

Zongwu 2691

Chapter 2691

Su Chen's face turned dark.

No wonder there was only one Bing Ji and Xue Ji on the 7700th floor. It turned out that Bing Ji and Xue Ji had consciousness.

How could this happen?

Bing Ji and Xue Ji, who were in the tenth level of the Holy Realm, still had their minds and consciousness. It was impossible for him and the Archangel to defeat them.

Bing Ji asked with a cold face,

"Husband, why do you look so ugly? Do you dislike us sisters? Or are you tired of playing with us?"

Su Chen shouted with a dark face,

"Stop talking nonsense, Bing Ji, Xue Ji, if you still think that I am your husband, disappear immediately and let us continue climbing."

Xue Ji looked at the archangel~ and laughed,

"Oh, husband, you have hooked up with your spiritual treasure. Can your small body subdue an archangel?"

"Damn it, Xue Ji-, you're finished."

Su Chen looked at Xue Ji in confusion.

Who the hell is he?

The Xue Ji transformed from the ladder is too evil.

Small body?

Can't be subdued?

Su Chen has already subdued the archangel.

Bah!

Damn, what are you thinking about now? When?

How will Bing Ji and Xue Ji fight?How about them?

Two thinking Bing Ji and Xue Ji are much more difficult than dealing with a dozen Bing Ji and Xue Ji.

"Hahaha....., kill the heartless man"

"kill!"

"Chaos clock!"

Boom, boom, clang, clang!

The Archangel hurriedly launched a law attack,"Time goes backwards, space solidifies, and space-time storm!"

Whoosh, after Bingji and Xueji instantly evaded the archangel's law attack,

Bingji laughed disdainfully,

"Haha, do you still think we are puppets? Do you still think we don't know how to dodge attacks? Husband, you and the archangel are going to be a pair of mandarin ducks with the same fate here."

"I guess you are really in big trouble."

Su Chen saw Bing Ji and Xue Ji dodge the attack instantly, and he became anxious.

The thinking Bing Ji and Xue Ji were too difficult to deal with. Su Chen and the Archangel launched law attacks at the same time, and the tenth level of the holy realm Bing Ji and Xue Ji can also easily avoid it.

On the eight thousandth floor of the ladder, the girl on the ladder looked at Su Chen's battle with a pale face. A transformed puppet with thinking consciousness? It's over. It's impossible for Su Chen and the Archangel to fight. An illusionary puppet of thinking consciousness.

The ladder to heaven is so perverted, no wonder no one has ever climbed to the 10,000th floor of the ladder to heaven. Is the ladder to heaven meant to kill Su Chen?

"Alas, it's all in vain in the end, little bastard, you tried your best, I won't blame you."

Under the ladder to heaven,

Nuwa and the other girls are all paying attention to Su Chen and the Archangel.

There are already seven thousand seven hundred floors, and there are still three hundred floors left. Su Chen can climb to eight thousand floors. They are all looking forward to Su Chen climbing.
Climb eight thousand floors

"Why do I think something is wrong? Why do Su Chen and Archangel look like they are on defense?"

"It's defense. It seems that the trial on the 7700th floor is even more difficult."

"Sister Nuwa, my husband was able to continue climbing when he was injured before. Why did he become defensive this time? Moreover, after the Archangel attacked several times, the Archangel also defended himself."

"We can only see Su Chen and Archangel. We have no way of knowing what trials Su Chen and Archangel face."

"I hope my husband can continue climbing"

"Yes, there are still three hundred floors. I hope my husband can climb to the eight thousand floors."

After the conversation, Nuwa and the other ladies continued to look at Su Chen. They had no way of knowing what kind of trials were on the 7700th floor, and what kind of trial enemies Su Chen and the Archangel encountered.

"Ruthless man, look, your brother has climbed to the seven thousandth floor."

At this time, the ruthless empress, Liu Shen, and the Queen Mother of the West came to the ladder again. Liu Shen was very shocked when he saw Su Chen on the ladder.

Seven thousand floors?

It's incredible. (To read Baoshuang novels, go up Feilu Novel Network!)

The Ruthless Empress and the Queen Mother were also very surprised. They did not expect that Su Chen would climb to the seven thousandth floor, and was about to climb the eight thousand floor of the ladder.

"Nanny, you are here."

Cailin waved to the three ruthless empresses.

She did not expect that the ruthless empresses and the other three people would come back to the ladder again. Did she want to see how many levels Su Chen had climbed? The ruthless empress saluted to Nuwa and the others. , "Nanny has met several sisters-in-law. Liu

Shen and Queen Mother Xi also nodded to Cai Lin and the girls.

Cai Lin smiled and waved her hand and said,

"No need to be polite, Nannan, you want to see how many floors your brother climbed. Are you shocked when you see it now?"

0 Please give me flowers.

The ruthless empress nodded and said,

"Yes, I was shocked. I didn't expect that my brother had climbed to the 7,000th floor, and was about to climb to the 8,000th floor."

When Elena saw the ruthless empress arriving, she hurried over and shouted,

"Aunt, aunt, look, my father also has a daughter, this is Xiaosi, Su Yao."

The ruthless empress was stunned when she heard Elena's words.

Her brother also has a daughter?

Xiaosi Su Yao?

Su Yao jumped up and ran over and saluted the ruthless empress,

"Su Yao has met her aunt!"

"Yao'er, you don't need to be polite."

The ruthless empress looked at three-year-old Su Yao.

She was a very cute little girl with Xuannian bloodline and a Xuanxian realm. The ruthless empress did not expect that her brother really had another daughter. The

Queen Mother of the West did not care. The ruthless empress and several little girls looked at Su Chen in a daze on the ladder to heaven.

The Queen Mother of the West thought that Su Chen could not climb the four thousand floors in the sky, but she did not expect that Su Chen actually climbed to more than seven thousand floors, and We are about to climb the 8,000th floor of the ladder.

Damn it, how can a shameless pervert be so powerful?

All the strong men in the Holy Realm have quit climbing, and Su Chen is climbing higher and higher. There is no way that shameless pervert can climb up. Ten thousand floors, right?

On the seven thousand seven hundred floors,

Su Chen and Archangel have been defending. Their attacks are useless against Bing Ji and Xue Ji.

Bing Ji and Xue Ji in the tenth level of the Holy Realm are too fast.

Su Chen As soon as Chen and Archangel's law attacks broke out, Bing Ji and Xue Ji dodged instantly.

While Xue Ji attacked Su Chen with ice laws, she teased Su Chen,

"Haha, husband, if you keep defending, it will consume too much of your mana, and the Chaos Spiritual Treasure will not be able to hold on for long. Let me see how long you, a heartless man, can hold on."

Su Chen suddenly thought of a way to deal with Bing Ji and Xue Ji, mana?

If Bing Ji and Xue Ji don't have mana, wouldn't Su Chen be able to slaughter them at will?

Su Chen took out the Magic Tower of Desire and shouted,

"Demonic Tower of Desire, collect it from me!"

"ah! What's this? Bing Ji, come and help me. You want the light of the little soul treasure. I am illuminated by the light.....Ah come in!"

Chapter 2692

After Xue Ji was enveloped by the Demonic Tower of Desire, before she had time to remind Bingji, Xueji was taken in by the Demonic Tower of Desire.

Bing Ji shouted with an indifferent expression,

"Husband, you actually have such a rare treasure. It seems we have underestimated you."

Su Chen held the Demon Tower of Desire and said with a smile,

"Bing Ji, don't worry, I'll let you taste the Demonic Tower of Desire in a while."

"court death"

"Demon of Desire.....I gather together, Archangel, hurry up and restrain Bing Ji."

Su Chen was about to use the Demonic Tower of Desire to capture Bingji, but he didn't expect Bingji to be on guard. Bingji instantly knocked away the Demonic Tower of Desire.

The level of the Demonic Tower of Desire is too low, and it only has half a step of innate treasures. The Demonic Tower of Desire, Xue Ji did not pay attention to being taken in by the Demonic Tower of Desire. With Xueji on guard, the Demonic Tower of Desire could not get close to Xueji at all. It seems that the level of the Demonic Tower of Desire is going to be raised,

Su Chen If the Demonic Tower of Desire is upgraded to a Chaos Spiritual Treasure, the Demonic Tower of Desire may be fatal to all women.

"Time goes backwards, space freezes, time and space are strangled!"

"The flames of fire, the solidification of space, the blade of time and space!"

"Desire Demon 01 Tower!"

Su Chen and Archangel attacked Bing Ji one after another.

They used the Law of Chaos to force Bing Ji in the middle. Su Chen instantly enveloped Bing Ji with the Demonic Tower of Desire.

"Husband, let me go quickly, don't take me back....."

After a while,

Bing Ji was also taken into the Demonic Tower of Desire.

"Finally got it done."

Su Chen wiped the sweat from his head.

Fortunately, he thought of the Demonic Tower of Desire. The Demonic Tower of Desire is really the nemesis of women. If the 7,700th floor was transformed into a male holy realm, Su Chen would not have it. There's a way.

I'll go, where are the people?

Damn it, the transformed Bing Ji and Xue Ji, they won't be taken in by the Demonic Tower of Desire and disappear, right?

Damn it,

Su Chen still wants to concoct the transformed Bing Ji and Xue Ji. Xue Ji, it seems impossible to teach them a lesson.

Su Chen touched his chin and said,

"There is also a Hongmeng Amethyst, which can be upgraded to the Demonic Tower of Desire before climbing. If the Demonic Tower of Desire is upgraded to the Chaos Spiritual Treasure, his and the Archangel's future climbs will be much smoother."

Su Chen took out the Hongmeng Amethyst and started to upgrade the Demonic Tower of Desire.

Damn, it is a spiritual treasure that is specially designed to deal with women.

Su Chen used the extremely precious Hongmeng Amethyst to upgrade the Demonic Tower of Desire.

This is really a waste of natural resources.

On the eight thousandth floor, the girl on the ladder to heaven She looked at Su Chen with a dark face,

"Demon Tower of Desire?"

She almost forgot that Su Chen had a disgusting spirit treasure, a spirit treasure that specifically dealt with women.

Damn that little bastard, this time he accidentally solved the crisis.

Using Hongmeng Amethyst to upgrade the Demonic Tower of Desire? It was a waste of precious Hongmeng Amethyst.

However, the seven thousand layers could not stop Su Chen from continuing to climb.

An evil spiritual treasure specially used to deal with women, the transformed Bing Ji and Xue Ji was unlucky.

One day later, the Demonic Tower of Desire was successfully promoted to the Chaos Spiritual Treasure. Su Chen and the Archangel started to continue climbing the ladder.

At this moment, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen had a look on his face. Ya Yi, he sat on the shoulders of the archangel and climbed up one level. The Demon Tower of Desire instantly took in the arrogant Bing Ji and Xue Ji.

On the 7763rd floor,

Brother Desire Demon Tower just took in Bing Ji and Xue Ji. Xue Ji, Su Chen kissed the archangel and said with a smile,

"Archangel, are we traveling on a ladder to heaven?"

The archangel blushed and said with embarrassment, "Master, this spiritual treasure of yours is really....It is really....."

Su Chen hugged the archangel's white neck and said,

"It's really disgusting. It's a spiritual treasure that is specially designed to deal with women. The captured woman was stripped naked and her magic power was sealed. It's impossible to commit suicide. I think about it, and I think the Demonic Tower of Desire is a bit disgusting, but I like it very much."

Su Chen was in a very happy mood.

Bing Ji and Xue Ji from the tenth level of the Holy Realm couldn't resist the Demonic Tower of Desire for even one breath. The Demonic Tower of Desire at the Chaos Spiritual Treasure level was too powerful to deal with women.

Under the ladder to heaven,

Empress Nuwa and the ruthless Empress were all stunned at this moment.

Su Chen had spent several days on the 7700th floor, and neither he nor the Archangel had climbed to the 7700th floor.

At this moment , What?

Su Chen actually sat on the shoulders of the archangel and climbed level by level. What about the difficulty of the trial?

Is there no trial difficulty above the 7,700th level?

Is this possible?

The ruthless empress suddenly said to Empress Nuwa, "Sister-in-law Nuwa, I know the reason."

"Girl, I also know the reason."

Empress Nuwa smiled and nodded.

She understood, the Demonic Tower of Desire?

Su Chen's Demonic Tower of Desire kept appearing.

Empress Nuwa guessed that Su Chen used the Demonic Tower of Desire, and that bastard used the Demonic Tower of Desire to imprison the trial. A transformed woman.

The Demonic Tower of Desire is the nemesis of dealing with women. The trials and tests on the 7,700th floor were for women. If Su Chen had the Demonic Tower of Desire for dealing with women, he would be able to climb up without any hindrance.

Yan Lingji was curious. asked,

"Sister Nuwa, what's the reason?"

The little fox and the Western Queen Mother also looked at Nuwa and Ruenren curiously.

Su Chen's rapid climb was very abnormal. There can be no difficulty on the ladder, and a thousand levels of difficulty are more powerful than a thousand levels. Su Chen Why can you climb the ladder quickly?

Empress Nuwa explained with a smile,

"There is a disgusting spiritual treasure in Su Chen's hand, a spiritual treasure specially designed to deal with women, called the Demonic Tower of Desire."

"Yinji, Hanshuang, Leng Yue and other women were all imprisoned by the Demonic Tower of Desire in the Seven Holy Realms. Women imprisoned by the Demonic Tower of Desire would not be able to wear a shirt or skirt, and would have no magic power. It would be impossible for them to self-destruct even if they wanted to."

When Yan Lingji and Xihuang Mu heard what Nuwa said, they were all dumbfounded. The

Demonic Tower of Desire?

A spiritual treasure that specializes in dealing with women?

And after being imprisoned in the Demonic Tower of Desire, women will not be able to put on their clothes. Skirt? No magic power? Can't self-destruct to commit suicide? How could there be such a disgusting spiritual treasure in the chaotic world?

Empress Nuwa smiled and explained,

"Don't misunderstand Su Chen, the Demonic Tower of Desire is the magic weapon of the Demonic God of Desire. After Su Chen destroyed the Demonic God of Desire, the Demonic Tower of Desire became Su Chen's trophy. The little bastard did not use the Demonic Tower of Desire against other women, except for the enemy, of course.. Yan

Lingji touched her chin and said,

"Sisters Yinji and Hanshuang were a bit pitiful in the past, and Su Chen was so hateful. Hu

Ji laughed at Yan Lingji,

"Che, Yan Lingji, Yin Ji and several sisters, they were enemies before, so it was natural for the little bastard to deal with them."

The little fox suddenly shouted,

"Look, Su Chen is about to climb to the 7,800th floor. It's so fast. The Demonic Tower of Desire is so disgusting. It won't take long for Su Chen to climb to the 8,000th floor."

Chapter 2693

Kesha and Liu Shen looked at the ladder one after another.

On the 7800th floor, in just a few breaths,

Su Chen and the Archangel climbed to the 7806th floor. It was too fast.

The ladder had no impact on Su Chen. Trials are the same as nothing.

Nuwa and his wife shook their heads speechlessly.

Su Chen would have no problem climbing to the eight thousandth floor.

After the eight thousandth floor, what kind of difficulty would Su Chen face? They wanted to know if Su Chen could pass the eight thousand floors of the ladder.

"Sister, daddy is so awesome!"

"Well, Xiaosi, dad is very powerful."

"Sister, did you hear the Magic Tower of Desire that your aunts were talking about just now? Dad actually has a disgusting spiritual treasure in his hand"

"Third sister, the Demonic Tower of Desire is daddy's trophy. However, the Demonic Tower of Desire is very disgusting."

"Sister, do you think there are still women imprisoned in Dad's Demonic Tower of Desire?"

"Second sister, how do I know, Yue'er, why don't you steal Dad's Demonic Tower of Desire from now on and let us four sisters check it out?"

"No, I don't dare!"

The four sisters Su Yan secretlyAfter talking for a while, they realized that they had no fun in the ladder, but in order to wait for Su Chen to finish climbing the ladder, the four Su Yan sisters would not leave the ladder.

On the ladder to heaven,

Su Chen almost climbed to the 7886399th level. On the last 100th level of the 7000th level, Bing Ji and Xue Ji would reach the second level of the Saint Realm.

The holy realm on the ladder may have been weakened, but the twelfth level of the holy realm has been weakened again. The last hundred levels of the seven thousand levels, the realm of Bing Ji and Xue Ji, they should also be equivalent to the saints in the chaotic world. The realm of the tenth heaven. boom!

On the 7900th floor,

Bing Ji and Xue Ji from the twelfth level of the Holy Realm appeared. They looked at Su Chen coldly and took action quickly without any unnecessary nonsense or ridicule to Su Chen.

"The Magic Tower of Desire!"

"Ah ah ah, let us go quickly, you heartless man, we will definitely kill you."

"You heartless man, you must die a good death, ah ah ah!"

After Bing Ji and Xue Ji were enveloped by the Demonic Tower of Desire, they struggled hard.

Su Chen looked at Bing Ji and Xue Ji in surprise and shouted,

"Let me go, the twelfth level of the Holy Realm is indeed not simple. It has been almost a quarter of an hour, and Bing Ji and Xue Ji can still resist the Demon Tower of Desire."

The archangel said with a serious face,

"Master, the Holy Realm on the ladder has been weakened. Bing Ji and Xue Ji are at the 20th Heaven Realm, but they cannot display the strength of the 12th Heavenly Realm."

Su Chen nodded and said,

"Well, I can see that the strength of the Holy Realm on each level of the Seven Thousand Layers has been weakened. If the transformed Bing Ji and Xue Ji have real Holy Realm strength, it will not be so easy for us to climb the ladder, and it may even be possible to climb the ladder. Failed on the way up."

Boom!

The Demonic Tower of Desire put away Bing Ji and Xue Ji. The first floor took almost half an hour, which was quite a long time. Su Chen frowned and thought about how to climb to the 8,000th floor as quickly as possible.

Su Chen and Archangel were on the first floor. It took them about half an hour to climb each level. Although this was fast enough, Su Chen still wanted to speed up.

Su Chen rubbed his forehead and whispered,

"Damn it, I can't think of a way, it seems I can only slowly spend time destroying Bing Ji and Xue Ji."

Three days later, on the 7999th floor,

Su Chen saw that the Demonic Tower of Desire was collecting Bing Ji and Xue Ji. He looked at the 8,000th floor and smiled.

It was already the 8,000th floor, and there were still the last two thousand floors.

What kind of difficult trials will there be on the 8,000th floor? What kind of difficulty will there be on the 9,000th floor?

"Ladder girl, here I come."

After Su Chen accepted Bing Ji and Xue Ji in the Demonic Tower of Desire, he stepped onto the eight thousand floor. Su Chen looked at the girl waiting for him and hugged him quickly.

The girl on the ladder leaned in Su Chen's arms and laughed, (To read exciting novels, go to Feilu Novel Network!)

"Little bastard, your spirit treasure is really disgusting."

Su Chen stroked the small waist of the Tianti girl and said,

"Girl, if I didn't have the Magic Tower of Desire, do you think I would be able to climb (abce) to the eight thousand floors?"

"snort!"

The girl on the ladder rolled her eyes at Su Chen.

She didn't laugh at Su Chen anymore.

Su Chen was right.

If the little bastard didn't have the disgusting Demonic Tower of Desire, he wouldn't be able to climb the eight thousand floors.

"Su Chen, there is a trial on the 8,000-layer. After the trial, you will be rewarded based on the results.

Su Chen asked doubtfully, "A trial?" Do you still want to give rewards based on the results?"

The ladder girl nodded and explained,

"Yes, Su Chen. Also, you have to spin a carousel, and there will be the result of you sealing your strength in the carousel."

"If I go, I still need to seal my strength?"

Su Chen looked at the Tianti girl in confusion.

Is this still his woman?

Is there any wife who cheats her husband like this?

The Tianti girl rolled her eyes at Su Chen and said,

"What do you think? Your strength can defeat even the saints from the second heaven. If you use the Chaos Spiritual Treasure and Archangel, the saints from the tenth heaven will not be able to do anything to you. If you don't seal your strength, in the event of a trial in the world. It's a small world, can't you pass the trial instantly?"

"Girl, is the trial world also random?"

"good!"

"Alas, this happened."

Su Chen touched the face of the girl on the ladder and felt very helpless.

He guessed that the test was not something that the girl on the ladder could control, and it was impossible for the girl on the ladder to make it more difficult for him. This must be the test requirement of the ladder.

Su Chen rubbed his forehead and said, "Girl, turn on the turntable, I'll turn the turntable first"

"Can!"

Whoosh!

A big golden turntable appeared in front of Su Chen. There were six grids.

One, seal all the laws of chaos.

Two, seal all the spiritual treasures.

Three, seal half of the cultivation realm.

Four, seal two-thirds. The realm of cultivation, five, seals all realms of cultivation, spiritual treasures, and laws of chaos, and six, seals all spiritual treasures and laws of chaos.

But, why does the fifth grid occupy two-thirds of the area?

Damn it, the ladder to heaven Isn't this obviously trying to make things difficult for him? Seal all his strength and spiritual treasures, as well as the Law of Chaos? How can Su Chen pass the trial quickly and perfectly?

Su Chen asked the girl on the ladder in confusion,

"Let me go, little girl, seal all the cultivation realms, spiritual treasures, and the laws of chaos. Why do they occupy two-thirds of the area? Is the ladder trying to cause trouble?"

The Tiandai girl leaned in Su Chen's arms and smiled,

"Haha, the test of the ladder is always surprising. The test of the ladder is not something I can control."

"Got it, girl, turn that dial on!"

"good!".

Chapter 2694

Su Chen looked at the turntable and it didn't matter.

The fifth grid occupied two-thirds of the area.

There was a 90% chance that he would be transferred to the fifth grid. The cultivation realm, spiritual treasures, and the law of chaos would all be destroyed. With the seal of the ladder to heaven, Su Chen could only hope that he was not going to a powerful world.

The turntable started spinning.

Ding!

After a while, the turntable stopped.

Su Chen shook his head when he saw the area he was pointing to. What he really wanted was to seal all cultivation realms, spiritual treasures and the laws of chaos.

The girl on the ladder leaned in Su Chen's arms and said,

"Su Chen, your luck is not good."

Su Chen rubbed his forehead and said silently, "The turntable is disgusting to me. It's no wonder that I have good luck."

The girl on the ladder kissed Su Chen and said with a smile,

"Haha, don't be angry. Since the ladder has sealed all your abilities and spiritual treasures, your trial world "Nine Seven Three" will not be too powerful."

"Not too powerful? If I go to the trial, I will become an ordinary human being. It will be a mortal world. What can I do?"

"Su Chen, aren't you very good at dealing with women? You can find a strong woman to help you complete the trial mission. Su

Chen exclaimed in surprise, "I'll go and you actually ask me to be a pretty boy?"

"You can also go find a man!"

The girl on the ladder rolled her eyes at Su Chen and said,

"Being a pretty boy?"

Aren't the little bastards always being a pretty boy?

"Nuwa, the Queen Mother, and the powerful women like Yin Ji, didn't they always protect Su Chen before?"

Su Chen She was very successful as a pretty girl.

Even she was able to defeat this bastard. Wouldn't the Ladder Girl also have to protect this bastard in the future?

"I....."

Su Chen's face was so dark that he didn't want to talk to the girl on the ladder.

She was looking for a man?

Damn it, even if he died, he wouldn't be able to find any man.

A pretty boy would be a pretty boy.

For the purpose of the trial mission,

Su Chen thought it would be good to be a pretty boy. However, when looking for a woman, he also had to find some very beautiful beauties.

Su Chen stroked the face of the girl on the ladder and said,

"Girl, start the teleportation. I want to complete the trial mission quickly and then continue to climb the ladder."

"good!"

The girl on the ladder waved her hand, and

Su Chen disappeared on the ladder in an instant.

She touched her hot face and was speechless.

The girl on the ladder found that she was becoming more and more dependent on Su Chen. Su Chen touched her waist, kissed her, and touched her. Face, these simple contacts made her very attached.

But she couldn't stay with Su Chen.

The little girl on the ladder had to leave the Chaos World as soon as she escaped from the ladder, otherwise other Hongmeng Supremes would find her aura, and so would the Chaos Spirit World. Let other Hongmeng Supreme discover its existence

【The Double Dragon World of the Tang Dynasty, trial mission, seize the evil emperor's relics!

Su Chen instantly appeared on a busy street. Before he had time to take a look at what kind of world this was, the ladder issued a mission to him.

Let me go,

Datang Shuanglong World?

Isn't this the world of Zhu Yuyan and Fan Qinghui?

Shi Feixuan, Wanwan, Bai Qing'er, etc., these women are all from this world.

Well, it

's the same small world again.

The Shuanglong characters of the Tang Dynasty in Xuantian Continent will appear in this small world. This is exactly the same as the small world of Yitian Slaying Dragon.

Su Chen walked towards the restaurant on the side. He wanted to understand how far the world had developed.

Evil Emperor's relic?

This task is not easy to handle.

Evil King Shi Zhixuan is a lunatic. Even Zhu Yuyan died without killing Evil King Shi Zhixuan. Now that he is an ordinary person, how can he obtain the Evil Emperor's relics?

"Guest officer please!" (To read exciting novels, go to Feilu Novel Network!)

"Waiter, let's have some good wine and food."

"Well done, sir, wait a moment!"

Su Chen sat at the window on the second floor and looked at the street. This should be Chang'an City. The Evil Emperor's relics are under the Si Ma Bridge, but Su Chen couldn't figure out where the specific entrance was.

"Qingxuan, let's sit here to rest and have some food."

"Okay, Xu Ziling, will my father really come to Chang'an City?"

"It will definitely happen. The legend of the Evil Emperor's relics will appear in Chang'an City. Good and evil forces will appear in Chang'an City. Your father will definitely come to Chang'an City after getting the news."

"Um!"

A man and a woman appeared next to Su Chen. They were talking and checking out some people in the restaurant.

After Su Chen looked back at Shi Qingxuan and Xu Ziling, he breathed a sigh of relief.

Shi Qingxuan and Tianxuan Continent in the small world Shi Qingxuan in the movie, they are not the same person, and their looks are also different. Although Shi Qingxuan is also very beautiful, she is not as beautiful as Shi Qingxuan in Tianxuan Continent.

"Boy, give up this position."

At this time, four Jianghu people came to Su Chen and shouted angrily.

Su Chen curled his lips and said,

"What if I don't let you?"

A rude and burly man patted the knife in his hand and threatened,

"Boy, do you want to die?"

An ordinary person is dressed gorgeously but has no martial arts skills. Will they, the Jianghu people, care about a rich man?"

Su Chen rubbed his forehead and said speechlessly,

"wanna die? Do you want to die? Do you know my identity?" It's easy for Su Chen to kill these four little scumbags even if he doesn't have any martial arts strength."

The rude man asked doubtfully,

"Boy, what are you?"

"Does Yin Queen Zhu Yuyan know? Does Wanwan know? Do you want to be hunted down by the Yin Kui faction?"

"Are you from the Yin Kui sect?"

"no"

"Boy, do you dare to play tricks on us?"

"Playing tricks on you? Some scum, I have a close relationship with Zhu Yuyan, if you dare to touch me, the Yinkui sect will massacre your whole family."

Su Chen was talking nonsense while drinking.

While he was threatening the four Jianghu people in front of him, he also wanted to see the reactions of Xu Ziling and Shi Qingxuan.

In the plot,

2.8 Wanwan had feelings for Xu Ziling, but Xu Ziling ended up with him. Shi Qingxuan is together

"you... You're talking nonsense, come on, let's kill this kid together"

"kill!"

The four Jianghu people drew their weapons and slashed at Su Chen.

Su Chen quickly stood up and rushed over. He clenched his fist tightly and punched him.

"Some scum, come and taste my fist as big as a sandbag."

Bang, bang, bang, bang, bang, bang!

In three breaths, four Jianghus were attracted by Su Chen one after another.

Su Chen didn't stop.

He felt that fighting like this was very enjoyable. The punches hit the flesh. Su Chen had not fought so happily for a long time.

Next to him, Su Chen felt that fighting was very enjoyable. Xu Ziling suddenly stood up and shouted,

"Stop, if you keep fighting, these four people will be killed."

"none of your business"

Chapter 2695

Su Chen didn't expect that Xu Ziling would stop him. He was a stupid bitch.

When the four gangsters wanted to kill him at the beginning, why didn't Xu Ziling stop him in time?

Su Chen has no level of cultivation now. After the four acquired scum were defeated, Xu Ziling actually wanted to stop him. Is he a fool? Or an idiot?

"Stop, if you don't stop, don't blame me....."

Click! Click! Click! Click!

Su Chen didn't wait for Xu Ziling to finish speaking, he broke the necks of four Jianghu people one after another.

Threaten yourself?

Su Chen has now killed four Jianghu people.

Does Xu Ziling dare to take action against him?

Xu Ziling stared at Su Chen with an ugly expression. He did not expect that Su Chen would kill four Jianghu people,

Yin Kui faction?

Xu Ziling believed that Su Chen was from the Yinkui sect, and the Yinkui sect was a group of demons who did all kinds of evil.

"Devil, you deserve to die, I will do justice for God."

Su Chen cursed disdainfully,

"Damn you, you are such an idiot."

Xu Ziling drew out his long sword and pointed at Su Chen and shouted,

"You kill people for no reason, aren't you a devil?"

Su Chen crossed his arms and mocked,

"Pretty boy, are you blind? Four Jianghu people want to kill me, why can't I kill four Jianghu people?"

"you...."

Xu Ziling was speechless for a moment.

Previously, four Jianghu people wanted to kill Su Chen, but Su Chen had already defeated the four Jianghu people. Was it necessary for Su Chen to kill the four Jianghu people?

Su Chen looked at Shi Qingxuan and said nonsense,

"Shi Qingxuan, I know you, I know everything about you clearly, Xu Ziling is a holy bitch, he likes Wanwan, and also likes Shi Feixuan, there is no result for you to be with him, and you are mine Fiancée, you better stay away from this idiot"

"nonsense."

Shi Qingxuan stared at Su Chen coldly.

She has nothing to do with Xu Ziling. Xu Ziling likes anyone to have anything to do with her, what kind of fiancée?

She and Su Chen have never met. How can Shi Qingxuan be engaged to Su Chen?

"Shi Qingxuan, don't believe it. You have a mole on your left arm, a heart-shaped mark under your right chest, and a mole on your butt.....`."

"Shut up!"

Shi Qingxuan stared at Su Chen with shame and anger and shouted,

Damn it, the red moles and marks on her body, and her butt.....How could this bastard know that Shi Qingxuan had never met Su Chen? How could this bastard know everything about her?

Xu Ziling looked at all this in confusion, what is going on?

Is everything Su Chen said true?

No, how could Su Chen know everything about Shi Qingxuan's body? Could it be that Su Chen is a thief?

Su Chen smiled and said to Shi Qingxuan,

"Do you believe it, Shi Qingxuan, you like to eat light food, especially tofu and lettuce, and your belly....Ahem, the underwear is all white and embroidered with lilies."

"Shameless thief, I will kill you."

Shi Qingxuan took the jade flute and attacked Su Chen.

She wanted to kill Su Chen.

Shi Qingxuan guessed that Su Chen must have spied on her, and maybe more than once or twice.

"I'll do it!"

Su Chen didn't expect to say too many bad things.

He hurriedly turned around and wanted to jump off the building to escape. Shi Qingxuan was in an innate realm, and Su Chen was no match for Shi Qingxuan.

Bang!

Su Chen quickly jumped off the building and ran away.

He would not stay and be killed by Shi Qingxuan or beat up

"You can't escape."

Shi Qingxuan saw Su Chen jumping off the building and escaping.

She quickly chased after him with Qinggong.

Su Chen was a waste who didn't know martial arts. Shi Qingxuan didn't believe that Su Chen could escape from her.

Whoosh!

Xu Ziling also hurriedly chased after him.

His face looked pale at the moment. It's almost dark.

Shi Qingxuan actually saw Su Chen all over, more than once or twice. Xu Ziling wants to kill Su Chen. (To read Baoshuang novels, go to Feilu Novel Network!)

"Shi Qingxuan, you don't need to hunt me down. I haven't spied on you. I don't know martial arts. Do you think I can spy on you?"

Su Chen was speechless for a while.

If he hadn't been physically stronger than ordinary people, Shi Qingxuan might have caught up with him long ago. Shi Qingxuan chased

Su Chen with an indifferent expression, and she was also very surprised.

An ordinary person,

Su Chen Shi Qingxuan, who was not yet at any level of cultivation, did not expect that he would not be able to catch up with Su Chen.

People were coming and going on the street, and

Su Chen mixed with the crowd and soon left Shi Qingxuan behind.

In a small alley,

Su Chen gasped and secretly walked Looking at the street, he didn't expect that a majestic

Heavenly Emperor of the Realm would be chased by a scumbag woman today.

Damn it, if Su Chen had one percent of the realm of cultivation, he would still use it. Escape? Huh? One percent of cultivation? Su Chen felt that if he had even one percent of cultivation, he might destroy the world. Whoosh! Bang!

"`.Let me go, who?"

Suddenly,

Su Chen was quickly tapped on his acupuncture points.

He was confused for a moment.

Who could it be?

Shi Qingxuan just chased him on the street, and Xu Ziling also chased after him. Who could be behind him who suddenly tapped his acupuncture points?

Whoosh!

A woman in green mentioned Su Chen and left quickly.

On the street,

Shi Qingxuan looked around angrily. She did not expect that Su Chen would escape without a trace.

An ordinary person actually got rid of her?

On the street Although there were many people, how could Su Chen, an ordinary person without martial arts, escape? Shi Qingxuan felt that Su Chen had hidden his cultivation level, and that bastard must be a master of martial arts.

Xu Ziling caught up and asked, "Qingxuan, you didn't catch up with that young man?"

"If there is no (good money, good), let him escape."

Shi Qingxuan looked at Xu Ziling with a cold face. She didn't want to stay with Xu Ziling anymore.

Wanwan and Shi Fei Xuan?

Shi Qingxuan didn't want to see that one was a witch from the Yin Kui sect, and the other was the sect who killed her mother. Shi Qingxuan didn't want to face Wanwan or Shi Feixuan.

Half an hour later, while eating in a courtyard,

Su Chen was thrown into the courtyard, and an extremely beautiful beauty appeared in front of him.

Su Chen saw that he had been arrested It was an extremely beautiful woman.

He exclaimed in surprise,

"I'll go, Zhu Yuyan, untie my acupoints quickly, I'm your husband."

Su Chen regretted it as he said that.

Damn it, the Zhu Yuyan of this world is not his wife. The cruel Zhu Yuyan wouldn't kill him with one palm, right?

Zhu Yuyan glared at Su Chen with a fierce face and shouted,

"Husband? Boy, do you want to die?".

Chapter 2696

Zhu Yuyan stared at Su Chen with a cold and frosty face. She did not expect that Su Chen would dare to speak rudely to her.

What a scumbag.

If Zhu Yuyan hadn't heard what Su Chen said in the restaurant, she would have wanted to crush the shameless little scumbag to death right now.

Su Chen said hurriedly in embarrassment,

"Zhu Yuyan, let me go. I just said the wrong thing. I didn't mean any harm. I was talking nonsense just to find you.

Zhu Yuyan stared at Su Chen coldly and asked, "Little Zhazha, what do you want from me?"

"Little scumbag?"

Su Chen shook his head speechlessly, little scumbag?

His strength can even defeat a saint, and Zhu Yuyan actually called him~little scumbag?

A mortal, a scumbag can no longer be scumbag Zhu Yuyan, if Su Chen's cultivation realm is still there, even if he has a little bit of cultivation, he can annihilate Zhu Yuyan with one look at her.

Zhu Yuyan said disdainfully, "A useless person who doesn't know martial arts, what are you if you're not a scumbag?"

"I...."

"Little scumbag, don't give me nonsense, don't you want to tell me something? You can say it now. If you dare to talk nonsense again, I will crush you to death with one hand. Su

Chen replied with a dark face, "Yang Gong's treasure house, Zhu Yuyan, I want to tell you the whereabouts of Yang Gong's treasure house."

"Little scumbag, are you telling the truth?"

Zhu Yuyan was a little surprised when she heard Su Chen's words.

How could a little scumbag who doesn't know martial arts know about Yang Gong's treasure house?

Su Chen patted his chest and said, "Of course, I can't deceive Damei.....Ahem, it's impossible to deceive Sect Leader Zhu.

Zhu Yuyan asked hurriedly, "Where is Mr. Yang's treasure house?"

"Zhu Yuyan, please unlock my acupuncture points first. I can tell you where Yang Gong's treasure house is, but what benefits can I get?"

"Huh, what do you want?"

Zhu Yuyan stretched out her hand to untie Su Chen's acupuncture points. She was not worried that Su Chen would escape from his hands because he was a scumbag who didn't know martial arts.

"I want a lot!"

"many? Little scumbag, as long as what you say is true, I can give you money and beautiful women."

Su Chen said while sitting on the stone bench in the small courtyard,

"Tsk, Zhu Yuyan, you may not come out alive after entering Yang Gong's treasure house. Money beauty, do you think I will care about you?"

Zhu Yuyan asked with her eyebrows raised.

"Little scumbag, what do you mean?"

Su Chen looked at the beautiful Zhu Yuyan and began to think. Zhu Yuyan could not be Shi Zhixuan's opponent. Is he going to improve Zhu Yuyan's strength? Or draw Fan Qinghui over?

Su Chen checked the system space. The items in it can be used in the small world.

But Zhu Yuyan seems to be very cruel.

Su Chen is worried that after raising Zhu Yuyan's cultivation level, Zhu Yuyan will kill him immediately.

Damn it, a cruel woman is really a headache.

Su Chen rubbed his forehead and explained,

"Zhu Yuyan, the Evil Emperor's relics in Mr. Yang's treasury are of no use to you. The Evil Emperor's relics have the effect of disturbing the mind. Without He's Bi, the energy in the Evil Emperor's relics will make you go crazy and even explode to death."

Zhu Yuyan looked at Su Chen unexpectedly. She didn't expect that Su Chen knew all this.

He's Bi, the Evil Emperor's relics, and the Demon Sect's Evil Emperor's relics are said to have the effect of disturbing the mind, and the huge energy can be used accidentally. It will explode the absorber. Only the gentle energy of Heshi Bi can absorb the Evil Emperor's relic. Why does a waste who doesn't know martial arts know so much?

"Where is Duke Yang's treasure house?"

"Under the Si Ma Bridge!"

"Are you telling the truth?"

"It's true, Zhu Yuyan, I'd like to remind you not to enter Yang Gong's treasure house rashly. Your suitors have set up many traps in Yang Gong's treasure house."

"Lu Miaozi?"

"uh-huh!"

"Damn you, how do you know so much?"

"From astronomy to geography, I know everything about the black bellyband you are wearing today."

Bang!

Zhu Yuyan slapped her palm aside and threatened angrily,

"Little scumbag, do you want to die?"

Black bellyband? (To read Baoshuang novels, go to Feilu Novel Network!)

Zhu Yuyan guessed that when Su Chen arrived just now, this little scumbag must have peeked at her.

Su Chen waved his hand and continued,

"Zhu Yuyan, don't be angry. Your left arm has not been injured for decades, okay? Every time you encounter rainy days, your left arm will be sore. Even your disciple Wanwan doesn't know about this, right?"

"you.....How would you know?"

"Tsk, I also know that there is a scar on your thigh, which was cut when you fell while playing when you were six years old."

0request flowers 0

"you....you.....who are you?"

Zhu Yuyan looked at Su Chen in shock. She didn't expect that Su Chen knew some of her secrets. No one knew these secrets. Why did Su Chen know this? Su Chen took out some tea sets and placed them on the stone table.

She said to Zhu Yuyan,

"come over!"

"Are you a human or a ghost?"

Zhu Yuyan was confused.

Why did Su Chen take out some tea sets in an instant?

Is this something a human can do?

Zhu Yuyan thought that Su Chen seemed to know everything about her. Could it be that Su Chen was a god?

Su Chen curled his lips and laughed,

"Do you think I am a human or a ghost? If I were a ghost, could I be caught by you?"

Zhu Yuyan patted her forehead and was very speechless.

If Su Chen was a god or a ghost, how could she catch this little scumbag?

Zhu Yuyan came over and sat on the stone bench. She watched Su Chen meticulously making tea, curious. asked,

"What are you at?"

"Idiot, I'm making tea, didn't you see?"

"you...."

Zhu Yuyan stared at Su Chen coldly, making tea?

Of course she knew that Su Chen was making tea, but how could there be hot water in the teapot? Also, Su Chen's tea-making technique was different from what she had seen and heard.

"this....."

Zhu Yuyan watched in shock as Su Chen handed her a cup of tea. The fragrance of the tea in the teacup made Zhu Yuyan feel that her cultivation realm was loosening.

She felt that as long as she drank this cup of tea, Zhu Yuyan could be promoted to the grand master realm.

Su Chen patted Zhu Yuyan on the shoulder and said,

"Drink it!"

"you....."

Zhu Yuyan looked at Su Chen and was stunned.

Why did Su Chen help her?

Is this tea fairy tea?

Zhu Yuyan felt that if she continued to smell it like this, she would be promoted to Grand Master in half an hour.

It has been decades since she was plotted by Shi Zhixuan.

Zhu Yuyan had no hope of advancing to the Grand Master realm. She did not expect that she would advance to the Grand Master realm today.

"Zhu Yuyan, you want to kill Shi Zhixuan, I can only help you so much"

Chapter 2697

Su Chen planned to help Zhu Yuyan advance.

Although Zhu Yuyan in the small world was not his wife and her appearance was different, she was Zhu Yuyan after all. Su Chen did not want to see Zhu Yuyan die together. If Zhu Yuyan drinks a cup of spirit mist tea, she will be promoted to the Grand Master. In the small world, the Grand Master is the top powerhouse. If Zhu Yuyan is promoted to the Grand Master, it will be very easy for her to kill Shi Zhixuan. Moreover, Lingwu Tea can also change Zhu Yuyan's physique. How much it can be changed depends on Zhu Yuyan's potential. Zhu Yuyan asked with complicated eyes,

"May I have your name?"

"Suchen!"

"Su Chen, as long as I advance to Grand Master, I will repay you!"

Zhu Yuyan said to Su Chen and drank the tea. After drinking the tea, she immediately used her kung fu to absorb the spiritual power of Lingwu Tea.

Su Chen saw Zhu Yuyan absorbing the spiritual power of Lingwu Tea. He stood up and wanted to leave this place quickly. Small courtyard.

Su Chen didn't believe Zhu Yuyan's words.

How to repay him?

Zhu Yuyan refused to kill him.

Su Chen guessed that Zhu Yuyan might also imprison him. He wouldn't be stupid enough to stay, so it was better to leave while he had the opportunity.

In the evening, 01 Chang'an City,

Su Chen found an inn to stay. You can clearly see Si Ma Bridge from the second floor of the inn.

Zhu Yuyan has arrived in Chang'an City, Xu Ziling and Shi Qingxuan have also arrived in Chang'an City, and Kou Zhong should also have arrived in Chang'an City. , other forces will come to Chang'an City one after another.

Yang Gong's treasure house, a war should break out within a few days.

The next morning,

Zhu Yuyan opened her eyes, and a smile appeared on her face.

In the late stage of the Grand Master,

Zhu Yuyan did not Thinking that just by drinking a cup of tea, she not only advanced to Grand Master, but also advanced to the late stage of Grand Master in one fell swoop. Her cultivation level is still very stable.

"Um? Su Chen actually escaped? Damn it, is the little scumbag afraid of being killed?"

Zhu Yuyan checked the courtyard.

She found that there was no one in every room. Zhu Yuyan's face turned ugly.

Su Chen must have escaped.

He is a coward.

How could Zhu Yuyan kill Su Chen?

"Do you still need to find the Evil Emperor's relics?"

Zhu Yu sat down and rubbed her forehead and thought.

She is now in the late stage of the Grand Master, and the Evil Emperor's relics are no longer useful to her.

Su Chen?

Who did the little scumbag get?

Why did Su Chen know all her privacy? And Why help her?

"No, there is no need to search for Yang Gong's treasure house anymore. Su Chen must get it, a mysterious person, and there is also fairy tea, fairy tea?"

Zhu Yuyan was whispering when she suddenly saw that the tea sets on the stone table were still there. Su Chen didn't take these tea sets with him when he left?

On the streets of Chang'an City,

Su Chen walked around boredly.

"I'll go, Shi Qingxuan?"

Su Chen suddenly saw Shi Qingxuan dressed in white appearing on the street, and he hurriedly hid in a nearby shop.

Bang!

"I go! Excuse me!"

Su Chen didn't expect to meet a woman. He just apologized hurriedly in embarrassment, and a woman replied coldly,

"nothing!"

"Master Fei Xuan?"

Su Chen looked up and looked at the woman in white clothes and veil with some surprise,

Shi Feixuan?

The woman in white clothes and veil is dressed exactly the same as Shi Feixuan. Could it be that she is Shi Feixuan?

"you know me?"

Master Fei Xuan looked at Su Chen doubtfully.

An ordinary person, but also a man with outstanding temperament, how could he know her?

Su Chen rubbed his forehead and replied, "No, I know your master Fan Qinghui."

"Do you know my master? May I have your name?"

"Suchen!"

"Suchen? You're lying, right?"

Shi Feixuan didn't believe that Su Chen would know her master, an ordinary person. (To read Baoshuang novels, go to Feilu Novel Network!)

Even if Su Chen is a noble, how could her master know an ordinary person.

Su Chen touched He held his chin and said,

"No, Shi Feixuan, I know everything about you. The Cihang Sword Canon you practiced hasn't reached the point where the sword's heart is clear, right? I have a way to help you achieve the clarity of the sword's heart"

"You come with me."

Shi Feixuan was a little confused when she heard Su Chen's words, but she had to believe that Su Chen could say these words.

Shi Feixuan wanted to know the specific situation. If Su Chen deliberately approached her, deceived her, or even fought. Her idea, she would teach this shameless scoundrel a lesson

"OK, I can go with.....I'll do it!"

Before Su Chen finished speaking, he saw Shi Qingxuan appearing next to him and staring at him. Su Chen hurriedly grabbed Shi Feixuan and ran away.

"Shameless pervert, you can't escape."

Shi Qingxuan quickly chased after her with an indifferent expression.

She had been looking for Su Chen all day and night.

Shi Qingxuan did not expect to find Su Chen on the street. At first, she thought she had seen the wrong person.

However, why was Su Chen hanging out with his concubine? ?

Su Chen also pulled Shi Feixuan to escape?

What is the relationship between them?

At this moment,

Shi Feixuan glared at Su Chen in shame and anger. She did not expect that Su Chen would pull her to escape.

Shi Qingxuan?

The woman just now was Shi Qingxuan,

Why did Shi Qingxuan call Su Chen a shameless pervert? What did Su Chen do to Shi Qingxuan?

Whoosh!

Shi Feixuan grabbed Su Chen and ran away from the city.

She didn't know what happened to Su Chen and Shi Qingxuan, but Su Chen knew how to make him
When the sword's heart became clear, Shi Feixuan wanted to ask about this matter first.

Half an hour later, by a small lake outside Chang'an City,

Shi Feixuan put down Su Chen and looked behind her. She did not expect Shi Qingxuan to chase
after her.

887 Suddenly, a delicate female voice came from the small lake,

"Oh, isn't this a master nun? How could you catch a man? Is the master nun in love with you?"

"Wanwan?"

Shi Feixuan turned around and saw Wanwan from the Yinkui sect appearing by the small lake, and
Wanwan also captured a woman. The road between enemies is narrow,

Shi Feixuan guessed that Wanwan was going to do something bad again.

Su Chen waved to Wanwan. road,

"Little beauty Wanwan, I just met your master yesterday. I didn't expect to see you today. Wanwan,
why did you arrest a woman? Could it be that the Yin Kui Sect is short of disciples?"

Su Chen didn't expect that Wanwan was also by the small lake, and the woman next to Wanwan was
also very beautiful.

Could it be that the small lake was called Beauty Lake?

Shi Feixuan, Shi Qingxuan, Wanwan, and the woman next to Wanwan, these four All the women
were extremely beautiful.

Wanwan asked Su Chen doubtfully,

"Little Zhazha, have you seen my master?"

"Of course, your master is in Qingju Primary School.....Damn it, Zhu Yuyan, why are you here too?"

Su Chen looked at Zhu Yuyan who suddenly appeared in bewilderment.

He just escaped from Zhu Yuyan's clutches yesterday, so why did he meet Zhu Yuyan again today? Could it be that the small lake was where Zhu Yuyan and Wanwan met? What damn luck.

Zhu Yuyan appeared in a flash. Next to Su Chen, she shouted with a cold face,

"Little Zhazha, you dared to run away yesterday. It seems you want to die."

Chapter 2698

Zhu Yuyan was very happy at the moment.

She didn't expect to meet Su Chen again, and she blamed the little bastard for being unlucky. This small lake was the place she and Wanwan agreed upon. Su Chen threw himself into a trap, so Zhu Yuyan didn't have to send people to look for Su again. morning.

Su Chen came closer to Shi Feixuan and said,

"Zhu Yuyan, I helped you, you won't kill me again, right?"

Shi Feixuan looked at Zhu Yuyan with a wary face. She didn't expect to meet

Yin Queen Zhu Yuyan here.

However,

Yin Queen Zhu Yuyan exuded a threatening aura. Shi Feixuan was very surprised.

She had seen Yin Queen before. Later, Zhu Yuyan, although Zhu Yuyan had given her a feeling of threat before, but today's feeling of threat made her feel scared.

Whoosh!

Shi Qingxuan also chased after her at this moment, but when she saw Wanwan and Zhu Yuyan from the Yinkui Sect were there,

Shi Qingxuan felt a little Confused, why did Shi Feixuan bring Su Chen to Zhu Yuyan's place? What is going on?

"Xiufang?"

Shi Qingxuan suddenly saw Shang Xiufang behind Wanwan, and she was even more surprised. Why was Shang Xiufang caught by Wanwan from the Yinkui faction? Why did Wanwan catch Shang Xiufang?

Shang Xiufang's eyes lit up when she saw Shi Qingxuan coming. She got up at 480, but when she looked at Zhu Yuyan, her expression dropped again. Queen Zhu Yuyan was here, and Shi Qingxuan couldn't save her at all. After Zhu Yuyan looked at the people next to her, she smoothed her hair and smiled,

"Haha, Su Chen, did I say I wanted to kill you?"

"Uh, Zhu Yuyan, why did you arrest me if you didn't kill me?"

"What do you think?"

Su Chen hurriedly shook his head and replied,

"I don't know, Zhu Yuyan, if you have nothing to do, leave as soon as possible. Aren't you looking for Mr. Yang's treasure house? Be careful of someone getting there first, go find it quickly and I won't bother you anymore. Zhu

Yuyan snorted coldly and said, "Hmph, little bastard, do you think I will let you go?"

"what do you want?"

Zhu Yuyan stared at Su Chen and said,

"No matter what, I think you are very good and I want to accept you as a disciple.

I'll go and take on a disciple?

Damn it, his woman actually wants to accept him as her disciple?

After this happened,

Su Chen rubbed his forehead and felt helpless.

He couldn't escape, and he couldn't get through Zhu Yuyan.

Zhu Yuyan must be the Grand Master who has been promoted. Everyone here combined is no match for Zhu Yuyan.

Whoosh!

Bang bang!

Zhu Yuyan stepped forward and quickly tapped the acupuncture points of Shi Feixuan and Shi Qingxuan. She looked at Su Chen and stretched out her white hand and shook it.

"Little bastard, do you want me to tap your acupuncture points again?"

"Ahem, no need, I'll go with you."

What the hell, is he being threatened?

Shi Feixuan is too useless. If she can withstand Zhu Yuyan's three breaths, Su Chen might be able to escape.

Now it's better.

Shi Feixuan and Shi Qingxuan were instantly killed by Zhu Yuyan. Stop it, he's still running away.

Wanwan looked at Su Chen with interest. She felt that her master treated Su Chen a little differently.

Accepting a disciple?

Is this possible?

Su Chen is in his twenties and has no cultivation. , a scumbag,

Su Chen is starting to practice martial arts from now on, what achievements will he make in the future?

Wanwan feels that her master has another purpose, as to what purpose? She needs to check it out carefully.

Half an hour later,

Su Chen was brought back to the small courtyard from before. (To read Baoshuang novels, go to Feilu Novel Network!)

However, there were a few more people in the courtyard this time, and all of them were beautiful beauties.

Wanwan, Shifei Xuan, Shi Qingxuan, Shang Xiufang, plus the great beauty Zhu Yuyan, there are five beautiful women in the small courtyard.

"Master, have you been promoted to Grand Master? And he also advanced to the late stage of Grand Master?"

Suddenly,

Wanwan shouted loudly in surprise. Everyone in the small courtyard looked at Wanwan.

Zhu Yuyan was promoted to Grand Master? Has she also been promoted to the late stage of Grand Master?

(abbd) Is this possible? How could

Zhu Yuyan, the Yin Queen at the peak of her master's career, suddenly be promoted to Grand Master?

And he can advance to several small realms in a row?

Zhu Yuyan nodded and replied,

"Yes, I am now at the late stage of Grand Master. Wanwan, don't ask so many questions. The master will help you advance to Grand Master."

Su Chen looked at Zhu Yuyan in bewilderment.

Lingwu Tea can promote Zhu Yuyan to the Grand Master, but how can it be possible for Zhu Yuyan to advance to the late stage of the Grand Master?

Lingwu Tea is the spiritual tea in the world of Zhu Xian, and its grade is not very good.

Lingwu Tea Although tea has an effect on warriors, it is more about repairing mental wounds and improving bones. Zhu Yuyan can advance to several small realms in a row. Is it because of Zhu Yuyan's accumulation over the years?

Su Chen leaned on the chair and said to Zhu Yuyan,

"Zhu Yuyan, please let me go. I don't want to learn martial arts. Besides, I'm so old and it's too late to learn martial arts. I'll still be a dandy who eats and drinks."

Zhu Yuyan pointed to the stone table and said to Su Chen,

"Little bastard, there is your tea set on the stone table. If you make a cup of tea for my disciple, I will let you go."

Zhu Yuyan looked at the tea set on the stone table and was very depressed.

She had thought that there would be a pot of fairy tea in the teapot, but she didn't expect that there was nothing in the teapot.

Su Chen just made her a cup of tea. Damn you bastard, let her go in vain. She was so happy.

Su Chen asked doubtfully,

"Zhu Yuyan, is what you said true?"

Zhu Yuyan nodded and replied,

"Of course, but, Su Chen, the tea you make must be exactly the same as the one I drank yesterday."

"No problem, beautiful lady, you have to keep your word, otherwise you will not be beautiful"

"Go away and make tea quickly."

When Zhu Yuyan heard Su Chen started talking nonsense again, she looked coldly and wanted to strangle this bastard to death, a beautiful woman?

She is in her late teens and 80s, does the little bastard even want to tease her?

Wanwan, and the concubine are flirting with a few girls,

They all looked at Zhu Yuyan in confusion, making tea?

Why did Zhu Yuyan let Su Chen make tea before letting him go? Could it be that the tea made by Su Chen was very delicious?

Su Chen curled his lips and started making tea.

This time He made two cups of tea.

Although the Lingwu tea was not very good, he had also run for a long time. Su Chen also wanted to drink tea to quench his thirst.

Damn, the feeling of not having strength is really painful.

Wanwan arrived and Su Chen Watching him making tea, she wanted to understand, why did her master let her drink the tea made from this residue?

After a while,

Wanwan suddenly smelled the aroma of tea. She looked at the tea in Su Chen's hand and shouted in surprise ,

"this....What kind of tea is this? Why do I feel like my cultivation level is about to loosen when I smell it?.

Chapter 2699

Shi Feixuan, Shi Qingxuan, and Shang Xiufang all had surprised expressions.

They all smelled the fragrance of tea, and their cultivation realm also showed signs of loosening.

What kind of tea is this?

"Wanwan, drink it quickly, drink it to absorb it."

Zhu Yuyan hurriedly reminded Wanwan that the spiritual energy in the tea cannot be dispersed. This is fairy tea, and even a little bit is very precious.

"Yes, master!"

Wanwan also knew that the tea Su Chen brewed was precious. When she smelled it, she felt that her cultivation level was about to loosen and advance. If she drank this cup of tea, Wanwan would definitely advance to the cultivation level.

Zhu Yuyan saw Wanwan drinking the tea. As she began to absorb it, she found that there was another cup of tea on the stone table.

Zhu Yuyan hurriedly picked up another cup of tea and said with a smile,

"Little bastard, that's good. You also know how to make me another cup of tea." "890"

"I...."

"Um? Didn't you make tea for me?"

Damn it, isn't this obvious?

Su Chen looked at Zhu Yuyan speechlessly.

The beautiful Zhu Yuyan was threatening him again. Dare he say that he didn't make tea for Zhu Yuyan?

"Drink it, this is tea made for you"

"That's pretty much it."

Zhu Yuyan smiled and drank.

She didn't drink it in one gulp this time.

She had a cup of Lingwu tea yesterday. Zhu Yuyan had not felt the taste of Lingwu tea before. She wanted to taste Lingwu tea this time.

"Su Chen, what kind of tea is this?"

"Lingwu tea!"

"Fairy tea?"

"The tea that cultivators drink"

"Give me some!"

Zhu Yuyan was very surprised when she heard Su Chen's words.

The tea that cultivators drink?

Are there any cultivators in the world?

This bastard is not talking nonsense, right?

However,

Lingwu Tea did help her advance to the realm of cultivation. How could Su Chen do this? Is there tea that cultivators drink?

Who is this bastard?

Su Chen curled his lips and said nonsense,

"If you want to eat farts, I will give them to you. Do you know how to soak them? Lingwu tea requires special means to brew, so it would be a waste if I gave it to you."

"you....."

Zhu Yuyan glared at Su Chen fiercely with her beautiful eyes,

"Damn little bastard, eating farts?"

Is the little bastard looking for death?

Su Chen stood up and walked to the three girls of Shi Feixuan. He stretched out his hands to untie their acupuncture points one by one.

Although Su Chen was not in a state of cultivation, how could he forget the acupuncture method.

Su Chen said to the concubine and the girls,

"You all leave!"

Zhu Yuyan watched Su Chen untie the three women's acupuncture points without paying attention. They were three scumbag women, and she didn't want to kill the three sisters, Concubine Xuan.

In the future, the Yinkui sect will have her and Wanwan, two great masters. Zhu Yuyan Why are you afraid of Cihang Jingzhai?

Master Feixuan asked Su Chen seriously,

"Su Chen, why did you help Zhu Yuyan and Wanwan? Don't you know they are demons?"

Su Chen replied with a smile,

"Because Zhu Yuyan and Wanwan are my women, so are you, Shi Fei Xuan, Shi Qingxuan, and Shang Xiufang!"

"You are talking nonsense!"

"Am I talking nonsense?"

Su Chen knew that Shi Feixuan didn't believe it, so he lay down and whispered something private in Shi Feixuan's ear.

After a while,

Shi Feixuan stared at Su Chen with a red face.

She was very shocked. (Seeing the violence For cool novels, go to Feilu Novel Network!)

How did Su Chen know her secret? And Su Chen also knew the sensitive parts of her body. No one knew these things. How did Su Chen know? Su

Chen Then he whispered some words to Shi Qingxuan and Shang Xiufang respectively.

These are some secrets that Su Chen knows, and they are also privacy that Su Chen has experienced personally.

Although the women in the two worlds are not the same person, their appearance is different. They are different, but their secrets and sensitive areas are exactly the same.

Shi Qingxuan and Shang Xiufang stared at Su Chen with red faces. They did not expect that Su Chen would know their privacy, and even some special privacy.

Zhu Yuyan She was not in the mood to talk to Su Chen at the moment. She had wanted to teach Su Chen a lesson.

Was she the woman of the little bastard?

The little bastard really wanted to die, but she suddenly felt that her cultivation level was about to improve again. Zhu Yuyan could only improve her cultivation level first. Realm.

Two days later, more and more Jianghu people arrived in Chang'an City. These Jianghu people were looking for suspicious places everywhere in Chang'an City.

In the teahouse,

Xu Ziling and Gao Zhong sat together.

Shi Qingxuan disappeared for three days.

Xu Ziling disappeared for three days. No news was found, and he was very worried that something would happen to Shi Qingxuan.

Kou Zhong patted Xu Ziling on the shoulder and said,

"Zi Ling, don't worry, Shi Qingxuan has good martial arts skills. Didn't you say that the kid you met has no martial arts skills? A boy who doesn't know martial arts, nothing will happen to Shi Qingxuan."

Xu Ziling nodded and said,

"Well, that's a good point."

Kou Zhong asked doubtfully,

"Why didn't Ziling, Cihang Jingzhai and Yinkui sect show up? It stands to reason that Wanwan and Shi Feixuan should come to Chang'an City, but there is no news about Wanwan and Shi Feixuan in Chang'an City, which is a bit strange."

"Kou Zhong, are we going to open Yang Gong's treasure house under Si Ma Bridge?"

"Let's do it tomorrow. There are many Jianghu people in Si Ma Bridge today. Let's wait until there are less people and sneak in tomorrow."

"fair enough!"

In the small courtyard,

Su Chen ran away from Zhu Yuyan's room in embarrassment.

Damn, he almost captured Zhu Yuyan.

Zhu Yuyan was too wary of his defense. He just attacked Zhu Yuyan and Zhu Yuyan reacted.

In the room,

Zhu Yuyan's face was red and she clenched her fists tightly.

She didn't expect that Su Chen would kiss her, and that bastard would reach out and touch her body.

Damn it, she dared to kick that bastard away just now.

Zhu Yuyan rubbed it His forehead whispered,

"Alas, is everything Su Chen said true?"

"Were they really a couple in their last 1.7 lifetimes? The little bastard knew everything about her, and Su Chen also knew her privacy. But, was he much older than Su Chen? She's not perfect yet, does the little bastard really not mind her?"

In the yard,

Su Chen saw that Concubine Xuan and the girls were practicing. He did not go over to disturb the girls. Concubine Xuan and the girls are now great masters. They are consolidating their cultivation realm.

Wanwan quickly appeared next to Su Chen He smiled and said, "Little bastard, have you been kicked out by my master again?"

Su Chen hugged Wanwan's waist and said,

"Wanwan, is your butt itchy again?"

"Humph, bastard!"

After Wanwan glared at Su Chen with shame and anger, she said to Su Chen,

"Su Chen, I'm going to kill Bian Buhua."

Chapter 2700

After Wanwan was promoted to Grand Master, the first person she wanted to kill was Bian Fulai.

Bian Fulai had been plotting against her. If it weren't for the fact that Bian Fulai was stronger than her, the Yinkui sect would also need Bian Fulai. If she tried her best, her master Zhu Yuyan would have killed Bian long ago.

"Don't let the side down?"

Su Chen understood what Wanwan said. He was an old pervert.

He had forgotten about Bian Buhuai. Since Wanwan wanted to kill Bian Buhuai, how could Su Chen stop him?

Wanwan said with a cold face,

"Little bastard, Bian Buhua came to Chang'an City. I won't let him live anymore. My master also agreed that I should kill Bian Buhua."

Su Chen hugged Wanwan's water snake waist and nodded.

"Okay, Wanwan, go ahead and kill Bian to live up to your expectations."

"Little bastard, I'm going now. You'd better not offend my master again, or you'll be dead."

Wanwan was a little worried about Su Chen.

She had only been in contact with Su Chen for a few days, but the little bastard suited her very well.

Wanwan and Su Chen might have really been a couple in their previous life. She thought of what Su Chen said. Private, and Su Chen hugged and hugged her at every turn. Su Chen's shamelessness made her very helpless.

In the past three days,

Su Chen took advantage of all the five girls in the yard, and even her master. It's no exception. It's really funny that a scumbag who doesn't know martial arts and five great masters are on guard against Su Chen all day long.

"Don't worry, your master won't take action against me."

"Humph, just seek death."

Wanwan rolled her eyes at Su Chen and quickly disappeared into the yard.

"Arrogant woman."

Su Chen shook his head and sat down.

It has been three days.

Yang Gong's treasure house should be opened in these two days. Su Chen has five great masters around him. It would be easy for him to seize the evil emperor's relics, but he is also worried that something will happen..

The three great masters, Ning Daoqi, Fu Cailin, Bi Xuan, Song Que and Shi Zhixuan also have the combat power of the great masters.

These are also five great masters, five against five?

Zhu Yuyan and the five girls are definitely no match,

Zhu Yuyan is very powerful , but Shi Fei Xuan and Wan Wan have only advanced to the early stage of Grand Master. They may not be surprised if they defeat Ning Dao Qi and others.

Whoosh!

A beautiful woman suddenly appeared in the small courtyard.

She was a little surprised to see Su Chen, but she After seeing how many girls Shi Feixuan was dating, the beautiful woman's eyes almost popped out of her head.

Grand master?

Three grand masters?

Shi Feixuan, Shi Qingxuan, and Shang Xiufang, how could they all be in the realm of grand masters?

Not Shi Feixuan In the middle stage of Grandmaster? Shi Qingxuan and (abfc) Shang Xiufang are even more scumbags. How could they both be Grandmasters? And they also appeared in the small courtyard of the sect leader Zhu Yuyan?

Su Chen touched his chin and looked at the beauty who appeared, with silver hair?

Is this Dan Mei?

He thought of Dan Mei whom he met in Tianxuan Continent.

Su Chen had also been served by Dan Mei several times, but he rarely met Dan Mei after becoming an immortal. Dan Mei was either serving Zhu Yuyan or practicing in seclusion. Su Chen rarely enjoyed that beautiful woman anymore.

Su Chen shouted to the confused Danmei,

"Beautiful girl, come here!"

Danmei asked Su Chen doubtfully,

"Who are you? How can people like Shi Feixuan be in the sect master's courtyard? Where is our sect leader?"

"Come here and give me a massage. I am your sect master's man. You will serve me from now on."

Whoosh,

Zhu Yuyan appeared and shouted angrily at Su Chen,

"Little bastard, do you want me to kick you away?"

"See the suzerain!"

Danmei saw Zhu Yuyan arriving and saluted hurriedly,"

Grandmaster?

Zhu Yuyan is also a grandmaster?

How is this possible?

Danmei's heart trembled when she was next to Zhu Yuyan. Zhu Yuyan's dangerous aura made her feel very scary. (Read Baoshuang novels , just go to Feilu Novel Network!)

Su Chen curled his lips and said nothing.

The situation is stronger than others.

Zhu Yuyan is stronger than him at the moment. It is impossible for Su Chen to offend Zhu Yuyan.

But he will not let Zhu Yuyan go, tonight He wanted to attack Zhu Yuyan at night. He couldn't beat Zhu Yuyan in martial arts, but in other aspects, Su Chen would let Zhu Yuyan know how powerful he was. Zhu Yuyan saw that Su Chen had died down, and she became worried.

Su It was impossible for Chen to remain silent. Zhu Yuyan guessed that Su Chen must have some conspiracy.

Danmei told Zhu Yuyan,

"The sect leader, Grand Master Ning Daoqi came to Chang'an City, and the Turkic Bi Xuan also came to Chang'an City"

"Ning Daoqi? Bi Xuan?"

Zhu Yuyan didn't pay attention to this.

Today is different from the past.

She is at the peak of Grand Master,

Ning Daoqi is at the late stage of Grand Master, and Bi Xuan is at the middle stage of Grand Grandmaster. It is easy for Zhu Yuyan to kill them.

Dan Mei continued to report,

"Sect Master, there is news that Song Que, the Heavenly Sword, may come to Chang'an City tomorrow."

Zhu Yuyan shook her head and ordered coldly,

"What is coming is about to come, Danmei, please inform all the disciples of the Yinkui sect that no one is allowed to take any action without my order. Anyone who disobeys the order will be killed without mercy."

"Yes, Sect Master!"

After Zhu Yuyan left, she looked back and saw Su Chen making tea again and drinking it. Zhu Yuyan shook her head and was speechless.

Su Chen drank the fairy tea that the cultivator drank as ordinary tea, but this How could a bastard have no cultivation at all? Zhu Yuyan felt that Su Chen was a little weird.

Zhu Yuyan asked Su Chen,

"Little bastard, why do you drink so much fairy tea? Why don't you have any level of cultivation?"

Su Chen smiled and replied,

"I am a waste, drinking Lingwu tea is just like drinking ordinary tea. Of course I will not have the realm of cultivation."

The realm of cultivation?

What he drank was the best innate spiritual root enlightenment tea. It is impossible for Su Chen to reach the realm of cultivation, let alone drinking this kind of rubbish spiritual tea. It is even more impossible for him to reach the realm of cultivation.

Zhu Yuyan snorted coldly. ,

"Huh, do you think I would believe it?"

Su Chen curled his lips and said,

"Believe it or not, it's up to you, but I believe it anyway."

Whoosh!

After Xu Ziling appeared in the small courtyard, he saw Shi Feixuan, Shi Qingxuan, and Shang Xiufang sitting on the side. Xu Ziling did not expect that Zhu Yuyan would capture Shi Feixuan and the three girls and imprison them in this small courtyard.

If Xu Ziling hadn't followed Danmei, he still wouldn't have been able to find out the news about Shi Qingxuan's three daughters.

Xu Ziling threatened Zhu Yuyan with an ugly face,

"Queen Zhu Yuyan, you actually captured Shi Qingxuan, Shi Feixuan, and Shang Xiufang. Let them go quickly. Grand Master Ning Daoqi has also arrived in Chang'an City. You don't want Grand Master Ning Daoqi to come and ask for someone, right?"

Su Chen was a little confused when he heard Xu Ziling's words.

Has the master concubine been caught flirting with the three girls? The three girls are practicing to consolidate their cultivation. Can't Xu Ziling see it?

Damn it,

Xu Ziling's cultivation is still scum, he He used to be a gangster on the street, and he hadn't been practicing martial arts for long. Xu Ziling still couldn't understand what it was like for his master's concubine to have sex with three girls.

"What a fool!".
