when he saw him.

Did Pan Zhen still think he was Su Chen who was sealed half a year ago?

Su Chen just sat here and didn't move. Even if Pan Zhen blew up the earth, he wouldn't be able to hurt him. A hair of my own

"~Tsk! Do you still want to take revenge on me? Pan Zhen, I don't seem to have offended you Lieyang Star, right? Why did you let Yuan Li kill me? I still haven't figured it out yet"

"Your appearance was a mistake, and you and Reina being together are even more mistakes. Su Chen, just die!"

Boom!

As Pan Zhen spoke, he attacked Su Chen with a huge light in his hand.

After a burst of smoke dissipated,

Pan Zhen saw Su Chen sitting motionless, which surprised him very much.

Pan Zhen The huge stellar energy attack just now was able to kill even a third-generation warrior. How could Su Chen be okay?

Su Chen looked at Pan Zhen disdainfully and asked,

"Surprised?"

Pan Zhen looked at Su Chen with a shocked face and asked, "How is this possible?" How come you don't have anything?"

"Pan Zhen, I originally wanted to destroy the Lieyang Star (Wang Hao) in the future, but your action this time made me very unhappy. Do you think I will destroy all the Lieyang Star people on the earth first?"

"Huh, do you have this ability?"

Pan Zhen was very disdainful when he heard Su Chen's words.

Destroyed the Lieyang Star people on the earth?

Although Pan Zhen didn't know how Su Chen blocked his attack just now, he was a quasi-king-level fourth-generation god. A small generation of super warriors, Pan Zhen doesn't believe he can't kill Su Chen

"Stop it, Pan Zhen, you dare to disobey my order."

At this time,

Lena ran over quickly from a distance. She looked at Pan Zhen and asked angrily.

Su Chen was very surprised when he saw Lena appear. It seems that Pan Zhen can't be killed this time.

Su Chen didn't want to kill Pan Zhen in front of a little girl like Reina, but Pan Zhen still had some uses, so he wasn't in a hurry to kill Pan Zhen.

"Beauty Leilei, aren't you on the Lieyang Star? Why did you come back to Earth again?".

Chapter 2255

When Reina heard Su Chen's words, she glared at this bastard.

This bastard had been hiding for half a year.

If Qilin from the Black Armor Team hadn't told her that Su Chen had appeared again, she wouldn't have known that Su Chen had appeared on Earth safe and sound.

However,

Wasn't this bastard taken away by the angels? Why did Su Chen appear on earth again?

"Su Chen, if you want to call me goddess, do you want me to beat you up?"

I guess!

This crazy woman!

Why haven't we seen each other for more than half a year? How come Reina hasn't changed at all?

Su Chen curled his lips and said speechlessly,

"Goddess Lena, why did you come back to Earth?"

Leina came to Su Chen and said with a smile,

"It was Qilin who informed me of your appearance, so I secretly ran out from Lieyang Star. Su Chen, didn't Qilin say that you were taken away by the angels? Why are you still on earth?"

"I'm back from Merlot Heaven."

Leina didn't believe what Su Chen said at all.

This shameless bastard was very lecherous. Reina felt that Su Chen must have provoked the angels in Merlo Heaven. Otherwise, it would have been impossible for him to return to Earth from Merlo Heaven in half a month.

"Did the angels drive you out of Merlot Heaven? You bastard is so perverted, the angels will definitely not welcome you."

"Hey, Lena, it's me who doesn't want to stay in the Merlot Heaven. There is not a single man in the entire Merlot Heaven. I feel uncomfortable staying in the Merlot Heaven."

"Huh, do you think I will believe you?"

Leina crossed her arms and snorted proudly,

"Lord God, Su Chen cannot stay, today I must....."

"Get lost!"

Su Chen heard that Pan Zhen wanted to take action.

Before Pan Zhen could finish speaking to Reina, Su Chen launched the space teleportation to move Pan Zhen into the universe.

As for moving Pan Zhen to the universe,

Su Chen was just doing it randomly. He moved Pan Zhen without checking where he had moved it.

However,

Pan Zhen would not be able to return to Earth for at least a month. Reina was very surprised when she saw Su Chen waving his hand to drive Pan Zhen away. Zhen said that for a king with a quasi-fourth-generation divine body, how could Su Chen use the wormhole ability to drive Pan Zhen away? Reina hurriedly grabbed Su Chen and asked,

"What did you do to Pan Zhen?"

Su Chen reached out and hugged Reina's small waist and replied,

"No problem, I exiled Pan Zhen to the universe. He will not be able to return to Earth within a month."

Leina didn't break away from Su Chen's hug.

This shameless bastard hugged her not once or twice. She was also used to the feeling of Su Chen hugging her.

"Su Chen, which generation of super soldier are you now? How could you possibly exile Pan Zhen to the universe?"

"Lena, I will tell you this later. Can you contact Qiangwei and Qilin now?"

"Can!"

"Reina, contact Qiangwei and Qilin immediately and ask them to come to Yuhang City to join us."

"Okay, Su Chen, Xiao Lun and Liu Chuang, don't you want to contact them?"

Su Chen shook his head and refused,

"Why contact those crooked melons and cracked dates? I get upset when I see those people. Apart from you girls in the black armor team, only Liu Chuang is okay. When I see the others, I want to kill them."

In the black-armored team, what Su Chen hates the most is the power of the galaxy.

Maybe it's because of Angel Yan, maybe it's because of Qiangwei. Anyway, Su Chen really wants to beat him when he sees the power of the galaxy.

A loser, if it weren't for Angel Zhixin Although Xiao Lun has the power of the Milky Way, he is still a weakling.

And Angel Yan, that silly girl, (for Baoshuang novels, go to Feilu Novel Network!)

Angel Yan actually sends a Sky Blade to fight It was unbelievable for him to think about it.

The angels were facing the attack of Taotie and Tianzha at that time. Angel Yan actually desperately wanted to kill Tianren No. 7 during the crisis in Merlot Heaven. Sent to the earth?

Well, the screenwriter is a brainless person.

The Sky Blade combat body is the combat auxiliary battleship of the angels.

The Sky Blade Seven can not only launch the Sky Blade Trial, but can even provide system support for the angels. The Sky Blade There are even more technologies from the Angel Civilization in the battleship.

Doesn't Angel Yan leak the scientific and technological achievements of the Angel Civilization by doing this?

Damn it, this is simply using the scientific and technological achievements of the Angels to be stolen by the Earth.

And that soy sauce gangster Xin Zhao , Xin Zhao got an angel wife for free without doing anything, what's wrong with him? When Su Chen thought of Angel Zhixin being married to Xin Zhao, he became so angry that he wanted to kill that soy sauce guy. Reina heard that Su Chen She nodded. She knew the hostile relationship between the college and Su Chen. Su Chen might have the power of the Galaxy and they would have conflicts or even fight.

"Okay, I can't stand those losers either, but Xiao Lun and those guys are my teammates no matter what. Su Chen, if you can let them go, just let them go."

Su Chen hugged Reina's soft waist and asked,"Leina, aren't you worried about yourself? You Lieyang Stars also hunted me down, aren't you worried that I will take revenge on the Lieyang Stars?"

Leina shook her head and said emotionally,

"Sun Star? Su Chen, Lieyang Star has become very strange to me. Although I am the main god of Lieyang Star, I have no right to speak in Lieyang Star. I am even under house arrest in Lieyang Star."

"The last time Yuan Li hunted you and the Lieyang Star invaded the earth, I could only watch and couldn't do anything. I, the Lord God of the Lieyang Star, was just a puppet, a puppet that could be manipulated by others."

Su Chen looked at the helpless look of Lena, who had always been carefree.

He had no way to rescue Lena.

Although Lena was the main god of Lieyang Star, there was still an immortal being in Lieyang Star. Pan Zhen simply couldn't will not obey Reina's orders. Everything should be planned by the Sun God Emperor Hongkun behind the scenes. At this moment, far away in Yuhang City, the battle between Angel Leng and Angel Ruoning is almost over.

Angel Leng stared with big eyes. She was very unwilling.

She did not expect that Angel Ruoning was not only promoted to the fourth generation divine body, but also had a spiritual bow in his hand. Angel Leng's white feather spiritual sword could not pose a threat to Angel Ruoning at all.

Angel Ruoning looked at Seeing that Angel Leng could no longer hold on any longer, she smiled and said,

"Leng, you really let the master look down on you. You already have a lot of combat experience. If I didn't have a spiritual weapon in my hand, maybe I would really be defeated by you."

Angel Leng's face was ugly and very angry.

She was really going to fall into trouble this time.

She has the fourth generation of sacred body, and Angel Ruoning also has it. She has a spiritual sword, and Angel Ruoning has a spiritual bow.

Angel Leng's combat experience Angel Ruoning taught her, and Angel Ruoning also knew all her weaknesses.

Angel Leng could not defeat Angel Ruoning no matter what.

Angel Leng looked at Angel Ruoning and begged with a blushing face,

"Master, let me defeat you this time, otherwise I will swear an oath of protection to that bastard Su Chen"

"hehe....., Leng, you are still very impulsive in doing things. You should know how powerful Su Chen is. Since he dares to let me compete with you, do you think Su Chen will bet against you if he is not sure?".

Chapter 2256

It was impossible for Angel Ruoning to agree to Angel Leng's plea.

After she learned about the bet between Angel Leng and Su Chen, Angel Ruoning had some ideas.

She is just Su Chen's slave now.

If Angel Leng can become Su Chen's guardian angel, Angel Ruoning will rely on Angel Leng's relationship, she may let Su Chen cancel her slave status, even let her be Su Chen's maid..

Angel Leng panicked and said after hearing Angel Ruoning's words,

"Master, if I want to escape, you can't stop me. I'm going back to Merlot Heaven now."

Angel Ruoning shook his head and reminded,

"Leng, I can't stop you from leaving, but you have to know how powerful Su Chen is. Queen Kesha is the Earth Immortal. Su Chen is a Taiyi Golden Immortal. Su Chen brought me to the earth in an instant. Do you think you Escape back to Merlot Heaven. How long will it take for Su Chen to catch you and come back?"

When Angel Leng heard Angel Ruoning's words, the remaining luck in her heart was gone. Su Chen's strength was too strong, and it would be useless for her to escape back to Mero Heaven.

Angel Leng said dejectedly,

"I....., Master, you are my master, you won't just die without saving me, right?"

Angel Ruoning rolled her eyes at Angel and said coldly,

"Hey, 27 Leng, just now you were so aggressive that you wanted to arrest me from Merlo Heavenly Court, now do you admit that I am your master?"

Angel Leng explained weakly,

"I want to take you back to Merlot Heaven for your own good. You should understand, master, think of a way for me. I don't want to swear an oath of protection to that bastard."

Angel Ruoning nodded when she heard Angel Leng's words.

She knew that Angel Leng was doing it for her own good.

After all, Angel Leng was the disciple she taught. She knew exactly what Angel Leng thought about.

Angel Ruoning thought about it. After thinking about it, he reminded Angel Leng,

"Leng, ask Queen Kesha, Queen Kesha will give you a solution"

"Um? Master, will the queen find a way for me?"

"How do you know if you don't try? I guess the Queen will give you an idea, but.....Forget it, you'd better contact Queen Keisha before talking about it."

"Master, I will contact Queen Kesha right now."

Angel Ruoning nodded to Angel Leng.

However,

Angel Ruoning felt that Queen Kesha would let Angel Leng fulfill the bet. Queen Kesha might ask Angel Leng to inquire about some information around Su Chen, and even people in Xuantian Realm. Some news.

Angel Ruoning is very clear about Queen Kesha's thoughts. She has been Queen Kesha's maid for tens of thousands of years. Angel Ruoning can be said to be one of the few people who knows Queen Kesha best. At this time,

Su Chen Taking Reina back to his villa,

Reina was contacting Qiangwei and Qilin, while Su Chen was thinking about what to do in the future? He still wanted to continue his salty life for a while.

But on earth,

If Su Chen wants to be a salty fish on earth safely, he needs some people to help him deal with troubles.

Lena, Qiangwei, Qilin, and the angel Ruoning, these people should be able to deal with some troubles.

Lena Sitting next to Su Chen carelessly, he said,

"Su Chen, I have already contacted Qiangwei and Qilin, but Lianfeng knows you are here, and she wants to come too."

Su Chen patted his forehead when he heard Lianfeng.

He had forgotten about the beautiful Lianfeng.

Lianfeng is a very important person in the black-armored team. Lianfeng completes some techniques and even fights. Black Armor is produced and upgraded by Lianfeng

"Lian Feng? I almost forgot about Lianfeng, Reina, Lianfeng also asked her to come over, we need the beautiful Lianfeng here."

Leina rolled her eyes at Su Chen and said,

"You are so shameless. The people you called here this time are all beauties. Are you planning to catch all our beauties in one go?"

Su Chen touched his chin and said with a smile, "I have this idea!" bump!

"Go to hell!"

Leina gave Su Chen a hard blow.

This shameless bastard was still so shameless, and even wanted to attack them openly. Reina had never seen such a shameless person.

Whoosh

"Owner!"(To read Baoshuang novels, go to Feilu Novel Network!)

Angel Ruoning saluted Su Chen when he came back.

Su Chen took a sip of soapy water and asked,

"Where is the angel cold?"

"Master, Angel Leng is contacting Queen Kesha, she will be here in a moment."

When Su Chen heard that Angel Leng was contacting Queen Kesha, he guessed that Angel Leng was still unwilling to give in.

"That's it! It seems that Angel Leng is still unwilling to give in."

Angel Ruoning heard Su Chen's words and said hurriedly,

"Master, I am very sure that Angel Leng will fulfill his bet."

"Maybe!"

Su Chen nodded and didn't care.

He was just interested in the arrogant angel Angel Leng.

If Angel Leng doesn't fulfill the bet this time, Su Chen will have a way to deal with Angel Leng in the future.

Reina looked at Angel Ruoning to see if she appeared. It feels strange. The relationship between Su Chen and the angels is also very good. In order to avenge Su Chen, the angels even killed Yuan Li, one of the four guards.

But, how could the angel Ruoning call Su Chen the master?

This bastard would not force an Angel will be a maid, right?

If Queen Kesha knows what Su Chen has done, Su Chen, the bastard, will be finished.

Whoosh!

Angel Leng suddenly appeared in the villa, but her face was very ugly, Angel Leng looked at Su Chen showed an expression of resentment.

Su Chen looked at Angel Leng and asked funnyly, "Angel Leng, what's your expression?"

Angel Leng clenched his fists tightly and said loudly,

"Su Chen, I will fulfill the bet!"

Su Chen looked at Angel Leng's unwilling look, shook his head and said,

"Angel Leng, if you don't want to, I won't force you. I just thought we were joking before."

After Angel Leng heard Su Chen's words, her face suddenly became serious.

Angel Leng took out the white feather sword and knelt on one knee, stretching out a pair of snow-white wings.

Shi Leng looked at Su Chen and said,

"I am willing to be Su Chen's guardian angel, love what he loves, think about what he thinks, bear the pain for him, and survive the sufferings. No matter poor or rich, no matter humble or noble, no matter in troubled times, or God ignores me, I will do my best for him. He drew his sword and fought, folded his wings for him, and never left him, forever."

After Su Chen finished reading the oath of guardianship to Angel Leng, he pulled Angel Leng up and hugged her and said,

"Angel Leng, you will be my angel from now on!"

The angel looked at Su Chen with cold eyes and said, "I will be your guardian angel from now on."

"Suchen, you.....she.....This angel actually became your guardian angel?"

Chapter 2257

Reina was confused at the moment.

She didn't expect that an angel would swear an angel guardian oath, and also swear an oath to Su Chen, a shameless bastard.

The guardianship oath of an angel is very sacred.

Once an angel swears the guardianship oath, the angel will treat that person forever.

Why did Angel Leng swear an oath of protection to Su Chen?

What on earth did this shameless bastard do?

Su Chen ignored the confused Reina.

He now had a guardian angel.

Angel Leng's strength must be improved as soon as possible. At least Angel Leng's strength must be improved to that of a fairy.

In the Merlot Heaven, in a garden full of flowers,

Queen Kesha sat with a beautiful angel with white hair. The beautiful white-haired angel was named He Xi, who was also King Tianji, one of the three kings of the Merlot Heaven.

Hexi looked at Queen Kesa and said with a smile

"Queen, you agree that Angel Leng will swear a protective oath to Su Chen, which is a bit unfair to Angel Yan."

Queen Kesha shook her head and said helplessly,

"There is no way, He Xi, Angel Leng and Su Chen lost the bet, Angel Leng is an angel, angels always keep their word, Angel Leng must be responsible for her own impulses."

He Xi nodded and asked doubtfully.

"Queen, do you have other plans?"

Queen Kesha stood up and touched the beautiful flowers and said,

"Well, Hexi, Su Chen is from the Xuantian Realm, but we don't know Su Chen's identity in the Xuantian Realm."

"The Xuantian Realm is too powerful, with more than a thousand attached small worlds. This world is simply incomparable to ours. My strength is only that of an Earth Immortal in the Xuantian Realm."

"Earthly Immortal? I have checked some myths on the earth. The earth immortals are just the lowest level of immortal soldiers in the immortal world. If such a powerful realm comes to invade our world, it may only need to send out people as powerful as Su Chen. No one in our world can Prevent"

"I want to know more about Su Chen through Angel Leng, and even want to know what status Su Chen is in Xuantian Realm. If Su Chen has a noble status in Xuantian Realm, we can try to use Su Chen to make Xuantian Realm give up invading us. world."

He Xi was also very helpless when he heard Kesha's words.

Xuantian Realm?

Su Chen?

There is even a void world that appeared about three years ago? These worlds and people are very powerful.

Merlot Heavenly Court is very powerful in the universe. , but compared with the Xuantian Realm and the Void World, their Merlot (chej) Heaven is simply an ant, an ant that can be easily trampled to death.

"Where is Angel Yan? After Angel Leng swore the oath of guardianship, all the angels in Merlo Heaven knew that Angel Yan might go to Earth, right?"

Kesha rubbed her forehead and replied,

"I have already given orders to Angel Yan. During this period of time, Angel Yan will train the Angel Legion in Merlo Heaven. Now I can only let Angel Yan stay in Merlo Heaven and think of a solution later."

Hexi stood up and patted Kesha on the shoulder and reminded,

"Queen, actually you should not have driven Su Chen away before. The relationship between Angel Yan and Su Chen is our opportunity. As long as Su Chen is here, no matter it is the Xuantian Realm or the Void World, they will not pose a threat to our Angel Nebula."

"Xuantian Realm will not invade our Angel Nebula because of Su Chen. If the Void World invades our Angel Nebula, Su Chen will definitely not sit idly by. Even for Angel Yan, Su Chen will help us deal with the invasion of the Void World."

Kesha rolled her eyes at He Xi and shook her head.

She had thought about all this, but Su Chen was just a Taiyi Golden Immortal.

In the realm of Xuantian where there are so many powerful people, Su Chen's strength was neither above nor below. Da Luo Jinxian, quasi-sage, and even a powerful saint, these are much more powerful than Su Chen.

Su Chen's right to speak in Xuantian Realm may be equivalent to the mid-level angel in Mero Heaven. Such a How can one's identity protect the angels in the Merlot Heaven? I'm afraid Su Chen wouldn't dare to resist if any Da Luo Jinxian came. Kesha sighed and shook her head and said,

"Hexi, I've thought about this too"

"But I'm also worried that Su Chen's status in Xuantian Realm is low. It's impossible for Su Chen to protect us angels."

"Our angels in Merlo Heaven are all beautiful and beautiful women. If the gods of Xuantian Realm have evil intentions against us angels, it will be a disaster for our Angel Nebula."

"And I'm also worried that Su Chen will take advantage of us angels. I think it's better to be more cautious when it comes to people from other worlds."

He Xi nodded and didn't say anything. She felt that what Kesha said made sense.

In three years, this will come in the blink of an eye.

Will the Xuantian Realm invade this world first? Or will the Void World invade this world first?
(See For exciting novels, go to Feilu Novel Network!)

He Xi also has no idea, but the invasion of any world is not something their world can resist.

"Queen, I am Angel Leng!"

At this time,

Angel Leng contacted Queen Kesha in the dark communication.

Queen Kesha did not expect that Angel Leng would contact her again today, "Leng, what's the matter?"

"Queen, Su Chen just told me the news. Qiangwei, Reina, Qilin, the angels Ruoning and Lianfeng of the black armor team, plus me, the six of us, Su Chen will use our strength within ten days. Ascend to heaven"

"What?"

Queen Kesha was very surprised when she heard Angel Leng's words.

Within ten days?

Su Chen was able to promote six people from Angel Leng to Heavenly Immortals within ten days?

Queen Kesha was a little confused for a moment,

Heavenly Immortal?

This is a comparison. Her strength is even higher.

Kesha was in a daze for a while and then asked hurriedly, "Leng, did Su Chen tell me how to improve your strength?"

"No, Queen, Su Chen may have to wait until Qiangwei and Qilin arrive before talking."

Queen Kesha nodded and reminded Shi Leng said,

"I understand, Leng, don't hide your contact with me, Su Chen, this is not good for you"

"Queen, I contacted you right next to Su Chen. I didn't hide it from Su Chen."

"Um!"

Queen Kesha and He Xi looked at each other.

They felt that they had underestimated Su Chen.

Within ten days,

Su Chen was able to elevate six people to the realm of immortals in ten days. This may require huge resources and treasures..

He Xi thought about it and said hurriedly,

"Queen, asked Angel Yan to take some angels to Earth to find Su Chen. Since Su Chen wanted to improve the strength of Angel Leng and the six others, he didn't even hide his intention from the Queen."

"I think Su Chen deliberately asked Angel Leng to tell us the news. Su Chen wanted the Queen to let Angel Yan go to Earth, and even wanted to improve Angel Yan's strength."

Chapter 2258

He Xi felt that Su Chen did not prevent Angel Leng's contact, and she guessed that Su Chen's purpose was Angel Yan.

The relationship between Angel Yan and Su Chen is well known in Merlot Heaven. Su Chen just wants Queen Kesha to know that he has the ability to improve the strength of the angels. Queen Kesha wants to make the angels stronger, so Angel Yan must go Su Chen's place.

Kesha looked at He Xi and asked doubtfully,

"He Xi, do you want Angel Yan to bring some angels there? If Su Chen can really improve Angel Leng's strength, do you want Su Chen to also bring Angel Yan to improve the strength of the angels? He

Xi nodded and replied,

"Yes, queen, this is a sure-win thing. With Angel Yan here, Su Chen just doesn't want to be promoted. Even the angels brought by Angel Yan will not work. We should let Angel Yan go to the earth."

"Can!"

"Queen, let the '963' heart go. If it weren't for my special status, I would even want to go to Earth."

"Old woman, what you think is beautiful"

"Flat-chested girl, don't you want to go?"

Kesha said a little arrogantly,

"I don't want to go. With the resources left by Su Chen, I can upgrade to the fifth generation divine body, which is the realm of immortals, within half a year. He

Xi stretched her perfect figure and smiled, "Haha, then I benefit from you. With the resources you gave me, I can also upgrade to the fifth generation divine body within half a year.""

"We have all received the light of Angel Yan."

In a room in the Melo Heavenly Court,

Angel Yan was sitting by the window with a frosty look on her face.

She didn't expect that Angel Leng would swear an oath of guardianship to Su Chen, which made her very angry.

All this happened because of that bastard What the hell,

Angel Leng couldn't stand Su Chen very much.

This time Angel Leng swore a protective oath to Su Chen. Angel Yan guessed that Su Chen must have deceived Angel Leng.

Next to him,

Angel Zhui and Angel Lingxi were both very They were speechless. They didn't know how to persuade Angel Yan. Angel Leng's oath of guardianship to Su Chen had already happened. This was a fact that could not be changed.

"Yan!"

"Queen!"

When Angel Yan heard Queen Kesha contacting her, she hurriedly stood up and replied respectfully,

"Yan, you take Angel Chase, Angel Lingxi, Angel Qingqing, Angel Kaila, and Angel Zhixin, and you rush to Earth immediately. Don't you want to see Su Chen? This time you go to Su."

Angel Yan was very happy when she heard Queen Kesha's words.

Queen Kesha had previously forbidden her to go to Earth. Angel Yan had no place to vent her anger towards Su Chen. If she could go to Earth this time,

Angel Yan would definitely teach that bastard a lesson.

However,

Angel Yan didn't understand why Queen Kesha changed her mind and even asked her to take Angel Zhixin and Angel Chase to the Earth with several angels.

"Queen, are we going to Earth this time just to meet Su Chen?"

"Yan, Su Chen wants to improve the strength of Angel Leng and some people in the black armor team. You can also ask Su Chen to improve your strength in the past. You and Su Chen have a special relationship. I don't think Su Chen will refuse you."

Angel Yan understood what Queen Kesha said.

Su Chen wanted to improve the strength of Angel Leng and Qiangwei. Queen Kesha wanted her to bring Angel Zhixin and several other angels there. This was to prepare Su Chen to also improve. Their strength.

However,

Angel Yan doesn't want to make things easier for Su Chen.

To improve her strength?

Mero Heavenly Court is very weak against the Xuantian Realm and even the Void World.

Angel Yan decided to bring more angels there.

If Su Chen doesn't improve her With the strength of the angels, she will definitely not let that bastard go.

"I see"

"Queen, don't worry, as long as Su Chen can improve the strength of those people, I will definitely let that bastard improve our strength. Also, Queen, I want to bring an angel army there. This time is an opportunity. I want Su Chen to Improve the strength of an angel army"

"Okay, Yan, you can take Tianren No. 7 with you too."

"Yes, Queen!"(To read Baoshuang novels, go to Feilu Novel Network!)

After Angel Yan closed the communication with Queen Kesha, a smile appeared on her lips,

Suchen!

That damn bastard, wait for my arrival!

Angel Yan turned his head and ordered,"Angel Chase, Angel Lingxi, assemble the Seventh Angel Legion immediately, we are going to Earth"

"Yes, Holy Left Wing Guard!"

Angel Chase and Angel Lingxi left and saluted.

They had just heard the conversation between Angel Yan and Queen Kesha. This time they were able to go to Earth to see Su Chen, and even allow Su Chen to improve their strength. They are all very Happy

Earth,

Su Chen is still a salty fish these days.

For the past three days,

Su Chen and Reina have been playing games. Angel Leng disdains playing such children's games. Angel Ruoning is just a slave. She is not qualified at all. Playing games with Su Chen.

Angel Leng sat next to Su Chen and thought about it.

In the past few days, although Su Chen had been flirting with her, he had not touched her. The most she could do was be hugged by this bastard. Angel Leng is not that annoying to Su Chen.

Besides,

Angel Leng has sworn a guardianship oath to Su Chen.

She is Su Chen's guardian angel.

Angel Leng also wants to know as much as possible about Su Chen. After all, she will spend time with this bastard in the future. Life.

Angel Leng looked at Su Chen who was playing games seriously.

She was very speechless.

A strong man actually had a soft spot for games. This made Angel Leng not know what to say.

"Su Chen, can you really improve our strength to the level of immortals?"

Su Chen nodded and replied,

"Well, yes, you are just some technology gods, and your growth potential is as high as that of heavenly immortals. I can upgrade you to the realm of heavenly immortals first. Later, I will ask my subordinates to study the method of improving technology gods. If it doesn't work, you can learn the cultivation method of immortality."

Angel Leng asked, 5.3

"Do you have that many resources?"

Su Chen smiled and said,

"The resources I want are readily available. I have countless strong men and armies of gods under my command, so I can get whatever resources I want."

Angel Leng became even more confused when he heard Su Chen's words.

Su Chen had countless subordinates?

Angel Leng knew that Su Chen was just a Taiyi Golden Immortal, and

Taiyi Golden Immortal was not powerful in Xuantian Realm. Could it be that Su Chen was Xuan Tian? Nobles in the heavenly realm?

"Su Chen, what is your status in Tianyu?"

Su Chen thought for a moment after hearing Angel Leng's words.

In Xuantian Realm, the only thing he couldn't handle was his three daughters. There was nothing he could do about Su Chen's three precious daughters.

"Angel Leng, in Xuantian Realm, I am ranked lower than three people and higher than hundreds of millions of people!".

Chapter 2259

Angel Leng was very surprised when he heard Su Chen's words.

Three people were worth more than hundreds of millions of people? is it possible?

Angel Leng didn't believe what Su Chen said.

She felt that Su Chen was fooling her. He was a Taiyi Golden Immortal, which was equivalent to the level of an angel captain in the Xuantian realm.

Even if Su Chen was a noble, he couldn't be. There are three people below hundreds of millions of people, unless Su Chen is a royal family, but Su Chen looks shameless and shameless, how can he be a royal family.

Reina, who was playing games, curled her lips when she heard Su Chen's words.

Three people are less than hundreds of millions of people?

This shameless bastard really had a serious tone, and Reina didn't believe what Su Chen said at all.

In the past three days,

Reina also knew that Su Chen was from another world, and that the void world would invade this world in about three years.

But she is not worried at all.

Even if their world is invaded, it is not her turn to save it. Angels, demons, Death Song Academy, Super Seminary, and even her Sun Star, these powerful forces will stop the void. The invasion of the world.

Reina is just a third-generation god, or a puppet god.

The Void World will invade this world in three years. Reina can't do anything she wants. She might as well have fun with Su Chen.

Su Chen saw Angel Leng and Reina's expressions of disbelief.

He smiled and did not explain.

There was no need to explain these things.

When the divine army from the Xuantian Realm arrives, they will know their true identities.

"Master, Rose has arrived." At this time, Angel Ruoning came to Su Chen and saluted,

"Ruoning, bring Qiangwei over!"

"Yes, master!"

Leina asked doubtfully after hearing Angel Ruoning's words.

"Rose is here? Why didn't Qiangwei come with Qilin?"

Su Chen thought for a while and said,

"Qiangwei should not be in the black armor team."

Reina was very confused when she heard Su Chen's words.

How could Qiangwei not be in the Black Armor Team? Dukao is the leader of the Black Armor Team and Qiangwei's father. Reina didn't understand what Su Chen meant.

"Lena, don't guess, Qiangwei's father is not Dukao, Dukao is just the person who raised Qiangwei."

Su Chen looked at Reina's confused look and explained that strictly speaking, Rose should be a test-tube baby. It can also be said that Morgana's time and space genes created Rose. Rather than saying that Rose is Dukao's child, this is not as good as said to be Morgana's child.

Reina asked in surprise when she heard Su Chen's words,

"This is real?"

"pretty close!"

"Suchen, Reina!"

Just when Reina wanted to ask Su Chen, the angel Ruoning came to the villa with Qiangwei. Qiangwei shouted happily when she saw Su Chen and Reina.

Reina hurriedly shouted when she saw Qiangwei arriving, "Qiangwei, Come here, let's play games together. Su Chen has been bullying me these days. I haven't beaten Su Chen in the past three days."

Qiangwei said speechlessly when she heard Reina's cry.

"You are really at ease."

Su Chen waved his hand to Qiangwei and shouted,

"Rose Beauty, come and sit!"

Angel Leng saw that Su Chen was about to make a move, which made her very angry.

This shameless bastard.

Su Chen looked impatient when he saw a beautiful woman. She really wanted to beat this shameless bastard.

Angel Leng He pinched Su Chen and warned, (To read Baoshuang novels, go to Feilu Novel Network!)

"Give me some attention."

Su Chen hugged Angel Leng's small waist and said,

"Uh, Leng, Qiangwei is my friend, you are my wife, you don't have to be jealous"

"snort!"

Angel Leng rolled her eyes at Su Chen proudly.

Although she was a little happy when she heard Su Chen's words, she felt that Su Chen couldn't have only her as a guardian angel. At least Angel Yan would swear a guardianship oath to Su Chen.

Angel Leng After thinking about it, he didn't want to worry about Su Chen.

As long as Angel Yan arrived in a few days, Angel Yan would definitely keep strict supervision on this shameless bastard.

Afterwards,

Su Chen and Reina talked with some Qiangwei, and they also knew about Qiangwei. Half a year was spent in Demon No. 1, that is, Morgana and Qiangwei stayed in Demon No. 1 for half a year.

Two days later,

Qilin and Lianfeng also arrived together. Everyone on earth who was supposed to arrive has already arrived. As long as Su Chen waits for Angel Yan to arrive, he is ready to improve the strength of people like Qiangwei and Reina.

At night, in a room,

Su Chen hugs Angel and kisses her coldly.

Today Su Chen will completely win over this beautiful angel. Angel Yan will arrive in one day, and Su Chen's first guardian angel will be taken down. Angel Leng cannot refuse him today. Angel

Leng's face turned red and he pushed Su Chen away and said, "Su Chen, don't do this, I still want to win." Not ready!"

Su Chen stroked Angel Leng's blond hair and said with a smile,

"Leng, there is no need to prepare for this. You are my guardian angel. It is only natural that we do this."

"No, it's too fast. I haven't gotten to know you yet. Su Chen, please wait for a while. Give us some more time. Angel

Leng shook her head and refused.

She would not object to being held and kissed by Su Chen, but she felt it was not the right time to have a relationship with Su Chen. After

Su Chen kissed Angel Leng, she reminded him with a smile,

"Leng, I don't care, but if Yan comes tomorrow, she might be one step ahead of you. You are my first guardian angel, you won't let Yan get there first, right?"

"You damn bastard, there's no way I'm going to be beaten first."

Angel Leng was a little worried when he heard Su Chen's words. If the female gangster Angel Yan comes tomorrow, then

Angel Yan will definitely swear a protective oath to Su Chen, and may even have sex with Su Chen before her.

Angel Leng and Angel Yan has always been competitive. Angel Leng could not lose to Angel Yan.

Angel Leng hugged Su Chen's neck and started to kiss her.

She is Su Chen's guardian angel and will never betray Su Chen in her life.

Angel Leng Zao It's not a big deal to be with Su Chen one day and the next.

Besides,

Angel Leng is also very obsessed with Su Chen's kisses on her (Li's) these days.

Su Chen hugs Angel Leng turned off the lights in the room.

In the villa,

Angel Ruoning looked at Su Chen's room and smiled.

Angel Leng finally became Su Chen's real woman.

She can also let Angel Leng go to Su Chen in the future. Chen, let Su Chen upgrade her status as a slave. Angel Ruoning only needs to upgrade her status as a slave to that of a maid, and she will be satisfied. The other women in the villa shook their heads speechlessly, Su Chen and Angel Leng didn't have any During the space blockade, they could hear the cold screams of the angels clearly.

At this moment, at the space barrier, the Immortal Queen discovered that more than ten monsters had arrived in the Super God World this time. These monsters were not very powerful, and the three-headed earth There are many monsters in the Immortal Realm, and most of the others are in the Dividing God Realm and the Tribulation Transcending Realm.

"Capture a monster from the fairyland and bring it back for business, and let the other monsters cause trouble in this world."

Chapter 2260

The next morning,

Su Chen walked out of the room refreshed.

Angel, it's really good!

Su Chen really can't put it down for Angel Leng, Angel Leng's passion is as fiery as any other~ other women

"Shameless!"

"rogue"

"Color embryo!"

"So shameless!"

Qiangwei, Qilin, Reina, and Lianfeng came out when they saw Su Chen smiling evilly. The four of them didn't have a good look towards Su Chen.

This bastard didn't let them have a good night's rest yesterday. Although they all blocked out those harsh sounds, they could not forget what happened between Su Chen and Angel Leng.

Su Chen sat down and said disdainfully,

"Yes, it's normal for a man to love a woman. Angel Leng is not only my guardian angel, but also my wife. Isn't it normal for us to be together?"

Lianfeng was speechless when he heard Su Chen's words, "Su Chen, you are really hopeless."

"Why don't I have....."

"Master, I captured a monster. I am now in space outside the earth. Is the monster going to be taken to the earth?"

Su Chen was about to argue with Lianfeng when he suddenly received a call from the Immortal Queen.

Su Chen heard that the Immortal Queen had caught a monster, and he thought that the monster's strength should not be weak.

If the Immortal Queen brought the monster into the earth, , this will definitely destroy the earth.

Su Chen thought about it and then ordered, "Little Phoenix, you take the monster to a nearby star. I will rush there now.""

"Yes, master!"

Bah bang bang!

Su Chen clapped his hands and said to the girls,

"Get ready, I want to show you the monsters in the void. My maid caught a void monster."

"Void monster? Su Chen, your maid actually caught a void monster?"

"Su Chen, has the void monster arrived in our world so early?"

"That's right, didn't you say that the void monster will not arrive until about three years? Could it be that the space channel is now open?"

"How could it be so fast? How could a void monster come to our world so early?"

Lianfeng and Qiangwei were very surprised when they heard Su Chen's words.

Su Chen told them that it would take about three years before the Void World would be connected to their time.

Why did the Void Monster appear now? Could it be that the Void World Connected to the space channel of their world?

Su Chen shook his head and explained to the girls,

"Don't think too much. The void world and your world are not connected yet. This is just because the space barrier is unstable."

"Some monsters wandering in the space barrier are sucked into the space channel by the space turbulence, so some monsters will appear in your world, but the strength of those monsters is not very good."

Lianfeng and the girls relaxed after hearing Su Chen's words. They were very worried that the void world would now be connected to their world.

"You all get ready. I'm going to wake Angel Leng up."

"OK!"

Outer space on Earth, on a star, the Immortal Queen suppressed a huge monster lying on the ground, but the monster kept roaring and struggling.

At this time, a huge battleship appeared outside the star, and the sword-shaped battleship flew around. An angel with hundreds of white wings.

After the angel Keira checked the detection instrument, she told Angel Yan,

"Holy left wing guard, huge energy fluctuations are emitted from this star."

Angel Yan said doubtfully,

"Well, it's not that far from the earth. What exactly is going on in this star? Why are the energy fluctuations so large?"

Angel Zhixin asked worriedly, "Sister Yan, should we go check it out?"

Angel Yan waved his hand and said seriously,

"Let's take a look at the situation first. This star is too weird. Let's not go there easily. I'll contact Su Chen. That bastard is very powerful. He should know what's going on here." (To read Baoshuang novels, go to Feilu Novel Network!)

Whoosh!

Su Chen appeared in Tianren No. 7 with Lianfeng and Angel Leng. He heard Angel Yan's words just after he appeared.

Su Chen smiled. He greeted Angel Yan and said, "Yan, there's no need to contact me, I'm already here.""

"You bastard!"

When Angel Yan saw Su Chen appear, she clenched her fists to beat the shameless bastard.

Angel Leng saw Angel Yan's angry look and even wanted to attack Su Chen, which made Angel Leng unwilling. Angel

Leng was there. Su Chen said in front of him,

"Angel Yan, Su Chen is my male god now, what are you going to do?"

When Angel Yan heard Angel Leng's words, he shook his head and said,

"Angel Leng, you were just deceived by this shameless bastard, Su Chen is my male god"

"Yan, I have sworn an oath of protection to Su Chen. Su Chen will be my male god from now on."

"Leng, that's because you lost the bet"

"Yan, no matter what, I have sworn an oath of protection to Su Chen"

"Su Chen is my male god, Leng, it's not like you don't know it!"

When the angels around saw Angel Leng and Angel Yan fighting again, they all took a few steps back silently.

This time it was because of a male god, and it was Angel Leng who snatched Angel Yan and the male god.

Well, also We can't say robbery, this situation seems to be very complicated.

Lianfeng, Qiangwei, Reina, and Qilin looked like they were watching a show.

They all hoped that Angel Yan would beat Su Chen, and even Angel Leng also joined Angel Yan. Beat up Su Chen.

This shameless bastard deserves a beating.

Su Chen didn't care about Angel Leng and Angel Yan.

The two of them just bickered. Angel Leng and Angel Yan often did this before.

Su Chen wanted to know why Angel Yan brought him with him again. The Heavenly Blade Seven combat body came to Earth, and there was even an angel legion of five thousand angels.

Su Chen asked the angels around him, "Achai, why did you bring the Heavenly Blade Seven here again? Even brought an angel army?"

When Angel Zhui heard Su Chen's words, he smiled and said,

"Su Chen, don't you want to improve our strength? Sister Yan asked you to improve the strength of all the angels in the Seventh Angel Legion."

I'll go!

When did you say that you want to improve the strength of the angels?

He just wants to attract Angel Yan to the earth.

What about him, five thousand angels?

This must be arranged by that flat-chested girl Kesha.

Damn it , do you want to give Kesha's angels the strength boost for nothing?

Su Chen said helplessly while holding the small waist of the angel chasing him.

"Ah Zhui, I never said I would improve the strength of the angel army. You and Angel Lengxi, Angel Qingqing, Angel Keira, and Angel Zhixin, I can improve your strength. Five thousand angels? Is this going to tire me out?"

Angel Chase was hugged by Su Chen again.

She rolled her eyes at Su Chen and said,

"You tell Sister Yan that as long as Sister Yan agrees, you don't have to give the Angel Legion a boost in strength."
