

Zongwu 2971

Chapter 2971

Su Yan looked at Shennong with disdain.

She came secretly to kill Shennong and Fuxi this time. Su Yan just wanted to kill the two human emperors with her own hands. The human emperor could only be her father, and no one else was worthy of being the human emperor.

Shennong said calmly, "Empress, do it!"

Shennong knew that he could not escape.

Empress Su Yan came to kill him and Fuxi in person. Shennong guessed that there were quasi-sages hiding around, and there might be more than one. The quasi-sages in heaven would not let Su Yan be in danger on the battlefield.

Su Yan waved his hand, and the Five Elements Spiritual Orb appeared instantly, and a terrifying aura erupted and enveloped Shennong.

"Shen Nong, the Human Emperor can only be my father. If you want to blame me, I blame you for being chosen as the Human Emperor by the saint. Shennong pointed to the sky and shouted, "Empress, I was born a human emperor, not a saint who chose me to be a human emperor.""

"Humph, if there is no saint, you are just a fart, born to be a human emperor"two or seventy-seven"? Just keep dreaming, Mie!" boom!

"Ah~"

Shennong shouted and his body was instantly shattered and dissipated, boom!

"No, don't destroy my Yuan....."

The Five Elements Spiritual Pearl quickly strangled Shennong's soul.

"Scumbag!"

Su Yan saw that Shennong was killed instantly.

She looked at Fuxi in the distance.

The red hydrangea was still killing Fuxi. In less than a quarter of an hour, Fuxi would be completely killed.

Boom!

The prehistoric fairyland was shaken again. When he got up, the blood rain falling from the sky became heavier and heavier.

The war on the Yellow River Plain also stopped.

The pouring blood rain made it impossible for the war to continue.

Su Yan looked up to the nine heavens and whispered, "Be good, four saints have been destroyed." Kill, dad and Aunt Nuwa are really fierce, there is only one saint left, Hongjun should be the last one left."

At this time, in the chaos, after Su Chen destroyed Yuanshi Tianzun, he handed over all the spiritual treasures he got to Nuwa.

Nuwa accepted all the spiritual treasures and asked, "Husband, Hongjun is the only one left, we have to take action. Destroy him?"

Su Chen hugged Nuwa's soft waist and said, "Destroy, of course we must destroy Hongjun."

"Then destroy Hongjun"

"good!"

Su Chen waved his hand, and Hongjun was released from the prison of space.

"Su Chen, I didn't expect that you had reached great success in cultivating the laws of space. But you can't kill the old Taoist yet!"

After Hongjun appeared, he hurriedly took out the jade butterfly.

He also sensed that the four great saints of Yuanshi Tianzun were killed. Hongjun didn't care at all about the fall of the four great saints.

Su Chen said disdainfully, "Hongjun, I want to kill you. , you can't hide, you can't escape"

"Zixiao Palace!"

Boom!

A huge palace appeared instantly, and

Hongjun quickly disappeared into the palace.

The Zixiao Palace, half a step away from the Chaos Spiritual Treasure, was

Hongjun's last resort to save his life. For thousands of years, Hongjun used the stolen source of heaven to advance his defense. Lingbao, Hongjun had to blow up Zixiao Palace to escape today in order to survive. Hongjun is no match for Su Chen and Nuwa, but he can break through the chaos and hide in an unknown small world.

"Su Chen, Nuwa, half-step Chaos Spiritual Treasure self-destructs in the chaos, you will be overwhelmed by the self-destruction of Zixiao Palace, and you will also be annihilated by the terrifying evil energy of chaos, haha~."

Su Chen hurriedly activated the law of time and shouted,

"Time pauses! Nuwa, attack Zixiao Palace quickly. You must not let Zixiao Palace explode. Otherwise, the prehistoric fairyland will be impacted by the evil energy of chaos, and countless creatures in the prehistoric fairyland will be killed or injured."

"good!"

Nuwa Empress quickly used Ice and Snow Lotus to attack Zixiao Palace.

She did not expect that Hongjun was so insidious. Hongjun would use Zixiao Palace to self-destruct to escape. If

Zixiao Palace self-destructed,

Nuwa and Su Chen would escape, but the prehistoric fairy world What?

The prehistoric fairy world may suffer heavy losses, and all the creatures in the prehistoric fairy world will be wiped out by the evil energy of chaos.

"Archangel, attack Zixiao Palace."

Su Chen waved his hand and released the Archangel and ordered that he would use the law of time to immobilize the Zixiao Palace and explode himself.

Su Chen could only ask the Archangel to help Nuwa attack the Zixiao Palace. As long as the Zixiao Palace was shattered, that old Yin Hongjun would be destroyed. If he is dead, Su Chen will torture Hongjun to death.

"Yes, master!"

Boom boom~

The ice lotus and the archangel kept attacking the Zixiao Palace, and the Zixiao Palace was shaken violently by the attack.

"Chaos spirit treasure? It's still a living Chaos Spiritual Treasure, damn it, this bastard actually used a beautiful woman as a Spiritual Treasure, and even upgraded it to the level of a Chaos Spiritual Treasure."

When Empress Nuwa saw the archangel appear, her expression was very bad. She was a living chaotic spirit treasure, or a very beautiful woman with a bumpy figure.

Is this a spirit treasure?

Or is it Su Chen's woman?

"I'll settle the score with that bastard later0...."

Nuwa Empress waved her hand and took out the God-killing Spear to attack Zixiao Palace.

Now was not the time to cause trouble with Su Chen. After killing Hongjun,

Nuwa had time to settle accounts with Su Chen.

Time passes little by little.

The Zixiao Palace was also attacked and cracks appeared. It won't be long before the Zixiao Palace will be shattered and dissipated by the attack.

"Damn it, the law of time? Su Chen not only knows the laws of space, he also knows the laws of time."

Hongjun became anxious.

Zixiao Palace was his last resort.

If Zixiao Palace was shattered, Hongjun would be killed instantly when facing Su Chen and Nuwa.

Su Chen saw that Zixiao Palace began to crack. , it won't take long for it to break. He looked at Zixiao Palace and his face became cold.

He did not underestimate Hongjun, but Hongjun still surprised him.

The old yin is indeed an old yin.

During the Conferred God Period,

Hongjun Jun used Zixiao Palace to open up a ruined fairyland. This time he wanted to blow up Zixiao Palace and wanted to take the opportunity to escape.

"The law of fire is blazing!"

Boom!

A fire suddenly broke out in the Zixiao Palace.

The fire of law was more terrifying than the real fire of Samadhi 3.1. The Zixiao Palace was instantly burned red.

"Create a jade butterfly and merge it into the Zixiao Palace for me."

Hongjun hurriedly integrated the Good Fortune Jade Butterfly into the Zixiao Palace.

The Zixiao Palace cannot be broken.

Although the Good Fortune Jade Butterfly is a half-step chaos spiritual treasure, compared to his life and death, Hongjun had to give up the Good Fortune Jade to save his life.

"Hum, dying struggle!"

Su Chen did not expect that Hongjun would abandon the Good Fortune Jade Butterfly.

The Good Fortune Jade Butterfly integrated into the Zixiao Palace, which can only delay a little time. If the Archangel explodes with all its strength, the Archangel of the Chaos Lingbao will crush the Zixiao Palace in a quarter of an hour.

Boom boom boom.....

Suddenly, streaks of black thunder struck from the prehistoric starry sky toward the Zixiao Palace,

"Let me go, the ancient heaven actually dropped the Zixiao Divine Thunder to bombard the Zixiao Palace. The ancient heaven must have discovered Hongjun's intention."

Chapter 2972

Su Chen did not expect that the Great Desolate Heaven would take action, but after thinking about it, he felt that it was reasonable for the Great Desolate Heaven to take action. If Hongjun's Zixiao Palace exploded and the Great Desolate Immortal World suffered heavy losses, the Great Desolate Heaven would not be easy. After all, the stronger the Prehistoric Immortal World was, the prehistoric heavenly way will become stronger.

Su Chen thought for a while and shouted,

"The ancient way of heaven deprived Hongjun of his Hongmeng purple energy and expelled Hongjun's identity as the spokesperson of the way of heaven."

【allow!】

"No!"

In the Zixiao Palace,

Hongjun shouted unwillingly.

He has not escaped yet.

If the prehistoric Heavenly Dao deprives him of the Hongmeng Purple Qi and expels his identity as the spokesperson of the Heavenly Dao, his cultivation level will plummet.

If he falls out of the holy realm,

Hongjun did not have the ability to control Zixiao Palace to explode, nor did he have the ability to escape into chaos.

【deprivation! Expelled! 】

boom!

A ray of light enveloped Zixiao Palace,

"How come this is 450? how so? Wrong, I was wrong, I shouldn't have blown up Zixiao Palace on the edge of prehistoric times, everything was over, and all the calculations made for tens of millions of years were in vain."

In the Zixiao Palace,

Hongjun was paralyzed on the ground with a pale face.

His Hongmeng Purple Qi was deprived of him, his identity as the spokesperson of Heavenly Dao was expelled, and his cultivation realm continued to decline. He was unable to even control the Zixiao Palace, and he could not continue. Control the Zixiao Palace to self-destruct.

Without the support of terrifying magic power, the Zixiao Palace will be attacked and shattered soon. Hongjun, a quasi-sage, will not be able to escape even if he wants to escape, and he will also be killed by Su Chen and Nuwa.

After three breaths,

Hongjun Jun's cultivation realm fell to the pinnacle of quasi-sage.

A saint in the sixth level of the holy realm was deprived of the Hongmeng Purple Qi and expelled as the spokesman of heaven.

He was now a scumbag in the quasi-sage realm.

Boom!

A quarter of an hour later,

Zi The Xiao Palace was shattered, and

Hongjun appeared in the chaos.

He lost the half-step of the Chaos Spiritual Treasure Zixiao Palace, and the half-step of the Chaos Spiritual Treasure of Creation Jade Butterfly. He also became a scumbag at the peak of a quasi-sage. Hongjun Waiting in despair to be killed

"The Law of Fire: Blazing!"

Su Chen waved his hand and used the law of fire to annihilate Hongjun.

He wanted to burn Hongjun to death with blazing flames.

The prehistoric immortal world was made weaker and weaker by Hongjun.

The three innate clans and the two lich clans, their decline and fall were all over. It was Hongjun's plan. Su Chen planned to use blazing fire to wash away Hongjun's sins.

Hongjun didn't resist, he didn't scream, he looked at Su Chen with an expression of resentment,

"The old man is unwilling to give in....."

At the last moment,

Honghuang roared unwillingly at Su Chen. His body was burned so fiercely that no dust was left behind. Hongjun's soul did not escape either. His soul was burned so fiercely that it dissipated into the chaos.

"Goodbye, Hongjun, goodbye, old bastard."

Su Chen saw Hongjun completely fallen, and he whispered with no expression on his face.

Nuwa said to Su Chen, "Husband, let's go back."

Hongjun and the four great saints were killed.

There is no threat to their existence in the ancient world of immortality.

Empress Nuwa does not have to worry that Su Yan will suffer from the saints' calculations. She must quickly return to the ancient world of immortality to catch Su Yan. Su Yan left the heaven privately. Nuwa was worried Her daughter would be lawless and cause trouble.

Su Chen hugged Nuwa, kissed her and said, "Madam, you go back to the ancient world first, Tiandao and I need to talk."

"Okay, our daughter secretly went to the lower world. I'm worried that she will cause trouble. I'll catch her and bring her back to heaven."

"The little girl is used to being wild. There is no danger in the prehistoric fairy world, so don't worry about the little girl."

"No, I want to change my daughter. Look at how I spoiled my daughter."

"Whatever you want, I can't do anything about Yan'er. If you have the heart to take care of the little girl, just take care of her."

"you...., "

Nuwa rolled her eyes at Su Chen and disappeared instantly.

As for Su Yan, how could Nuwa take care of her? It was too late for her to love her.

The empress Nuwa wanted Su Yan to change. You need to be more stable and mature. Su Yan is the emperor of the ancient immortal world. Nuwa doesn't want Su Yan to make decisions as he pleases in the future.

"Women, women!"

Su Chen saw Nu Wa couldn't wait to leave.

He knew why.

However, how could Su Yan have a blood connection with Nu Wa?

Did Nu Wa do something to Su Yan during the Journey to the West? Or was Nu Wa's natal essence and blood given to her? A drop of Su Yan?

Su Chen doesn't plan to tell Nuwa that Su Yan is not her biological daughter.

This is good.

Su Yan was originally Nuwa's daughter.

He is now in the eighth level of the holy realm. It is very difficult for girls to have children. I hope After going to Hongmeng World, Su Chen could find a way to get the girls pregnant. In the prehistoric fairy world, as the prehistoric world shook violently again, all the immortals understood that Hongjun and the four great saints had fallen.

"Hongjun and the four great saints have all fallen. From now on in the prehistoric immortal world, the empress Su Yan will be respected."

"Yes, the Queen Mother and Xihe and several powerful quasi-sages are surrounding and killing the disciples of the three religions. All the disciples of the three religions in the prehistoric immortal world will also be killed."

"Empress Su Yan has a mother, Nuwa, and a father, Emperor Su Chen. The prehistoric fairy world is completely unified."

"This is fine. Without those selfish saints, the Great Immortal World will get better and better in the future, and there will be no more great wars. I hope that the innate spiritual energy will return to the Great Immortal World."

"Innate aura? This is probably very difficult. I hope Empress Nuwa and Emperor Su Chen can find a way to solve it. I also hope that the innate spiritual energy will reappear in the prehistoric fairyland."

The immortals from all over the prehistoric fairy world were talking one after another.

Hongjun and the four great saints were killed and fell.

All the immortals understood that the heaven would rule the prehistoric fairy world in the future.

The empress Su Yan would be the real ruler of the prehistoric fairy world in the future. All the immortals hoped that Nuwa He and Su Chen had a way to make the innate spiritual energy reappear in the ancient fairyland.

On the Yellow River Plain,

Alice and the other girls surrounded eight people from the hostile team. They looked at the eight people from the hostile team with mocking expressions.

Eight ugly aliens , and all of them were seriously injured. They had completed three of the five Luck War missions. The female leader helped them complete missions three and four. In mission five, the enemy team's monster legion was massacred by the Wu clan. They After completing

mission five indirectly, Selina said with a cold face, "Let's take action. After mission two is completed, as long as we destroy the bear tribe, we will complete all the destiny war missions."

Chapter 2973

Alice and the girls nodded. Although they have completed three of the five Luck War missions, the completion of the three Luck War missions has nothing to do with them. They have to complete the remaining two missions of destiny war by themselves. boom! Suddenly, a terrifying aura suppressed the eight members of the hostile team to the ground. When Alice and Natasha saw the sudden appearance of Su Yan, their faces turned dark. The eight members of the hostile team were originally being chased by a tribe of bears. They were killed and injured. Under the suppression of Su Yan's terrifying aura, each of the enemy team vomited blood and fell to the ground unconscious. Did they kill eight members of the enemy team with their attacks? Su Yan smiled in the air and said,

"Aunts, there is no need to thank me, these eight scumbag ugly people, I helped you deal with them. Bai

Yuekui rubbed his forehead and said,

"Yan'er, why did you appear on the battlefield? You return to the sky and command the heavenly soldiers and generals to kill the immortals of the Bear Tribe. Su

Yan appeared next to Bai Yue Kuisu in an instant and said, "I don't need to give orders. The commander of the Black Armor Army will destroy all the immortals in the Bear Tribe. I will help my aunts when I am bored." Natasha patted Su Yan on the shoulder and said, "Little girl, aren't you worried about Sister Queen Mother and Sister Xihe worrying about you?"

"The Queen Mother and the others went to hunt down those quasi-sages, but they can't take care of me now."

Wenina reminded with a smile, "Yan'er, your father and mother will come back soon. Aren't you worried that your mother will come to catch you?"

Su Yan clenched his fist and said,

"No, after my father and mother killed all the saints, they must have been talking to each other."

"Is it? Yan'er, you are getting more and more naughty."

Suddenly,

Nuwa appeared next to her.

She looked at Su Yan and was very speechless.

Is this her biological daughter?

Is there any child who talks about his father and mother like this?

Su Yan asked in surprise, "Oh, mother, why are you like this? Come back soon? Where is my dad? Is he back too?"

Su Yan immediately took hold of Nuwa's hand. She had just said bad things about Nuwa and Su Chen, and Nuwa immediately appeared after hearing it. Su Yan was worried that Nuwa would catch her and take her back to heaven.

"I have met Sister Nuwa."

Wenina and the seven girls Bai Yuekui saluted Nuwa,"

Mother Nuwa!

They didn't expect to see Empress Nuwa one day. Empress

Nuwa is the legendary Virgin Mother of the human race, the only female saint in the prehistoric fairyland, and the prehistoric fairyland." The most beautiful woman in the world, they became the sisters of Empress Nuwa, and they also had the same man.

Empress Nuwa smiled and said, "Sisters don't need to be polite."

As for Selena and the other girls,

Empress Nuwa heard from Su Yan that they are lucky ones, and they were favored by the lucky heaven to carry out the destiny war mission, and traveled through various worlds to complete the destiny war mission.

Nuwa The empress thinks it is redundant.

The seven Alice girls are all in the realm of transcending tribulation. If they practice in the heaven of the prehistoric fairy world, and the seven Alice girls practice in the time enchantment for ten thousand years, they can at least be promoted to the Golden Immortal.

Venina She smiled and asked, "Sister Nuwa, are you here to take away Yan'er?"

Nuwa Empress touched Su Yan's hair and said, "The little girl is too naughty. I will take her back to heaven first. Su

Yan said hurriedly, "Mother, I am not naughty. I am helping my aunts catch the enemy. You see, I just stunned those ugly monsters, I did not kill them at once."

Alice saw Su Yan's eyes asking for help, she smiled and said,

"Sister Nuwa, there is no danger in the prehistoric fairyland. How about letting Yan'er stay?"

"Sister Nuwa, let Yan'er stay."

"Sister Nuwa, there are the Queen Mother and other sisters on the battlefield, and Yan'er is also a Daluo Jinxian. There is no danger for the little girl to stay."

"The little girl is already sixteen years old. Let her stay. We will also keep an eye on Yan'er."

"Sister Nuwa, Yan'er has gone to the lower world. Let her play for a few days before returning to heaven."

Bai Yuekui and the other girls also saw Su Yan's eyes asking for help. They all spoke for Su Yan one after another.

Su Yan was very sweet and did not look down on them because they were mortals.

The little girl called them one after another, Alice and Bai Yun. Yuekui and his daughters also like Su Yan very much.

Empress Nuwa reluctantly agreed, "Okay, Yan'er, you can stay, but you have to listen to the words of the aunts, otherwise I will take you back to heaven.

Su Yan hurriedly said happily, "Mom, I will be very obedient and I will not cause trouble.""

"It better be so!"

Nuwa Empress hugged Su Yan, she nodded to Alice and the girls and disappeared.

"Aunts, you kill the ugly people in the enemy team, and I will go somewhere else to have fun."

After Su Yan left, she told Alice and the girls that she also disappeared.

With the consent of Nuwa,

Su Yan wanted to play around in the ancient world. She wanted to see what was happening in the ancient world at this time. different

"Word...."

Wenina and the other girls felt tired. Su Yan ran away just after Nuwa Empress left. They were unable to catch Su Yan and come back. Su Yan, the Daluo Jinxian, they and other scum couldn't catch up at all. It was impossible to catch Su Yan back. Wenina helplessly said to the other girls, "Forget it, leave Yan'er alone. Sister Nuwa must have left her breath on Yan'er. Let's kill the eight members of the enemy team first."

"

"All right!"

Boom!

Selina waved her hand and killed eight people from the hostile team.

She was seriously injured and knocked unconscious eight people from the hostile team. They killed them effortlessly this time.

In the chaos, after Su Chen talked with Honghuang Tiandao, he sat on the big On the angel's shoulders, he prepared to return to the Great World of the Ancient World.

Su Chen stroked the archangel's face and asked, "Archangel, do you think I should go to the Hongmeng World as soon as possible?"

The Great Angel replied, rubbing his face against Su Chen's hand,

"Master, the ferocious beast realm has not been resolved yet, are you going to Hongmeng World?"

"That's right, the Beast King Shenni is a threat. I am now in the eighth level of the Holy Realm, so I am not in a hurry to go to the Hongmeng World."

Su Chen kissed the archangel's flaming red lips fiercely.

In the main world, there is still a realm of ferocious beasts that has not yet been resolved, and his cultivation realm has not been promoted to the twelfth level of the holy realm.

The archangel waved his hand,

A space barrier enveloped her and Su Chen.

The armor on the archangel suddenly disappeared. The naked archangel blushed and prepared to serve Su Chen.

"Master, do you still like my flaming red lips?".

Chapter 2974

Su Chen smiled when he heard Tiantian Angel's words.

Tiantian Angel still looks innocent and is still ignorant about men and women.

This is not bad.

Su Chen likes such an archangel very much, and he also likes it very much. I like Tai Angel's flaming red lips.

In the space barrier, a seductive voice suddenly came out.

There was no sound, no light, and no movement in the chaos, but a special romance was happening in a small space barrier.

Five days later, the war on the Yellow River Plain was still going on.

Less than 100 million of the 400 million troops of the Bear Tribe remained. The vast Yellow River Plain was full of corpses, broken limbs, and the sounds of fighting and shouting. The land on the Yellow River plain has been flowing with blood since the beginning of time.

In the big tent of the Bear Tribe,

Xuanyuan stared at the war on the battlefield with red eyes.

For five days,

Xuanyuan had not rested and watched the war on the battlefield.

He watched the troops of the Bear Tribe being slaughtered, and watched the soldiers of the Bear Tribe. Soldiers from the army kept escaping, watching the troops of the Bear Tribe retreat on the battlefield.

Yanshan said to Xuanyuan,

"Patriarch, you should run away. The Bear Tribe is going to be finished. The young men of the Bear Tribe will be slaughtered. The war between the Human Emperor and the Emperor will not turn around. The Patriarch is a cultivator in the Divination Realm, so he should be able to escape. Xuanyuan took a sip of wine and said, "Elder, we can't escape. Even the disciples of the three religions can't escape. Can I, a cultivator of immortality, escape?""

"Patriarch, some disciples of the three religions have also escaped. You will definitely die if you stay, but there is still a chance of survival if you escape."

Xuanyuan laughed crazily and said,

"Haha, it's impossible. The quasi-sages of the three religions and Daluo Jinxian who escaped will be hunted down by the powerful men in heaven. There is no place for the disciples of the three religions in the prehistoric immortal world. In a few days, those disciples of the three religions who escaped will be chased. Kill them."

Xuanyuan saw the quasi-sage from heaven chasing down the escaped disciples of the three religions.

Maybe within a few days, the escaped disciples of the three religions would be beheaded and massacred. There is no possibility that the disciples of the three religions would escape.

Elder Yanshan whispered to Xuanyuan, "Clan Chief, there is one more thing. Your guard commander Zhushan sent more than a hundred of your women to the Black Bird Tribe.

Xuanyuan roared angrily, "What?" That damn bastard, I'm going to tear Zhushan into pieces."

Xuanyuan didn't expect that Zhushan didn't kill his women and send them to the Xuanniao tribe? Did that bastard use his women to surrender to the city? Did he want Su Chen to insult his women?

"Chief, Zhushan has been executed by the Xuannio tribe."

"A good death, a good death. I still wouldn't be willing to die without that bastard who cut his body into pieces with my own hands."

Xuanyuan looked at the camp of the Xuanniao tribe and felt unwilling.

The Human Emperor's war failed, and the army suffered heavy casualties.

The immortal army was either killed or fled.

Maybe tomorrow, maybe the day after tomorrow, maybe the day after tomorrow, he will die too, and he may be killed. The Xuannio tribe executed them late.

In the ruins of Buzhou Mountain,

Su Chen and Tiantian appeared here.

Su Chen looked at the ruins of Buzhou Mountain and shook his head. The Tianzhu of Buzhou Mountain in the ancient fairy world collapsed, and the innate spiritual energy turned into acquired spiritual energy. The ancient heavenly way It was also weakened a lot.

The archangel asked doubtfully, "Master, what are we doing here?"

Su Chen touched the archangel's delicate face and said,

"Archangel, I have never been to the Buzhou Mountain ruins. I will come and take a look today when I have time."

The archangel looked around and felt that there was no point in coming here. The place was deserted, the spiritual energy was very thin, and the surrounding creatures were all races with inferior cultivation levels.

"Huh?"

Su Chen suddenly noticed that a quasi-saint came over here, and he looked embarrassed.

"Master, let me go and he comes over."

Su Chen waved his hand and said,

"Wait, Archangel, let's hide our cultivation realm and hide our cultivation realm to the Golden Immortal."

Su Chen found that there was another Quasi-Saint behind the Quasi-Saint, and he knew that Quasi-Saint.

Jiu Feng!

Hot Girl should be chasing the escaped Quasi-Saint.

The archangel hid his cultivation and said, "Yes, Master!"

After a while, a man in black appeared in Buzhou Mountain in an instant.

He looked at Su Chen and Archangel without paying attention. They were two scumbag golden immortals. The man in black looked back and was very helpless. It has been five days since he was in the ancient world. After five days of running away,

Jiu Feng has been chasing him.

The ancient immortal world is vast, but the man in black has nowhere to escape. Jiu Feng has been chasing him for three days. If it takes a few more days, there may be more than ten The quasi-sage came to hunt him down, and the man in black regretted agreeing to the saint.

"Get out or die!"

Su Chen sat on the archangel's shoulder and said coldly, "Get out? Damn it, I've never gotten out of here before, you ugly monster, do you want to die?"

Boom! Bang!

The man in black waved his hand and slapped Su Chen and the archangel.

A golden light flashed in the archangel's eyes. The man in black was shocked and vomited blood and flew hundreds of miles backward.

Whoosh, the archangel and Su Chen appeared in an instant. Beside Hei, the giant sword of the archangel was thrust into the chest of the man in black.

The man in black asked in fear, "Who are you?"

Su Chen curled his lips and said disdainfully, "Zhazha, you are not qualified to know."

"damn it!"

The man in black is desperate.

Su Chen and the Archangel are very frightened.

He is now suppressed by the Archangel's giant sword and can't escape even if he wants to. Jiufeng can chase him in a few breaths. He will definitely die today, and he can't escape." Both body and soul will be destroyed and beheaded.

Whoosh!

Jiufeng appeared instantly and shouted,

"Su Chen, why are you here, you bastard? Who is the tall woman next to me? You actually found a woman who is three meters tall? (Wang Wang Zhao) Have you surrendered? Su

Chen threatened with a dark face, "Jiu Feng, is your butt itchy again?" Do you still want to be beaten by me?"

"Shameless!"

Jiu Feng blushed and didn't want to talk to this bastard. She was worried that Su Chen would slap her butt again.

This bastard not only had a soft spot for her long legs, but also missed her butt.

Jiu Feng thought of Su Chen's love for her. After being forced to do those embarrassing things, she couldn't help but want to escape.

Su Chen patted the archangel on the shoulder and said, "Archangel, kill the man in black."

"Yes, master!"

Boom!

The archangel's flaming sword suddenly burst into blazing flames. Before the man in black could scream, he was burned physically and mentally by the blazing flames on the flaming sword.

Su Chen hugged Jiufeng's small waist Said, "Jiu Feng, your prey was killed by me, you must reward me. I still like to serve you with your long, white and smooth legs."

Chapter 2975

Jiufeng rolled her eyes at Su Chen speechlessly.

Yama was chased by her and fled for five days. This bastard was able to enjoy the success and destroy Yama, but he still wanted her to reward him?

Long legs to serve?

Why doesn't this shameless pervert die?

"In your dream, who is the archangel? Why do I feel like she is a spiritual treasure? Like a person again?"

Xiao Yu looked at the archangel and said,

"The archangel was a spiritual treasure before, and she already had life. From now on, the archangel is a living angel."

Jiu Feng mocked Su Chen with contempt, "You are so shameless, you won't even let Ling Bao go."

Su Chen said with a dark face,

"Jiufeng, didn't you hear clearly? The archangel came to life, she was a real angel"

"cut!"

"Girl, you just need to be dealt with."

Su Chen hugged Jiufeng and waved his hands to set up a space barrier. He wanted to teach Jiufeng a lesson. The archangel disappeared instantly and entered the face barrier.

In heaven,

Empress Nuwa looked at Su Yan with a dark face.

In the past five days,

Su Yan was running around in the prehistoric fairy world.

Su Yan actually exchanged Lingbao for hundreds of thousands of beauties from the strange races in the prehistoric fairy world, including beauties from the Swan Clan, beauties from the Linghua Clan, beauties from the Fox Clan, and beauties from the Butterfly Clan. Wait, what is the 027 little girl doing? Are you looking for a beautiful girl for Su Chen? Is the little girl her father?

Houtu asked Nuwa speechlessly, "Nuwa, Yan'er and you Got a conflict?"

Houtu's clone didn't expect that Su Yan would collect beauties, and also collect hundreds of thousands of beauties from all ethnic groups. Although the little girl exchanged the innate low-grade spiritual treasures for beauties from all ethnic groups, it's just that

Su Yan, a little girl, collected so many beauties. What are you doing? Isn't Su Yan doing it to take revenge on Nuwa for giving Su Chen a beautiful woman?

Nuwa rolled her eyes at Houtu and said,

"No!"

"No? Yan'er didn't have any conflict with you, so why does the little girl keep collecting beauties from all races? Now you have collected hundreds of thousands, and you still have no intention of stopping?"

Nuwa Empress replied helplessly, "I don't know, the little girl is quirky and does whatever she wants like Su Chen. I don't know why Yan'er collects so many beauties from all ethnic groups."

"Are you not going to stop Yan'er?"

"Prevent? Yan'er has collected hundreds of thousands of beauties from all ethnic groups, it's too late to stop her now"

"That's right. Where is Nuwa and Su Chen? Five days have passed, why hasn't Su Chen come back?"

Nuwa Empress said with a dark face,

"That bastard is here. He is currently hanging out with Jiufeng in the ruins of Buzhou Mountain. He is a shameless pervert who can't live without women for a while. Hou Tu, Su Chen and a living beauty named Lingbao, that bastard and Lingbao. The beauties also got involved."

Previously,

Empress Nuwa sensed that Su Chen had returned to the prehistoric fairyland, but that bastard did not come to heaven.

He actually appeared in the ruins of Buzhou Mountain with the Archangel. He waited for Jiufeng to arrive and chatted with each other in Buzhou Mountain.

Now he has entered the space knot.

Without having to think about it, Empress Nuwa knew what Su Chen and Jiufeng were doing, as well as the Archangel.

The Archangel then also entered the space barrier. Empress Nuwa was so embarrassed that she wanted to beat that bastard.

Houtu rubbed his forehead. Said, "What a bastard, so shameless, how could that bastard have anything to do with us? In future generations, we may all be deceived by Su Chen."

Nuwa Empress nodded.

She and Hou Tu continued to check on Su Yan. They wanted to see how many beauties Su Yan wanted to collect.

At this time, in the ancient fairyland,

Su Yan arrived at the Pegasus tribe.

She looked at the beautiful white Pegasus. I was very happy. The transformed woman from the Tianma tribe was very beautiful, especially her proud big breasts. Su Yan guessed that her father would like it very much.

A beautiful woman saluted Su Yan in the air and said, "Yue Ying, the chief of the Tianma tribe, is carrying the Tianma tribe." See Her Majesty the Empress"

"See Her Majesty the Empress."

Hundreds of thousands of Pegasus people also saluted Su Yan.

Su Yan said in the air,

"Chief Yueying, I need some beauties from the Tianma tribe. I will exchange the innate spiritual treasures for some tribesmen. Yueying said hurriedly in excitement,

"Your Majesty the Empress, the Tianma clan is willing to submit to the Empress, and I don't need the Empress's spiritual treasure."

Yueying didn't expect that Su Yan needed the Tianma clan.

All the creatures in the ancient immortal world knew that

Empress Su Yan was the ruler of the ancient immortal world. No creature dared to disobey the empress Su Yan's order.

The Tianma tribe is just a small ethnic group in the ancient world of immortality.

Yueying is the person with the highest cultivation level among the Tianma tribe, but she is in the realm of a golden immortal. In the ancient world of immortality, the weak and the strong prey on the weak, and the Tianma tribe may be exterminated by other races at any time, or even be annexed into other races. The slaves of the race.

Now, the empress Su Yan wants to conquer the Tianma tribe. Yueying is too late to be happy. How could she object?

Su Yan touched her fair chin and thought for a while and said,

"Yueying, I only need female Pegasus. This is great. The half palace can accept all Pegasus, but the male Pegasus must stay in the heaven, and the female Pegasus can follow me. Do you think it will work?"

"Empress, I agree, I agree."

Yueying hurriedly nodded in agreement to Su Yan.

It is very good for the Tianma Clan to go to Heaven.

The spiritual energy in Heaven is much richer than that in the Tianma Clan. The Tianma Clan is not in any danger in Heaven. Yueying is very interested in the Tianma Clan going to Heaven. No opinion at all

"Yueying, you must immediately gather the Pegasus people. I will also go to other races."

"Yes, Empress!"

Three days later, the troops of the Bear Tribe and the Black Bird Tribe wiped out all the soldiers of the Bear Tribe. Every one was killed. On the entire battlefield, only the Bear Tribe camp was left, which was besieged by the Black Bird Army.

Mark and Qilin appeared outside the camp of the Youxiong Tribe. They looked at the Black Bird Legion with great displeasure. There were

60 million Black Bird Legion.

The war has been going on to this day.

There are less than 20 million soldiers left in each legion of the Black Bird Legion. More than half of them They felt very uncomfortable with the casualties. After all, the Black Bird Legion was trained by them personally.

Boom!

A huge noise shook the ancient world.

Over the Yellow River Plain,

Taibai Venus appeared in the sky and opened a golden scroll and read loudly,

"The ancient fairy world, the heaven, the empress' decree!"

"All the soldiers of the Black Bird Legion who died in the Human-Emperor War will be resurrected in the six reincarnations. After resurrection, all soldiers will become the heavenly soldiers and generals of heaven."

"Long blessing, Your Royal Highness! Long live the Empress!"

"Long blessing, Your Royal Highness! Long live the Empress!"

"Long blessing, Your Royal Highness! Long live the Empress!".

Chapter 2976

When the various legions of the Black Bird Tribe heard the imperial edict from Heaven, all the soldiers cheered.

During the Human-Emperor War, more than 40 million members of the Black Bird tribe were killed or injured, and the entire Black Bird Legion was almost crippled. However, the dead soldiers could be resurrected, and after resurrection they could become heavenly soldiers and generals in heaven.

How could the troops of the Black Bird Tribe be unhappy and how could they not cheer?

Mark and Qilin smiled.

They didn't expect Su Yan to do this. No wonder the Black Armor Legion would be loyal to Su Chen and his Xuanniao family.

Mark took a sip of wine and said, "Girl Yan has done a good job. That bastard Su Chen has a successor."

Qilin nodded and said, "Yan'er started commanding the army to destroy the country when he was five or six years old. Yan'er will be an outstanding empress in the future. , maybe even more qualified than Su Chen as Emperor of Heaven."

Mark shouted angrily,

"Su Chen is a bastard. In this Luck War mission, that bastard is on the way to pick up girls. We have been exhausted for several years and have not had a good night's sleep."

Qilin patted Mark on the shoulder and said,

"Mark, without those women like Su Chen, could we win the Human-Emperor War?"

"Disciples of the three religions, the Immortal Army of the Bear Tribe, 04 and a few quasi-sages invited by the Bear Tribe. Without the help of those terrifying women like Su Chen, we would have become gray a long time ago."

Mark nodded speechlessly.

What Qilin said was good, but why did Mark feel that Qilin called Su Chen a pretty boy?

Su Chen seemed to be considered a pretty boy, and he made his women do everything. Su Chen was also The last one appeared to sweep the tail.

In the camp of the Bear Tribe,

Xuanyuan sat on the stone stairs with a gloomy face.

The Human-Emperor War was about to end. The 400 million troops of the Bear Tribe Alliance were massacred.

The army of about 400 million was reduced to just ten After being massacred for many days, there were less than 100,000 troops from the Xiong tribe left in the camp. Twenty million troops from the Xuanniao tribe also surrounded the camp.

Xuanyuan looked outside the camp.

He understood why the Xuanniao tribe did not Attack, they are waiting.

The army of the Xuannio Tribe is waiting for the leader of the Xuannio Tribe. They want to wait for the leader of the Xuannio Tribe to give the order to destroy him. The Xuannio Army wants to give the final glory to the leader of the Xuannio Tribe.

"Haha~, failed, completely failed."

Xuanyuan took a big sip of wine.

He stood up and wanted to make an end.

Xuanyuan will not be a prisoner. If he is captured alive, he will be executed. If he commits suicide, he will die. In order not to be captured alive and humiliated by the Xuanniao tribe, Xuanyuan will die with dignity.

"Xuanhuo Pearl, Xuanyuan Sword, explode!"

Boom! Boom!

Xuanyuan self-destructed two spiritual treasures.

The camp of the Youxiong tribe was instantly a sea of fire. Xuanyuan and the rest of the Youxiong army were instantly burned to ashes. Everyone was burned to death without even screaming..Boom boom boom.....

The prehistoric immortal world was shaken, and the calamity aura in the prehistoric immortal world began to dissipate.

The prehistoric immortal world also regained its clarity, and some creatures affected by the calamity aura also recovered.

【Lucky ones, the Human-Emperor War is over. Congratulations on completing the five major tasks. You have won the Human-Emperor War. The rewards will be distributed after the return. The lucky ones will start to return three days later. 】

Mark and Qilin did not expect that Xuanyuan would die after exploding his spiritual treasure. With the self-destruction of the two innate spiritual treasures, Xuanyuan and even his soul were wiped out. In the war between the emperor and the emperor, the Black Bird tribe won the victory.

"well!

Mark took a breath and said,"The Qi War mission is completed. We will return in three days.""

Qilin said with a calm expression,

"In the few short years we have been in the ancient immortal world, I feel like we have been here for decades. There are my friends and many of my subordinates here, and I am a little reluctant to leave."

"Qilin, I feel the same way. You are not willing to leave. However, the ancient world of immortality is controlled by Su Chen and Su Yan's father and daughter. It will be very easy for us to come back in the future."

"That's right"

"Qilin, let's go find our friends and subordinates. In three days, we'll have a good time with them."

"good."

Over the Yellow River Plain,

Alice and the girls looked at each other.

The Human-Emperor War is over, and they will leave the Great Desolate Fairyland in three days.

This Fate War lasted the longest, and the tasks they completed were also confusing. Five Fate War tasks. It was all completed with the help of others. Xuanyuan's self-destructing Lingbao, they didn't even solve a single task by themselves.

"It's over. Of the five Luck War missions, we only killed eight members of the enemy team who had no ability to resist. The other missions were completed in a muddle."

"It's over. The Human-Emperor War has lasted more than eight years. We have experienced the longest destiny war mission, and we have also stayed with Su Chen for the longest time."

"Alas, I have to separate from Su Chen again. I am a little reluctant to separate from Su Chen."

"Don't worry, our separation will be very short. As long as Su Chen advances to the twelfth level of the Holy Realm, he will open a space passage for us to the Xuantian Realm. We can see that bastard anytime we want in the future."

"That's right, there are still three days left. Sisters, let's go to heaven. Let's meet the legendary goddesses together."

"OK, I want to meet the legendary sister Chang'e and the Queen Mother."

"The three fairies of the Taiyin Star are all our sisters. We can go to the Moon Palace."

"There is also Pan 780 Taoyuan. Both Bai Yuekui and Laura have been to Pan Taoyuan. We also went to the legendary Pan Taoyuan."

"Forget it, we are not immortals. The peaches in the Peach Garden are very attractive. When we go to the Peach Garden, we can only look at them but not eat them."

Alice and the seven girls of Venina were talking. They informed the Black Bird Tribe that the snail girl and the female leader would go to heaven together. Three days was too short and they didn't want to waste even a quarter of an hour.

In the ruins of Buzhou Mountain,

Su Chen held Jiu Feng Looking at the Yellow River Plain, the Human-Emperor War is over and the Luck War tasks are also completed.

Three days?

Su Chen will be separated from Wenina and the girls again in three days. He is a little reluctant to let go of the Wenina and the girls.

However, he Returning to the main world and destroying the Beast King Shen Ni will also lead to seclusion.

As long as Su Chen advances to the twelfth level of the Holy Realm, he will forcefully break through the small worlds of Wenina and the other girls. The girls can also go to the Xuantian Realm in the future. You can continue to participate in the Luck War mission.

Jiufeng tidied up her messy clothes and said, "Su Chen, put me down quickly. I want to catch Su Yan. Su Yan ran away again. Sister Xihe informed us to catch Su Yan."."

Su Chen said speechlessly,

"The little girl is used to being wild, you don't need to catch her"

"No, the news Xihe gave me said that Su Yan is collecting beauties from all ethnic groups everywhere. The little girl has collected millions of beauties from all ethnic groups, and she hasn't stopped yet."

Chapter 2977

Jiu Feng was very angry.

Su Yan went everywhere to collect beauties from all ethnic groups, and even collected millions of beauties from all ethnic groups.

Although Su Yan exchanged spiritual treasures for beauties from all ethnic groups, Su Yan was a girl, and she wanted so many beauties from all ethnic groups. What does a beautiful woman do? It is impossible for beauties of all races with low strength to form an army.

Chang Xi guessed that Su Yan and Nuwa were having a conflict. Su Yan was preparing a harem for her father.

The little girl was getting more and more mischievous.

They wanted to catch Su Yan and teach her a lesson.

Su Chen said in surprise,

"I gather together and collect beauties from all races? And collected millions? What is the little girl going to do?"

Jiufeng mocked Su Chen, "What are you doing?" Your daughter is going to prepare a huge harem for you"

"Jiufeng, wasn't what I just taught you enough? Preparing for a harem? Who has a harem of millions of women? Jiufeng blushed and said hurriedly, "That's not what I said. Chang Xi and Shang Yang speculated that Su Yan had a conflict with Sister Nuwa. Su Yan found millions of beauties from all ethnic groups for you because he was deliberately angry with Nuwa."

Su Chen said with a dark face,

"The little girl is so naughty, Jiufeng, you must teach the little girl a lesson this time."

Su Chen felt that the guesses of Chang Xi and the girls might be correct.

Nuwa returned to the ancient fairyland a few days ago.

She wanted to capture Su Yan and return to heaven.

Su Yan might have secretly escaped from heaven again. The little girl might also be deliberately trying to anger Nuwa..

With millions of beauties,

Su Chen wondered whether Su Yan was angry with Nuwa?

Or did he want to tire him to death so that he could ascend to the throne?

Jiufeng mocked Su Chen, "Tell me, teach the little girl a lesson?" Do you think that's possible? The little girl is very smart. I'm afraid the little girl will surrender and say nice things before we take action."

Su Chen touched his chin and nodded and said, "That's right. If that's the case, why are you arresting Su Yan?"

"Capture her and bring her back to heaven. Do you want Yan'er to find tens of millions of beauties for you?"

"I go."

Su Chen was speechless.

Tens of millions of beauties from all races?

Jiu Feng really dares to think about it.

The Human-Emperor War is over.

Su Yan should not go to all races to look for beauties anymore. The little girl will also be worried that Nuwa and the others will arrest her. she

"When I leave, you also return to heaven."

Jiu Feng waved to Su Chen and disappeared.

When Su Chen saw Jiu Feng leaving, he checked the women from all over the ancient fairy world.

"Walk? Yes, the Luck War mission is completed and he will return in three days. Although he can continue to stay, he will only stay with a few girls for a while longer."

"The main world is still to be wiped out, the ferocious beast realm and the Beast Emperor Divine Rebellion will be destroyed. The main world is the world of the Xuantian Realm. You can also retreat in peace and go to the Hongmeng World with peace of mind. The archangel appeared next to Su Chen and asked, "Master, are we coming back?"

Su Chen appeared on the shoulders of the archangel.

He hugged the archangel's white neck and said, "Well, we will return in three days. The ferocious beast realm and the beast emperor will be destroyed. I will go to a bigger place soon. Hongmeng World."

The Archangel rubbed his face against Su Chen and said, "Master, the Archangel will protect the Master in Hongmeng World."

"Haha~, okay, let's go to Hongmeng World together then."

Su Chen hugged the archangel and kissed him and laughed.

In the small time barrier in his body, in addition to the archangel, there are also Nie Xiaoqian, A Yin, Lin Qing'er, Tears of the Goddess Xiao Li, and the soul of the ruthless empress. Incarnations, etc., more than a hundred female ghosts and beauties, five hundred nymphs from the Western Realm, an angel army of three thousand beautiful angels, all the girls in Su Chen's body are very powerful, and they can also sweep through The entire prehistoric fairy world ahem, except for the Holy Realm.

However, if Bing Ji and Xue Ji in the Demonic Tower of Desire take action, the Nuwa of this period will not be their opponent.

By the way, there are also female zombies.

The female zombies have been cultivating in the time barrier in his body. For tens of millions of years, the female zombies have become Daluo Jinxian, and they are also zombies who have awakened special spiritual laws.

Damn, the female zombies are also getting more and more... The more tempting it is,

Su Chen will release the female zombies when he has time in the future. He wants to check the difference between female zombies and women, banshees, and female ghosts.

Three days later,

Alice, Mark, and Su Chen returned respectively. When Chen saw everyone disappearing in front of him one by one, he felt a little melancholy. He had experienced too many separation scenes.

Su Chen and everyone would be able to meet again soon, but Su Chen still hated the separation scenes.

Nuwa leaned against Su Chen's arms. Li asked, "Husband, do you want to leave too?"

Su Chen kissed Nuwa and said,

"Well, I want to advance to the twelfth level of the Holy Realm as soon as possible. Hongmeng World is the destination of all powerful people. Don't be reluctant to use the resources I left for you."

"`~Madam, after I arrive every five thousand years, I will bring you more cultivation resources. As long as you advance to the twelfth level of the Holy Realm, we will be together for a long time."

Nuwa nodded to Su Chen and said, "I understand that I also yearn for the vast and vast Hongmeng world. Husband, I will cultivate to the twelfth level of the holy realm as soon as possible."

Su Chen hugged Nuwa's soft waist and said, "Don't keep practicing. If I gain a foothold in Hongmeng World, I will bring some of the more powerful women among your sisters there first."

"I understand, husband, don't you say goodbye to the Queen Mother and Xihe's daughters?"

"No, the parting scene was too melancholy. I will come back in about five thousand years, so I won't say goodbye to them.

Nuwa asked Su Chen nervously, "Where is Yan'er?" You won't take my daughter away, will you?"

Nu Wa likes Su Yan very much.

Su Yan is her biological daughter. Although the little girl is naughty, Su Yan is still young.

Nu Wa doesn't want Su Chen to take Su Yan away.

She also I don't want to never see my daughter again for thousands of years.

Su Chen touched Nuwa's delicate face and said,

"Yan'er just let her stay. She still has to manage the Heavenly Court and the Black Bird Tribe. When she has had enough fun, you can let her come back after you retreat."

"That's fine, I want to accompany our daughter for thousands of years."

Su Chen smiled when he heard Nuwa's words,"

Thousand years?

" Su Yan will probably return to his lungs after playing for a hundred years or so.

No matter what, if

Nuwa doesn't let Su Yan leave then, the little girl will definitely be very depressed.

"Madam, I'm coming back. If Yan'er doesn't obey, lock her into a small dark room.

Nuwa smiled and shook her head and said, "Guan Xiaoheihu?" I can't bear to lock up our daughter, husband. We'll meet again in five thousand years."

"Goodbye, my lady Nuwa"

Chapter 2978

Main world,

Xuantian realm!

The realm war has broken out!

The Xuantian Realm and the Extraterrestrial Demon Realm Alliance invaded the Fierce Beast Realm.

In less than a year, the Fierce Beast Realm invaded Xiniuhezhou, the prehistoric fairyland. The Xuantian Realm and the Extraterrestrial Demon Realm killed billions of invading ferocious beasts. Also - invade the realm of ferocious beasts.

The prehistoric fairy world and heaven!

Empress Nuwa, the Ice and Snow Saint, and Luo Hu were sitting together and talking.

The three Hunyuan Daluo Jinxian from the eighth level of the holy realm were discussing how to destroy the Beast King Shen Ni.

Empress Nuwa said with a cold face,

"The Beast King and Shen Ni are in the ninth level of the Holy Realm. The three of us can kill the Beast King and Shen Ni by working together."

The Ice and Snow Saint reminded Nuwa,

"Nuwa, the Beast Emperor Shen Ni is not easy to kill. The spiritual treasure in his hand may be an innate treasure, or a half-step chaotic spiritual treasure that can destroy the world. We should not underestimate the Beast Emperor Shen Ni. Luo

Hou asked with a cold and arrogant expression.

"The Beast King Shen Ni is not easy to kill, but what about Su Chen? The realm war has begun. Our tens of billions of troops have invaded the realm of ferocious beasts. Why hasn't that bastard arrived yet?"

Luo Hu couldn't understand. Su Chen hadn't shown up for more than six years after the Realm War started. Nuwa and Ice and Snow Sage said that Su Chen was in seclusion? Is it possible? Luo Hu was worried that Su Chen had some plans. He was plotting against the old and cunning Su Chen. Chen has to be careful

"Don't worry, Demon Ancestor, our husband will appear soon."

Nu Wa shook her head speechlessly.

She knew that Su Chen went to participate in the destiny mission, but this time it was a bit long. The previous destiny war only lasted a few days, but this time he did not return for several years.

Luo Hu He stood up and reminded,

"Nuwa, the Ice and Snow Saint, we know the realm of cultivation of the Beast King and Shen Ni. Two of the four beast kings were killed by our holy realm. The Beast King and Shen Ni should take action."

The Ice and Snow Queen said,

"Yes, we are also going to the realm of ferocious beasts. Yin Ji and Gaia are no match for the Beast King Shen Ni."

Nuwa Empress nodded and said, "Let's go then. After destroying the Beast King Shenni, we can practice with peace of mind. In Hongmeng Great World, we must cultivate to the twelfth level of the Holy Realm and go to Hongmeng Great World as soon as possible."

"Okay, in three days, we will work together to kill the Beast King Shen Ni. You'd better notify Su Chen to leave seclusion. Luo

Hui nodded to Nuwa and the Snow Queen and disappeared.

Three days later, he started a war against the Beast Emperor Shen Ni.

He believed that Su Chen would definitely appear.

Luo Hu thought that Su Chen was a sex demon. He guessed that Su Chen would not see his woman being raped. Kill.

Nuwa drank tea and asked, "Sister Bingxue, the war with the Beast Emperor Shen Ni will begin in three days. Can we kill the Beast Emperor Shen Ni?"

The Ice and Snow Saint Realm Princess touched her fair chin and said,

"We are 70% sure. I have my husband's Chaos Spiritual Treasure Chaos Bell, you have the innate treasures Qiankun Cauldron and God-killing Spear, and Luo Hu's Spiritual Treasure Taichi. Needless to say, even if the three of us cannot kill the Beast Emperor Shenni, Even the Beast King Shenni can't kill us.

Nuwa thought of Su Chen and sighed, "Oh, I don't know when my husband will come back."

"It should be soon. It is not difficult for my husband to complete the Qi task. I guess he should be improving his cultivation level."

"Well, my husband promised Murong Qingcheng to go to Hongmeng World within a thousand years, so he must be under great pressure."

The Snow Queen said with a cold face, "The little bastard has a lot of pressure. If he was under pressure, he would have settled in seclusion and made a breakthrough. He would not go around looking for some scumbag women in the small world."

"Haha~!"

Nu Wa laughed when she heard the words of the Ice and Snow Queen.

Ever since she became Su Chen's woman,

Su Chen had been in seclusion a handful of times. The little bastard was either causing trouble or harming women.

Xuantian Realm Mero Heavenly Court,

Su Chen Appearing in the peach garden in the morning,

【Lucky One, you have completed the Qi Luck War mission and will be rewarded to the lucky person with the complete three origins of heaven, one thousand small world coordinates, three hundred acres of merit from the great avenue, and eight hundred acres of merit from heaven.】

"Let me go, Qi Yun Tian Dao, why is your reward this time so generous?"

Su Chen was very surprised when he heard the reward of Qi Luck and Heavenly Dao.

The origin of Heaven's Dao?

Or the three complete origins of Heaven's Dao?

How could Qi Luck and Heavenly Dao reward the origin of Heaven's Dao?

There are also great merits.

How could Qi Luck and Heavenly Dao have great merits?

【Luck Master, you are different. Dao Dao says that you are the hope of the great world of chaos. The way of luck and heaven is transformed by the will of the great world of chaos. The way of luck and heaven does not want the great world of chaos to be destroyed by Hongmeng Supreme.】

"Understood."

Xiaoyu touched his chin and guessed that Qiyun Tiandao was related to Dao Dao. Chaos Dao told Qiyun Tiandao about his affairs.

【Ding, host, three complete sources of heaven, the system needs two complete sources of heaven.】

Su Chen saw that there were two missing sources of Heavenly Dao in the system space, and he shouted with a dark face,

"Let me tell you, system girl, are you Pixiu? I haven't covered the source of heaven yet, so you can't wait to take it away."

【Ding, host, this is what you promised the system before】

"Girl, take it. I will go to Hongmeng World in the future. You have to be more diligent and don't let your handsome man die."

【Ding, host, you are so shameless】

"Come on, little girl, you and I are dependent on each other for life and death and will never leave. You will definitely become my woman in the future."

【Ding, dream! 】

Su Chen smiled and checked the recent events in the Xuantian Realm.

In the few years since he left, did the Ferocious Beast Realm invade the Ancient Immortal Realm? Did the Ferocious Beast God Ni appear?

Su Chen wanted to check it out quickly.

Um?

Has the Realm War begun?

Let me go, the Xuantian Realm and the Extraterrestrial Demon Realm Alliance invaded the Ferocious Beast Realm?

Is the Beast King Shen Ni the ninth level of the Holy Realm?

Su Chen checked what happened in the past few years. He did not expect that the realm war had started.

The beast realm doesn't seem to be too powerful, and the Beast Emperor Divine Rebellion isn't ridiculously powerful either. The Beast Emperor

Divine Rebellion in the Ninth Heaven of the Holy Realm?

Su Chen can use all his strength to defeat the Beast Emperor and the Divine Rebellion in seconds.

"The realm of ferocious beasts and the beast emperor are not a concern. If they are destroyed, we can retreat and break through with peace of mind. How long will it take for a thousand years? Promoted to the twelfth level of the Holy Realm? Murong Qingcheng? Hongmeng World?"

Su Chen leaned on the peach tree and thought.

Empress Nuwa, the Ice and Snow Queen, and the Demon Ancestor Luohu, the three of them can kill the Beast King Shen Ni together. The Xuantian Realm and the Demon Realm outside the realm can also destroy the ferocious beasts. Realm.

Hongmeng Great World!

Su Chen will wait until the Beast King Shen Ni is destroyed and the ferocious beast realm is destroyed.

He will retreat to the twelfth level of the holy realm as soon as possible. Even for Murong Qingcheng, Su Chen will have to do it as soon as possible. Go to Hongmeng World

"A thousand years will pass quickly, Murong Qingcheng, I will go to Hongmeng World to find you Qian as soon as possible!".

Chapter 2979

In the Tianxuan Continent,

Su Chen appeared in the Gusu City Palace and has not returned for more than ten years.

Su Chen wants to see where he started.

If he goes to Hongmeng World,

Su Chen may not come back for thousands of years.

"Husband? Husband, why did you come back to Tianxuan Tianlu?"

In the hibiscus tree garden,

Mi Hua was very surprised to see Su Chen suddenly appeared. She did not expect that Su Chen would come back to Tianxuan Tianlu.

Su Chen hugged Mi Hua's plump waist and asked,"Mi Hua, how could you do this? In Tianxuan Continent?"

Mi Hua leaned into Su Chen's arms and smiled,"Husband, my sisters and I want to protect our home.""

"Who else is in Tianxuan Tianlu?"

"Husband, as well as Sister Bai Jing, Sister Hua Baifeng, and Sister Dai Qisi, the four of us have been responsible for guarding Tianxuan Continent in the past ten years."

"ten years? Are you taking turns to protect Tianxuan Continent for ten years?"

"Well, in the last ten years, Sister Shi Guanyin, Sister Lin Chaoying, Sister Xiaomeng, and aunt Li Qiushui were responsible for guarding Tianxuan Continent."

Su Chen hugged Mi Hua and sat down.

He has been guarding the Tianxuan Continent for ten years.

This is not bad.

At least after all of them leave the Tianxuan Continent, the Xuantian Empire will not be divided. 04 All the girls are immortals. No one in the Xuan Continent is their opponent, and the hibiscus tree garden is rich in aura, so it would be good for them to practice in the hibiscus tree garden.

Mi Hua grabbed Su Chen's erratic hand and asked with a blush, "Husband, we in the Xuantian Realm are Didn't a realm war break out between the realm and the ferocious beast realm? Why did you come back to Tianxuan Continent?"

Su Chen kissed Mi Hua and said, "The realm of ferocious beasts is not a concern. I want to see where we started."

"Well, our Mysterious Realm is the most powerful realm."

Mi Hua smiled and nodded.

She knew everything about Xuantian Realm.

She also knew everything about the strong men in Xuantian Realm. There were more than thirty saints, hundreds of quasi-sages, tens of thousands of Daluo Golden Immortals, and countless others. Hundreds of billions of immortal armies.

In the chaotic world, no realm is the opponent of the Xuantian realm.

Mi Hua smiled and leaned in Su Chen's arms.

She felt like she was dreaming when she thought about what happened in more than ten years.

King Qin Ying Zheng gave her to Su Chen.

Mi Hua was already heartbroken for her son at that time. She thought Su Chen would insult her, the wife of the King of Qin, but Su Chen didn't do anything to her for several years. If Zhao Ji couldn't stand Su Chen's pull If she falls in love with her, Mi Hua will not become Su Chen's woman, let alone the legendary immortal.

Su Chen stood up with Mi Hua in his arms and said,"Mi Hua, let's go visit various places in Tianxuan Continent."

"Husband, let's call the three sisters Bai Jing."

Mi Hua was very happy to hear Su Chen's words.

However, she thought of how powerful Su Chen was.

Mi Hua alone could not bear Su Chen's tossing.

She wanted Su Chen to call Bai Jing, Hua Baifeng, and Dai Qisi, too. The four of them teamed up to deal with this pervert

"good!"

Su Chen hugged Mi Hua and disappeared into the Fusang Tree Garden.

He understood why Mi Hua called Shang Yao Yue Sannu, and Su Chen also wanted to take Bai Jing and San Nu to play together.

In the Fusang Tree Garden, four people were sneaking around. Women appeared under the cherry blossom trees one after another,

"Sister Honglian, was the man just now the Emperor of Heaven?"

"Yes, Ying Shiman, you are the Huayang Monarch of the Xuantian Realm. Have you never met Brother Su Chen?"

"I saw it many times when I was a child. Later, I kept practicing in seclusion. I even forgot what the Emperor of Heaven looked like."

"Why did His Majesty the Emperor of Heaven come back to Tianxuan Continent? Yun Luo, isn't the Emperor of Heaven coming to take us back to Xuantian Realm?"

"No, Xiao Yu, we are insignificant women. Why would His Majesty the Emperor come to take us back?"

"That's right, the four Su Yan sisters have been climbing the ladder to heaven. We don't want to practice in seclusion. Sister Zhao Ji sent us back to Tianxuan Tianlu, so we don't come back secretly."

The four girls are the former Princess Honglian of Korea, Ying Shiman of Qin, Xiaoyu of Shushan, and Princess Yunluo of Ming Dynasty.

They don't want to practice in seclusion in Xuantian Realm all the time. Su Yan, the four sisters, have no time to climb the ladder to the sky. They were playing, and they persuaded Zhao Ji to send them back to Tianxuan Tianlu for half a year.

The four girls of Princess Honglian did not expect that Su Chen would also come back. They thought that Su Chen wanted to take them back to practice.

Princess Honglian said hurriedly,

"We are leaving the palace soon. If brother Su Chen finds us, we may be taken back to Xuantian Realm."

Xiao Yu reminded silently,"Honglian, you are thinking too much. The Emperor of Heaven has discovered us before. You must know that the Emperor of Heaven is very powerful."

"That's right."

Honglian patted her forehead and felt a little silly.

She was the little fairy, and

Su Chen was the powerful and terrifying holy realm.

The four girls had previously Hiding aside and peeking, Su Chen will definitely find them peeking.

Xiao Yu said to the three girls of Princess Honglian,"Let's leave the palace quickly, otherwise the shadow assassins who protect us will chase us. Let's get rid of the shadow assassins first." Yun

Luo nodded and said,

"Well, there is no danger in Tianxuan Continent, and we don't need to let the shadow assassins protect us."

Ying Shiman also nodded hurriedly.

She was going to visit the old place of Xianyang in Qin State.

She was going to see the place where she was born.

When Ying Shiman grew up, she knew her identity, and Zhao Ji did not hide anything from her. ,

Ying Shiman has no intention of seeking revenge from Su Chen.

She said that 930 can be regarded as Su Chen's daughter.

Ying Shiman is the same age as Su Yue.

She was raised by Su Chen when she was a child. No matter in Tianxuan Continent, Still in the Shenyu Continent, even in the Xuantian Realm, Ying Shiman's status is very noble.

If it weren't for Zhao Ji being Su Chen's woman,

Ying Shiman might have become Su Chen's daughter, and she would have been Xuanzang's daughter. The little princess of the Heavenly Empire will also be the little princess of Xuantian Realm

"Let's go quickly!"

Princess Honglian waved her hand and took Xiaoyu and the three girls away in an instant.

There were many immortals guarding the Fusang Tree Garden. They would be discovered when they came out of the teleportation array. If Su Chen had taken Mi Hua away, they might not be able to leave the Fusang Tree. Garden.

Whoosh whoosh whoosh.....

Four teams of shadow assassins appeared and disappeared instantly. They were the shadow assassins responsible for protecting the four girls of Princess Red Lotus. The shadow assassins would not capture the four girls of Princess Red Lotus. They wanted to protect the safety of the four girls.

Three days later, in Yanjing City,

Su Chen and Lu Xiaofeng were picking stars in the sky and filling the building with flowers. Ximen Chuixue and the others were sitting together drinking wine.

After not seeing each other for more than ten years,

Lu Xiaofeng and others have matured a lot, and they have also advanced to the realm of heaven and human beings.

"Su Chen, you didn't deceive us? Not only did you go to the world of immortal cultivators, but you also went to the real immortal world?".

Chapter 2980

Lu Xiaofeng and Ximen Chuixue were very surprised.

Cultivation world?

Fairyland? is this real?

They suddenly thought that Su Chen had not appeared for more than ten years, and Su Chen's women had not appeared in the world again. Could it be that Su Chen took his women to the world of immortality or immortality?

Ximen Chuixue and Fu Hongxue looked at each other.

They were called to Xuannian Palace more than ten years ago.

Concubine Yan and Hua Baifeng asked them to stay in Xuannian Palace and tell other friends that they would always stay in Xuannian Palace for retreat. Fu Hongxue Ximen Chuixue did not want to stay in Xuannio Palace and refused.

Did Concubine Yan and Hua Baifeng ask them to prepare to go to the immortal cultivator and the immortal world at that time

?

Fu Hongxue hurriedly asked Su Chen,

"Su Chen, more than ten years ago, Concubine Yan and my mother asked us to stay in Xuanniao Palace and told our friends that we would not appear in the world again. Did they ask us to go to the world of immortality at that time?"

Su Chen took a breath and smiled,

"Yes, the world of immortality and the world of immortality are secrets and cannot be exposed at that time. Fu Hongxue, do you know Bai Feifei? She is now at the level of Golden Immortal, and Bai Feifei can blow you into hypocrisy with just one breath."

Fu Hongxue and Lu Xiaofeng were frightened.

Bai Feifei called Fu Hongxue a hypocrite in one breath?

So terrifying?

What is the realm of Golden Immortal?

Has Bai Feifei become an immortal?

Lu Xiaofeng asked hurriedly, "Golden Immortal? Su Chen, what is the realm of Bai Feifei's Golden Immortal?"

Xiao Yu took a sip of wine and said,

"Golden Immortal is the realm of cultivation in the immortal world. The realms of warriors and above are the realms of immortal cultivators, which are the Golden Elixir Realm, Nascent Soul Realm, Out-of-Orifice Realm, Dividing Spirit Realm, Fusion Realm, Cave Void Realm, Mahayana Realm and Overcoming Tribulation Realm."

"The realm of cultivation in the immortal world is divided into: Earth Immortal, Heavenly Immortal, Xuan Immortal, Golden Immortal, Taiyi Golden Immortal, Daluo Golden Immortal, Quasi-Sage, and Saint. Among them, Saints are divided into twelve levels of the Holy Realm, one level and one ascending to the sky."

Lu Xiaofeng, Huamanlou, Ximen Chuixue, Sikong Zhaixing, Fu Hongxue, all five of them were silent.

It's too scary.

Bai Feifei has really become an immortal.

Bai Feifei is much higher than them in cultivation realm.

In one breath?

Bai Feifei I'm afraid that if they burst out even a little bit, they will all be shocked into hypocrisy.

Fu Hongxue asked hurriedly, "Su Chen, what level of cultivation is my mother?"

"Your mother, Hua Baifeng, is the Great Luo Jin (aeae) Immortal. In less than a thousand years, your mother will be promoted to Quasi Saint! Fu

Hongxue asked confusedly,

"Damn it, my mother is Daluo Jinxian? Will he be promoted to quasi-sage in less than a thousand years? Su Chen, how old is my mother?"

Su Chen patted Fu Hongxue on the shoulder and said,

"Your mother's age has increased by more than ten years. However, your mother has spent millions of years practicing in the time barrier. The time in the time barrier does not affect real time."

Su Chen didn't tell Fu Hongxue that Bai Feng was nearby.

He was also speechless to Hua Baifeng.

In order to keep the secrets of Shenyu Continent and Xuantian Realm, Hua Baifeng really didn't tell Fu Hongxue.

If he hadn't come to Tianxuan Continent, ,

Su Chen didn't know Fu Hongxue and Lu Xiaofeng, and they didn't know there was a world of cultivating immortals and a world of immortals.

Lu Xiaofeng and others were his only friends, and

Su Chen also wanted them to go to the realm of cultivating immortals and the world of immortals to practice.

"Millions of years? My heaven!"

Fu Hongxue is about to faint.

Although the time of the time barrier does not affect the actual age, his mother has spent millions of years. After millions of years, does his mother still remember his son?

Xiao Yu reminded with a smile Tao,

"Fu Hongxue, you don't have to worry that your mother will forget you."

"Since your mother went to the fairy world, she, Yaoyue, Madam Yedi, Jellyfish Yinji and other women have been in seclusion in the time barrier. If your mother comes out of seclusion, she will definitely take you to the fairy world.

Sikong Zhaixing asked Su Chen, "Su Chen, what level of cultivation are you at?"

"The eighth level of the holy realm!"

"Holy shit!"

Sikong Zhaixing and Lu Xiaofeng are really about to faint.

The most powerful immortal in the immortal world is in the holy realm, and

Su Chen is actually in the eighth level of the holy realm. Could it be that Su Chen is also the top existence in the fairy world?

Xiaoyu raised his hand Wine Glass said to everyone,

"You don't need to ask anymore. If you go to the Shenyu Continent and the Immortal World where you cultivate immortals, you will know everything about me. When the time comes, you must not be frightened, and don't dare to talk to me because of my identity. We are very good friends after all."

Lu Xiaofeng and Fu Hongxue heard what Su Chen said.

They guessed that Su Chen's status in the Immortal Cultivation Realm and the Immortal World was probably not low, and his status might be similar to that of Tianxuan Continent.

Lu Xiaofeng:"Oh, even if you are the Emperor of Heaven in the Immortal Realm, so are we. My friend, maybe because of your relationship, no one in the fairy world dares to offend us."

Sikong Zhaixing:"Yes, after we go to the immortal world and the fairy world, we still need your identity protection. We don't want to be eaten by monsters when we go to the fairy world. Fu

Hongxue:"Drink, cultivate the world of immortality and the immortal world!" Let's go to the world of cultivating immortals first, and then go to the fairy world. Hua

Manlou:"Yes, cultivating immortals can lead to a long lifespan, and becoming immortals can lead to endless lifespans. We must become immortals.""

Ximen Chuixue:"We want to become powerful in the world of cultivating immortals and the fairy world. I want to become a powerful sword immortal."

Su Chen and Lu Xiaofeng drank all day long.

He also talked to Lu Xiaofeng and the other five about many things. The cultivation rules of each small world are different, the development of civilization is different in each world, and there are different races in each world.

Chapter The next day,

Su Chen disappeared without a trace.

After Lu Xiaofeng and the other two sobered up, they would go to the Xuantiao Palace and then go to the Shenyu Continent through the teleportation array.

On a large mountain,

Su Chen, Mi Hua, Bai Jing, Hua Baifeng, The four girls of Dai Qisi, they have seen the snow-capped mountains, the prairie, and the sea in the past few days. After more than ten days of travel,

Su Chen was very happy both physically and mentally.

The four girls of Mihua became immortal queens, each one more beautiful than the other. Beautiful, each one plumper and more attractive than the other.

Dai Qisi adjusted her dress and asked with a blush, "Husband, where else are we going?"

Su Chen hugged Dai Qisi and kissed her and said,

"Let's go to Yihua Palace and Cihang Jingzhai. I'm going back to the Xuantian Realm. The realm war has begun. Nuwa, the Ice and Snow Queen, and Luo Hu, the three of them don't know if they can kill the Beast King Shen Ni."

Dai Qisi said while nestling in Su Chen's arms,

"This is fine, the Beast King Shen Ni has been killed, our Xuantian Realm is the most powerful existence in the chaotic world, and no other realm dares to offend our Xuantian Realm."

Su Chen stroked Dai Qisi's plump body.

He looked at the white phoenix, which was still sleeping.

Su Chen found that Bai Jing and Mi Hua had not come back yet, and he did not check what Bai Jing and Mi Hua had done.

"Where is Bai Jing? Where did she and Mihua go yesterday?".
