### Chapter 2361

Su Daji did not see Su Chen holding Queen Jiang, nor did she see Queen Jiang still blushing.

The appearance of the Luck Golden Dragon just now meant that something must have happened in the palace. Su Daji wanted to know what big event had happened before.

"Daji, the previous appearance of the Luck Golden Dragon was caused by Tu Xingsun from Chanjiao who broke into the palace without authorization and even wanted to do something to me....."

Su Chen had just told Su Daji about Tu Xingsun's arrival, and he suddenly felt that many ministers had arrived at the palace, and even tens of thousands of troops from Chaoge City were dispatched.

Su Chen hugged Su Daji's soft waist, and he whispered in Su Daji's ear. Su Daji nodded and left Queen Jiang's palace.

Mrs. Li wanted to leave Queen Jiang's palace at this moment.

She did not expect that Su Chen would hug Su Daji. Just now, Su Chen hugged the queen of Dashang, and now he hugged the concubine of Dashang.

Is Su Chen the king of Dashang?

Queen Jiang asked Su Chen with a serious face at this moment, "Su Chen, what is your relationship with Su Daji?"

Queen Jiang did not expect that Su Daji hugged Su Daji, and Su Daji seemed to be used to being hugged by Su Daji. In the morning hug,

Queen Jiang didn't know the relationship between Su Chen and Su Daji, but she didn't want to see Su Chen be confused by Su Daji.

Su Chenyou hugged Queen Jiang and said,

"Queen, to tell you the truth, Su Daji is my woman. King Zhou never even touched Su Daji."

After Queen Jiang was hugged by Su Chen again, she struggled.

This bastard didn't tell her clearly that Queen Jiang would not let Su Chen hold her again.

However, after hearing what Su Chen said, Queen Jiang

She leaned into Su Chen's arms and asked in surprise,

"Your woman? How could Su Daji be your woman? What conspiracy do you have against Dashang?"

Su Chen touched Queen Jiang's soft waist and said,

"Queen Jiang, I have only known Su Daji for more than a year. We also met in the palace. Moreover, Su Daji is not a human race. She is a vixen. Su Daji was ordered by Nuwa....."

After Queen Jiang heard what Su Chen said, her pale legs were weak with fear. If Queen Jiang hadn't been hugged by Su Chen, she would have collapsed on the ground now.

The news Su Chen told was too scary.

Is Su Daji a vixen? Or did he follow the orders of Empress Nuwa to harm the great merchants?

King Zhou was confused by a heavenly saint?

The rebellion of the Western Zhou Dynasty and the beginning of the Great Tribulation of the Gods, all these things made Queen Jiang frightened when she heard about them.

Mrs. Li sat on the ground with a pale face. She was frightened by what Su Chen said.

Mrs. Li felt that it was impossible for her to leave now. What happened to her today was a big deal, even a big deal in the prehistoric fairy world. Mrs. Li felt that she was dead this time.

Su Chen looked at Queen Jiang who was in trouble and said, "Queen, now I understand, this is the plan of the saints. This time the Western Zhou Dynasty rebelled against business and the catastrophe of becoming gods, we can't escape."

Queen Jiang asked with a pale face,

"Su Chen, Su Daji was sent by Nuwa Empress. Can't we let Su Daji help us?"

Su Chen shook his head and replied,

"Impossible, queen, Empress Nuwa is just a saint. There are six powerful saints in the ancient immortal world. How many saints do you think Nuwa can resist?"

Queen Jiang lowered her head when she heard Su Chen's words. She understood that this matter was irreversible. Dashang was destined to be destroyed by the Western Zhou Dynasty, and even they might die in this sage's plan.

Su Chen touched Queen Jiang His face said,

"Don't think so much, I will try my best to protect you. Dashang may be destroyed, but you will not die."

"I see!"

Queen Jiang smiled and nodded.

She knew that Su Chen was stabilizing her. This was the plan of the saints. How could Su Chen escape the plan of the saints? Both she and Su Chen would die in this catastrophe. Among them.

Queen Jiang leaned in Su Chen's arms and hugged him tightly.

In more than ten years, she and Su Chen could live for more than ten years. Queen Jiang no longer restrained her feelings for Su Chen.

Su Chen saw Seeing Queen Jiang's appearance, he picked up Queen Jiang and disappeared into the hall. Although Su Chen didn't know the relationship between Queen Jiang and him, the emotion Queen Jiang showed towards him was impossible for him to see the sexy and beautiful woman who came to his door. Let it go. (To read Baoshuang novels, go to Feilu Novel Network!)

Mrs. Li breathed a sigh of relief when she saw Su Chen disappearing with Queen Jiang in his arms.

Su Chen might not have paid attention to her. Mrs. Li thought of what happened just now I still have lingering fears about things

"I almost forgot about you, come together!"

Suddenly,

Su Chen appeared next to Mrs. Li again holding Queen Jiang. He picked up Mrs. Li and disappeared instantly. In

Yuxu Palace, a cave, the fearful grandson of the Twelve Golden Immortals suddenly felt uneasy and fearful. Liu Sun opened his eyes and calculated but found nothing. The Great Tribulation of the Gods was launched, and the secrets of heaven were in chaos. At this time, the secrets of heaven were deceived, and even the saint could not calculate anything. A boy hurried over and shouted, "Master, don't Okay, Tu Xingsun's soul lamp has gone out.

"

"What? My disciple's soul lamp went out?"

Zhen Liusun was very surprised when he heard the boy's words.

Tu Xingsun was his only disciple and the third generation disciple of Chan. The great catastrophe of becoming gods had just begun. How could Tu Xingsun be killed so quickly? Who killed him? He killed his disciple Tu Xingsun?

At this time, a little boy suddenly appeared in the cave.

He saluted to Tu Xingsun and said,

"Senior brother!"

Zhen Liusun saw the white crane boy coming next to the teacher, and he asked doubtfully,

"White Crane Boy, why are you here?"

The boy Baihe said hurriedly to Wei Liusun,

"Senior brother, the master asked me to send you a message. The third-generation disciple Tu Xingsun broke into the Dashang Palace without permission, and even tried to take action in the Dashang Palace. Tu Xingsun was destroyed by the luck golden dragon of Dashang, and even his soul could not escape.."

After fearing Liusun heard Tu Xingsun's words, he understood why Tu Xingsun was killed.

Fearing Liusun did not expect that the lecherous Tu Xingsun, that traitor, would break into the Great Shang Palace, and the Great Shang Palace would not even let him. Dare to break in. A scumbag of an immortal dared to break into the palace of Dashang. He really deserves to die.

Fearing Liu Sun angrily cursed, "Traitor, that traitor, Dashang is protected by the luck of the human race, and the luck of the Dashang. Doesn't that lustful traitor know?"

Chaos,

Wa Palace,

Nuwa didn't expect Dashang's Luck Golden Dragon to destroy three generations of disciples of Chanjiao.

However, why did Dashang's Luck Golden Dragon obey Su Chen's order?

The Luck Golden Dragon has no consciousness or thinking, so it can only She instinctively protects the palace of Dashang and the king of Dashang.

What is going on?

Nuwa can't understand this either.

"Su Chen, you have made me even more interested."

Nuwa can't understand this either.

"Su Chen, you have made me even more interested."

Chapter 2363

Su Chen held Su Daji in his arms and explained,

"Daji, we have arranged everything, but the plan cannot keep up with the changes. Sishui Pass is indestructible."

"But for those immortals and those strong men, Sishui Pass is like paper. I will personally go to Sishui Pass to guard Sishui Pass. If anything happens, I can make timely arrangements for adjustments."

Su Daji leaned in Su Chen's arms and reminded,

"Su Chen, I'm worried that the disciples of Chanjiao and Renjiao will enter the venue early. It's too dangerous for you to go to Sishui Pass."

Su Daji knew that the rebellion in the Western Zhou Dynasty was supported by the Chan religion and the Human religion. This was all the plan of the saints. The great Shang Dynasty was destroyed, the Western Zhou Dynasty was resurrected, the human emperor died, and the emperor emerged. The more Su Daji thought about the secrets Su Chen told her, The more uneasy she felt.

Saint?

This is a war led by saints, a catastrophe led by the gods.

She and Su Chen are both ants in the eyes of saints. They have no idea whether the great "Zero San San" Shang can win this human race. Whether Su Daji can survive the Conferred God Tribulation safely or not, she has no hope.

Otherwise,

Su Daji will not be able to let Su Chen succeed to her.

After more than ten years,

Dashang may be destroyed, and she and Su Chen might also die in this catastrophe.

In order not to leave any regrets,

Su Daji handed over her innocence to Su Chen, and she didn't care about Su Chen extending his demonic claws to Queen Jiang..

And that Mrs. Li,

Su Daji didn't even care about that humble woman. She was Su Chen's condiment and a dispensable woman.

Su Chen kissed Su Daji and said,

"Don't worry, I won't go to the battlefield. When I arrived at Sishui Pass, I was also commanding the battle from behind."

"Su Chen, why don't we escape? The prehistoric fairy world is so big, we can escape far away from Dashang. We don't want to participate in any human war or the catastrophe of becoming a god."

Let me get together!

Escape?

Can you escape?

Su Chen came to the Conferred God Period this time for a trial mission.

Can he escape?

And Su Daji,

Su Daji is an important figure in the Conferred God Tribulation, can she escape? Is it?

The prehistoric fairy world is vast, but for those saints in the prehistoric world, this is just a time to breathe, and they can reach every corner of the prehistoric fairy world.

Su Chen touched Su Daji's hair and said,

"Daji, we can't escape. The Great Tribulation of the Gods has begun. We are already trapped in the great tribulation. Even if we escape to the outer starry sky of the prehistoric fairy world, those saints will catch us back."

After Su Daji heard what Su Chen said, she lay in Su Chen's arms and fell silent.

Su Daji also knew that what she just said was a bit whimsical. She and Su Chen were both protagonists in the human race's war. It was impossible for them to leave and become gods. During the Great Tribulation,

Su Daji and Su Chen were both those who measured the calamity. They were even important protagonists in the development of the Great Tribulation of the Gods. It was even more impossible for Su Daji and Su Chen to leave. After

Su Daji thought for a while, she He reminded Su Chen,

"Su Chen, you should be careful when going to Sishui Pass."

Su Chen nodded and said with a smile,

"Don't worry, I know the laws of space. If I want to escape, even if the saints aren't careful, they won't be able to catch me."

"Don't be careless. Saints all have innate treasures. Even if you know the laws of space, you should be more careful."

"I see!"

Three days later!

Outside Sishui Pass, millions of densely packed troops of the Western Zhou Dynasty formed their troops outside the pass. (To read Baoshuang novels, go to Feilu Novel Network!)

In the past three days, five or six of the vanguard generals of the Western Zhou Dynasty have been killed. , this is because Zhang Kui, the general of the Sishui Pass, did not dispatch. Zhang Guifang, the general in the Sishui Pass, killed several forward generals of the Western Zhou Dynasty alone. The arrogance of the generals of the Western Zhou Dynasty was dispersed.

In the Western Zhou army ,

Huang Feihu came out of the army on horseback.

This time he was ordered by Jiang Ziya to go into battle.

If the Western Zhou Dynasty did not kill Dashang's generals to improve their morale, the millions of troops in the Western Zhou Dynasty would lose their morale. This would be detrimental to the Western Zhou Dynasty's future influence on Dashang. The war was very unfavorable.

In front of the army,

Huang Feihu looked at the Sishui Pass, which was tens of meters high, with a serious face.

The city was high and solid, and it was as solid as gold. It was very difficult for the army of the Western Zhou Dynasty to break through the Sishui Pass, unless there were monks. The people broke the wall of Sishui Pass, otherwise the army of the Western Zhou Dynasty would not be able to break through Sishui Pass no matter what.

Huang Feihu looked at Sishui Pass and shouted,

"Zhang Guifang, I am Huang Feihu, the general of Zhou Dynasty. Do you dare to come out and challenge me?"

After Sishui was closed,

Zhang Guifang looked at Huang Feihu outside the pass and cursed disdainfully,

"Huang Feihu, you are a traitor who cheats on both inside and outside, General? The Western Zhou Dynasty was a rebellious minister, but you still shamelessly call yourself a general? Your Huang family has lost all their face....."

"As one of the four major princes of the Great Shang, Xibohou not only failed to guard the border for the Great Shang, he even dared to raise an army to rebel. This was disloyal and unjust to the Great Shang. Huang Feihu, I, Zhang Guifang, will kill you with my own hands. Huang

Feihu shouted with an ugly look on his face,

"Zhang Guifang, stop talking nonsense. King Zhou is ignorant and greedy for beauty. The evil concubine Su Daji has disrupted the government and harmed the loyal. The great merchants are no longer the great merchants they used to be. The great Zhou Dynasty obeyed the will of God and attacked the merchants. This is the place of the people. Xiang, this is God's will to destroy the great merchants."

At this time,

Zhang Kui, the commander-in-chief of Sishui Pass, came to the city wall.

He looked at Huang Feihu outside the pass and shouted disdainfully,

"Speaking arrogantly, officers and soldiers of Dashang, what should we do to the traitors?"

"kill! kill! kill!"

"What should we do about the rebellious Western Zhou Dynasty?"

"Destroy! Destroy! Destroy!"

Zhang Kui raised his hands and shouted expressionlessly,

"For the sake of Great Shang, and for Empress Su, the soldiers of Bishui Pass will fight until every soldier is killed. Huang Feihu, the rebel of the Western Zhou Dynasty, as long as Zhang Kui, the general of Bishui Pass, is here, you can never attack Sishui Pass."

"For the sake of Dashang and Empress Su, we will live and die with Sishui Pass."

"For the sake of Dashang and Empress Su, we will live and die with Sishui Pass."

"For the sake of Dashang and Empress Su, we will live and die with Sishui Pass.".....

On the wall of Sishui Pass, hundreds of thousands of troops roared in unison, and then 0.1, millions of troops in the entire Sishui Pass roared. All the troops in

Sishui Pass roared from the bottom of their hearts.

Dashang There have been great changes in more than a year.

For the first time, Dashang's army has military pay, and for the first time there is a pension after death in battle. Moreover, the weapons and armor are very sophisticated. Even as long as the slaves serve as soldiers, the slaves themselves can not only Be forgiven of slavery, and your entire family will be forgiven of slavery.

All the soldiers in Dashang's army, how could they watch everything they got go up in smoke.

Huang Feihu listened to the roar in Bishui Pass with a shocked expression. He felt that the roar of the Dashang army was coming from the heart.

But how is this possible?

"How can this be? How could Dashang's army be so united? For big business? For Empress Su? Where is King Zhou? Where is the queen? Is King Zhou, the great king of Shang, dead?"

Chapter 2364

Among the armies of the Western Zhou Dynasty,

Jiang Ziya and Xibo Hou Jichang both looked surprised. The momentum of the Dashang army in Sishui Pass was too strong, and they were frightened by the way they looked at death as if they were going home.

Xibo Hou Jichang asked with an ugly face,

"Prime Minister, what's going on? Isn't the Western Zhou Dynasty a destiny? The Shang Dynasty in the Western Zhou Dynasty was God's will, but what happened? Why did Dashang's army guard Dashang even if he was dead?"

Jiang Ziya shook his head and said with a frown,

"I don't know, but, Lord Marquis, didn't you hear just now that Dashang's army is only for Dashang and Su Daji, where is the king? Is King Zhou dead?"

"Um? Yes, why didn't Dashang's army roar at King Zhou? Could it be that King Zhou was killed by the demon concubine Su Daji?"

When Xibohou heard Jiang Ziya's words, he was also very confused.

For Dashang?

For Empress Su?

Why isn't Dashang's army called King?

This is wrong, very wrong!

Jiang Ziya said with a serious face,

"Lord Hou, it is impossible for King Zhou of the Great Shang to die. King Zhou is not only the great king of the Great Shang, but also the contemporary human emperor of the human race. The fate of the human race has not dissipated on King Zhou. If King Zhou dies, the world of the prehistoric immortal world will be destroyed. Have all the senses"

"Prime Minister, what should we do now?"

"Lord Marquis, continue to attack Dashang and the Western Zhou Dynasty. This is God's will. Dashang's army can only be strong for a while, and this is just a flash in the pan."

"Okay, that's good. Come here and order Huang Feihu to continue challenging the generals of Dashang. We must first destroy the spirit of Dashang's army."

"Yes, Lord Marquis!"

Ji Fa, the crown prince of the Western Zhou Dynasty, looked at Jichang, the Marquis of Xibo, and smiled. It's almost over. It's still more than a year away. His father will die in more than a year.

At that time,

Ji Fa will inherit the title of Marquis of Xibo. No, he will... In a few years, he will be the King of the Western Zhou Dynasty and the King of Wu of the Western Zhou Dynasty. In a high tower in the Sishui Pass, Kong Xuan looked at all this and nodded. He was a little impressed by the army of Dashang, and in the past few days, he had been visiting the Western Zhou Dynasty continuously. After losing several generals, the Western Zhou generals did not kill Dashang's general Zhang Guifang. The Western Zhou Dynasty was really vulnerable. Suddenly, Kong Xuan thought of the shouts of the Dashang army just now. For the sake of Dashang's words, for the sake of Empress Su. What the hell? Where is King Zhou? Aren't the troops of Dashan going to shout for King Zhou? Kong Xuan touched his chin and said to himself,

"Empress Su? How is this going? Suchen? Empress Su? Are they all Su? Damn it, that bastard Su Chen won't turn into a woman and plan the world of Dashang, right?"

Whoosh!

Su Chen suddenly appeared next to Kong Xuan.

He cursed at Kong Xuan with an ugly look on his face,

"Damn it, silly bird, you just changed into a woman, I am a man, a real man."

When Kong Xuan saw Su Chen's sudden arrival, he even called him a silly bastard.

Su

Chen called him a silly bird not once or twice. Kong Xuan couldn't help but want to kill this shameless bastard.

"Xuanniao, if you dare to call me a stupid bird again, I will crush you to death right now."

Su Chen glared at Kong Xuan and shouted, unwilling to be outdone.

"Kong Xuan, if you didn't call me a woman, would I call you a fool?"

Su Chen didn't expect that just after he arrived at Sishui Pass, he heard that Kong Xuan suspected that he was a woman, and even suspected that he turned into a concubine in order to confuse King Zhou.

Damn, would he do this?

A dispensable big man Shang,

Su Chen didn't care about this dynasty at all.

Kong Xuan rubbed his forehead and felt very helpless. (To read Baoshuang novels, go to Feilu Novel Network!)

This bastard,

Kong Xuan also knew that he made a mistake just now, It is impossible for a Taoist to transform into a woman and confuse King Zhou.

"Who is Empress Su?"

Su Chen sat down and replied,

"My woman, Su Daji, the princess of Dashang, Kong Xuan, use your soul to check the situation of Dashang. Isn't everything clear? Why don't you check it yourself?"

Kong Xuan replied coolly, "I'm too lazy to check boring things."

"Show off!"

Su Chen curled his lips and was too lazy to pay attention to this stupid bird.

He was a pretender.

His cool appearance was useless.

Kong Xuan sat opposite Su Chen and said, "Xuanniao, there is no powerful person in the army of the Western Zhou Dynasty. There was only one little earthly fairy child in the entire Western Zhou camp."

After Su Chen heard what Kong Xuan said, he looked at the army of the Western Zhou Dynasty.

The army of the Western Zhou Dynasty was vulnerable, and the cultivators of the Western Zhou Dynasty were also weak and could be ignored.

Earth Immortal?

Nezha?

Damn,

Nezha is causing trouble again. Sea?

Lotus body?

Nezha died this time.

Master Taiyi was really cruel. In order to let his disciples protect him from the Great Catastrophe of the Gods, he still designed Nezha to die once.

Su Chen curled his lips and said,

"Don't worry, if the Western Zhou Dynasty cannot break through the Sishui Pass, Jiang Ziya from the Chan Sect will definitely ask for help. When the time comes, Daluo Jinxian and Quasi Sage from the Chan Sect and the Human Sect will definitely arrive."

"Chanjiao and Renjiao?"

"how? Scared?"

"Am I afraid? As long as the saint doesn't take action, I won't notice any of the quasi-saints from the saint sect."

"Ha ha....."

When Kong Xuan heard Su Chen's laughter, he felt very unhappy.

A disciple of the Saint Sect?

Even if he could defeat him, he would not dare to kill him.

The saints in the ancient world were all selfish and shameless. If Kong Xuan dared to kill the disciples of the saints, those saints would definitely kill him personally.

Kong Xuan stared at Su Chen and shouted,

"Xuanniao, you are so ridiculous!"

Su Chen yelled speechlessly,

"Damn it, can't I be happy? By the way, Kong Xuan, I found another powerful person"

"who?"

"Lu Ya, the son of the demon emperor Jun (who has a lot of money)!"

"It's him? I've met Lu Ya, one of his powerful quasi-sages, but I didn't expect you to persuade Lu Ya."

Kong Xuan didn't expect that Su Chen would find Lu Ya. Lu Ya was a very powerful quasi-sage. He didn't even have 100% confidence in defeating Lu Ya. How could this bastard persuade Lu Ya to help Dashang?

Su Chen took out After two bottles of wine, he smiled and said,"A fool.....Ahem, a three-legged bird, but you and Lu Ya are still birds, so why are the helpers I'm looking for all birds? Kong

Xuan, with his head full of black lines, mocked Su Chen,"Hey, Xuanniao, who are you?" Isn't the black bird a bird? You should say that all three of us are birds!"

I guess!

I'm not a bird.

Su Chen's face was so dark that he wanted to beat up Kong Xuan, a stupid bird.

Bird?

He used to be a pure human race, hey, he just has the blood of black bird, Su Chen Is it possible that morning is a bird?.

Chapter 2365

Kong Xuan was very happy when he saw Su Chen's dark face.

This shameless bastard also had his day.

However, was it really him that Su Chen was looking for? The three-legged golden crow Lu Ya, the peacock himself, Xuanniao's ~ Su Chen.

Damn it, aren't these all birds?

After Su Chen took a sip of wine, he looked at the Western Zhou army at Sishui Pass. Su Chen wanted to launch a war against the Western Zhou Dynasty.-,

"Kong Xuan, are you interested in visiting Sishui Pass and the city wall?"

After Kong Xuan took the wine bottle Su Chen gave him and opened it, he said disdainfully,

"What to see? What's there to see in Mortal War?"

"Just watch the fun, aren't you tired of practicing in seclusion all day?"

"How can a person in Taoism get tired of practicing? I just shut down hundreds of thousands of people.....What kind of wine is this?"

Kong Xuan was mocking Su Chen disdainfully.

He didn't expect that after taking a sip of wine, his magic power would increase for hundreds of years.

Kong Xuan was very surprised when he looked at Su Chen. This is the spirit of the best innate spiritual root. Wine made from fruit.

Does Su Chen have the best innate spiritual fruit?

"Kong Xuan, wine made from six thousand years of flat peaches, haven't you ever tasted wine made from the best innate spiritual fruit?"

Kong Xuan shouted with a speechless face,

"Damn it, I've never even eaten the ultimate innate spiritual fruit!"

Su Chen laughed and said,

"Ha ha....., Kong Xuan, you will consider me the boss from now on, and I will let you eat the best innate spiritual fruit until you vomit."

Kong Xuan wanted to crush Su Chen to death when he heard what he said.

A scumbag little bird still wants to conquer himself?

Flat peach?

This is the best innate spiritual root of the Queen Mother of Heaven. Su Chen doesn't know where he got the best spiritual wine.

Kong Xuan mocked Su Chen with disdain,

"laugh! Xuanniao, the top-grade innate spiritual root flat peach belongs to the Queen Mother of Heaven. You don't know where you got the top-grade fairy wine, and you still want me to recognize you as the boss? You even shamelessly asked me to eat the best innate spiritual fruit until I vomited? Will you die if you don't brag?"

"boast? Kong Xuan, do you want to eat? Flat peach, yellow plum, ginseng fruit, golden apple, and purple jade grape."

Su Chen took out a bunch of top-quality innate spiritual fruits from the system. He placed the spiritual fruits on the table one by one. These were prepared when he came to the trial of the Conferred God Period.

Besides, in the Merlot Heavenly Court,

There are several top-quality innate spiritual roots in the Pantaoyuan. Coupled with Su Chen's time acceleration law, there are too many top-quality innate spiritual roots in the Merlot Heaven.

Kong Xuan looked at the table in confusion. The best innate spiritual fruits, flat peach!

Ginseng fruit!

Huangzhong plum!

He has only heard of these best innate spiritual fruits but never seen them. He has never heard of golden apples and purple jade grapes. Su Chen has heard of these best innate spiritual fruits. Why are they all there?

The flat peach is owned by the Queen Mother, the ginseng fruit is owned by Zhen Yuanzi, and the yellow plum is owned by the Queen Mother of West Kunlun. Where did this bastard get these top-quality innate spiritual fruits?

Whoosh!

Su Chen waved all the top-quality fruits He put away the innate spiritual fruits.

He had successfully seduced Kong Xuan. If

Kong Xuan wanted to eat these top-quality innate spiritual fruits in the future, then Kong Xuan must recognize him as the boss.

"How about it? Do you still think I'm bragging?"

Kong Xuan saw that Su Chen had collected all the top-grade innate spiritual fruits again. He knew why.

This bastard was trying to seduce him.

Damn it,

Kong Xuan was really seduced by Su Chen.

Although he was a quasi-sage Yes, but he is also a pauper.

Although Kong Xuan does not need any spiritual treasures, he really has nothing on him, no spiritual treasures, no spiritual roots, no treasures. He seems to be even more miserable than the Sanwu Master who explains the teachings.

"How come you have these top-quality innate spiritual fruits? What do those great powers have to do with you?"

Su Chen shook his head and replied, "You don't need to ask more about this, you will know later. Kong

Xuan snorted at Su Chen and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"Hum, Xuanniao, even if you use these top-grade innate spiritual fruits to doubt me, you still can't make me recognize you as my boss."

"You can think about it. Anyway, there are still a few years left, and these flat peaches will be left to you."

Su Chen nodded to Kong Xuan, he left ten flat peaches and disappeared on the tower.

Kong Xuan saw Su Chen going to the wall of Sishui Pass, and his face turned dark when he looked at the ten flat peaches on the table..

Damn it, damn bastard,

Su Chen didn't even leave a single six-thousand-year-old flat peach, all he left behind were three-thousand-year-old flat peach.

How stingy is he?

At this moment, on the wall of Sishui Pass,

Su Chen just When he appeared, he was discovered by Zhang Kui, Zhang Guifang, Zhang Shan and other generals.

When Zhang Kui saw Su Chen coming, he hurriedly saluted Su Chen,

"Zhang Kui, the commander-in-chief of Sishui Pass, meets Lord Wu Xiang!"

"See Wu Xiangjun!"

The generals on the walls of Sishui Pass and all the troops also saluted Su Chen.

Su Chen looked at the generals and troops at Sishui Pass with a confused look on his face.

When did he have a title?

Lord Wu Xiang ?

In the ancient times of the Conferred Gods,

Su Chen only joked with Su Daji and Queen Jiang, when did Dashang give him the title of Lord Wu Xiang?

Su Chen guessed that Su Daji gave him the title of Lord

Wu behind his back. Xiangjun?

Not bad.

This was the title he had when he just traveled through time.

Su Chen waved his hand and shouted,

"Get up, everyone!"

"Thank you!"

"Zhang Guifang!"

"The end will be here!"

Su Chen ordered with a serious face,

"Zhang Guifang, you lead 300,000 infantry and 20 years of cavalry out of the city to fight against the rebel general Huang Feihu. Zhang Shan is your deputy general."

"Yes, Your Majesty!"

"Remember, this time we will give a severe blow to the army of the Western Zhou Dynasty"

"Yes, Your Majesty!"

After Zhang Guifang and Zhang Shan heard Su Chen's order, they were both very happy.

This time they could lead the army to attack the Western Zhou Dynasty.

This was something they had been looking forward to, but neither Empress Su nor Grand Master Wen Zhong Allow them to take the initiative to attack. This time with Su Chen's order, they can kill a lot of people happily.

Wuwuwu.....

When Sishui was closed,

Dashang's horn sounded, and the city gate of Sishui Pass was also opened at this time. Groups of troops quickly came out from Sishui Pass to line up their troops.

In less than half an hour,

Dashang's 300,000 infantry and 200,000 cavalry were all arranged in a neat military formation outside Sishui Pass.

Giant shield soldiers, archers, spearmen, light cavalry, heavy armor cavalry, the Dashan army has a neat military appearance, and the armor and weapons are bright and sharp.

The explosion of half a million troops was so powerful that the one million troops of the Western Zhou Dynasty on the opposite side were frightened and kept retreating. The regular army of Dashang and the beggar army of the Western Zhou Dynasty were as different as heaven and earth.

Zhang Guifang rode on a horse and pointed a spear at Huang Feihu and shouted,

"Huang Feihu, your Grandpa Zhang is here, come and die!".

Chapter 2366

In front of the army of the Western Zhou Dynasty,

Huang Feihu looked at the 500,000 troops in front of Sishui Pass with a surprised look.

In the past few days,

Dashang's army did not dispatch.

Today, 500,000 troops will be dispatched at Sishui Pass.

The troops are neat and powerful. The momentum, the murderous aura like a rainbow, and the well-equipped weapons and armor are completely different from the Western Zhou army wearing leather armor.

"Mr. Wu Xiang? Forbidden Army General Su Chen? He didn't expect Su Chen to arrive, so he was in big trouble."

Huang Feihu looked at Sishui Pass with a serious face. He did not expect that Su Chen would come to Sishui Pass in person. Su Chen was stronger than him. Su Chen was even Su Daji's confidant. In

the big business, Wu Xiangjun even They are more powerful than the Grand Master Wen Zhong and the Prime Minister Shang Rong.

"Zhang Guifang, today I am going to kill you and Sishui Pass."

Huang Feihu looked at Zhang Guifang in front of Dashang's army. He must kill Zhang Guifang today.

It is impossible for him to disobey Jiang Ziya's order. Several generals in the Western Zhou Dynasty were killed by Zhang Guifang in the past few days. If Huang Feihu did not kill Zhang Guifang, what would happen next? 29 Unfavorable to the momentum of the Western Zhou army

"kill!"

"kill!"

Zhang Guifang and Huang Feihu rushed towards each other on horseback with weapons in hand. They wanted to kill each other in front of their respective armies.

Bang bang!

In front of the army,

Zhang Guifang and Huang Feihu fought.

The two of them kept fighting on horseback. Attacking each other with weapons, the neighing of war horses, the clash of weapons, millions of troops in front of Sishui Pass are looking at the generals of their respective camps.

"Die!"

Crash!"

"Huang Feihu, you only have this ability, I will kill you today"

"You are not ashamed of your words, Zhang Guifang, today we avenge several generals of the Western Zhou Dynasty"

"Rebellious thieves, everyone will find them and punish them!"

"kill!"

Bang Bang Bang Bang!"

"kill!"

Among the Western Zhou Dynasty's two chariots,

Jiang Ziya and Xibohou looked cautious at the moment.

They looked at the merchant army in front of Sishui Pass, and then at the Western Zhou army around them.

There is no comparison.

The armies of the Western Zhou Dynasty basically wore leather armor and had a variety of weapons. The soldiers were all sallow and thin, with no fighting spirit. The Dashang army in front of Sishui Pass was well-equipped and powerful.

Jiang Ziya and Ji Chang were both a little bit agitated at the moment. Worried, they were afraid that Dashang's army would break up the Western Zhou army's military formation with a single charge.

Ji Chang asked with a surprised look on his face,

"Prime Minister, why did Dashang's army change so much? Dashang's army was all wearing armor, which was completely different from a few years ago."

Jiang Ziya shook his head and said seriously,

"Lord Marquis, when I left Dashang more than a year ago, Dashang's army also wore leather armor. I did not expect that in just over a year, Dashang's army had all replaced their armor with armor."

Jiang Ziya was very confused at this moment.

In just over a year,

Dashang's army has changed too much. Even if Dashang's army is as powerful as a rainbow, the sophisticated weapons, armor and equipment of these millions of soldiers are... When was it equipped?

Ji Chang asked with a sad look on his face,

"This is how to do? The army of Dashang was much stronger than ours in the Western Zhou Dynasty, and it was impossible for the army of the Western Zhou Dynasty to defeat the army of Dashang."

Jiang Ziya looked at Huang Feihu and Zhang Guifang who were fighting, he touched his beard and said with a smile,

"Don't worry, Lord Marquis, as long as we kill Dashang's generals, generals, and even Wu Xiangjun Su Chen, Dashang's army will be defeated without a fight. At that time, all the weapons and armor in Dashang's army will be ours. of"

"Um? Prime Minister, what you said makes sense."

Ji Chang nodded when he heard Jiang Ziya's words.

He looked at Huang Feihu and Zhang Guifang who were fighting. Ji Chang felt relieved.

Ji Chang's Western Zhou Dynasty was his destiny. Although he would encounter some difficulties before the rebellion, everything The storms and waves will pass, and the great merchants are destined to be destroyed by the Western Zhou Dynasty.

With the Si River closed,

Su Chen and Zhang Kui are also watching the battle between Zhang Guifang and Huang Feihu. (To read Baoshuang novels, go to Feilu Novel Network!)

However,

Su Chen lost interest after watching it for a while.

Mortal fights couldn't attract him at all.

Zhang Guifang and Huang Feihu were very powerful among mortals, but for those immortals who flew into the sky and into the earth, they were just scum.

Zhang Kui hesitated for a moment and saluted Su Chen and said,

"Your Majesty, why don't our merchants take the initiative to attack the Western Zhou Dynasty? The army of the Western Zhou Dynasty is vulnerable. There are millions of troops at Sishui Pass. I can destroy the army of the Western Zhou Dynasty in just one month."

Su Chen shook his head and replied,

"Zhang Kui, the Western Zhou Dynasty is nothing to worry about, but this war is not limited to the Western Zhou Dynasty. You are also a Buddhist. The rebellion of the Western Zhou Dynasty was supported by immortals. To destroy the Western Zhou Dynasty cannot be achieved in a short time."

"Your Majesty, the rebellion in the Western Zhou Dynasty was supported by immortals?"

Zhang Kui was very surprised when he heard what Su Chen said.

He didn't think that the rebellion in the Western Zhou Dynasty would be supported by immortals.

Zhang Kui is a monk and he understands the power of immortals. If there were immortals supporting the Western Zhou Dynasty, it would be very difficult for their merchants to destroy the Western Zhou Dynasty. It's not easy.

Su Chen nodded and explained,

"Yes, some immortals in the prehistoric world want to reach the peak of our great merchants. The Western Zhou Dynasty is just a pawn, or even the cannon fodder of those immortals. The enemies of our great merchants are those immortals."

"Zhang Kui, you understand now that Empress Su and Grand Master Wen Zhong did not allow you to take the initiative to attack because of those immortals."

Zhang Kui immediately saluted and replied,

"You will eventually understand! Su

Chen pointed to the high tower and reminded Zhang Kui,"Zhang Kui, there is a powerful immortal on the Bishui Pass high tower. If you encounter something that cannot be solved, you can go to him for help.""

"Your Majesty, our great merchants also have immortals?"

967"Well, the person in the tower is a powerful quasi-sage. You can solve small problems by yourself, and you can ask him for help in big problems.""

"You will eventually understand!"

Zhang Kui was very happy when he heard Su Chen's words.

Quasi-sage?

Their great businessman actually had the help of a quasi-sage?

This made Zhang Kui unexpected.

Zhang Kui is a cultivator.

He understands the power of quasi-sage.

In the prehistoric fairy world, if the saints do not come out, the quasi-sage will be the ceiling of the prehistoric fairy world. The great merchants have a quasi-sage who can help them. Their great merchants cannot be destroyed by the Western Zhou Dynasty supported by those immortals.

Whoosh!

"who? alert!"

Suddenly, a hazy woman in yellow appeared on the wall of Sishui Pass. Zhang Kui immediately shouted an order after seeing it,"

Whoosh!

" Kong Xuan also appeared on the wall of Sishui Pass in an instant.

He did not expect that a quasi-sage would suddenly appear. , and he is also a powerful quasi-sage.

"Everybody stand down!"

Su Chen saw the hazy woman in yellow appearing. He hurriedly waved his hands to the soldiers surrounding him and ordered,

"Yes, Your Majesty!"

After the surrounding soldiers saluted Su Chen, Dashang's soldiers returned to their original posts.

Su Chen looked at the woman in yellow with a confused look on his face.

Damn it, how could this ridiculously powerful woman appear here? Here? Su Chen didn't provoke her during the Conferred God Period!.

Chapter 2367

When Sishui was closed,

Zhang Kui and other generals looked at the hazy woman in yellow.

She was an immortal, a very powerful immortal.

The generals of Dashang did not expect that an immortal would arrive, and it seemed that she was still looking for Wu Xiangjun. Su Chen.

Zhang Kui looked at Kong Xuan appearing next to Su Chen. He understood that Kong Xuan should be the quasi-sage power that Su Chen just mentioned. Kong Xuan's appearance was obviously to protect Su Chen.

Kong Xuan was frowning at this moment. He was a powerful quasi-sage, and a very powerful quasi-sage.

Kong Xuan felt that he might not be the opponent of the woman in yellow. He saw that the woman in yellow kept looking at Su Chen, and Kong Xuan felt like Very speechless, how could this bastard provoke a powerful quasi-sage?

Kong Xuan looked at the hazy woman in yellow and asked,

"Who is the fellow Taoist?"

The hazy woman's soft voice said,

"Kong Xuan? Son of Feng Zu, I never thought that you, a quasi-sage, would also participate in the Great Tribulation of the Gods."

Kong Xuan didn't expect that the misty woman also knew him.

Who is this powerful quasi-sage?

"The great catastrophe in the prehistoric immortal world has begun, but I won't participate. How can I still escape?"

The hazy woman nodded and said, "Yes, when the great catastrophe comes, you can't just hide it if you want to."

"Who is the fellow Taoist?"630

"I'm just a person who should have died but didn't!"

After the mysterious and hazy woman looked at Kong Xuan, her eyes turned to Su Chen, a human?

Or a scum of the human race?

Why does it make herself feel uneasy? Sanshengshi, Life and Death have not found this human race. A little information, what is the origin of this human race?

Kong Xuan looked at the hazy woman with a puzzled face. This powerful woman said it but didn't say it.

What is a person who deserves to die but is not dead?

What about his name?

Why didn't this woman give her name ? Say it?

Kong Xuan saw Su Chen still looking confused. He guessed that Su Chen should know this powerful woman.

Kong Xuan didn't hesitate to ask again.

This powerful woman didn't seem to have bad intentions. Kong Xuan thought Listen to the relationship between this woman and Su Chen.

The next moment,

Su Chen rubbed his forehead and said helplessly to the hazy woman,

"Mother, you shouldn't be here"

"Do you know who I am?"

The hazy woman heard Su Chen calling her empress. She didn't expect that Su Chen would recognize her.

This made her even more interested in Su Chen.

This human race was hunted down by the Jie Cult disciples a year ago.

She was just After checking for a while, she did not expect that the appearance of this human race would continue to appear in her mind for more than a year, and neither the Sansheng Stone nor the Life and Death Book found any information about this human race. The hazy woman arrived this time. She wanted to take this human race away, and she wanted to find out what was going on.

Su Chen nodded and replied,

"Know!"

When the hazy woman heard Su Chen's answer, she became even more curious.

How could a scumbag human race know who she is?

Kong Xuan, a quasi-sage and great master, didn't even know who she was, but this scumbag human race actually knew who she was. Knowing her, is this a random guess? Or does this human race really know who she is? The hazy woman thought for a while and continued to ask Su Chen, "Human race Su Chen, why shouldn't I appear here?"

Su Chen curled his lips and said helplessly,

"Your Majesty, your appearance will draw the attention of those saints here. I am just a small human race. I don't want to receive too much attention from the saints. You'd better leave as soon as possible."

The hazy woman shook her head and said, "Don't worry, I'm just a clone. The Great Tribulation of the Gods has begun and the secrets of heaven have been confused. Those saints will not know my arrival."

Whoosh!"

"Is it?"

At this time, (to read Baoshuang novels, go to Feilu Novel Network!)

On the wall of Sishui Pass, another powerful hazy woman in white suddenly appeared. When the hazy woman saw the woman in white, she frowned and asked road,

"How did you come?"

The woman in white said coldly, "You can come, why can't I come?"

The hazy woman looked at Su Chen and asked,

"Are you doing it for this human race? The woman in white nodded and replied, "Yes, you shouldn't have come, and you can't touch this human race?"

"Huh, what if I have to touch him?"

"Then you have to pass my test"

"You are also a clone when you arrive. Do you think your clone is as powerful as mine?"

"Give it a try!"

"A battle in the wild starry sky!"

"good!"

Whoosh!

In just a moment, the hazy woman and the woman in white who came later exchanged a few words of hostility with each other.

They disappeared one after another at the Bishui Pass.

At the Bishui Pass, all the generals and soldiers had expressions on their faces. Confused, two powerful female immortals came to Sishui Pass one after another. They seemed to come for Wu Xiangjun Su Chen, and even went to fight in the wild starry sky for Wu Xiangjun Su Chen. The generals and soldiers at Sishui Pass They all looked at Su Chen. They wanted to know the relationship between the two powerful female immortals and Su Chen.

Kong Xuan looked at Su Chen in surprise at this moment.

He didn't know who the hazy woman in yellow clothes was, but the hazy woman in white clothes later, Kong Xuan could tell who she was.

He was familiar with the aura of the woman in white clothes. Kong Xuan had also seen the true form of the woman in white clothes from a distance several times. The only female saint in the prehistoric immortal world,

Empress Nuwa!

The woman in white clothes and hazy clothes just now was Kong Xuan felt that he didn't know Su Chen at all about Nuwa Empress's clone. How could this bastard be related to Nuwa Empress?

There was also the powerful hazy woman in yellow, a powerful man who dared to challenge Nuwa Empress. There is no such thing in this prehistoric fairyland. Who is that woman in yellow clothes? How dare she challenge the female saint Nuwa?

Su Chen is confused again at this moment.

Damn it, why do powerful women appear one after another today?

He just came to Sishui Pass to have a look and launch a war.

Is this his fault?

Why did that woman appear? How could a clone of Nuwa appear?

"Damn it, there's going to be trouble this time!"

Kong Xuan asked Su Chen with a puzzled look on his face, "Xuanniao, who is the woman in yellow?"

Su Chen replied a little irritably,

"A woman you can't afford to mess with"

"I can't afford it?"

Su Chen looked at Kong Xuan with a look of disbelief. He might even challenge the woman in yellow.

He was very speechless in his heart. He is a fool.

There are many innate powers in the ancient world that Kong Xuan cannot provoke. Huang The woman in clothes is something Kong Xuan cannot mess with.

"Silly bird, one of the men in yellow can kill you with an axe. Don't ask too much. If you know too much, you will be in trouble in the future."

Chapter 2368

Kong Xuan became even more confused when he heard Su Chen's words.

Can one of the men in yellow clothes kill him?

How can this be?

In the prehistoric fairy world, among the quasi-sages in the saint sect, if they don't use some powerful spiritual treasures, he can defeat three of them.

Can the men of the woman in yellow kill him?

Kong Xuan felt that Su Chen was exaggerating about him.

"Huang Feihu, why don't you dismount!"

At this moment, outside Sishui Pass,

Huang Feihu and Zhang Guifang had been fighting for a while. Neither of them could do anything to each other. Zhang Guifang launched his Taoist technique on Huang Feihu. He wanted to kill or capture Huang Feihu as soon as possible.

"this....."

Huang Feihu suddenly felt dizzy while riding on his horse. He tried to wake himself up and even patted his head hard, but he still fell off the horse after a while.

Zhang Guifang saw Huang Feihu fell off his horse and fainted.

He smiled and waved his order.

"Capture Huang Feihu!"

"Yes, General!"

In the forward army of the Western Zhou Dynasty,

Huang Feihu's deputy saw Huang Feihu fall from his horse and fell to the ground.

He hurriedly ordered loudly, "Save General Huang quickly. The forward army was dispatched to save General Huang."

Dong dong dong....

After the war drums of the Western Zhou Dynasty sounded,

"kill!"

After the 100,000-strong forward army of the Western Zhou Dynasty received the order, the 200,000-strong army quickly rushed towards the Great Shang army at Sishui Pass.

After the 500,000-strong Shang army launched an attack in the Western Zhou Dynasty, the army at Sishui Pass remained motionless.

No. Orders and orders were given to the Dashang army. They would not act without authorization.

In front of the Sishui Pass,

Zhang Guifang's deputy general looked at the Western Zhou army with a blank expression. The 200,000 Western Zhou army was dispatched. This made Zhang Shan a little disappointed. He was still thinking All the armies of the Western Zhou Dynasty were dispatched.

Zhang Shan waved his hand and loudly ordered, "Soldiers, the time has come to make great achievements. Fight the enemy bravely and charge forward!" woo woo woo woo.....

After Dashang's attack horn sounded, the 500,000 troops in front of Sishui Pass were dispatched. The black torrent quickly rushed towards the attacking Western Zhou army.

"Fight the enemy bravely!"

"Fight the enemy bravely!"

"Fight the enemy bravely!"

"Two hundred paces, the archer releases his arrow!"

Swish swish swish".....

"kill! kill! kill!"

After a while, the armies of Western Zhou Dynasty and Dashang came into contact.

For a while, the battlefield was filled with blood, broken arms and limbs, the clash of swords and guns, the sound of soldiers fighting, the roar of generals, and the roar of war horses. The sound resounded throughout the battlefield.

On the wall of Sishui Pass,

Su Chen was not paying attention to the war below at this moment.

The arrival of the woman in yellow made Su Chen not think about why that gentle yet crazy and free woman would come to look for her today. Himself? Su Chen has never been to the Six Paths of Reincarnation, nor has he been in contact with people from the Wu Clan. How could that woman know of his existence?

Nuwa?

How did she know that the woman in yellow was coming? She even quickly separated and a clone arrived?

Could it be that Nuwa has been paying attention to him?

Damn it!

Su Chen suddenly thought of what he, Su Daji and Queen Jiang were doing together. Wouldn't Nuwa have peeked at him?

At this moment,

Zhang Kui walked up to Su Chen and saluted respectfully. He said, "Your Majesty, Huang Feihu was captured alive."

Su Chen looked at Huang Feihu who was captured alive under the walls of Sishuiguan City. (To read Baoshuang novels, go to Feilu Novel Network!)

He waved his hand and ordered,

"The car broke down and Huang Feihu!"

"Yes, Your Majesty!"

Kong Xuan thought for a while, but he still didn't think of who the woman in yellow was, a powerful woman in the ancient world of immortality, the Queen Mother of the West, the Queen Mother, the Nine Phoenixes of the Witch Clan, Shang Yang and Qinyuan of the Demon Clan, these powerful women in ancient times. He has seen all the female quasi-sages, and Kong Xuan is no match for these powerful women.

The female quasi-sages in the saint sect, Taoist Cihang, Holy Mother of the Golden Spirit, Holy Mother of Wudang, Holy Mother of the Turtle Spirit, and Lady Yunxiao, these quasi-sages are not at all His opponents.

Xihe and Chang Xi of the Taiyin Star have fallen, and Xuanming and Houtu of the Wu Clan have also fallen.

Are there any powerful women in the ancient immortal world?

Kong Xuan really couldn't figure it out.

He looked at Su Chen asked,

"Xuanniao, who is that woman in yellow?"

Su Chen rubbed his forehead and replied, "Wu Hou Tu, the ancestor of the Wu clan's earth!"

"What? How can this be? Xuanniao, didn't Hou Tuhua reincarnation fall?"

Kong Xuan looked in disbelief when he heard Su Chen's words.

Hou Tu reincarnated and died.

This is something that all living beings in the ancient world knew. How could Hou Tu of the Wu Clan not die?

Su Chen shook his head and explained to Kong Xuan ,

"Hou Tu is considered dead, but he is not dead either. Hou Tu reincarnated and lost the body of the ancestral shaman, so Hou Tu is considered dead....."

"However, Hou Tu gave birth to the soul when she was reincarnated. She is now the Pingxin Empress in the Six Paths of Reincarnation. In the Six Paths of Reincarnation, Pingxin Empress is a powerful saint. Hongjun is not the opponent of Pingxin Empress in the Six Paths of Reincarnation.."

Kong Xuan listened to the secrets Su Chen said with a look of surprise.

Hou Tu reincarnated and did not die?

In the six paths of reincarnation, Hou Tu was actually more powerful than Hongjun?

This is his fault, no wonder Hou Tu told him just now Even if you're dead, you're not dead.

Well,

Empress Pingxin, who was transformed into reincarnation after the ancestral witch's reincarnation, is still considered dead.

Su Chen patted Kong Xuan's shoulder and said,

"Silly bird, now you know, if you dare to provoke Hou Tu, can that fighting maniac Xing Tian kill you?"

Kong Xuan nodded with a dark face and replied,"He can, he can, Xingtian, the God of War of the Wu clan, I am no match for him!"

Kong Xuan didn't care this time when Su Chen called him a stupid bird.

He seemed a bit stupid indeed.

Kong Xuan wanted to have a fight with Hou Tu before. What's wrong with him? If he still has a conflict with Hou Tu, Kong Xuan Even if he wasn't crushed to death by Hou Tu, he would be hacked to death by Xing Tian in the future.

However, how could this little scumbag know these secrets?

"Xuanniao, what is the relationship between Houtu Empress and you? Why did her clone come out from the six realms of reincarnation to find you?"

Su Chen touched his chin and replied.

"my woman!"

Kong Xuan yelled with black lines all over his head, "What the hell, Xuanniao, are you tired of living? How dare you say such nonsense?"

"believe it or not!"

Su Chen curled his lips and looked at the battlefield.

Although Hou Tu was not his woman in the future,

Su Chen did all the other things that should be done to Hou Tu except not doing the last procedure.

"Where is the Nuwa Empress? It seems that Nuwa Empress also came here for you. What is your relationship with Nuwa Empress?"

"my woman!".

Chapter 2369

Kong Xuan was speechless to the bastard Su Chen.

Was Empress Houtu his woman?

How can this be?

This bastard will only be in his thirties at most after he recovers. Houtu was a great power in the Lich period. During that period, Xuanniao had already fallen in the war between the three innate clans.

This bastard had only recovered a few decades ago. How could Su Chen be related to Empress Houtu?

Kong Xuan thought that Empress Nuwa also came for Su Chen, so he continued to ask Su Chen,

"Where is the Nuwa Empress? It seems that Nuwa Empress also came here for you. What is your relationship with Nuwa Empress?"

"my woman!"

What Su Chen said this time was the truth. Nuwa is indeed his woman in future generations, and her body and heart belong to him.

Kong Xuan's face turned completely dark at this moment, and he shouted at Su Chen,

"Damn it, you bastard really wants to die. Damn, Houtu Empress is your woman? Is Nuwa your woman too? You bastard, why didn't you say that the Queen Mother and the Queen Mother of the West were also your women?"

Su Chen coughed and said speechlessly,

"cough! Kong Xuan, I want to say that the Queen Mother and the Queen Mother of the West are also my women, do you believe it?"

"I believe you!"

Kong Xuan turned his head and didn't want to pay attention to this bastard. He was speechless at Su Chen's audacity.

Damn it,

Kong Xuan suddenly thought that he just mentioned the name of the saint Nuwa. He hoped that during the Great Tribulation of the Gods, the heavenly secrets would be chaotic, and Nuwa The empress did not sense what he just said, otherwise, he would definitely be killed by this bastard.

Su Chen looked at the battlefield and said to Kong Xuan,

"Kong Xuan, Sishui Pass is handed over to you. I want to return to Chaoge City.

Kong Xuan asked with a puzzled look on his face, "Why did you leave again after you arrived just now?"

Su Chen said helplessly,

"Can I stay now? Hou Tu and Nu Wa have both appeared. If I don't leave, I don't know what great powers will come."

"Do you think that's possible?"

"I hope no one will come, but who can say for sure? If another powerful one comes, will you be your opponent? Can you, an idiot like you, protect me~?"

"I'm stupid, Xuanniao, you're stupid, if the one who comes is not a saint, how could I.....I'll do it!"

Kong Xuan was cursing at Su Chen and suddenly stopped.

He suddenly felt a terrifying aura coming, and Kong Xuan immediately looked wary of the coming strong man.

Whoosh!

A woman in gold dress suddenly appeared on the city wall,

Su Chen and Kong Xuan were both confused at this moment. Did he really have the arrival of a powerful quasi-sage? The

Queen Mother?

How could the Queen Mother of Heaven come?

Su Chen felt that he should not come to Sishui Pass at this moment.

He More than an hour after arriving at Sishui Pass,

Empress Houtu arrived, Empress Nuwa also arrived, and this time the Queen Mother also arrived. Su Chen was worried that if he continued to stay, he didn't know what other powerful powers would come. On the city of Shuiguan, all the generals and soldiers did not care about the war below the city. All of them were confused.

Another powerful immortal arrived.

This was already the third powerful female immortal.

On the city wall The generals and soldiers looked at Su Chen with great admiration. More than an hour after Wu Xiangjun Su Chen arrived, three powerful female immortals appeared. At this moment!

The graceful Queen Mother looked at Su Chen and said,

"Suchen?"

Su Chen looked at his woman. The Queen Mother is really a top beauty with stunning beauty and charm.

The Nuwa Empress is a noble, cool, aloof, and unforgettable beauty.

The Queen Mother is a graceful, luxurious and beautiful woman. , a gorgeous beauty that he wanted to conquer at first sight.

When Su Chen saw Kong Xuan's confused look, he knew he couldn't count on this idiot. Even if Kong Xuan was not confused, he was no match for the Queen Mother.

Su Chen coughed He said at once, "Hey, Queen Mother, why are you here?"

The Queen Mother moved her flaming red lips and asked,

"Su Chen, the Yaochi Divine General of Pantaoyuan, why do you think I came?"

I guess!

How could the Queen Mother of this period know that he has the status of a Yaochi general? (To read Baoshuang novels, go to Feilu Novel Network!)

There is something wrong with him!

Su Chen is pretending to be stupid. said,

"Queen Mother, what Yaochi general? I don't understand what you mean."

Whoosh!"

"So what is this?"

The Queen Mother waved her hand, and a halo suddenly appeared on Su Chen's body. This was a divine throne, which was the one that the Queen Mother consecrated him to as the Divine General of Yaochi.

The Queen Mother was very curious about Su Chen.

More than a year ago , she suddenly discovered that there was an extra divine general in the Yaochi Immortal Palace. After the Queen Mother checked it, she was even more shocked.

Yaochi Divine General?

Is this the Yaochi Divine General that she personally canonized?

The Queen Mother has never canonized any Yaochi Divine General. Moreover, the person who was canonized was a scum of the human race. She had never met the human race Su Chen. How could the human race Su Chen be canonized as the Divine General of Yaochi by her?

"I'll do it!"

After Su Chen saw the divine status of the Yaochi God General, he was confused.

Damn it!

How come his Yaochi God General's status was not deprived of him? Su Chen frowned and couldn't understand. He was the Emperor of the Ancient Immortal Realm. After being deprived of his status, how could he still have the status of God General of Yaochi?

I guess!

Su Chen thought that the Queen Mother had brought Yaochi Wonderland to Xuantian Realm, and Yaochi Wonderland was still Yaochi Wonderland in Meruo Heavenly Court.

Is this his fault? , couldn't it be because of this reason that his position of God General of Yaochi still exists?

Kong Xuan was confused again at this moment.

In this short period of more than an hour, he had been confused many times.

Kong Xuan was a powerful person. A quasi-sage, he would not change his face no matter how big things happened, but today, what he encountered made it impossible for him not to be confused. At this moment, what did Kong Xuan see?

A god?

This (? No, it's him.

The conferring of gods has just begun.

How could Su Chen have a divine position?

Kong Xuan looked at Su Chen and was very unbelievable.

The Queen Mother said to Su Chen seriously,

"Su Chen, since you are the divine general of my Yaochi Immortal Palace, you must return to the Yaochi Immortal Palace in Heaven with me."

Su Chen coughed and kicked Kong Xuan next to him, "Ahem, cough, cough, Kong Xuan, are you dead?"

"None of my business!"

Kong Xuan glared at Su Chen and didn't want to talk to this bastard.

He just wanted to watch the show now.

As for what he said earlier about protecting Su Chen, did he say it?

Kong Xuan seemed to have arrived at the army before the Queen Mother had finished speaking.

Besides, he didn't Kong Xuan, the Queen Mother's opponent, couldn't save Su Chen even if he wanted to. He thought it would be better to watch the show on the sidelines.

"Damn it, Kong Xuan, you idiot, you actually keep your word but don't keep it? Didn't you say you wanted to protect me?"

Chapter 2370

Su Chen didn't expect that Kong Xuan would say this. Didn't Kong Xuan, a fool, say that he would protect himself?

Damn it, silly bird, are you planning to watch a show?

Su Chen glared at Kong Xuan and felt very helpless.

The Queen Mother wanted to take him away from the mortal world to heaven, but could he leave?

The war between Dashang and the Western Zhou Dynasty has just begun, and Su Chen will continue the destiny of Dashang and the country for fifty years.

If Su Chen and the Queen Mother leave, the trial mission of the Heavenly Ladder will fail, the Heavenly Ladder reward will not be obtained in the end, and he will not be able to return to the world of the Conferred Gods Period again.

Kong Xuan heard Su Chen call him a silly bird, but he didn't care.

The bastard could call him if he wanted to, or he would call him back later.

Kong Xuan glanced at Su Chen and said,

"Did I say I would protect you?"

Su Chen glared at Kong Xuan and yelled, "What the hell, didn't you just say you wanted to protect me?"

"Did you hear me say it?"

"I....."

Su Chen was confused for a moment.

Kong Xuan was just about to say to protect him when the Queen Mother arrived. The idiot did not say it out loud, but Kong Xuan just meant to protect him.

This stupid bird must have become timid because he couldn't defeat the Queen Mother.

Damn, he is a cowardly stupid bird.

At this moment, the Queen Mother's face was about to turn into laughter. She was still with this human scumbag. This human scumbag actually wanted Kong Xuan, the son of Feng Zu, to save him. Did Kong Xuan dare to take action? If Kong Xuan dares to save Su Chen, a scumbag, the Queen Mother will destroy Kong Xuan, a fool. Stupid bird? Why do you call yourself Kong Xuan? The Queen Mother looked at Su Chen and was very speechless. She was unknowingly affected by Su Chen. The Queen Mother looked at Su Chen indifferently and said coldly, "Su Chen, are you going to ask me to take you back to Yaochi Wonderland?" Su Chen rubbed his forehead and said,

"Queen Mother, I still have things to do in the mortal world. Let's do this. I'll go to heaven to see you in some time. I also have some things I want to talk to you about."

"Little scumbag, do you think you are qualified to bargain with me?"

I'll go!

Little scumbag?

His woman actually called him little scumbag?

It's his fault.

Is the Queen Mother going to rebel?

Su Chen looked at the Queen Mother's head full of black lines, and he decided that if he can do it in the future After seeing the Queen Mother, Su Chen made sure that the Queen Mother couldn't get out of bed for several days.

Su Chen took out a light ball from the system space, brought it to the Queen Mother and said, "Queen Mother, look at this, and you will know my relationship with you.!"

"This is....."

After the Queen Mother took the light ball and inspected it, she hurriedly put away the light ball.

The Queen Mother looked at Su Chen with a face of shame and anger. She did not expect that Su Chen would have her milky white underwear.

How could this shameless human have her underwear?

The Queen Mother didn't think that Su Chen was faking it. Her underwear had her strong scent on it, so it couldn't be fake at all.

Su Chen saw the Queen Mother's ugly face and said hurriedly,

"Queen Mother, our relationship cannot be explained in words. Don't worry, I will go to heaven to find you in a while and I will make everything clear."

After the Queen Mother heard what Su Chen said, she thought for a moment and then glared at Su Chen and threatened,

"Within a year, I want to see you in Yaochi Wonderland, otherwise, you should suffer consequences"

"within one year? OK, alright!"

Su Chen nodded hurriedly and agreed. (To read Baoshuang novels, go to Feilu Novel Network!)

One year?

Although this passed very quickly, one year is enough for him

"snort!"

The Queen Mother glared at Su Chen and then disappeared.

She wanted to be quiet now.

How could this scumbag human race have her underwear?

She only had a few pieces of underwear, and each one was an innate spiritual treasure. This was simply It couldn't be stolen. The Queen Mother was going back to Yaochi Palace to check her treasure house.

When Su Chen saw the Queen Mother leaving, he turned back and glared at Kong Xuan and cursed, "Silly bird, you don't even keep your words. You really let me down." "

Kong Xuan glared at Su Chen and shouted,

"Xuanniao, why don't you look at who you offended?"

"Houtu Empress? Empress Nuwa? Queen Mother? How can I help you? How can I save you? These powerful women are no match for me or him."

Su Chen shook his head and mocked, "Forget it, you are just a waste!"

"Holy shit!"

Kong Xuan has veins on his forehead and wants to crush this bastard to death, trash?

Is the quasi-sage a trash?

This shameless little scum, a scumbag Taiyi Golden Immortal, as long as Kong Xuan bursts out with a powerful momentum, he can This little scumbag was wiped out in an instant.

Su Chen ignored Kong Xuan.

After he saw the war under the city of Sishui Pass,

Su Chen wanted to leave Sishui Pass.

Sishui Pass was not suitable for his arrival. For a long time, Su Chen had a thrilling experience at Sishui Pass.

Empress Houtu, Empress Nuwa, and Empress Wangmu, three powerful women from ancient times came one after another.

Su Chen was afraid.

If he continued to stay here, he would say There might be other powerful quasi-sages coming.

Su Chen waved to Zhang Kui in the distance and said,

"Zhang Kui, I am leaving, and I will leave Sishui Pass to you. This is Kong Xuan, a powerful quasi-sage. You and Kong Xuan will guard Sishui Pass together from now on."

"Yes, Your Majesty."

Zhang Kui hurriedly came and saluted Su Chen and replied.

He was more respectful to Su Chen now. He was a powerful quasi-sage. Su Chen scolded him whenever he wanted, and even kicked a powerful quasi-sage.

Moreover, the last powerful woman who arrived turned out to be the Queen Mother of Heaven. Zhang Kui was curious and admired Su Chen.

These were two powerful quasi-sages.

Zhang Kui guessed that the previous woman in yellow and the woman in white might also be quasi-sages. Holy powers.

Four powerful quasi-sage powers.

If these powerful quasi-sage powers all helped Dashang, would Dashang still be afraid of supporting the immortals of the Western Zhou Dynasty?

Kong Xuan waved his hand to Su Chen and shouted hurriedly, "Xuan Bird, please leave as soon as possible, I'm worried that a powerful woman will come soon!"

"Damn it, Sishui Pass is not suitable for my arrival. I am leaving."

After Su Chen waved his hands to Kong Xuan and Zhang Kui, he disappeared on the city wall in an instant. Su Chen was also worried that a powerful quasi-sage would come again, and even worried that some saints would find out what happened here.

Whoosh!

"Um? left?"

Su Chen just disappeared.

A woman with a plump body, beautiful face, and noble temperament suddenly appeared on the wall of Bishui Pass. She frowned, looked around, and then disappeared instantly.

"Damn it, how many powerful women did that bastard Xuanniao provoke?".
