### Chapter 2671

Su Chen didn't expect that just after arriving in the fairy world, he would meet Chen Xiang, a stupid boy.

Damn,

Yang Chan, the Third Holy Mother in the Conferred God Period. She couldn't be with Yang Tianyou. How did Chen Xiang appear? This fallen and broken fairyland is really full of weird things.

Whoosh!

Su Chen did not continue to check Agarwood.

He wanted to find Fairy Caiyun quickly, as well as Bai Yuekui and Wushan Goddess.

Fairy Caiyun arrived in the fairy world one day early. She also knew that she would arrive in the fairy world today. Why didn't Fairy Caiyun appear at the space passage? Su Chen was worried that something would happen to Fairy Caiyun.

After half a day,

Su Chen didn't check any news about Penglai Island.

The Penglai Island was too big,

Su Chen's soul was sealed, and the realm of the immortal was also sealed. It was impossible for him to check Penglai Island at once.

In a restaurant,

Su Chen arrived to get some information. There were monsters and ghosts in the restaurant, and immortals could be seen everywhere. He planned to try to see if he could get some information in the restaurant.

"Boy, this is not a place for you to sit. You, a mortal, want to....." boom!

Just when Su Chen sat down, an ugly little demon came looking for trouble. He instantly kicked the little demon away.

A trashy little demon who doesn't even have a soul. Even if the little demon goes to the mortal world, he will be treated as a beast and slaughtered.

"What are you looking at? Want to die?"

Su Chen found that all the monsters and ghosts in the restaurant were looking over. He waved his fist and threatened.

The monsters, ghosts, and some immortals in the restaurant turned their heads. They were not willing to provoke a powerful human being.

"Um? Shall I go, Yang Jian? Damn it, you can meet the protagonist wherever you go."

Not long after Su Chen sat down, he found a young man walking out of the restaurant,

Yang Jian? Does the protagonist in the plot,

Yang Jian, know him?

"Waiter, let's get some food and wine!"

Yang Jian sat next to Su Chen. He looked at the people in the restaurant and shouted to the waiter next to him.

Su Chen drank a glass of wine and became confused.

Yang Jian didn't recognize him?

It became more and more interesting.

Are Yang Jian and other immortals unreal? Or are they immortals transformed by powerful spiritual treasures?

"Yo yo yo, isn't this Erlang Shen Yang Jian? Bounty hunter? Unexpectedly, the famous Yang Jian turned down and became a bounty catcher."

At this time, a small monkey and two big monkeys appeared next to Yang Jian, and they also mocked Yang Jian without concealment.

Su Chen looked at the three monkeys and continued drinking. He couldn't tell who the three monkeys were. Brother?

Has he been arrested by Yang Jian?

As for who it is,

Su Chen doesn't bother to check.

Ding! Bang!

With the sound of a pipa, the table and chair next to Su Chen were smashed into pieces. One was holding an umbrella and the other was holding a pipa. A fairy in armor

"The four brothers of the Mo family, Mo Li Hai and Mo Li Hong."

When the three monkey brothers saw Mo Li Hong and Mo Li Hai, the three monkeys ran away quickly.

Mo Li Hong arrived and laughed loudly at Yang Jian,

"Haha, Yang Jian, I never thought that one day, you would need our brothers to save you!"

"Yang Jian Twelve years ago, we have been.....Su.....Su..."

Mo Lihai was talking to Yang Jianzheng when he suddenly noticed Su Chen next to him. Mo Lihai was so frightened that he was trembling and speechless.

Mo Lihong also noticed Su Chen at this moment.

Emperor Su Chen?

How could Emperor Su Chen appear in the ruined fairy world? Mo Li Hong's face changed drastically and he kept retreating.

Su Chen took a sip of wine and shouted,

"Stand here, Magic Ceremony Red, Magic Ceremony Sea, you will die if you dare to escape."

Ma Lihai shouted nervously,

"sky...Su Chen, you don't have any magic power now. Can you kill our brothers?"

Su Chen said disdainfully, (To read Baoshuang novels, go to Feilu Novel Network!)

"Magic Sea, do you want to try it?"

Mo Li Hong hurriedly grabbed Mo Li Hai and said to Xing Li,

"Your Majesty, our four demon brothers have no grudges against you. We are also immortals who died once. Why should your Majesty be so aggressive?"

Mo Li Hong dare not be disrespectful to Su Chen.

The Heavenly Emperor Su Chen is the Emperor of the Ancient Immortal Realm. He also expelled Hongjun and the five great saints from the Ancient Immortal Realm. The four brothers of the Demon Family cannot afford to offend such a powerful Emperor of Heaven.

Su Chen touched his chin and said,

"Magic Li Hong, you four brothers can do something for me, and I can be lenient to you."

0request flowers

"Your Majesty, please speak!"

"You guys help me find Fairy Caiyun. I want to know where Fairy Caiyun is and whether anything happened to her."

"Fairy Caiyun? Senior Sister Shiji's virgin?"

"good!"

Mo Li Hong hurriedly agreed,

"Okay, Your Majesty, our brothers will find Fairy Caiyun within three days."

Su Chen nodded and released the Bianhua flower and said,

"Magic Gift Red, you can't find Fairy Caiyun in three days, and all four of your brothers will die. Bianhuahua, mark them."

"Yes, master!"

The Flower of the Other Shore flew out and emitted a beam of light towards Mo Li Hong and Mo Li Hai, and then flew back to Su Chen's shoulder.

Su Chen waved his hand and said,

"You brothers can leave now."

"Yes, Your Majesty!"

Mo Li Hong and Mo Li Hai saluted Su Chen and left in a hurry.

Mana?

They actually felt the mana on the other shore flower.

Mo Li Hong and Mo Li Hai felt lucky.

If their brothers had just collided with the Emperor Su Chen, they might now Already fallen.

Yang Jian looked at Su Chen in confusion.

How could the Demon brothers be afraid of this young man?

Your Majesty?

This young man is a mortal emperor? This is not right. It is impossible for the Demon brothers to be afraid of a mortal emperor.

Yang Jian looked at Su Chen and couldn't figure out, who is this mortal? Why does he still have a spiritual treasure in his hand? And it is also a spiritual treasure with magic power?

Su Chen looked at Yang Jian, shook his head and disappeared instantly.

Yang Jian might be a copy. , he has no interest in saying anything to a replica Yang Jian

"Disappear instantly? Is this still a mortal?"

Yang Jian saw Su Chen suddenly disappear. He stood up in surprise and looked around.

Xianlefang!

The fairy building where the Wushan Goddess performed her dance.

Su Chen instantly appeared outside the fairy building. He wanted to see if the Wushan Goddess was there. In the Fairy Tower.

In the Fairy Tower,

Wushan Goddess and Bai Yuekui were sitting together drinking tea. They both looked sad at the moment.

Fairy Caiyun was suddenly taken away in front of them. They didn't even know who took Fairy Caiyun away. did not see

"Wanluo, what does Fairy Caiyun want to tell us? Why was Shi suddenly arrested before he finished speaking?".

Chapter 2672

Bai Yuekui was very confused.

She felt that her trial mission had undergone tremendous changes. Things that did not happen in the plot happened one after another, just like the fairy Caiyun, the virgin of Empress Shiji.

Yesterday, Fairy Caiyun came to see her and the Wushan Goddess, but Fairy Caiyun had just seen them and before she could speak, Fairy Caiyun was enveloped in a light and instantly captured.

Bai Yuekui and Wushan Goddess, they even knew who captured Fairy Caiyun, and they didn't know what Fairy Caiyun was doing when she came to find them.

Wushan Goddess shook her head and replied,

"I don't know. I guess Su Chen asked Fairy Caiyun to come to us, but I didn't find out who captured Fairy Caiyun."

"Wanluo, are you talking about Su Chen?"

Wushan Goddess explained,

"Well, Su Chen is the Emperor of Heaven, and Fairy Caiyun is the daughter of Empress Shiji. Fairy Caiyun and I have no contact. Fairy Caiyun came to us and even told us your name. I guess Fairy Caiyun was sent here by Su Chen. us."

Bai Yuekui nodded and said,

"Yes, the immortals in this world probably don't know my name. Fairy Caiyun must have been sent by Su Chen to find us, but who captured Fairy Caiyun?"

After Bai Yuekui and the Wushan Goddess talked for a while, they both began to ponder. Who is the immortal who captured Fairy Caiyun? Is there an immortal in the fairy world who wants to harm Su Chen? In the

Xianle Building,

Su Chen looked at the bustle I am somewhat interested in the Xianle Tower.

There are many demons, monsters and immortals here, but there is no messy scene here. The fairies performing dances in the Xianle Tower are all good, but unfortunately they are all fairies without soul.

An elegant scholar's fairy pair Su Chen asked,

"Brother, are you also here to watch the fairy-like performance?"

Su Chen asked in confusion for a moment.

"Fairy Wanluo?"

"You don't know Fairy Wanluo? You didn't come to Xianle Tower to watch the fairy-like performance?"

"Ahem, this is my first time coming to Xianle Tower. Who is Fairy Wanluo?"

"Hehe, Fairy Wanluo is the top diva fairy in Xianle Tower. Hundreds of people come every day to see Fairy Wanluo's expression. Look, hundreds of people in Xianle Tower are waiting for Fairy Wanluo's expression."

Su Chen remembered who Fairy Wanluo was,

Grandma Wan?

Agarwood seems to be called Wushan Goddess Grandma Wan, and Wanluo should be the pseudonym of Wushan Goddess.

The number one?

The Wushan Goddess is actually the number one performing fairy in Xianle Tower? Su Chen rubbed it He rubbed his forehead and was speechless. Can the Wushan Goddess he knew dance? Can she sing?

Su Chen sat aside and wanted to see the performance of Wushan Goddess.

He wanted to see if the beautiful Wushan Goddess in the plot was Taoshan. Wushan Goddess, the dance of Wushan Goddess seems to be good, and the singing of Luo Shen Fu is also very nice. In

Jinxia Cave,

Fairy Caiyun stared at Master Yuding indifferently. She did not expect to be caught by Master Yuding who taught Chan, and she still used A fake innate treasure, the Tai Chi Diagram, was seized.

Master Yuding looked at the frozen Caiyun Fairy and shouted,

"Caiyun, you should know what Lao Dao did to arrest you! Fairy Caiyun replied coldly,

"I have no idea! Master

Yuding asked with a serious face,

"have no idea? Fairy Caiyun, how did you get the magic power? There is no aura in the fairy world, and all the immortals have no magic power. Why do you suddenly have magic power?"

Master Yuding is very vigilant at the moment.

Fairy Caiyun has some magic power. This is not a big deal, but Fairy Caiyun went to find the Wushan Goddess, which made Master Yuding worried. The

Wushan Goddess and the people who were suppressed in Huashan The people in the Broken Immortal World are closely related, and Master Yuding is afraid that the information about the suppressed people will be leaked.

If the immortals in the Broken Immortal World know who is being suppressed in Huashan, the Broken Immortal World will definitely be in chaos, and even all the immortals will flee. The fairy world goes to the mortal world to avoid danger.

Fairy Caiyun replied coldly,

"This is my secret, Master Yuding, you'd better let me go. I'm Empress Shiji's virgin, you don't dare to kill me."

"Don't dare to kill you? Fairy Caiyun, this is a broken fairyland, not a prehistoric fairyland. I am killing you in this world. Do you think Shi Ji will know?"

"Master Yuding, I have been missing for five to six thousand years. Empress Shiji will definitely find out about my disappearance. When the time comes, Empress Nuwa will investigate. Do you think Empress Nuwa will be able to discover the broken fairy world?"

Master Yuding's expression turned ugly. (To read Baoshuang novels, go to Feilu Novel Network!)

Empress Nuwa?

The most powerful saint in the prehistoric fairy world.

He was worried that Empress Nuwa would discover the existence of the broken fairy world. If Nuwa When Empress Wa discovers everything here, especially the suppressed existence in Huashan, their saint sect will be finished.

"Caiyun, why are you looking for the Wushan Goddess in Xianle Tower?"

"Hum, this is my business"

"Damn it, Caiyun, if you don't say there's no other way, I won't kill you, but I will suppress you forever."

Master Yuding has no choice at the moment. He is just a good corpse among the three corpses of Master Yuding.

In the past five or six thousand years, his magic power has been running out.

Check the memory of Fairy Caiyun?

He dare not.

Master Yuding is worried about Caiyun. The fairy's memory is protected by Shi Ji. If he accidentally touches the restriction in Fairy Caiyun's memory 480, this will make Empress Shi Ji aware of it.

"Suppress me? Master Yuding, I hope you can suppress me for a longer time."

Fairy Caiyun showed a look of disdain on her face.

She was not worried about Master Yuding suppressing her. Su Chen would come to the broken fairy world today. Caiyun did not go to the space passage to greet Su Chen. She believed that Su Chen would guess that something had happened to her.

By then ,

Emperor Su Chen will definitely find out that she was kidnapped by the real person

Yuding. The immortals in the Xianle Tower were dissatisfied because they did not come out to perform, but the Wushan Goddess still did not appear. Su Chen was worried that something might have happened to the Wushan Goddess. Whoosh! Su Chen disappeared into the performance hall in an instant. He was going to the Xianle Tower. He searched for the Wushan Goddess. A quarter of an hour later, Su Chen came out of the Xianle Tower depressedly. He grabbed some fairies in the Xianle Tower and asked them whether the Wushan Goddess and a white-haired woman left an hour ago? Is this his fault ? , I knew I would have searched for Wushan Goddess and Bai Yuekui first. Watching a performance? Watching a Hammer performance,

"Wushan goddess, when I find you, I will let you dance and sing for me every day"

Chapter 2673

At this moment, Su Chen was sure that the Wushan Goddess was the Wushan Goddess on Taoshan. Bai Yuekui could be with the Wushan Goddess. The Wushan Goddess did not take action against Bai Yuekui, which explained everything.

The Wushan goddess appears in the fairy world, where is the apricot tree?

Xingshu Su Yao has his essence and blood, what will happen to Xingshu? Has she transformed?

"Damn it, go to Huashan? Or go find Yang Jian and Chen Xiang?"

Su Chen thought about it.

He didn't know where Wushan Goddess and Bai Yuekui had gone. He couldn't find them on Penglai Fairy Island.

Yang Jian and Chen Xiang would both meet Wushan Goddess.

Su Chen thought about whether to go directly to Huashan to wait for Wushan Goddess? Or should he go there? Following Yang Jian or Chen Xiang?

Whoosh!

Su Chen thought for a while and disappeared.

He decided to follow Yang Jian or Chen Xiang.

The plot seemed that they all met in a courtyard. Chen Xiang found all the fragments of the lotus lantern at that time. In the mortal world ,

Donghai City!

In the hospital,

Li Yunxiang was lying on the bed with a gloomy face.

One of his arms was cut off, and

Li Yunxiang became a useless person. He could not ride a motorcycle, and his ability to generate fire was also lost. What else can he do in the future?

Emperor Su Chen?

An immortal, or the Emperor of Heaven in the fairy world.

Li Yunxiang could not avenge him. Even an extremely powerful Emperor of Heaven could not avenge him.

Whoosh!

A figure quickly arrived in Li Yunxiang's room.

Li Yunxiang saw that it was a monkey or a monkey. A monkey that looks exactly like Sun Wukong

"Sun Wukong, you are indeed not dead."

Sun Wukong looked at Li Yunxiang and was very surprised.

Li Yunxiang's soul was wiped out?

How is this possible?

Li Yunxiang's soul was wiped out, why was he not killed? Who wiped out Li Yunxiang's soul?

"Li Yunlong, who destroyed your soul? Who killed my clone? Li

Yunxiang asked with a calm face.

"Sun Wukong, what is your purpose for me? Why did you let your doppelganger help me?"

"Because you are Nezha, because you and I come from the same place"

"What's the meaning?"

Sun Wukong sat down and explained,

"You are the Lingzhu, and I am the Heaven-Building Stone. We used to belong to the same extremely powerful empress, Li Yunxiang. I want to return to the real fairy world. I need your help, but I didn't expect that your soul would be wiped out."

Sun Wukong also accidentally learned of his origin. He was a sky-repairing stone left by Empress Nuwa when she was patching up the sky. Nezha was the former boy of Empress Nuwa. He and Nezha were of the same origin.

Sun Wukong He wanted to return to the ancient world, but he was alone and weak.

It was too difficult for him to find out the news about returning to the ancient world, so Sun Wukong wanted to find some immortals to find a way to return to the ancient world. Naturally, Nezha fell in his fancy.

Li Yunxiang shook his head and said,

"Sun Wukong, my Nezha spirit has been wiped out, and I can't help you."

Sun Wukong asked angrily,

"Li Yunxiang, right? Who destroyed your soul? Who killed my clone again?"

"It's Tiandi Su....."

"Li Yunxiang, shut up!"

When Li Yunxiang was telling Sun Wukong,

Kasha and Su Junzhu opened the door and came in. Kasha hurriedly shouted to stop Li Yunxiang from saying Su Chen's name.

Su Junzhu looked at Sun Wukong and reminded,

"Sun Wukong, you are indeed not dead. The person who died before was really your clone. You should not appear again. Sun Wukong, you should return to the immortal world, otherwise you will really die in the mortal world."

Sun Wukong asked Su Junzhu,

"Little girl, you should know who killed my clone, right? Why don't you let Li Yunxiang tell me?"

Su Junzhu reminded with a serious face,

"Sun Wukong, I'm doing this for your own good. You can't afford to offend that person. If you don't want to die, don't continue the investigation." (To read exciting novels, go to Feilu Novel Network!)

"Hum, there is no one (abde) I can't afford to offend."

Sun Wukong looked at Su Junzhu and Kasha with disdain. He turned back to Li Yunxiang and said,

"Li Yunxiang, tell me who that person is?"

"Emperor Su Chen!"

"Emperor of Heaven? Suchen?"

Sun Wukong and Heavenly Emperor Li Yunxiang answered with confusion,

Heavenly Emperor Su Chen?

Who is this?

There is no such person as Heavenly Emperor Su Chen in the fairy world.

The Heavenly Emperor in Heaven is the Jade Emperor. When did another Heavenly Emperor Su Chen appear?

Li Yunxiang asked in confusion,

"Sun Wukong, don't you know Su Chen, the Emperor of Heaven?"

Sun Wukong said with a mocking look on his face,

"Bullshit Heavenly Emperor Su Chen. The Heavenly Emperor in the immortal world is the Jade Emperor. There is no such thing as Heavenly Emperor Su Chen. I guess it is an immortal who is swindling. You have all been deceived."

Kasha and Su Junzhu looked surprised.

Is Su Chen a fake?

But Fairy Caiyun, Huang Feihu, and those nymphs, why are they not called the Emperor of Heaven or the King of Gods?

The Emperor of Heaven in the fairy world is the Jade Emperor, and Su Junzhu and Kasha are also. Having heard myths and legends, they also knew that the Emperor of Heaven in Heaven was the Jade Emperor.

Could it be that Su Chen was the self-proclaimed Emperor of Heaven?

After a while,

Sun Wukong decided to take Li Yunxiang to the fairy world. Li Yunxiang's soul was wiped out. It was impossible to recover, but Li Yunxiang's death Arms, there are some magical medicines in the fairy world that can be restored.

Kasha and Su Junzhu also decided to go to the fairy world. They were worried that something would happen to Su Chen in the fairy world. A fake emperor of heaven, Su Chen might be hunted down by all the immortals.

Two days later,

Tianyun In the mountain courtyard,

Su Chen followed Yang Jian to Tianyun Mountain. He looked at the mountain courtyard and smiled. This should be the place where the Wushan goddess, Chen Xiang, and Yang Jian met. In the courtyard, the Wushan goddess, Bai Yuekui, Agarwood was all there, and the Wushan goddess was repairing the lotus lantern. Bai Yuekui kept looking at Agarwood, a little kid in his teens.

Boom!

A ray of light burst out from the lotus lantern, and several pieces of the lotus lantern also merged into it. Together, a radiant lamp appeared in front of the three of them.

Chenxiang asked hurriedly,

"Man, has the lotus lantern been repaired?"

"The agarwood and lotus lanterns have been repaired."

Wushan Goddess nodded.

A fake lotus lantern is still an acquired-grade garbage spiritual treasure. It is very easy for Wushan Goddess to repair the lotus lantern.

"Very good!"

When Chenxiang heard what the Wushan Goddess said, he smiled. The lotus lantern was repaired, and Chenxiang could go to Huashan to rescue his mother.

"Yang Jian, since you are here, why don't you come out?.....Su....Suchen?"

When the Wushan Goddess was repairing the lotus lantern, she discovered Yang Jian's secret arrival. She was about to call Yang Jian out. The Wushan Goddess did not expect that Su Chen would suddenly appear.

"Little fairy, we meet again"

Chapter 2674

Su Chen appeared in the room.

He looked at Wushan Goddess, Bai Yuekui, and Chen Xiang. Su Chen waved to Wushan Goddess.

Wushan goddess?

The Wushan Goddess he met in Taoshan is the same person.

No, the Wushan Goddess in this world is much more mature and more beautiful.

"Suchen!"

Wushan Goddess quickly threw herself into Su Chen's arms.

Su Chen finally appeared.

It has been five or six thousand years. Ever since she came to this broken fairyland inexplicably, Wushan Goddess has always hoped that Su Chen would come to take her back to the ancient fairyland. She also hoped that Su Chen would come and take her back to the ancient fairyland. Su Chen came as soon as possible to rescue Xingshu Su Yao.

Su Chen hugged the sexy waist of the Wushan goddess and said,

"Little Fairy, weren't you always wary of me trying to trick you? Why are you starting to throw yourself into my arms now?"

""Eight-nine-three" Wushan Goddess said with a blush,

"Su Chen, you are still as shameless."

Su Chen lowered his head and kissed the Wushan Goddess and said with a smile,

"Little Fairy, it's not the first day you've met me. You don't know what kind of person I am."

"Let me go, there are others around."

Wushan Goddess uncomfortably tried to break away from Su Chen's arms. This bastard was so shameless. There were other people in the room. Su Chen actually hugged her and started kissing her.

After Su Chen let go of Wushan Goddess, he hugged Bai Yuekui and kissed her. When he got up,

Su Chen couldn't favor one another.

Speaking of which, he and Bai Yuekui had known each other for a long time, but he had never captured Bai Yuokui. Chen

Xiang and Yang Jian on the window sill were both confused.

They didn't expect that Su Chen would kiss the Wushan Goddess, and now he kissed her again. Bai Yuekui.

Yang Jian was even more confused about Su Chen.

Who is Su Chen?

Your Majesty?

A mortal who is more powerful than an immortal. Can Su Chen be a mortal emperor?

Chenxiang looked at the Wushan Goddess and couldn't figure it out. The goddess of Wushan, who has always been as cold as ice, turned red today and even fell into the arms of a man.

"Bastard, let me go, you are not done yet."

Bai Yuekui avoided Su Chen's kiss and shouted with an annoyed expression.

She didn't object to Su Chen kissing her, but where is this place?

There are two strangers nearby. This bastard has no influence at all.

Su Chen touched Bai Yuekui The delicate little face said,

"Bai Yuekui, of the two teams, you, Alice, and Laura are not with me yet. The scenery in this world is not bad. After you complete the mission, let's go to the romantic world together."

Bai Yuekui yelled angrily,

"Shameless! Did you win Mu Ningxue?"

Mu Ningxue?

Well, he has forgotten about that little beauty who has no sense of existence.

"Well! No, I only met Mu Ningxue once. How could I possibly capture her?"

"I'm too lazy to talk to you. By the way, Su Chen, your daughter was suppressed under the Lotus Peak of Huashan Mountain. I didn't expect that you actually have an illegitimate daughter....."

At this moment,

Wushan Goddess started talking with Chenxiang and Yang Jian. Wushan Goddess also told them everything about Yang Jian and Chenxiang.

After Su Chen arrived, the Wushan Goddess did not need Yang Jian and Chenxiang to split Huashan. It was easy for Su Chen to split the sealed Huashan.

"Yang Jian, since you are my uncle, why haven't you come to see me?"

"Chenxiang, I was injured very seriously before. I could only give you to my master for adoption. The master said that I can't visit you."

"Grandma Wan, is what he said true?"

"Agarwood, what Yang Jian said is true!"

At this time,

Su Chen's face became ugly. (To read Baoshuang novels, go to Feilu Novel Network!)

After listening to Bai Yuekui's story, Su Chen did not expect that the little apricot tree would be suppressed under the Lotus Peak of Huashan Mountain.

Still. A small apricot tree turned into a black bird?

What's wrong with him?

A drop of his blood actually changed a species?

The apricot tree turned into a black bird?

This change is too big.

Black bird?

Su Chen previously thought that Huashan was suppressed, They are some ordinary harpies related to black birds.

What now?

A real black bird was suppressed at the foot of Huashan Mountain, and she is still one of his daughters.

Ahem, is Su Yao his daughter?

Or is it his bloodline ? Continuation?

Bai Yuekui asked

"Su Chen, is Su Yao your illegitimate daughter?"

Su Chen explained with a dark face,

"What kind of illegitimate daughter, Bai Yuekui, Su Yao used to be an apricot tree. Su Yao developed spiritual intelligence because of my Tao Yun. I gave Su Yao a drop of my life essence blood. I didn't expect Su Yao to become a black bird. 0."

"Haha, what are you going to do?"

Bai Yuekui rolled his eyes at Su Chen and smiled.

His life essence and blood?

This bastard is a powerful immortal. Can his life essence and blood be given to others casually?

Bai Yuekui guessed that Su Chen regarded Su Yao as his daughter. One tree was because of Su Yao. Chen Daoyun produces a small apricot tree with spiritual wisdom, and Su Yao and Su Chen are also very destined.

Su Chen said with a cold face,

"Su Yao is my daughter, I will rescue her, and those immortals who suppress Su Yao will be executed. Bai

Yuekui said with a smile.

"That's fine. The three Su Yan sisters will have one more sister in the future. Su Yao has suffered for thousands of years. She will have three sisters to take care of her in the future. Su Yao should be very happy."

"yes!"

Su Chen curled his lips and replied,

Merlo Heavenly Court is going to be lively again.

Merlo Heavenly Court originally had three naughty little girls, and here is another little girl. Even if Su Yao is a quiet and shy girl, she They will also be led astray by the three sisters Su Yan.

In the evening,

Su Chen and Bai Yuekui were eating food together. They decided to go to Huashan tomorrow. Su Chen wanted to rescue his daughter Su Yao, and Yang Jian and Chen Xiang wanted to split Huashan to save them. Sister (mother).

Yang Jian looked at 3.9 and asked Su Chen doubtfully,

"Su Chen, who are you? Why do the Demon Brothers call you Your Majesty?"

"Yang Jian, I was an emperor before."

Agarwood asked curiously,

"Uncle, why was your daughter also suppressed in Huashan? Do you think my mother and your daughter will be together?"

"Little brat, you'll find out tomorrow."

Su Chen took a sip of wine and didn't explain.

He didn't know if Chen Xiang's mother was still alive. Why did Yang Jian look like he wanted to save his sister? Is Chen Xiang's mother, San Sheng Sheng Yang Chan, not dead?

In the plot,

Chen Xiang's mother He is dead, what now?

It was his daughter Su Yao who was suppressed at the foot of Huashan Mountain. It is impossible for Su Yao to kill Chen Xiang's mother.

Chapter 2675

Chen Xiang glared at Su Chen fiercely, little brat?

Is he a brat?

Chen Xiang felt that Su Chen did not look like a good person. A man hugged two women and kissed them at every turn. He felt that Su Chen was a lustful pervert.

Yang Jian stood up and said,

"Agarwood, you and I go outside and I will teach you the exercises, otherwise you won't be able to split Huashan."

"Good uncle."

Chenxiang's eyes lit up when he heard Yang Jian's words.

Kung Fu?

He has never practiced the Immortal Kung Fu.

Chen Xiang wants to practice the Immortal Kung Fu. Only by practicing the Immortal Kung Fu can he save his mother.

"Su Chen, I need to go out for something."

"Little fairy, where are you going?"

"My men are still in Xianle Building, I need to inform and place them in place"

"Ahem, no need, I brought it here for you."

Su Chen patted his forehead and was speechless. He forgot about the fairies he captured in Xianle Tower.

After Su Chen asked about the news about the Wushan Goddess and Bai Yuokui, he followed Yang Jian all the way to this place. Those captured by Su Chen The female fairies were all imprisoned in the Demonic Tower of Desire.

Wushan Goddess asked in surprise,

"What? Did you bring it here?"

Su Chen hurriedly explained,

"Well, I went to Xianle Tower to find you. In Xianle Tower, I was worried that the female fairies I met along the way would be exposed, so I grabbed them and imprisoned them."

The goddess of Wushan shook her head speechlessly and said,

"you....Forget it, you keep my men first, they are safer in your hands."

Bai Yuekui shook his head with a smile.

She guessed that Su Chen must have forgotten the fairies he captured. Although the fairies in Xianle Tower were very beautiful,

Su Chen was the emperor of the same realm. Bai Yuekui didn't believe that Su Chen would Falling in love with those female fairies with low strength

"I'm going to see what skills Yang Jian taught Chen Xiang."

Wushan Goddess broke away from Su Chen's arms and stood up.

She couldn't continue with Su Chen. This bastard was not honest at all. Wushan Goddess was worried that Su Chen would do something even more outrageous to her if she continued to sit in Su Chen's arms..

When Su Chen saw the Wushan Goddess leaving, he smiled at Bai Yuekui beside him and said,

"White beauty, let's go to admire the moon"

"I won't go, you....."

Su Chenna didn't wait for Bai Yuekui to say anything.

He hugged Bai Yuekui and disappeared into the room, admiring the moon and flowers in front of and under the moon without delay.

On Penglai Island,

Sun Wukong arrived with Li Yunxiang, Kasha, and Su Junzhu. They were in a pill shop. Sun Wukong bought Li Yunxiang a pill for rebirth of a broken limb, and Li Yunxiang's broken arm also recovered.

On a spaceship,

Li Yunxiang asked Sun Wukong,

"Sun Wukong, where shall we go tomorrow?"

Sun Wukong jumped onto a box and replied,

"Huashan, I want to find Yang Jian. There is news that Yang Jian went to Huashan."

"Yang Jian? Don't you and Yang Jian not deal with each other?"

"Shit, Yang Jian and I have a good relationship.

Kasha asked curiously, "Sun Wukong, who is stronger, you or Yang Jian?"

"I was just the same before, but now I'm stronger than him"

"Why?"

"Yang Jian was injured twelve years ago. He couldn't open his heavenly eyes and couldn't summon his soul. Of course he couldn't beat me."

Kasha and Su Junzhu were a little surprised.

Yang Jian couldn't open his third eye?

And he couldn't even summon the soul. Wouldn't Yang Jian be crippled like Li Yunxiang?

"Everyone has a rest. Early tomorrow morning, we will rush to Huashan."

Sun Wukong waved to Li Yunxiang and the others, and he jumped onto the mast and lay down.

Li Yunxiang and the others also went to rest in the cabin of the spaceship.

They were all a little excited to see the legendary Erlang God Yang Jian tomorrow. (To read Baoshuang novels, go to Feilu Novel Network!)

The next day,

Su Chen and a few people rushed towards Huashan.

Along the way,

Bai Yuekui glared at Su Chen from time to time. She felt very ashamed and angry. Bai Yuekui didn't. Thinking that Su Chen would be so shameless,

Su Chen not only harmed her yesterday, but also touched her legs all night long, and said that her legs could last a hundred years. It was so shameless.

The goddess of Wushan patted Bai Yuekui and whispered. ,

"Bai Yuekui, did Su Chen succeed yesterday?"

Bai Yuekui said with a blush,

"You can't run either."

The goddess of Wushan smiled and replied,

"Haha, I never thought about running away. It has been more than five thousand years since Su Chen and I were separated. During these years, I have been thinking about this bastard all the time."

The goddess of Wushan thought of her first meeting with Su Chen. She was just a little fairy at that time. Su Chen was the aloof Emperor of Heaven at that time. The six saints were all afraid of the Emperor of Heaven. Su Chen. In a flash , there were more than 5,000 people.

Years have passed, but Wushan Goddess still feels that her life with Su Chen in Taoshan is wonderful.

"More than five thousand years? So long."

Bai Yuekui thought that the Wushan Goddess had been thinking about Su Chen for more than five thousand years. She felt horrified when she thought about it.

Humans can only live for a few dozen years, or about a hundred years at most. For more than five thousand years, the Wushan Goddess has waited longer than the Chinese. has a long history.

Whoosh!

The flower of the other shore suddenly appears on the shoulder,

" ` .Master, the brothers from the Demon Family have found out that Fairy Caiyun was kidnapped by Master Yuding."

"Real person Yuding? interesting!"

Su Chen didn't expect that Master Yuding would dare to catch Fairy Caiyun.

He would meet Master Yuding in Huashan today. Su Chen felt that Han Bao should be allowed to come out and move around.

A quasi-sage,

Master Yuding is not available in this broken fairy world. Even with his magic power, this is not something he can deal with now.

Half a day later,

Su Chen and others appeared on Huashan Mountain,

Lotus Peak, where Su Yao, the Black Bird, was suppressed, and Yang Chan, the Third Holy Mother, was suppressed.

Su Chen turned around and said, (Okay)

"Yang Jian, Chenxiang, I'll give you a chance. If you can't split Huashan, I will take action."

"Okay, Chen Xiang and I will take action first."

Yang Jian nodded and agreed.

He was going to ask Chenxiang to split Huashan Mountain with a mountain-chopping ax. With the mountain-chopping axe, Chenxiang would definitely split Huashan Mountain.

Su Chen hugged Bai Yuekui and the Wushan Goddess and disappeared next to Yang Jian.

He wanted to check the surroundings.

Master Yuding will definitely appear. I don't know if the demon brothers will come this time. Su Chen wants to see what kind of immortals Master Yuding will bring with him to stop Yang Jian and the Chenxiang.

On a peak of Lotus Mountain,

Su Chen suddenly appeared here with the two girls in his arms. They all looked at the aisle down the mountain.

Su Chen suddenly found four people appearing on Huashan Mountain.

He checked and was surprised and said,

"I'll go, Sun Wukong? And Li Yunxiang, Kasha and Su Junzhu? Why did these people come to Huashan?"

Chapter 2676

Su Chen looked at the four people who came to Huashan with some doubts,

Sun Wukong?

Is this the real person?

Does Sun Wukong come to take revenge?

Where is Li Yunxiang?

The broken arm was actually restored. What was he doing in the fairy world? Could it be that he and Sun Wukong came together to take revenge?

There are also Kasha and Su Junzhu, two beautiful mortal women who appear in the fairy world. Aren't they worried about being abducted by monsters and used as concubines?

Bai Yuekui looked down the mountain and asked,

"Su Chen, do you know the four people below?"

Su Chen nodded and replied,

"We know each other, one is Sun Wukong, the other is the reincarnation of Nezha, and the other two are women I met in the mortal world."

"ha? Are two mortal women looking for you? They can't be your women, right?"

Su Chen kissed Bai Yuekui and said,

"What nonsense, I just know them, two mortal women, I have no interest in provoking them."

Wushan Goddess asked doubtfully,

"Why did Su Chen, Sun Wukong and Nezha arrive?"

Su Chen touched his chin and guessed,

"I don't know, I destroyed Sun Wukong's clone in the mortal world and wiped out Nezha's soul. I guess they may be coming to take revenge on me."

Wushan Goddess and Bai Yuekui shook their heads speechlessly.

Sun Wukong and Nezha came to seek revenge on Su Chen? Isn't this a meat bun beating a dog?

Boom boom boom!

Suddenly, there was a roar on the stone bridge, and Yang Jian and Agarwood were running away in embarrassment.

More than a dozen immortals appeared around the stone bridge, including Master Huanglong who explained the teachings, Master Lingbao, Manzhu Bodhisattva from Buddhism, Samantabhadra Bodhisattva, Lu Yue, Yu Hua, Ma Sui and others who intercepted the teachings.

"Chenxiang, go find Su Chen quickly, I'll stop them."

Yang Jian pushed Chen Xiang away and wanted him to leave quickly.

On Lotus Peak,

Yang Jian did not expect that so many immortals would appear. Disciples from the three major saint sects all appeared. Do they want to stop him and Chen Xiang from splitting the mountain? Or do they want to kill them? ?

"No, uncle, let's run away together."

Chen Xiang shook his head and refused.

He would not escape alone.

Yang Jian could not open his eyes, nor could he summon his soul. Chen Xiang would not watch his only relative die on Lotus Peak.

Master Huang Long shouted at Yang Jian,

"Yang Jian, Chen Xiang massacred his fellow sect members, and you dared to protect them. You can't escape."

"If you want to kill, kill!"

When Yang Jian saw that Chen Xiang did not run away, he felt moved but also helpless. With more than a dozen disciples of the three religions, he was no match for him.

Su Chen?

Yang Jian could only hope that Su Chen would beg them later.

Boom boom boom...

The disciples of the three religions revealed their souls and attacked Yang Jian and Chen Xiang. They were hiding everywhere with terrifying attacks.

Whoosh!

Sun Wukong suddenly appeared next to Yang Jian and Chen Xiang. He was very surprised when he looked at the people who were surrounding and killing Yang Jian. How could these disciples of Chan Jiao, Jie Jian, and Buddhism besiege and kill Yang Jian? ,

"Yang Jian, what's going on? Why are the disciples of the three religions attacking you one after another?"

"Sun Wukong? Take my nephew and run away."

Yang Jian did not expect that Sun Wukong would arrive. He and Sun Wukong had a good relationship. Sun Wukong's arrival gave him a chance to breathe and escape from Huashan.

Manzhu Bodhisattva shouted to the arriving Sun Wukong,

"Sun Wukong, don't meddle in other people's business. Huashan Mountain is not where you should be. Leave quickly."

Sun Wukong mocked,

"Don't mind your own business? Manzhu Bodhisattva, Yang Jian is my friend, do you think I will leave?"

Master Lingbao waved his hand and shouted. (To read Baoshuang novels, go to Feilu Novel Network!)

"Sun Wukong, if you don't leave, you will die. Come on, let's kill them together."

Boom boom boom.....

The huge souls of the disciples of the three sects around them started to attack again.

The suppressed people in Lotus Peak were crucial. If the suppressed people under Lotus Peak in Huashan came out, their saint sect would be destroyed, and all the saint disciples would be killed. For the sake of their masters and their life and death, the disciples of the three religions will not let Yang Jian and Chenxiang split the mountain. No one can get close to Lotus Peak to check.

"what should we do?"

"There is nothing we can do, these immortals are too powerful, I hope Sun Wukong and Yang Jian can escape."

Not far from Lotus Peak,

Kasha, Su Junzhu, and Li Yunxiang watched the fight on the stone bridge, the huge Yuan Shen attacks, and the terrifying Taoist attacks. They were all frightened as they watched.

0 Flowers requested

"Kasha, Su Junzhu, you hide here, I will help."

Li Yunxiang saw that a child in Chenxiang was also fighting. He wanted to go over and help Sun Wukong. A child has the courage to fight with an immortal. He, a grown man, cannot stand by and watch.

"Li Yunxiang, you are crazy, those are all immortals"

"Li Yunxiang, come back quickly, you are no match for those immortals."

Kasha and Su Junzhu watched in confusion as Li Yunlong rushed over. They did not expect that Li Yunxiang would impulsively seek death. It was a battle between immortals on the stone bridge. Without Nezha Yuanshen, Li Yunxiang was just an ordinary mortal.

Li Yunxiang is To help Sun Wukong and the others? Or let the Sun Wukong and the others distract themselves from protecting him?

"Interestingly, Sun Wukong came to see Yang Jian."

Su Chen shook his head as he looked at the battle below. He thought Sun Wukong and Li Yunxiang were here to take revenge on him.

However, what was Sun Wukong looking for Yang Jian for?

Wushan Goddess asked,

"Su Chen, don't you take action?"

"Take action? Little Fairy, I'm not as strong as you now, how can I take action?"

Su Chen has not yet planned to take action.

Although the immortals like Manzhu Bodhisattva and Huanglong Zhenren are powerful, they have no magic power. They are just scum.

Moreover, Su Chen asked the system and found that the disciples of the Saint Sect are all the corpses of the three corpses. Their The main body is not in the broken fairy world.

One of the three corpses?

What are Hongjun and the five saints going to do to open up a broken fairy world? What are the corpses of the disciples of the saint sect doing in this fairy world?

Luck?

Do the saints want to collect qi? Luck?

This is not right.

In a broken fairy world, the mortal world is just a small world.

The six saints have collected all the luck. This is just a drop in the ocean and is of no use at all.

The goddess of Wushan coldly snorted to Su Chen,

"Huh, you are so shameless, Su Chen, don't think I will believe you. Where is the flower of the other side? If Biganhua takes action, she can block the attacks of more than half of the immortals."

Su Chen hugged the Wushan Goddess and said,

"Little fairy, please wait and see. The real person Jade Cauldron has not appeared yet. I want to see what other immortals will appear."

Chapter 2677

Su Chen looked at the Lotus Peak in Huashan Mountain.

More than a dozen disciples of the three religions surrounded Yang Jian and several others. This had deviated too much from the plot.

His daughter is suppressed in Lotus Peak. Do the disciples of the Saint Sect know Su Yao's identity? Still don't know?

Su Yao was suppressed under Lotus Peak.

Why?

Wushan Goddess and Bai Yuekui looked at each other. They didn't understand what Su Chen had planned, but Su Chen frowned in thought, so they didn't bother Su Chen anymore.

"Bai Yuekui, let's go down below and meet those two mortal women."

"good!"

Wushan Goddess and Bai Yuekui said and quickly left.

They were somewhat interested in Kasha and Su Junzhu. They didn't believe Su Chen's words at all.

A shameless pervert, since Su Chen knew Kasha and Su Junzhu, Bai Yuekui and Wushan Goddess guessed that Su Chen He had thoughts about them.

On the stone bridge,

Sun Wukong had a dark look on his face at the moment.

He did not expect that Li Yunxiang would come. Li Yunxiang was a scumbag. Sun Wukong and Yang Jian were originally going to protect Chenxiang, but this time, there is another scumbag to protect. Scum.

Boom!

Yang Jian was knocked away by Yu Yuan and hit the mountain.

He couldn't open his eyes and couldn't summon his soul. If this continued, they would all be killed.

Yang Jian thought of the lotus lantern and shouted hurriedly,

"Agarwood, use the lotus lamp quickly"

"good!"

Agarwood hurriedly took out the Lotus Lantern and started it, bang bang bang.....

A blue barrier suddenly appeared from the lotus lantern. Yang Jian and Sun Wukong were protected in the barrier by the lotus lantern. The disciples of the Saint Sect continued to attack the blue barrier.

Sun Wukong and Yang Jian hurriedly helped Chenxiang stabilize the defensive barrier.

Li Yunxiang hid behind the three of them in fear.

He was reckless this time.

Li Yunxiang thought that Chenxiang would dare to fight as a child, but he did not think that Chenxiang was also an immortal and had the existence of a soul. He The arrival of Sun Wukong was a drag on the three of them.

Sun Wukong asked seriously,

"This is not the solution, Yang Jian, how did you offend the three religions? Yang

Jian shook his head and explained.

"I have not offended the three saint sects. I just want to split Huashan Mountain to rescue my sister. The disciples of the three sects appear and will kill us if they don't listen to my explanation. I can't understand what I'm thinking now."

"Yang Jian, we have to escape, the lotus lantern won't last long."

"I see!"

Around the stone bridge, the disciples of the three religions continued to bombard the barrier of the lotus lantern.

A garbage replica of the lotus lantern, the disciples of the three religions could shatter it in less than a quarter of an hour.

Boom!

Suddenly, a huge picture appeared instantly After breaking through the defense of the lotus lantern, Sun Wukong and Yang Jian were also sucked into the huge diagram.

In the Tai Chi diagram,

Yang Jian shouted in surprise,

"Tai Chi diagram? Damn it, how could the saint's spiritual treasure catch us? Could it be that the saint took action?"

Sun Wukong looked at the Tai Chi diagram in surprise. The Tai Chi diagram broke through the defense of the lotus lantern in an instant. The four of them didn't even have time to resist, and were captured into the Tai Chi diagram. The disciples of the three religions saw Yang Jian and the four being captured by Tai Chi. Figure caught, they all looked at the Tai Chi figure.

Yang Jian and Sun Wukong were all dead. The secrets on the Lotus Peak of Huashan Mountain would not be revealed to anyone.

"Yang Jian!"

Suddenly, an old man in Taoist robes appeared on the stone bridge. He looked at Yang Jian who was trapped in the Tai Chi diagram and shook his head.

"master? you.....Did you catch us with Tai Chi diagram?"

Yang Jian didn't expect that his master Yuding Zhenren also appeared. (To read Baoshuang novels, go to Feilu Novel Network!)

Tai Chi Diagram?

It turned out that the person who used Tai Chi Diagram was his master Yu Ding Zhenren. Yang Jian couldn't understand. How could Master Ding attack him?

"good!"

"Why? Master, we just came to Lotus Peak to save my sister, why did you stop us? Why do the disciples of the Three Religions want to stop me?"

Master Yuding shook his head and said,

"Yang Jian, Huashan Lotus Peak cannot be split. This is related to all the saints and the fate of all saint sect disciples. If the Lotus Peak is split, the saints and our saint disciples will perish. Do you understand? Yang

Jian asked in surprise,

"How can it be? Isn't it the black bird that was suppressed under Lotus Peak? How could Xuanniao kill the saint and the disciples of the saint sect?"

Master Yuding explained,

"Yang Jian, now that things have happened, I can tell you why. The origin of Xuanniao is not simple. The suppression of Xuanniao under Lotus Peak is nothing to worry about. But we can't afford to offend Xuanniao's father, and neither can the saints."

Yang Jian and Sun Wukong were both very surprised.

Is the origin of Xuanniao not simple?

Does Xuanniao have a father?

Even a saint can't afford to offend Xuanniao's father?

How is this possible?

Saints are all the top strong men in the immortal world. , how could they be afraid of Xuanniao's father?

Yang Jian suddenly thought of Su Chen.

Su Chen was coming to Huashan Lotus Peak to marry his daughter,

Xuanniao?

Su Chen?

Su Chen was the suppressed Xuanniao's father. Is Su Chen stronger than the saint? Even more powerful?

"Xuanniao's father? Are you talking about Su Chen?"

Master Yuding's face changed drastically and he shouted,

"Yang Jian, how do you know the name Su Chen? tell me? Who told you the name Su Chen?"

All the disciples of the three religions around have serious faces. 930,

Su Chen?

They don't even dare to mention this name.

The Emperor of Heaven who truly knows everything about the prehistoric immortal world expelled the saints from the prehistoric immortal world. No one in the entire prehistoric immortal world dares to disobey the Emperor Su." Even the Sage Sect was exempted from Chen's order.

Sun Wukong and Li Yunxiang were stunned,

Su Chen?

Yang Jian actually knew Su Chen?

The black bird suppressed under Lotus Peak was Su Chen's daughter?

Master Yuding and the Three Religions Disciples, why did their faces turn pale when they heard Su Chen's name?

Where did Su Chen come from?

Whoosh,

Su Chen appeared on the stone bridge in an instant. He looked at the disciples of the three religions around him and showed murderous intent.

"This emperor told Yang Jian, Master Yuding, and you, do you, your saint sect, want to be exterminated?"

"Emperor Su Chen....."

When the disciples of the three religions around saw Su Chen's instant appearance, they all retreated in horror.

It's over, the Emperor Su Chen appeared in this broken fairy world, and also came to the Lotus Peak of Huashan Mountain.

The matter of Xuanniao cannot be concealed at all.

The four major saint sects will definitely be exterminated, and all saint disciples will be suppressed and killed.

"You are so presumptuous that you are not rude to me when you see me. Do you want to be suppressed and killed now?".

Chapter 2678

Su Chen saw a look of disdain on his face when he saw the disciples of the three religions retreating one by one, even trying to escape. escape?

Can the disciples of the three religions escape?

Now that he has appeared, not a single disciple of the three religions can survive.

Master Huang Long looked at Su Chen and said,

"Emperor Su Chen, you have no magic power at this moment, how can you kill us?"

After the disciples of the three religions heard what Huanglong said, they all stopped and retreated.

Su Chen had no magic power at the moment. What did they have to worry about?

A heavenly emperor without magic power dared to appear alone in this broken fairy world. Even if they killed Su Chen, no one in the prehistoric immortal world would know that they killed the Heavenly Emperor Su Chen.

Su Chen curled his lips and shouted,

"Drought demon, pinched the real Huanglong to death."

Whoosh!

A woman in red instantly appeared next to Master Huanglong. She stretched out her white hands and pinched Master Huanglong's neck.

Click!

Boom!

Hanba crushed Master Huanglong to death in an instant, and even his body was destroyed. gray  
gray

"Buddhism, Manzhu Bodhisattva (Samantabhadra), see His Majesty the Emperor of Heaven!"

"Jie Jiao, Lu Yue (Ma Sui, Yu Hua..367..), see His Majesty the Emperor of Heaven!"

"Explain the teaching, Master Yuding (Master Lingbao), see His Majesty the Emperor of Heaven!"

All the disciples of the three religions were scared. They hurriedly saluted Su Chen one by one. A quasi-sage?

And a quasi-sage with real magic power. Together, they are not enough to kill this quasi-sage.

Some of them People are good corpses of quasi-sages, but after thousands of years, their magic power has been almost exhausted, and they cannot exert one percent of their strength. The disciples of the three religions cannot be an opponent of the quasi-sage with magic power.

In the Tai Chi diagram,

Yang Jian and Sun Wukong The four of them were stunned.

The disciples of the three religions all saluted Su Chen.

Su Chen, the Emperor of Heaven?

They heard someone call Su Chen the Emperor of Heaven again.

Emperor of Heaven?

Is Su Chen really the Emperor of Heaven in heaven?

Chenxiang asked Yang Jian,

"Uncle, is Su Chen really the Emperor of Heaven? Yang

Jian shook his head and replied,

"I don't know, I have never heard of the Emperor Su Chen in Heaven."

Sun Wukong said doubtfully,

"Yang Jian, I, Sun, have never heard of it, Emperor Su Chen? Could he be the Jade Emperor's clone? Yang

Jian rubbed his forehead and replied, "No, the Jade Emperor is a waste. He has a clone, but the disciples of the Sage Sect will not pay attention to him."

Beside Lotus Peak,

Wushan Goddess and Bai Yuekui came over with Kasha and Su Junzhu.

Now that Su Chen has appeared, the disciples of the three religions will be in trouble.

They are not worried that they will be killed by the disciples of the three religions. A quasi-sage, He is also a quasi-sage with magical power. The disciples of the three religions cannot be his opponents. They can't escape even if they want to.

"Su Chen, have they all been killed?"

"Wait, let me rescue my daughter first."

Su Chen shook his head at Han Bao. He also wanted to know more about the Broken Immortal Realm. There is no need to rush to kill the disciples of the three religions.

Su Chen took out the real lotus lantern and said,

"The lotus lantern split Huashan and rescued my daughter."

Whoosh!

The lotus lantern instantly appeared on the Lotus Peak, and a golden light shot from the lotus lantern to the Lotus Peak.

Boom! There was a loud noise, and the Lotus Peak was split into two, chirp, chirp, chirp.....

A bird song came from under the Lotus Peak, boom, a beautiful golden bird flew out quickly,

I'm going, (to read Baoshuang novels, go to Feilu Novel Network!)

Isn't it possible that Su Yao hasn't transformed yet? Bar?

This incident made

Su Chen think that if he took Su Yao back to Merlot Heaven, when the three Su Yan sisters saw Su Yao, would the three sisters regard Su Yao as their younger sister? Or as a mount?

Choo Choo Choo!

After the black bird chirped and flew in the air for a while, she felt Su Chen's presence. The black bird immediately became smaller and flew towards Su Chen.

Whoosh!

The black bird quickly landed on Su Chen's shoulder, and her head rubbed against Su Chen's face.

Su Chen touched Su Yao's head and said,

"Su Yao, I didn't expect that you haven't transformed yet. It seems that you were suppressed and suffered under the Lotus Peak."

"Choo Choo Choo!"

"Haha, dad will take revenge on you." Su Chen saw Xuanniao's frustrated look, and a smile appeared on his face.

"Hanbao, kill everyone, search the memory of Master Yuding"

"good!"

Han Bao nodded to Su Chen.

She understood.

Su Chen's daughter was actually being suppressed under the Lotus Peak. These disciples of the saint simply didn't know how to live or die. These people will all die. In the prehistoric fairyland, their bodies will also die.

"Run away!"

Swish swish swish"....

After the disciples of the three religions heard what Su Chen said, they all turned pale and fled quickly. The disciples of the three religions knew that they could not escape, but if they stayed, they would be dead. There was still a chance of survival if they escaped.

"Want to escape? Did you escape?"

Hanba disappeared in an instant, and within three breaths

, she could crush the disciples of the three religions to death.

"Su Yao!"

Wushan Goddess quickly ran over and shouted,"

It's been more than five thousand years.

Wushan Goddess and Su Yao have been separated for more than five thousand years. They finally meet again today."

"Choo Choo Choo!"

Su Yao instantly appeared on the shoulders of Wushan Goddess, and she called to Wushan Goddess affectionately.

Wushan Goddess hugged Su Yao and said with a smile,

"Hahaha...., Su Yao, I thought you would forget me if you met your father."

Su Chen checked Su Yao's situation and found that Su Yao's accompanying spirit treasure was gone.

Su Chen frowned and asked,

"Wanluo, where is your and Su Yao's spiritual treasure?"

The goddess of Wushan said helplessly,

"We were robbed. We were caught when we came to this world. I blew up my spiritual treasure and escaped. Su Yao's spiritual treasure should have been taken away by those saint disciples."

"Wanluo, you use the best innate spiritual treasure lotus lantern first, and I will find you some other spiritual treasures later."

"Lotus lantern, this should be the real Lotus lantern, right?"

"Yes, this is the spiritual treasure of Yang Chan, the Third Holy Mother."

Su Chen handed the lotus lantern to the Wushan Goddess.

As for Su Yao's Lingbao,

Su Chen had better wait for Su Yao to transform. If a bird uses the Lingbao, he would find it funny just thinking about it.

Bang!

The Wushan Goddess used it. The Lotus Lantern instantly broke the Tai Chi Tu.

The fake Tai Chi Tu was a low-grade innate spiritual treasure. The Tai Chi Tu couldn't even withstand the blow of the Lotus Lantern.

"mother! mother...."

When Chenxiang came out of the Tai Chi diagram, he shouted and ran towards the split lotus peak.

Yang Jian also hurriedly followed, while Sun Wukong and Li Yunxiang looked at Su Chen from the side.

At this time,

Bai Yuekui, Kasha, and Su Junzhu also came to Su Chen. They were very surprised when they looked at the black bird. A beautiful and noble bird. This was actually Su Chen's daughter.

Kasha asked Su Chen in confusion. ,

"Su Chen, is this bird your daughter?".

Chapter 2679

Su Chen looked serious at this moment.

The Third Holy Mother Yang Chan was transformed into a ray of soul from the real Yang Chan, but she dared to marry a mortal privately.

This is a taboo against the main body.

All immortal corpses and clones in the prehistoric immortal world do not do this, nor do they dare to go against the wishes of the main body.

The Third Holy Mother Yang Chan hurriedly knelt down and replied,

"Emperor of Heaven, I did not marry a mortal privately. Agarwood is not my biological son. He is the child of a flower fairy and a mortal. The flower fairy and the mortal were besieged and killed by some little demons. I was passing by and accidentally saved Chenxiang."

Damn it, a big twist in the plot?

Damn it, this shit fairy world is so chaotic.

After a long time,

Chen Xiang turned out to be a wild child? He is not the child of Yang Chan and that Yang Tianyou.

This is really bloody.

Su Chen rubbed his forehead and was speechless.

As a result, he took out some heavenly merits and injected them into the body of Yang Chan, the Third Holy Mother. Since Yang Chan, the Third Holy Mother, did not marry a mortal, Su Chen would not let her dissipate and disappear.

"Thank you, God!"

Yang Chan didn't expect that Su Chen would give her the merits of heaven.

The merits of heaven are much more powerful than the magic power. After she absorbed the merits of heaven, Yang Chan would not only be able to recover her body, but she would also have magic power.

If the merits of heaven were enough,

Yang Chan would It can also improve the realm of cultivation.

At this moment,

Chen Xiang was stunned.

The Third Holy Mother Yang Chan was not his biological mother? He was actually the child of a flower fairy and a mortal?

Yang Jian was also a little dizzy.

What his sister said when talking to Su Chen , he felt dizzy when he heard, why Yang Jian is not the Yang Jian that Yang Chan knows? His sister is actually a ray of soul of the original Yang Chan? How can Chenxiang not be Yang Chan's son?

Sun Wukong and Kasha They were confused when they heard this, but they all understood that Yang Chan, the Third Holy Mother, was not Chenxiang's mother. Chenxiang was actually the child of a flower fairy and a mortal.

Su Chen looked at Yang Chan absorbing the merits of heaven, and he nodded to the Wushan Goddess Instantly disappeared under the Lotus Peak, and the Drought Demon appeared on the mountain peak.

Su Chen wanted to know about the Broken Immortal World.

"Yang Jian, I didn't expect that we were connected by the same fate.."

Sun Wukong patted Yang Yangjian on the shoulder.

He figured it out.

Su Chen said that Yang Jian was not the Yang Jian that Yang Chan, the Third Holy Mother, knew, which meant that Yang Jian should be a copy like him.

Yang Jian looked at Sun Wukong in confusion. He couldn't understand what Sun Wukong meant? What is connected with fate? Sun Wukong also has a nephew who is not his biological nephew?

Wushan Goddess and Bai Yuekui both shook their heads.

It was too confusing.

Sun Wukong was a copy, and

Yang Jian should also be a copy.

Yang Chan turned out to be a ray of soul from Yang Chan in the ancient world, and Chen Xiang's parents turned out to be Hua Hua. An immortal and a mortal, these messy things made them both a little confused.

【Trialist, your trial mission is completed, and you can stay in this world for three days.】

When Bai Yuokui heard the message from Qi Yun Tian Dao, she patted her forehead and was very speechless. Bai Yuokui had forgotten the trial task a long time ago. This trial task was too simple, and she completed it in a daze.

At this time,

Su Chen was speechless while holding Hanba.

The ruined fairy world turned out to be Hongjun's Zixiao Palace. The saints originally wanted to open up a big world to gain luck, but a small world was useless to them. Jade Cauldron The real person was arranged by the saints to manage this broken fairy world. (To read Baoshuang novels, go to Feilu Novel Network!)

Hongjun's Zixiao Palace is not bad.

The immortals who died during the Conferred God Period have all been resurrected, and some immortals with low strength have been resurrected. Wushan Goddess and Su Yao were also involved. The Wushan Goddess and Su Yao were also among the unlucky ones.

Master Yuding discovered Su Yao. He was worried that Su Yao's existence would be discovered by other immortals. Master Yuding had to suppress Su Yao to avoid being discovered. Other immortals discovered Su Yao's existence.

If other immortals in the fairy world discover Su Yao's existence, all the immortals in the fairy world may escape from the fairy world.

Su Chen touched Hanba's hair and asked, "Hanba, do you think it is necessary for this broken fairy world to exist?"

"Su Chen, existence is reasonable!"

Hanba leaned into Su Chen's arms and said with a smile.

She understood what Su Chen was thinking.

The broken fairy world was too chaotic and useless. Su Chen wanted to destroy the broken fairy world.

"Is existence reasonable? Yes, no matter what exists, there is a reason for its existence."

Su Chen suddenly realized after hearing Han Ba's words.

Han Ba's words are right. Although existence is reasonable, his ideas are a bit narrow.

Although the broken fairy world is of no use to him, Su Chen does not need to destroy this fairy world. After all, the broken fairy world is connected to a world. Since the small world and the fairy world exist, it is necessary to exist.

Hanba grabbed Su Chen's groping hand, and she asked with a blush,

" ` .Su Chen, how do you plan to treat the disciples of the Sage Sect?"

Su Chen replied coldly,

"kill! All disciples of the saint sect who participated in the suppression of Su Yao will be executed. I will inform Nuwa to deal with those disciples of the saint."

"Well, with the help of Empress Nuwa, the disciples of the saint sect in the prehistoric fairy world can't escape. Su Chen, what about this broken fairy world? Do you want to receive it?"

"It belongs to Xuantian Realm. After all, there is a small world in the broken fairy world."

Su Chen thought for a while and felt that taking this world, a broken fairy world, plus a small world, is just a snack for Xuantian Realm. It is tasteless and it is a pity to abandon it.

Su Chen kissed Hanba Seductively The little mouth asked,

"Hanba, are you really not going to climb the ladder to heaven?"

Han Bao shook his head and said helplessly,

"Forget it, I have just been promoted to quasi-sage not long ago. The ladder is too scary. All your women will be wiped out. I don't want to be embarrassed by climbing the ladder."

"Forget it, Hanba, the ladder to heaven belongs to our family (winner's) anyway, you can climb it whenever you want."

Hanba doesn't climb the ladder to heaven, and Su Chen doesn't say anything else.

However,

Su Chen doesn't understand.

Bing Ji and Xue Ji don't climb the ladder to heaven. Climbing the ladder can improve the realm of cultivation and obtain spiritual treasures. Su Chen doesn't understand. Why don't they climb the ladder to heaven?

Hanbao smiled and said,

"Haha, that's a good point."

Su Chen rubbed his forehead and said speechlessly,

"Hanba, we will leave in a few days, and I will continue to climb the ladder to heaven. Damn, I get a headache just thinking about climbing the ladder to heaven."

Han Hanba leaned into Su Chen's arms and smiled.

She couldn't help Su Chen.

Climbing the ladder to heaven,

Han Hanba might not even be able to climb the three thousand floors.

"Hanbao, the scenery in Huashan Mountain is pretty good. Let's go enjoy the scenery and do some fun things."

"Su Chen, you are a shameless pervert"
