Chapter 2911

Empress Nuwa was very happy to see Su Yan, daughter?

Su Yan turned out to be her and Su Chen's daughter. Nuwa never thought that she and Su Chen would have a daughter in the future.

Previously in the Wa Palace,

Empress Nuwa sensed the aura erupting from Tongtian, and she just checked it casually.

Su Chen actually told her that it was their daughter that Tongtian wanted to suppress. Empress Nuwa did not even think about coming to the ancient fairyland in a hurry. She was worried that Tongtian would suppress her daughter.

Su Yan immediately pretended to be innocent and said,

"Mother, it's Tongtian's disciples who want to rob my little rabbit, kill me, and kill our whole family. I just want to teach Tongtian's disciples a lesson, and Tongtian wants to suppress me by bullying the younger ones."

Boom!

Empress Nuwa burst out with the aura of a saint and looked at Tongtian indifferently.

She found out what happened in one thought.

Su Yan did not lie to her.

The Jie Jiao disciple wanted to steal Su Yan's Jade Rabbit. She also promised to kill Su Yan and Su Yan's parents and relatives.

Empress Nuwa said coldly,

"Senior Brother Tongtian, you should understand what is going on when you hand over your seven disciples."

Tongtian said helplessly, "Junior Sister Nuwa, my disciples made mistakes, but I can punish them severely. Please let my disciples go."

Empress Nuwa replied coldly, "I don't agree. Senior Brother Tongtian, your disciples want to kill my daughter, and they even brazenly say they want to kill me. Do you think I can let them go?"

Tongtian frowned and looked at the Seven Immortals.

He felt very helpless.

The actions of the Seven Immortals should not be let go.

But after all, they are Tai's disciples. Tongtian can't watch Nuwa die. His disciples.

Swish swish swish.....

At this time, above Jin'ao Island, four saints, Laozi and Zhunti, also appeared on Jin'ao Island. They were very surprised when they looked at Nuwa Empress and Su Yan.

The four great saints of Lao Tzu didn't think about it at first.

Tongtian just burst out with some saintly momentum, and they just checked it casually.

However, with the arrival of Empress Nuwa,

Empress Nuwa also had a daughter, the four great saints of Lao Tzu came one after another to check clearly.

Empress Nuwa actually has a daughter?

They didn't think that the Empress Nuwa was lying.

Nuwa and Su Yan were connected in destiny.

Su Yan still had the strong aura of the Empress Nuwa.

Su Yan was the Great Luo Jinxian when he was more than ten years old. All this showed that Su Yan was really Nuwa. Empress's daughter

"Senior brother, Nuwa actually has a daughter, and we don't even know about it."

"Zhunti, Nuwa has always lived in Chaos, and we didn't pay much attention to Nuwa. It's understandable that we didn't know she had a daughter."

"No, when Fuxi became the Human Emperor, we all met Nuwa. She had no daughter at that time and was not pregnant."

"Nuwa must have been hiding at that time. You must know that Nuwa is a saint, or the first saint besides Taoist ancestors. If Nuwa deliberately hid it, we would not be able to find out."

"That's right."

I and the four great saints of Quasi-Sage talked for a while with their souls. They all looked at Tongtian and Nuwa. The four great saints of me were ready to watch the show. They also hoped that Nuwa and Tongtian would turn against each other.

At this moment,

Tongtian and Empress Nuwa were still There were Su Yan and the disciples of Jie Jiao.

They all looked up into the air. Laozi,

Yuan Yuan, Zhunti, and Jie Yin arrived. All the saints in the prehistoric immortal world except Dao Zu Hongjun were here.

Tong Tian said expressionlessly, "Female Wa, you are no match for me. Let this matter rest. I will severely punish my disciples."

Nuwa didn't expect that Tongtian would offend her for a few disciples.

Nuwa knew that Tongtian had the Immortal Killing Sword Formation, and the Immortal Killing Sword Formation that could only be broken by the Four Saints was very terrifying.

But Su Chen said that he would protect Su Yan. The ice and snow lotus,

Nuwa Empress can also control the ice and snow lotus. She has the half-step Chaos Spiritual Treasure Ice and Snow Lotus. Nuwa

Empress does not believe that she cannot defeat Tongtian.

With a wave of her hand, the ice and snow lotus flew into the hands of Nuwa.

Empress Nuwa felt the excitement of the ice and snow lotus. The ice and snow lotus seemed to be her spiritual treasure. She could completely control the ice and snow lotus without refining the ice and snow lotus.

Nuwa was indifferent. He said to Tongtian, "That's not necessarily the case, Senior Brother Tongtian, although you have the Immortal Killing Sword Formation, but I have the Half-Step Chaos Spiritual Treasure Ice and Snow Lotus, it's not certain who will win."

0 Asking for Flowers

Su Yan said with a smile on the side, "Mother, you lead Tongtian away, and I can kill these scumbag disciples."

"Yan'er, be honest."

Empress Nuwa glared at Su Yan speechlessly.

Killed the disciples of Jie Jiao?

The little girl is really bragging.

If Su Yan kills the disciples of Jie Jiao, Tongtian will definitely go crazy. By then, although Empress Nuwa is protected by the ice and snow lotus Su Yan, but this is not a long-term occasion.

"Yes, mother."

Su Yan curled his lips and looked at Jie Jiao's disciples.

Although Nuwa would not let her destroy Jie Jiao's disciples, she could beat these scumbag disciples of Jie Jiao.

Yutu had been dazed in Su Yan's arms.

She had been there since After the Nuwa Empress appeared, Yutu was shocked and confused by what the Nuwa Empress said.

Su Yan turned out to be the daughter of the Nuwa Empress.

No wonder Su Yan was lawless. No wonder Su Yan didn't care about the saint.

Su Yan's identity was inherently very important. Gao Gui, the Queen Mother, Fairy Chang Xi, Fairy Chang'e, and the resurrected Fairy Xi He, the four quasi-sage powers are all Su Yan's backers.

What now?

Su Yan's mother turned out to be Nuwa, and

Su Yan can be said to be. Except for saints, Yuan Yuan, the most noble being in the prehistoric immortal world, said: "Tongtian, your disciple has made a mistake. You should hand over the seven rebel disciples to Junior Sister Nuwa for punishment.

Zhunti: "Yes, Tongtian, your disciple made a mistake in this matter. Su Yan's status is not that of your disciple and you can offend and insult him. You should understand all this."

Lao Tzu: "Third brother, hand over your seven traitors. The saint cannot be insulted, nor can the blood of the saint be insulted.

"Tongtian, Su Yan is of the blood of a saint no matter what. You should understand that Su Yan's identity is not your disciple. Hand over your traitor, otherwise if the teacher comes, you will definitely be punished by the teacher."

Yuan Yuan and Laozi spoke to Tongtian one after another. They didn't want Tongtian and Nuwa to fight, but they could let Nuwa kill Tongtian's seven disciples. In this way, Tongtian and Nuwa would definitely turn against each other, and they were also willing to see it. All these pills..

Chapter 2912

Lao Tzu and the four great saints of Zhunti did not expect that Nuwa would have a half-step chaos spirit treasure.

In the prehistoric fairy world, only Hongjun had a broken half-step chaos spirit treasure. How could Nuwa have a half-step chaos spirit treasure~ ?

They all couldn't figure it out.

I and the four Zhunti people wanted to ask Nuwa Empress how she got the Half-Step Chaos. They didn't mind helping Nuwa Empress talk.

After all, Empress Nuwa is not in the ancient immortal world, and they are not worried that Nuwa Empress will compete with them for their luck in the ancient immortal world.

Tongtian said expressionlessly,

"Lao Tzu, Yuan, Zhunti, and Yingyin, this is a matter between me and Junior Sister Nuwa, and you don't have to worry about it."

Since Tongtian left Kunlun Mountain, he has understood that Lao Tzu is a primitive person. Zhunti and Heyin are deliberately suppressing him.

Jie Jiao is the largest religion in the prehistoric immortal world. The four great saints of Lao Tzu are all afraid of his Jie Jiao.

I am cold. The voice said to Tongtian,

"Tongtian, don't be stubborn. You should understand how noble the identity of Junior Sister Nuwa's child is. If you don't kill your traitor, should you just punish her and let Junior Sister Nuwa go?"

Tongtian frowned and thought.

Su Yan's status is very noble.

Except for saints, even Emperor Haotian is not as noble as Su Yan. His disciples are even less likely to be comparable to Su Yan.

The descendants of saints,

This is the first time that the prehistoric fairy world has appeared, and it is also extremely precious. Tongtian was embarrassed for a while.

Jin'ao Island was quiet for a while.

The four great saints wanted to see what Tongtian would choose. Should he fight with Nuwa Empress? Or give up the seven A disciple?

Empress Nuwa looked at Tongtian indifferently. No matter what Tongtian chose, she could accept it.

Whether it was fighting or Tongtian abandoning seven disciples, it didn't matter to her.

Empress Nuwa had half a step of Chaos Spirit in her hands. Bao Bingxue Lianhua, even if she fought with Tongtian, the Nuwa Empress would not lose.

Su Yan looked at the Jin Ling Virgin and the others in boredom. She found that the Jin Ling Virgin and the Yunxiao girls had been looking at her.

Su Yan guessed that the Jin Ling The Madonnas should be familiar with her. She is interesting.

Su Yan touched his chin and thought, should he abduct the Madonnas from Jin Ling later?

The faces of the seven immortals in attendance all turned pale.

They looked at the teacher nervously. If Tongtian abandons the seven of them, all seven of them will be killed, and they may be killed physically and spiritually. The

Holy Mother of the Golden Spirit whispered, "Wudang, have you noticed that Su Yan is very familiar?"

Our Lady of Wudang asked in surprise, "Senior sister, are you also familiar with Su Yan? Ever since I heard Su Yan's name, my soul has been beating, as if I was very close to Su Yan."

Yunxiao heard the conversation between Holy Mother Jinling and Holy Mother Wudang, and she hurriedly said,

"Senior sister, I am just like you. After I heard Su Yan's name, my soul kept beating, and reminded me to protect Su Yan at all costs.

Qiong Xiao: "Sister, me too."

Bixiao: "And me, I am just like you, my soul has been reminding me that Su Yan seems to be very important to me."

Madonna Guiling asked with her eyebrows raised.

"I'm like you, what's going on? Su Yan is the daughter of Empress Nuwa. Why does our soul remind us to protect Su Yan?"

Mother Guiling looked at the several fellow apprentices.

She couldn't understand how they could be like her. What was the relationship between Su Yan and them? Why did the Yuan Shen remind them to protect Su Yan? How could Mother Golden Spirit be like her?

The women all shook their heads.

They looked at Su Yan and couldn't figure it out, but their souls would not deceive them. Su Yan might have a relationship with their senior sisters, and the relationship might be very close. The

Jie Jiao disciples around him were at this moment Not daring to take a breath, all the Jiejiao disciples looked at Tongtian. They wanted to know what Teacher Tongtian would do.

Will he fight Nuwa Empress?

Or would he abandon serving the Seven Immortals?

Swish swish swish.....

At this moment, in the air outside Jin'ao Island, quasi-sages appeared in the sky and looked towards Jin'ao Island.

The five great saints descended on Jin'ao Island.

All the great powers wanted to Know what happened.

At this moment,

Tongtian thought about it and said to Nuwa,

"Nuwa, let's fight in the ancient starry sky. As long as you defeat me, my disciples will be at your disposal."

Orequest flowers

"good!"

Nuwa Empress nodded to Tongtian. She turned back and warned Su Yan, "Yan'er, mother is going to fight Tongtian. Don't cause trouble for me on Jin'ao Island."

Su Yan immediately nodded and pretended to be a good boy and said,

"Yes, mother."

Swish swish swish"....

Tongtian, Nuwa, and the four great saints disappeared one after another on Jin'ao Island.

In the air, all the quasi-sages were stunned.

Daughter?

Mother?

Empress Nuwa actually has a daughter?

No wonder a little girl turned out to be a Daluo Jinxian. It turns out that Su Yan is the heir of Nuwa Empress.

"My God, when did Nuwa Empress have an heir?"

"It should not be long before Su Yan is only 16 years old, a 16-year-old Daluo Jinxian. Su Yan is worthy of being the heir of Empress Nuwa."

"When Fuxi became the Human Emperor, none of us found out that Nuwa was pregnant. It was probably Nuwa who hid her pregnancy."

"Yes, Empress Nuwa must have been pregnant for tens of thousands or even hundreds of thousands of years, but who was her Taoist companion?"

"Do you want to die? Is the Nuwa Empress something we can discuss?"

"Let me go, have you noticed that the five puppets around Su Yan are actually quasi-sages? Empress Nuwa really protects her daughter very well."

"I understand, the daughter of Empress Nuwa must have been bullied by the disciples of Jiejiao. No wonder Empress Nuwa had a conflict with Tongtian Sheng."

The innate powers in the sky chatted for a while. They were all very surprised when they looked at Su Yan.

A little girl with a noble status, a little girl whose existence is second only to that of a saint.

Su Yan was the Great Luo Jinxian at the age of sixteen, and was also the prehistoric one. The youngest Daluo Jinxian in the immortal world.

What will happen in the future?

Will Su Yan become a heavenly saint?

At this moment,

Su Yan saw that Tongtian and Nuwa had left.

She waved her hand and ordered,

"Fu Jiang Hongjia, kill the seven Long-eared Dingguang Immortals for me."

Jade Rabbit hurriedly reminded Su Yan, "Your Highness, didn't Nuwa, the Empress, ask you not to cause trouble? You must not kill one of the seven disciples of Jie Jiao at this time."

Chapter 2913

Jade Rabbit was really speechless to Su Yan.

Before leaving, Empress Nuwa specifically told Su Yan not to cause trouble. Su Yan also agreed not to cause trouble, but what about Su Yan?

Before ten breaths had passed,

Su Yan actually ordered Fu General Hong Jia to kill the Jie Jiao disciples.

"Allah! Allah! They are just seven little scumbags from Jiejiao, and my mother won't care."

Su Yan didn't care.

Empress Nuwa regarded her as her biological daughter, and she was even less worried that Empress Nuwa would punish her.

Su Yan didn't intend to tell the truth.

Anyway, no one in the prehistoric fairy world knew her at this time. She was also The daughter of Empress Nuwa.

Boom!

The five red-armored talisman generals quickly attacked the Long-eared Dingguang Immortal. The seven Long-eared Dingguang Immortals were frightened and wanted to escape, but the mere heavenly and mysterious immortals had not had time to escape. The talisman generals The red"207"

armor destroyed the seven attendant immortals with one blow, and their souls were wiped out by the red armor.

Many disciples of Jiejiao saw the seven attendant immortals being killed, and they did not dare to save them.

Not to mention the five quasi-sage puppets that they could not defeat, even with Su Yan's noble status as the heir of Nuwa, the Jiejiao disciples did not dare to offend Su Yan.

When Su Yan saw the seven immortals who were accompanying him, he was instantly Kill, she looked at Duobao and said sarcastically,

"Duobao, why didn't you save your junior brother? Weren't you very arrogant just now?"

Su Yan originally didn't want to kill Chang'er Dingguang, but Chang'er Dingguang's arrogant threat forced her to kill the great traitor of Jie Jiao.

There is also Duobao.

If Duobao still dares to be arrogant, she will kill Duobao. Bao Ye was killed.

Su Yan thought about the prehistoric fairy world where she had arrived at this time. She still cared about Jie Jiao. Su Yan didn't care whether

Jie Jiao was being destroyed now or in the future. Jie Jiao offended her. Su Yan The Jiejiao must be wiped out, or at least divided into pieces. Duobao lowered his head with a dark face. Does he dare to take action to save the Seven Immortals? Duobao guessed that if he dared to take action, Su Yan He would definitely let Fu Jiang Hongjia kill him as well. Su Yan was too lawless. Su Yan had agreed to the order of Empress Nuwa, but as soon as Empress Nuwa left, Su Yan asked Fu Jiang Hongjia to kill the attendants. The Seven Immortals and Duobao dare not offend the ruthless Su Yan. Except for the saints, no one in the prehistoric immortal world dares to offend Su Yan, who has a saint mother. Su Yan is the person who cannot be offended in the prehistoric immortal world.

"coward!"

Su Yan curled her lips at Duobao.

She looked at the Jinling Virgin Mary and the other girls. Among the Jinling Virgin Mary, there were only Jinling Virgin Mary, Wudang Virgin Mother, Guiling Virgin Mother, Yunxiao was the Daluo Jinxian, Qiongxiao and Bixiao were the same. Taiyi Golden Immortal.

Their level of cultivation is too low.

The most powerful Golden Spirit Mother is in the middle stage of Daluo Golden Immortal. Su Yan can defeat six of them by himself.

Su Yan shouted to the sky,

"Zhulong, Ancestor Styx, Zhen Yuanzi, we have something to ask you, can we talk to you privately?"

Zhulong, Zhen Yuanzi, and Minghe Ancestor all looked at Su Yan.

They didn't understand what Su Yan was asking them for, but they didn't want to offend Su Yan either.

Zhen Yuanzi asked doubtfully, "Su Yan, what are you doing? What do you want to talk to an old man about?"

"Of course something is wrong!

Zhulong said, "Okay, Su Yan, let's go to my Dragon Palace to discuss it in detail.""

"good!"

Su Yan nodded to Zhulong.

After she looked at Madonna Wudang and said some words through the soul transmission, Su Yan put away the talisman and put the red armor away. Flying into the air. After a while,

Su Yan and Zhu Long disappeared in the sky of Jin'ao Island. The other innate powers looked at each other. They didn't know what Su Yan and Zhu Long were talking about, but they didn't dare to check secretly.

Our Lady of Wudang looked at Su Yan who disappeared in the air in shock, aunt?

Su Yan actually called her aunt?

Her soul was still very happy?

What is going on?

How could she be Su Yan's aunt ??

No, how come the six of them senior sisters are all Su Yan's aunts?

When the Virgin Mother of Wudang thought of Su Yan's message, she couldn't calm down for a long time.

Now is not the time, when there is no one, the Virgin Mary of Wudang wants to send Su Yan's message to Su Yan. A message was sent to Jin Ling Sheng Sheng and others.

In the Wa Palace,

Su Chen rubbed his chin and couldn't understand.

How could Su Yan appear in the era of Three Sovereigns and Five Emperors?

This shouldn't happen?

Su Yan is getting more and more naughty.

The little girl is very Six years old, why is Su Yan still so naughty0...

Shanshi Fengxi asked doubtfully, "Husband, is Su Yan your and the original daughter's daughter?"

"yes!"

Su Chen replied speechlessly.

It was too late for him to say it now.

Nuwa went to save Su Yan without listening to his explanation. He had seen what happened on Jin'ao Island just now in the Wa Palace. That little Su Yan The girl also called Nuwa mother, so he knew Su Yan's plan. Anyway, Nuwa was also Su Yan's daughter, so it was not wrong for Su Yan to call Nuwa mother. Shanshi Fengxi said with a smile,

"I never thought we would have a lovely daughter in the future"

"Moreover, Su Yan was born as a Daluo Jinxian, and the little girl is now at the peak level of Daluo Jinxian. In less than a hundred years, our daughter will definitely become a quasi-sage."

Su Chen rubbed his forehead and said,

"cute? Our daughter is cute, but she is too capable of causing trouble. As you can see, Yan'er appeared at this period for some reason, and the little girl had a conflict with Jie Jiao as soon as she arrived."

Feng Xi said with a smile,

"Haha, this is our daughter. In future generations, you and your body will both be powerful saints. What else is there to fear about our daughter?"

Su Chen couldn't help but nodded.

He was worried about Su Yue and Elena at the moment, and Su Yao had also arrived in the ancient fairyland at this time. 0.4

Su Chen's communication system asked,

"System, did Su Yan come alone? Or did she come to this world with her sisters?"

【Ding, host, only Su Yan is here.】

"System, how did Su Yan come to the prehistoric immortal world at this time?"

【Ding, host, Su Yan came to the ancient fairyland of this period through the ladder to heaven.】

Su Chen was speechless when he heard the system's explanation.

Su Yan climbed the ladder again.

How many levels did the little girl climb this time? How did she come to the ancient fairyland of the Three Sovereigns and Five Emperors?

Feng Xi leaned in Su Chen's arms and asked, "Husband, can the original body defeat Tongtian?"

"Yes, Nuwa is the second heaven of the Holy Realm, and Tongtian is the third heaven of the Holy Realm. Although Tongtian is higher than Nuwa and has the Immortal Killing Sword Formation, but Nuwa has half a step of Chaos Spiritual Treasure, Nuwa will not be defeated."

Chapter 2914

Su Chen believed that Nuwa would not be defeated.

He knew the Ice and Snow Lotus very well.

During the Conferred God Period,

Bing Ji used the Ice and Snow Lotus to stop Hongjun Ten Breaths from the eighth level of the Holy Realm. At that time, Bing Ji was in the first level of the Holy Realm.

She used ice and snow. The lotus stopped Hongjun Shixi, and Nuwa used the ice and snow lotus to deal with Tongtian, who was in the third heaven of the holy realm. Tongtian could not avoid the ice and snow lotus attack no matter what.

Feng Xi asked curiously, "Husband, whose spiritual treasure is the Half-Step Chaos Spiritual Treasure?"

"My other woman is a Chaos Demon God named Snow Queen." Su Chen kissed Feng Xi and replied, during the Three Sovereigns and Five Emperors era, there was no existence of Bing Ji and Xue Ji, just like the Conferred Gods period, the prehistoric way of heaven was not plotted by Pangu. Calculation, the same prehistoric fairyland, but there are still some differences from the prehistoric fairyland in the main world

"Chaos Demon God?"

Feng Xi was very shocked when she heard Su Chen's words. She didn't expect that Su Chen also had a woman from the Chaos Demon God.

Is this bastard going to defy heaven?

Chaos Demon 04 Gods are terrifying existences, and they are all extremely cruel. What's wrong with Su Chen? Subdued a Chaos Demon God?

Feng Xi didn't ask about the Chaos Demon God.

She let the main body ask this bastard. Now she wants to enjoy Su Chen's arms.

At this time,

Jin'ao Island, the Queen Mother and Chang'e appeared in Jin'ao Island. On the island, they did not pay attention to what happened on Jin'ao Island before, but all the ancient saints appeared on Jin'ao Island, and other great powers also appeared on Jin'ao Island one after another. The Queen Mother and Chang'e were worried that something big had happened.

Over Jin'ao Island,

The Queen Mother said with a serious face,

"Sure enough, it was the little girl who caused the problem, but the little girl's mother turned out to be Nuwa, which made me not guess."

Chang'e shook her head and said, "I didn't think of it either. No wonder the little girl is lawless. The little girl's mother is Nuwa, so her lawlessness is okay."

"Yes, Su Yan's mother is a saint, and the little girl also has the ability to be lawless."

"Queen Mother, who would win in the battle between Nuwa and Saint Tongtian?"

The Queen Mother looked at the starry sky and shook her head and replied,

"I don't know. It stands to reason that Saint Tongtian has a higher level of cultivation than Empress Nuwa, and he also has the Immortal Killing Sword Formation. However, with Su Yan's appearance, Empress Nuwa has a half-step Chaos Spiritual Treasure. I can't guess who will be the master of this battle. win."

Chang'e looked at the prehistoric starry sky and thought for a while. She looked at the Jie Jiao disciples on Jin'ao Island. The

Jie Jiao disciples were unruly and arrogant.

The largest sect in the prehistoric era was originally feared by other saint sects, but

Tongtian Sage provoked the female disciples again. Madam Wa, Jiejiao has offended all the saints. Even if Tongtian has the Killing Immortal Sword Formation, Chang'e guesses that Jiejiao will be very miserable in the future.

"Queen Mother, we are going to the East China Sea Dragon Palace. Su Yan must be taken away, otherwise the little girl doesn't know what she will do."

"Okay, let's catch Su Yan and take him back to heaven."

The Queen Mother checked the powerful people around her.

She did not find the Emperor Haotian appearing. The Queen Mother guessed that Haotian had not finished retreating.

Half a month later, boom boom boom....

The Great Desolate Immortal World suddenly shook, and then there was a rain of blood in the Great Desolate Immortal World.

The ancient world was shaken, and blood rained from the sky. This was the fall of the saint.

All the immortals in the ancient world of immortality looked to the sky.

The battle between Nuwa and Saint Tongtian was in the ancient starry sky. , spread throughout the prehistoric fairy world in half a month.

Now that a saint has fallen, all the immortals and powerful people want to know who has fallen?

"Nuwa, you and I will be enemies from now on, and we will fight to the death with the Wa Palace from now on."

Suddenly,

Tongtian's angry screams spread throughout the prehistoric immortal world.

All the immortals in the prehistoric immortal world understood that Tongtian was killed by Empress Nuwa. Empress Nuwa actually killed Saint Tongtian, which all the immortals did not expect.

"Empress Nuwa actually beheaded Saint Tongtian? How can this be?"

"What's impossible? Empress Nuwa is the saint second only to Taoist Hongjun, and Empress Nuwa has not taken action since she became a saint. Why shouldn't Empress Nuwa kill the saint Tongtian?"

"Impossible, Saint Tongtian had the Killing Immortal Sword Formation, which could not be broken except by the Four Saints. How could Empress Nuwa kill Saint Tongtian? Even Saint Laozi cannot defeat Saint Tongtian"

"That's right, but now, Saint Tongtian was defeated and killed by Empress Nuwa."

"The only female saint in the ancient world was really terrifying. She would kill a saint without taking action. Empress Nuwa was really angry. Who said that the Jie Jiao disciples had provoked Empress Nuwa's daughter?"

"Yes, from today on, no one in the prehistoric immortal world dares to offend His Highness Su Yan. The mother of a saint, His Highness Su Yan can be said to be the most unprovoked existence except for saints."

After the immortals in the prehistoric fairyland talked for a while, they all understood how powerful and terrifying Nuwa was. In addition to Taoist Hongjun, Nuwa was the first saint to become a saint in the prehistoric fairyland, and she was also the strongest besides Hongjun. A great saint.

There is also Su Yan, the daughter of Empress Nuwa.

No one in the ancient world would dare to offend Su Yan, otherwise Empress Nuwa would kill those who offend Su Yan just like she killed the Saint Tongtian. The starry sky in the ancient world,

377 The four of me all looked ugly.

Empress Nuwa actually beheaded Tongtian. Even after Tongtian used the Zhuxian Sword Formation, he was still beheaded by Empress Nuwa.

"The half-step Chaos Spiritual Treasure is really terrifying, even the Killing Immortal Sword Formation can't do anything to Nuwa"

"Yes, but the Immortal Killing Sword Formation is also very terrifying. If Nuwa doesn't know the laws of creation, she and Tongtian may both be harmed."

"Yes, the Zhuxian Sword Formation is too terrifying. Tongtian should not have fully controlled the Zhuxian Sword Formation yet, otherwise there is no telling who will win this time."

"We don't have to worry about Nuwa. Nuwa has always lived in Chaos. She has no conflict of interest with us. As long as we don't provoke Nuwa's daughter, Nuwa will not be our enemy."

I and the four Zhunti chatted for a while, and they all looked at Tongtian who was resurrected by Tiandao.

Tongtian is their competitor.

Whether it is fighting for luck, or the Jiejiao is so huge that they are afraid of it, the four of me must deal with it first. Those are Tongtian and Jiejiao.

In the prehistoric starry sky,

Empress Nuwa said with a cold face,

"Tongtian, take good care of your disciples. If you dare to provoke my daughter again, I will not mind killing you again."

Tongtian shouted with an ugly face,

"Nuwa, after three thousand years, I will compete with you again. I will definitely kill you once."

Chapter 2915

Tongtian was very angry at the moment. He failed.

He was beheaded by Nuwa once.

Tongtian had never been so angry since he became a saint, but he was indeed no match for Nuwa. Every attack of Ice and Snow Lotus frightened him. Bold jump.

However,

Tongtian would not let Nuwa go.

He did not fully control the Zhuxian Sword Formation, and the Zhuxian Sword Formation suppressed Jiejiao's luck, so Tongtian did not dare to use all his strength to unleash the Zhuxian Sword Formation.

He wants to completely refine the Zhuxian Sword Formation within three thousand years, and he also wants to find a spiritual treasure that can suppress the luck of the Jiejiao.

"Tongtian, I will wait for you to take revenge in three thousand years." Nuwa Empress glanced at the sky and disappeared into the starry sky.

"snort!"

Tongtian snorted coldly and disappeared into the starry sky.

Regarding the four people next to him,

Tongtian didn't want to look at them. They were some scheming people. He understood that the four people had no good intentions towards his Jiejiao.

Jin'ao Island,

Tongtian is back. No disciples were summoned.

Although he was resurrected by Tiandao, his soul was seriously injured. Tongtian wanted to restore the trauma of his soul as soon as possible. The

Jiejiao disciples stayed in their respective caves one by one.

They did not dare to walk around Jin'ao Island. , and did not dare to make a loud noise.

Tongtian was beheaded by Empress Nuwa.

The disciples of Jiejiao were all very shocked.

Empress Nuwa was able to kill their teacher. The disciples of Jiejiao would not dare to offend Su Yan again in the future.

Wudang Holy Mother In the cave,

Our Lady of Jinling and Yunxiao are all here. They were shocked when they heard the words of Our Lady Wudang, but Tongtian was beheaded by Nuwa Empress, which shocked them even more.

Our Lady of Jinling:"I didn't expect it. Empress Nuwa is so powerful that even teachers are no match for Empress Nuwa.

Yun Xiao:"The first saint to be sanctified in the ancient world, and the only female saint in the ancient world, Nuwa is really not to be underestimated.""

Wu Dang Holy Mother:"Nuwa is very terrifying, but what about us? Are we Su Yan's aunt?"

Mother Turtle Spirit:"That should be the case, otherwise our soul would not reflect happiness, Su Yan? Who is her father? Are we destined to be Taoist companions with Su Yan's father? Bixiao

:"Senior sister, it should be so, otherwise our senior sisters wouldn't be filled with joy when we hear Su Yan's name."

Qiong Xiao:"What will we do next?" Su Yan has a relationship with us, but Su Yan also has a grudge against us."

Mother Jin Ling ordered with a serious face,"Take one step at a time, but we must not let Su Yan be in danger."

Yunxiao and the Wudang Virgins all nodded. They will not let any accidents happen to Su Yan.

Su Yan is very important to them.

Regardless of whether they are Su Yan's future aunts or not, the reminder from the soul and warning, they will not let anything happen to Su Yan under any circumstances.

Black Bird Tribe,

Winina and AliceThe women looked at the rain of blood falling in the air, and they were all very surprised.

Laura asked doubtfully,

"What do you think is going on? Why is there blood raining from the sky?"

Alice asked speculatively, "I don't know, is something big happening in the ancient world? Natasha asked with a frown.

"The voice that shouted earlier was Saint Tongtian. Could it be that Empress Nuwa killed Saint Tongtian?"

Bai Yuekui thought for a while and said to the others,

"It should be, Su Chen told me that the saints in the ancient immortal world are immortal. Once the saints fall, the heavens in the ancient immortal world will cry and rain blood, and the ancient heaven will resurrect the fallen saints."

Venina guessed doubtfully,

"The fall of the saint? Will he be resurrected by heaven? Why do you think Saint Tongtian was beheaded by Empress Nuwa? You also know the relationship between Empress Nuwa and Su Chen. Could this have something to do with Su Chen?"

Selena clenched her fists tightly and said,

"I don't know, but if Su Chen gets in touch with Nuwa Empress, it may indeed be because of Su Chen."

Mu Ningxue smoothed her hair and said, "Well, Su Chen has been away for a while, and I don't know when Su Chen will come back."

Wenina and Natasha talked for a while, and they all fell silent.

This mission of the Luck War is very dangerous.

The human war can be ignored, but with the participation of the immortals, they also have confidence in the Luck War. Not enough, if Su Chen's cultivation realm was not suppressed, they could easily complete this mission.

But Su Chen's cultivation realm was suppressed, and it would be very difficult for them to complete the mission.

Alice took a sip of tea and said,

"Don't worry, that bastard Su Chen is very cunning, and he won't die easily. We don't have to worry about the immortals, we just need to develop the tribe."

Bai Yuekui stood up and said with a cold face,

"Alice is right. The Xiling Tribe has begun to merge with the Black Bird Tribe. The next step is that we will continue to expand outwards. It is time to give Maximus an order to continue waging war."

Natasha nodded and said,

"`~Okay, we should continue to expand our territory outwards, Venina, where is the snail girl? Is the snail girl peaceful during this period? Venina replied with a smile,

"Don't worry, Luo Nu is very good. She is considered the elder of our Xuannio tribe. With Luo Nu's comfort in the Xiling tribe, no one in the Xiling tribe objects to merging with our Xuannio tribe."

Dang Dang Dang.....

Alice heard the knock on the door and said,

"Come in!"

Qilin came in and said hurriedly,

"Alice, Venina, what's bad, the Great Yan Tribe in Cangshan is gathering the armies of various tribes. The Great Yan Tribe may launch a war against our Black Bird Tribe."

The girls all stood up in surprise when they heard Qilin's words.

The Dayan Tribe, the tribe of the previous Emperor Shen Nong, was also a super big tribe.

The Dayan Tribe had millions of people and many affiliated tribes. Tribe, if the Great Yan Tribe launches a war against the Black Bird Tribe, the Great Yan Tribe may dispatch millions of troops.

Alice hurriedly said, "Qilin, immediately notify Maximus to assemble all our troops."

"Okay, I'll notify Mark immediately!"

Qilin nodded to Alice, and he hurriedly left the room.

This war between the Black Bird Tribe and the Dayan Tribe is destined to be an unprecedented war for the human race.

The Black Bird Tribe will face a super human tribe, or will it? The tribe of the last human emperor Shen Nong might have dozens of large and small tribes join the Great Yan Tribe. Thinking about millions of troops fighting,

Qilin's blood boils.

Alice said to Selina and Bai Yuekui, "Selina Na, the black-armored army can no longer hide. You and Bai Yuekui immediately lead the black-armored army to join Maximus."

Chapter 2916

Selina and Bai Yuekui nodded, they also understood that the black armored army could no longer hide.

The Dayan Tribe is going to launch a war against the Xuannio Tribe. The scale of the war may be in the millions. The

Xuannio Tribe only has hundreds of thousands of troops. Adding the troops of the Luonv Tribe, the Xuannio Tribe has millions of troops.

How many troops does the Dayan tribe have? one million?

Or two million?

There are also tribes affiliated with the Dayan Tribe. These tribes together have at least three million troops.

Alice and the other girls felt that if Su Chen's black armored army was not used, this war might be very dangerous, and the Blackbird tribe might be wiped out by the tribes of the Great Yan Alliance.

Natasha looked at the map and asked doubtfully,

"Why do you think the Great Yan Tribe launched a war against us? The Dayan Tribe and the Xuannio Tribe are separated by the Tianmai Mountains. Our Xuannio Tribe is developing straight to the east. Logically speaking, the Dayan Tribe should not launch a war against us. Is there anything fishy in this? Venina nodded and said,

"There is something strange. We are thousands of miles away from the Dayan Tribe. Although the human race in the prehistoric immortal world is physically strong, it really doesn't make sense that the Dayan Tribe has traveled thousands of miles to launch a war against us. Alice frowned and agreed,

"Yes, don't forget that the Dayan Tribe is the tribe of the last Human Emperor Shennong. The Dayan Tribe can also be regarded as the royal family of the human race before the prehistoric times. Dayan should not launch a war against the human tribe."

Laura said with a serious face, "Check, we must find out, we must find out the intention of the Dayan tribe to launch a war against us."

Bai Yuekui said hurriedly,

"Natasha, send our immortal cultivators to find out the purpose of the Great Yan Tribe's war."

"good!"

Alice said to Mu Ningxue, "Mu Ningxue, go ask Luo Nu about the situation in the Great Yan Tribe."

"I'll go now."

Mun Ningxue nodded to the girls, and she hurriedly left the room.

The war is imminent, a war involving millions of troops. This is no joke. Mu Ningxue must ask the Luonv Dayan tribe about the situation as soon as possible.

Alice and the girls After another discussion, they left one after another and controlled a large tribe with a population of nearly ten million. They had never experienced it before. The distribution of materials for war and the logistics support of food and grass. Alice and the girls could not make any mistakes.

Heavenly Court,

Pantao In the garden,

Su Yan ate peaches and sat boredly on the peach tree. She also saw what happened in the ancient fairyland. It rained blood from the sky, and

Nuwa killed the saint Tongtian, but why didn't Nuwa come to heaven to find her?

Su Yan Yan touched his chin and whispered doubtfully,

"It's really strange, why didn't Aunt Nuwa come to take me away? Aunt Nuwa regards herself as her daughter. She should not keep herself in heaven."

Su Yan looked around the Pantaoyuan and became even more speechless.

The space barrier formation!

The Queen Mother and Aunt Xihe actually arranged a space barrier. Su Yan was imprisoned in the Pantaoyuan.

"A mere space barrier formation, but you still want to trap yourself? Should we break it?"

Su Yan showed a weird smile and wanted to break the space enchantment.

Space enchantment formation?

Su Yan knew the laws of space and had practiced it to 60%. She could break the small space enchantment formation with a wave of her hand.

Whoosh!

The Queen Mother suddenly Appearing in the peach garden, she looked at the leisurely little girl and shook her head.

Su Yan saw the Queen Mother arriving and asked in confusion, "Auntie, why are you here?"

The Queen Mother asked Su Yan, "Girl Yan, what did you say to Zhulong, Zhen Yuanzi, and Ancestor Minghe?" Why are they preparing an army to come to heaven?"

The Queen Mother was talking to Xihe at Taiyin Star, but she suddenly received a message from Zhulong.

Zhulong actually prepared five million dragon troops for Su Yan.

After a while,

Zhen Yuanzi and Minghe Ancestor also came. Send her a message:

Ancestor Minghe prepared three million Shura troops for Su Yan, and Zhen Yuanzi actually prepared one million Earth Immortal troops for Su Yan.

Why did Zhulong and the others prepare an army for Su Yan? What did Su Yan talk to Zhulong and the others half a month ago?

Su Yan appeared next to the Queen Mother in an instant.

She grabbed the Queen Mother and asked hurriedly,

"Auntie, Zhulong, Zhen Yuanzi, and Patriarch Styx, have they all prepared their armies?"

The Queen Mother replied with a serious face,

"good"

"Zhulong has prepared five million dragon tribe troops for you, Styx Ancestor has prepared three million Shura tribe troops for you, and Zhen Yuanzi has also prepared one million Earth Immortal Realm troops for you....."

"These troops will go to heaven tomorrow and will obey your orders unconditionally"

"Su Yan, what are you going to do with so many troops?"

Su Yan laughed when he heard the Queen Mother's words. Zhulong, Zhen Yuanzi, and Ancestor Minghe are really good people. It seems that they all believe what they say.

Su Yan said coquettishly to the Queen Mother, "Auntie, you Don't ask too many questions. It won't take long before you understand what I'm trying to do."

The Queen Mother touched Su Yan's hair and said, "You.....Alas, I won't ask you, but why did you ask Chang Xi to summon the demon clan? Don't you know that monsters are not welcome in the prehistoric fairyland?"

"Auntie, I know everything about the Monster Clan. I am also very familiar with the four Demon Saints of the Monster Clan. They will not do anything against me. If the four Demon Saints Bai Ze and Shang Yang know my identity, they will do whatever it takes. protect me."

The Queen Mother looked at Su Yan in confusion.

She understood somewhat.

Su Yan had a relationship with the demon clan in the later generations.

No, it should be Su Yan's father who was related to the demon clan. The demon clan should be Su Yan's father in the later generations. Su Yan should know everything about Bai Ze and the four demon saints Shang Yang.

If Bai Ze and the others knew Su Yan's identity, they would protect Su Yan at all costs.

Su Yan asked the Queen Mother, "Auntie, can you Go for a trip to the Six Paths of Samsara?"

The Queen Mother asked speculatively,

3.0"Yan'er, don't the Wu clan have something to do with your father?"

"Well, Houtu and the great witch Jiufeng of the Wu clan are both my father's women, and they are also my aunts."

Su Yan smiled and nodded.

The Wu Clan is indeed related to her father. She can also be regarded as the princess of the Wu Clan and the Six Paths of Reincarnation.

Su Yan really admired her father.

Almost all the powerful women in the ancient fairy world were Her father's women include

Heavenly Court, West Kunlun, Monster Clan, Witch Clan, Taiyin Star, and the only female saint Nuwa.

As long as Su Yan gathers these strong women, she will be able to rule the prehistoric fairyland. There is an 80% chance that if the other saints in the Great Desolate Immortal World are dealt with, Su Yan will become the true ruler of the Great Desolate Immortal World.

"Yan'er, tell your aunt, what was your father Su Chen's status in later generations?"

Chapter 2917

The Queen Mother was very shocked.

Empress Houtu and the Great Witch Jiufeng, who were reincarnated in six realms, were also Su Chen's women.

What happened in the prehistoric times?

What was Su Chen's status in later generations?

Empress Nuwa, the Three Fairies of Taiyin Star, Queen Mother of the West, Houtu and Jiufeng of the Wu Clan, I am afraid that Shang Yang and Qinyuan of the Wu Clan are also Su Chen's women. Did that bastard Su Chen capture all the powerful women in the ancient fairy world? Su Yan smiled and replied,

"Auntie, my father has many identities, the emperor of the Xuantian Empire, the human emperor of the ancient human race, the god king of the Western God Realm, the emperor of the ancient heaven, and the emperor of the Xuantian realm."

Whoosh!

Xi He and Chang'e appeared next to Su Yan one after another. They all heard the conversation between Su Yan and the Queen Mother. It was so shocking.

The information Su Yan exposed made it hard for them to believe it, but this may be the truth.

Xi He and Chang'e were speechless to Su Chen.

Su Chen's women in the prehistoric fairyland were really more powerful than the last.

Su Yan hurriedly saluted Xihe and Chang'e and said,"Aunt Xihe, 213 Aunt Chang'e." Xihe patted Su Yan's head and reminded,"Yan'er, don't mention your father's identity to anyone, and don't tell others about your origins from the ancient times.""

Su Yan smiled and nodded and replied,

"I see. Chang'e smiled and said to Su Yan,

"Yan'er, your Aunt Chang Xi has sent news that the demon clan in the ancient northern plains has prepared an army of six million and will arrive in heaven in three months."

Su Yan shouted excitedly,

"Great, in this way, I will have an army of almost 20 million. If the Wu Clan and West Kunlun also notify me, I will have an army of more than 30 million immortals."

Xi He asked worriedly, "Yan'er, you are not going to start a war, are you?" What race are you going to wage war against?"

Su Yan said enthusiastically,

"Auntie, I want to unify the prehistoric fairy world, I want to unify all the races in the prehistoric fairy world, I want to be the emperor of the prehistoric fairy world, and I want to be a peerless empress like my aunt."

Su Yan thought of her aunt, the Ruthless Empress.

She wanted to be a woman like the Ruthless Empress.

Her aunt, the Ruthless Empress, could kill all over the nine heavens and ten earths, and killed the old immortals who dared not be born in the forbidden areas.

The Ruthless Empress was a Su Yan wants to be like her aunt's ruthless empress. She also wants to be an empress with unparalleled splendor and pride of the world. The Queen Mother,

Xi He, and Chang'e all looked at Su Yan speechlessly.

Su Yan's ideal Very powerful, but what's the use of it?

Su Yan's father, Su Chen, is the emperor of the same realm, the emperor of the ancient immortal world, the god king of the Western God Realm, the human emperor of the human race, the emperor of the Xuantian Empire,

Su Chen is so many Su Yan's identity, shouldn't it be better for Su Yan to win?

Isn't everything from Su Chen's future to Su Yan's?

The Queen Mother and her three daughters did not object to Su Yan.

Su Yan's biological mother was Nuwa, and they did not want to pay any attention to Su Yan. After persuading, Empress Nuwa did not come to the heaven to take Su Yan away. They guessed that Empress Nuwa didn't care about Su Yan's nonsense.

At this time, in the Chaos Wa Palace,

Su Chen and Empress Nuwa were sitting together and talking, about what they wanted to find after three thousand years in Tongtian. They didn't care about Empress Nuwa's revenge.

After a while,

Empress Nuwa heard the secret that Su Chen said, and she asked in shock,

"Husband, do you think there is something wrong with Hongmeng Ziqi? Is there any problem with the Three Corpses Method?"

After Su Chen used the half-step Chaos Spiritual Treasure Ice and Snow Lotus to cover the secret of heaven, she explained to Nuwa Empress,

"Yes, Hongmeng Ziqi has been manipulated by Hongjun. The life and death of your saints are under the control of Hongjun. There is also the method of three corpses. It is impossible for you saints to achieve it through cultivation....., in later generations, you extracted the Hongmeng Purple Qi and became a Hunyuan Daluo Golden Immortal."

Nuwa (aede)'s face turned ugly.

She didn't expect that Hongjun had done something in Hongmeng's purple energy, and the method of three corpses was also a trap.

"Husband, do I want to extract the Hongmeng Purple Qi?"

Su Chen hugged Nuwa and said,

"Yes, I will use the Chaos Bell to help you return to the Holy Realm, but not now. I have other things to do in the Ancient Immortal Realm. When the time is right, you can draw out the Hongmeng Purple Qi."

"good."

Nuwa Empress leaned into Su Chen's arms and nodded. She understood that Su Chen wanted to compete for the third human emperor and her brother Fu Xi.

In later generations,

Su Chen actually ordered his men to kill Fu Xi. She also helped Su Chen Chen Chen deprived her brother Fuxi of the human emperor status.

This Fuxi is not that Fuxi.

Empress Nuwa has long understood this truth.

During the Lich War,

Fuxi died in battle and was reincarnated as the human Fuxi. The human Fuxi is no longer her brother.

"Husband, don't our daughter care about her? I'm worried that Yan'er will cause trouble again."

Su Chen shook his head and said speechlessly,

"No, the little girl is very smart. Yan'er doesn't know that I am also in the prehistoric fairyland at this time. We don't need to worry about the little girl. She has the jade talisman of you and me in the eighth level of the holy realm. Yan'er will not have any trouble."

Su Chen didn't let Nuwa take Su Yan to the Wa Palace. He didn't want Su Yan to know that he was also in the ancient fairy world at this time. If the little girl knew that he was here, Su Chen guessed that Su Yan would probably annoy him to death, and would endlessly ask him why he came to the prehistoric fairyland in this period.

"A jade talisman from the eighth level of the holy realm?"

Nuwa Empress rubbed her forehead.

She didn't expect that Su Yan would have the jade talisman of the eighth level of the holy realm in his hand, or the jade talisman of the eighth level of the holy realm that she and Su Chen had. At this time in the prehistoric fairy world,

Hongjun probably didn't have a holy talisman yet. At the eighth level,

Nuwa thought that if her daughter Su Yan used a jade talisman to deal with Hongjun, Hongjun might be killed by Su Yan's jade talisman.

Empress Nuwa thought of Su Yan's lawlessness and said worriedly to Su Chen,

"Husband, I still don't worry about Yan'er. How about I protect Yan'er secretly?"

Nu Wa is still worried about Su Yan.

The little girl is too lawless.

When Nu Wa was fighting with Saint Tong Tian, the little girl killed seven of Tong Tian's disciples.

But Su Yan is her biological daughter after all, and she is connected by fate.

Due to the connection of blood,

Empress Nuwa had to care about her future daughter and had to carefully protect and love her.

Su Chen kissed Empress Nuwa and said,

"No, madam, I understand that you are worried that Yan'er will use the jade talisman. Otherwise, you can ask Jinfeng to give Yan'er a jade talisman. Your jade talisman from the second level of the Holy Realm can also protect Yan'er."

"Um? That's good. I immediately gathered a jade talisman from the second level of the holy realm and asked Jin Feng to send it to Yan'er. The jade talisman from the eighth level of the holy realm has to be told to Yan'er not to use it at will."

Chapter 2918

In the ancient land, the human race Dayan Tribe, countless warriors from the Dayan Tribe are gathering. The Dayan Tribe is full of warriors holding weapons and parting with their families.

In the stone hall in the center of the tribe, the leader and high priest of the Dayan tribe stood on a high building, watching everything.

Patriarch Chi Yan frowned and asked, "High Priest, can't war be avoided?"

"Chief, war is unavoidable. Our Dayan Tribe will exist in the Tianmai Mountains in the future. We have to obey the orders of Xuanyuan, the leader of the Bear Tribe. Xuanyuan is the next Emperor of the People, and he is also the next person designated by our old leader Shennong. Emperor."

The gray-bearded high priest shook his head.

He did not want the Great Yan Tribe to launch a war against the Xuannio Tribe, but this was the order of the next Emperor Xuanyuan.

If the Great Yan Tribe disobeyed Xuanyuan's orders, Xuanyuan of the Bear Tribe would be defeated. After Chi You becomes the human queen, the Dayan tribe may be targeted by Xuanyuan, and he may even launch a war to destroy the Dayan tribe.

Chi Yan said doubtfully,

"The Black Bird Tribe is a newly developed tribe. Why would the Youxiong Tribe destroy a newly rising tribe? It is impossible for the Black Bird Tribe to threaten the Bear Tribe"

"Chief, a messenger from the Bear Tribe arrived a few days ago. Although the messenger did not explain why he wanted to destroy the Xuanniao Tribe, I learned from the hexagrams that all cause and effect lies in the Xiling Tribe."

"Xiling tribe? The snail girl's tribe? High Priest, could it be that Xuanyuan ordered our Dayan Tribe to destroy the Xuanniao Tribe because Luo Nu's tribe merged with the Xuanniao Tribe?"

The high priest took a sip of wine and shook his head and explained,

"No, it's all because of Luo Nu. My hexagram shows that Luo Nu will marry Xuanyuan, and Luo Nu will be Xuanyuan's wife."

"At this time, the merger of the Xiling tribe and the Xuanniao tribe meant that Luo Nu was going to marry the leader of the Xuanniao tribe. Xuanyuan should have asked us to destroy the Xuanniao tribe because of this incident."

Chi Yan understood that the war was originally because of Luo Nu.

Luo Nu was a legendary goddess in the human race.

She invented silkworm raising and weaving clothes with silk.

Luo Nu also unconditionally passed on silkworm raising to all human tribes.

Xuanyuan from the Xiong tribe should have taken a fancy to Luo Nu and her reputation among the human race. The

Human-Emperor War is about to begin.

If Xuanyuan marries Luo Nu, some wavering human tribes will also support Xuanyuan.

"The high priest ordered the immortal cultivators of our tribe to monitor the two people from the Xiong tribe. They gave me a very bad feeling. I feel that they are very evil. If they dare to act mischievously in our tribe, let the immortal cultivators of our tribe catch them. Live them. The high

priest nodded and replied, "Patriarch, I have ordered the immortal cultivators in the priest's hall to monitor them. I also feel that they are very evil.""

Chi Yan stroked his beard and said,

"Well, our Dayan tribe has gathered 1.6 million warriors, and the affiliated tribes have gathered nearly two million warriors. The war will begin in a month. I hope everything will go smoothly."

"Hope so."

There is a Xiong tribe.

The clan leader Xuanyuan and Guangchengzi are talking in the main hall. There are eight strange people with strange patterns on their faces.

Xuanyuan said seriously, "Teacher, Chi You has the support of the Wu clan. , after the war begins, the Bear Tribe Alliance may not be the opponent of the Jiuli Tribe."

Guangchengzi said nonchalantly,

"Xuanyuan, you don't have to worry. The Wu Clan dares to help the Jiuli Clan. Our Chan Church will send immortals to deal with the Wu Clan. As long as you lead the army to defeat Chi You's Jiuli Clan, you will be the Human Emperor."

A gloomy middle-aged man said to Xuanyuan,

"Yes, Patriarch, the ten of us will help the Patriarch defeat the Jiuli Tribe, and we also have an army of 200,000 monsters. As long as the war starts, we can let our monster army help the Patriarch."

"Thank you, Mr. Barak."

Xuanyuan clasped his fists and thanked the middle-aged man.

He was very wary of the Ten Balaks. They were ten eerie and strange people.

Xuanyuan was worried that the Ten Balaks had impure intentions and might be Chi You's spies who broke into the Xiong tribe.

However , After several months of observation, and the inspection of teacher Guang Chengzi, Xuanyuan knew that the Barak Ten were sincerely here to help him

"You're welcome, clan leader. The war may start within two years. We brothers need to prepare, so we'll take our leave now."

"Okay, if you have any needs, just ask and I will definitely meet your needs."

"Thank you chief."

After the eight Balaks left the hall,

Guangchengzi frowned and wanted to say something to Xuanyuan, but he thought for a while and did not speak. Although the ten Balaks were eerie and weird

, they were all scum.

If the ten Balaks thought If they are impure and want to plot evil against his disciples, Guangchengzi can destroy them with a wave of his hand. Xuanyuan asked Guangchengzi,"Teacher, haven't you found out the origins of Balak and the others? Guangchengzi shook his head and said,

"No, they should be evil cultivators, but don't worry, these ten scumbag cultivators, if they have evil intentions, I can easily kill them."

"Evil cultivator? Teacher, do you want to drive them away?"

"No, the ten people of Balak are pretty good. The war between you and Chi You is when there are people. You can use them as cannon fodder. Also, after you defeat Chi You, these ten people cannot be retained."

"is teacher."

Half a month later, major events happened in the prehistoric immortal world.

The three powerful forces of the Dragon Clan, the Shura Clan, and the Earth Immortal Realm sent millions of immortal armies to the heaven.

The heaven, which has no sense of existence, has been destroyed by the prehistoric world for half a month. All the races and forces in the world have begun to pay attention.

All the great powers and saints, they can't figure out why the three major races surrendered to Heaven?

Zhulong,

Zhen Yuanzi, and

Ancestor Styx, they are all veteran quasi-sages in the prehistoric fairy world. , have the three veteran quasi-sages joined the Heavenly Court?

There is also the human race.

The war between the Human Emperor has not yet begun, but in the Hengduan Mountains of the human race, the Dayan tribe has gathered more than three million human troops to attack the human Xuanniao tribe. Start a war.

Boom boom boom.....

Suddenly, the northern part of the ancient wilderness was shaken.

Tens of millions of demon clans burst out with powerful killing energy in the northern plain of the ancient wilderness.

"Demon! Demon! Demon!....."

A Daluo Jinxian who was close to the ancient northern plains saw that a large number of monsters were about to move out.

He was so frightened that he hurriedly sent a message to the fellow Taoists around him,

"No good, the demon tribe in the ancient northern plains is about to take action. Are the demon tribe trying to take back the former demon tribe's heaven?"

Chapter 2919

In the prehistoric fairy world, all the powerful men and saints looked at the demon clan in Beiyuan.

Tens of millions of monsters erupted with terrifying evil energy. This was the first time since the Lich War.

What are the monsters going to do?

Could it be that he wants to take back the demon clan's heaven and fight for dominance in the prehistoric fairyland again?

The Starry Sky,

Lao Tzu, Primordial, Tongtian, Zhunti, and Jingyin, the five great saints looked at all this with expressionless faces.

"Don't the demon tribe give up and huddle in the wild northern plains? Do the Beiyuan Demon Clan want to be exterminated?"

"It should be that the heaven is now an empty shell, and the demon clan should want to take back the former demon clan's heaven."

"Empty shell? Zhunti, there are now tens of millions of immortal armies from the Dragon Clan, Shura Clan, and the Earthly Immortal Realm in Heaven. It will not be easy for the Monster Clan to take back Heaven."

"Well, there are two quasi-sages, Haotian and Yaochi, in Tianting, as well as Zhen Yuanzi, Ancestor Minghe, and Zhulong. It is impossible for the remaining four demon saints of the demon clan to conquer Tianting."

"This has nothing to do with us. It's best if the Heavenly Court and the Monster Clan fight and both sides suffer."

"That's right, we don't have to worry about the war between the demon clan and Heavenly Court having nothing to do with us. If both the demon clan and Heavenly Court suffer losses, it will be very beneficial to our Saint Sect."

The five saints talked for a while, and they all looked aloof and ready to watch a show.

In the ancient heaven,

Haotian came out of seclusion, but he was confused when he looked at the empty Lingxiao Palace.

Where are his men?

In the heaven Where are the heavenly soldiers and generals?

How come the Lingxiao Palace is empty? There isn't even a serving fairy

"Yaochi Wonderland? Candle dragon? Zhen Yuanzi? Ancestor Styx? And Chang'e? Um? Chang Xi and Xihe did not die? How could they be in Yaochi Wonderland?"

Haotian looked at the ancient heaven and was even more confused.

The Queen Mother's Yaochi Fairyland was heavily guarded, and was surrounded by black-armored legions of more than 100,000 heavenly realms.

There were six quasi-sage powers in the Yaochi Fairyland.

Haotian couldn't figure it out.

What did the Queen Mother do during the few hundred years he was in seclusion? Could it be that he was ignored by the Queen Mother?

"Damn it, what the hell is going on?"

Haotian did not go to Yaochi Fairyland rashly. He was no match for any of the veteran quasi-sages in Yaochi Fairyland.

Haotian is worried that Zhen Yuanzi and others will catch him and imprison him. He first wants to know what major events happened during the hundreds of years of seclusion.

In Yaochi Fairyland, in the Peach Garden,

Su Yan was sitting with the Queen Mother, the Xihe daughters, Zhen Yuanzi, Zhulong, and Ancestor Minghe. They all understood what was going on with the demon clan's dispatch. The demon soldiers from the demon clan in the Great Wilderness Beiyuan also wanted to join the Heavenly Court. No, to be precise, they wanted to join Su Yan. Su Yan stood up and said with a cold and serious face,

"Zhen Yuanzi, Zhulong, and Ancestor Minghe, your three armies will be formed into the Southern Immortal Combat Legion of the Ancient Heaven, a 10 million Immortal Combat Legion, and I will provide you with training resources. Zhulong bowed to Su Yan and said, "Your Royal Highness, we will merge the armies into the Southern Immortal Combat Legion. The resources will not be needed. The three of us still have some training resources.""

Zhen Yuanzi stroked his beard and said,

"Your Highness, Zhulong is right, we have the resources to train the Southern Immortal Combat Legion."

Ancestor Minghe said with a smile,

"Yes, we have all survived dozens of guild yuan, and we can afford 10 million military resources."

Ever since Zhulong and the others talked with Su Yan, they believed in what Su Yan said, especially their respective spiritual treasures.

Su Yan could command them at will.

Even if they wanted to control their spiritual treasures, they couldn't.

And Su Yan is also the daughter of Empress Nuwa.

After Zhulong and the other three talked to each other, they guessed that Su Yan should be a descendant from the prehistoric fairy world who became a saint?

They will be Su Yan in the future. Yan's father's subordinates all became Hunyuan Daluo Jinxian.

Regarding these,

Su Yan did not lie to them.

The beating of their souls showed that what Su Yan said was true.

Zhulong and the other three were very excited about this. , they did not dare to express their inner guesses, but they would obey Su Yanyan.

Su Yan nodded and continued,

"Okay, the Southern Immortal Combat Legion relies on three ancestors."

"I remind the three ancestors"

"Southern Immortal Combat Legion, you just borrowed the title of the legion. The real Southern Immortal Combat Legion has the existence of the holy realm. The power of the Southern Immortal Combat Legion is beyond your imagination."

Su Yan wants to form several combat legions.

The armies of the three tribes can be merged into one combat legion.

The demon tribe will form a demon tribe combat legion. The witch tribe will form a witch tribe combat legion.

The immortals from heaven and the immortals recruited in the future can be formed. A combat legion. The

Black Armored Legion, the female fairies of West Kunlun, and the Phoenix Clan. Su Yan plans to set up a guardian legion.

Each legion has ten million.

She will have fifty million immortal armies in her hands. If she does not launch the world In the domain war, the 50 million immortal army was enough for her to unify the ancient immortal world.

At this moment,

Zhen Yuanzi, the three people and the Queen Mother and the Queen Mother were very shocked when they heard Su Yan's words. The real southern immortal combat army actually had the existence of the holy realm. ?

Su Yan's father has a southern immortal combat legion?

What about the other legions?

If there is a southern legion, there will be an eastern, northern, and western immortal combat legion. Are there saint realms in these legions?

Chang Xi asked Su Yan He said, "Yan'er, how many immortal combat legions does your father have?"

Su Yan touched his chin and replied with a smile,

"My father has four major immortal combat legions in the southeast, northwest and northwest, as well as the Tenglong Immortal Combat Legion and the Gray Wolf Immortal Combat Legion.

"There are also the Wu Clan Immortal Combat Legion, the Demon Clan Immortal Combat Legion, and the Xuantian Realm Defense Legion united by all races."

"The others are the Angel Guardian Legion of the Angel Clan, which is my father's guardian legion, and my Immortal Black Bird Legion, which is my personal combat legion."

"These legions all have the presence of the Holy Realm, and the commanders of each subordinate legion are at least Daluo Jinxian. Except for the Angel Guardian Legion and the Black Bird Legion, the other legions have an army of one billion immortals."

The Queen Mother and the others looked at Su Yan in stunned silence. Su Yan's words made them unbelievable. More than a dozen immortal combat legions?

Tens of billions of immortal armies?

Each legion has the existence of a holy realm?

More than a dozen saints ?

Su Yan's father actually has more than ten saints under his command?

Is this going against heaven?

Chang'e couldn't help but ask, "Yan'er, what level of cultivation is your father?" Is he a saint?".

Chapter 2920

The Queen Mother and Zhen Yuanzi also looked at Su Yan. They were all shocked by what Su Yan said. There were more than ten immortal combat legions, and there were saints in each legion.

Where is Su Yan's father, Su Chen?

What state of cultivation would Su Chen be in?

Su Chen could have more than ten subordinates in the holy realm.

The Queen Mother and others speculated that Su Chen might also be a saint, and he might be a powerful and terrifying saint.

Su Yan saw several top-quality innate spiritual treasures covering the secrets of heaven. She thought about it and planned to tell them about Su Chen's cultivation level.

Su Yan smiled and said,

"My father is at the eighth level of the holy realm."

"My heaven, the eighth level of the holy realm? It is impossible for Dao Ancestor to be so powerful"

"It's too scary, the eighth level of the holy realm? I can't even think about it"

"Yes, it is too scary. There has never been such a powerful saint in the "Two-Twenty" Heaven of the eighth level of the Holy Realm."

Zhulong, Zhen Yuanzi, and Ancestor Minghe were frightened.

Su Yan's father turned out to be a saint from the eighth level of the Holy Realm. They were even more shocked than when they heard that Su Chen had more than ten Holy Realm subordinates.

The prehistoric fairyland Here, the Saint of Sanqing may be the third heaven of the Holy Realm.

What about the Taoist?

Is it the sixth heaven of the Holy Realm?

Or the seventh heaven of the Holy Realm? Su Chen of the eighth heaven of the Holy Realm.

Su Chen may be able to kill the three of me with one hand. He is the Taoist Ancestor. They were no match for Su Chen.

The Queen Mother and the other girls were also very shocked.

They guessed that Su Chen's cultivation realm was very powerful, but they did not expect that Su Chen would be in the eighth level of the holy realm.

However, the Queen Mother and the other girls also relaxed in their hearts. , Su Chen is their future Taoist companion. The stronger Su Chen's cultivation is, the more they don't have to worry about Su Chen being in danger in the future.

Su Yan said to Chang Xi,

"Aunt Chang Xi, the demon soldiers and demon saints from the demon clan will arrive today. You will arrange for them to enter the heaven later."

"Okay, I'll go see Bai Ze and the others later."

Chang Xi nodded to Su Yan.

She was no longer worried about Su Yan's misbehavior.

Su Chen's cultivation realm was very strong, and it was impossible for Su Yan to have any trouble in the prehistoric fairyland.

After a while,

Zhen Yuanzi and the others left Pantaoyuan, and they To merge the army into the Southern Immortal Combat Legion, Su Yan's first order was that Zhen Yuanzi and the other three should work hard to complete the integration of the Immortal Army.

In the Peach Garden,

Xihe reminded the Queen Mother,"Queen Mother, Haotian is leaving. To heaven."

The Queen Mother drank tea and shook her head and said,

"Don't worry about him, Dao Ancestor has already merged with Tao. As long as we don't kill Haotian, Dao Ancestor will not appear. Chang'e reminded worriedly,"We'd better be careful. I'm worried that Haotian will contact those saints.""

Su Yan said with a smile while eating the flat peach,

"Auntie, don't worry, those saints will not pay attention to Haotian. The saint sect will unite to deal with Jiejiao and Tongtian. They will not offend my mother at this time."

The Queen Mother and the Xihe girls nodded.

I and the saints are trying to deal with Jiejiao. They don't dare to offend Nuwa at this time.

Tongtian has the Immortal Killing Sword Formation.

The four saints should have a very difficult time dealing with Tongtian.

If they offend If Nuwa Empress and Tongtian unite, the four great saints will be very tragic.

In Wa Palace,

Su Chen is very confused at this moment.

Su Yan brings Zhulong, Zhen Yuanzi, Ancestor Minghe, Yao The family, the Queen Mother, and Chang Xi have all been settled, but what about him?

Does Su Chen still need to meet Zhen Yuanzi and those people?

"Damn it, what on earth is Yan Yatou going to do?"

Su Chen thought that Su Yan had taken care of Zhulong and the others, and also asked Zhulong and the others to gather the immortal army to Heaven.

What is this going to do?

The demon soldiers of the demon tribe will soon go to Heaven. Isn't it possible that Su Yan is going to fight against something? Are the races going to war?

Su Chen was drinking in the Lingguo Garden.

He couldn't figure out what Su Yan had planned.

The three Zhen Yuanzi were taken care of by Su Yan, the demon tribe was also taken care of by Su Yan, and there was Chang Xi in the heaven. , Chang'e, Xihe, and the Queen Mother asked Su Yan to take care of Houtu, Jiufeng, and the Queen Mother of the West.

What else would Su Chen do? In the Human-Human War of the human race, if he informed Su Yan to dispatch the immortal army and powerful forces, Su Chen felt that he could win just by lying down.

"It's time to go to the ancient immortal world. I don't need to contact Zhen Yuanzi and those people anymore. With Su Yan's trouble, I only need to develop and expand the Xuanniao tribe."

Whoosh!" Nuwa

, the empress, suddenly appeared and asked,"Husband, are you going to the prehistoric fairyland?"

Su Chen hugged Nuwa and said,

"Well, the Human-Emperor War will break out in two or three years, and I'm going to the human race in the prehistoric fairy world to prepare.0...."

"Husband, you want to fight for the third emperor of the People. Chanjiao will not agree. Yuan may take action when the time comes."

"Don't worry, Yuan Yuan doesn't dare to take action, he will only let the disciples of Chanjiao take action. Although the Human Emperor is a scam, the Prehistoric Tiandao Society is paying attention to the Human Emperor war of the human race."

Empress Nuwa said helplessly, "Yes, the Human Emperor is a scam. The human race would have had a saint, but only eight Human Emperors could emerge after being calculated."

Su Chen kissed Nuwa and said,

"The eight human emperors made great contributions to the development of the human race in the early days, but later they all became corrupt. The human emperor only knew how to enjoy the luck of the human race, and did not care about the human race being reduced to pawns by the saints."

Empress Nuwa leaned against Su Chenhuai and said with a smile,

"How can the Human Emperor intervene? They are all disciples of the Saint Sect, and they are also imprisoned in the Fire Cloud Cave. It is impossible for the eight human emperors to contribute to the human race."

Su Chen hugged Nuwa without saying anything.

Regarding the eight human emperors in the future,

Su Chen couldn't understand them any better. After all, he ordered his men to kill the eight human emperors twice.

Eight stupid human emperors.

Su Chen was too lazy to show up. Mention them.

The Black Bird Tribe, the war is getting closer and closer.

Maximus and Bai Yuekui lead the army with 5.8 to prepare for the war. One million Black Bird Tribe troops and one hundred thousand black-armored immortal cultivators are all preparing for the war in Qingfeng Plain.

In the commander's tent,

Selina said to Maximus,

"Mark, Qilin sent news that the army of the Dayan tribe will arrive in three days, the armies of other tribes will arrive in five days, and the war will begin in ten days.

Maximus asked seriously, "Selena, how many troops are there in the Great Yan Tribe and other tribes?"

Selina took a sip of tea and replied, "Mark, the Dayan tribe has nearly two million troops, and the affiliated tribe alliance of the Dayan tribe has about three million troops.""

"Let me go, five million troops? It's so scary. The most wars I've experienced involve more than 100,000 troops. A war with one million troops is very scary. A war with five million troops makes my scalp numb just thinking about it."
