

Zongwu 2431

Chapter 2431

I thought with a gloomy look on the secret that Su Chen said, the method of three corpses to attain enlightenment?

The law proves the truth?

Hongjun actually deceived them.

No wonder the six saints used their merits to become saints in the end. The enlightenment of the three corpses was not their way at all, and it was impossible for the six saints to combine the three corpses into one and become a saint.

I need to think carefully about these secrets Su Chen said.

Should I give up Hongmeng Ziqi?

If he abandons Hongmeng Ziqi, will other saints take the opportunity to kill him? Will Hongjun stop it? He has to think carefully about these things.

I nodded to Su Chen and disappeared.

After Su Chen saw me disappearing and leaving, he looked at the starry sky of the prehistoric era.

The prehistoric fairy world will be even more chaotic in the future.

The five great saints helped the Western Zhou Dynasty and destroyed the Great Shang in twenty years. Su Chen We must find a way to stop the disciples of the Saint Sect

"Alas, the Great Tribulation of the Gods was messed up by him. Is this still the Great Tribulation of the Gods in the plot?"

Whoosh!

Su Chen also disappeared on the mountain in an instant.

In the Western Zhou Dynasty

, in the Xiqi Palace,

King Wu Jifa looked at the many immortals in the palace with high spirits. These were the immortals who came to help him attack Dashang.

In the palace,

Jiang Ziya said to Ji Fa said politely,

"Your Majesty, our army has regrouped to the tune of millions, and we can attack Sishui Pass again in half a month."

Ji Fa smiled and nodded.

"Xiangfu, with the help of many immortals this time, Sishui Pass will definitely be breached and the great merchants will be destroyed."

Jiang Ziya nodded expressionlessly, but he felt very helpless.

Although the Western Zhou Dynasty regrouped millions of troops, none of them were willing to attack Dashang.

There was Emperor Su Chen in Dashang, and the human army went Attacking the Human Emperor?

None of the human armies in the Western Zhou Dynasty were willing to resist the Human Emperor. If the immortals of Chan Jiao and Realm had not cast spells to confuse the army, the human armies of the Western Zhou Dynasty would not have gone to the battlefield.

In the palace, the disciples of Chan Jiao and Jie Jiao They are very helpless at the moment, and they are not willing to help the Western Zhou Dynasty attack the Great Shang, but this is the order of their saint teacher, and they, the saint disciples, have to obey.

The Human Emperor Su Chen, the Heavenly Emperor Su Chen, this is There is an existence that even saints can't do anything about, and there are about a dozen quasi-sages beside Emperor Su Chen, a Hunyuan Da Luo Jinxian, and an existence that is comparable to a saint. Disciples of these sects feel numb just thinking about it.

"Senior brother, Kong Xuan and Lu Ya of Sishui Pass are both strong men among quasi-sages. None of our senior brothers here are opponents. How can we help the Western Zhou Dynasty attack Sishui Pass?"

"Oh, let's see when the time comes"

"There are two powerful quasi-sages, Kong Xuan and Lu Ya, in Sishui Pass. If the senior sisters Jin Ling Holy Mother and Wudang Holy Mother arrive, we will be seeking death if we attack Sishui Pass."

"Yes, there is nothing we can do against Kong Xuan and Lu Ya. If all the senior sisters arrive, we should just take a shower and go to bed."

"Please pay attention to what you say, Holy Mother of Jinling, Holy Mother of Wudang, Holy Mother of Turtle Spirit, Yunxiao, Qiongxiao, and Bixiao, they are no longer Jiejiao disciples, nor are they our senior sisters."

"Forget it, let's wait and see when the war starts. If we are against the Great Shang, we are against the Heaven. If we die and are listed on the list of gods, think about how the Emperor Su Chen will punish us in the future."

"Damn it, we can't help the Western Zhou Dynasty. If we help the Western Zhou Dynasty, we will still be controlled by the Emperor of Heaven after death. The more I think about it, the more aggrieved I feel."

After the disciples of Chanjiao and Jiejiao arranged a soundproof barrier, these disciples talked one after another.

However, the more these saint disciples talked, the more they felt aggrieved and helpless.

Kong Xuan and Lu Ya could not deal with them.

This was just There are two powerful quasi-sages, and there are more than a dozen powerful beings in the heaven. If the saints don't take action, Sishui Pass will not be able to break through even if they give them ten thousand years.

But do the saints dare to take action?

With the Emperor Su Chen here,

They disciples of the saints all guessed that the saints could not take action. Su Chen had already penetrated deep into the

Northern

Plains. (To read Baoshuang novels, go to Feilu Novel Network!)

The Northern Plains would not be a bitter and cold place. Ordinary creatures would In the restricted area, the biting cold, the sharp wind, Su Chen, a Taiyi Golden Immortal, was not used to it.

Whoosh!

Su Chen had just appeared on the snowy mountain where the demon clan gathered. Two powerful men, a man and a woman Suddenly appeared next to Su Chen

"Human Emperor Su Chen?"

"Shang Yang! Ji Meng!"

Su Chen didn't expect to be discovered as soon as he arrived. Although he didn't hide his aura, these two demon saints were really vigilant. Is there any enemy of the demon clan in Beiyuan?

Shang Yang and Ji Meng didn't expect that it was the Human Emperor who arrived. Su Chen is also the new emperor of the prehistoric heaven. However, the demon clan has never recognized the current heaven. They only recognize the demon clan.

Ji Meng shouted to Su Chen with an indifferent expression,

"Human Emperor Su Chen, Beiyuan is not where you should be. Leave the ancient Beiyuan as soon as possible."

After Su Chen looked at Shang Yang, who was frowning, he said to Ji Meng, a big boss,

"Demon Saint Ji Meng, I am the Great Emperor of Heaven. Is there any place in the Great Immortal World where I cannot appear? Ji

Meng said with a mocking look on his face,

"Emperor of Heaven? Human Emperor Su Chen, in the eyes of our demon clan, there is only the demon clan Heavenly Court, and neither Haotian nor you are worthy of being the emperor of heaven."

Damn it, the demon clan is so downtrodden that it is still so arrogant, but it is right to think about it. During the Lich Period, the demon clan and the witch clan were the overlords of the ancient fairyland.

The demons controlled the sky and the witches controlled the earth.

During that period, they were saints. We must all avoid the two lich clans.

"Ji Meng, shut up!"

Shang Yang hurriedly stopped after hearing Ji Meng's words.

The arrival of the Human Emperor Su Chen (Nuo Li Zhao) made Shang Yang very curious about Su Chen, and Shang Yang didn't want to know about the relationship between Empress Nuwa and Su Chen. The demon clan offended the Human Emperor Su Chen.

Su Chen saw Ji Meng standing beside him in confusion.

He looked at the beautiful and cold Shang Yang and asked,

"Beauty Shang Yang, do you still remember me?"

"We know each other?"

Shang Yang was confused when she heard Su Chen's words.

She had never met Su Chen.

Why did Su Chen say this?

However,

Shang Yang looked very familiar to Su Chen, but she definitely had never met the Human Emperor Su Chen.

Su Chen looked at Shang Yang and nodded. Do they know each other?

They are more than just acquaintances.

Su Chen and Demon Saint Shang Yang are very familiar with each other.

There is also Demon Saint Qinyuan.

Su Chen is very familiar with Shang Yang and Qin Yuan. Every inch of skin is extremely familiar to him

"I know it, and I'm very familiar with it."

Chapter 2432

Shang Yang looked at Su Chen and became even more confused.

Do you know him?

Still very familiar? is it possible?

The bone age of Human Emperor Su Chen is more than thirty years old.

Shang Yang has been in seclusion for thousands of years. He has not left seclusion for thousands of years, let alone the ancient northern plains.

How could she possibly know the Human Emperor Su Chen?

However,

Shang Yang did feel that Human Emperor Su Chen was very familiar, which made her very confused.

"Demon Saint Shang Yang, do you know the Human Emperor Su Chen?"

Ji Meng was very surprised when he heard Su Chen's words.

Demon Saint Shang Yang knew Human Emperor Su Chen?

How come he had never heard other demon saints say it? When did Shang Yang and Human Emperor Su Chen know each other?

"you shut up!"

Shang Yang glared at Demon Saint Ji Meng and then looked at Su Chen.

She looked at Su Chen with cold eyes and asked, "Human Emperor Su Chen, when did we meet?"

"years ago!"

Su Chen touched his chin and replied.

He and Shang Yang met a few years ago.

This is not included in the time flow barrier. If the time in the time barrier is included, Su Chen and Shang Yang knew each other. They have been together for thousands of years, and have been together for several decades.

Demon Saint Shang Yang shouted angrily when he heard Su Chen's words,

"Nonsense, I have been in seclusion for the past thousand years. If it hadn't been for this earthquake in the ancient world, I wouldn't have been able to come out. How many years ago? Human Emperor Su Chen, don't you consider the consequences when you lie?"

Su Chen looked at the angry Shang Yang and smiled. The cold and beautiful Shang Yang really felt good when he was angry.

However, Su Chen was even more looking forward to Shang

Yang's enthusiastic service. Su Chen walked to Shang Yang In front of the sheep, he deliberately provoked, "Demon Saint Shang Yang, I just lied. Do you monsters still dare to take action against me?"

"

"you....., hum, Human Emperor Su Chen, you are not welcome in our demon clan territory, please leave as soon as possible."

Shangyang Demon Saint hurriedly took a few steps back.

She did not expect that the Human Emperor Su Chen was so shameless.

Su Chen had just looked at her body without any concealment, and his dirty expression revealed the lustful eyes of the human race. Shangyang Demon Saint could not wait to see her. Kick this bastard away

"will not leave!"

Su Chen shook his head and refused. He was joking.

His arrival to the Monster Clan has not yet begun.

How could Su Chen leave?

Moreover, Shang Yang and Qin Yuan are both in the Northern Plains. If Su Chen leaves, he will also take Shang Yang and Qin Yuan with him. Qin Yuan left together. Su Chen didn't want his woman to stay in this place of exile in the ancient northern plains.

Ji Meng waved his fist angrily and threatened, "Human Emperor Su Chen, if you don't leave our demon clan's territory, I will let you taste it." Taste my fist"

"Ji Meng, do you believe I asked Shang Yang to beat you?"

"Ha ha...., Human Emperor Su Chen, are you talking in your sleep? How could Demon Saint Shang Yang beat me?"

Ji Meng burst out laughing when he heard Su Chen's words.

He didn't expect that Human Emperor Su Chen would be such an idiot and let Demon Saint Shang Yang beat him?

How could Demon Saint Shang Yang listen to what Human Emperor Su Chen said?

This idiot Human Emperor would still To be the emperor of the prehistoric heaven, the prehistoric heaven is really blind.

Su Chen smiled strangely and said,

"Is it? Ji Meng, during the demon clan's heavenly period, you destroyed a fragrant seven-color flower owned by demon saint Shang Yang. It seems that you have been beaten by Shang Yang for more than three hundred years."

"And every time you say or do something wrong in the future, Shang Yang will beat you for several hours. Among the ten demon saints, you are not afraid of Bai Ze, nor are you afraid of the other demon saints, but you are only afraid of Shang Yang. Sheep, am I right?"

Ji Meng was confused when he heard Su Chen's words.

Shang Yang beat him because of the Tianxiang Qisehua matter. Only the four demon saints know about this matter so far.

How does Human Emperor Su Chen know about the Lich Period?

Ji Meng asked with a surprised look on his face,

"How did you know?"

"Of course Shang Yang told me!"

Su Chen looked at Ji Meng's confused look. He smiled and looked at Shang Yang who agreed to be surprised. (To read Baoshuang novels, go to Feilu Novel Network!) It was indeed Shang Yang who told him about this matter Yes, when Su Chen and Shang Yang were together, Shang Yang and Qin Yuan told him some secrets that happened during the demon clan's heavenly period. Shang Yang,

the demon saint, was very surprised at this moment. She was cold and beautiful and could easily reveal incredible secrets. Expression, how could Human Emperor Su Chen know this?

Did you tell him this yourself?

Demon Saint Shang Yang has never met Su Chen. Even if she had met Su Chen, Shang Yang would not be able to tell Su Chen this matter. This shameless person How could the emperor know this?

"Human Emperor Su Chen, what are you doing about this matter?....."

Boom boom boom.....

0 Asking for Flowers 0

Suddenly, a mountain not far away suddenly collapsed, and the biting cold air spread rapidly from the mountain to the surroundings.

Everything around the collapsed mountain was instantly frozen, and even some of the surrounding little demons who had not had time to escape were also frozen in their own actions.

When Shang Yang was about to ask Su Chen, after she saw what happened, Shang Yang disappeared from Su Chen's side in an instant, and

Ji Meng also disappeared quickly.

Su Chen frowned and looked at everything that happened.

The biting cold air made him feel very cold here.

There were also those little demons who were frozen.

Although the realm of those little demons was not very good, but in those little demons There are also a few little demons in the realm of immortals. The little demons in the realm of immortals were also frozen instantly.

This is very abnormal.

How could the little demons in the realm of immortals be frozen in an instant?

Whoosh!

Su Chen also disappeared.

He wanted to check what happened there. It was so weird.

How could there be such a terrifying cold air in the prehistoric fairyland, the prehistoric Beiyuan?

Is there something strange about the formation of the ancient Northern Plains?

At the gathering place of the demon clan,

Shang Yang appeared in the air and hurriedly ordered loudly,

"All demon clans below the Golden Immortal level retreated three thousand miles."

Ji Meng appeared next to Shang Yang Demon Saint.

He watched the terrifying cold air spreading in all directions. Ji Meng had a helpless expression on his face.

The ice cave erupts once every ten thousand years.

This time, the eruption was more than a thousand years ahead of schedule. And their sealing barrier is completely broken.

"Demon Saint Shangyang, what should we do this time? The sealing barrier of the Ice Cave was completely broken."

Shang Yang shouted to Ji Meng with a serious face,

"Ji Meng, immediately inform Demon Saint Baize and Demon Saint Qinyuan that we two cannot seal the Ice Cave."

"good!"

Whoosh,

Su Chen instantly appeared next to Shang Yang Demon Saint and asked,

"Beauty Shang Yang, what's going on?"

Shang Yang saw Su Chen appearing next to her again, even very close to her. She didn't expect that Su Chen would be so shameless. Isn't this bastard afraid of killing him?

She shouted to Su Chen with an indifferent expression,

"Shameless human race, leave immediately. You have nothing to do here."

Chapter 2433

Su Chen shook his head speechlessly when he heard Shang Yang Demon Saint's words.

His women all had their own personalities.

Shang Yang had a cold expression and a cold and arrogant personality. Although she was cold and unhuman, Shang Yang only wanted to Shang Yang, who is tender and passionate, will definitely surprise others.

"Shang Yang, what's going on under the mountains in the distance? If you don't tell me yet, I'll go over there and check it out myself."

"If you want to die, just go"

"Goodbye, beauty."

Su Chen still didn't say anything when he saw Demon Saint Shang Yang. He planned to go there to check, the Ice Cave?

What on earth is this?

Su Chen was very interested in the Ice Cave that Ji Meng and Shang Yang talked about.

Shang Yang When the Demon Saint saw Su Chen disappear suddenly, she frowned and wanted to stop Su Chen from passing by, but the bastard was too fast. The Demon Saint Shang Yang only hesitated for a moment, and Su Chen appeared above the ice cave.

"Damn you bastard, are you looking for death?"

Monster Saint Shang Yang clenched his fists angrily. She didn't understand why she was worried about that bastard Su Chen. Shang Yang just saw that Su Chen was in danger, and her soul kept beating.

Whoosh!

Shang Yang disappeared instantly. I'm going to catch that bastard. At this moment, 30

Su Chen was looking at the cave below where the cold air was constantly coming out. He frowned and was even more confused. The ice-covered cave that was hundreds of meters wide could not be reached at a glance. The bottom, it must be hundreds of thousands of miles deep, right?

It's too cold.

The ice cave is surrounded by immortals in the Golden Immortal Realm. Su Chen guessed that they couldn't bear the cold in the cave.

"Come in and check it out!"

Whoosh!

Su Chen quickly entered the ice cave.

"Bastard, Su Chen, come back quickly, the ice cave is very dangerous, don't.....Damn you little bastard looking for death."

As soon as Demon Saint Shang Yang arrived over the Ice Cave, she saw Su Chen quickly entering the Ice Cave. Shang Yang hurriedly shouted to Su Chen to remind him, but Su Chen disappeared at the entrance of the Ice Cave in an instant.

Demon Saint Shang Yang clenched his fists with anger on his face.

Damn it, a scumbag entered the ice cave.

That little bastard was looking for death.

Shang Yang looked at the ice cave with a complicated expression. The cold air in the ice cave was very cold. It was terrifying, and there were countless ice puppets inside.

The four demon saints Shang Yang and Bai Ze only went thousands of miles deep into the cave, and the four of them almost died inside.

Su Chen was just a scumbag Tiantaiyi Golden Immortal. , if Su Chen dies in the ice cave, the demon tribe will be in great misfortune. The Queen Mother and Queen Mother of the West will not let the demon tribe go.

Whoosh!

Demon Saint Shang Yang quickly enters the ice cave. She can't Let that bastard Su Chen die in the ice cave, and she didn't want Su Chen to die in the ice cave.

In the ice cave,

Su Chen quickly headed deeper into the cave with the Xuanhuang Exquisite Tower on his head.

The deeper he went deeper into the ice. The cave, the colder the cave, the colder it becomes. If Su Chen didn't have the Xuanhuang Exquisite Tower of Heaven and Earth, he might have been frozen for hundreds of miles deep into the ice cave.

Hohoho.....

Holy shit!

Why does he still have an ice monster?

Huh?

No, these ice monsters have no signs of life.

Are these transformed ice monsters? Or are these ice monsters just puppets?

"Space storm!"

Pengpengpeng.....

In the ice cave, each ice monster was shattered by the space storm, and pieces of broken ice fell one after another. (To read exciting novels, go to Feilu Novel Network!)

"Is this him? These ice monsters are actually in the Mysterious Immortal realm?"

Su Chen stopped and didn't dare to go deeper into the ice cave.

After going thousands of miles deep,

Su Chen encountered an ice monster in the Xuanxian realm. If he continued to go deeper into the ice cave, who knows if he would encounter the Great Luo Jinxian. and the quasi-holy ice monster

"Bastard, come out with me quickly. The Ice Cave is where the quasi-Sacred Capital fell. You bastard, do you want to die?"

At this time,

Demon Saint Shang Yang quickly appeared next to Su Chen. She glared at Su Chen and scolded him loudly. Su Chen saw that Shang Yang was about to take him out, and he hurriedly shouted,

"Wait, Shang Yang, what is going on here? Why are there still ice monsters in the cave? Shang

Yang shook his head and said to Su Chen, "Those are not ice monsters, but they can also be called ice monsters. Ice monsters have no thinking soul. They are like puppets.""

Su Chen nodded when he heard the words of Shang Yang Demon Saint.

The Ice Demon Saint indeed has no signs of life, but whether it is an ice monster or an ice puppet, these ice monsters are somewhat powerful. None of the heavenly soldiers and generals in heaven are. These ice monsters are powerful

"Shang Yang, what is in the cave? Why is the cold here getting more and more terrifying?"

Shang Yang looked at Su Chen very helplessly.

If she didn't tell this shameless bastard, Shang Yang felt that Su Chen would not leave her.

She shook her head and said,

"I don't know. When our demon tribe first arrived in the ancient northern plains, we encountered the ice demon beast coming out of the ice cave. We demon tribe also spent hundreds of thousands of demon soldiers to destroy the ice demon beast."

"In the depths of the Ice Cave, the four of us Demon Saints went deep together, but after going tens of thousands of miles deep, we encountered the Ice Demon Saint who was in the quasi-saint realm. The four of us fell into the Ice Cave due to time lag. The Ice Cave We don't know what will happen after tens of thousands of miles."

I gather, there really is a quasi-saint ice monster in 240. What the hell is in the ice cave? A puppet in the quasi-saint realm? Damn it, even the saints in the prehistoric fairy world can't create a quasi-saint realm. Puppet. Su Chen rubbed his forehead and looked into the depths of the cave. Leave? Or continue deeper? Su Chen looked at the bottomless ice cave. The more he looked, the more he wanted to see what was inside.

"Shang Yang, come with me to check it out. I want to know what's going on inside." Su Chen said, quickly holding Shang Yang Demon Saint's hand and continuing to go deeper.

"Su Chen, we can't go any further, please leave me quickly.....Shameless,"

Shang Yang was pulled by Su Chen and continued deep into the ice cave. She hurriedly tried to dissuade Su Chen from leaving the ice cave with her.

However,

Shang Yang did not expect that Su Chen would suddenly hug him, and this bastard would also touch him. Shang Yang was so embarrassed that he almost slapped this shameless person to death.

Su Chen hugged Shang Yang's slim waist and smiled and said,

"Shang Yang, your slender willow waist is still so soft, but your mountain is a little smaller. I will help you make it bigger in the future. Only then will the proudly erect mountain be more attractive."

"Shameless person, let go of me quickly, otherwise don't blame me for being rude to you"

Chapter 2434

Shang Yang's beautiful face showed an expression of resentment.

This shameless person, if they were not in the ice cave, Shang Yang would definitely beat this bastard up.

What willow thin waist?

What is so soft?

What mountains are not big?

What makes mountains bigger?

Shang Yang didn't understand it at first, but after a moment, her face not only became ashamed and angry, but even turned red.

Shang Yang threatened Su Chen in shame and anger,

"Shameless person, let me go quickly, otherwise don't blame me for being rude to you."

Su Chen touched Shang Yang's cool and charming face and said with a smile,

"You're welcome, Shang Yang, don't you feel familiar when I hold you? Aren't you also leaning tightly in my arms?"

Su Chen also found it funny.

He guessed that all his women could have a connection with him during the Conferred God Period. This should be influenced by later generations.

However, fortunately, only his women can have a connection with him.

"this....."

Shang Yang was stunned when she heard Su Chen's words.

She was indeed hugging Su Chen tightly.

How could this be 413?

Why couldn't I help but hug Su Chen?

Shang Yang felt that holding Su Chen was very natural. Did she often lean on Su Chen and hold him in her arms like this before?

In the ice cave,

Su Chen carried Shang Yang and quickly went deep.

Su Chen used the law of space to instantly avoid the ice monsters they encountered along the way.

Su Chen wanted to check the situation in the ice cave.

As long as the puppet ice monsters in the ice cave didn't find them, he would not kill them. two thousand miles.....three thousand miles.....In the ice cave four thousand miles deep, Su Chen and Shang Yang encountered the ice monster of Taiyi Jinxian. Su Chen hugged Shang Yang and disappeared instantly to avoid the ice monster's attack.

Five thousand miles away.....six or seven miles.....Seven thousand miles deep, they encountered Daluo Jinxian's ice monster again, and Su Chen did not fight against Daluo Jinxian's ice monster.

Shang Yang was hugged by Su Chen and quickly went deep.

She found that Su Chen used the law of space from time to time, which made Shang Yang look at Su Chen in surprise.

Space laws?

Shang Yang didn't expect that Su Chen knew the laws of space, and it seemed that Su Chen's cultivation was not low. How could a scumbag Taiyi Golden Immortal know the laws?

Who is this bastard?

How could a human race know the laws of space? And he can still cultivate to such an extent in such a short period of time?

When Shang Yang saw that she was about to go nine thousand miles deep, she hurriedly reminded Su Chen,

"Su Chen, we can't go any deeper. There will be three or four quasi-saint realm ice monsters at the depth of nine thousand miles, and there will be dozens of quasi-saint realm ice monsters at the depth of 10,000 miles."

Su Chen hugged Shang Yang's soft body and said,

"Shang Yang, don't worry, those puppet Ice Demon Saints have no consciousness. We don't have to fight the Ice Demon Beast face to face."

"I will activate the space barrier to hide our presence. The ice monsters in the quasi-sage realm will not discover our existence, and we can continue to penetrate deeper quietly."

Shang Yang was very speechless when she heard Su Chen's words.

She felt that Su Chen was seeking death, and he even took her with him to seek death.

The quasi-sage ice monster might not be able to detect them, but the ice cave is hundreds of thousands deep. Within 10,000 miles, there are quasi-holy ice monsters.

What about even deeper?

Shang Yang is worried that going deeper, there will be holy ice monsters.

"Bastard, aren't you worried about encountering the ice monster in the holy realm?"

Su Chen was very speechless when he heard Shang Yang's words.

Holy realm ice monsters?

Is this possible?

There are only a few saints in the prehistoric fairyland. How could there be holy realm ice monsters in the ice cave?

Even these ice monsters They are puppets, but are there really puppets in the Holy Realm? (To read Baoshuang novels, go to Feilu Novel Network!)

Are Primordial Tiandao and Hongjun just decorations?

If there are ice monsters in the Holy Realm, no (dadh) Regardless of whether it was Hongjun or the Primeval Tiandao, they could all realize that the Ice Cave might have been destroyed by the Primeval Tiandao and Hongjun.

Boom boom boom.....

Nine thousand miles deep, three quasi-holy ice monsters instantly appeared around Su Chen and Shang Yang.

These quasi-holy ice monsters quickly attacked Su Chen and Shang Yang. Ice spikes shot towards them like a rain of arrows. Su Chen and Shang Yang.

The terrifying cold air, the terrifying ice spikes, and the ice cave erupted with powerful vibrations.

The space in the ice cave made a huge creaking sound, as if the space could not withstand the huge attack and was about to break.

Shang Yang saw the quasi-sage ice monster suddenly attacking.

She hurriedly wanted to get out of Su Chen's arms, but Su Chen held her tightly and did not let go. Shang Yang took out her spiritual treasure to resist the ice monster's attack.

However, as soon as Shang Yang summoned her spiritual treasure, she was stunned

"Time goes backwards, space is imprisoned!"

Su Chen quickly activated the laws of time and space. He had been careless just now. The ice monster from the quasi-holy realm arrived, and he didn't even notice the fluctuations in space. The ice monster's attack was reversed and disappeared by the law of time, and the three quasi-holy beasts The holy ice monster disappeared in the surrounding area instantly

"Come on, I can only imprison the ice monster for a few breaths."

Su Chen grabbed Shang Yang who had just let go and disappeared in an instant.

He just imprisoned the ice monster at will this time.

As long as Su Chen takes Shang Yang away from here, those ice monsters will no longer be able to detect their aura.

"you.....you.....You actually know the law of time?"

After Shang Yang was taken by Su Chen and appeared ten thousand miles away, she looked at Su Chen and felt very incredible.

Time went backwards?

Su Chen just used the law of time?

This bastard not only knows the law of space, but also knows time. Laws, Shang Yang feels dizzy now.

A scumbag can actually know two laws?

And it is also the top ten law of chaos.

Is this shameless man going to defy heaven?

"Shang Yang, are you a great man?"

Su Chen hugged Shang Yang and kissed her hard.

The cold Shang Yang's surprised look was so beautiful, especially Shang Yang's sexy mouth. When Su Chen saw it, he couldn't help but taste her lipstick.

"Woo woo woo....." boom!

"Inglorious bastard, you are seeking death!"

Shang Yang was stunned when Su Chen kissed her. She didn't expect that Su Chen would dare to kiss her. Shang Yang quickly burst out with a powerful breath, and

Su Chen was instantly blown away.

Shang Yang's face showed shame, anger and indifference. With an expression on her face, she stared at Su Chen coldly, wanting to kill this shameless person.

"Interestingly, there are actually creatures that have entered the small world of ice, dozens of them. This is the first time that a creature dares to come here to seek death."

Chapter 2435

In a small space ten thousand miles deep, on the Ice and Snow Throne, a woman with a voluptuous figure sat on the Ice and Snow Throne.

After the woman slowly opened her cold eyes, her white hand held her chin, showing a thoughtful look. , this is an extremely beautiful woman.

She is wearing a white gauze dress. You can vaguely see her fair and delicate skin, her uneven figure, and the proudly erect mountain, which looks like a ridge on the side. Cheng Feng, beautiful and indifferent face, noble and queen-like temperament

"Interestingly, another creature has entered the small world of ice. Dozens of them have been reunited. This is the first time that a creature dares to come here to seek death."

At this moment, after Su Chen was knocked away by Shang Yang, he instantly appeared next to Shang Yang.

"Hahaha....."

Su Chen laughed when he saw "510" Shang Yang wiping his mouth in shame.

Shang Yang just sent him flying out without even causing him any harm. Otherwise, with Shang Yang's quasi-sage cultivation level, Su Chen would be seriously injured even if he was not prepared.

Shang Yang laughed when she saw Su Chen coming back.

She threatened loudly with an angry look on her face,

"Little bastard, if you dare to be rude to me again, I will definitely kill you."

Su Chen hugged Shang Yang's sexy waist again and said with a smile,

"Beauty, are you willing to do it?"

"Bastard, are you really looking for death?"

Shang Yang was hugged by Su Chen again.

Her expression became even colder instantly.

However, her body couldn't help but lean into Su Chen's arms.

Shang Yang felt very helpless.

She clenched her fists tightly. She wanted to beat Su Chen away, but her soul kept reminding her to get close to Su Chen.

Shang Yang's face showed an expression of indifference for a while, and an expression of shame for a while.

She was so confused that she didn't know what to do,

Su Chen It seemed like it was her inner demon. Shang Yang wanted to drive her out but couldn't bear to do it.

"You won't kill me!"

Su Chen hugged Shang Yang and looked at her beautiful face face to face.

He did not kiss Shang Yang again this time. Facing the cold Shang Yang, Su Chen would not act too hastily.

He knew Shang Yang very well.

If he acted too hastily, he might It was counterproductive. Su Chen would not let Shang Yang, who was in the Conferred God period, feel bad about him.

Shang Yang rolled his eyes at Su Chen and said nothing more.

She decided to follow her heart and follow the reminder of Yuanshen.

Shang Yang felt that Su Chen and her must be together. There is some kind of connection, maybe even a very close connection.

Otherwise, her soul, her heart, and even her involuntary body would not be so close to Su Chen

"Space prison!"

Su Chen waved his hand, and a blue light enveloped Su Chen and Shang Yang. The blue light enveloped Su Chen and Shang Yang and disappeared instantly.

"Shang Yang, we continue to move deeper in the space prison. In the space prison, even the saints may not find it."

Shang Yang checked and nodded.

This space prison is indeed very secret. It is impossible for ice monsters without smart thinking to discover them.

Ten thousand miles deep,

Su Chen and Shang Yang encountered more than ten The quasi-holy ice monsters passed through this area silently in the space prison.

Boom!

Su Chen had just passed through the quasi-holy ice monsters, and they suddenly appeared in a small space.

A cold as long as Every time you take a breath, you will be instantly frozen in a small space. (To read Baoshuang novels, go to Feilu Novel Network!)

The space is full of white, a small space composed of ice and snow, and the crystal clear and biting cold Ice, the whitest snow, even a small snowflake can kill a golden immortal.

Su Chen looked at this small space and asked in surprise,

"this....., Shang Yang, have you four demon saints been here?"

"No, this is already nearly 20,000 miles deep in the ice cave, and our four demon saints have never been here."

Shang Yang Demon Saint was also very surprised.

This small space looked very scary. The ice and snowflakes all gave off a terrifying aura, as if the ice and snow here were alive. Immortals below the Golden Immortal realm, maybe you will be wiped out instantly if you enter this small space.

Su Chen frowned and looked here.

It is not even 20,000 miles deep in the ice cave. The ice cave is really too dangerous. This small space should be 100,000 miles deep. Although the place is big and small, he feels the crisis here all the time.

Shang Yang suddenly reminded Su Chen,

"Su Chen, I feel the breath of a living being, the existence of a living being in this small space....0"

"The breath of living things? Shang Yang, is that creature powerful?"

Su Chen felt strange when he heard Shang Yang's words. How could there be living beings here? The environment here is very scary and dangerous. There are still living beings in this small space?

Shang Yang checked it and replied, "It's the late stage of the quasi-sage. It's just that It's very strange, that creature seems to be deliberately exposing its aura"

"Let's go, let's go see that creature who deliberately exposed his aura. Aren't you also in the late stage of Quasi-Saint? If we can't reach an agreement after a while, kill that creature."

"Humph, why should I listen to you?"

"You are my woman, of course you have to listen to me"

"Shameless!"

Shang Yang glared at Su Chen fiercely.

This bastard is so shameless.

She has no way to deal with this bastard.

However, after Shang Yang decides to leave the ice cave, she must beat this bastard severely.

After a while,

Su Chen and Shang Yang saw a woman in the small space, a beautiful woman.

When Su Chen saw the woman sitting on the ice and snow throne, his eyes widened.

I looked up, this woman So beautiful and so tempting.

This beautiful and sexy woman only wears a thin layer of white gauze. Her voluptuous and sexy figure is clearly visible. She has fair skin and a curvy figure. She is cold and ice-free. With a stunning expression, this is one of the most beautiful and sexy women Su Chen has ever encountered.

"Foreign creatures come uninvited, do you still want to sneak around?"

On the Ice and Snow Throne, the stunningly beautiful and glamorous woman looked in the direction of Su Chen, and her cold and crisp voice reached the space prison.

Whoosh!

"Who are you?"

Su Chen and Shang Yang, who stared at Su Chen with a cold face, instantly appeared not far from the beautiful and glamorous woman.

When the woman on the throne saw Su Chen and Shang Yang appearing, her beautiful face showing a surprised expression,

"Huh! A quasi-holy demon, and a human being who turns out to be a scumbag?"

"Scumbag? I said beauty, what's wrong with me? Have I ruined you?"

Chapter 2436

Su Chen's face turned dark at this moment. He did not expect that the beautiful and cold woman would call him a scumbag.

Damn it, no matter how you say it, he is a Tianyi Golden Immortal.

In the ancient immortal world,

Tianyi Golden Immortal is the mainstay in various saint sects, races, and forces. Where is his cultivation realm?

However,

Su Chen thought that the strong man he faced was either a quasi-sage or a saint. It was natural for those people to call him a scumbag. His realm was like an ant in the eyes of the quasi-sage and saint.

"You little bastard, shut up!"

After Shang Yang heard what Su Chen said about teasing Leng Yan, she hurriedly warned Su Chen.

Shang Yang felt that Leng Yan was very extraordinary.

Although she and Leng Yan were both at the late stage of quasi-sage, Shang Yang She felt that she was no match for the cold and beautiful woman, and the cold and beautiful woman made her feel too dangerous.

Su Chen sent a message to Shang Yang Yuanshen,

"Shang Yang, please teach me a lesson soon, this arrogant woman, she dares to call me scumbag."

Shang Yang was furious when she heard Su Chen's words. Why did this shameless bastard speak so rudely to her?

Are she a subordinate of this bastard?

Shang Yang thought of the power of the beautiful woman, and she was worried that Su Chen would tell her If she angered this woman, she hurriedly sent a message to Su Chen Yuanshen,

"Shut up! Su Chen, please be honest with me. This woman is very powerful and I may not be her match."

I guess!

Isn't Shang Yang a match for this Leng Yan woman?

Damn it, isn't Shang Yang and Leng Yan woman both quasi-late saints? How come she, a veteran demon saint, can't defeat this Leng Yan woman?

Su Chen Looking at the cold and beautiful woman, he felt that it was better to leave.

Even Demon Saint Shang Yang was no match for this beautiful woman. The strength of this cold and beautiful woman was really terrifying. He and Shang Yang might end up in the ice cave if they were not careful.

At this moment, the cold and charming woman on the Ice and Snow Throne frowned. She felt that there was something in what Su Chen just said, and it might not be a good thing, but she couldn't guess what it meant.

"Human scum, what did you mean by what you just said? Scumbag me? What do you mean, scumbag me?"

I asked, the cold and beautiful woman doesn't know what it means to be scum?

Has the cold and beautiful woman never left the ice cave? Or is this cold and beautiful woman not a creature from the ancient fairy world?

Su Chen coughed awkwardly,

"Ahem, what I just said was nonsense, beauty, what is your name? What is going on in this ice cave?"

"Little scumbag, you didn't tell the truth!"

"Beauty, these are not important, what is your name?"

On the Ice and Snow Throne, the glamorous woman held her chin in her hand and thought for a moment, then she replied coldly to Su Chen,

"Xue Ji, you can also call me Snow Queen!"

"Xue Ji? Ice and Snow Queen?"

Su Chen frowned when he heard Xue Ji's name.

He felt a little familiar,

Xue Ji?

Ice and Snow Saint Princess?

He seemed to have heard of this name.

Suddenly,

Su Chen looked at Ice and Snow Saint Princess with a surprised look on his face. Egg,

Ice and Snow Saint?

This is the Ice and Snow Demon God among the Chaos Demon Gods.

No wonder he is so familiar.

When Su Chen obtained the origin of the Desire Demon God, the system extracted some things about the Chaos Demon God after extracting the Desire Demon God's memory. Passed it to him.

The Demon God of Ice and Snow, ranked eleventh among the Demon Gods of Chaos. (To read Baoshuang novels, go to Feilu Novel Network!)

An existence that is only second to the top ten Demon Gods of Chaos. The Demon King of Desire did not even dare to do so during the period of complete victory. the presence of provocation

"Ahem, Ice and Snow Queen, we came here unintentionally. We still have children at home to take care of, so we left."

Su Chen hurriedly grabbed Shang Yang and left.

The Ice and Snow Demon cannot only be in the realm of quasi-sage. The ice cave may be the cave where the Ice and Snow Demon resurrects.

If Su Chen and Shang Yang don't leave, they may become the resurrected Ice and Snow Demon. Feeding.

Shang Yang's face turned completely dark when he heard Su Chen's words.

Child?

This shameless person, she and this bastard have a child.

Shang Yang and this shameless bastard just met a few days ago. She and Su Chen just wanted to know if they want a child, will they have a child in a few days?

Damn it, why would I want to have a child with this bastard?

Su Chen saw that Shang Yang's face was so dark that he was about to get angry, so he hurriedly sent a message,

"Come on, this woman is the Chaos Demon God." Shang Yang panicked when she heard Su Chen's message from her soul. Demon God of Chaos? Is this woman actually the Demon God of Chaos? Shang Yang was pulled away by Su Chen in a hurry. She didn't think Su Chen was deliberately deceiving her. There was no need for Su Chen to deceive her about the Chaos Demon God. Shang Yang also felt Su Chen's panic.

"Um? It's interesting. A scumbag from the human race seems to know who he is and he still wants to escape? The entire Ice Cave is under your domain. Did you escape?"

The Ice and Snow Demon God saw Su Chen and Shang Yang disappear in an instant. She smoothed her snow-white hair with her white hands and whispered. The

Ice and Snow Saint did not expect that a human scum in the prehistoric fairyland would actually know her existence.

The prehistoric fairyland Here, even Hongjun couldn't possibly know her existence. How could a scum of the human race know her existence?

At this moment,

Su Chen pulled Shang Yang and quickly used the law of space to escape from here.

Just a quarter of an hour later,

Su Chen pulled Shang Yang The Sheep Demon Saint stopped and looked around helplessly.

Su Chen found that he had returned to the same place with Shang Yang. The Ice and Snow Demon God was looking at them with a mocking look on his face.

"Su Chen, why are you back again?"

Shang Yang saw Su Chen taking her back to the place. She asked Su Chen with a surprised look. In a quarter of an hour, she was led by Su Chen. Although it was impossible for her to leave the ice cave, (de) Good) will not return to the same place.

Su Chen touched Shang Yang's hair and replied, "Shang Yang, we are going to be a pair of desperate mandarin ducks."

Shang Yang Demon Saint heard Su Chen's words and understood Wu.

It wasn't Su Chen who wanted to bring her back. It was probably the Chaos Demon God who had moved them here. The

Ice and Snow Saint asked Su Chen coldly, "Little Zhazha. , do you know who I am? How did you know my identity?"

Su Chen rolled his eyes and said nonsense,

"Ahem, senior, I just met you, how could I possibly know that you are? My wife and I still have children at home, so please let us leave."

"lie!"

The Snow Queen glared at Su Chen indifferently. She looked at Su Chen and Shang Yang and threatened,

"Little Zhazha, the entire Ice Cave is under my domain. Without my permission, you can't escape from my Ice Cave. If you don't want your soul to be shattered and your true spirit to collapse, please answer honestly."

Chapter 2437

After Su Chen and Shang Yang heard what the Ice and Snow Queen said, they looked at each other.

It was impossible for the Ice and Snow Queen to let them go.

There was a Chaos Demon God hidden in the ancient world, and the Ice and Snow Demon God would not let them spread the news.

"Well, the Ice and Snow Demon God who ranks eleventh among the Chaos Demon Gods, Ice and Snow Saint, I just heard your name accidentally. If you didn't tell me your name, I wouldn't know that you are the Chaos Demon God."

The Ice and Snow Saint raised her eyebrows when she heard Su Chen's words.

No one in the prehistoric fairy world knew her name. Hongjun, Yangmei, Luohu, Yin Yang, Qian Kun, and even Shen Ni, none of these chaotic demons knew her name.

Prehistoric Demon God There can be no other Chaos Demon God in the fairy world. How did this scumbag of the human race know her name! And did he know her name from the Chaos Demon God?

After the Ice and Snow Saint thought about it, her face was cold~ Su Chen asked,

"Have you heard of my name? Little scumbag, among the three thousand Chaos Demons, there are no more than five Chaos Demon Gods who know my name, and it is impossible for you to have seen those Chaos Demon Gods. Say, have you ever heard of my name from that Chaos Demon God?"

Su Chen took Shang Yang and replied hastily,

"Hongjun!"

"How dare you lie!"

The Ice and Snow Queen heard Su Chen say Hongjun, and her face became even colder.

This scumbag little bastard dared to deceive herself when he was about to die.

Su Chen didn't expect that Hongjun and the Ice and Snow Queen didn't know each other.

This Damn it,

I didn't say it right this time.

Su Chen hurriedly said to Ice and Snow Queen,

"Hey, I remembered wrongly, it was the Space Demon God who raised his eyebrows!" boom!

"Want to die?"

"I guess it's Luo Hou!"

Boom boom.....

"Little scumbag, you are really looking for death!"

The Ice and Snow Queen burst out with a terrifying aura and became completely angry.

This little scumbag deceived herself again and again. The

Ice and Snow Queen wanted to strike this little scumbag with a palm in anger.

The small space was shaken for a moment. As they stood up, the biting ice cubes exuded an even more terrifying chill. The snowflakes in the air were as terrifying as acquired treasures. The snowflakes were aimed at Su Chen and Shang Yang in the air.

Su Chen saw the Ice and Snow Queen completely Angry, he hurriedly shouted,

"I'll go ahead, Ice and Snow Queen, wait a minute while I think about it."

Su Chen didn't expect that Yang Mei and Luo Hou didn't know the Ice and Snow Queen either.

Damn it, is the Ice and Snow Queen a super old home girl?

Shang Yang was angry when she saw the Ice and Snow Queen, and even wanted to take action against them. She hurriedly summoned Lingbao protected Su Chen.

The Snow Queen's cold face showed no expression at all. She coldly threatened Su Chen again, "Little scumbag, if you dare to answer me dishonestly again, you don't have to answer anymore."

Su Chen looked at the countless terrifying snowflakes around him.

Damn it, these snowflakes are not the Ice and Snow Saint's spiritual treasures, right?

The scattered snowflakes are all acquired spiritual treasures. If these snowflakes are combined with the surrounding ice cubes, Get up.

Could this be an innate treasure?

Su Chen rubbed his forehead and felt very helpless.

Among the Chaos Demon Gods he knew,

Yangmei and Luo Hu were both among the top ten Chaos Demon Gods. Although Hongjun ranked over 2,000 among the Chaos Demon Gods, , but in the prehistoric fairy world, that old bastard is the most powerful existence.

But Yangmei, Luo Hu, and Hongjun are not acquainted with the Snow Queen, and Su Chen feels that it is impossible for the remaining Chaos Demon God to know

"Hey, Snow Queen, I know a lot of Chaos Demon Gods. I can't remember who told me your name. How about I tell you all the Chaos Demon Gods I remember?"

The Ice and Snow Saint asked with a mocking look on her face, "Oh! Do you still know those Chaos Demon Gods?"

Su Chen said hurriedly,

"The Demon God of Heaven and Earth and the Demon God of Yin and Yang, do they know you?" (If you want to read Baoshuang novels, go to Feilu Novel Network!)

Ice and Snow Saint Ji's face turned dark when she heard Su Chen's words.

This shameless little scumbag,

Qiankun and Yinyang had already fallen during the war between the three races. At that time, the human race had no idea. After finally being born, this little scum actually said that he knew the Demon God of Qiankun and Yin Yang Demon?

A little scum seeking death.

Whoosh, the Ice and Snow Saint appeared next to Su Chen and Shang Yang in an instant.

She glared at Su Chen Leng shouted,

"Little scumbag, how brave are you? You still dare to deceive me now. How many Chaos Demon Gods do you know?"

"Humph, both the Qiankun Demon God and the Yin-Yang Demon God have lost dozens of elements. The human race was not even born at that time. How dare you say that you know them? Why didn't you say you still knew Pangu?"

OFlowers please OI'll do it!

Su Chen was confused when he heard the words of the Ice and Snow Queen.

He forgot that the human race was born during the Lich period. Qiankun and Yinyang fell during the war between the three races. How could he be a human race? I will get to know the Demon God of Heaven and Earth and the Demon God of Yin and Yang.

Damn,

I really wanted to die without thinking about it.

Su Chen looked up and saw the sexy figure of the Ice and Snow Saint. The white gauze dress was too revealing, which could not cover up the Ice and Snow Saint. The beautiful body of the Snow Queen.

The Ice and Snow Saint's bare long white legs, the perfect figure that curves forward and backward, and the proudly erect mountains, all appeared vaguely in front of Su Chen's eyes.

Su Chen was fascinated by the sight of it.

"Ice and Snow Queen, you are really beautiful."

The Ice and Snow Saint was stunned for a moment.

How beautiful is she?

Does this little scumbag really want to die?

Death is imminent, and this little bastard still dares to be interested in her?

The Ice and Snow Saint is thinking about it. She immediately killed this scumbag, but she was still a little curious about Su Chen knowing her name. How did this little scumbag know her name?

Shang Yang's face was so dark at this moment that he wanted to slap this shameless bastard to death.

They Disaster was imminent, but this bastard actually had lust for the Ice and Snow Demon.

Shang Yang was very angry at the moment. She didn't know whether it was because Su Chen kept looking at the Ice and Snow Demon lustfully, or because Su Chen praised the Ice and Snow Demon for her beauty. Beautiful.

Shang Yang pinched Su Chen's waist fiercely and said,

"Shameless pervert, if we can escape with our lives, little bastard, I will definitely continue to teach you a lesson."

I'm going to go,

Damn, why did I forget about Beauty Shang Yang? Beauty Shang Yang must be jealous.

Su Chen patted his forehead helplessly. He was vaguely attracted by the Snow Queen just now. The body is tempted,

"Shang Yang, don't be jealous. This is just a strategy. No one may praise the Ice and Snow Demon God for her beauty. I just need to praise her, and maybe the Ice and Snow Demon God will spare our lives. Besides, you are more beautiful than the Ice and Snow Demon God. more than ten"

Chapter 2438

Shang Yang Demon Saint's face became even more ugly when he heard Su Chen's voice transmission.

This shameless person, she just saw Su Chen being attracted by the Ice and Snow Demon God.

Could it be that she is blind?

Or am I just a stupid white girl?

Now you are praising yourself as more beautiful than the Ice and Snow Demon God? Demon Sage Shang Yang didn't believe a word Su Chen said

"Little bastard, you're dead!"

After Demon Saint Shang Yang threatened Su Chen in a cold voice, she no longer wanted to deal with this shameless person. If they were not facing the life and death threat from the Ice and Snow Demon God, Demon Saint Shang Yang would definitely not let this shameless pervert go.

I'm gone. Go ahead, it's over now, damn it, the Ice and Snow Demon God did a lot of harm this time.

Su Chen just admired the alluring Ice and Snow Demon God.

Not only did he anger the Ice and Snow Demon God, a sexy beauty, but he even angered his woman Shang Yang. The Demon Saint was also angry. This was all in vain. Su Chen had offended both of them.

At this time,

Ji, the Snow Saint with a cold face, waved his hand, and the terrifying snowflakes around him instantly dissipated. Except for the crystal clear ice, there were only three of them in the entire space.

The Snow Queen looked at Su Chen and threatened in a cold voice,

"Little scumbag, I'll give you another chance. If you don't tell the truth, the Ice Cave will be your burial place."

Su Chen was in a dilemma after hearing what the Ice and Snow Demon God said.

The Desire Demon God must have known the Ice and Snow Demon God, but Su Chen didn't dare to tell him about the Desire Demon God. The Desire Demon

God is the flower picker among the Chaos Demon Gods.

The Desire Demon God must have defeated the beautiful and sexy Ice and Snow. Attention of the Demon God, if Su Chen talks about the Demon God of Desire, the Ice and Snow Demon God will be angry and kill him and Shang Yang Demon Saint in an instant.

It's his fault, not to mention death, but to die without a burial place,

Su Chen He rubbed his forehead and felt very helpless.

Huh?

No, the Ice and Snow Demon God only has the realm of the late quasi-sage.

This is not right.

The Ice and Snow Saint knows Luo Hu, knows how to raise eyebrows, knows the universe and yin and yang. She must have existed since the war between the three clans. It may even have existed in the period of ferocious beasts.

But hundreds of guilds have passed, how can the Ice and Snow Demon be in the realm of a quasi-late saint?

Among the Chaos Demon Gods, the Ice and Snow Demon, ranked eleventh, cannot possibly recover so slowly. It's impossible to be so good.

Ice Cave?

Su Chen and Shang Yang have just arrived at the depth of 20,000 miles in the Ice Cave.

The Ice Cave is at least hundreds of thousands of miles deep.

Even if this small space of more than 100,000 miles is added, Su Chen He Shangyang has not reached the deepest part of the Ice Cave. Why is the Ice and Snow Demon God not at the deepest part of the Ice Cave?

This is very abnormal.

Aren't the big bosses at the last level? Why does the Ice and Snow Demon appear in the Ice Cave? Twenty thousand miles deep?

"Ice and Snow Queen, you are not your real body, right?" boom!

"Human, you know too much."

The Ice and Snow Saint's face suddenly changed when she heard Su Chen's words. She didn't expect that Su Chen could guess that she was not her true body.

This human race is so weird.

Knowing her name, she could also tell that she was not her true body.

The human race was born in the prehistoric fairyland. With only more than ten guilds, could a scumbag of the human race know her secrets?

Su Chen became angry when he saw the Ice and Snow Saint Princess, and he hurriedly shouted,

"I said, wait a minute, Snow Queen, I guess you are in trouble. If we help you, I hope you can spare our lives."

The Ice and Snow Queen mocked with disdain, "How can you, a scumbag, help me?"

Su Chen waved his hand to Shang Yang. (To read Baoshuang novels, go to Feilu Novel Network!)

He slowly walked towards the Snow Queen and said,

"Snow Queen, although my strength is very poor, some problems can be solved without being strong. You are strong, but can you solve the problems you encounter?"

"Um?"

The Ice and Snow Saint was very confused after hearing Su Chen's words.

What does this little scumbag mean?

Can't solve problems with great strength?

Can a scumbag solve those problems?

Idiot human scumbag, she and even the Chaos Demon God can't. How could a scumbag human race solve the problem?

Su Chen coughed and continued,

"Hey, Snow Queen, let's put it this way, sometimes the brain is more powerful than the strength, do you understand?"

"Little scumbag, are you saying I have no brain?"

The Ice and Snow Queen's face is even more cold and angry at this moment.

Her brain is stronger than her strength?

Is this scumbag saying that she has no brain?

The scumbag of the human race, the Ice and Snow Queen doesn't want to talk nonsense with this scumbag anymore. She wants to kill him immediately. Kill this shameless little scumbag

"No!"

Su Chen saw the Ice and Snow Queen coldly trying to kill him, so he hurriedly walked towards the Ice and Snow Queen.

There was still some distance, and he wanted to get closer to the Ice and Snow Queen.

The Ice and Snow Queen was surrounded by anger. As terrifying snowflakes fell, she stared at Su Chen with her beautiful eyes and said coldly, "Yes, you must be saying that I have no brain!"

"I don't!"

"you must have"

"Ice and Snow Queen, if I say no, I won't!"

"You are a shameless person, a shameless pervert, and a shameless scum of the human race. You must have just been mocking me for having no brains. Little scum, you are dead."

"receive!"

Boom!

After Su Chen was more than ten meters away from the Ice and Snow Queen, the Ice and Snow Queen didn't care about him at all.

Oh no, the Ice and Snow Queen didn't care about him, the prehistoric emperor. Su Chen instantly summoned the Demonic Tower of Desire to attack Bingxue. Shengji takes action

"The Demonic Tower of Desire? Damn it, town!"

Boom, boom, boom!

Above the Snow Queen, the black light of the Demonic Tower of Desire instantly enveloped the Ice and Snow Princess, but countless snowflakes formed a barrier above the Ice and Snow Princess. The terrifying confrontation between the Desire Demonic Tower and the snowflakes made the entire The small space continued to vibrate and made a huge roar.

Click, click, click, click!

The space in the small space began to break, and the entire small space cracked like glass with countless cracks.

Su Chen did not expect that the Ice and Snow Queen could resist desire. The Demon Tower and the Demon Tower of Desire failed to recruit people for the first time.

This made Su Chen not expect that the Demon Tower of Desire could even recruit saints unexpectedly. The Ice and Snow Saint was now only a late-stage quasi-sage. Su Chen unexpectedly used the Demon Tower of Desire. The tower didn't succeed?

Damn it, the Ice and Snow Demon God is the eleventh-ranked Chaos Demon God. Su Chen doubted that the Ice and Snow Demon God could kill a saint in the quasi-sage realm.

Su Chen was still confused when he saw it. Demon Saint Shang Yang, he hurriedly shouted to Shang Yang,

"Shang Yang, what are you looking at? Attack the Ice and Snow Demon God quickly."

Chapter 2439

Su Chen was also speechless towards Demon Saint Shang Yang.

He unexpectedly attacked the Ice and Snow Saint, but Shang Yang, a great beauty, was standing aside in a daze?

How could the charming Shang Yang be in a daze at this time?

They are facing a life and death crisis in the Ice Cave. What is Shang Yang still thinking about at this time?

"Sky Wings!"

Boom boom boom.....

Shang Yang also reacted at this moment. She quickly used Lingbao to attack the Ice and Snow Queen. Her innate mid-grade Lingbao wings were like sharp arrows and instantly attacked the Ice and Snow Queen.

Shang Yang was confused by Su Chen just now.

She didn't expect Su Chen to be so shameless.

Su Chen was deliberately talking to the Ice and Snow Queen while launching an attack unexpectedly. Is this still a Heavenly Emperor? Shang Yang felt that Su Chen was much more shameless than Saint Zhunti.

"You scum of the human race, you are actually related to that lust demon, the Demon God of Desire, you are dead, no, I will pull out your soul and make you suffer the pain of being cut by snowflakes all the time."

The Ice and Snow Queen has an angry and indifferent look on her face at the moment.

The Demonic Tower of Desire?

This is the spiritual treasure of the Demonic God of Desire among the

Demonic Chaos. During the Chaos Period, the Demonic God of Desire originally took a fancy to her beauty, and even the lustful demon wanted to attack her. Ice and Snow Shengji almost killed the Demon God of Desire that time.

If there weren't many Chaos Demon Gods watching in the chaos, the Ice and Snow Demon God was also worried about other Chaos Demon Gods interfering, otherwise there would have been no Desire Demon God in the chaos.

Su Chen looked at the sexy Bingxue Sheng Ji smiled and said,

"Snow Queen, since you know the Demon God of Desire, you should also know the function of the Demonic Tower of Desire. Sexy beauty, I will appreciate your perfect sexy figure in a while."

Boom boom boom.....

"Zhazha, you are looking for death!"

The Ice and Snow Saint is a little panicked.

She clearly understands the role of the Demonic Tower of Desire.

She is only a quasi-sage now.

Although the Ice and Snow Saint has the strength of a saint, her body and soul are incomplete, and the ice and snow laws can only exert half of it..

What if?

What if she is taken into the Demonic Tower of Desire, the Ice and Snow Princess knows what kind of humiliation she will face.

In the small space, the black light of the Demonic Tower of Desire still envelopes the Ice and Snow Princess, and the Ice and Snow Princess's laws of ice and snow continue to resist. Looking at the Demonic Tower of Desire, the Demonic Tower of Desire and the Law of Ice and Snow were in a stalemate for a moment. At this moment,

Su Chen's face turned dark.

Is Shang Yang tickling the Ice and Snow Saint?

Damn it,

Shang Yang's spiritual treasure The attack had no effect on the Ice and Snow Queen. A small snow shield withstood Shang Yang's attack. Shang Yang's Lingbao attack didn't even make a small splash.

Su Chen rubbed his forehead and mocked Shang Yang,

"Shang Yang, you are really good!"

Shang Yang shouted angrily when he heard Su Chen's words.

"Bastard, my Lingbao is only a middle-grade innate Lingbao. The snow shield composed of Snow Queen's snowflakes has the power of a high-grade innate Lingbao. It is impossible for my Lingbao to pierce a high-grade innate Lingbao."

Shang Yang is also very helpless.

She, a quasi-sage, can't do anything to the Ice and Snow Saint. Shang Yang now feels embarrassed even playing as a support. Without a powerful spiritual treasure, she cannot cause any harm to the Ice and Snow Saint.

"Here you go, use this spiritual treasure to attack!"

Su Chen took out the Hetu Luoshu and gave it to Shang Yang. He also knew that Shang Yang did not have a powerful spiritual treasure in his hand.

This is not from later generations.

During the Journey to the West,

Su Chen gave Shang Yang two top-quality innate spiritual treasures. Now Shang Yang is a pauper.

He Tu Luoshu still fulfilled his promise and handed it over to him.

As for whether Kunpeng will be killed by Tongtian, it is none of his business.

Shang Yang saw that Su Chen gave her He Tu Luoshu,

She asked Su Chen in surprise, (To read Baoshuang novels, go to Feilu Novel Network!)

"Hetu Luoshu? How come you, a little bastard, have the best innate Lingbao River Tuluoshu?"

Hetu Luoshu?

Since (dabg) the fall of Demon Emperor Jun, the best innate spiritual treasure Hetu Luoshu has been snatched away by Kunpeng. It was borrowed by Fuxi during the period of the Three Emperors of the Human Race, but Fuxi, the Taoist Queen, returned Hetu Luoshu To Kunpeng.

How could this little bastard have Hetu Luoshu?

Su Chen rolled his eyes at Shang Yang and reminded,

"Is now the time to say this? Madam, attack the Ice and Snow Queen quickly. If the Ice and Snow Queen escapes from the Demonic Tower of Desire, the two of us will really become a couple."

"Hetu Luoshu, give me some help!"

Shang Yang heard Su Chen calling her madam, and she glared at Su Chen fiercely.

Shang Yang knew that now was not the time to talk about this. She took control of Hetu Luoshu and attacked the Snow Queen.

Boom boom boom.....

The best innate spirit treasure broke through the snow shield in an instant.

The Snow Saint with an ugly face hurriedly waved her hands and gathered several more snow shields.

She became anxious.

The Demonic Tower of Desire enveloped her and made it impossible for her to escape.

If Shang Yang's spirit treasure The attack makes her injured and distracted, and the Demon Tower of Desire will take her in instantly.

"The Xuanhuang Exquisite Tower of Heaven and Earth, give it to me!"

Boom boom boom....

Su Chen also took action at this time, and he did not dare to delay it any longer. If the Ice and Snow Saint had other tricks, Su Chen and Shang Yang might not be able to escape death.

The eleventh-ranked Chaos Demon God should not be underestimated. The Ice and Snow Demon God in the quasi-saint realm, the Ice and Snow Saint Princess may be more terrifying than Zhunti, the saint in the second level of the holy realm.

"puff! Little scumbag, I won't let you go....."

Ice and Snow Queen faced two powerful spiritual treasure attacks, and her snow shields were instantly shattered one by one. Ice and Snow Queen focused all her energy on resisting the Demonic Tower of Desire. At this time, Hetu Luoshu and Tiandi Xuanhuang Linglong Tower were facing each other. Her repression.

The Ice and Snow Princess was unable to resist any longer.

Under the suppression of the Ice Demon God by Hetu Luoshu and the Xuanhuang Exquisite Tower of Heaven and Earth, the Ice and Snow Princess vomited blood and was taken into the Tower of Desire Demon God.

"Finally got it done, well, it's really dangerous this time!"

Su Chen saw the Ice and Snow Queen being taken into the Demonic Tower of Desire.

He was relieved at the moment.

Su Chen did not expect to meet the Chaos Demon God in the ice cave, three thousand Chaos Demon Gods, in the vast world of chaos. Here, he unexpectedly met a Chaos Demon God. Su Chen felt that his luck was not that good.

Damn it, he would never be in danger again.

Whoosh!

Shang Yang suddenly appeared next to Su Chen, and she mentioned Su Chen with one hand. Chen asked coldly, "Little bastard, what did you just call me?"

Su Chen was very speechless when Shang Yang mentioned it. Is this cold beauty preparing to settle accounts after autumn?

"Shang Yang, let go quickly. My magic power has basically been exhausted. My current small body cannot bear your destruction."

"Shameless, you are just a shameless little bastard"

Chapter 2440

After Shang Yang glared at Su Chen fiercely, she let go of the little bastard.

Shang Yang had no way to deal with Su Chen.

Su Chen had just called her madam, and her soul was beating happily.

Shang Yang Yang felt that her soul was a fake soul, otherwise why would her soul be active around Su Chen all the time since she met this shameless bastard?

Su Chen sat on a piece of ice and asked Shang Yang,

"Shang Yang, we will continue to delve deeper in a moment"

"Do you want to go deeper? Isn't the Ice Demon God imprisoned by your spiritual treasure? There should be nothing left in the Ice Cave, right?"

Shang Yang was very speechless when he heard Su Chen's words.

The ice and snow demons in the Ice Cave were all imprisoned by Su Chen's spiritual treasures. What is this bastard going to do if he goes deep into the Ice Cave? Are there any treasures and spiritual treasures inside?

Su Chen shook his head and explained "one, three, three",

"No, Shang Yang, don't you think it's strange?"

"The Ice Cave is hundreds of thousands of miles deep, how could the Ice Demon God appear at twenty thousand miles? Moreover, it seems that the Ice and Snow Demon God is not her true body, and it seems that the Ice and Snow Demon God is not a complete Ice and Snow Demon God."

Shang Yang frowned and couldn't understand.

The Ice Cave is hundreds of thousands of miles deep.

How could the Ice and Snow Demon God appear at a depth of 20,000 miles?

And the Ice and Snow Demon God is not his true body. Could it be that the Ice and Snow Demon God's true body is deep in the Ice Cave? Where?

Shang Yang nodded and replied,

"It's a bit strange, but Su Chen, if this Ice and Snow Demon God is a clone, there must be the Ice and Snow Demon God's true body in the Ice Cave. Wouldn't it be more dangerous for us to continue going deeper?"

"No, Shang Yang, there will be no Chaos Demon God in the Holy Realm in the Ice Cave, otherwise the Great Desolate Heaven will notice it."

"Well, that makes sense!"

"After we take a break to recover our mana, we continue to go deep into the ice cave to check it out."

"All right!"

Shang Yang thought it didn't matter to go deep to explore.

This bastard has a powerful spiritual treasure in his hand. Even if they are in danger, nothing will happen to them.

However,

Shang Yang looked at Su Chen with a very complicated expression. She came to Han Bing The cave is to save this bastard from leaving.

What now?

In danger,

Shang Yang can't even be an assistant.

A quasi-sage strongman is not as powerful as a Taiyi Golden Immortal.

Who will believe it?

Su Chen closes his eyes His eyes pretended to recover mana, and he secretly looked at the Ice and Snow Queen in the Demonic Tower of Desire.

Su Chen was very much looking forward to the Ice and Snow Queen's sexy and attractive figure. He could enjoy the beautiful scenery to his heart's content.

Come on!

Su Chen just After checking the Ice and Snow Queen in the Demonic Tower of Desire, blood flowed from his nose.

Damn it!

Such a beautiful, sexy and alluring beauty is really unbearable for most people.

Su Chen just took a look, and there was something wrong with him. She couldn't bear it.

When Shang Yang saw Su Chen's nose bleeding for no reason, she worried and asked hurriedly,

"Su Chen, were you injured just now? Why is your nose bleeding?"

Su Chen quickly wiped the blood from his nose and replied.

"I was not injured. I may have been shocked by the powerful aura of the Ice and Snow Queen just now. These are just bruises. It will be fine if they flow out."

Shang Yang relaxed after hearing Su Chen's words, but she looked at Su Chen's words and mocked,

"After all, you are also a Taiyi Golden Immortal, and you are protected by the acquired merits and treasures of heaven and earth, the Xuanhuang Exquisite Tower, but you can't even bear the breath of the Ice and Snow Demon God."

Damn it,

Ice and Snow Queen's sexy and attractive perfect figure is not something even a man can bear.

Ice and Snow Queen's figure is so perfect and so beautiful.

This is the most perfect and sexy figure that Su Chen has ever seen, prehistoric The most beautiful lady, Nuwa, can't compare to the perfect and sexy figure of the Ice and Snow Saint. (To read Baoshuang novels, go to Feilu Novel Network!) The

Ice and Snow Saint is indeed the God of Chaos.

Su Chen doesn't If he dared to look at the Ice and Snow Saint in the Demonic Tower of Desire, he would do so when there was no one around him. Su Chen was worried that he would have a useless nosebleed again. In the

Demonic Tower of Desire, the Virgin Mary of the Fire Spirit and the Goddess of Fire were practicing. Empress Shiji and her daughters, they suddenly found that the space in the Demonic Tower of Desire was divided into two. They all stopped practicing to check the changes in the Demonic Tower of Desire. More than three hundred years have passed in the Demonic Tower of Desire, and the Holy Mother of Fire Spirit and The cultivation level of Empress Shiji and her daughters can be said to have improved by rocket. They are all Taiyi Golden Immortals now, and they are either in the later stage of Taiyi Golden Immortal or at the peak of Taiyi Golden Immortal. In just over three hundred years, their realm has He has improved to several great realms, all thanks to the top-quality training resources given by Su Chen, as well as the rich innate spiritual energy....0

The five girls don't care about Su Chen checking their bodies now. The bastard has seen everything that should be looked at, and the bastard has looked at things that shouldn't be looked at. They have been thoroughly looked at by Su Chen.

What's the use of covering it up anymore?

Moreover, the training resources that Su Chen gave them also made the five girls feel good about them.

Although the five girls were captured by Su Chen and put into the Demonic Tower of Desire,

Su Chen not only looked at their bodies shamelessly and lustfully, but the bastard also did nothing to them. What do they do.

Moreover, the top-quality cultivation resources given to them are resources that even saints would not generously give to them for cultivation.

"How can the space in the Demonic Tower of Desire be divided into two? What on earth is that bastard Su Chen doing?"

"I guess Su Chen must have caught someone else."

"It's very possible that that bastard must have caught some other fairy in here."

"Couldn't it be the other sisters and sisters we teach?"

"Maybe, we have been cultivating in the Demonic Tower of Desire for more than three hundred years, and the outside world has also passed for a year. Why hasn't Su Chen checked on us in this year?"

"Maybe I'm tired of seeing it!"

"That bastard only checked me out three or four times in total, how could he possibly get tired of it?"

"Maybe Su Chen is busy with something and has no time to talk to us, or maybe Su Chen doesn't want to disturb our practice."

In the Demonic Tower of Desire,

Empress Shiji 2.0, Our Lady of Fire Spirit, Han Zhixian, Princess Longji, and Fairy Caiyun, after checking the space of the Demonic Tower of Desire, they sat together and started talking.

Demonic of Desire The space in the tower was divided into two. They all guessed that another female fairy was captured by Su Chen. However, in the space of the Demonic Tower of Desire, they could not see who was captured. In the Demonic Tower of

Desire On the other side, the Ice and Snow Queen was red-faced and squatting with her arms crossed. She wanted to peel off Su Chen's skin and cramp her body into pieces. The

Demonic Tower of Desire, this weird spiritual treasure is really the nemesis of the female fairies. If you can't put on the skirt, you can't commit suicide. Even if you attack the Demonic Tower of Desire, you will be invaded by the demonic energy of desire.

"You scumbag of the human race, if I escape from the Demonic Tower of Desire, you will definitely die a miserable death. I will imprison your soul and make you suffer the cruelest torture day and night."
