Chapter 3081

Su Chen guessed that Sheng Cai'er was hiding around.

When he secretly left the camp with Jiang Ni, Sheng Cai'er and Ran Bing had not rested in the tent.

Su Chen was a scumbag, and

Jiang Ni had only become a master in the world.

Neither of them could When he finds Sheng Cai'er following him,

Sheng Cai'er will worry that he is in danger, and the little beauty will secretly follow him to protect him.

Whoosh!

Sheng Cai'er suddenly appeared beside Su Chen and Jiang Ni. She stared at Su Chen with beautiful eyes and was very angry.

Previously, she had been secretly protecting Su Chen.

The disgusting things Su Chen and Jiang Ni did in the forest, she Seeing clearly in the dark,

Sheng Cai'er didn't expect that Su Chen was such a bastard, and

Jiang Ni was also an idiot.

She would do whatever Su Chen asked her to do. Didn't Jiang Ni think that Su Chen was making a fool of her?

Jiang Ni asked Sheng Cai'er in confusion, "Cai'er, have you been following us?"

"It's protection!"

"Have you seen it all?"

"good!"

"Ah~"

Jiang Ni covered her face and squatted on the ground. 31

It's so shameful. It's so shameful.

Sheng Cai'er has seen it.

Jiang Ni feels that she has no face to see people. It's all Su Chen's fault. Now she wants to strangle to death and become a bitch. Her shameless sex.

Su Chen looked at Jiang Ni and said speechlessly, "Jiang Ni, why are you shy? At worst, you can watch Cai'er serve me from now on.

Sheng Cai'er glared at Su Chen and said coldly, "Su Chen, you are so shameless!"

Ask her to serve?

And let Jiang Ni watch from the side?

Will she serve Su Chen?

Will she do those disgusting things to Su Chen?

Sheng Cai'er wants to kick away the shameless pervert, so she shouldn't come to protect her This shameless bastard.

Su Chen hugged Sheng Cai'er's waist and smiled and said, "Cai'er, you will be my woman in the future. Jiang Ni is your sister. It doesn't matter to her that you serve me.""

"shameless bastard!"

Sheng Cai'er took the green staff and wanted to beat this bastard to death.

Woman?

Sister?

Peeping?

Su Chen is becoming more and more bastard, shameless and shameless. Sheng Cai'er has no way to deal with the shameless bastard.

Zhao Kai and Yuan Tingshan was so frightened that he hurriedly retreated.

Celestial phenomenon realm?

They did not expect that a strong celestial phenomenon realm would appear. The veiled woman was still protecting Su Chen secretly.

When Su Chen saw Zhao Kai and Yuan Tingshan trying to escape, he threatened them,

"Zhao Kai, Yuan Tingshan, if you dare to escape, I will ask my wife to kill you."

Zhao Kai hurriedly clasped his fists and saluted, "King Jiangnan, there was a misunderstanding just now. Please don't blame me, King Jiangnan."

"Misunderstand? Did I hear it wrong just now? Aren't you going to kill me?"

"It's a misunderstanding, it's a real misunderstanding"

"Kneel down or die."

Bang bang!

Zhao Kai immediately knelt down to Su Chen without much thought. Yuan Tingshan also knelt down with a dark face.

They did not dare not to kneel down to Su Chen.

Sheng Cai'er held by Su Chen was very dangerous. They felt that Sheng Cai'er was in danger. Cai'er exuded terrifying murderous intent. If

Zhao Kai and Yuan Tingshan dared not to kneel down,

Sheng Cai'er would probably kill them.

"Get out of here!" After thinking about it, Su Chen still felt that Zhao Kai still has value without killing Zhao Kai and Yuan Tingshan, especially in Emperor Wu City. Su Chen still needs Zhao Kai to do something. As for Yuan Tingshan, he is a villain. Su Chen wants to see Will Yuan Tingshan help Xu Fengnian? Will Yuan Tingshan betray Zhao Kai?

"Thank you!"

Zhao Kai hurriedly left with Yuan Tingshan and the golden-armored puppet.

He didn't understand why Su Chen didn't kill him.

Was it for Xu Fengnian?

Did Su Chen want to use him to deal with Xu Fengnian? Or was it because of his master Han Diao Si?

Sheng Cai'er's response to Su Chen asked, "Why not kill them?"

Su Chen stroked Sheng Cai'er's small waist and said, "They are still useful in Emperor Wu City."

"Emperor Wu City? Will they also go to Emperor Wu City?"

"Definitely. Zhao Kai wants to kill Xu Fengnian. He will not give up halfway. We can use him in Emperor Wu City."

"let me go"

"What are you putting in, Jiang Ni, get up quickly, it's already late at night, let's go back and rest"

"asshole."

One night passed, and the next morning, (to read Baoshuang novels, go to Feilu Novel Network!)

Xu Zhihu looked at Su Chen who was still resting. She walked out of the tent to take Xu Weixiong to see Xu Longxiang.

Xu Wei Xiong saw Xu Zhihu coming out and asked, "Sister, shall we go to Longhu Mountain now?"

"Let's go now. I don't know how my little brother is doing in Longhu Mountain. I brought him some clothes and food."

"Where is Su Chen? He won't go with us?"

"My husband is still resting, so we don't need to worry about him."

Xu Zhihu shook his head speechlessly.

Yesterday night, she knew that Su Chen had harmed Jiang Ni, but she didn't care about it.

Xu Zhihu couldn't handle Su Chen alone, and she didn't want to be tormented by Su Chen every day.

Besides , ,

Su Chen is a prince, and

Su Chen cannot be the only woman.

Xu Weixiong looked at the tent and nodded,"Okay, eldest sister, let's go to Longhu Mountain."

Xu Zhihu shouted to the commander of the secret guard next to him,[]

"Xiao Wu!"

"princess!"

"You take the secret guards with us to Longhu Mountain"

"Yes, Princess."

Qingniao, Yu Youwei, Ran Bing, Sheng Cai'er, and Jiang Ni did not go to Longhu Mountain with the Xu Zhihu sisters.

Xu Zhihu and Xu Weixiong went to see their younger brother.

They did not want to disturb the reunion of their siblings.

"300 young people!"

Uncle Jiu sat aside and shook his head.

He admired Su Chen very much.

How long had Ran Bing, Sheng Cai'er, and Su Chen known each other?

Su Chen hugged them, but

Ran Bing and Sheng Cai'er didn't object.

Su Chen Fortunately, they were not the lucky ones in their team, otherwise Ran Bing and Sheng Cai'er would have been completely captured by Su Chen.

Uncle Jiu frowned in thought and whispered,

"its not right!"

"Ran Bing and Sheng Cai'er should understand that after the mission is over, they will be separated from Su Chen and may never see Su Chen again for the rest of their lives. Why do the two girls let Su Chen be scornful of them?"

"Could Su Chen still be able to meet the two women? Or can Su Chen go into the world of two women?"

Boom!

Suddenly!

A terrifying aura erupted from Longhu Mountain.

Sheng Cai'er, Jiang Ni and the other girls looked at Longhu Mountain one after another. The terrifying aura surprised them.

The Land of Land Gods?

The terrifying aura was the same as the aura that erupted in Xuanyuan Jingcheng. Is there a strong person in the land fairyland in Longhu Mountain?

Su Chen walked out of the tent and said, "Li Chungang has returned to the land sword fairyland.

Sheng Cai'er asked in disbelief, "Land Sword Immortal?" Su Chen and Li Chungang advanced to the terrestrial fairyland? Jiang

Ni blushed and shouted,

"Su Chen, why did you come out naked? Go to the tent and put on your clothes."

Chapter 3082

Jiang Ni was also speechless towards Su Chen.

In broad daylight,

Su Chen came out of the tent without putting on his clothes. He was so shameless and had no face at all.

Su Chen curled his lips and said mockingly, "Little beauty, it's not like you haven't seen my body before. What a fart are you calling me?"

"Shameless pervert."

Jiang Ni's face was red and she wanted to strangle Su Chen.

Why has she seen Su Chen's body?

Has she seen it?

Huh?

Jiang Ni thought about her affair with Su Chen yesterday night. She saw Su Chen's body at night.

Damn you pervert.

Jiang Ni found that the girls from Jade Bird were looking at her. She was so embarrassed that she wanted to hide in the tent immediately.

The girls from Jade Bird and Ran Bing looked at Jiang Ni strangely.

They were very puzzled when they heard Su Chen's words. ,

Jiang Ni has seen Su Chen's body?

Didn't Su Chen peek at Jiang Ni taking a bath? How did Jiang Ni look at Su Chen's body?

Sheng Cai'er gave Su Chen a cold look, and her face turned red under her veil. Get up, yesterday night,

Sheng Cai'er saw the disgusting things Jiang Ni did to Su Chen, and she also saw Su Chen's body.

Ran Bing walked to Su Chen's sideRoad 923,"Su Chen, Li Chungang returns to the land of fairyland. I'm afraid our mission will be difficult to complete."

Su Chen said while putting on his clothes,"Don't worry, even if Li Chungang returns to the land of fairyland, he will still be a disgusting and disabled land man." fairyland"

"Um? Do you have a way to deal with Li Chungang?"

"No!

Ran Bingmei glared at Su Chen and shouted angrily, "Asshole, are you entertaining me?" Su

Chen looked at Ran Bing's bumpy figure and smiled and said, "Little white girl, you accompany me to watch the stars tonight, and I can tell you how to deal with Li Chungang.""

"Stargazing? Just look at the stars?"

Ran Bing felt something was wrong, looking at the stars?

So simple?

She guessed that Su Chen was plotting against her.

Jiang Ni blushed and lowered his head, looking at the stars?

She understood what Su Chen meant. Jiang Ni had been with Su Chen yesterday night. Looking at the stars, taking off her clothes, flaming red lips, and standing proudly on the mountain,

Jiang Ni thought of the disgusting things she did to Su Chen yesterday, and she couldn't help but want to vomit it out.

Qingniao and Yu Youwei were very confused, looking at the stars?

Looking at the stars What does it mean?

Jiang Ni and Su Chen left the camp yesterday evening. Did they go to see the stars?

No, it was raining lightly yesterday evening, and there were no stars in the sky.

So, it is impossible for Su Chen and Jiang Ni to see the stars. ?

Jiang Ni looked at Su Chen?

Did Su Chen have an affair with Jiang Ni last night?

That's not right, they saw that Jiang Ni was still a virgin, Jiang Ni's innocence was not ruined by Su Chen,

Qingniao and Yu Youwei thought about it I don't understand, what did Jiang Ni and Su Chen do when there were no stars last night? Su Chen lifted Ran Bing's fair chin and said, "Little white girl, you can sleep with me if you want. Ran Bing slapped Su Chen's hand away and shouted angrily, "Shameless pervert, don't even think about it." Sheng Cai'er said coldly,

"Su Chen, it is very dangerous for us here. You have humiliated Li Chungang. I am worried that Li Chungang will come to assassinate you."

"That's right."

Su Chen touched his chin and nodded.

Li Chungang returned to the land of fairyland. (To read cool novels, go to Feilu Novel Network!)

He also humiliated Li Chungang in the Jiangnan Palace. There is an 80% chance that Li Chungang will come to assassinate him, but ,

Su Chen is not worried about Li Chungang coming to assassinate him.

Although he has no strength at all, he has a terrifying hidden weapon in his hand.

If Li Chungang is looking for death, Su Chen will not mind sending Li Chungang to the underworld.

"System girl, can Seven-Star Begonia destroy the Land of Land Gods?"

【Ding, yes, Seven-Star Begonia is a top-notch hidden weapon. Even a cultivator in the Golden Core realm can kill with one hit. (dbfi) Host, let me remind you, Seven-Star Begonia can only be used once. 】

Su Chen was speechless when he heard what the system girl said.

There is a Seven-Star Begonia hidden weapon in the system space.

It is still a terrifying hidden weapon that can be used three times. The system girl actually changed the Seven-Star Begonia to be used once.

Su Chen wanted System Girl to change her ways, but after thinking about it, he decided not to do it. Qixing Haitang was not restricted by System Girl, and System Girl was already secretly helping her.

Jiang Ni showed a worried expression and said, "Su Chen, if you don't leave Longhu Mountain quickly, the army you lead is a little small, and Li Chungang may really come to assassinate you."

Su Chen hugged Ran Bing's waist and said, "Don't worry, Li Chungang might not come to assassinate me."

"Aren't you worried about being killed?"

"Little beauty, are you worried about me? Or are you worried that you will be widowed in the future?"

"you.....Shameless color."

Jiang Ni's chest was about to burst with anger.

Will she be widowed?

Jiang Ni thought that her innocence was ruined by Su Chen.

Not only was she stripped naked by Su Chen, but she also gave Su Chen a disgusting Jiang Ni seemed to be unable to marry anyone other than a shameless pervert.

Su Chen stroked Ran Bing's waist and asked, "Blue Bird, have the Black Armored Army prepared their ships?"

Qingniao replied expressionlessly, "We are already preparing. Xuanyuan Qingfeng agreed to prepare five large ships for us. Now three ships have arrived, and the other two will arrive in an hour."

"Qingniao, go and arrange for the troops to board the ship. The remaining black armored troops will go to Emperor Wu City by land first."

"Okay, I left Qing to make arrangements, Su Chen, Xuanyuan Qingfeng asked me to thank you after she received your letter." []

"I see."

In Longhu Mountain, after Xu Zhihu and Xu Weixiong met Xu Longxiang, they originally wanted to return to the Black Armor Army camp, but when Xu Fengnian arrived, their sisters were stopped by Xu Fengnian.

Xu Fengnian stopped Sister Xu Zhihu and said, "Sister, Second sister, please don't leave. Senior Li has returned to the fairyland on land. King Jiangnan does not dare to force you anymore."

Xu Zhihu said with a serious face, "No need, Fengnian, Jiangnan King Suchen is my husband, and I will be the princess of Jiangnan King in the future. The Xu family has nothing to do with me."

Xu Weixiong shouted with a cold face,

"Xu Fengnian, I am not your second sister. You can ask Xu Xiao about my identity."

Xu Fengnian frowned and asked, "How is that possible?" Second sister, how could you not be my second sister? Xu

Weixiong said coldly, "You will understand if you ask Xu Xiao. Sister, let's leave." "

Xu Zhihu turned around and reminded before leaving,

"Fengnian, don't go against Su Chen"

"you should understand"

"If you ask Li Chungang to kill Su Chen, Su Chen's men and troops will deal with you regardless of the consequences and launch a war against Beiliang. I will also protect my husband, so you can take care of yourself."

Chapter 3083

Xu Fengnian watched Xu Zhihu and Xu Weixiong leave with a sullen face.

He couldn't understand why Xu Weixiong was not his sister.

Xu Xiao knows?

Isn't Xu Weixiong his biological sister?

Even if Xu Weixiong is not his biological sister, she grew up in Beiliang Palace. Xu Fengnian has always regarded Xu Weixiong as his sister. Why does Xu Weixiong look so indifferent to him?

And Xu Zhihu, why did Xu Zhihu draw a clear line with the Xu family? Xu Zhihu really fell in love with Jiangnan Wang Suchen?

Li Chungang touched his beard and asked, "Boy, do you need me to kill the King of Jiangnan?"

Xu Fengnian frowned and asked, "Senior Li, can you kill the King of Jiangnan Suchen among tens of thousands of troops?"

Li Chungang shook his head and replied,

"No, although I have returned to the fairyland on land, I still can't kill Su Chen in the face of thousands of troops. I can secretly assassinate Jiangnan Wang Suchen. Jiangnan Wang Suchen cannot always be in the army."

Wei Shuyang hurriedly reminded Xu Fengnian, "Master, you have to think twice. If you kill Jiangnan King Suchen, Jiangnan will definitely launch a war against Liang. Please don't make a decision easily, Master."

Xu Fengnian nodded with a gloomy face.

He understood that Su Chen could not be killed.

The hundreds of thousands of troops in Yangzhou in the south of the Yangtze River were loyal to Su Chen.

If Su Chen was killed,

Su Chen's men and troops would definitely launch a war against Beiliang, and even He must avenge Su Chen at all costs.

When the time comes,

Emperor Liyang and the surrounding states of Beiliang will take the opportunity to take action. Beiliang will be unable to resist the siege of many forces.

"Boy, don't you want to kill Jiangnan Wang Suchen?"

Li Chungang saw Xu Fengnian's sullen face. He guessed that Xu Fengnian did not agree to kill Su Chen.

Su Chen?

Humiliated his nobles.

Li Chungang would not let Su Chen go.

If Xu Fengnian did not agree with him to assassinate Su Chen, he would assassinate Su Chen alone. Su Chen.

Xu Fengnian bent down and cupped his fists, saying,

"Senior Li, it's not the time yet. After we return from Emperor Wu City and I prepare everything, King Jiangnan Suchen must die. Senior Li, please wait for about three months.

Li Chungang stroked his beard and thought about it before agreeing, "Three months?" Okay, three months is three months, I can wait for three months"

"Thank you, Senior Li"

"Boy, something happened at Longhu Mountain. Let's go to Emperor Wu City."

"good."

Ten days later, on the East China Sea,

Xu Fengnian's ship and Su Chen's ship were sailing on the sea. The six ships were about to arrive at Emperor Wu City. On the ship,

Jiang Ni saw Su Chen lying on a rocking chair basking in the sun.

She walked over and kicked him. Su Chen kicked out and shouted, "Su Chen, you are in the sun every day, aren't you afraid of getting tanned?"

Su Chen opened his eyes and smiled and said, "Little beauty, you don't understand. I don't have many free days. There is sunshine these days, so I want to have more sunshine."

Jiang Ni showed his little tiger teeth and shouted angrily,

"Don't you have some free time? You have nothing to do in Jiangnan Palace. During our journey, you were either sightseeing or causing trouble to Xu Zhihu and us. How else do you want to relax?"

Su Chen sat up and shouted with a dark face,

"Go ahead, Jiang Ni, it's not wrong for me to harm Xu Zhihu, but have I harmed you? Did I harm the blue bird? Did I harm Ran Bing? Did I harm Sheng Cai'er? Did I harm your little follower?"

Jiang Ni blushed and snorted coldly with shame and anger,

"Humph, you are a shameless pervert!"

"Haven't you taken me to see the stars for ten days? Didn't you take Ran Bing to look at the stars? Except for Xu Weixiong, you take turns taking the other women on the boat to watch the stars. Do you think I don't know?"

Jiang Ni was taken by Su Chen to watch the stars several times in the past ten days. She also did embarrassing things to the shameless pervert.

Over the past few days,

Jiang Ni discovered something was wrong with Qingniao and Yu Youwei.

If she hadn't gone up one night looking for Su Chen, Jiang Ni didn't know that Su Chen had harmed Qingniao and Yu Youwei, as well as Ran Bing and Sheng Cai'er.

There was something wrong with the two women.

Ran Bing and Sheng Cai'er might not have escaped Su Chen's murderous hands.

However,

Xu Weixiong was an exception.

Jiang Ni guessed that it was because of Xu Zhihu that Su Chen did not dare to attack Xu Weixiong.

Su Chen showed a surprised expression and shouted, "Come on, little beauty, you are actually spying on me?"

"Spying on you? You are just a scumbag. There is such a big place on a big ship. I know what you are doing in the pavilion of a big ship without even looking."

"You are invincible."

Jiang Ni asked with a confused expression, "Am I invincible?" I'm referring to the Xuan realm, why am I invincible?" (To read exciting novels, go to Feilu Novel Network!)

"You are so shameless...."

"Bastard, why am I so shameless?"

"Little beauty, you are a woman, how could you spy on me and Blue Bird watching the stars. Jiang

Ni's face turned red and she shouted hurriedly, "Shameless pervert, I didn't peek. Don't talk nonsense."

"Okay, Xu Fengnian's boat has docked. Little beauty, go and inform others that we are docking."

"good!"

Jiang Ni looked back at the approaching Wu Emperor City. She quickly ran to the cabin to inform the other women.

Su Chen stood up and looked at Emperor Wu City.

This was the second time.

He had been to Emperor Wu City twice in the small world he had experienced. , this time,

Wang Xianzhi, Li Chungang, Deng Tai'a, and the young Taoist priest Hong Xixiang of Wudang Sect. Su Chen has not thought of how to deal with them.

Seven Star Begonia can only kill one person.

Su Chen wants to help Ran Bing and Sheng Cai'er. To complete the mission, he could only kill the disgusting Li Chungang.

Where is Wang Xianzhi? []

Will he take action?

Deng Tai'a wants to protect Xu Fengnian, will he take action?

There is also the little Taoist priest Hong Xixiang of the Wudang Sect. Hong Xixiang also Will they come to Emperor Wu City?

After a while, after the ship docked,

Su Chen ordered three thousand black-armored troops to stay on the ship. He took Xu Zhihu and the girls towards Emperor Wu City.

Xu Zhihu asked with a worried expression," Husband, will it be dangerous for us to enter Wu0.0 Imperial City like this?"

Jiang Ni and Ran Bing looked at Su Chen one after another.

Su Chen only brought them into Emperor Wu City. He did not bring them with the army or secret guards.

Su Chen was still a scumbag ordinary person. They were worried that Su Chen would Encountered danger in Emperor Wu City.

Su Chen hugged Xu Zhihu and walked while saying, "Don't worry, something will happen to us in Emperor City for a while."

Xu Zhihu shook his head and said nothing more.

She thought that Sheng Cai'er is a strong person in the Celestial Realm.

Ran Bing and the girls like Qingniao are all in the Zhixuan Realm. She is an empty shell in the Vajra Realm. Fighting is prohibited in Emperor Wu City. Xu Zhihu I'm not too worried that something will happen to Su Chen in Emperor Wu City.

"Old man Deng, your twelve small flying swords are good. Can you give them to my wife?".

Chapter 3084

At the gate of Emperor Wu's City,

Su Chen saw the old man holding a peach branch under a small tree. He smiled and walked over with Xu Zhihu in his arms.

The Peach Blossom Sword God Deng Tai'a is a nice old man.

Su Chen hugged Xu Zhihu and smiled and said, "Old man Deng, your twelve small flying swords are pretty good. Can you give them to my wife?"

Deng Tai'a touched his beard. Said, "Little friend, do you know what you are talking about?"

Jiangnan Wang Suchen?

Xu Zhihu, the daughter of Xu Xiao from Beiliang?

The rumors seemed to be true.

Jiangnan King Su Chen abducted Xu Xiao's daughter Xu Zhihu.

However,

Xu Zhihu was hugged by Su Chen and smiled happily. Doesn't Xu Zhihu look like he was kidnapped and humiliated?

Deng Tai'a looked at the women behind Su Chen again, one in the Celestial Realm and several in the Zhixuan Realm.

He did not expect that Su Chen also had several powerful women.

Su Chen threw a bottle of wine to Mrs. Deng and said,

"Old man Deng, you don't have to just repay your kindness to Xu Fengnian. My wife Xu Zhihu is also Wu Su's daughter, and she is the eldest daughter. You should do the same to my wife Xu Zhihu."

"Xu Zhihu met his senior."

Xu Zhihu pushed Su Chen away and saluted Deng Tai'a,

Peach Blossom Sword God Deng Tai'a?

Xu Zhihu heard Su Chen tell Deng Tai'a's origin, and she also knew that Deng Tai'a was from her mother's tribe. Xu Zhihu When facing Tai'a Deng, you must salute and say hello.

Xu Weixiong stepped forward and saluted Tai'a Deng and said, "Xu Weixiong has met Senior Deng."

Xu Weixiong originally didn't want to salute Deng Tai'a.

On the boat,

Su Chen said something to her and shamelessly threatened her. Although

Xu Weixiong was angry, she had to obey Su Chen's order.

Xu Weixiong didn't want to be betrayed by Su Chen. Chen pulled her to look at the stars, and she didn't want to do the same disgusting things to Su Chen as other women.

She thought that Deng Tai'a was a strong man in the world after all, and it was natural for Xu Weixiong to salute Deng Tai'a.

Jiang Ni and Ran The Bing girls all bowed down to salute Deng Tai'a.

They had been instructed by Su Chen, and

Su Chen had told them to salute when they met Deng Tai'a. Deng Tai'a was also worthy of the salutes of the other girls.

"You don't need to be too polite.."

Deng Tai'a smiled at Xu Zhihu and the girls.

He felt very good about Xu Zhihu and the girls, but he felt very bad about Su Chen.

Su Chen was too naughty, too lustful, and too shameless.

This was the first time Su Chen met him. His name was Old Man Deng, and the little bastard wanted him to hand over Xu Zhihu's Little Flying Sword.

If Deng Tai'a hadn't been a good-tempered person, he would have kicked the shameless little bastard away.

Deng Tai'a asked Su Chen doubtfully, "Little bastard, how do you know that Wu Su is kind to me? And how do you know that I came to Emperor Wu City to repay Xu Fengnian's kindness?"

"Old man Deng, don't ask too much, you just don't know if you ask."

"Shameless little bastard."

Su said to Deng Tai'a with a serious face,

"Old man, Xu Zhihu and Xu Weixiong are both here. You don't need to ask Xu Fengnian to repay your kindness."

"Xu Fengnian is a troublemaker, and he will definitely cause trouble when he comes to Emperor Wu City. You have to repay Su Wusu's meal, and you should do the same to Xu Zhihu and Xu Weixiong."

Deng Tai'a frowned and asked, "King Jiangnan, do you want to take action against Xu Fengnian?"

Su Chen said to Xu Zhihu,

"Madam, you and Ran Bing and the others go to Emperor Wu City first. Old Man Deng and I have something to talk about."

"Good husband."

Xu Zhihu smiled and nodded to Su Chen. She and Ran Bing and the girls walked towards Emperor Wu City.

After Xu Zhihu and the girls left, Su Chen said expressionlessly, "Deng Tai'a, Xu Fengnian is dead. It's settled, you can't save Xu Fengnian."

Deng Tai'a shook his head and said,

"Not necessarily, Xu Fengnian is protected by Li Chungang, and old man Zhao Xuansu from Longhu Mountain will take action. Others who want to kill Xu Fengnian are not worth mentioning. Xu Fengnian cannot die in Emperor Wu City."

Su Chen curled his lips and reminded, "Old man Deng, stop talking about me.""

Deng Tai'a reminded Su Chen, (To read Baoshuang novels, go to Feilu Novel Network!)

"you? you are just an ordinary person"

"The girls around you are pretty good, but when Li Chungang returns to the fairyland on land, they are no match for him."

Su Chen took a sip of wine and said with a smile,

"Ordinary people? Old man Deng, I am an ordinary person"

"But have you ever heard of ants killing an elephant? If I send troops to surround and kill Xu Fengnian, can Li Chungang save Xu Fengnian? Can you save Xu Fengnian?"

Deng Tai'a said with a serious face, "Beiliang also has an army, with 300,000 cavalry."

"Hey, I dare to send out the army, but does Beiliang dare?"

Deng Tai'a frowned in thought.

Su Chen was right.

Beiliang did not dare to send out troops casually.

Liyang State and the states around Beiliang were eyeing Beiliang. If Xu Xiao dared to send out troops to start a war with Jiangnan, Liyang would The emperor and the various states will send out troops to surround Beiliang.

Deng Tai'a asked in confusion, "You little bastard, I don't understand. Xu Zhihu is your wife, and Xu Fengnian is also your brother-in-law. Why do you have to kill Xu Fengnian?"

"Xu Fengnian had a reason to die, old man Deng, Wu Su had four children, why did you want to repay Xu Fengnian's kindness? Xu Zhihu, Xu Weixiong, Xu Longxiang, aren't they worthy of your favor?"

"little bastard, me....."

At this time, Xu Zhihu, Ran Bing and the girls were sitting in the tea shop in Emperor Wu's city, drinking tea. However, Xu Zhihu, Sheng Cai'er and the girls did not speak. They were all talking to each other. Thinking about things on your mind. Xu Zhihu frowned and asked Ran Bing, "Ran Bing, are you, Sheng Cai'er, and Uncle Jiu trying to kill Xu Fengnian?"

"

"good."

Ran Bing didn't hide it from Xu Zhihu, and she had no need to hide it.

They had already arrived at Emperor Wu's City, and they couldn't hide the fact that they were going to kill Xu Fengnian (Qian Zhaohao) later.

Jiang Ni, Blue Bird Fish Youwei, Xu Wei Xiong Sinu was very surprised.

Ran Bing and Sheng Cai'er wanted to kill Xu Fengnian?

Why?

Jiang Ni couldn't help but asked Ran Bing, "Ran Bing, why do you want to kill Xu Fengnian?"

Xu Weixiong said with a serious face,

"Ran Bing, you want to kill Xu Fengnian, why didn't the three of you take action in Jiangnan?"

"Li Chungang has returned to the land of fairyland. Xu Fengnian is protected by Li Chungang. You, Sheng Caier, and Uncle Jiu are no match for Li Chungang. You cannot kill Xu Fengnian."

Qingniao didn't understand and said, "Yes, if you want to kill Xu Fengnian in Jiangnan, Su Chen's secret guards and troops will help you. Why didn't you kill Xu Fengnian in Jiangnan? Ran

Bing said to the women speechlessly, "Because Xu Zhihu, Xu Zhihu is Su Chen's wife, we didn't want to make it difficult for Su Chen, so we didn't kill Xu Fengnian in Jiangnan.""

Chapter 3085

Ran Bing didn't tell the truth to Xu Zhihu and the other girls, so he killed Xu Fengnian?

They want to kill Xu Fengnian in Emperor Wu City.

In one day, the task of kidnapping Xu Zhihu and Xu Weixiong will be completed for a month.

The only remaining three trial tasks are to kill Xu Fengnian. Ran Bing and the other two will be killed with Su Chen's help. Kill Xu Fengnian

"I do not believe."

Xu Zhihu stroked his hair and didn't believe Ran Bing's words.

For her?

Ran Bing, Sheng Cai'er, Jiu Shu San~ have nothing to do with her.

Su Chen and Ran Bing have not known each other for a month. It is impossible for them to Because she didn't kill Xu Fengnian in Jiangnan.

In Jiangnan, if Xu Zhihu asked Su Chen to let Xu Fengnian go, Su Chen would agree to let Xu Fengnian go for her sake, but if Ran Bing and the others wanted to kill Xu Fengnian, they couldn't do it for her. Xu Zhihu guessed that there was another reason for not killing Xu Fengnian.

Sheng Caier said in a cold tone,

"You don't need to ask any more questions. It is destined that we will kill Xu Fengnian. Xu Fengnian must die in Emperor Wu City. Jiang

Ni asked with a complex expression, "Sheng Cai'er, can you tell us why you wanted to kill Xu Fengnian?" Sheng

Caier glanced at Jiang Ni and said coldly,

"There is no reason, Xu Fengnian deserves to die"

"Jiang Ni, you will be Su Chen's concubine from now on. If you dare to think about other men again, I will kill you."

Jiang Ni clenched her fists and shouted, "I'm not a concubine, and I don't think about other men.

Ran Bing shouted to Jiang Ni, "I'll go, Jiang Ni, do you want to be Su Chen's wife?" Do you want to replace Xu Zhihu?"

Qingniao, Yu Youwei, Xu Weixiong, Sheng Cai'er, Xu Zhihu and the other girls all looked at Jiang Ni,

Madam?

Do you want to replace Xu Zhihu?

They didn't believe what Ran Bing said, and Jiang Ni didn't have the ability. Replace Xu Zhihu's position.

But something was very wrong with Jiang Ni in the past ten days.

Not only did Jiang Ni accompany Su Chen to look at the stars again and again, but Su Chen did not resist when he hugged her in public.

They felt that Jiang Ni had accepted his fate and that Jiang Ni wanted to become Su Chen's second wife.

Yu Youwei asked with a smile, "Princess, do you want to be Su Chen's second wife?"

Blue Bird said expressionlessly, "It should be. Xu

Weixiong reminded with a cold face, "Jiang Ni, you want to be a bastard's woman. Don't you know that the shameless bastard is a pervert?" Jiang

Ni's face turned red and she hurriedly explained, "Don't look at me like that. I didn't think so.""

Ran Bing curled her lips and said nothing more.

She fell in love with that bastard Su Chen, but she and Su Chen were not from the same world.

Although Su Chen could find her world, and she could often be with Su Chen in the future, but she  
It is speculated that Su Chen has many women.

Ran Bing will not be Su Chen's only woman, nor will she be Su Chen's last woman. She will not care how many women Su Chen has.

And Sheng Cai'er,

Ran Bing found that Sheng Cai'er was also taken by Su Chen to look at the stars.

Sheng Cai'er kept rubbing her chest when she came back.

Ran Bing guessed that Sheng Cai'er was also harmed by Su Chen. Sheng Cai'er might serve with flaming red lips and proud mountains. Go to Su Chen

"well!"

Xu Zhihu rubbed his forehead and looked outside the tea shop.

The confusion between Ran Bing and Jiang Ni.

She could no longer ask them why they killed Xu Fengnian.

Su Chen's conversation with Deng Tai'a outside the Emperor Wu City. Xu Zhihu guessed that Su Chen She wanted to kill Xu Fengnian.

She was Su Chen's wife and

Xu Fengnian was her brother.

Although Xu Zhihu was no longer related to the Xu family, she didn't want Su Chen to kill her brother for no reason.

Xu Zhihu guessed that Su Chen would give her an explanation.

Su Chen would give her an explanation so that she wouldn't be angry.

Yu Youwei pointed to the side and shouted, "Look, Xu Fengnian is in the restaurant opposite, why is he drinking alone?"

Qingniao looked around the restaurant and said, "Li Chungang and Wei Shuyang are nearby."

Jiang Ni imitated Su Chen and touched his chin and said,

"Xu Fenglai came to Emperor Wu City to take away Lao Huang's sword box. He should be thinking of how to take away Lao Huang's sword box."(To read Baoshuang novels, go to Feilu Novel Network!)

Ran Bing looked at Xu Fengnian and said disdainfully,

"Xu Fengnian is looking for death"

"Wang Xianzhi in Emperor Wu City is a terrestrial fairyland. The Twelve Sword Slaves we saw earlier all refer to the mysterious realm."

"If Li Chungang and Wang Xianzhi fight,"

"Xu Fengnian's men are no match for the Twelve Sword Slaves. I don't understand how Xu Fengnian can take away the sword box."

Xu Weixiong said with a cold face,

"Xu Fengnian is looking for death. Zhao Kai and Yuan Tingshan also come to Emperor Wu City. If Li Chungang fights with Wang Xianzhi, Zhao Kai and Yuan Tingshan can kill Xu Fengnian with their golden armor."

Sheng Cai'er was drinking tea and thinking.

She felt that something would happen.

If Li Chungang fought with Wang

Xianzhi, it would be easy for her to assassinate Xu Fengnian.

It was impossible for Qiyun Tiandao to issue such a simple task.

Sheng Cai'er guessed that Li Chungang would not fight with Wang Xianzhi. , it is also possible that another strong person will appear to protect Xu Fengnian.

After a while,

Su Chen and Deng Tai'a, who looked constipated, came into the tea shop. Deng Tai'a was so angry that he wanted to squeeze Su Chen to death. He didn't expect Su Chen to be so shameless. Face.

Persuasion?

Threat?

The little bastard had the shamelessness to threaten him with Sister Xu Zhihu, saying that he would abandon Sister Xu Zhihu after making her pregnant.

Damn, is this what people say?

Deng Tai'a has no choice,

Xu Zhi Hu and Xu Weixiong are also Wu Su's children. He can't let the two women be abandoned by Su Chen for Xu Fengnian.

Su Chen is right.

Anyway, it is to repay Wu Su's kindness.

He repays his kindness to Xu Zhihu and Xu Weixiong. It's the same thing. He doesn't need to look for Xu Fengnian to repay his kindness.

Xu Zhihu hurriedly stood up and invited, "Senior, please sit down quickly."

Deng Tai'a sat down and handed Xu Zhihu a wooden box and said,

"Xu Zhihu, there are twelve small flying swords in the box, and the training secrets are in the box. You and Xu Weixiong can practice together in the future. I can repay your mother's kindness."

Xu Zhihu shook his head hurriedly and said, "Senior, the Little Flying Sword is senior's weapon, I can't have it."

Su Chen hugged Sheng Cai'er and sat down and said, "Madam, please accept it. Old Man Deng originally wanted to give the Xiao Fei Sword to Xu Fengnian. His realm no longer needs the Xiao Fei Sword."

"Xu Zhihu thanks senior"

"Xu Weixiong thanks you, senior."

Xu Zhihu heard Su Chen accept the wooden box containing the Xiao Feijian. She and Xu Weixiong thanked Deng Tai'a.

Deng Tai'a stroked his beard and smiled and said, "You don't need to thank me. I just want to repay the favor."

Sheng Cai'er was hugged by Su Chen and blushed and said,

【Su Chen, can you be more honest? If you dare to touch my long legs again, I will kick you away. two】 .

Chapter 3086

Su Chen secretly smiled at Sheng Cai'er.

Sheng Cai'er's long legs were white, smooth and delicate. He felt very comfortable stroking them and didn't want to let go.

Su Chen whispered in Sheng Cai'er's ear, "Little beauty, you are getting more and more beautiful and charming."

Sheng Cai'er blushed and said shyly, [Shameless, reach out your hand quickly, do you want to be discovered by the people next to you? ? ]

Su Chen stretched out his hand and took a sip of tea.

Xu Zhihu and his ladies and Deng Tai'a were all here. He was also worried about being discovered by Xu Zhihu and his companions.

"Wang Xianzhi, I, Xu Fengnian, came to Emperor Wu City today. I want to take away the sword box of Jian Jiuhuang. Regardless of whether you agree or not, I have decided to take the sword box. If you agree, it's okay. If you don't agree, I will. Beat you into a sweet potato."

Suddenly, provocative shouts against Wang Xianzhi came from Emperor Wu City, and everyone looked at the provocative person in Emperor Emperor City.

"Who dares to provoke Wang Xianzhi in Emperor Wu City?"

"Didn't you hear that? Xu Fengnian, the one who provoked Wang Xianzhi was Xu Fengnian, the prince of Northern Liang"

"Let me go to 31. Xu Fengnian is just a scumbag. What qualifications does he have to provoke Wang Xianzhi? Isn't Xu Fengnian afraid of being crushed to death by Wang Xianzhi?"

"I guess it is because of Li Chungang. It was reported ten days ago that Li Chungang returned to the land of fairyland. Xu Fengnian was protected by Li Chungang, so he dared to provoke Wang Xianzhi in Emperor Wu City."

"Yes, Xu Fengnian is a fox who pretends to be a tiger. Without the protection of Li Chunang, the Twelve Sword Slaves can easily kill Xu Fengnian."

"Xu Fengnian is too arrogant and stupid. If Wang Xianzhi and Li Chungang fight, the Twelve Sword Slaves will definitely kill Xu Fengnian."

The Jianghu people in Emperor Wu City were talking one after another. All Jianghu people were very disdainful of Xu Fengnian's arrogance. He was a scumbag and an idiot who was looking for death. The Jianghu people in Emperor Wu City speculated that Xu Fengnian was dead. Even if Xu Fengnian was protected by Li Chungang, he would not be able to escape. One death.

In Emperor Wu City,

Zhao Kai and Yuan Tingshan were hiding aside. They looked at Xu Fengnian outside the small restaurant and were very surprised.

Xu Fengnian dared to shout arrogantly and provoke Wang Xianzhi.

Neither of them expected it.

Zhao Kai's eyes flashed and he said unexpectedly, "What Xu Fengnian did was really surprising."

Yuan Tingshan showed disdain and mocked, "Arrogant, arrogant, idiot, Xu Fengnian is dead."

"Also, when Wang Xianzhi and Li Chungang fight, even the Twelve Sword Slaves can kill Xu Fengnian"

"Zhao Kai and Jiangnan Wang Suchen are also in Emperor Wu City. We must also be careful about Jiangnan Wang Suchen."

Zhao Kai looked at the examiner and asked with a frown on his face.

"Jiangnan Wang Suchen? We should be careful about him. I have been wondering these days why Jiangnan Wang Suchen didn't kill us at the foot of Longhu Mountain? Yuan

Tingshan crossed his arms and guessed, "My guess is that because of Xu Fengnian, Jiangnan Wang Suchen may also want to kill Xu Fengnian. He wants to use us to kill Xu Fengnian.""

"Take advantage of us?"

Zhao Kai doesn't think Su Chen wants to use them.

Xu Fengnian is protected by Li Chungang.

If Li Chungang fights with Wang Xianzhi, it will be easy for the women around Su Chen to kill Xu Fengnian. Zhao Kai doesn't believe that Su Chen will use them to kill Xu Fengnian.

Why?

Su What is Chen's purpose?

Zhao Kai couldn't guess for a moment. At this moment, in the tea shop,

Su Chen, Xu Zhihu, the girls, and Deng Tai'a all looked at Xu Fengnian outside the small restaurant.

Su Chen held Sheng Cai in his arms. Er mocked, "Xu Fengnian is really a fool who doesn't care about life and death. A scumbag dares to provoke Wang Xianzhi arrogantly. Xu Fengnian is more arrogant than me."

Xu Zhihu and Jiang Ni were very speechless.

Xu Fengnian's arrogance and provocation made them unable to stand it.

Wang Xianzhi is a land god and the most powerful person in the world.

There are many people who challenge Wang Xianzhi in the world, but people like Xu Fengnian  
There is no one who arrogantly provokes Wang Xianzhi, and Xu Fengnian is still a weak little scumbag. What qualifications does Xu Fengnian have to arrogantly provoke Wang Xianzhi?

Deng Tai'a took a sip of tea and shook his head, "Alas! Xu Fengnian was too arrogant. After all, Wang Xianzhi was a strong man who had been famous for decades. Xu Fengnian did not dare to provoke Wang Xianzhi regardless of life or death."

Su Chen stood up and walked to the window and said, "Old man Deng, I persuaded you well before. Xu Fengnian is not worthy of your gratitude. He is too arrogant, too stupid, and too arrogant."

Xu Weixiong glared at Su Chen and said coldly, "Aren't you arrogant? I heard that you were also arrogant and provocative and insulted Li Chungang."

"Xu Weixiong, don't provoke me, otherwise, I will take you to see the stars tonight"

"Shameless!"

Xu Weixiong's chest was about to explode with anger.

Looking at the stars?

Xu Weixiong thought of Su Chen taking Xu Zhihu to see the stars, the shameless woman also took Jiang Ni to see the stars, took the blue bird to see the stars, took Sheng Caier and Sheng Cai'er to see the stars. Ran Bing has seen the stars, hairtail fish Wei has seen the stars, and Xu Weixiong has seen them secretly several times in ten days on the big ship.

Looking at the stars?

Bullshit looking at the stars,

Xu Weixiong did not expect that Su Chen would take off the clothes of several women. , and also let several women do disgusting things that pollute the eyes. (To read Baoshuang novels, go to Feilu Novel Network!) If Su

Chen dared to force her to watch the stars at night,

Xu Weixiong would turn Su Chen into a eunuch. Emperor

Wu On the city wall,

Li Chungang Qing Gong came up and shouted,"Wang Xianzhi, I didn't enjoy the first battle back then. I, Li Chungang, still want to fight you."

An old voice came from Emperor Wu's city,

"Li Chungang, a battle over the East China Sea"

"A battle over the East China Sea."

Su Chen frowned and looked at Li Chungang who was flying away."

990 Something is wrong.

Li Chungang clearly knew that Xu Fengnian was no match for the Twelve Sword Slaves.

He also knew that Zhao Kai and Yuan Tingshan were hiding around, and he also knew that the ancestors of Longhu Mountain were mixed with Xu Fengnian. Around him, even Li Chungang saw him bringing the girls to Emperor Wu City.

Li Chungang was supposed to protect Xu Fengnian, so how could he challenge Wang Xianzhi?

Uncle Jiu came quickly with a group of secret guards and shouted, "Su Chen, it's not good. The Wudang sect disciples you asked me to search for outside Emperor Wu City have actually arrived at Emperor Wu City."

Su Chen and Xu Zhihu and the other girls looked at Xu Fengnian one after another, [] Are the disciples of the Wudang Sect really coming?

Xu Zhihu thought of what Su Chen said on the boat. She did not expect that the disciples of the Wudang Sect would really come to Emperor Wu City.

Xu Zhihu There was a complex expression on his face,

Wudang Sect?

Hong Xixiang?

Lu Zu?

Wudang Sect Hong Xixiang is the reincarnation of Lu Zu? She was Lu Zu's beloved woman in her previous life?

Xu Zhihu held her hands tightly and made a decision in her heart. Regardless of whether she was the woman Lu Zu liked in her previous life or not, she has long since forgotten about Hong Xixiang.

Xu Zhihu is Su Chen's woman, and she will always be Su Chen's woman in the future. She will always be Su Chen's woman.

Ran Bing said with a serious face,"Su Chen, Xu Fengnian notified the Wudang Sect, no wonder Li Chungang dared to fight with Wang Xianzhi"

Chapter 3087

Sheng Cai'er looked at Su Chen with a cold face.

Su Chen told them about Hong Xixiang of the Wudang Sect.

Hong Xixiang was the reincarnation of Lu Zu five hundred years ago. He and Xu Zhihu had been in love for two lives..

If Hong Xixiang appears in Emperor Wu City, he may have restored his memories and cultivation in his previous life.

Sheng Cai'er knows the difficulty of mission three.

Hong Xixiang is a more powerful person than Li Chungang and Wang Xianzhi.

Since he appears in Emperor Wu City, he may have come to The person is not good.

Hong Xixiang may have come to kill Su Chen. After all, Xu Zhihu was Hong Xixiang's beloved woman in his previous life.

Sheng Cai'er said to Su Chen,"Su Chen, you can't stay in Emperor Wu City."

Ran Bing said with a serious face,

"Yes, Su Chen, if Hong Xixiang comes to Emperor Wu City, it will be very dangerous for you to stay in Emperor Wu City."

"Husband, let's leave Emperor Wu City, I don't want anything to happen to you."

Xu Zhihu understood what Sheng Cai'er and Ran Bing said.

She was Lu's beloved woman in her previous life, and she also fell in love with Hong Xixiang in this life. Xu Zhihu was worried that Hong Xixiang would kill Su Chen for her.

Yu Youwei , Tai'a Deng, Uncle Jiu, they looked at Su Chen and Xu Zhihu in confusion.

How could Ran Bing, Xu Zhihu, Sheng Cai'er persuade Su Chen to leave?

The Wudang sect's Hong Xixiang wanted to kill Su Chen?

Who is Hong Xixiang?

They have never heard that there is a strong man named Hong Xixiang in the Wudang sect. Why are the three girls Ran Bing worried that Su Qichen will be killed by Hong Xixiang?

Qingniao and Jiang Ni looked at Xu Zhihu.

They knew Xu Zhihu He has a relationship with Hong Xixiang, but

Hong Xixiang of the Wudang Sect is a scumbag Taoist priest. Why did the three Ran Bing girls persuade Su Chen to leave Wudi City?

At this moment,

Su Chen ignored the persuasion of the three Ran Bing girls. He looked at the man in white clothes not far away. The beauty was very confused.

Su Yue?

How come the beauty in white looked like his second daughter Su Yue?

Su Chen rubbed his sore forehead.

If the beauty in white was his daughter Su Yue, how did she appear in this world? Could Su Yue have climbed the ladder to heaven? Coming to this world?

Su Chen has not seen the four Su Yue sisters for almost a century.

He has no cultivation level now. He cannot check whether the beauty in white is his daughter Su Yue.

Ran Bing walked to Su Chen and shouted angrily, "Su Chen, what time has it been, how can you still have the time to look at beautiful women?"

Sheng Cai'er and Jiang Ni looked into the distance one after another. They also found that Su Chen had been staring into the distance.

Ran Bing said that Su Chen was looking at the beauty.

They wanted to know if Su Chen was looking at the beauty.

Su Chen Zou He frowned uncertainly and said, "Ran Bing, the beauty in white not far away, she seems to be my daughter.

Ran Bing was surprised when he heard Su Chen's words and shouted, "What?" Is this beauty your daughter? Su Chen, are you stupid? That beauty is about twenty years old. How could she be your daughter?"

Su Chen said with a dark face, "I'll go, I said it seems, I haven't decided yet. Xu

Zhihu asked with a serious face.

"Su Chen, do you have a daughter? Xu

Weixiong glared at Su Chen angrily and shouted, "Su Chen, you actually have an illegitimate daughter. Are you worthy of my eldest sister?"

Jiang Ni, Sheng Caier and the girls, as well as Jiu Shu and Deng Tai'a, all looked at Su Chen in bewilderment. They were all confused by Su Chen's words, daughter?

Su Chen may have a daughter at his age, but...

The beauty in white is almost the same age as Su Chen, how could she be Su Chen's daughter?

Su Chen nodded to Xu Zhihu and replied, "Madam, I have daughters, more than one, I have four daughters.

Xu Zhihu asked in surprise, "Four daughters?" You actually have four daughters? Why haven't I heard of it? Who is their mother? How old are they?"

"I will tell you later, I now suspect that the woman in white is my daughter"

"Husband, are you talking nonsense? The beauty in white is about twenty years old, (dbce) how could she be your daughter?"

Su Chen rubbed his forehead and shook his head and said, "Madam, I can't explain it right now. I want to make sure first whether she is my daughter."

"Su Chen, let me ask for you."

Ran Bing hurriedly ran towards the beautiful woman in white not far away.

She thought that Su Chen was not only a former lucky person, but also an immortal who ascended to the immortal world.

Su Chen might not be too young. Su Chen might be hundreds of years old. The old monster. (To read Baoshuang novels, go to Feilu Novel Network!)

The beauty in white may really be Su Chen's daughter, but how could Su Chen's daughter appear in this world? Ran Bing is very fond of Su Chen's daughter Interested.

At this time,

Su Yue, who had just arrived in the snow world, showed a sly smile.

She found that Su Chen had been staring at her.

She also found that Su Chen had no cultivation.

Su Yue guessed that Su Chen was very surprised to see her. She It is also speculated that Su Chen is not sure whether she is Su Yue.

It has been almost a hundred years since

Su Chen left the Hongmeng World.

Su Yue and her father Su Chen have been separated for almost a hundred years. She also misses her father very much.

Three days ago,

Qiyun Tiandao informed They discovered Su Chen, and the eldest sister Su Yan was sent to the Hongmeng World by Chaos Avenue.

The three sisters Su Yue, Elena, and Su Yao begged for three days before their mother and aunt agreed for them to see their father.[]

However,

Qi Luck Tiandao said that after the Qi Luck Master mission was launched, only one person could be sent to this world.

Su Yue suppressed Elena and Su Yao, and she asked Qi Luck Tiandao to send her to this small world.

Su Yue touched her fair chin and whispered,

"My father is still the same as before, no matter where he goes, there are beautiful women around him

"Xu Zhihu? Xu Weixiong? Ginger paste? Bluebird? The small world is actually somewhat similar to the Shenyu Continent. These women look different, but their names and some things are the same."

Su Yue couldn't understand, how could her father appear in this small world? Why hasn't he reached any level of cultivation?

Trial?

Is it possible?

Trial in the Hongmeng World, how could her father appear in the Chaos World?

At this moment,

Ran Bing came to Su Yue and asked, "Miss, do you know Su Chen?"

Su Yue replied with a cunning look in her eyes, "Su Chen? Who is Su Chen? I do not recognize"

"You really don't know Su Chen?"

Ran Bing looked at Su Yue and didn't believe it.

Su Yue and Su Chen looked very similar, especially their noses and chins.

Su Yue smiled and shook her head and said, "I don't know, I don't know who you are talking about Su Chen. who. Ran

Bing stared at Su Yue and said in disbelief,

"Why do I feel like you're lying? You and Su Chen look very similar. It's impossible for you not to know Su Chen."

"Su Chen looks similar to me? Miss, your words have interested me. Can you take me to meet the Su Chen you mentioned? I want to see if Su Chen looks similar to me"

Chapter 3088

Su Yue smiled slyly.

She wanted Ran Bing to take her to see her father.

Su Yue wanted to see if her father could still recognize her. She also wanted to see her father's surprised and confused expression.

"Okay, come with me, I will take you to see Su Chen."

Ran Bing pulled Su Yue towards the tea shop, trying to deceive her?

Is she so easily deceived?

Ran Bing saw that Su Yue wanted to see Su Chen, she Guessing that Su Yue must know Su Chen, Su Yue might really be Su Chen's daughter.

Su Yue curled her lips and didn't care about the mortal Ran Bing pulling her.

She just deliberately showed curiosity about his father, she just wanted Ran Bing to take her Go to see her father.

In this way,

Su Yue does not have to deliberately get close to her father.

Ran Bing, a fool, may be happy and think that he has discovered a big secret.

At this moment,

""237" Outside Wudi City,

Hong Xixiang asked Wudang disciples to enter Wudi City to protect Xu Fengnian.

He appeared on the beach in a flash.

Li Chungang and Wang Xianzhi over the East China Sea were about to start fighting. Hong Xixiang wanted to know if the Heavenly Gate could be opened in five hundred years. Before, he had the opportunity to ascend to the immortal world, but he gave up the ascension for a woman.

Hong Xixiang recovered the memory and strength of his previous life.

After the memory of the two lives merged,

Hong Xixiang understood that cultivating immortals must comply with the way of heaven, and cannot go against heaven, let alone have any Feelings.

Xu Zhihu?

Hong Xixiang no longer misses Xu Zhihu.

Xu Zhihu married a few years ago and was abducted and humiliated by Jiangnan Wang Suchen a month ago.

Xu Zhihu is already a ruined man.

He Even if his memory is not restored,

Hong Xixiang will no longer have a relationship with Xu Zhihu.

However,

Hong Xixiang has been in love with Xu Zhihu in both lives.

Since Xu Fengnian told him these things, he will kill Jiangnan Wang Suchen and Xu Zhihu Hu completely cut off the roots of love.

In the tea shop of Emperor Wu City, after Ran Bing brought Su Yue into the tea shop,

Xu Zhihu, Jiang Ni and the other girls looked at Su Yue. Even Deng Tai'a and Jiu Shu also looked at Su Yue.

Everyone I found that Su Chen and Su Yue were very similar, especially the noses and chins of Su Chen and Su Yue. They felt like they were carved from the same mold.

Su Chen rubbed his forehead and asked Su Yue, "Yueer, what are you doing? Appear here?"

Su Yue pretended to be confused and asked, "Yue'er?" Did you admit the wrong person? My name is not Yue'er"

"Little girl, do you want to commit suicide like your sister? Do you want me to summon Xuantian Tiandao?"

Su Chen has an 80% chance of guessing that the beautiful woman in white is his daughter Su Yue.

Su Yue looks so much like him, especially the way Su Yue holds her hands behind her back.

When Concubine Yan taught Su Yue, Su Yue was like this. Su Chen She is more familiar with Su Yue's habit. The little girl is almost a hundred years old, but she still hasn't changed this habit.

Su Yue hurriedly took Su Chen's arm and asked,

"Dad, how did you recognize me?"

"We haven't seen each other for almost a hundred years. You haven't reached any level of cultivation yet, and I haven't exposed a trace of my presence since I came here. I don't understand how my father still recognizes me. Su

Chen stroked Su Yuedu's hair and said with a smile, "Little girl, let's talk about the rest later. Why did you appear in this world?"

"Dad, luck and destiny informed us that I suppressed Elena and Su Yao before coming to this world."

"What? Did you suppress your two sisters? Where is your eldest sister? Didn't your eldest sister suppress you?"

Su Yue explained to Su Chen with a smile,

"Dad, Qi Luck Tiandao said that after the Qi Luck mission is launched, only one person can be sent to this world. Elena and Su Yao also want to see their father. I want to see my father, so I suppressed my two sisters."

"As for the eldest sister?"

"The eldest sister was transported to the Hongmeng World by the Avenue of Chaos. The eldest sister left us three sisters behind to find our father.

Su Chen was surprised and asked hurriedly, "What?" Yue'er, your eldest sister went to Hongmeng World? What does Chaos Avenue want to do? How did she teleport your eldest sister to Hongmeng World?"

Su Chen became anxious.

The Hongmeng world is very dangerous.

Su Yan is not in the holy realm yet. (To read Baoshuang novels, go to Feilu Novel Network!)

She is a scum ant in the Hongmeng world. Any monster. Even animals can kill Su Yan.

Su Yue shook her head and replied,

"I don't know. My mother, my aunts, and my aunt didn't tell me, and my eldest sister didn't tell me before she left."

Su Chen frowned and thought, what does Chaos Avenue want to do?

Why did she want to teleport Su Yan to the Hongmeng world?

At this moment,

Xu Zhihu, Jiang Ni, Deng Tai'a and others were very shocked. They did not expect that Su Yue was really Su Chen's daughter 0.

A daughter as old as Su Chen?

They all felt dizzy.

Also, they couldn't understand the conversation between Su Chen and Su Yue.

What luck and heaven?

What this world?

What chaos Dao? []

What is Hongmeng World?

How about hundreds of years since we have met?

Is what Su Chen and Su Yue said true?

Is this possible?

Ran Bing, Sheng Cai'er, and Uncle Jiu were also very shocked.

Qiyun Tiandao informed Su Yue ?

What is Su Chen's identity?

Why did Qiyun Tiandao notify Su Yue when he discovered Su Chen? Why did Qiyun Tiandao send Su Yue to this world?

Xu Zhihu couldn't help but asked Su Chen, "Su Chen, you Who is he? Why is your daughter the same age as you? Why does your daughter call her mother Queen Mother? Are you a hundred years old?"

Su Chen rubbed his forehead and said,

"I can tell you, Xu Zhihu, I didn't want to deceive you, it's just my identity....."

Su Yue interrupted Su Chen and said, "Dad, let me tell them."

"Okay, tell them, I want to think about your eldest sister."

Su Chen sat aside and ignored Su Yue.

He wanted to think about the intentions of Chaos Avenue.

How could Chaos Avenue transport Su Yan to Hongmeng World? Can Chaos Avenue have the ability to transport people to Hongmeng World?

Xu Zhihu said with a serious face. , "Your name is Yue'er. I am your father's wife. Who is your father  
0.3?" You can say it."

Su Yue nodded to Xu Zhihu and said,

"I know you, Xu Zhihu, although you are my father's wife, I will not call you aunt now."

"Why?"

"I'm afraid you won't be able to bear what I call you"

"Can not bear?"

Xu Zhihu was very confused.

Su Yue just called her aunt.

Why couldn't Xu Zhihu bear it? Did Su Yue look down on her for marrying someone?

Jiang Ni and Ran Bing were very confused. What

Su Yue said What does it mean?

It's just a title of aunt.

Jiang Ni and Ran Bing couldn't understand why Xu Zhihu couldn't bear the title of Su Yue?

Su Yue stroked her hair and smiled and said, "Xu Zhihu, I'll tell you what I mean." Identity, you will understand"

"you say"

## Chapter 3089

Xu Zhihu stared at Su Yue.

She wanted to know who Su Yue was and why she couldn't bear to be called aunt.

Su Yue glanced at her father Su Chen and said,

"This palace is Princess Gao Yue, the second daughter of the Emperor of the Xuantian Empire, who controls the Tianxuan Continent and the Shenyun Continent."

"She is also the second daughter of the Human Emperor"

"This palace is also Princess Gaoyue of the Heavenly Court of the Ancient Immortal Realm, Xuantian Realm and more than ten auxiliary realms, Princess Gaoyue of the Merlot Heavenly Palace, and by the way, my aunt is also the empress of the Wilderness Realm."

"Xu Zhihu, do you understand my identity?"

"My father controls a top-level realm, more than a dozen intermediate realms, and thousands of small worlds. My father is also the contemporary human emperor of the human race and the strongest man in the chaotic world."

"As long as I call you aunt, you will be unable to bear my fate and die violently."

Xu Zhihu, Xu Weixiong, Jiang Ni, Ran Bing, Sheng Cai'er, Qingniao, Yu Youwei, Jiu Shu, Deng Tai'a, everyone was confused, and they were also frightened by Su Yue's words.

Xuantian Continent?

Shenyun Continent?

Su Chen controls two continents? He also established a Xuantian Empire? Su Yue's title is Princess Gaoyue?

Human Emperor? Su Chen is still the Human Emperor of the human race? Is the Human Emperor not in legends and myths

?

The human emperor of the human race?

The prehistoric fairy world?

The Xuantian realm?

Su Yue's aunt is also the empress of the wild realm?

Immortal? Fairy world? Realm?

Is Su Chen an immortal?

Or the emperor of the fairy world?

Su Yue's aunt is also a fairy Empress? Su Chen is still the strongest person in the world of chaos?

A quarter of an hour later, everyone was still thinking in a daze. They were shocked by the news Su Yue said and had not yet reacted.

Su Chen drank and did not pay attention. Su Yue exposed his identity.

Even if Su Yue didn't say anything, his identity would be exposed today.

Su Yue blinked her big eyes and asked expectantly, "Dad, can you take me to Hongmeng World too?"

Su Chen glanced at Su Yue and refused,

"You are dreaming. You stay in Merlot Heavenly Court. Your eldest sister went to Hongmeng World. I don't know if she is in danger. I can't take you to Hongmeng World."

"Dad, you don't like me anymore. You used to take me with you wherever you went. When I was a baby, Dad took me to the Shenyu Continent. I want to go to Hongmeng World, and I also want to be with my eldest sister."

"Yue'er, Hongmeng World is very dangerous. Dad is also a scumbag in Hongmeng World. I'm worried that I can't protect you."

Su Yue shook Su Chen's arm and said,

"I do not believe"

"Dad, you have been in Hongmeng World for almost a hundred years. Chaos Avenue said that dad is very powerful. Aunt Murong is also in Hongmeng World. I will not be in danger even if I go to Hongmeng World."

Su Chen rubbed his forehead helplessly and said, "Forget it, I think we'll talk about it in a few days."

Su Chen thought that he had gained a firm foothold in Hongmeng World.

The Rakshasa Supreme and the Rakshasa Realm were not in danger to him. Su Yue would not be in danger if he stayed in the Rakshasa Supreme Realm.

Su Yue smiled excitedly. , "Haha, thank you dad, I can be with dad and eldest sister again."

Boom boom boom~

The roaring sound of fighting came from the East China Sea, and everyone in the tea shop woke up and looked at Su Chen.

Ran Bing asked Su Chen hurriedly, "Su Chen, are you an immortal? Or the Emperor of Heaven in the Immortal Realm?"

"good"

"Are you still the human emperor of the human race?"

"good"

"Is your sister also the empress of the fairy world?"

"good!"

"Are you still the strongest person in the fairy world?"

"good".....

Su Chen kept nodding and admitting to Ran Bing's questions. He had nothing to hide, and he had no intention of hiding it from anyone.

"It's unbelievable, Su Chen is really an immortal."

The faces of Ran Bing and Jiang Ni were all red, and they all showed expressions of disbelief.

Su Chen was an immortal, the Emperor of Heaven in the immortal world, and even the strongest person in the immortal world.

They were shocked and confused by Su Chen's identity. It was doubts. Since Su Chen was an immortal, how could he appear in this world? How could Su Chen not have any cultivation realm?

Xu Zhihu rubbed his sore forehead, (To read Baoshuang novels, go to Feilu Novel Network! )

Her husband turned out to be an emperor, a human emperor, an immortal, an emperor of heaven, and the most powerful person in the immortal world.

Xu Zhihu felt like she was dreaming, and she also understood that Su Yue refused to call her aunt, and Xu Zhihu couldn't bear it. Su Yue's title.

Luck?

Although she doesn't know what luck is, but a terrifying immortal calls her aunt, Xu Zhihu's fate may not be able to bear it.

Who is she now?

Is she, a mortal woman, worthy of Su Chen? ?

Will Su Chen's fairy woman care about her?

Jiang Ni asked Su Chen curiously, "Su Chen, is there Fairy Chang'e in the fairy world? Su

Chen took a sip of tea and replied, "Yes, Chang'e of the Moon Palace is my wife." Jiang

Ni shouted in confusion, "Let me go, you shamelessly took down Fairy Chang'e?"

Su Yue smiled and said to everyone, "Tch, what's this? My dad also got the Guanyin Bodhisattva, the Queen Mother, the Queen Mother of the West, the Moon God Xihe, the Nuwa Empress, and the Pingxin Empress of the Underworld."

Jiang Ni and Xu Weixiong were even more confused.

They had all heard of the legendary Guanyin Bodhisattva, the Queen Mother, and the Human Mother Nuwa. They did not expect that Su Chen would treat these fairies. After taking it down, they didn't know whether to despise Su Chen or think that Su Chen was good at picking up girls.

However, when they thought about Su Chen's status as the Emperor of the Immortal Realm, Xu Weixiong and Jiang Ni didn't think it was a big deal.

Xu Zhihu held hands tightly. Asked, "Husband, how many wives do you have?" (Li's)

Su Chen coughed awkwardly and said, "Ahem~ Let's talk about this later, I'll tell you later."

Well, how many women does he have?

Does Su Chen dare to tell Xu Zhihu?

He has so many women and confidantes.

Su Chen is worried that telling Xu Zhihu and the other women will despise him, or even call him a shameless pervert. Embryos.

Xu Weixiong hurriedly said to Xu Zhihu, "Sister, Su Chen must have many women, but he doesn't dare to tell you."

Xu Zhihu stroked his hair and said with a smile,

"I can see that Su Chen is an emperor, a human emperor, and a heavenly emperor. It would be strange if he had few women."

Yu Youwei asked confused, "Su Chen, since you are a powerful immortal, why are you an ordinary person?"

Jiang Ni raised his fist and smiled,

"That's right, Su Chen, why don't you have any cultivation? Immortal? I can defeat you, an immortal, with just one hand"

Chapter 3090

Others looked at Su Chen one after another.

They wanted to know why Su Chen didn't have a realm of cultivation.

It was impossible for an immortal to not have a realm of cultivation. What's more, Su Chen was not only the Emperor of Heaven in the Immortal Realm, but also the strongest person in the Immortal Realm.

Su Yue explained from the side,

"My father came to your world to experience, and his cultivation realm was completely sealed. If my father's cultivation realm was not sealed, as soon as he came to your world, your world would be shattered and destroyed."

Jiang Ni and Yu Youwei shook their heads.

The Immortal was more powerful than they imagined.

If Su Chen's cultivation realm was not sealed and came to their world, their world would not be able to withstand the destruction. They had a preliminary understanding of the horror of immortals.

Deng Tai'a kept thinking in confusion, immortal?

Su Chen turned out to be an immortal.

No,

Su Chen was the emperor, the emperor of heaven, and the emperor of humans. Deng Tai'a didn't want immortals to come to their world. , he was worried that the immortals in the fairy world would enslave the humans in their world~.

However, Deng Tai'a had no way to stop the arrival of

Su Chen and the arrival of Su Chen's daughter Su Yue. Cultivation level looks like, but how can an immortal not have a cultivation level? Seal strength? The seal may be unlocked at any time. If Su Chen's cultivation level is unlocked, their world may really be shattered and destroyed. Forget it, Su Chen is not an immortal without emotions and desires. Deng Tai'a believes that Su Chen will not enslave the humans in their world. Xu Weixiong asked with a cold face, "Su Chen, Ran Bing, Sheng Cai'er, and Uncle Jiu, they are not from our world either. Human right?" Su Chen didn't hide anything and said, "Yes, they came to your world for something." Xu Zhihu and Jiang Ni looked at

Ran Bing and Sheng Cai'er. They didn't have Ran Bing and the other two, and they were not from their world. Who were the three Ran Bings? Are they also immortals? Jiang Ni hurriedly pulled Ran Bing and asked, Xu Zhihu and Qingniao were listening nearby. Xu Weixiong glared at Su Chen and asked, "Is something wrong? If they want to arrest my eldest sister and me for a month, are they going to kill Xu Fengnian?" Su Chen looked at Xu Weixiong's Dashan and nodded, "Little Huniu, you are right, Xu Fengnian is a man who must die. If it weren't for the fact that Xu Fengnian had to die in Emperor Wu City, he would have been killed in Jiangnan."

"

"Little tiger girl?"

"Aren't you a tiger?"

Xu Weixiong glared at Su Chen angrily and said with a smile, "Damn it, Su Chen, although you are the Emperor of Heaven in the Immortal Realm, you don't have any strength now. Aren't you worried that I will beat you?"

"Xu Weixiong, didn't you see my daughter is next to you? My daughter can blow you into nothingness with one breath."

"shameless bastard."

Xu Weixiong looked at Su Yue and had no choice.

Su Yue seemed like an ordinary person, but Su Yue could not be an ordinary person. Xu Weixiong believed that Su Yue would blow her into nothingness in one breath.

Su Chen drank tea and laughed. Smiling, he looked at the city wall with a frown.

Xu Fengnian and the others were not the opponents of the Twelve Sword Slaves originally, but more than ten people from the Wudang Sect arrived, including one from the Celestial Realm. Four or five of the Twelve Sword Slaves had already been killed..Zhao Xuansu from Longhu Mountain disappeared.

Su Chen guessed that Zhao Xuansu went to the East China Sea.

Zhao Xuansu wanted to watch the battle between Li Chungang and Wang Xianzhi. He probably wanted to see if the battle could open the gate of heaven. Su

Chen looked up into the air and asked, "Luck The way of heaven, the fairy world that the small world leads to?"

Xu Zhihu and Jiang Ni all looked at the sky.

Su Chen asked about Qi Yun Tian Dao. They wanted to know whether Qi Yun Tian Dao would answer Su Chen.

Ran Bing reminded Su Chen, "Su Chen, Qi Yun Dao It is impossible for God to answer you. Sheng

Cai'er shook his head and reminded Su Chen, "Yes, Su Chen, you don't have any strength now. I'm afraid Qi Yun Tiandao doesn't know that you are asking him.""

Uncle Jiu touched his beard and looked into the air.

Will the Heavenly Way of Fortune answer Su Chen?

He guessed that it was possible that when Su Chen appeared in this world, the Heavenly Law of Fortune would teleport Su Yue over. Uncle Jiu felt that the Heavenly Law of Fortune was fawning over Su. It's the same as morning.

Su Yue blinked into her crescent eyes and smiled,

"Don't worry, Qiyun Tiandao dare not not answer my father. My father threatened to kill Qiyun Tiandao before. Qiyun Tiandao does not want to be destroyed by taking away the origin of Tiandao. Qiyun Tiandao will definitely answer my father. Ran

Bing asked with a surprised expression.

"What? Su Chen also threatened to kill Qi Yun Tiandao? The Heavenly Way of Qiyun controls countless small worlds. Even if your father is the strongest man in the fairy world, how dare Su Chen threaten the Heavenly Way of Qiyun?"

"Yep, my father has killed many Tiandao, and even one Qiyun Tiandao can't be much stronger. With my father's strength, my father can crush Qiyun Tiandao to death with one hand."

Ran Bing and Jiang Ni are speechless.

Are they threatening the destiny of heaven?

They have also killed many heavenly beings.

Does Su Chen want to defy heaven?

No,

Su Chen is more defiant than heaven.

【Emperor Su Chen, the fairy world that the small world leads to is the Canglan Fairyland under the jurisdiction of the Xuantian Realm. 】

Jiang Ni and the girls were very surprised when they heard the cold and majestic voice.

The voice of luck and heaven?

Qiyun Tiandaozhen answered Su Chen's question.

Their world leads to the Canglan Immortal Realm. The Canglan Immortal Realm is still governed by the Xuantian Realm controlled by Su Chen.

"Yue'er, capture the two people from the East China Sea, as well as Hong Xixiang and Zhao Xuansu from the East China Sea."

Su Chen doesn't want to wait any longer. []

He will stay in this world for three months.

Su Chen will spend three months meeting Nuwa and Concubine Yan. He will also take some people to Hongmeng World.

"Good father."

Yue'er smiled and nodded to Su Chen. She stretched out her fair hand and waved casually.

Li Chungang, Wang Xianzhi, Zhao Xuansu, and Hong Xixiang suddenly appeared next to everyone in the tea shop. Li Chungang looked panicked. Being imprisoned in place.

Wang Xianzhi:"Who are you? How could you catch us instantly? They also imprisoned us unable to move. Li Chungang:"

Su Chen?" It's you, why did you suddenly catch us here? Are you a fairy?"

Hong Xixiang:"Su Chen? Are you Su Chen? Impossible, you can't be from our world, you must be an immortal from the immortal world, right?"

Zhao Xuansu:"You guys release the ancestor quickly. The ancestor wants to open the gate of heaven and enter the fairy world."

Su Chen curled his lips when he heard the words of Li Chungang and the others. They were four scum ants.

If it were in the past, the four of them would not even be qualified to see him.

Su Chen said to Ran Bing beside him, "Ran Bing, kill Li Chungang. Wang Xianzhi and Zhao Xuansu"
