

ZONGWU: SIGN IN AN ARMY OF 100,000 AT THE BEGINNING

Chapter 8

A'Zhu was very nervous after hearing Su Chen's words. She was now afraid that A Bi had done these things. A Bi looked a little wrong during this time.

A'Zhu also thought that A Bi was thinking of those Murong family members who were massacred. Now it seems that these things may have something to do with A Bi.

Su Chen looked at A'Zhu with a cold face and ordered,

"Take these alive and torture me to find out who they are? How did they sneak into the house?"

"Yes, Your Majesty."

When Su Chen saw that the guards had taken the assassins down, he was not in the mood to wait for the soap to take shape. Su Chen looked at A'Zhu and said to Su Yan,

"He said, A'Zhu and A Bi want to lock them up first. This matter may have something to do with them. Don't let them be your maids anymore."

Su Yan looked at A'Zhu and said seriously,

"I know, A'Zhu, did you do this? Tell me now, I can intercede for you and ask my father to let you go this time. If you don't tell me now, I won't intercede for you until we find out."

A'Zhu immediately said hurriedly to Su Yan,

"Your Majesty, we did not do this. You have to believe us."

"Someone, please lock up A'Zhu and that A Bi first." Su Chen ordered angrily when he saw that A'Zhu didn't give an explanation at this time.

This time these assassins were able to break into this place without any chance. This must be because someone gave these assassins directions, and the guards and troops in the mansion were all against them. Su Chen is loyal, and it is impossible for them to betray him.

The maid he brought from the imperial city is even less likely to betray him. In this Wu Xiangjun's mansion, only A'Zhu and A Bi are suspected. Got it

"Yes, Your Majesty,"

A'Zhu said quickly to Su Chen with a pale face.

"Your Majesty, it is impossible for A Bi and I to do this. You have to believe us. We really have no contact with these assassins."

The guards left here with the shouting A'Zhu,

"Dad, when will my mother be released from confinement? If my mother were here, she would definitely be able to find out who is assassinating you."

"I don't know martial arts. How do I know? It depends on whether your mother will succeed in breaking through this time."

"Can that Zhu Guo of yours really help my mother achieve a successful breakthrough?"

"Maybe, but even if the breakthrough is unsuccessful, it will still be good for the body, and all the hidden wounds your mother had in the past will be healed."

The red fruit that Su Chen gave to Jing Salamander was given out in a gift pack within this month. This time Su Chen gave out ten red fruits. If you eat

one of these red fruits, you can gain thirty years of skill. , Jing Salamander is now in the middle stage of Grand Master. If Jing Salamander can break through to the Grand Master this time, Su Chen will make a lot of money.

However, only one person can eat this red fruit to have an effect, and eating it in the future can only heal the injury. Yes, Su Chen gave one pill to Jing Shao and Yan each. Now Yan has no health problems after eating it, and her stomach cold disease will not appear again in the future.

Su Yan looked at Su Chen and was careful. asked,

"That's fine, Dad, if it's really A'Zhu and A Bi who show the way to these assassins this time, how will you deal with them?"

Su Chen thought to Su Yan in a funny way,

"You haven't thought about it yet, why don't you just kill them?"

Su Chen knew that Su Yan didn't want him to kill A'Zhu and A Bi. For more than a month, Su Yan had been very fond of A'Zhu and A Bi. The writing Su Yan was learning now was also what A'Zhu and the others were teaching her..

Su Yan smiled and said to Su Chen,"It's better not to do it. A'Zhu and A Bi are pretty good, or you should punish them so that they won't do this again in the future."

Su Chen touched Su Yan's head and said,"Let's wait and see. After those assassins confess, they will decide what to do with A'Zhu and A Bi."

"Okay, but you must tell me when you deal with A'Zhu and A Bi. You can't deal with them privately."

"knew."

There are many guards guarding a small courtyard in Wu Xiangjun's mansion.

In the room, A'Zhu asked A Bi next to him seriously,

"Abi, do the assassins who came to kill Wu Xiangjun today have anything to do with you? Abi panicked and said to A'Zhu, "No, I didn't tell them."

A'Zhu asked hurriedly after hearing A Bi's words,

"them? who is it? You really have something to do with this matter."

Abi immediately explained to A'Zhu,

"A'Zhu, I didn't betray Mr. Wu Xiang. I was also handed a note by a stranger when I was going out with the little princess. They asked me to give them the defense map of Mr. Wu Xiang's mansion. I just looked at the note. I just threw it away. I haven't even seen it before."

"Suddenly, it's okay if it's not you"

"A'Zhu, do you believe what Wu Xiangjun said now?"

"Abi, you actually believe that, right? If Murong Fu was not a descendant of Xianbei, then why did he occupy Gusu City? Murong Fu also plundered so many gold and silver treasures from Gusu City. What benefit did he do to him?"

"Well, I often go out with the little princess, and I also heard that the people in Gusu City hate the Murong family very much. Now I don't know what to do? I don't know where the young master has fled to now."

"Don't call Murong Fu "Young Master" anymore. He is from the Xianbei tribe, and now he wants to restore the country. If he does this, we Han people don't know how many more people will be killed or injured."

Abi asked A'Zhu a little worried now,

"I understand. Does Mr. Wu Xiang not believe us this time?"

A'Zhu sat on the chair and said a little discouraged,

"Mr. Wu Xiang has never believed us. After all, we used to be the maids of the Murong family, even though we were captured."

"But I feel like Lord Wu Xiang is using us, but we are just maids. Where can we let Lord Wu Xiang take advantage of us? Abi suddenly said to A'Zhu,"Wu Xiangjun is not trying to use us to lure Murong Fu, is he?"

A'Zhu knows Murong Fu very well. He will not take risks to save them for her and A Bi. A'Zhu feels that she and A Bi are not even as important as the guards around Murong Fu.

"Maybe, if this is the case, Lord Wu Xiang may be disappointed, Murong Fu will not risk saving us for the sake of our two little maids."

Boom

, boom, boom. At this moment, a powerful momentum suddenly erupted in Wu Xiangjun's mansion, which made A'Zhu and Abi a little worried whether there was another powerful assassin in Wu Xiangjun's mansion. It was a great pleasure to read books on

May Day.!
