

Zongwu 521

Chapter 521

The people in the martial arts conference here are also talking about it one after another. The people here also heard the conversation between Hong Qigong and Dayuan Jinlun Dharma King.

These Jianghu people did not expect that the Hong Qigong Guild would agree to the participation of two alien races in the martial arts competition of the Song Dynasty. Now that King Jinlun of the Great Yuan Dynasty is coercing Hong Qigong, they also think that Hong Qigong brought it on himself.

If Hong Qigong hadn't invited Jiumozhi from Tibet and Yagy Danmashou from Japan to participate in the martial arts conference, Jinlun Dharma King of the Yuan Dynasty would not have dared to be so arrogant and domineering in Chang'an City of the Song Dynasty.

"Haha, the old beggar Hong Qigong is in trouble this time." Ouyang Feng laughed when he saw Hong Qigong's aggrieved look on the ring.

But he suddenly found Ouyang Ke looking at the women next to him and said with a confused look on his face,

"Ke'er, be honest with me. Don't have any bad intentions with these women. They are not yours to make decisions about."

Ouyang Feng is now worried that Ouyang Ke will get into trouble here. These women next to him are all relatively tough in the background. Although

Yagy Danma's two daughters and Lin Chaoying's apprentice and maid are very beautiful, Yagy Danma Ma Shou and Lin Chaoying were not someone he could provoke.

Although Yagy Danma Shou was not his opponent, Ouyang Feng did not want to provoke a mid-level master.

But Lin Chaoying was a little frightened. This Lin Chaoying was a peak master. Master, Ouyang Feng has no hope of defeating Lin Chaoying.

What's more, Lin Chaoying also has Wang Chongyang, a half-step grandmaster, and Ouyang Feng doesn't want his son to cause trouble here.

"Don't worry, uncle, I know what to do." When Ouyang Ke heard Ouyang Feng's words, he hurriedly sat down and stopped looking at the beautiful women next to him. However, his eyes still glanced at Xiao Longnu and Yangyu Yuki from time to time. These beauties were so beautiful. Since Ouyang Ke came here and saw Xiao Longnu and the others, they wanted to get these beauties very much.

Ouyang Ke looked at the innocence of Xiao Longnu, the charm of Yagyu Yuki, the liveliness and cuteness of Yagyu Piauxu, Lin Bing'er and Lin Rou'er. Since they were so well-behaved, he couldn't help but give drugs to favor these beauties.

Ouyang Ke also knew that the forces behind these women were very powerful. He knew that even with his uncle Ouyang Feng's strength, it would be difficult for him to resist them. Ouyang Ke did not dare to risk his life to offend these women.

Although Ouyang Feng heard what Ouyang Ke said, he was still worried about Ouyang Ke. His son was a lustful person. Ouyang Feng was afraid that Ouyang Ke would not listen to his words and take action against these women.

"Ke'er, there are so many beauties in the world. Don't attack these women carelessly, otherwise even your uncle won't be able to save you."

"Uncle, don't worry, I won't seek death."

Ouyang Ke saw how cautiously Ouyang Feng warned him, and Ouyang Ke also put away his dirty thoughts.

He didn't dare to anger his uncle Ouyang Feng, otherwise Ouyang Ke would be locked up in Baituo by his uncle Ouyang Feng. Shanqi couldn't come out.

After Ouyang Ke received Ouyang Feng's warning, he didn't dare to look at Xiao Longnu and the others anymore. Ouyang Ke just looked at the people present, looking for beauties he could target.

When Ouyang Ke saw Su Chen His eyes widened when he saw several beauties around him. There were all kinds of beauties around Su Chen, including charming women, plump and beautiful beauties, and petite and cute little beauties.

Ou Keke did not expect that There will be so many martial arts beauties in this martial arts conference, but there are so many people on Su Chen's side. If he wants to take action, it will definitely arouse the ideas of other Jianghu people.

Ouyang Ke gave up looking for the beauties there first. After the martial arts conference is over, Ouyang Ke would not let beauties like them escape.

After Ouyang Ke saw Qin Hongmian and Mu Wanqing again, he could no longer sit still. There were no people around these two beauties, one big and one small, and their Since his strength was not very good, Ouyang Ke planned to take care of these two beauties first.

Ouyang Ke said a few words to Ouyang Feng and left here. Ouyang Ke couldn't wait for a while, but he was worried that these two beauties would be Others got there first.

When Ouyang Feng saw Ouyang Ke leaving, he didn't say anything. As long as Ouyang Ke didn't provoke the women around these masters, Ouyang Feng didn't care if other women were kidnapped by Ouyang Ke.

After all, Ouyang Feng was a master. Master, if those people with low cultivation level are ignorant, Ouyang Feng doesn't mind killing some people.

At this time, the voices of the people here are getting louder and louder, and even the people at the nearby table are starting to I denounce Hong Qigong.

"Do you think Hong Qi Guild will not allow King Jin Lun to participate in the martial arts conference?"

"You should, Jinlun Dharma King is a great master. Besides, Hong Qigong has allowed other alien races to participate in the martial arts conference. It would be really unjustifiable if Jinlun Dharma King is not allowed to participate."

"Hong Qigong brought this upon himself. Who asked him to allow other foreign races to participate in our martial arts conference in the Song Dynasty? This is all the fault of Hong Qigong, an old beggar. Why should we Central Plains people allow foreign races to participate in our martial arts conference? I think Hong Qigong is a villain"

"Well, what Hong Qigong did was a big mistake. He allowed foreign races to participate in the martial arts conference without informing us Jianghu people. This Hong Qigong has not yet become the leader of the martial arts conference. We cannot allow it. Hong Qigong becomes the leader of the martial arts conference"

"Everyone, Hong Qigong has already lost his reputation. He was plotting against the Northern Beggar Clan in the Apricot Grove. This time, Hong Qigong doesn't know what else he is plotting. This person with such a disreputable reputation cannot be allowed to do what he did. Martial arts leader"

"Yes, we will boycott Hong Qigong soon. Even Hong Qigong, an insidious person, cannot be allowed to participate in the martial arts competition."

"Well said, although it is a martial arts conference held by the Beggar Clan, Hong Qigong is too bad a person. We cannot allow a villain to be the leader of the martial arts alliance."

At this time, Wang Chongyang and Lin Chaoying also heard the conversations of these Jianghu people. Wang Chongyang was now a little uneasy, while Lin Chaoying still looked like the matter had nothing to do with him.

Wang Chongyang was now He looked at Hong Qi Gong on the ring with an ugly expression. He also did not expect that last night the Hong Qi Guild would agree to the Tibetan Jiumozhi and the Japanese Yagyū Danmā Shū to participate in the Song Dynasty's martial arts conference.

Wang Chongyang had just persuaded Lin Chaoying to help Hong Qi Sir, why did such a thing happen?

Wang Chongyang was very surprised when he looked at the Jinlun Dharma King in the ring. This Jinlun Dharma King was not something he could deal with.

He is only a half-step grandmaster now, the Jinlun Dharma King. But a real grand master.

Wang Chongyang also looked at Hong Qigong with great worry. He was worried that Hong Qigong would agree to Jinlun Dharma King's participation in the martial arts conference of the Song Dynasty.

If Hong Qigong really agreed to Jinlun Dharma King's participation in the martial arts competition At the conference, I'm afraid Hong Qigong will really lose his reputation in the future.

Lin Chaoying didn't care what Hong Qigong did, she was just paying attention to Su Chen.

Lin Chaoying was very unhappy when she saw the beautiful women around Su Chen.

Lin Chaoying didn't expect that several beauties would go to Su Chen's place just like that.

When Lin Chaoying found out that Su Chen touched Mu Guiying, Lin Chaoying muttered in a low voice with an ugly face,

"That shameless bastard is openly teasing a beautiful woman right here. He is such a damn pervert."

Chapter 522

Lin Chaoying looked at Su Chen angrily and couldn't sit still. Although she was temporarily impressed by Wang Chongyang and agreed to help Hong Qigong for a while, Lin Chaoying would no longer trust Wang Chongyang.

Lin Chaoying was very suspicious of Wang Chongyang's feelings for her. Although Wang Chongyang apologized to her and accepted her, Lin Chaoying's feelings for Wang Chongyang had faded, and she was not as inseparable from Wang Chongyang as before. boom! boom! boom!

At this time, Hong Qigong and Jinlun Dharma King were fighting in the ring. Their fight caused the people in the world to retreat.

The battle between the Grand Master and the Grand Master is not something that they, the lowly warriors, can watch at close range.

Jin Lun Dharma King slapped Hong Qigong a few times and said disdainfully, "Hong Qi Gong, don't toast me and you will be fined."

Hong Qigong was beaten by Jin Lun Dharma King and almost fell off the ring, which made him feel Very shameless.

This time he has clearly refused Jinlun Dharma King to participate in the martial arts competition. Hong Qigong also knew that if he agreed to Jinlun Dharma King participating in the martial arts competition this time, I am afraid that he would really not be able to survive in the Song Dynasty.

Now that King Jinlun was angry and attacked him, Hong Qigong hoped that the masters from the Song Dynasty below could help him deal with King Jinlun together.

Hong Qigong looked at the people below and said sternly to Jinlun Dharma King,

"Jinlun Dharma King, this is our Song Dynasty martial arts conference. Although I agree to let Jiumuzhi from Tibet and Yagyu Danmamoru from Japan participate, their countries have no hatred against the Song Dynasty."

"But you are different. Your people from the Yuan Dynasty even came to disrupt our martial arts conference in the Song Dynasty for the sake of the Yuan Dynasty. Even if I die, I will never allow you to participate in the martial arts conference in the Song Dynasty."

"Old beggar, you want to die, then I will help you, Dragon Elephant Prajna Kung Fu!"

Jinlun Dharma King was so angry when he heard Hong Qigong's words that he directly attacked Hong Qigong. He would not be merciful this time. Jinlun Dharma King wanted these people in the Song Dynasty to know how powerful he was. ,

"The flying dragon is in the sky!"

When Hong Qigong saw King Jinlun's anger, he hurriedly used his most powerful technique, the Eighteen Dragon Subduing Palms.

Boom!

Cough cough cough!

"master?"

Guo Jing next to him saw that Hong Qigong was knocked off the ring by Jinlun Dharma King with one move. He hurriedly shouted and ran over to see how his master Hong Qigong was doing.

"Haha, the martial arts world of the Great Song Dynasty is really vulnerable. Boy, you can't go through with it. Now it's our King Jinlun of the Great Yuan Dynasty who is competing with your master. You'd better be more honest."

Zayadu saw the leader of the Beggar Clan, Hong Qigong, being knocked away by Jinlun Dharma King. He laughed and stopped Guo Jing who was going to save Hong Qigong.

Zayadu saw that this Hong Qigong's disciple was not He is an innate master and wants to teach Hong Qigong's apprentice a lesson

"Get out of here!"

"court death."

Bang!" With a sound,

Guo Jing was kicked out by Zayadu.

After Zayadu kicked Guo Jing away, he said disdainfully, "An acquired little fool still wants to attack me. I'm really tired of living."

Guo Jing fell to the side and glared angrily at Zha Yadu. He didn't expect that a pretty girl in gorgeous clothes could be an innate master.

Guo Jing fell to the ground and looked at the Jianghu people around him. He felt very uncomfortable. He didn't expect that the Jianghu people here turned out to be an innate master. None of them took action to help their masters and disciples.

This is the Song Dynasty!

This is the Chang'an City of the Song Dynasty!

Why didn't anyone from the Jianghu people of the Song Dynasty take action against these Yuan people?

Guo Jing stood up with blood on the corners of his mouth and looked around angrily. Jianghu man, he just clenched his fist and continued to attack Zayadu.

"court death!"

Zha Yadu saw Guo Jing standing up and attacking him again. He jumped in front of Guo Jing and hit Guo Jing's chest with a palm.

Hit!

Click!

Ah!

Guo Jing was hit by Zha Yadu's palm this time. Several ribs in his chest were broken. This time Guo Jing fell to the ground and vomited blood and could not stand up again.

Zha Yadu saw that Guo Jing could not stand up, so he decided to kill Hong Qigong's apprentice first.

"A fool with no strength actually wants to get ahead. You are dead this time."

Zha Yadu looked at the people from the Song Dynasty around him and slowly walked towards Guo Jing step by step. He wanted to see if these people from the Song Dynasty would save this silly boy.

And here Hong Qigong came back again He went to the ring and attacked Jinlun Dharma King crazily. Hong Qigong's Eighteen Dragon Subduing Palms kept attacking Jinlun Dharma King, but Jinlun Dharma King avoided Hong Qigong's attacks every time.

Hong Qigong looked at Looking at the disdainful face of Jinlun Dharma King, he was very angry. He now felt like a clown being played by Jinlun Dharma King.

The people in the square watched Master Hong Qigong and his disciples being beaten and played by Jinlun Dharma King and Zha Yadushu. , their faces were also very ugly, but they thought that Jinlun Dharma King was a great master, and the people here did not dare to act rashly.

Su Chen watched Hong Qigong being teased by Jinlun Dharma King, and Guo Jing was about to be played by that big master. The Yuan people killed him.

Su Chen shook his head and thought, there are thousands of Jianghu people here, but these thousands of Jianghu people don't even dare to take action against King Jinlun and the Dayuan people. This makes Su Chen look down upon. The Jianghu people here.

Mu Guiying looked at the Jianghu people around and said angrily,

"Damn it, these Jianghu people are all profit-seeking people. Now the people of the Yuan Dynasty are showing off their power here, but these Jianghu people of the Song Dynasty are indifferent. They are not worthy of being chivalrous Jianghu people."

Mu Guiying is very angry now. She did not expect that more than a thousand Jianghu people here were watching Hong Qigong and his disciples being beaten and teased by the Dayuan people, but none of these Jianghu people came up to help Hong Qigong and the others. , this allowed Mu Guiying to see through this Jianghu man.

Mu Guiying looked at Su Chen and hoped that he would let this bastard's men teach those Dayuan people a lesson, but she thought that the Jinlun Dharma King of Dayuan was a great master. , Mu Guiying didn't want Su Chen's men to die.

Zhong Ling looked at Hong Qigong who was being teased by Jinlun Dharma King and Guo Jing who was about to be killed by his teeth. Zhong Ling said unbearably,

"Sister, let's go help Hong Qigong and the others, shall we? They looked so pitiful."

A'Zhu heard Zhong Ling's words and hurriedly drank to her,

"Zhong Ling, shut up. Those are powerful Jianghu people. We are just Jianghu people with low strength. We can't save them. Don't cause trouble for General Mu Guiying."

Bao Bao Gan hurriedly pulled Zhong Ling. She was worried that Zhong Ling would risk everything to save Hong Qi Gong and the others. If Zhong Ling ran to save Hong Qi Gong and the others without making a sound, Bao Bao Gan would be mad.

Bao Bao Gan pulled Zhong Ling. He persuaded her, "Yes! Ling'er, your sister A'Zhu is right, we are just ordinary people in the world, and even if we go to save Hong Qigong and others, we are just going to die."

Mu Guiying was hesitating with a very ugly face. She was a general of the Song Dynasty. If she arranged an army to surround and kill Jinlun Dharma King now, Mu Guiying believed that tens of thousands of troops could kill Jinlun Dharma King..

But if Mu Guiying did this, her army would suffer heavy casualties, and I am afraid that she would not be able to defend Chang'an City in the future. When

Su Chen saw that Zhong Ling was going to help Hong Qigong and Guo Jing, he turned to Zhong Ling. He gave a thumbs up and said with a smile,

"Little girl, if you are ambitious, you can go rescue Hong Qigong and the others. I will collect your bodies from now on and even make you a beautiful tomb."

Chapter 523

Su Chen still had a good impression of Zhong Ling, but this little girl was a little too whimsical. With her acquired cultivation level, she would still be dead if she went there.

Even if Zhong Ling is not killed, I am afraid that the little girl Zhong Ling will be caught and bullied by the Dayuan man.

After all, Zhong Ling is very beautiful and smart. The young man in Dayuan's gorgeous clothes will definitely fall in love with the beautiful girl Zhong Ling.

Mu Guiying glared at Su Chen and said angrily, "Shut up, you bastard, do you ever talk like this?"

"hehe!"

"You're laughing your ass off!"

【Holy shit!】

【Mu Guiying seems to need me to use family methods.】

【Otherwise, this silly girl will go too far. 】

Su Chen thought about it and pulled Mu Guiying to whisper a few words in her ear. After hearing what Su Chen said, Mu Guiying's face turned red. She looked at Su Chen and felt a little confused. At a loss.

Mu Guiying was worried that Su Chen would use that family method on her. She was very shy when she thought about the family method that Su Chen said.

Mu Guiying did not expect that this bastard's family would be spanked. This was something Mu Guiying had never encountered before.

Seeing Mu Guiying's shy look, Su Chen touched her long hair and threatened with a smile,

"Be obedient from now on, otherwise you will understand"

"You are a shameless gangster"

"Mu Guiying, do you want me to use family law?"

"Um! No, I don't want it!"

Su Chen smiled when he saw that Mu Guiying was now like a frightened little rabbit. It seemed that Mu Guiying was really passionate about him, otherwise Mu Guiying would not be afraid of his so-called family law.

"This is the last time. If you don't obey me again and criticize me again, be careful, I will use family methods now."

Mu Guiying rolled her eyes at this bastard Su Chen and ignored him. She has nothing to do with this bastard now.

Mu Guiying thought about whether she could survive the war in Chang'an City, so she just I feel that I will treat this bastard better in the future. Even if she dies in the war, Mu Guiying will not have any regrets.

A'Zhu and the others look like they have seen a ghost when they see Mu Guiying listening to Su Chen's words. Just now Mu Guiying taunted Su Chen angrily. Why, just for a moment, Mu Guiying seemed to have changed into a different person.

Ruan Xingzhu looked at Mu Guiying and thought of the family law Su Chen mentioned.

She thought of Mu Guiying. She couldn't be the woman of this big devil, right?

Otherwise, why would this big devil say that he would use family methods?

Ruan Xingzhu looked at Su Chen and wanted to know what he looked like. This big devil could make such a beautiful Mu Guiying fall in love. This big devil should be very handsome.

Zhong Ling was very unhappy when she heard Su Chen's words. Now she sees that Mu Guiying can't do anything to Su Chen, which makes her even more unhappy.

【Why would he collect his body after he died?】

【Doesn't she have any relatives?】

【If she died, wouldn't her mother collect her body?】

【Pooh!】

【How could I die, all because of this bastard, how could I think about these things randomly?】

【What kind of beautiful tomb did this bastard even want to build her?】

【Can a tomb be built beautifully? 】

Zhong Ling thought about this and felt that it was not wrong at all for Sister Mu Guiying to call this bastard. This man is a bastard, and he also bullies women.

Just now, this bastard not only bullied A'Zhu's mother into giving him a massage, he even scared A'Zhu to her knees, and now he is bullying her even more.

Zhong Ling stared at Su Chen and suddenly thought that this bastard had dozens of men, and they were all very powerful. If this bastard's men were allowed to rescue Hong Qigong and the others.

Wouldn't that be great?

Zhong Ling blinked her beautiful big eyes and said to Su Chen expectantly,

"Big brother, why don't you go rescue Hong Qigong? You have so many subordinates, you can definitely defeat those Dayuan people."

"You're eating farts!"

"you are so rude"

"Ah! woman!"

"I am a girl now, not yet a woman." Zhong Ling puffed up her small chest and said with a smile,

【I'll do it!】

【How mature were women in ancient times?】

【They can even tell the difference between women and girls? 】

Su Chen thought about it and touched it and looked at Gan Baobao. Su Chen didn't know how Gan Baobao educated Zhong Ling. This Gan Baobao was also a silly woman. How could she educate Zhong Ling like this.

A'Zhu and the others blushed very much when they heard Zhong Ling's words. They did not expect that Zhong Ling would say this. This was not what a woman should say.

Baby Gan was very speechless now. Zhong Ling would say this because she accidentally let it slip. She didn't expect that Zhong Ling would remember this. Baby Gan was a little embarrassed and didn't know what to say to Zhong Ling.

Su Chen looked at the blushing women around him, which made him very speechless. Now it seemed as if he was teasing these women.

Su Chen hurriedly said to Zhong Ling who didn't know what he said wrongly,

"Zhong Ling, don't worry, nothing will happen to Hong Qigong and his disciples now. Someone will rescue them soon."

"Will anyone save Hong Qigong and the others? who is it?" Zhong Ling asked hurriedly when she heard Su Chen's words.

But Zhong Ling saw that no one in the world had any intention of taking action. She didn't know if Su Chen was lying to her.

Zhong Ling came to Su Chen and stared at her. Him, she wanted to see if this bastard was deceiving her again.

Su Chen pointed at Wang Chongyang and said to Zhong Ling, "It's Wang Chongyang from the Quanzhen Sect. You see, he's the old man who's showing off."

Su Chen also noticed that Wang Chongyang and Lin Chaoying were walking towards the ring, so he guessed that Wang Chongyang must have gone to rescue Hong Qigong.

However, Lin Chaoying and Wang Chongyang went over together, which made Su Chen curl his lips. Disdainful,

Su Chen thought about what Lin Chaoying said to him,

【Lin Chaoying also said that she and Wang Chongyang were separated.】

【Is this a separation?】

【Is he a liar?】

【Sometimes you just can't believe what a woman says,】

【Zhang Wuji's mother was right when she said that the more beautiful a woman is, the more likely she is to lie. 】

Zhong Ling saw the Wang Chongyang that Su Chen mentioned walking towards the ring, and she also thought of who Wang Chongyang was from the Quanzhen Sect.

"Wang Chongyang of the Quanzhen Sect is very powerful. That Dayuan man is definitely no match for Wang Chongyang."

"You're still eating shit!"

"You bastard, Sister Mu Guiying, this person keeps scolding me." When Zhong Ling heard that Su Chen still said those rude words to her, she complained angrily to Mu Guiying.

Mu Guiying pulled Zhong Ling and comforted her. Mu Guiying didn't want to anger Su Chen now, otherwise he would be in public. If she enforces family law, won't she be embarrassed here?

"Zhong Ling, let's not pay attention to him. He is just such a person. Didn't you see that he was angry with me just now?"

Chapter 524

Zhong Ling was ready to die now. She didn't expect that Mu Guiying wouldn't help her anymore. Zhong Ling glared at Su Chen but there was nothing she could do. Mu Guiying wouldn't teach this bastard a lesson now.

Zhong Ling didn't dare to say anything harsh to Su Chen, otherwise A'Zhu's fate would be her example.

Zhong Ling leaned weakly on Mu Guiying's body and looked at Wang Chongyang and the woman. Zhong Ling didn't want Mu Guiying and this bastard to help Hong Qigong, but these aliens were too rampant.

Zhong Ling was very angry that these foreigners bullied them, the Central Plains people of the Song Dynasty, and also hated these Jianghu people for not saving them.

At this moment, a beautiful woman wearing revealing clothes suddenly appeared in front of Su Chen. When she appeared in front of Su Chen, she saluted to Su Chen and said,

"Owner"

"Black Widow, Bai Yifei and their whereabouts have been figured out?"

Su Chen smiled when he saw the black widow appearing and helped her up. This black widow was sent out to find Bai Yifei's whereabouts in Luoyang during the Sui Dynasty.

As the assassin of the net, the black widow led a team of shadow assassins to search. Bai Yifei appeared in the Sui Dynasty. Su Chen was very confident about the Black Widow's ability.

Su Chen thought that he had also recruited Li Wu and Ying Ge from Luo Wang, and Su Chen's intelligence department would give these to them. Former assassins.

Black Widow handed Su Chen a secret message and said softly,

"Master, this is the person Bai Yifei contacted during this period. They were still in Chang'an City last night, but for some unknown reason, they left Chang'an overnight last night, and they even dispersed."

Black Widow was also very happy to see Su Chen in Chang'an City of the Song Dynasty. She hadn't seen Su Chen for almost a month.

Now she is a grand master.

Although she is a master in the early stage of a grand master, she has practiced Su Chen gave her the martial arts secrets, and she even practiced the shadow assassin's shadow killing technique.

After Black Widow upgraded her spider web love thread, her strength is now very terrifying.

Mu Guiying and Ruan Xingzhu saw this sudden appearance The women were all very surprised. Not only was this woman wearing revealing clothes, but her figure made them feel a little ashamed.

Mu Guiying and the others saw this woman's curved figure, which made them a little embarrassed. Blushing.

Especially because she had a very charming face, which made Mu Guiying and others think that this black widow was an improper woman.

Su Chen was a little surprised when he saw the black widow collecting information about Bai Yifei. Su Chen I didn't expect Bai Yifei to have contacted so many people to deal with him. How much does this Bai Yifei hate him?

Does Bai Yifei want to take revenge on him for taking Bai Ruobing away?

In this way, he is still Bai Yifei's adoptive father, hehe!

I will meet Bai Yifei in the future. Let's see if Bai Yifei will call him his adoptive father when he sees him.

Su Chen thought about it and put away the secret letter. He only needs to know who is going to deal with him.

And it is impossible for Xie Xiaofeng and those people to have no enemies, Su Chen You can also send people to find the enemies of Xie Xiaofeng and the others.

As long as you tell them about the alliance between Xie Xiaofeng and the others, Su Chen believes that Xie Xiaofeng and the others will also unite.

At that time, Su Chen will only have to watch them bite each other. That's it.

Su Chen sat down with Black Widow in his arms and said in secret words with a smile,

"Black Widow, Bai Yifei and the others don't need to worry about it. As long as they know there are these people, it's enough to let the Shadow Assassin know the whereabouts of these people at any time."

"Li Wu and Ying Ge are coming to the Song Dynasty soon with some people from Bai Niao. When the time comes, let Li Wu and Ying Ge be your deputy. I will send 3,000 secret guards and 200 shadow assassins to you, and Zhao Ji's Great Qin Rui Shi will also be given to you."

"All you and Yingge need to do is get the information for me, and then I will re-establish an espionage organization."

"Yes, master."

Black Widow leaned into Su Chen's arms and said with a charming smile,

【Goblin!】

【I must teach this goblin a lesson tonight. 】

Su Chen saw the charming face of the black widow and wanted to ravage her. She patted the black widow on the back and asked her to give her some ideas. Su Chen didn't want the black widow to seduce him here.

"Su Batian, who is this woman?"

Mu Guiying looked at the Black Widow with an unkind expression. She didn't expect that just a moment later, another charming and charming woman came.

Moreover, when this woman sat in Su Chen's arms, she knew that their relationship was not simple. Mu Guiying was very She looked at Su Chen angrily.

She had never been hugged by Su Chen like this before, but this bastard actually hugged a charming woman like this.

"My men are also my women." Su Chen looked at the jealous Mu Guiying and said with a smile.

Su Chen wanted to see what Mu Guiying would do if he knew the identity of the black widow.

Although Su Chen liked Mu Guiying's jealous look, he would not allow him to The women fighting among themselves, all his women, no matter who they are, cannot fight among themselves. This is Su Chen's bottom line.

Mu Guiying looked at the black widow and held back her anger and said to the black widow, "Huh! My name is Mu Guiying, I'm this bastard's woman"

"Mistress, my name is Black Widow, and I am the master's slave girl." Black Widow got up from Su Chen and saluted Mu Guiying.

Black Widow just heard Mu Guiying call Su Chen Su Batian, and Su Chen was wearing a mask today. Black Widow guessed that Su Chen The identity of Su Chen has not been known to these people yet.

Black Widow smiled and would not tell these people Su Chen's identity. She wanted to know what Mu Guiying's expression would be like in the future when she knew Su Chen's identity.

Mu Guiying is now She was embarrassed. She didn't expect the black widow to salute her, and the black widow didn't look unkind.

This made Mu Guiying very curious about the identity of this bastard Su Chen.

She didn't see this black widow. Her cultivation realm, but she suddenly appeared here, I guess her strength is also very powerful, even much stronger than her.

Mu Guiying thought about it and hurriedly pulled up the Black Widow and said with a smile, "Black Widow, Don't be like this, we will all be this bastard's women from now on, you don't have to salute me"

"Madam, I am just the master's slave girl. Although I am also the master's woman, my status is different from yours. Madam, there is no need to be so polite to me."

"How is this possible, Black Widow, don't worry, I will let this bastard remove you from your status as a slave girl in the future."

"No, madam, this is my choice. Master does not treat me as a slave. I am the only female slave of Master, and I will not change my status."

"you....."

Mu Guiying looked at the black widow and didn't know what to say. She didn't expect that there would be someone willing to be a slave girl. She looked at the black widow with complicated eyes.

When Mu Guiying heard that Black Widow was this bastard's only female slave, she also understood why Black Widow didn't want to change her identity.

Su Chen may have many women, but she is the only slave girl. This black widow is also a smart woman.

"There's a fight, sister Mu Guiying, that Wang Chongyang is fighting with the Jinlun Dharma King of Dayuan."..

Chapter 525

Zhong Ling was listening to the conversation between Mu Guiying and Black Widow, but she was very envious of Black Widow's figure. Black Widow had a better figure than her mother, and even no woman here could compare with Black Widow's figure.

Zhong Ling looked at the ring with some inferiority complex. She didn't want to continue to see the Black Widow. The Black Widow put too much pressure on her.

But Zhong Ling didn't expect that Wang Chongyang was already fighting with Jinlun Dharma King on the ring, so she hurriedly shouted to Mu Guiying and the others

-

Back in time, when Wang Chongyang and Lin Chaoying went to help Hong Qigong,

Wang Chongyang saw that Hong Qigong was being teased by King Jinlun, and Hong Qigong's disciple Guo Jing was about to be killed.

Wang Chongyang couldn't sit still anymore. He hurriedly said to Lin Chaoying next to him,

"Chaoying, nothing can happen to Hong Qigong. These Dayuan people are too arrogant. Let's go over and protect Hong Qigong and his disciples."

Lin Chaoying looked at Hong Qigong who was being teased by Dayuan Jinlun Dharma King and Guo Jing who was about to be killed. She felt very uncomfortable.

None of the people here came to save Hong Qigong and the others. Even Hong Qigong's Beggar Gang did not take action to save them.

Lin Chaoying knew that the Jianghu people here were afraid of the great master Jinlun Dharma King, and I am afraid that the Beggar Gang has not yet been integrated by Hong Qigong. These

Beggar Gangs I am afraid that the disciples did not really regard Hong Qigong as the leader of the Beggar Clan.

Lin Chaoying also looked down upon these Jianghu people. After all, there were many Jianghu people here, but the Jianghu people here worked together. Lin Chaoying believed that Jin Lun Dharma King did not dare to offend the public..

Lin Chaoying sighed and said to Wang Chongyang complicatedly,"Wang Chongyang, I only promise you to take action once. This time I will save Hong Qigong's apprentice. Hong Qigong will have to rely on you yourself.""

"I know, let's go."Wang Chongyang didn't care at all about what Lin Chaoying said.

Wang Chongyang thought that if he couldn't defeat Jinlun Dharma King, Lin Chaoying would definitely save him. After all, he had reconciled with Lin Chaoying, and Lin Chaoying couldn't see it. Wang Chongyang thought that he, Lin Chaoying, and Hong Qigong would deal with Jinlun Dharma King together. He believed that the three of them could defeat Jinlun Dharma King.

Lin Chaoying glanced at Wang Chongyang and said to the little dragon girl next to him,"Long'er, you, Rou'er, and Bing'er stay here. If something happens here, you, Rou'er and the others will go to the masked man on the left."

Lin Chaoying was also afraid that if Jinlun Dharma King wanted to take action against her, she couldn't care about Xiao Longnu and the others now.

Lin Chaoying also found that some people here kept looking at this place. She knew it was because of the beauty of these women. Her appearance attracted the attention of people with evil intentions.

Especially Ouyang Feng's nephew Ouyang Ke. Lin Chaoying saw the lust in Ouyang Ke's eyes. If she didn't come back for a while, I'm afraid this Ouyang Ke would take action against Xiao Longnu and the others..Although

Xiao Longnu is already a master, Ouyang Feng is a veteran master. Xiao Longnu and the others are definitely not Ouyang Feng's opponents.

Lin Chaoying can only think of that bastard Su Chen. She thinks that if Xiao Longnu and the others are In danger,

Lin Chaoying asked them to take refuge with Su Chen. She believed that Su Chen would protect Xiao Longnu and her maid.

"Master, who is that person?" Xiao Longnu looked at Su Chen with some confusion and asked,

"You don't need to know, whenever you are in danger just go there and he will protect you."

Lin Chaoying will not tell Xiao Longnu that their bastard is Su Chen. If Xiao Longnu knows that person is Su Chen, I'm afraid Xiao Longnu will settle the score with Su Chen.

Lin Chaoying doesn't want Xiao Longnu to cause unnecessary accidents at this time.

"Yes, Master (Miss)."

After Lin Chaoying finished explaining, she and Wang Chongyang, who agreed to explain to his apprentice, walked towards the ring.

Before they reached the ring, Lin Chaoying saw that Guo Jing was about to be killed. She stamped her feet and flew to save Hong Qigong's disciple Guo Jing.

Wang Chongyang also appeared next to Hong Qigong on the ring. When he saw Jinlun Dharma King attacking, he slapped Jinlun Dharma King with his palm. Come out.

Boom!

After Wang Chongyang fought with Jinlun Dharma King, he was knocked back a few steps by Jinlun Dharma King, and Jinlun Dharma King was also knocked back a few steps.

Jinlun Dharma King did not expect that someone would dare to come and die. He saw Looking at Wang Chongyang, he opened his mouth and asked,

"Who are you? Aren't you afraid that I will kill you?"

Wang Chongyang looked at Jinlun Dharma King and said expressionlessly,

"Quanzhen Sect King Chongyang, Jinlun Dharma King, this is the Song Dynasty, not your Yuan Dynasty, you'd better not be arrogant here."

Jinlun Dharma King did not expect that this person was Wang Chongyang of the Quanzhen Sect. Jinlun Dharma King was a little confused.

His disciple Huo Du led the army to destroy the Quanzhen Sect, but how could this Wang Chongyang still appear here?.Did something happen to Huo Dou?

Huo Dou wouldn't be killed by this Wang Chongyang, right?

When King Jinlun thought of this, he angrily said to Wang Chongyang,

"good! I hate you so much. I didn't expect that there would be someone like you in the martial arts world of Song Dynasty, a half-step grand master. It seems that you will have no chance to advance to the grand master level in the future. Wang Chongyang, I want to avenge my apprentice this time."

"King Jinlun, if you want to take action, take action. See if you can kill me this time."Wang Chongyang used his innate skills and was on guard against King Jinlun.

Wang Chongyang frowned when he saw Hong Qigong panting next to him. Hong Qigong was just being teased by Wang Chongyang.

How could he be panting from exhaustion? Angry?

Is this Hong Qigong already so old?

"Hong Qigong, we will kill this Jinlun Dharma King together in a moment. Lin Chaoying will come after he saves your disciple."

"I know, I'll take a break first, and I'll take action later."Hong Qigong waved his hand to Wang Chongyang and got off the ring directly, sat down next to him and adjusted his breath.

Hong Qigong was now afraid of Jinlun Dharma King. He had used all the broken hands just now. Jinlun Dharma King His dragon-elephant prajna skill is extraordinary. He attacked Jinlun Dharma King several times but could not do anything to him.

Hong Qigong did not want to fight Jinlun Dharma King again. This time Wang Chongyang came at the right time and was replaced by Wang Chongyang. He, Hong Qigong, pretended to be very tired and jumped off the ring.

【damn it!】

【Hong Qigong, what does this mean?】

【Are you trying to use him as a scapegoat? 】

Wang Chongyang looked very ugly when he saw Hong Qigong jumping off the ring. He felt that he had been tricked by this Hong Qigong.

It's impossible for Hong Qigong to have no internal strength, and he wouldn't be out of breath from exhaustion all of a sudden.

When Jin Lun Dharma King saw Hong Qigong escaping from the ring, he didn't care. He was just a clown. Jin Lun Dharma King could kill him at any time. Jin Lun

Dharma King took out his weapon, the golden ring, and laughed and said to Wang Chongyang," Haha! Wang Chongyang, let me see how powerful you really are this time. I hope you won't be as vain as Hong Qigong."

Su Chen, Mu Guiying, Black Widow and other beauties were also watching. Looking at the situation on the ring, just after Hong Qigong jumped off the ring, the women here had different expressions, some were surprised, some were disdainful, and some were confused.

Black Widow said disdainfully after seeing Hong Qigong leaving the ring,

"Master, the leader of the Beggar Clan is a bit greedy for life and afraid of death!"

"laugh! If Hong Qigong was not afraid of death, he would have been killed by Huang Rong long ago. If Hong Qigong was not afraid of death, he would not have fled to the Northern Beggar Gang of the Song Dynasty after the Southern Beggar Gang was destroyed."..

Chapter 526

Su Chen stood up when he saw Hong Qigong jumping down from the ring. He looked at Hong Qigong who was adjusting his breath next to the ring and shook his head in disdain.

This Hong Qigong was trying to trick Wang Chongyang to death. Su Chen did not expect that Hong Qigong would leave Wang Chongyang alone in the ring.

After Mu Guiying and the others heard what Su Chen and Black Widow said, they saw Hong Qigong being very unkind. They also did not expect that Hong Qigong was actually this person.

Hong Qigong is so greedy for life and afraid of death, I'm afraid the people here will definitely notice it. Hong Qigong may have a bad reputation in the future.

The next time,

Lin Chaoying knocked Zha Yadu away with one palm. She looked at Guo Jing who fell to the ground and vomited blood and shook her head. A little scumbag with an acquired cultivation level actually wanted to show off. Guo Jing was too brainless..

After Zayadu was knocked out by Lin Chaoying, he knew that this powerful woman was invincible. He hurriedly ran towards Jinlun Dharma King. Zayadu did not want to be killed by this powerful woman.

Lin Chaoying ignored her and ran away. She looked at Guo Jing who staggered to his feet and said expressionlessly,"Guo Jing, just go back and recuperate. Don't cause trouble here for your acquired cultivation level." Got it"

"Thank you senior for saving your life."Guo Jing looked at Lin Chaoying and thanked her. He did not expect that the person who would save him in the end would be a beautiful woman.

"Go back and don't cause trouble here."Lin Chaoying glanced at Guo Jing and left.

Lin Chaoying also discovered that Hong Qigong left the ring and left Wang Chongyang alone. She wanted to see what happened to Hong Qigong? Why did he leave Wang Chongyang alone? Stay in the ring?

Lin Chaoying knew that Wang Chongyang was no match for the great master Jinlun Dharma King. If Hong Qigong left Wang Chongyang alone, Wang Chongyang would be in danger. Jin Hong,

Shangguan of the Money Gang, watched in the ring Hong Qigong, who was pretending to adjust his breath next to him, laughed disdainfully.

"Ha ha! The leader of the Beggar Clan, Hong Qigong, turned out to be such a person, which I never expected."

Jing Wuming looked at Hong Qigong expressionlessly and said to Shangguan Jinhong, "Gang leader, it seems that Hong Qigong is really in vain. This time Hong Qigong wants to trick Wang Chongyang of the Quanzhen Sect to death. , Gang leader, do we want to take action?"

Shangguan Jinhong shook his head at Jing Wuming. Now is not the time for them to take action. King Jinlun is a great master after all. If the two of them go to help Wang Chongyang now, they are probably asking for death.

But if the masters here go Help Wang Chongyang, especially Fu Hongxue and Lin Chaoying, the two masters at the peak of their masters, to help Wang Chongyang, and Shangguan Jinhong is also ready to help Wang Chongyang.

After all, there are five of them masters to deal with Jinlun Dharma King, even if they can't defeat him Jinlun Dharma King, I'm afraid Jinlun Dharma King can't do anything to them.

Shangguan Jinhong looked at Fu Hongxue next to him and Lin Chaoying who was going to the ring next to him, and said to Jing Wuming,

"Hong Qigong's reputation has been ruined to begin with. If he doesn't help Wang Chongyang this time, I'm afraid he will really be ruined."

"Wu Ming, let's wait and see. If someone helps Wang Chongyang, we will also help Wang Chongyang."

"After all, Wang Chongyang is a half-step grand master. If our grand masters here work with Wang Chongyang to deal with Jin Lun Dharma King, they might be able to defeat Jin Lun Dharma King. In this way, our Money Gang will also become famous in martial arts conferences."

"Yes, Gang Leader."

Fu Hongxue sat on the chair, touched his knife and looked at Wang Chongyang on the ring. He didn't care about these things. He came here to seek revenge on Ma Kongqun, but Ma Kongqun did not appear in this martial arts conference. This Fu Hongxue was very disappointed.

Fu Hongxue thought of his mother Hua Baifeng's instructions, but he had been looking for Ma Kongqun for several years. Fu Hongxue had never found the enemy who killed his father. Now he very much doubted whether Ma Kongqun was no longer in the Song Dynasty.

"Father, this Hong Qigong isn't that good either? He actually didn't cause any harm to Jin Lun Dharma King. This Hong Qigong was really just a fake person." Yagyu Piauxu watched Hong Qigong adjust his breath, so she pulled Yagyu Xueji and said to Yagyu Danma Shou.

Yagyu Danma Shou looked at the ring and frowned and said,

"No! Hong Qigong's Eighteen Dragon Subduing Palms are very powerful, but Jinlun Dharma King seems to have practiced a powerful external skill."

"After all, Jinlun Dharma King is a great master. Coupled with the powerful external skills he cultivates, it is understandable that Hong Qigong has no way to defeat Jinlun Dharma King."

"However, Hong Qigong actually left Wang Chongyang alone in the ring, which surprised me."

Xue Ji Yagyu looked at Hong Qigong and said with great contempt, "This is Hong Qigong who is greedy for life and afraid of death. He is not the chivalrous person that the Central Plains people say."

"Haha, this is none of our business, Xue Ji, Piauxu, let's just take a look at the excitement here, but we don't know if someone powerful will appear in the Central Plains Wulin this time to defeat King Jinlun."

Yagyu Dan Ma Shou laughed and picked up the tea and drank it.

Yagyu Dan Ma Shou came to the Central Plains this time to see how his strength differs from the Central Plains martial arts people. He also hopes to learn from the Central Plains martial arts people. Some powerful martial arts.

Yagyu Danmamo very much hopes that powerful Central Plains people will appear at this martial arts conference, so that he can not only make friends with powerful Central Plains people, but also secretly learn their martial arts. At this moment,

Jinlun in the ring The Dharma King and Wang Chongyang were already fighting. The Jinlun Dharma King took out one of his golden wheels and began to attack Wang Chongyang. This time he wanted to let the Central Plains people here know that he was not a match for these Central Plains people.

Wang Chongyang was now struggling to deal with Jinlun Dharma King. This time Jinlun Dharma King did not deal with him like he had just dealt with Hong Qigong. He took out a golden wheel from Jinlun Dharma King to deal with him. Wang Chongyang knew that Jinlun Dharma King was going to move. It's true.

While Wang Chongyang held a long sword to fight off Jinlun Dharma King's golden wheel attack, he thought about Lin Chaoying coming to help him. But he was kept retreating by the golden wheel of Jinlun Dharma King. If Lin Chaoying didn't come again Help him, I'm afraid he will be defeated by Jinlun Dharma King soon.

Lin Chaoying came to Hong Qigong and checked whether he was injured or anything, but she found that Hong Qigong was not injured at all, and

Lin Chaoying treated him unkindly. Hong Qi shouted,"Hong Qi Gong, you are not injured or have internal instability, why do you have to come down from the ring?"

Hong Qigong was a little embarrassed now. He didn't expect that Lin Chaoying didn't help Wang Chongyang but came to check on him. This made Hong Qigong hurriedly lied to Lin Chaoying,

"Lin Nvxia, I am tired. After all, I am old. The attack on me by Jin Lun Dharma King just now makes me a little powerless. But don't worry, I will go to help Wang Chongyang after I rest for a while."

"Hong Qigong, you are indeed very shameless. No wonder no one helped you just now, not even you disciples of the Beggar Clan. Wang Chongyang is blind to know that you are such a shameless person." Lin Chaoying cursed loudly and unceremoniously at Hong Qigong.

Lin Chaoying didn't mind that the people next to her heard it. She took one look at the despicable Hong Qigong and walked to the ring.

She finally understood. , Hong Qigong was so scared that he did not even dare to face the great master Jinlun Dharma King.

Lin Chaoying was also very complicated when she saw Wang Chongyang who was constantly retreating after being beaten by Jinlun Dharma King. She did not want Wang Chongyang to face him. Chongyang was killed by King Jinlun.

Lin Chaoying also hoped that what Wang Chongyang said just now was true. If Wang Chongyang really changed his mind towards her, then Lin Chaoying could not let Wang Chongyang die here.

"Damn it, why does that stupid girl Lin Chaoying want to die? Jin Lun Dharma King is not someone she can deal with."

Chapter 527

Su Chen was very surprised when he saw Lin Chaoying heading towards the ring. You must know that Jinlun Dharma King is a great master, but now he just took out a Jinlun to fight Wang Chongyang.

Jinlun Dharma King has five rounds of weapons. If Jinlun Dharma King has five rounds at the same time, coupled with his Dragon Elephant Prajna Kung Fu, I am afraid that all the masters here will not be the opponent of Jinlun Dharma King.

When Su Chen saw Lin Chaoying about to take action, he felt that this woman was a fool, trying so hard for a heartless man.

Lin Chaoying died for Wang Chongyang, and I am afraid that Wang Chongyang would not be able to shed tears for her.

Su Chen looked at the young man in the Dayuan uniform and said to Mu Guiying, "Mu Guiying, prepare your army now. The Dayuan army may attack Chang'an City today."

Su Chen had been paying attention to that man. The young man in Dayuan Huafu, after the Dayuan man was repulsed by Lin Chaoying just now, he was muttering something to the Dayuan trumpet monks on the side.

After some trumpet monks left here, Su Chen felt that this young man in Chinese clothes had a very high status in the Yuan Dynasty. He might even be the son of a general in the Yuan Dynasty army in the Weihe River.

King Jinlun caused trouble at the martial arts conference today. I am afraid that the Dayuan army will also launch a war to attack Chang'an City today.

"Is what you said true? Will the Yuan army attack Chang'an City today?" When Mu Guiying heard Su Chen's words, she stood up in surprise and looked at Su Chen and asked,

"It's true, you heard me right." Su Chen smiled when he saw Mu Guiying's nervous look.

Su Chen didn't expect that General Mu Guiying would be so nervous after hearing about the battle. It seems that Mu Guiying also knew that the guards of Chang'an City were treating her this time. The words are a little forced.

The Song army in Chang'an City is too small. The 60,000 Song army is against the more than 200,000 elite Yuan army. Mu Guiying probably has no hope of guarding Chang'an City.

"Okay, I'm going to gather the troops and prepare now."

Mu Guiying did not hesitate after hearing Su Chen's words. She hurriedly left here to gather the army. This time the guards of Chang'an City were up to her. If Chang'an City was lost, Mu Guiying was also prepared to die for her country. ,

Su Chen saw Mu Guiying was about to leave and grabbed her. Su Chen didn't want Mu Guiying to be unable to defend Chang'an City. After all, Mu Guiying had already fallen in love with him.

Su Chen also didn't want Chang'an City to be defeated by Mu Guiying. When Guiying died in battle, he decided to help Mu Guiying.

There were still 300 secret guards in Mu Guiying's mansion. Su Chen decided to let these secret guards help Mu Guiying clean up those people who were about to rebel in Chang'an City.

"Wait, you go to your mansion and take Su Wu and others with you. Those who want to rebel in Chang'an City will be handed over to Su Wu and others."

When Mu Guiying heard Su Chen's words, she looked at him gently and said, "I understand, thank you."

"hiss! Your sudden tenderness gave me goosebumps all over my body." Su Chen was very uncomfortable when he saw Mu Guiying's gentle look.

He looked at Mu Guiying who looked like a little woman in surprise.

Su Chen felt that the heroic Mu Guiying was better.

This is not Su Chen was used to being scolded.

Su Chen felt that Mu Guiying's heroic appearance would be very good to conquer.

"Bastard, you are a fucking shameless bastard."

Mu Guiying blushed and cursed at Su Chen before leaving.

Mu Guiying did not expect that just by being gentle to Su Chen, this bastard actually looked like he had seen a ghost and even got goosebumps. This made Mu Guiying Ying looked at that bastard and wanted to beat him.

Su Chen asked a secret guard to accompany Mu Guiying to leave, otherwise Mu Guiying would not be able to command their secret guards.

Ruan Xingzhu and Gan Baobao saw Mu Guiying leaving. Then they looked at Su Chen without blinking. They did not expect that a war would break out in Chang'an City today, but they were a little worried now.

Dayuan's army was very cruel. If Chang'an City was breached, Dayuan's army would definitely massacre the city. Yes, then it would be difficult for women like them to escape. After all, there were hundreds of thousands of Dayuan troops.

Ruan Xingzhu looked at Su Chen and said anxiously,

"Great Demon King, how about we leave Chang'an City? The army of the Song Dynasty will definitely not be able to defend Chang'an City. If Chang'an City is captured soon, we may not be able to leave even if we want to."

"Yes, we should leave as soon as possible while there is no war in Chang'an City." Gan Baobao looked nervous now. She pulled Zhong Ling and wanted to leave here immediately. She didn't want them to be caught and humiliated by the Yuan army after Chang'an City was not conquered.

Zhong Ling was very unhappy when she looked at her mother Gan Baobao. , Mu Guiying recognized her as her sister. At this critical moment, although Zhong Ling could not help Mu Guiying, she could not abandon Mu Guiying and escape Chang'an City.

Zhong Ling felt that if she abandoned Mu Guiying I'm afraid she will have uneasy conscience for the rest of her life if she leaves Chang'an City. Zhong Ling sat down and said to Gan Baobao with a serious expression, "Mother, how can we leave now? Sister Mu Guiying is already gathering troops to guard Chang'an City. I will not abandon sister Mu Guiying and run away."

When Gan Baobao saw that Zhong Ling refused to leave, she hurriedly explained to Zhong Ling with sincerity,

"you? Ling'er, it's impossible for the Song Dynasty's army to defend Chang'an City. There are too few Song Dynasty troops here. Even if General Mu Guiying has extraordinary means, it's impossible to defend Chang'an City. If we don't leave, it's impossible for the Song Dynasty's army to defend Chang'an City. Let us women go."

Su Chen was happy when he saw Ruan Xingzhu and Gan Baobao looking worried. Ruan Xingzhu and Gan Baobao probably guessed that these women were either charming women or young and beautiful beauties. If they were older, When the Yuan army attacked Chang'an City, beauties like them would definitely be captured alive and humiliated.

Su Chen said disdainfully when he saw Gan Baobao looking like he was about to pull Zhong Ling away immediately,

"laugh! Gan Baobao, do you think you can leave Chang'an City today?"

"Since the beginning of the martial arts conference, I think Dayuan's army has gathered outside Chang'an City. Now I am afraid that anyone who leaves Chang'an City will be killed by Dayuan's army outside Chang'an City. You can't leave now even if you want to.."

Baobao Gan lost her mind after hearing Su Chen's words. She looked at Zhong Ling and held her in her arms. Baobao Gan was very worried about the disaster that their mother would face after the city of Chang'an was destroyed.

Ruan Xingzhu looked at Su Chen. Looking unconcerned, she guessed that the Great Demon King was definitely not afraid of the Dayuan army, and he might even have a way to leave Chang'an City.

Ruan Xingzhu came to Su Chen and asked with some anxiety, "Great Devil, do you have a way? Is it right to leave Chang'an City?"

"No, how could I possibly have a way to leave Chang'an City." Su Chen didn't expect Ruan Xingzhu to ask him this.

Su Chen never wanted to escape Chang'an City. Even if the Dayuan army broke through Chang'an City, Su Chen was not worried about his safety at all.

Su Chen has that girl Zhao Min. Identity token, besides, the tens of thousands of wolf cavalry in Dayuan's army are Zhao Min's army.

Su Chen can command those troops with Zhao Min's identity token. Does he need to escape Chang'an City?

"Then why are you not nervous at all? You must have a way to deal with those Dayuan troops, right? Big Devil, will you protect us women?"

Chapter 528

Ruan Xingzhu took Su Chen's arm and looked at him nervously. Ruan Xingzhu now regarded Su Chen as his only support, and he was the only man here.

Ruan Xingzhu thought that men must be stronger than women, and when they encountered danger, they still needed the only man here.

Su Chen looked at Ruan Xingzhu who was holding his arm speechlessly.

Why was this woman so sure that he would save them?

Why does Ruan Xingzhu think he has the ability to save these women?

Seeing Ruan Xingzhu's nervous look, Su Chen teased, "Ruan Xingzhu, it's not dark yet, so don't talk in your sleep here." When

Ruan Xingzhu saw that Su Chen was unwilling to help them, she hugged Su Chen tightly. The arm begged, "Great Demon King, we are relying on you now. If the war starts later, we will definitely end up in a very miserable end. Please save us later, right?"

"Ruan Xingzhu, you are eating shit too." Su Chen was filled with emotion when Ruan Xingzhu held his arms.

Su Chen's arms were very comfortable in Ruan Xingzhu's soft arms, but Su Chen still wouldn't agree to Ruan Xingzhu easily. Su Chen felt that Ruan Xingzhu would give him other things later. Welfare

"Big devil, I can massage your back, but you can save our mother and daughter, right?" Ruan Xingzhu was not aware of Su Chen's dirty intentions at all. She just wanted to persuade Su Chen to help her and A'Zhu.

Ruan Xingzhu let go of Su Chen and came to massage him from behind. Ruan Xingzhu thought Su Chen likes her massage very much. She can only serve this big devil well now, so that he can save their mother and daughter in the future.

【I'll do it!】

【Isn't this Ruan Xingzhu going to sacrifice himself soon?】

【Massage now, warm the bed later, but what about later?】

【Day, my thoughts are too dirty, I can't think about it anymore, I can't think about it anymore】

【What if Ruan Xingzhu sacrifices his life later? Does he agree? Or do you agree? 】

Su Chen touched her chin and enjoyed Ruan Xingzhu's massage and began to think wildly. Although Ruan Xingzhu had a child, she still wanted to have a figure and a long body. She could also be 80% tall, but wasn't it too mean to do so?

A'Zhu looked at Ruan Xingzhu with a dark face now. She did not expect that just for a moment, her mother would do such degrading things just to ask Su Chen to save them.

A'Zhu thought that Su Chen was a pervert. If he had any thoughts about Ruan Xingzhu, what would she do in the future?

Should I call this bastard father from now on?

A'Zhu was lying on the table helplessly. She didn't want to see her mother being bullied by Su Chen.

Gan Baobao watched Ruan Xingzhu hesitate to do such a thing to A'Zhu, and she watched Zhong Ling look at Ruan Xingzhu in stunned silence.

Gan Baobao didn't know whether she should imitate Ruan Xingzhu in massaging Su Chen's back, but she just couldn't do such a thing.

But she thought that if she couldn't find a way to escape Chang'an City after Dayuan's army broke through Chang'an City today, I'm afraid she would really have to massage this bastard's back like Ruan Xingzhu.

It's just that she doesn't know if Chang'an City is breached, will this bastard still need her massage on his back?

Gan Baobao also knew that if the Dayuan army broke through Chang'an City, it would be too late for her to beg this pervert.

After hesitating for a while, she blushed and walked behind Su Chen to massage his shoulders. Now Gan Baobao It didn't matter. For Zhong Ling's sake, she massaged the bastard's back regardless of face.

Ruan Xingzhu didn't say anything when she saw Gan Baobao coming over. She knew that Gan Baobao was also doing it for her daughter Zhong Ling. This time they might have to serve this big devil together.

When Su Chen saw Gan Bao Bao also massaging her, he smiled and did not stop Gan Bao Bao from massaging her. After all, she came to massage her willingly, but Su Chen did not force her.

Zhong Ling felt very incredible when she saw her mother massaging this bastard. She knew that Gan Baobao had never massaged anyone before, and even her father had never massaged him.

Zhong Ling wanted to stop her mother from behaving like this, but she was held back by A'Zhu. A'Zhu shook her head at Zhong Ling. Zhong Ling didn't understand why A'Zhu wanted to stop her? And why didn't she stop her mother?

Su Chen felt funny while enjoying the massage given to him by the two beautiful women. If they knew about Chang'an City, he had decided to help Mu Guiying defend the city. I wonder if they would kill him if they found out in the future.

Su Chen shook his head when he saw the battle between Jinlun Dharma King and Wang Chongyang and Lin Chaoying in the ring. These battles were meaningless now. I am afraid that Jinlun Dharma King was deliberately trying to attract the attention of people in the world.

After the Dayuan army attacked Chang'an City today, the Jianghu people of the Song Dynasty will probably be wiped out by the Dayuan army.

The next time,

Qin Hongmian ran into trouble. Qin Hongmian and Mu Wanqing, who came here from Ouyang Ke, began to harass them and even threatened them with Ouyang Feng's reputation.

If they don't become his female slaves, Ouyang Ke will take action against them, and even let Ouyang Feng destroy their martial arts skills.

Qin Hongmian scolded Ouyang Ke with a face filled with shame and anger, "You shameless person, get out of here quickly, or we will be rude to you."

Qin Hongmian has never seen such a shameless person, she She was already in a bad mood, but this time she was harassed and threatened by Ouyang Ke, which made her want to kill this bastard.

But Qin Hongmian thought that Ouyang Ke's uncle was a master, so she could only get rid of this bastard as soon as possible. She and her daughter could also leave here immediately.

"Ha ha! You dare to threaten me with your three-legged cat skills? I'll give you a quarter of an hour. If you don't obediently become my slave girl, don't blame me for being rude." Ouyang Ke looked at the angry Qin Hongmian and said with a lewd smile.

Ouyang Ke stared at Qin Hongmian's charming figure and swallowed. This beautiful woman is a top quality.

Ouyang Ke will not miss it. Such a beauty.

And the cool beauty next to her was also pretty good just now. That little beauty must have a special flavor when conquering her.

Ouyang Ke also wouldn't make a move if he couldn't think of it. After all, there were people here that his uncle couldn't deal with, and he didn't want to cause any trouble. Some unnecessary troubles, Qin Hongmian and Mu Wanqing were his meal, and they couldn't escape anyway.

Ouyang Ke saw that Lin Chaoying had left there, and he coveted Xiao Longnu and the others very much. This time Ouyang Ke wanted to take advantage of Lin Chaoying's departure to deal with Xiao Longnu and the others.

Ouyang Ke gave Qin Hongmian and Mu Wanqing a quarter of an hour before walking towards Xiao Longnu and the others with a smile, although he would not do anything to Xiao Longnu and the others. It's tough, but it's good to get acquainted with them first.

Mu Wanqing watched the disgusted Ouyang Ke leave, then pulled her mother and said,

"Mother, let's go to A'Zhu's place. After all, there are a lot of people there. Ouyang Ke just came to find his uncle. There are so many of us, and his uncle Ouyang Feng doesn't dare to deal with us blatantly."

Qin Hongmian shouted angrily when she heard Mu Wanqing's words, "No! I won't go to those bitches. They won't avenge your father. We don't need them to protect us."

"Mother, Duan Zhengchun is not my father, and I have never had a father. If you want us to be kidnapped by Ouyang Ke later, then we can wait here to die."

Chapter 529

Mu Wanqing was very angry when she saw Qin Hongmian. Her mother Qin Hongmian had been abandoned by the heartless man Duan Zhengchun. She couldn't figure out why her mother Qin Hongmian still missed Duan Zhengchun?

Now facing Ouyang Ke's threat, Qin Hongmian still wants to take her to escape later. Can they escape later?

Ouyang Ke was stronger than them all, and even his uncle was a master. How could they escape?

Qin Hongmian looked at Mu Wanqing in disbelief. It was the first time in such a long time that Mu Wanqing spoke to her like this.

"Wanqing, you.....How can you say this? Duan Zhengchun is your biological father no matter what. Now he has been killed by Wu Xiangjun's men. Shouldn't you avenge him?"

Mu Wanqing said to Qin Hongmian in a depressed mood,

"I don't have a father, and I don't need a father. Mother, if you want to avenge Duan Zhengchun from now on, just do it yourself. I'm tired, and I don't want to get involved in these messy things anymore."

As Mu Wanqing said that, she looked at Qin Hongmian and walked towards A'Zhu and the others. She knew that as long as she passed by, Qin Hongmian would definitely pass by. After all, her mother would not trust her to stay here alone and leave alone.

"Wanqing?"

Qin Hongmian was very sad when she saw Mu Wanqing walking towards Ruan Xingzhu and Gan Baobao. Qin Hongmian did not expect that her daughter would not approve of what she did. Did she really do something wrong?

Duan Is it really wrong for Zhengchun, the heartless man, to avenge him?

Qin Hongmian sighed when she saw Mu Wanqing leaving and hurriedly followed her. She was worried that Mu Wanqing would stay here alone.

Mu Wanqing listened. When Qin Hongmian followed, she squinted her lips and showed a smile. Mu Wanqing knew that Qin Hongmian still cared about her very much.

On the ring,

Wang Chongyang and Lin Chaoying combined their efforts to fail in the hands of Jinlun Dharma King. They were also shocked by the power of Jinlun Dharma King.

Jinlun Dharma King's powerful external skills left them helpless. If they continued like this, I'm afraid she and Wang Chongyang would soon be defeated.

Lin Chaoying was knocked away with a sword. After receiving one of Jinlun Dharma King's golden wheels, he hurriedly said to Wang Chongyang next to him,

"Wang Chongyang, don't you have any way to deal with this monk's external skills?"

"No, I have never seen anyone practice external skills like this. Jinlun Dharma King's external skills should be the same as the ancient Three-Tong Vajra Indestructible Body of the Ming Dynasty's Invincible Naughty Boy."

Wang Chongyang is also very helpless now. Jin Lun Dharma King's external skills are very powerful. He can even fight them with two golden wheels now.

Wang Chongyang even suspects that Jin Lun Dharma King has not used all his strength, which makes Wang Chongyang I am very cautious about Jin Lun Dharma King

"If you don't come up with a solution, we're going to die here."

"I know, I'm looking for his weakness right now."

When Lin Chaoying was fighting Jinlun Dharma King, she discovered that Hong Qigong had left the ring. This made Lin Chaoying look at Wang Chongyang very unkindly.

"Damn it, I shouldn't have promised you. That bastard Hong Qigong has run away now. You bastard has really made such a good friend."

"He will regret it and I will not go around him in the future." Wang Chongyang was also very angry. He didn't expect that Hong Qi Guild, who had always been very just, was so greedy for life and afraid of death, and now he was leaving him and Lin Chaoying to escape alone.

"Haha! Hypocritical Central Plains man, Wang Chongyang, don't worry, Hong Qigong can't escape." Jinlun Dharma King laughed loudly after repelling Wang Chongyang and Lin Chaoying.

Jinlun Dharma King just said Wang Chongyang and Lin Chaoying, but Hong Qigong cannot escape.

Now Chang'an City is probably surrounded by a ruthless army. Now, all the Jianghu people here must be killed.

If all the Jianghu people here can be wiped out this time, it will be easier for the Yuan Dynasty to rule the Song Dynasty in the future. The reason why Jinlun Dharma King did not kill Wang Chongyang and Lin Chaoying as soon as possible, he received the message sent to him by Zha Yadu. Jin Lun Dharma King was delaying time so that Zha Yadu's army could unexpectedly attack Chang'an City.

But no one from the Yang family came here, which made Jin Lun King a little disappointed, and he was even worried that the Yang family had discovered Zha Ya Du's intentions.

"Dragon Elephant Prajna Kung Fu, gold and silver wheel combined attack!"

Wang Chongyang and Lin Chaoying looked at each other and didn't know what Jinlun Dharma King meant. When they saw Jinlun Dharma King, they attacked again. They joined forces to attack Jinlun Dharma King.

"Quanzhen swordsmanship, the sword challenges the world!"

"Jade Girl's swordsmanship, little gardening chrysanthemum!"

Wang Chongyang and Lin Chaoying knew that if they could not defeat Jinlun Dharma King, they might not be able to leave alive.

Guo Jing saw that he and Hong Qigong did not go to help Wang Chongyang and Lin Chaoying, but came to take him away. , he thought about what Lin Chaoying said just now.

Is his master Hong Qigong really pretending to be injured?

Is his master really a despicable and shameless villain?

This made Guo Jing look at Hong Qigong in disbelief.

"Master, is what that female hero Lin just said true?"

Hong Qigong pulled Guo Jing and didn't care at all that the other Jianghu people here looked at him with contempt. Hong Qigong also knew that his reputation was completely bad now. If he stayed here any longer, I'm afraid the Jianghu people here would not let him go. Pass him

"Jing'er, now is not the time to talk about these times, let's leave here as soon as possible. That Jinlun Dharma King is too powerful. Even the masters here can't kill him."

Guo Jing shook off Hong Qigong's hand and said angrily, "No, I won't go, master. This is the last time I call you master. You go, I don't need a despicable person. be my master"

"Jinger, you....."

"Hong Qigong, I will no longer be your disciple. Please leave, otherwise the Jianghu people here will be angry and leave you behind."

Hong Qigong looked at Guo Jing with a very ugly face. He did not expect that his apprentice would betray him, which made Hong Qigong very angry. Hong Qigong now wants to kill Guo Jing with one palm, but the situation here is He was not allowed to stay any longer. If he killed Guo Jing this time, I'm afraid he really wouldn't be able to leave.

Guo Jing looked at Hong Qigong's angry look and left with a glare at him. This made Guo Jing breathe a sigh of relief. Guo Jing He felt Hong Qigong's murderous intention just now, and he didn't expect that Hong Qigong wanted to kill him just now.

Guo Jing looked at Hong Qigong who left in a hurry and shook his head towards the ring. He now hopes that Wang Chongyang and Lin Chaoying Can defeat King Jinlun. Only in this way, the Jianghu people in the Central Plains will not let King Jinlun become the leader of the martial arts alliance.

At this moment, Su Chen was lying on the chair enjoying the massage from Ruan Xingzhu and Gan Baobao. He also noticed some Jianghu people around him. Su Chen is looking at this with great envy.

Su Chen doesn't care what other people think of him, as long as he can enjoy the massage from Ruan Xingzhu and Gan Baobao, let other people in the world be envious.

Zhong Ling and A'Zhu are out of sight now, Neither of them looked at Su Chen, Gan Baobao, and Ruan Xingzhu. They all felt that it was very inappropriate for their mother to beg that bastard Su Chen like this.

Although A'Zhu and Zhong Ling could not persuade their mothers, they could They didn't want to watch their mother molesting and massaging that bastard.

When A'Zhu and Zhong Ling watched the fight in the ring, they discovered that Mu Wanqing and Qin Hongmian came to them one after another.

Zhong Ling saw Mu Wanqing When they arrived, they smiled and said to Mu Wanqing,

"Sister Mu Wanqing, why are you here too?"

"Ling'er, we were entangled by a bastard there. I came to you this time just to be with you. I hope that bastard can retreat."

Chapter 530

Mu Wanqing was very embarrassed when she heard Zhong Ling's words. She and her mother came to Zhong Ling and the others when they were in danger. She didn't know that Zhong Ling and the others would treat their mother this way.

But Mu Wanqing had no choice. If mother and daughter didn't come to Zhong Ling and the others, I'm afraid Ouyang Ke wouldn't let them go.

Zhong Ling felt a little incredible when she heard that Mu Wanqing and the others were threatened.

Zhong Ling knew that Qin Hongmian was a cultivator in the innate realm, and Mu Wanqing had just advanced to the innate realm.

Qin Hongmian and Mu Wanqing, two people with innate cultivation, were actually threatened. Could it be that the person who threatened them was stronger than them?

Zhong Ling took Mu Wanqing's hand and asked hurriedly,

"Sister Wanqing, who threatened you? There are so many Jianghu people here, and something like this happened. Aren't the people who threaten you afraid that the Jianghu people here will attack him?"

Mu Wanqing looked at the innocent Zhong Ling and smiled and said, "Ling'er, the person who threatens us is Ouyang Ke. His uncle is a master. How can the world here take action for us."

Zhong Ling was very angry after hearing Mu Wanqing's words. She couldn't understand why Mu Wanqing and the others offended that Ouyang Ke, "This is too much. By the way, sister Wanqing, why did that Ouyang Ke threaten you? What is he going to do to you?"

Zhong Ling didn't expect that a grandmaster's nephew would be threatening Mu Wanqing and her daughter. Now that she knew it, she didn't know what to do. After all, a grandmaster was something they couldn't handle.

Su Chen was lying on a chair and enjoying Ruan Xingzhu and Gan Baobao's massage was just after he found out that Mu Wanqing and Qin Hongmian had arrived.

Su Chen was very speechless to his secret guards. Why did his secret guards let people over now? They were not afraid that these people were Are you here to assassinate him?

But Su Chen turned to look at the secret guards and nodded. These secret guards were not without precautions. The secret guards' Qi-breaking crossbows were secretly pointing at Mu Wanqing and Qin Hongmian. If they If they make any rash move, I'm afraid the secret guards will shoot them.

Su Chen waved his hands to the secret guards. He didn't care about Mu Wanqing and Qin Hongmian. They were two innate little scum, but Su Chen could just do it. Just kill them.

Su Chen was also worried that Mu Wanqing and Qin Hongmian would be killed silently by the secret guards, which would not be fun in the future. Su Chen asked the secret guards to remove Mu Wanqing and Qin Hongmian. Now Su Chen felt funny after hearing the conversation between Zhong Ling and Mu Wanqing. Ouyang Ke, that pervert, must have fallen in love with Qin Hongmian and Mu Wanqing.

And Zhong Ling, a silly girl, actually asked why, which made Su Chen couldn't help but tease Zhong Ling and said,

"Ha ha! Zhong Ling, you are really a noob. A man threatens two beautiful women. Why else do you think you can?"

"Why?"

Zhong Ling still didn't understand what Su Chen meant. She opened her big eyes and stared at Su Chen unkindly.

What did this bastard call her Xiaobai?

What does Xiaobai mean?

Is this bastard pervert scolding her? ?

Ruan Xingzhu and Gan Baobao were speechless when they looked at the confused Zhong Ling. They didn't expect that Zhong Ling didn't know anything.

A man threatened two beautiful women. What else could he do besides getting their bodies? They saw Zhong Ling shook her head helplessly.

"Let me guess, of course Ouyang Ke wants to get those Mu Wanqing and Qin Hongmian. Are you really a little white girl?"

Zhong Ling also now knows why Ouyang Ke threatened Mu Wanqing and their mother and daughter. She didn't expect that the beautiful faces of Mu Wanqing and Qin Hongmian would cause trouble.

But she turned pale when she thought of the bastard Su Chen calling her Xiaobai. cried unkindly,

"You are just a noob"

"Xiaobai, do you understand now?"

"You bully others, no wonder Aunt Ruan Xingzhu calls you the devil"

"Let me tell you, Ruan Xingzhu, you have to work overtime tonight to give me a massage." Su Chen turned around and looked at Ruan Xingzhu, who was very red in the face, and warned in a secret word.

Upon hearing Su Chen's words, Ruan Xingzhu hurriedly waved his hands and said in a secret word, "At night? No, I can only massage you during the day, not at night."

Su Chen looked at Ruan Xingzhu and threatened in secret words,

"If you don't do it, I'll let A'Zhu do it. It's your choice."

Ruan Xingzhu was very frightened when she looked at Su Chen. She was worried that this big devil would attack A'Zhu.

If she didn't agree to this big devil this time, I'm afraid he would really look for A'Zhu.

Ruan Xingzhu looked at Su Chen and was panicked. promised,

"I promised you, but I'm just giving you a massage, I won't do anything else."

"Let's talk about it then."

Ruan Xingzhu is confused now.

Why can't we talk about it until then?

What does this big devil mean?

Is the big devil going to attack her?

But he is so old, how can this bastard like her?

Ruan Xingzhu is giving Su Chen a massage now Her hands were trembling a little. She was really afraid that the big devil would ask her to take action. She was worried that when she gave the big devil a massage at night, the big devil would touch her.

Ruan Xingzhu looked at Gan Baobao a little unnaturally. , when she was talking to this big devil just now, they did not talk in secret language for some words. Although they spoke very quietly, Baobao Gan next to her could hear it. Baobao Gan's face was red now and he was very uneasy. She had overheard some of the conversation between Su Chen and Ruan Xingzhu just now.

Baby Gan thought that Ruan Xingzhu would be bullied by this Su Chen, and she was worried that she would be threatened by this Su Chen in the future.

After Mu Wanqing and Qin Hongmian sat down Just looking at Su Chen, Su Chen was the only man here, and this man was wearing a mask.

Even now Ruan Xingzhu and Gan Baobao were massaging this man, which made Mu Wanqing and Qin Hongmian feel very It's incredible.

Qin Hongmian doesn't think Ruan Xingzhu and Gan Baobao have anything to do with this man. She even thinks now that Ruan Xingzhu and Gan Baobao either begged this man or this man threatened them.

But Qin Hongmian looked at Zhong Ling and A'Zhu and the others felt that Ruan Xingzhu and Gan Baobao were not threatened by this man. Could it be that they wanted this man?

Qin Hongmian still couldn't figure out why Ruan Xingzhu and Gan Baobao gave this man a massage.

Zhong Ling stared at Su Chen She didn't see this bastard answering her again, and this big devil was actually talking to Ruan Xingzhu about something, which made Zhong Ling feel a little frustrated. This big devil didn't care about her at all.

Zhong Ling looked at Mu Wanqing, who looked a little uneasy. He said to her,

"Sister Wanqing, please stay here with your mother. This big devil has dozens of subordinates, and his subordinates are very elite. When the master Ouyang Feng saw that there were so many of us, he didn't care. Dare to attack us at will"

"Moreover, my sister is General Mu Guiying, and there are tens of thousands of Mu Guiying's troops in Chang'an City. If Ouyang Feng dares to take action against you, I will let this big devil's men and Mu Guiying's troops surround and kill Ouyang Feng."
